3/4 TON 4-DOOR CREW CAB PICKUP TRUCK - 4X2 SPECIFICATION #55

2016 GMC Sierra 2500 HD (TC25943)

The GMC Sierra 2500 HD (TC25943) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$26,923.00	\$26,723.00	\$26,523.00	\$26,673.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

BASE PRICE:	\$31,796.00	\$31,796.00	\$31,646.00	\$31,746.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION & FLORIDA ASSOCIATION OF COUNTIES

3/4 TON 4-DOOR CREW CAB PICKUP TRUCK - 4X4 SPECIFICATION #56

2016 Chevrolet Silverado 2500 HD (CK25943)

The Chevrolet Silverado 2500 HD (CK25943) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$28,817.00	\$28,617.00	\$28,417.00	\$28,567.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION & FLORIDA ASSOCIATION OF COUNTIES

3/4 TON 4-DOOR CREW CAB PICKUP TRUCK - 4X4 SPECIFICATION #56

2016 Ram 2500 (DJ7L92)

The Ram 2500 (DJ7L92) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$27,048.00	\$26,848.00	\$26,937.00	\$27,048.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION & FLORIDA ASSOCIATION OF COUNTIES

3/4 TON 4-DOOR CREW CAB PICKUP TRUCK - 4X4 SPECIFICATION #56

2016 Ford F-250 SD (W2B)

The Ford F-250 SD (W2B) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$25,520.00	\$25,520.00	\$25,468.00	\$25,833.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION & FLORIDA ASSOCIATION OF COUNTIES

3/4 TON 4-DOOR CREW CAB PICKUP TRUCK - 4X4 SPECIFICATION #56

2016 GMC Sierra 2500 HD (TK25943)

The GMC Sierra 2500 HD (TK25943) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$29,085.00	\$28,885.00	\$28,685.00	\$28,835.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

1 TON PICKUP TRUCK (DUAL REAR WHEEL) - 4X2 SPECIFICATION #57

2016 Chevrolet Silverado 3500 HD (CC35903)

The Chevrolet Silverado 3500 HD (CC35903) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$25,193.00	\$24,993.00	\$24,793.00	\$24,943.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

The Dodge Ram 3500 (D23L62) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$26,353.00	\$26,278.00	\$26,318.00	\$26,328.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION & FLORIDA ASSOCIATION OF COUNTIES

1 TON PICKUP TRUCK (DUAL REAR WHEEL) - 4X2 SPECIFICATION #57

2016 GMC Sierra 3500 HD (TC35903)

The GMC Sierra 3500 HD (TC35903) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$25,348.00	\$25,148.00	\$25,057.00	\$25,207.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

1 TON PICKUP TRUCK (DUAL REAR WHEEL) - 4X4 SPECIFICATION #58

2016 Chevrolet Silverado 3500 HD (CK35903)

The Chevrolet Silverado 3500 HD (CK35903) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$27,355.00	\$27,155.00	\$26,955.00	\$27,105.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

1 TON PICKUP TRUCK (DUAL REAR WHEEL) - 4X4 SPECIFICATION #58

2016 GMC Sierra 3500 HD (TK35903)

The GMC Sierra 3500 HD (TK35903) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$27,624.00	\$27,424.00	\$27,224.00	\$27,374.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$24,483.00	\$24,483.00	\$24,483.00	\$24,891.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. FLORIDA SHERIFFS ASSOCIATION & FLORIDA ASSOCIATION OF COUNTIES

1 TON EXTENDED CAB PICKUP TRUCK (DUAL REAR WHEEL) - 4X2 SPECIFICATION #59

2016 GMC Sierra 3500 HD (TC35953)

The GMC Sierra 3500 HD (TC35953) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$27,815.00	\$27,615.00	\$27,415.00	\$27,565.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

1 TON EXTENDED CAB PICKUP TRUCK (DUAL REAR WHEEL) - 4X4 SPECIFICATION #60

2016 Ford F-350 SD (X3D)

The Ford F-350 SD (X3D) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$27,797.00	\$27,797.00	\$27,797.00	\$28,495.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

1 TON EXTENDED CAB PICKUP TRUCK (DUAL REAR WHEEL) - 4X4 SPECIFICATION #60

2016 Chevrolet Silverado 3500 HD (CK35953)

The Chevrolet Silverado 3500 HD (CK35953) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$29,722.00	\$29,522.00	\$29,322.00	\$29,472.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

1 TON 4-DOOR CREW CAB PICKUP TRUCK (DUAL REAR WHEEL) - 4X2 SPECIFICATION #61

2016 Chevrolet Silverado 3500 HD (CC35943)

The Chevrolet Silverado 3500 HD (CC35943) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$28,995.00	\$28,795.00	\$28,595.00	\$28,745.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION & FLORIDA ASSOCIATION OF COUNTIES

1 TON 4-DOOR CREW CAB PICKUP TRUCK (DUAL REAR WHEEL) - 4X2 SPECIFICATION #61

2016 Ram 3500 (D23L92)

The Ram 3500 (D23L92) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$31,036.00	\$30,936.00	\$30,986.00	\$31,036.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

BASE PRICE:	\$25,917.00	\$25,917.00	\$25,917.00	\$26,407.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION & FLORIDA ASSOCIATION OF COUNTIES

1 TON 4-DOOR CREW CAB PICKUP TRUCK (DUAL REAR WHEEL) - 4X2 SPECIFICATION #61

2016 GMC Sierra 3500 HD (TC35943)

The GMC Sierra 3500 HD (TC35943) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$29,180.00	\$28,980.00	\$28,780.00	\$28,930.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

1 TON 4-DOOR CREW CAB PICKUP TRUCK (DUAL REAR WHEEL) - 4X4 SPECIFICATION #62

2016 Chevrolet Silverado 3500 HD (CK35943)

The Chevrolet Silverado 3500 HD (CK35943) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$31,173.00	\$30,973.00	\$30,773.00	\$30,923.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

1 TON 4-DOOR CREW CAB PICKUP TRUCK (DUAL REAR WHEEL) - 4X4 SPECIFICATION #62

2016 Ram 3500 (D28L92)

The Ram 3500 (D28L92) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$32,398.00	\$32,298.00	\$32,348.00	\$32,398.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA SHERIFFS ASSOCIATION & FLORIDA ASSOCIATION OF COUNTIES

1 TON 4-DOOR CREW CAB PICKUP TRUCK (DUAL REAR WHEEL) - 4X4 SPECIFICATION #62

2016 GMC Sierra 3500 HD (TK35943)

The GMC Sierra 3500 HD (TK35943) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$31,347.00	\$31,147.00	\$30,947.00	\$31,097.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

Contract Terms and Conditions Rev 07/27/15

GENERAL CONDITIONS – 1.0

1.1 SEALED BIDS

An Original and one (1) copy of the Bid as well as any other pertinent documents must be returned in order for the bid to be considered for award. All bids are subject to the conditions specified hereon and on the attached Special Conditions, Specifications and Bid Form.

The completed bid must be submitted in a sealed envelope clearly marked with the Bid Title to the Florida Sheriffs Association, 1st Floor, 2617 Mahan Drive, Tallahassee FL 32308. Facsimile, electronic, or faxed bids will not be accepted.

1.2 EXECUTION OF BID

Bid must contain a manual signature of an authorized representative in the space provided on the Bid signature page. Failure to properly sign bid shall invalidate same and it shall NOT be considered for award. All bids must be completed in pen and ink or typewritten. No erasures are permitted. If a correction is necessary, draw a single line through the entered figure and enter the corrected figure above it. Corrections must be initialed by the person signing the bid. Any illegible entries, pencil bids or corrections not initialed will not be tabulated. The original bid conditions and specifications CANNOT be changed or altered in any way. Altered bids will not be considered. Clarification of bid submitted shall be in letter form, signed by bidders and attached to the bid.

1.3 LATE BIDS

At time, date and place above, bids will be opened. Any bid or bids received after time and date specified will be returned to the bidder unopened. The responsibility for submitting a bid before the stated time and date is solely and strictly the responsibility of the bidder/proposer. The FSA is not responsible for delays caused by mail, courier service, including U.S. Mail or any other occurrence. Any reference to time will be based on Eastern Standard Time (EST)

1.4 NO BID

If not submitting a bid, respond by returning the enclosed "NO BID" form questionnaire, and explain the reason. Repeated failure to bid without sufficient justification shall be cause for removal of a supplier's name from the bid mailing list.

1.5 PRICES QUOTED

Deduct trade discounts and quote firm net prices. Give both unit price and extended total, when requested. Prices must be stated in units of quantity specified in the bidding specifications.

In case of discrepancy in computing the amount of the bid, the UNIT PRICE quoted will govern. All prices must be F.O.B. destination, freight prepaid (unless otherwise stated in special conditions). The dealer has the authority to offer discounts for prompt payment.

Award, if made, will be in accordance with terms and conditions stated herein. Each item must be bid separately and no attempt is to be made to tie any item or items in with any other item or items. Cash or quantity discounts offered will not be a consideration in determination of award of bid(s).

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

1.6 TAXES

The FSA is a 501c3 Organization and exempt from all Federal Excise and State Taxes. State Sales Tax and Use Certificate Number is 59-0708112. Customers making purchase pursuant to the awarded bid are generally exempt from Federal Excise and State Sales Tax. It is the responsibility of the Contractor to verify that the Customer is exempt by obtaining the purchaser's Federal Excise and State Taxes and Use Certificate Number

1.7 MISTAKES

Bidders are expected to examine the specifications, delivery schedules, bid prices and extensions and all instructions pertaining to supplies and services. Failure to do so will be at the bidder's risk.

1.8 CONDITION AND PACKAGING

It is understood and agreed that any item offered or shipped as a result of this bid shall be the latest new and current model offered (most current production model at the time of this bid). All containers shall be suitable for storage or shipment, and all prices shall include standard commercial packaging.

1.9 UNDERWRITERS' LABORATORIES

Unless otherwise stipulated in the bid, all manufactured items and fabricated assemblies shall be U.L. listed or re-examination listing where such has been established by U.L. for the item(s) offered and furnished.

1.10 MINOR IRREGULARITIES/RIGHT TO REJECT

The FSA has the right to accept or reject any and all bids, or separate portions thereof, and to waive any irregularity, technicality or omission if the FSA determines that doing so will serve in the FSA's best interest. The FSA may also reject any Response not submitted in the manner specified by the solicitation documents.

1.11 EQUIVALENTS Rev 6/14

The term "Approved Equivalent" is used to allow a bidder to bid components or equipment that are equal to the components or equipment described in the detailed specifications. The FSA Contract Administrator shall have the sole authority to determine approved equivalents.

Brand Names: Catalog numbers, manufacturers' and brand names, when listed, are informational guides as to a standard of acceptable product quality level only and should not be construed as an endorsement or a product limitation of recognized and legitimate manufacturers. Bidders shall formally substantiate and verify that product(s) offered conform with or exceed quality as listed in the specifications.

If bidder offers a make or model of equipment or supplies other than those specified in the following, it must so indicate in the bid submittal.

Bidder shall indicate on the bid form the manufacturer's name and number if bidding other than the specified brands, and shall indicate ANY deviation from the specifications as listed. Other than specified items offered requires complete descriptive technical literature marked to indicate detail(s) conformance with specifications and **MUST BE INCLUDED WITH THE BID**. Specific article(s) of equipment/supplies shall

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

conform in quality, design and construction with all published claims of the manufacturer. NO BIDS WILL BE CONSIDERED WITHOUT THIS DATA.

