WHEREAS, § 166.041, Florida Statutes, provides for procedures for the adoption of ordinances and resolutions by municipalities; and

WHEREAS, the City of Port Orange recognizes that panhandling, including but not limited to solicitation and begging are activities that are protected by the First Amendment to the United States Constitution; and

WHEREAS, the City Council finds that panhandlers and beggars sometimes use profane language when requesting money from people; that panhandlers and beggars sometimes physically touch or threaten to touch the people they solicit for money; and that panhandlers and beggars sometimes block the path of people they solicit for money, or follow the people they solicit for money in an apparent effort to intimidate people into making a donation or as retribution for refusing to make a donation; and

WHEREAS, the City Council finds that the foregoing activities constitute "aggressive panhandling or begging," and that the increase in aggressive panhandling or

begging throughout the City of Port Orange has become extremely disturbing and disruptive to residents, visitors, and businesses, and has contributed to an enhanced sense of fear, intimidation, and disorder resulting in the loss of access to and enjoyment of public places throughout the City; and

WHEREAS, the City of Port Orange has experienced a significant number of complaints made to the Port Orange Police Department and other city authorities regarding panhandling and problematic panhandling behaviors; and,

WHEREAS, the City of Port Orange has a compelling governmental interest in preserving and protecting the lives of its citizens which can be imperiled by numerous panhandlers which results in, *inter alia*, traffic and pedestrian congestion which among other things can delay deployment of life saving fire and police vehicles and personnel and otherwise endanger the lives of drivers of automobiles and other pedestrians; and

WHEREAS, the City of Port Orange has a compelling governmental interest in protecting the health, safety, and welfare of its citizens and visitors from health hazards spread by habits of panhandlers including but not limited to open urination and open defecation; and

WHEREAS, according to the statistics from the Florida Department of Health, Division of Disease Control and Health Protection, as of January 10, 2021, there were total cases of COVID-19 in Florida of 1,488,586, with 1,461,958 Florida residents testing positive, 65,796 Florida resident hospitalizations, with 23,071 total deaths in Florida from COVID-19.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY
OF PORT ORANGE, VOLUSIA COUNTY, FLORIDA:**

Section 1. Chapter 46 of the Code of the Code of Ordinances, City of Port Orange, Florida, is hereby amended to create and establish a new Article V to read as follows:

ARTICLE V. - PANDHANDLING, BEGGING AND SOLICITATION

Sec. 46-67. - Intent.

The purpose and intent of this article is to recognize the constitutional right of persons to panhandle, including but not limited to solicit and beg, in a peaceful and non-threatening manner; however, an increase in aggressive panhandling and begging throughout the City has become extremely disturbing and disruptive to residents and businesses, and has contributed not only to the loss of access to and enjoyment of public places but also to an enhanced sense of fear, intimidation, and disorder as well as actual danger to the health, safety and welfare of citizens and tourists alike. Aggressive panhandling and begging usually includes approaching or following pedestrians, repetitive requests for donations of money despite refusals, the use of abusive or profane language, unwanted physical contact, and the intentional, or as incident to the aggressive panhandling and begging, blocking of pedestrian and vehicular traffic. Additionally, the presence of panhandlers and beggars, who request money from persons in specific public areas such as outdoor cafes, automated teller machines, entrances and exits from commercially zoned properties, and while standing in line to enter an event or a building, is especially harmful because persons cannot readily escape from the undesired conduct, which often carries with it an implicit threat to both persons and property imperiling the health, safety and welfare of the citizens of and visitors to Port Orange. . Also, unless mitigated by regulation, some of the habits attributable to panhandlers, including but not limited to open urination and open defecation, pose a threat to the health, safety, and welfare of citizens and tourists who visit the City of Port Orange as well as the possibility of catching or spreading of COVID-19 or any other pandemic that is spread by unhealthy hygienic habits such as the foregoing.

This article is not intended to limit any persons from exercising their constitutional right to panhandle, including but not limited to beg, or solicit funds, or engage in any other constitutionally protected activity, when conducted in a legal manner. The goal of this article is instead to ensure the foregoing constitutional rights while through regulation acting to protect citizens from the fear and intimidation accompanying certain kinds of panhandling and begging that have become an unwelcome and overwhelming presence in the City by prohibiting aggressive panhandling and begging throughout the City and by regulating through time, place, and manner ordinance provisions regulating panhandling and begging in certain public places, based upon the foregoing compelling,

significant, important and substantial governmental interests set forth in the predicate clauses and an overriding compelling governmental interest to protect the health, safety, and welfare of the citizens of Port Orange and visitors from the adverse secondary effects, including but not limited to open urination and open defecation, of panhandling which definition includes all solicitation and begging, in public areas. The restrictions contained in this article are neither overbroad nor vague and are narrowly tailored to serve compelling and substantial governmental interests, and preserve ample alternative areas for the valid exercise of constitutional rights of panhandling which they do as set forth more particularly herein.

If such regulations were to be deemed to trigger strict scrutiny, regulating certain behaviors attributed to panhandlers including but not limited to open urination and open defecation implicates the compelling governmental interest of Port Orange in protecting the health, safety, and welfare of its citizenry and visitors, preventing the contracting or spread of COVID-19 or any other pandemic which can be contracted or spread by such unhealthy habits linked by testimony to panhandlers and in preserving police and fire department access to such rights of way in order to save lives.

Sec. 46-68. - Definitions.

- (2) To maintain contact with a solicited person and continue demanding, requesting or begging for money or a donation of valuable property after the solicited person has made a negative response to an initial demand or request for money or a donation (for example, walking in front of, next to, or behind a solicited person while continuing to demand, request or beg for money from that person after that person has refused to donate or give money); or
- (3) To obstruct, block or impede, either individually or as part of a group of persons, the passage or free movement of a solicited person or a person in

- the company of a solicited person, including persons on foot, on bicycles, in wheelchairs or operating motor vehicles or persons attempting to enter or exit motor vehicles (for example, walking, standing, sitting, lying, or placing an object in such a manner as to block passage of another person or vehicle, or to require another person or driver of a vehicle to take evasive action to avoid physical contact); or
