The property is now in compliance; however, Ms. Joseph recommended the property owners be found in repeat violation of the above referenced codes as the property was not in compliance with the Notice of Hearing. A fine of \$ 100.00 per day shall be imposed beginning January 29, 2020 and running through and including February 7, 2020 for a total of 10 days. Ms. Joseph

requested any future violations under this ordinance be considered repeat. The cost sheet in the amount of \$43.60 was tendered into evidence and accepted by Special Magistrate Fuller with no objections.

Special Magistrate Fuller granted the recommendation as presented. A fine of \$ 100.00 per day beginning January 29, 2020 and running through and including February 7, 2020 for a total of 10 days shall be imposed. Costs in the amount of \$43.60 were awarded to the City.

The property manager was called on February 21, 2020. There was no answer at the time of the call. A message was left notifying them of the broken irrigation system. As of March 4, 2020, the property management company has not responded to our call.

This correspondence will serve as official notification that the below stated violation(s) must be corrected by **March 27, 2020**.

Briefly stated, the property is in violation of the following:

1. **City of Port Orange Code of Ordinances, Chapter 74 (Utilities), Article VII (Water Conservation), Section 74-219 (Additional Requirements):** Any person who purchases and installs an automatic landscape irrigation system shall properly install, maintain, and operate the system that inhibits or interrupts operation of the system during periods of sufficient moisture.

- The video shows a broken sprinkler head or pipe in the rear yard, which is shooting over the fence onto the neighboring property. To correct the violation, the irrigation system must be repaired and properly functioning so that it does not affect other properties, to include all broken sprinkler heads, and the system must be shut off until the proper repairs are made.

Failure to comply after this date may result in the commencement of appropriate code enforcement action and/or possible fine of up to \$1,000.00 per day for a first violation, \$5,000.00 per day per violation for a repeat violation, and up to \$15,000.00 per violation if the code enforcement board or special magistrate finds the violation to be irreparable or irreversible in nature.

If the violation is corrected and then recurs, or if the violation is not corrected by the specified time for correction by the Code Compliance Inspector, the case shall be presented to the **Special Magistrate** on the date set forth below, even if the violation has been corrected prior to this scheduled hearing.

The burden shall rest upon the Respondent to request a re-inspection by the Code Enforcement Officer to determine whether the property is in compliance.

Briefly stated, the property is in violation of the following:

City of Port Orange Code of Ordinances, Chapter 42 (Nuisances), Article V (Unsafe Conditions), Division 2 (Nuisance Trees), Sec. 42-103 (Declaration of a nuisance), It is declared and determined by the city council that the following shall each individually or in any combination be considered a nuisance when they exist upon any lot, lots or adjacent lots, within the City of Port Orange, **(a)** A nuisance tree shall be subject to immediate removal when determined to be a public hazard in the opinion of the code enforcement official of the City of Port Orange consistent with the following standards: **(2)** Sand pine (*Pinus clausa*) leaning 45 degrees or more from vertical *and other types of trees* having special conditions, disease or damage constituting them a nuisance tree in the opinion of the professions forester, botanist or landscape architect.