Lacking any written indication of intent to quote an alternate brand or model number, the bid will be considered as a bid in complete compliance with the specifications as listed on the attached form.

Dealers offering alternate makes, manufacturers of vehicles or equipment not specifically identified in the bid cannot utilize or publish the offering as an "OPTION" within the bid specification and detail. Offerings of this nature will cause the bid to be rejected.

1.12 NON-CONFORMANCE TO CONTRACT CONDITIONS

Items may be tested for compliance with specifications. Item delivered, not conforming to specifications may be rejected and returned at vendor's expense. These items and items not delivered as per delivery date in bid and/or purchase order may be purchased on the open market. Any increase in cost may be charged against the bidder.

Any violation of these stipulations may also result in:

- Vendor's name being removed from the vendor list.
- All FSA departments and Customers being advised not to do business with vendor.

1.13 SAMPLES

Samples of items, when required, must be furnished free of expense and, if not destroyed, will, upon request, be returned at the bidder's expense. Bidders will be responsible for the removal of all samples furnished within (30) days after bid opening. All samples will be disposed of after thirty (30) days. Each individual sample must be labeled with bidder's name. Failure of bidder to either deliver required samples or to clearly identify samples may be reason for rejection of the bid. Unless otherwise indicated, samples should be delivered to the Florida Sheriffs Association, Attention: Cooperative Bid Coordinator, 1st Floor, 2617 Mahan Drive, Tallahassee FL 32308.

1.14 DELIVERY

Unless actual date of delivery is specified (or if specified delivery cannot be met), show number of days (in calendar days) required to make delivery after receipt of purchase order, in space provided.

Delivery time may become a basis for making an award. Delivery shall be within the normal working hours of the user, Monday through Friday, excluding holidays.

1.15 INTERPRETATIONS

Unless otherwise stated in the bid, any questions concerning conditions and specifications should be submitted in writing to the FSA Contract Bid Coordinator at 2617 Mahan Drive, Tallahassee, FL 32308 or by e-mail to: Fleet@flsheriffs.org

1.16 BID OPENING

Bids shall be opened and publicly read on the date, time and place specified on the Bid Form. All bids received after the date, time, and place shall be returned, unopened.

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

1.17 INSPECTION, ACCEPTANCE & TITLE

Inspection and acceptance will be at destination unless otherwise provided. Title to/or risk of loss or damage to all items shall be the responsibility of the successful bidder until acceptance by the buyer unless loss or damage result from negligence by the buyer.

If the materials or services supplied to the FSA are found to be defective or not conform to specifications, the FSA reserves the right to cancel the order upon written notice to the seller and return product at bidder's expense.

1.18 PAYMENT

Invoices for payment will be submitted to the FSA or Customer after the items awarded to a vendor have been received, inspected, and found to comply with award specifications, free of damage or defect and properly invoiced.

Invoices for payment as repairs/replacements will be submitted to the FSA or Customer and paid for the duration of the contract. Invoices will be subject to verification and approval by the ordering FSA department or Customer designated representative.

1.19 DISPUTES

In case of any doubt or difference of opinion as to the items to be furnished hereunder, the decision of the FSA shall be final and binding on both parties. In the event of a conflict between the documents, the order of priority of the documents shall be as follows:

Any agreement resulting from the award of this Bid (if applicable); then Addenda released for this Bid, with the latest

Addendum taking precedence;

- then The Bid;
- Then Awardee's Bid.

1.20 LEGAL REQUIREMENTS

Federal, State, county laws, ordinances, rules and regulations that in any manner affect the items covered herein apply. Lack of knowledge by the bidder will in no way be a cause for relief from responsibility.

1.21 PATENTS & ROYALTIES

The bidder, without exception, shall indemnify and save harmless the FSA and its employees from liability of any nature or kind, including cost and expenses for, or on account of, any copyrighted, patented, or unpatented invention, process, or article manufactured or used in the performance of the contract, including its use by The FSA or Customer.

If the bidder uses any design, device or materials covered by letters, patent, or copyright, it is mutually understood and agreed, without exception, that the bid prices shall include all royalties or cost arising from the use of such design, device, or materials in any way involved in the work.

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

1.22 OSHA

The bidder warrants that the product supplied to the FSA or Customer shall conform in all respects to the standards set forth in the Occupational Safety and Health Act of 1970, as amended, and the failure to comply with this condition will be considered as a breach of contract. Any fines levied because of inadequacies to comply with these requirements shall be borne solely by the bidder responsible for same.

1.23 SPECIAL CONDITIONS

Any and all Special Conditions that may vary from these General Conditions shall have precedence.

1.24 ANTI-DISCRIMINATION

The bidder certifies that he/she is in compliance as applicable by State Law with the non-discrimination clause contained in Section 202, Executive Order 11246, as amended by Executive Order 11375, relative to equal employment opportunity for all persons without regard to race, color, religion, sex or national origin.

1.25 AMERICAN WITH DISABILITIES ACT

To request this material in accessible format, sign language interpreters, information on access for persons with disabilities, and/or any accommodation to review any document or participate in any FSA-sponsored proceeding, please contact FSA HR Director at 850-877-2165 (voice), 850-878-8665 (fax) five days in advance to initiate your request. TTY users may also call 711 (Florida Relay Service).

1.26 MINORITY BUSINESS ENTERPRISE (MBE)

The Florida Sheriffs Association Policy is that Minority Business Enterprises (MBE) shall have the opportunity to participate in competitive bids. Such process would be for supplying goods and services to FSA and Customers.

1.27 QUALITY

All materials used for the manufacture or construction of any supplies, materials or equipment covered by this bid shall be new. The items bid must be new, the latest model, of the best quality, and highest grade workmanship.

1.28 LIABILITY, INSURANCE, LICENSES AND PERMITS

Where bidders are required to enter or go onto FSA or Customer property to deliver materials or perform work or services as a result of a bid award, the successful bidder will assume the full duty, obligation and expense of obtaining all necessary licenses, permits and insurance and assure all work complies with all applicable County code requirements as well as the Florida Building Code. The bidder shall be liable for any damages or loss to the FSA or Customer occasioned by negligence of the bidder (or agent) or any person the bidder has designated in the completion of the contract as a result of his or her bid.

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

1.29 BID BONDS, PERFORMANCE BONDS, CERTIFICATES OF INSURANCE

Bid Bonds, when required, shall be submitted with the bid in the amount specified in Special Conditions. After acceptance of bid, the FSA will notify the successful bidder to submit a performance bond and certificate of insurance in the amount specified in Special Conditions

1.30 DEFAULT

Failure or refusal of a bidder to execute a contract upon award, or withdrawal of a bid before such award is made, may result in forfeiture of that portion of any bid surety required equal to liquidated damages incurred by the FSA thereby, or where surety is not required, failure to execute a contract as described above may be grounds for removing the bidder from the bidder's list.

1.31 CANCELLATION

In the event any of the provisions of this bid are violated by the contractor, the Contract Manager shall give written notice to the contractor stating the deficiencies and unless deficiencies are corrected within ten (10) business days, recommendation will be made to the FSA for immediate cancellation. The FSA reserves the right to terminate any contract resulting from this invitation at any time and for any reason, upon giving thirty (30) days prior written notice to the other party.

1.32 SEVERABILITY

In the event any provision of this contract is held to be unenforceable for any reason, the unenforceability thereof shall not affect the remainder of the contract which shall remain in full force and effect and enforceable in accordance with its terms.

1.33 BILLING INSTRUCTIONS

Invoices, unless otherwise indicated in these Contract Term and Conditions, must show purchase order numbers and shall be submitted to the Florida Sheriffs Association, 2617 Mahan Drive, Tallahassee, FL 32808 or P.O. Box 12519 Tallahassee, FL 32317-2519

1.34 NOTES TO VENDORS DELIVERING TO THE FSA

Receiving hours are Monday through Friday, excluding holidays, from 8:30 a.m. to 4:00 p.m.

1.35 SUBSTITUTIONS

The FSA WILL NOT accept substitute shipments of any kind. Bidder(s) is expected to furnish the brand quoted in their bid once awarded. Any substitute shipments will be returned at the bidder's expense.

1.36 FACILITIES

The FSA reserves the right to inspect the bidder's facilities at any time with prior notice.

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

1.37 BID TABULATIONS

Bidders desiring a copy of the bid tabulation may request same by enclosing a self-addressed stamped envelope with the bid.

1.38 AUTHORITY TO RESOLVE PROTESTED BIDS AND PROPOSED AWARDS

- (a) Right to protest. Any actual bidder, qualified proposer, or interested parties (hereinafter collectively referred to as the "bidder") who has a substantial interest in, and is aggrieved in connection with the solicitation or proposed award of, a request for proposals ("RFP"), request for qualifications ("RFQ"), request for letters of interest ("RFLI") or invitation to bid for goods and/or services ("herein after collectively referred to as the bid") may protest to the contract administrator or his or her designee. Protest arising from the decisions and votes of any evaluation or selection committee shall be limited to protest based upon deviation(s) from established purchasing procedures set forth by FSA policy and procedures and specification, requirements and/or terms set forth in any bid.
- (1) Any protest concerning the bid specifications, requirements, and/or terms must be made within three (3) business days (for the purpose of this section "business day" means a day other than Saturday, Sunday or a national holiday), from the time the facts become known and, in any case, at least two (2) business days prior to the opening of the bid. Such protest must be made in writing to the contract administrator or his or her designee and such protest shall state the particular grounds on which it is based and shall include all pertinent documents and evidence. No protest shall be accepted unless it complies with the requirements of this section. Failure to timely protest bid specifications, requirements and /or terms is a waiver of the ability to protest the specifications, requirements and/or terms.
- (2) Any protest after the bid opening, including challenges to actions of any evaluation or selection committee as provided in subsection (a) above shall be submitted in writing to the contract administrator, or his or her designee. FSA will allow such bid protest to be submitted anytime until two (2) business days following the release of the contract administrator's written recommendation to the FSA for award of the bid in question. Such protest shall state the particular grounds on which it is based and shall include all pertinent grounds on which it is based, and shall include all pertinent documents and evidence. No bid protest shall be accepted unless it complies with the requirements of this section. All actual bidders shall be notified in writing (which may be transmitted by electronic communication, such as facsimile transmission and/or e-mail), following the release of the contract administrators written recommendation to the FSA.
- (b) Any bidder who is aggrieved in connection with the solicitation or proposed award of a purchase order based on an oral or written quotation may protest to the FSA Contract Administrator or his or her designee anytime during the procurement process, up to the time of the award of the purchase order, but not after such time, Such protest shall be made in writing and state the particular grounds on which it is based and shall include all pertinent documents and evidence. No bid protest shall be accepted unless it complies with the requirements of this section.
- (c) The FSA may request reasonable reimbursement for expenses incurred in processing any protest hereunder, which expenses shall include , but not limited to staff time, legal fees and expenses (including expert witness fees), reproduction of documents and other out of pocket expenses.
- (d) Authority to resolve protest. The contract administrator or his or her designee shall have the authority to settle and resolve a protest concerning the solicitation or award of the bid.

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

- (e) Responsiveness. Prior to any decision being rendered under this section with respect to a bid protest, the contract administrator and the FSA legal counsel, or their respective designees, shall certify whether the submission of their bidder to the bid in question is responsive. The parties to the protest shall be bound by the determination of the contract administrator and the FSA legal counsel with regard to the issue of responsiveness.
- (f) Decision and appeal procedures. If the bid protest is not resolved by mutual agreement, the contract administrator and FSA Legal counsel, or their respective designees, shall promptly issue a decision in writing. The decision shall specifically state the reasons for the action taken and inform the protestor of his or her right to challenge the decision.
- (g) Any person aggrieved by any action or decision of the contract manager, FSA legal counsel, or their respective designees, with regard to any decision rendered under this section may file an appeal. See 1.38(h).
- (h) All appeals arising under or relating to this Agreement are to be settled by binding arbitration in the State of Florida. Should the unsuccessful bidder(s) decide to appeal the decision of the FSA, they shall file a notice to FSA within 72 hours of the FSA bid protest decision regarding their intent to request arbitration. A demand for arbitration with the American Arbitration Association's (AAA) commercial panel under its rules and regulations must be made within 10 days of the FSA bid protest decision.

Any person who files for arbitration with the AAA shall post with the Florida Sheriffs Association at the time of filing the formal written arbitration request, a bond, cashier's check or money order payable to the Florida Sheriffs Association in the amount equal to \$5,000.00. Failure to provide written notice to FSA, file a demand for arbitration with the AAA, or failure to post the required bond and security requirement within the specified timelines shall constitute a waiver of arbitration proceedings.

If the party filing for arbitration does not prevail, it shall pay all costs, legal expenses and attorney fees of the prevailing party. However, if the filing party prevails, the parties shall share equally the fees and expenses of the arbitration and AAA bear the cost of their own attorney fees. For the purpose of arbitration, the filing party shall not stay the implementation of the bid award by the Florida Sheriffs Association.

- (i) The arbitration shall be conducted on a confidential basis pursuant to the Commercial Arbitration Rules of the American Arbitration Association. Any decision or award as a result of any such arbitration proceeding shall be in writing and shall provide an explanation for all conclusions of law and fact and shall include the assessment of cost and expenses, and reasonable attorneys' fees. Any such arbitration shall be conducted by an arbitrator experienced in the industry and shall include a written record of the arbitration hearing. The parties reserve the right to object to any individual who shall be employed by or affiliated with a competing organization or entity.

Any action not brought in good faith shall be subject to sanction's including damages suffered by the FSA and the legal counsel's fees incurred by the FSA in defense of such wrongful action.

- (j) Distribution. A copy of each decision by the contract administrator and the FSA Legal counsels shall be mailed or otherwise furnished immediately to the protestor.
- (k) Stay of procurements during protest. In the event of a timely protest under this section, the contract administrator shall not proceed further with the solicitation or with the award pursuant to such bid

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

unless a written determination is made by the FSA Executive Director or his or her designee, that the award must be made without delay in order to protect a substantial interest of the FSA.

- (l) The institution and filing of a protest under this article is an administrative remedy that shall be employed prior to the institution and filing of any civil action against the FSA concerning the subject matter of protest.
- (m) Protest not timely made under this section shall be barred. Any basis or ground for a protest not set forth in the letter of protest required under this section shall be deemed waived.
- (n) At the time of the contract administrator's recommendation for award a bid is presented at a meeting with the FSA Executive Director, or his or her designee shall report any legal issues relative to any bid protest filed in connection with the bid in question.
- (o) The determination of the contract administrator and the FSA legal counsel with regards to all procedural and technical matters shall be final.

1.39 CLARIFICATION AND ADDENDA TO BID SPECIFICATIONS

If any person contemplating submitting a Bid under this Solicitation is in doubt as to the true meaning of the specifications or other Bid documents or any part thereof, the Bidder must submit to the FSA Contract Specialist at least ten (10) calendar days prior to scheduled Bid opening, a request for clarification. All such requests for clarification must be made in writing and the person submitting the request will be responsible for its timely delivery.

Any interpretation of the Bid, if made, will be made only by Addendum duly issued by the FSA. The FSA shall issue an Informational Addendum if clarification or minimal changes are required.

The FSA shall issue a Formal Addendum if substantial changes which impact the technical submission of Bids are required. In the event of conflict with the original Contract Documents, Addendum shall govern all other Contract Documents to the extent specified. Subsequent addendum shall govern over prior addendum only to the extent specified.

The Bidder shall be required to acknowledge receipt of the Formal Addendum by signing in the space provided on the Bid Form. Failure to acknowledge Addendum shall deem its Bid non-responsive; provided, however, that the FSA may waive this requirement in its best interest. The FSA will not be responsible for any other explanation or interpretation made verbally or in writing by any other FSA representative.

1.40 DEMONSTRATION OF COMPETENCY

Pre-award inspection of the Bidder's facility may be made prior to the award of contract. Bids will only be considered from firms which are regularly engaged in the business of providing the goods and/or services as described in this Bid.

Bidders must be able to demonstrate a good record of performance for a reasonable period of time, and have sufficient financial support, equipment and organization to ensure they can satisfactorily execute the services if awarded a contract under the terms and conditions herein stated.

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

The terms "equipment and organization" as used herein shall be construed to mean a fully equipped and well established company in line with the best business practices in the industry and as determined by the FSA.

The FSA may consider any evidence available regarding the financial, technical and other qualifications and abilities of a Bidder, including past performance (experience) with the FSA in making the award in the best interest of the FSA.

The FSA may require Bidders to show proof that they have been designated as authorized representatives of a manufacturer or supplier which is the actual source of supply. In these instances, the FSA may also require material information from the source of supply regarding the quality, packaging, and characteristics of the products to be supplied to the FSA through the designated representative. Any conflicts between this material information provided by the source of supply and the information contained in the Bidder's Bid may render the Bid non-responsive.

The FSA may, during the period that the Contract between the FSA and the successful Bidder is in force, review the successful Bidder's record of performance to insure that the Bidder is continuing to provide sufficient financial support, equipment and organization as prescribed in this Solicitation. Irrespective of the Bidder's performance on contracts awarded to it by the FSA, the FSA may place said contracts on probationary status and implement termination procedures.

If the FSA determines that the successful Bidder no longer possesses the financial support, equipment and organization which would have been necessary during the Bid evaluation period in order to comply with this demonstration of competency section.

1.41 DETERMINATION OF AWARD

The FSA shall award the contract to the lowest and best bidder. In determining the lowest and best bidder, in addition to price, there shall be considered the following:

- The ability, capacity and skill of the bidder to perform the Contract.
- Whether the bidder can perform the Contract within the time specified, without delay or interference.
- The character, integrity, reputation, judgment, experience and efficiency of the bidder.
- The quality of performance of previous contracts.
- The previous and existing compliance by the bidder with laws and ordinances relating to the Contract.

1.42 ASSIGNMENT

The contractor shall not assign, transfer, convey, sublet or otherwise dispose of this contract, including any or all of its right, title or interest therein, or his or its power to execute such contract to any person, company or corporation without prior written consent of the FSA.

1.43 LAWS, PERMITS AND REGULATIONS

The bidder shall obtain and pay for all licenses, permits and inspection fees required for this project; and shall comply with all laws, ordinances, regulations and building code requirements applicable to the work contemplated herein.

1.44 ELIMINATION FROM CONSIDERATION

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

- This bid solicitation shall not be awarded to any person or *dealer* who is in arrears to the FSA upon any debt, taxes or contracts which are defaulted as surety or otherwise upon any obligation to the FSA. REV 6/14
- 1.45 WAIVER OF INFORMALITIES

The FSA reserves the right to waive any informalities or irregularities in this bid solicitation.

- 1.46 ESTIMATED QUANTITIES

Estimated quantities or estimated dollars, if provided, are for FSA guidance only. No guarantee is expressed or implied as to quantities or dollars that will be used during the contract period. The FSA is not obligated to place any order for a given amount subsequent to the award of this bid solicitation.

Estimates are based upon the FSA's actual needs and/or usage during a previous contract period. The FSA for purposes of determining the low bidder meeting specifications may use said estimates.

- 1.47 COLLUSION

Bids from related parties: Where two (2) or more related parties each submit a bid or bid for any contract, such bids or bids shall be presumed to be collusive.

The foregoing presumption may be rebutted by presentation of evidence as to the extent of ownership, control and management of such related parties in the preparation and submittal of such bids or bids.

Related parties mean bidders or proposers or the principals thereof which have a direct or indirect ownership interest in another bidder or proposer for the same contract or in which a parent company or the principals thereof of one (1) bidder or proposer have a direct or indirect ownership interest in another bidder or proposer for the same contract. Bids or bids found to be collusive shall be rejected.

Bidders or Proposers who have been found to have engaged in collusion will be considered non-responsible, and will be suspended or barred, and any contract resulting from collusive bidding may be terminated for default.

- 1.48 REASONABLE ACCOMMODATION

In accordance with the Title II of the Americans with Disabilities Act, any person requiring an accommodation at the Bid opening because of a disability must contact the FSA Human Resources at (850) 877-2165

- 1.49 GRATUITIES

Proposers shall not offer any gratuities, favors, or anything of monetary value to any official, employee, or agent of the FSA, for the purpose of influencing consideration of this bid.

- 1.50 SIGNED BID CONSIDERED AN OFFER

The signed bid shall be considered an offer on the part of the bidder or contractor, which offer shall be deemed accepted upon approval by the FSA and in case of default on the part of successful bidder or contractor, after such acceptance, the FSA may procure the items or services from other sources and hold the bidder or contractor responsible for any excess cost occasioned or incurred thereby.

1.57 RIGHT TO AUDIT

Contractor shall establish and maintain a reasonable accounting system that enables Florida Sheriffs Association (hereafter known as 'FSA') to readily identify Contractor's Sales.

FSA and its authorized representatives shall have the right to audit, to examine, and to make copies of or extracts from all financial and related records (in whatever form they may be kept, whether written, electronic, or other) relating to or pertaining to this Contract or Agreement and all government sales and eligible users info for review and kept by or under the control of the Contractor, including, but not limited to those kept by the Contractor, its employees, agents, assigns, successors, and subcontractors. Such records shall include, but not be limited to, accounting records, written policies and procedures; subcontract files (including proposals of successful and unsuccessful bidders, bid recaps, etc.); all paid vouchers including those for out-of-pocket expenses; other reimbursement supported by invoices; ledgers; cancelled checks; deposit slips; bank statements; journals; original estimates; estimating work sheets; contract amendments and change order files; back charge logs and supporting documentation; insurance documents; memoranda; and correspondence.

Contractor shall, at all times during the term of this Contract or Agreement and for a period of Three (3) years after the completion of this Contract or Agreement, maintain such records, together with such supporting or underlying documents and materials. The Contractor shall at any time requested by FSA, whether during or after completion of this Contract or Agreement, and at Contractor's own expense make such records available for inspection and audit (including copies and extracts of records as required) by FSA. Such records shall be made available to FSA (subject to a three day written notice) during normal business hours.

FSA at their option may select the Contractor's office, place of business or offsite location for the audit; and/or option to have the contractor provide financial records, together with the supporting or underlying documents and records, via e-mail or phone for audit at a time and location that is convenient for FSA.

Contractor shall ensure FSA has these rights with Contractor's employees, agents, assigns, successors, and subcontractors and the obligations of these rights shall be explicitly included in any subcontracts or agreements formed between the Contractor and any subcontractors to the extent that those subcontracts or agreements relate to fulfillment of the Contractor's obligations to FSA.

Costs of any audits conducted under the authority of this right to audit and not addressed elsewhere will be borne by FSA unless certain exemption criteria are met. If the audit identifies under reporting, overpricing or overcharges (of any nature) by the Contractor to FSA in excess of three (3) percent (3%) of the total contract billings, the Contractor shall reimburse FSA for the total costs of the audit not to exceed \$5,000.00. If the audit discovers substantive findings related to fraud, misrepresentation, or non-performance, FSA may recoup all the costs of the audit work from the Contractor.

Any adjustments and/or payments that must be made as a result of any such audit or inspection of the Contractor's invoices and/or records shall be made within a reasonable amount of time (not to exceed 90 days) from presentation of FSA's findings to Contractor.

1.58 TERMINATION FOR DEFAULT

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

If through any cause within the reasonable control of the successful bidder, it shall fail to fulfill in a timely manner, or otherwise violate any of the covenants, agreements, or stipulations material to the Agreement, the FSA shall thereupon have the right to terminate the services then remaining to be performed by giving written notice to the successful bidder of such termination which shall become effective upon receipt by the successful bidder of the written termination notice.

In that event, the FSA shall compensate the successful bidder in accordance with the Agreement for all services performed by the bidder prior to termination, net of any costs incurred by the FSA as a consequence of the default.

Notwithstanding the above, the successful bidder shall not be relieved of liability to the FSA for damages sustained by the FSA by virtue of any breach of the Agreement by the bidder, and the FSA may reasonably withhold payments to the successful bidder for the purposes of set off until such time as the exact amount of damages due the FSA from the successful bidder is determined.

1.59 TERMINATION FOR CONVENIENCE OF FSA

The FSA, for its convenience, can terminate the contract in whole or part without cause by giving written notice to the contractor of such termination, which shall become effective thirty (30) days following receipt by bidder of such notice.

In that event, all finished or unfinished documents and other materials shall be properly delivered to the FSA.

The contractor shall not furnish any product after it receives the notice of termination, except as necessary to complete the continued portion of the contract, if any. The contractor shall not be entitled to recover any lost profits that the contractor expected to earn on the balanced of the Agreement or cancellation charges.

Any payments to the contractor shall be only to the total extent of the FSA liability for goods or services delivered prior to the date of notice to terminate the contract.

1.60 INSURANCE AND INDEMNIFICATION: (See Check List for applicability to this contract)

Contractor shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless the Florida Sheriffs Association, the participating agencies, and their officers, agents, and employees from suits, actions, damages, and costs of every name and description, including legal counsels' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by bidder, its agents, employees, partners, or subcontractors; provided, however, that the bidder shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the Florida Sheriffs Association, and participating agencies.

Contractor's obligations under the above paragraph with respect to legal action are contingent upon the Florida Sheriffs Association, participating agencies giving the bidder (1) written notice of any action or threatened action, (2) the opportunity to take over and settle or defend any such action at bidder's sole expense. Contractor shall not be liable for any cost, expense or compromise incurred by the Florida Sheriffs Association, or participating agencies in any legal action without bidder's prior written consent, which shall not be unreasonably withheld.

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

The contractor shall be responsible for his work and every part thereof, and for all materials, tools, appliances and property of every description, used in connection with this particular project. The contractor shall specifically and distinctly assume, and does so assume, all risks of damage or injury to property or persons used or employed on or in connection with the work and of all damage or injury to any person or property wherever located, resulting from any action or operation under the contract or in connection with the work. It is understood and agreed that at all times the contractor is acting as an independent contractor.

The contractor, at all times during the full duration of work under this contract, including extra work in connection with this project shall meet the following requirements:

Maintain Automobile Liability Insurance including Property Damage covering all owned, non-owned or hired automobiles and equipment used in connection with the work.

No change or cancellation in insurance shall be made without thirty (30) days written notice to the FSA Contract Manager.

All insurance policies shall be issued by companies authorized to do business under the laws of the State of Florida and these companies must have a rating of at least B+: VI or better per Best's Key Rating Guide, latest edition.

Original signed Certificates of Insurance, evidencing such coverage's and endorsements as required herein shall be filed with and approved by the FSA Contract Manager before work is started.

The certificate must state Bid Number and Title. Upon expiration of the required insurance, the contractor must submit updated certificates of insurance for as long a period as any work is still in progress.

It is understood and agreed that all policies of insurance provided by the contractor are primary coverage to any insurance or self-insurance the FSA possesses that may apply to a loss resulting from the work performed in this contract.

All policies issued to cover the insurance requirements herein shall provide full coverage from the first dollar of exposure. No deductibles will be allowed in any policies issued on this contract unless specific safeguards have been established to assure an adequate fund for payment of deductibles by the insured and approved by the FSA's Contract Manager.

The liability insurance coverage shall extend to and include the following contractual indemnity and hold harmless agreement:

"The contractor hereby agrees to indemnify and hold harmless the FSA, a 501c3, its officers, agents, and employees from all claims for bodily injuries to the public in and up to the amount of \$1,000,000.00 for each occurrence and for all damages to the property of others in and up to the amount of \$1,000,000.00 for each occurrence per the insurance requirement under the specifications including costs of investigation, all expenses of litigation, including reasonable legal counsel fees and the cost of appeals arising out of any such claims or suits because of any and all acts of omission or commission of any by the contractor, his agents, servants, or employees, or through the mere existence of the project under contract".

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

The foregoing indemnity agreement shall apply to any and all claims and suits other than claims and suits arising out of the sole and exclusive negligence of the FSA, its officers, agents, and employees, as determined by a court of competent jurisdiction.

The contractor will notify his insurance agent without delay of the existence of the Hold Harmless Agreement contained within this contract, and furnish a copy of the Hold Harmless Agreement to the insurance agent and carrier.

The contractor will obtain and maintain contractual liability insurance in adequate limits for the sole purpose of protecting the FSA under the Hold Harmless Agreement from any and all claims arising out of this contractual operation.

The contractor will secure and maintain policies of subcontractors. All policies shall be made available to the FSA upon demand. Compliance by the contractor and all subcontractors with the foregoing requirements as to carrying insurance and furnishing copies of the insurance policies shall not relieve the contractor and all subcontractors of their liabilities and obligations under any Section or Provisions of this contract. Contractor shall be as fully responsible to the FSA for the acts and omissions of the subcontractor and of persons employed by them as he is for acts and omissions of persons directly employed by him.

Insurance coverage required in these specifications shall be in force throughout the contract term. Should any awardee fail to provide acceptable evidence of current insurance within seven days of receipt of written notice at any time during the contract term, the FSA shall have the right to consider the contract breached and justifying the termination thereof. If bidder does not meet the insurance requirements of the specifications; alternate insurance coverage, satisfactory to the FSA Contract Manager, may be considered.

It is understood and agreed that the inclusion of more than one insured under these policies shall not restrict the coverage provided by these policies for one insured hereunder with respect to a liability claim or suit by another insured hereunder or an employee of such other insured and that with respect to claims against any insured hereunder, other insured's hereunder shall be considered members of the public; but the provisions of this Cross Liability clause shall apply only with respect to liability arising out of the ownership, maintenance, use, occupancy or repair of such portions of the premises insured hereunder as are not reserved for the exclusive use of occupancy of the insured against whom claim is made or suit is filed.

1.61 MODIFICATION/WITHDRAWALS OF BIDS

A Bidder may submit a modified bid to replace all or any portion of a previously submitted bid up until the bid due date and time.

Modifications received after the bid due date and time will not be considered.

Bids shall be irrevocable until contract award unless withdrawn in writing prior to the bid due date or after expiration of 120 calendar days from the opening of Bids without a contract award.

Letters of withdrawal received after the bid due date and before said expiration date and letters of withdrawal received after contract award will not be considered.

1.62 EXCEPTIONS TO BID:

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

Bidders are strongly encouraged to thoroughly review the qualification requirements set forth in this ITB, specifically the minimum specifications found in Section 3, identified by the words "must", "shall", and "will". Bidders who fail to satisfy the requirements set forth, may be deemed nonresponsive and receive no further consideration.

Should your proposed bid not be able to meet one (1) or more of the requirements set forth in this ITB and you are proposing alternatives to said requirements, you must notify the FSA Cooperative Bid Coordinator's Office in writing at least five (5) days prior to the deadline for submission of bids. The FSA reserves the right to revise the scope of services via addendum prior to the deadline for receipt of bids.

1.63 WARRANTY OF AUTHORITY:

Each person signing the Contract warrants that he or she is duly authorized to do so and to bind the respective party to the Contract.

1.64 WARRANTY OF ABILITY TO PERFORM:

The Contractor warrants that, to the best of his or her knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would in any way prohibit, restrain, or diminish the Contractor's ability to satisfy its Contract obligations. The Contractor warrants that neither it nor any affiliate is currently on the convicted vendor list maintained pursuant to section 287.133 of the Florida Statutes, or on any similar list maintained by any other state or the federal government. See 1.53. The Contractor shall immediately notify the FSA and Customer in writing if its ability to perform is compromised in any manner during the term of the contract.

Contract Terms and Conditions Rev 07/27/15

2.0 PURPOSE

The Florida Sheriffs Association and the Florida Association of Counties invite interested vendors, including Motor Vehicle Manufacturers and Dealers/Certified Representatives to submit responses in accordance with these solicitation documents. The Florida Sheriffs Association will serve as the "Contract Administrator" in the solicitation process and the administration of the resulting contract. The purpose of this bid is to establish a twelve (12) month contract, beginning October 1, 2015 and ending September 30, , with manufacturer's authorized dealers for the purchase of 2015/16 vehicles and equipment on a "no trade-in basis".

Trade-ins are not addressed in this contract. If an agency has a desire to offer vehicles/equipment for trade to the dealer, the agency and dealer may do so at their sole discretion, separate and apart from this contract.

2.1 TERM OF CONTRACT

This contract shall remain in effect for one (1) year from date of contract execution by the FSA Contract Administrator, and may be renewed by mutual agreement, at the sole option and discretion of the FSA, for up to two (2) additional years, on a year to year basis.

Contract extensions will only be executed when conditions indicate it is in the best interest of the FSA and the customers.

In the event that the contract is held beyond the term herein provided it shall only be from a month-to-month basis only and shall not constitute an implied renewal of the contract. Said month to month extension shall be upon the same terms of the contract and at the compensation and payment provided herein.

2.2 ESTIMATED QUANTITIES (Vehicles and Equipment)

In FY 2014-15 eligible users purchased approximately 5500 vehicles from the vehicle and equipment bid awards. These estimated figures are given only as a guideline for preparing your bid and should not be construed as representing projected figures.

2.3 SHERIFF AS COUNTY CONSTITUTIONAL OFFICER:

The Offices of the Sheriff of the State of Florida are constitutional offices of the State of Florida. Each has the authority either individually or collectively to execute contracts for all goods and services for the proper conduct of that office. Section 30.53, Florida Statutes, exempts the Sheriff's Offices from the provisions of the Florida Statute requiring among other things, sealed and competitive bids procedures.

It is our practice to give consideration to the prices offered, but the Office of the Sheriff is not required by law to accept the lowest priced proposal and may reject any or all of the proposals without recourse. Nothing in this proposal in any way obligates the participating Sheriff's Offices for any payment for any activity or costs incurred by any vendor in responding to this proposal.

2.4 COOPERATIVE PURCHASING

Pursuant to their own governing laws, and subject to the agreement of the Contractor, other entities may be permitted to make purchases at the terms and conditions contained in section 2.7 Eligible Customers of Contract.

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

Non-Customer purchases are independent of the agreement between Customer and Contractor, and Customer shall not be a party to any transaction between the Contractor and any other purchaser.

2.5 FUNDING

Funds expended for the purposes of the contract must be appropriated by the individual participating agency for each fiscal year included within the contract period. Therefore, the contract shall automatically terminate without penalty or termination of costs if such funds are not appropriated.

2.6 DEFINITIONS

The following terms are defined as the following

- (a) "Contract Administrator" means the Florida Sheriffs Association in its role in administering the solicitation and contract administration process for the Florida Sheriffs Association and the Florida Association of Counties.
- (b) "Fleet Management Advisory Committee (FMAC)" means an employee of Sheriffs Offices and other local governmental agencies in the State of Florida and/or any other person who FSA identifies as subject matter expert who will assist with the development of bid specifications and evaluation of bid responses.
- (c) "Contractor" means the bidder that has been awarded and agrees to sell vehicles, trucks, or equipment, as contained in these specifications, which meet the requirements, specifications, terms and conditions of this agreement, to eligible customers, as defined herein.

2.8 METHOD OF AWARD

Award of this contract will be made to a primary bidder. FSA will also identify the second lowest and best bidder per specification and zone to be utilized in the event the primary bidder is unable to fulfill their obligations as defined in General Conditions 1.30 and 1.31.

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

The FSA reserves the right to make multiple awards if deemed in the best interest of the FSA. **See 3.11 Basis for Award which is specific to vehicles and equipment.**

2.9 WORKSHOPS – VEHICLE CONTRACT/SPECIFICATIONS Rev 6/14

ALL prospective bidders are required to attend the MANDATORY* vehicle workshop(s). At this time prospective bidders will have the opportunity to offer input and recommendations regarding the content of the bid specification and to meet with committee members to answer any questions relative to this invitation to bid. Any suggested modifications may be presented in writing or discussed with the advisory committee at this meeting and may be considered in formulating the Bid.

ALL addendums to the contract initiated by the FSA will be posted on the Florida Sheriffs Association Vehicle Bid Award System (VEBA) at <http://veba.flsheriffs.org>. Prospective bidders should check the website periodically for any addendums to the solicitation documents.

**FSA reserves the right to grant exceptions based on the dealer/bidder has met all requirements as an approved vendor and agrees to sign a memo of understanding (MOU) that they understand all of the terms and conditions of the bid and agree to meet all of the terms and conditions without exception and further waive their right to protest any portion of the bid process.*

2.10 PRE-BID CONFERENCE Rev 6/14

ALL prospective bidders are required to attend the MANDATORY* Pre-Bid conference. At this meeting the bid specifications will be discussed and it is the final opportunity for prospective bidders to make any last request for modification, corrections, or addressing other concerns relating to the bid or the process.

**FSA reserves the right to grant exceptions based on the dealer/bidder has met all requirements as an approved vendor and agrees to sign a memo of understanding (MOU) that they understand all of the terms and conditions of the bid and agree to meet all of the terms and conditions without exception and further waive their right to protest any portion of the bid process.*

2.11 CONTACT PERSON Rev 6/14

The contact person for this Invitation to Bid is

Contract Terms and Conditions Rev 07/27/15

2.13 PRICES SHALL BE FIXED AND FIRM FOR TERM OF CONTRACT

If the bidder is awarded a contract under this bid solicitation, the prices quoted by the bidder on the Bid Forms shall remain fixed and firm during the initial term of this contract.

2.14 OPTION TO RENEW WITH PRICE ADJUSTMENT

The contract could be extended for an additional two (2) years, on a year to year basis, if mutually agreed by upon both parties. Prior to completion of each exercised contract term, the FSA may consider an adjustment to price due to increases or decreases on the Consumer Price Index; but in no event will the prices be increased or decreased by a percentage greater than the percentage change reflected in the Nationally published Consumer Price Index-Goods and Services, computed 60 days prior to the anniversary date of the contract.

It is the vendor's responsibility to request any pricing adjustment under this provision. For any adjustment to commence on the first day of any exercised option period, the vendor's request or adjustment should be submitted 60 days prior to expiration of the then current contract term.

The vendor adjustment request must clearly substantiate the requested increase. If no adjustment request is received from the vendor, the FSA will assume that the vendor has agreed that the optional term may be exercised without pricing adjustment. Any adjustment request received after the commencement of a new option period will not be considered.

The FSA reserves the right to accept the renewal adjustment or to allow the contract to terminate and re-advertise for bids, whichever is in the best interest of the FSA.

2.15 REFERENCES

Bidders shall furnish the names, addresses, telephone numbers, and address of a minimum of five (5) firms or government organizations for which the Contractor is currently providing or has provided similar services on company letterhead. Two (2) of the references must be government related. A dealer participating for the first time in government fleet sales/bidding may be considered exempt if they can demonstrate they have the appropriate facility, staffing and financial resources to support the contract should they receive an award. See 2.16 Bidder Qualifications.

2.16 BIDDER QUALIFICATIONS

In order for bids to be considered, new bidders to the Florida Sheriffs Cooperative Contract must submit with their bid, evidence that they are qualified to satisfactorily perform the specified service. Evidence shall include all information necessary to certify that the bidder maintains a permanent place of business; is an authorized distributor of the items specified in their proposal; has not had just or proper claims pending against him or his firm; and has provided similar type products. The evidence will consist of listing of contracts for similar services that have been provided to public and private sector clients, within the last three (3) years, and letter from the manufacturer that bidder is an authorized distributor for the proposed manufacturer. See 3.8 Submittal of Bid.

2.17 LATE BIDS

At time, date, and place indicated in the published bid schedule, the bids will be opened. Any bid(s) received after time and date specified will be rejected by the FSA and VEBA System and all documentation will be returned to the bidder unopened.

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

The responsibility for submitting a bid before the stated time and date is solely and strictly the responsibility of the bidder/proposer. The FSA is not responsible for delays caused by mail, courier service, including U.S. Mail, or any other occurrence.

2.18 EXCEPTIONS TO SPECIFICATIONS

Exceptions to the specifications shall be listed on the Bid Form and shall reference the section. Any exceptions to the General or Special Conditions shall be cause for the bid to be considered non-responsive.

2.19 COMPLETE INFORMATION REQUIRED ON BID FORM

All bids must be submitted on the attached Bid Form and all blanks filled in. To be considered a valid bid, the ORIGINAL AND ONE (1) COPY of the Bid Form pages and all required submittal information must be returned, properly completed and sealed envelope as outlined in the first paragraph of General Conditions.

2.20 CUSTOMER SERVICE

Excellent customer service is the standard of the FSA. As contractors of the FSA, all employees will be required to adhere to the FSA's "Service Excellence" standards and expected to conduct themselves in a professional, courteous and ethical manner in all situations.

The successful bidder's employees must work as a cooperative team of well-trained professionals, and must serve the public with dignity and respect. All business transactions with the FSA will be conducted with honesty, integrity, and dedication.

3.0 VEBA

VEBA is Florida Sheriffs Association's Vehicle Bid Award System. Access to the system requires a Login and User Password. To obtain a Login and password, dealers must complete the annual registration form provided on the FSA website. Once approved, the dealer will receive their Login and a Temporary Password. Dealers are required to change their initial password at the time of their first login.

ALL prospective bidders are encouraged to download and review the instructions located on the home page of the VEBA website each year to obtain the most current terms and conditions of the contract as well as instructions for entering bid specifications and pricing.

Questions regarding the use of the VEBA website should be addressed to the FSA Cooperative Bid Coordinator. Login and password questions should be addressed to support@liquifusion.com

3.1 AMENDMENTS TO SOLICITATION DOCUMENTS

The Contract Administrator retains the right to issue amendments to the solicitation as appropriate and necessary. Notice of any amendment will be posted on the VEBA website. Bidders are responsible for monitoring the VEBA website for new or updated information concerning the bid.

3.2 ADDITIONS AND DELETIONS to the Bid Award

The FSA reserves the right to add or delete any items from this bid or resulting contract(s) when deemed to be in the best interest of FSA and the participating eligible users.

The FSA reserves the right to add additional manufacturer lines and brands to the bid award as they become available and are not in conflict with any already awarded dealer representing or competing with the same manufacturer and brands. These Manufacturers/Dealers may be considered as additional providers of good and/or services to the contract after having met all of the criteria necessary to be an approved vendor and their product or service meets the minimum specifications of the original bid.

If an FSA awarded dealer terminates a product line (Manufacturer or Brand), the dealer is required to notify the FSA Cooperative Bid Coordinator within ten (10) business days of the decision not to retain the Manufacturer or Brand.

In the event a manufacturer reassigns the product line to an alternate dealer, the manufacturer and the dealer is required immediately to notify the FSA in writing of the change within ten (10) business days confirming the reassignment. If the vendor/dealer is not already an approved FSA vendor, the vendor is required to apply to the FSA to become an approved vendor PRIOR to conducting any qualified sales. The dealer and the manufacturer are required to honor the contract pricing and all of the applicable terms and conditions throughout the remaining term of the contract.

3.3 SPECIFICATION EXCEPTIONS, OMISSIONS OR ERRORS

Specifications are based on the most current manufacturer literature available. Bidders should immediately notify the Contract Administrator of any defects in the specifications or required submittal documents. All notifications of defect must be in writing and timely submitted.

Bidders are required to indicate in their bid submissions those options which "require" additional equipment or model upgrade to obtain the original option. Bidder must also identify those options that

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

are available as a part of a package or group. The factory codes listed in the "Prices" section of the Special conditions must be used.

Failure of a bidder to comply with these provisions will result in bidders being held responsible for all cost required to bring the vehicle into compliance with the contract specifications.

3.4 OPTION PRICING REV 6/15

Prices for options submitted by the dealer, for Emergency Vehicle Lighting, shall include all applicable fees and charges not including installation. Motorcycle pricing will include installation. No additional charges or fees are admissible.

The bidder shall offer a discount which shall be below Manufacturer's Standard Retail Pricing (MSRP) or manufacturers published catalog price for any factory add options included in the bid submission and in resulting customer orders, if awarded. The amounts of discounts for each particular add option shall be decided by the bidder.

When calculating upgrades, the total recognized MSRP (see definitions 2.6) for an item (that is not a manufacturer's free flow option for the base specification) is calculated as the differential between the dealer costs on the representative base vehicle versus total MSRP of the requested FSA option modifying the vehicle.

When add options listed are included in the base vehicle, bidder must submit options as "Included" or "STD". Bidder must use proper factory codes for all factory add options. Options available through the factory MUST be bid and supplied to Customer as "factory" options unless requested otherwise in writing by the Customer.

Options are intended to add or delete equipment and/or features from the base vehicle specification, and to allow for an upgrade or downgrade to a manufacturer's model with a slightly different engine size or horsepower, and as such, should not be made available for purchase separate from the base vehicle. Bidders shall NOT use add or delete options to create a piece of equipment that is entirely different than the base unit called for in the specification, or any other options that do not meet the intention of options as stated above.

Bidder must indicate in their bid submission any option requiring the purchase of other options, and also indicate options that are a part of another option.

The codes listed in the "Prices" section of the Special Conditions must be used. Any dealer found requiring a buyer to purchase an "upgrade package" in order to purchase an available stand-alone item will be in violation of this contract and required to make a reimbursement to the agency of the cost between the option and the upgrade package.

The use of "Options" to facilitate the sale of an alternate Manufacturer's product which is outside the scope of the written base specification will be construed as non-compliant and their bid will be rejected, in whole or part by the FSA Bid Coordinator.

Example: Bidder CANNOT include option upgrades that result in the selling of a vehicle or truck on one specification that is offered as a separate specification in the bid solicitation. For example, a contractor who is awarded the bid for 25,500 lb. GVWR Cab & Chassis cannot upgrade this item through an add option to a 30,000 lb. GVWR Cab & Chassis in order to circumvent the bid award winner for the 30,000 lb. GVWR Cab & Chassis.

Contract Terms and Conditions Rev 07/27/15

3.5 REQUESTS FOR ADDITIONAL INFORMATION OR CLARIFICATION

Bidders are encouraged to examine the specifications carefully. In case doubt should arise as to the meaning or intent of any items contained in the specifications, inquiry should be made to the FSA Contract Administrator prior to the Pre-Bid Conference via e-mail or at the pre-bid conference in person. Telephone clarifications will not be accepted, and no clarification will be accepted after the date listed in the Bid Calendar. ALL request for information from bidders and FSA responses will be will be posted on the VEBA website by the date listed on the Bid Calendar.

The submission of a bid shall indicate that the bidder thoroughly understands the terms of the specifications.

3.6 FINANCIAL RESPONSIBILITY

Bidder affirms by his or her signature on the contract signature page that he or she:

- Has fully read and understands the scope, nature, and quality of work to be performed or the services to be rendered under this bid, and has the adequate facilities and personnel to fulfill such requirements;
- Accepts the financial responsibility associated with this bid, and declares that he or she has the access to capital (in the form of liquidity or credit lines) in order to meet the financial demands of such award.
- In assessing financial responsibility, contractor shall consider items such as the specifications bid, the zones bid, and the quantity of specifications bid, as well as timing of payment from customers, which can be 45 days from receipt of invoice;
- Assumes full responsibility that all vehicles delivered to the customer are free and clear of all outside liens, encumbrances, security interests apart from the dealer floor plan or other dealer inventory finance security interest.

3.7 COLLUSION

Dealerships and their representatives may submit multiple bids without conflict of "Collusion" as long as the bid submitted is not from the same manufacture and product line. Dealerships which share the same ownership may submit multiple bids also without conflict of collusion as long as the bidders are not in the same region, with the same manufacturer and product line. See 1.47 Collusion.

3.8 SUBMITTAL OF BID

Bidders must submit their bid electronically via the Florida Sheriffs Association Vehicle Bid Award System (VEBA), located at <http://veba.flsheriffs.org> without exception. See 3.0

In addition to their submission of specifications through the VEBA website, bidders who intend to bid on police units (specifications 1-9) are also required to submit their light bar package pricing through a separate document housed on the VEBA website.

Bidders not placing a bid on the police units may also bid any part of the light bar package (such as "Al Carte" items and "Corner Strobes") to be used for other specifications. Pricing submitted in this document

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

will be entered one time, and such pricing will apply to the entire bid specifications for which these items are sold as add options. Bids submitted for the above referenced specifications for police units that do not submit light bar package pricing will be rejected as non-responsive.

Any bidder who offers emergency lighting and equipment (red, blue or any combination) to be installed on any vehicle or equipment, must provide evidence of EVT certification for installation. This includes any third party up fitting. Example: a truck that may be used in the fire department to support the operation that requires public safety lighting and equipment.

Bidders must bid a requested FSA option first by offering the requested item if available from the factory. If this option is satisfied by the addition of a manufacturer's package that contains other items then it must be indicated in the comments and verifiable via audit. Furthermore, if the package offered to satisfy the request requires another factory option then that also must be indicated and referenced in the available optional equipment spaces. If the item is a package and available as a free flowing option to the base vehicle then the manufacturer's MSRP governs and by definition becomes the ceiling price. If the item is a package that changes the manufacturer's model number then the recognized MSRP computation will govern and define the ceiling price.

Prices are to be rounded to the nearest dollar. Bids can be entered more than once; however, only the last bid entered into the system will be considered in the award process. Bids not submitted within the system will be rejected.

Each bidder is responsible for ensuring that his bid is submitted before the deadline outlined in the Bid Calendar. Late bids will not be considered and the system will not accept bids after the due date and time specified in the Bid Calendar. See 2.17 Late Bids.

In addition to submitting the bid via the VEBA system, one original and one (1) exact copy (includes divider tabs) of the bid package in separate 3-ring VIEW binders (not report folders) must be delivered or mailed to the attention of:

FSA Cooperative Bid Coordinator
Florida Sheriffs Association
2617 Mahan Drive
Tallahassee, Florida 32308
COOP@flsheriffs.org

The electronic cover sheet must be completed with dealership name, contact person, telephone number and mobile phone number, and bidder shall check the appropriate box indicating whether the submittal is an Original or Copy. The cover sheet must be placed in the front cover of the view binder.

Separate bid packages must be submitted for each individual dealership for which a bid was submitted through VEBA. The bid package must include:

- A printed copy of the submitted bid (printed after final bid submission takes place)
- Manufacturer's print-out (Ford - "Dora"; General Motors - "GM Autobook"; or approved equivalent) for each vehicle on which a bid is submitted. The Manufacturer's print-out shall indicate an order code for the Manufacturer's base model, all standard equipment, and any optional components required to provide the base vehicle as outlined in the bid solicitation. Dealer installed aftermarket components are required to meet the base vehicle specified must be identified, in writing, on the printout.

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

- For specifications or units that do not produce a manufacturer's print-out, bid package must include manufacturer's documentation that includes standard equipment and such other information that provides verification that such item meets the base specification.
- Pricing Sheet for Emergency Vehicle Lighting (if applicable)
- Contract Signature page. Bidder must complete the Signature Page in its entirety, and must indicate by signature on the form that bidder has read and understands the provisions contained in this Invitation to Bid.
- Bidder will check the appropriate box indicating whether the submittal is an Original or Copy. All bids must show the company name and be manually signed (no rubber stamps, facsimile signatures, etc.) in ink by a dealer principal and an employee who has the authority for bid submission if such employee is not a dealer principal. Unsigned bids will be rejected.
- The bid package must be received at the Florida Sheriffs Association according to the date and time specified in the Bid Calendar. Failure to meet all submission requirements by the dates indicated in the Bid Calendar will result in rejection of the bid. See 2.17 Late Bids.
- By virtue of its bid submission, Contractor acknowledges its obligation to sell vehicles in all zones for which it is awarded.

3.9 BID OPENING AND ELECTRONIC POSTING OF NOTICE OF INTENDED AWARD

Bids will be opened on the date and time indicated in the Bid Calendar and will be evaluated thereafter. Although prices will not be read, bidders may attend, but it is not a requirement.

The FSA Cooperative Bid Coordinator will electronically post the initial bid tabulation results and any and all awards on the VEBA website according to the time outlined in the Bid Calendar.

If the posting of the initial bid tabulation results is delayed, in lieu of posting the notice on the date indicated on the Bid Calendar, the FSA Cooperative Bid Coordinator will post a notice of the delay and a revised date for posting of results.

3.10 BID EVALUATION CRITERIA

Eligible responsive bids will be evaluated to determine if all contract bid requirements are met. Bids that do not meet all contract requirements of this solicitation or fail to provide all required information, documents, or materials may be rejected as nonresponsive.

Bidder must have the necessary facilities, personnel and expertise, and must be prepared, if requested by the FSA Contract Administrator, to present evidence of such experience, including evidence of EVT certified technicians to perform installation of emergency lighting for applicable specifications.

The FSA Contract Administrator reserves the right to investigate or inspect at any time during the bid award process and the contract period as to, whether the product, qualifications, or facilities offered by Bidder meet the contract requirements.

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

Bidders whose bids, past performance, or current status do not reflect the capability, integrity or reliability to fully and in good faith perform the requirements of the contract may be rejected as non-responsive. In determining past performance, the FSA Contract Administrator will give strong consideration to the nature and number of complaints received from Customers regarding a previously awarded dealer. The FSA Contract Administrator may use discretion in determining which bids meet the contract requirements of this solicitation, and which respondents are responsive and responsible.

The FSA Contract Administrator may use discretion in accepting or rejecting any and all bids, or separable portions thereof, and to waive any minor irregularity, technicality, or omission if determined that doing so will serve the best interest of the local government agencies of the State of Florida. The FSA Contract Administrator may reject any responses not submitted in the manner specified by solicitation documents

3.11 BASIS FOR AWARD

The FSA Contract Administrator shall award the bid to the lowest and best responsive bidder by specification, by manufacturer and by zone to bidders who have met the qualifications based on facilities, financial resources, and can demonstrate their ability to perform the work in a satisfactory manner.

Bidders, who routinely demonstrate significant deficiencies in providing excellent customer service during the contract period prior to the issuance of this bid, may have their bid rejected or limited to the number of regions they can be awarded in this bid cycle. For purpose of this contract the term "significant" as determined by the Florida Sheriffs Association. In cases where the manufacturer is the core of the issue then the dealer must provide evidence of timely communication to the complainant and the FSA.

Bidders are hereby advised that the FSA Contract Administrator may use discretion in rejecting any bid proposal not considered to be competitive in nature based on the best pricing information available.

The FSA Contract Administrator may use discretion in rejecting any or all bids, in whole or in part, and/or make or limit awards either as individual items or as a total combined bid, whichever they consider to be in the best interest of the local governmental agencies of the State of Florida, and to waive any informality in any proposal.

The add options in the bid shall be for informational purposes only and will not serve as a basis for bid protest. See 3.4 Option Pricing for additional criteria.

3.12 BID WITHDRAWAL

Bidder warrants by virtue of bidding the prices quoted in their bid response will be good for an evaluation period of sixty (60) calendar days from the date of bid opening unless otherwise stated. Bidders will only be allowed to withdraw their bids after the opening time and date at the discretion of the FSA Contract Administrator and in the best interest of FSA.

3.13 ZONE BIDDING

Bidders are allowed to condition their bid for award in one or more geographic zones depicted on the zone map included. A Space is provided for bidder to indicate zone bidding. Absence of any indication to the contrary, ALL bids will be considered statewide.

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

3.14 APPROVED EQUIVALENTS REV 6/14

The term "Approved Equivalent" is used to allow a bidder to bid components or equipment that are equal to the components or equipment described in the detailed specifications. The FSA Contract Administrator shall have the sole authority to determine approved equivalents.

Brand Names: Catalog numbers, manufacturers' and brand names, when listed, are informational guides as to a standard of acceptable product quality level only and should not be construed as an endorsement or a product limitation of recognized and legitimate manufacturers. Bidders shall formally substantiate and verify that product(s) offered conform with or exceed quality as listed in the specifications.

If bidder offers a make or model of equipment or supplies other than those specified in the following, it must so indicate in the bid submittal.

Bidder shall indicate on the bid form the manufacturer's name and number if bidding other than the specified brands, and shall indicate ANY deviation from the specifications as listed. Other than specified items offered requires complete descriptive technical literature marked to indicate detail(s) conformance with specifications and **MUST BE INCLUDED WITH THE BID**. Specific article(s) of equipment/supplies shall conform in quality, design and construction with all published claims of the manufacturer. **NO BIDS WILL BE CONSIDERED WITHOUT THIS DATA.**

Lacking any written indication of intent to quote an alternate brand or model number, the bid will be considered as a bid in complete compliance with the specifications as listed on the attached form.

Dealers offering alternate makes, manufacturers of vehicles or equipment not specifically identified in the bid cannot utilize or publish the offering as an "OPTION" within the bid specification and detail.

3.15 IDENTICAL TIE BIDS

Whenever two or more bids which are equal with respect to price, quality and service are received for the procurement of commodities or contractual services preference shall be given to businesses with qualifying drug-free workplace programs. Refer to 1.52 Tie Bids.

In case of tie bids and both businesses have qualifying drug-free work programs, the award will be made using the following criteria:

- Bidder Within (A SPECIFIC ZONE)
- Bidder Within the (STATE of FLORIDA)
- Dealers track record with Customer Service

3.16 TAX EXEMPTIONS

All State and Federal tax exemptions applicable to the units of local government of the State of Florida will apply, and appropriate certifications furnished. Customers shall comply with all federal, state and local tax requirements.

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

3.17 BEST COMMERCIAL PRACTICES

The apparent silence of this specification and any supplemental specifications as to any details or the omission from it of a detailed description concerning any point shall be regarded as meaning that only the best commercial practices, size, and design are to be used.

All workmanship is to be first quality. All interpretations of this specification shall be upon the basis of this statement.

3.18 DELIVERY

All fees must be included in base price and prices shall be firm and are to be F.O.B. Destination, delivered to the individual participating user agency. In the event of a discrepancy between a unit bid price and an extension, the unit bid price will govern. All items delivered or installed at any location of the participating agencies must include all manufacturer's standard equipment and warranties.

3.19 PROTESTS AND ARBITRATION

Any person who proposes to file an action protesting a decision or intended decision pertaining to this bid or the resulting contract should refer to 1.38 Authority to Resolve Protested Bids and Proposed Awards.

Additionally, the person or entity filing such protest shall post with the Florida Sheriffs Association at the time of filing the formal written protest or within the 10 business day period allowed for filing the formal written protest, a bond, cashier's check or money order payable to the Florida Sheriffs Association in the amount equal to \$5,000.00, which bond or security will be conditioned upon the payment of all cost which may be adjudged against the protesting party in a court of law and/or to reimburse the FSA for additional legal expenses incurred and required to substantiate the protesting party's claim(s). Failure to post the bond or security requirement within the time allowed for filing will result in a denial of protest. For the purpose of bid protests, the filing party shall not stay the implementation of the bid award by the Florida Sheriffs Association.

Should the unsuccessful bidder(s) decide to appeal the decision of the FSA, they shall file a notice to FSA within 72 hours of the FSA bid protest decision regarding their intent to request arbitration. A demand for arbitration with the American Arbitration Association's (AAA) commercial panel under its rules and regulations must be made within 10 business days of the FSA bid protest decision. Any person who files for arbitration with the AAA shall post with the Florida Sheriffs Association at the time of filing the formal written arbitration request, a bond, cashier's check or money order payable to the Florida Sheriffs Association in the amount equal to \$5,000.00. Failure to provide written notice to FSA, file a demand for arbitration with the AAA, or failure to post the required bond and security requirement within the specified timelines shall constitute a waiver of arbitration proceedings.

If the party filing for arbitration does not prevail, it shall pay all costs, legal expenses and attorney fees of the prevailing party. However, if the filing party prevails, the parties shall share equally the fees and expenses of the arbitration and AAA bear the cost of their own attorney fees.

For the purpose of arbitration, the filing party shall not stay the implementation of the bid award by the Florida Sheriffs Association.

3.20 LICENSING/FACILITIES

Bidders are required to possess a Florida Motor Vehicle Dealers License in order to bid and all bidders must maintain a repair/warranty facility within the State of Florida to provide sales and service for the vehicles and equipment bid.

FSA Contract Administrator reserves the right to periodically request additional or updated information from a dealer regarding the repair/warranty facility during the solicitation and the term of the contract, if awarded. The FSA Contract Administrator may also exercise discretion in examining such facility as deemed necessary.

3.21 NON-PERFORMANCE

Contractor shall at all times during the contract term remain responsive and responsible. In determining Contractor's responsibility as a vendor, the FSA Contract Administrator shall consider all information or evidence which is gathered or comes to the attention of the agency which demonstrates the Contractor's capability to fully satisfy the requirements of the solicitation and the contract.

Contractors that are not in compliance with any of the provisions of this contract may be fined (see schedule of fines below), suspended and or terminated from the contract and future competitive bid solicitations at the discretion of the FSA Contract Administrator.

In some instances, contractors may be required to develop corrective action plans to address contract compliance. In situations where there is evidence the dealer, contractor, fleet sales manager or other representative has demonstrated egregious breaches of the contract or trust to both with the FSA and the customer, the contract will automatically be terminated and the dealer and their representative will be removed from future solicitations for a period up to three (3) years.

Failure to abide by corrective action plans will result in the dealer and the dealer representative to be terminated from the contract and future competitive bid solicitations at the discretion of the FSA Contract Administrator.

Specific conditions for termination include, but are not limited to; failure to perform, refusal to accept orders during the contract period while manufacturer orders are still being accepted for current model year and/or the new year if the vehicle is price protected by the factory, charging amounts exceeding MSRP on factory installed items and packages, requiring the purchase of additional options over and above the base vehicle as a condition of acceptance of order, providing aftermarket options where factory options are available without the consent of the Customer, any misrepresentation of optional equipment or service as being "factory" that fails to meet the definition as described in this document, and any other practice deemed to be outside of the intent of the contract.

Any contractor, who is presented with a valid purchase order as a result of a bid award for this contract, is required and bound by this contract to accept such purchase order(s) and deliver the product(s); regardless if the vehicle(s) or equipment is a base model or includes options at a higher cost. The contractor must deliver this vehicle regardless of profit or loss based on their respective bid. Failure to deliver said vehicles or equipment will result in the ordering agency and the FSA seeking damages for the difference of cost to issue the exact same order with another contractor plus any legal fees and damages that may be incurred in the process to facilitate a completed order.

All terms and conditions are applicable throughout the term of the contract and not any given "Year, Make or Model".

3.51 FACTORY INSTALLED

Aftermarket parts, modifications and factory produced parts and components ordered as parts and installed by the dealer, or a Contractor, do not meet the requirements of “Factory Installed” components, and will be rejected for noncompliance with the requirements of the specification.

In the event a component(s) that does not meet the specifications is found to be installed on a vehicle before or after the vehicle has been accepted by the customer, the Contractor shall be required to replace the vehicle with a vehicle that meets the required specifications, INCLUDING ALL FACTORY INSTALLED COMPONENTS. In the alternative, the customer shall decide whether they will accept dealer installed components.

3.52 EQUITABLE ADJUSTMENT

The Contract Administrator may make an equitable adjustment in the contract terms or pricing in the contract at its discretion. Adjustments to pricing may occur for various reasons, such as pricing or availability of supply (i.e. material surcharge) is affected by extreme and unforeseen volatility in the marketplace, that is, by circumstances that satisfy all the following criteria: (1) the volatility is due to causes wholly beyond the contractor’s control, (2) the volatility affects the marketplace or industry, not just the particular contract source of supply, (3) the effect on pricing or availability of supply is substantial, and (4) the volatility so affects the contractor that continued performance of the contract would result in a substantial loss.

When requesting an adjustment, including but not limited to price increases, the following must be submitted to the Contract Administrator:

- A letter of request from the contractor, including the specification number and model listed in the contract, along with the requested changes;
- When requested adjustment is based on production cutoff of a currently listed model, a letter of affirmation from the manufacturer;
- When requested adjustment includes model changes, manufacturer’s documentation of items included in the proposed model in order to determine that the proposed model meets the base specification;
- Currently published MSRP Listing

3.53 PRE-DELIVERY SERVICES

Bidder's attention is directed to the pre-delivery service requirements as detailed. To assure proper pre-delivery service, the contractor shall provide, at time of delivery, a completed copy of the manufacturer's standard retail sale pre-delivery inspection form (examples are listed below).

- o CHRYSLER NEW PREPARATION, INSPECTION AND ROAD TEST
- o FORD PRE-DELIVERY SERVICE RECORD
- o GM NEW VEHICLE INSPECTION PROCEDURE
(Or manufacturer's latest pre-delivery form)

3.54 ORDER, DELIVERY AND LIQUIDATED DAMAGES REV 6/14

A. Order

- 1) Eligible customers shall issue a purchase order to the contractor, and such purchase order shall bear the contract or bid number, specification number, customer's federal identification number and contact information (phone number and email address) shall be placed by the customer directly with the contractor, and shall be deemed to incorporate the contract solicitation terms and conditions. Required delivery or due dates should be discussed with the dealer at the time of the quote. It is important to note that dealers do not have ANY control over production delays in schedules from the manufacturer.

While it is recommended that the agency purchase from the "region" which is closest to their location, it is not mandatory to do so, however, ordering from outside the local region may result in additional cost for delivery.

- 2) Purchasing agency is required to forward an executed copy of the purchase order to the Florida Sheriffs Association Cooperative Bid Coordinator (by email, fax or hard copy) at the same time the purchase order is released to the contractor.
- 3) If a contractor receives a purchase order for a specification for which they were not awarded, the contractor must notify the customer and return the purchase order to the customer within three (3) business days.
- 4) Contractor shall state in space provided on each price sheet the approximate time required for delivery after receipt of purchase order. See contractor limitations noted in 3.54 A.1.
- 5) All vehicles ordered prior to manufacturer's close of production and in accordance with the contract shall be supplied in the manufacturer's next model run of that class vehicle even if it requires supplying a later model at the original bid prices.
- 6) Contractor shall place order with manufacturer within ten (10) business days after receipt of purchase order. Contractor shall assure that all orders are placed in full compliance with the specifications and purchase order.
- 7) It is the contractor's responsibility to insure that the vehicle ordered by the customer is fully compatible with all ordered options and that the vehicle complies with all applicable manufacturer and industry standards. The contractor's acceptance of a customer's order will

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

indicate that the contractor agrees to deliver a vehicle that will be fully compatible with all of its options.

- 8) Any changes that are required to bring a vehicle into compliance with its various options due to an incorrect order will be accomplished at the contractor's expense.
- 9) A "Confirmation of Order" form shall be completed and returned to the customer placing order(s) against this contract, (a sample copy of the confirmation form is included) within fourteen (14) calendar days after receipt of purchase order without prompting or notification by the customer.

Any additional information needed to complete this form should be obtained by contacting the customer. The form may be modified to accommodate each customer individually as necessary.

B. Delivery

- 1) Contractor shall complete delivery of the vehicle to the customer within fourteen (14) calendar days after receipt of the vehicle(s) from the manufacturer or equipment supplier. Vehicles originating as an incomplete vehicle would be exempt.
- 2) Receipt of a vehicle by the contractor is defined as acceptance of the vehicle(s) from a common carrier at the contractor's place of business or any third party's place of business.
- 3) Deliveries of less than 350 miles may be accomplished by driving the vehicle. Any delivery accomplished by driving the vehicle must be supervised and the driver must comply with manufacturer's break-in requirements and all applicable traffic laws and ordinances. Any delivery accomplished by driving a police rated vehicle must use an "OUT OF SERVICE" cover on light bars. All deliveries in excess of 350 miles shall be made by transport, or otherwise approved by the purchasing agency. Incomplete vehicles would be exempt.
- 4) At the purchaser's option, a vehicle with more than 350 odometer miles may be rejected or \$0.51 cents per mile in excess of 350 miles may be deducted from the invoice, unless previously approved by the purchasing agency. This requirement also applies to redelivery of vehicles which were rejected upon delivery. In any event, all warranties shall begin at the time of delivery and final acceptance by the purchaser.
- 5) Warranty Start Date - If the purchaser needs to reset the warranty start date because of an extended delivery date, they must do so by contacting the dealer in writing. Incomplete vehicles or vehicles delivered to an up fitter would not qualify for a revised start date unless the vehicle is in the control of the dealer during the up fit.
- 6) All bids are FOB to the agency within their respective awarded region. Any agency purchasing vehicles and equipment from a region outside their perspective area may incur additional delivery expense. If the dealer, at the request of the purchasing agency delivers vehicles or equipment to an alternate location other than home base and is outside the scope of the purchase order, this will conclude the dealer's responsibility for delivery. Any exception is invalid unless the agreement (quote, purchase order, or other written document states otherwise.
- 7) Contractor shall notify agency personnel designated on purchase order no less than 24 hours prior to delivery. Deliveries will be accepted only between 8:00 A.M. and 3:30 P.M. on agency's normal work days. Transport deliveries must be unloaded and ready for inspection prior to 3:00

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

P.M. Deliveries not complying with these requirements may be rejected and will have to be redelivered at contractor's expense.

- 8) All vehicles must contain no less than 1/4 tank of fuel as indicated by fuel gauge at time of delivery, except for vehicles and equipment with tanks over thirty five (35) gallons in capacity, which must contain a minimum of ten (10) gallons of fuel.

C. Liquidated Damages

- 1) Should the contractor fail to comply with the requirements in Section 3.54.B.6 above, the agency may invoke liquidated damages of \$20.00 per day per unit for each day beyond the specified delivery requirements.
- 2) Forced Majeure. Liquidated damages shall not be assessed for a delay resulting from the contractor's failure to comply with delivery requirements if neither the fault nor the negligence of the contractor or its employees contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the contractor's control, or for any of the foregoing that subcontractors or suppliers if no alternate source of supply is available to the contractor. In case of any delay the contractor believes is excusable, they shall notify the customer in writing of the delay or potential delay and describe the cause of the delay either (1) within ten (10) days after the cause that creates or will create the delay first arose,

if the vendor could reasonably foresee that a delay could occur as a result, or (2) if delay is not reasonably foreseeable, within five (5) days after the date the vendor first had reason to believe that a delay could result. The foregoing shall constitute the contractor's sole remedy or excuse with respect to delay.

3.55 QUANTITY DISCOUNTS – The dealer has the authority to offer additional discounts based on quantity.

3.56 ACCEPTANCE

It is the purchaser's responsibility to thoroughly inspect each vehicle prior to acceptance. Copies of the bid specifications and purchase order for the vehicle will be delivered with the vehicle. Purchasers are to inspect the vehicle and compare bid specifications, purchase order and manufacturer's window sticker or manufacturer's invoice to ensure vehicle meets or exceeds the requirements of the technical bid specifications and purchase order. Purchasers are to inspect the vehicle for physical damage.

Delivery of a vehicle to a customer does not constitute acceptance for the purpose of payment. Final acceptance and authorization of payment shall be given only after a thorough inspection indicates that the vehicle meets contract specifications and the requirements listed below.

Should the delivered vehicle differ in any respect from specifications, payment will be withheld until such time as the contractor completes the necessary corrective action. Units shall be delivered with each of the following documents completed/included:

- a. Copy of "Customer's Purchase Order"
- b. Copy of the applicable "Vehicle Specification"
- c. Copy of "Manufacturer's Invoice" or "Window Sticker". Copy of manufacturer's invoice if vehicle model is not delivered with a window sticker. Prices may be deleted from manufacturer's invoice.

FLORIDA SHERIFFS ASSOCIATION

- d. Copy of "Pre-Delivery Service Report"
- e. "Warranty Certification"
- f. Owner's manual
- g. DHSMV 82040, "Application for Certificate of Title and/or Vehicle Registration" (for signature of authorized representative). This document will not be included if the contractor/dealer is providing the tag and title.

Deliveries that do not include the above forms and publications will be considered incomplete and will be refused.

3.57 INVOICING AND PAYMENTS

Invoicing and payments shall be the responsibility of the contractor and customer placing orders against this contract. Contractors must invoice each customer independently from the Florida Sheriffs Association and the Florida Association of Counties for vehicle(s) purchased from this contract.

The contractor shall be paid upon submission of properly certified invoices to the purchaser at the prices stipulated on the contract at the time the order is placed, after delivery and acceptance of goods. Upon receipt of goods, a customer has three (3) working days to inspect and approve the goods and services. The Local Government Prompt Payment Act (as stated in Sections 218.70–218.80, Florida Statutes); will apply to ensure timely payment of contractor invoices.

The invoice(s) shall indicate the following but is not limited to these requirements:

Shipping location, purchase order number, contract number, quantity shipped, price, date, make, model and serial number of vehicle(s).

3.58 INADEQUATE SERVICE

When equipment requires service or adjustments upon delivery, the contractor shall either remedy the defect, or be responsible for reimbursing the manufacturer's local authorized dealer, or others, to remedy the defect. Such service or adjustments shall be initiated by the contractor within forty-eight (48) hours (not including weekends and holidays) after notification by a customer. Delivery will not be considered complete until all service and/or adjustments are satisfactory and the equipment redelivered.

The provisions of the delivery paragraph shall remain in effect until the redelivery is accomplished. The cost of any transportation required shall be the responsibility of the contractor until the equipment is satisfactory and accepted by the customer.

3.59 WARRANTY, REPAIRS AND SERVICE

Failure by any manufacturer's authorized representative to render proper warranty service/ adjustments, including providing a copy of the warranty work order to the customer, shall subject that representative and the contractor to suspension from the approved vendor listing until satisfactory evidence of correction is presented to the Contract Administrator.

3.60 FSA ADMINISTRATIVE FEES FOR ALL SPECIFICATIONS rev 6/14

Dealers ARE to include a three quarters of one percent (.0075) administrative fee in their base bid prices and their quotes and pricing for all additional equipment items (add options), excluding any state regulated fees including tags.

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

The three quarters of one percent (.0075) will be incorporated into and made a part of the total invoice amount and shall not be treated or added as a separate line item. Fees are based on the total invoice cost of the new vehicle or equipment and excluding trade-ins. Trade-ins and other exchanges will not reduce or impact the fee calculation. No Other administrative fee(s) will be applicable to any transaction relative to the contract.

3.61 CONTRACTING DEALERS' ACTIVITY REPORTS and SCHEDULE AND FEE DEPOSIT REQUIREMENTS REV 07/14

Purchase order copies to FSA:

- Are due **upon receipt** by the dealer. They are considered late within five (5) business days.
- Please scan a complete copy of the PO and forward by email to COOP@flsheriffs.org.
- Place the following in the subject line. PO (dealer's name). Example: PO Spoton Motor Sports

Administrative fees to FSA:

- Activity Reports are due **quarterly** (see schedule below) no later than the 15th of the month following the end of the quarter and should be sent by email to COOP@flsheriffs.org.
- **ALL awarded contractors MUST file a signed and dated quarterly report with their deposit.** Should there be no activity during a given quarter, Contractor is required to submit a report, and must indicate "NO SALES THIS QUARTER" on the report.

October 1 – December 31
April 1 – June 30

January 1 – March 31
July 1 – September 30

- No copies of purchase orders are necessary for the quarterly report. They should already be on file pursuant to Purchase order copies to FSA: section above.
- Activity Report must be complete with the name of the dealer and the date: Example October 2014. It is no longer necessary to indicate the quarter on the top of the report.
- Check should be received by the FSA no later than the 20th of the month following the closing of the quarter.
- Activity Reports which do not adhere to the required format and/or not supported by complete, legible copies of all purchase orders in their entirety previously submitted pursuant to Purchase order copies to FSA: section above will be returned to the reporting dealership for correction of cited deficiencies.

After receipt of payment from contract purchases, all administrative fees shall be payable by the Contractor to the Contract Administrator no later than 15 days after the end of each quarter. All fees payable to the FSA during any given quarter will be accompanied and supported by a detailed Quarterly Activity Report as defined in 3.61 "Summary of Total Sales" of the contract. By submission of these Quarterly Activity Reports and corresponding fee deposits, the Contractor is certifying the accuracy of such reports and deposits. All reports and fee deposits shall be subject to audit by the FSA or their designee. Copies of customers' original purchase orders will be used by the FSA as a check and balance measure.

Contractors that fail to submit fees and Quarterly Activity Reports will incur a \$25 per day late fee for every day that fees and reports are past due, beginning on the eleventh (21st) day of the month following the end of the quarter.

Such fees are to be included in contractor's fee submission; however, any applicable late fees that are not included in the fee submission will be returned to the contractor as an incomplete report. Late fees which are outstanding more than 45 days can result in disqualification as a bidder in future year's solicitation.

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

All notices for quarterly reports will be sent via e-mail – there will be no faxed reminders for contractors to submit quarterly reports. All participating contractors will be responsible for making sure that the Contract Administrator has the correct e-mail address for the person responsible for all quarterly reports. This information must be submitted to the FSA Bid Coordinator at Fleet@flsheriffs.org.

Failure to submit fees with accompanying Activity Reports, even if there are no sales, within 30 calendar days following the end of each quarter will result in the dealer being found in default. All re-procurement cost may be charged against the defaulting dealer and may result in immediate cancellation of your contract and removal from its bidder's list.

SPECIAL CONDITIONS – 4.0

4.0 GENERAL REQUIREMENTS FOR ALL VEHICLES

The requirements specified herein apply to ALL vehicles purchased under the terms and conditions of this contract. This specification is not complete without the specific requirements described in the detailed specifications for the particular vehicle to be purchased. In the event there is a conflict between the requirements of this specification and those of the enclosed detailed specifications, the requirements as stated in the detailed specifications over and above the vehicle standard equipment for the vehicle to be purchased shall apply.

4.0.1 HYBRIDS and other ALTERNATIVE FUELED VEHICLES Moved from 3.63

The Florida Sheriffs Association and the Florida Association of Counties encourage the purchase of alternative fueled vehicles. Bidders shall provide prices for any standard production, special productions, limited production or experimental vehicles available from the vehicle manufacturer for any of the classes of vehicles specified in this bid. State the production status of the vehicle and enclose any and all available literature and information for each specification bid.

4.1 SPECIFICATIONS

All units covered by this specification and the detailed specifications shall be the manufacturer's current basic production model, and shall, as a minimum, be equipped with ALL standard factory equipment in accordance with the manufacturer's latest literature. Bidders must supply a unit that either meets or exceeds all the requirements included in the applicable detailed specifications.

All bidders will be required to bid on the models listed in each designated specification.

All bidders will be required to provide any information requested on the price sheets, such as manufacturer and model number of various components, or may have their bid rejected.

All equipment, options, and features provided must be designed, constructed, and installed to be fully suitable for their intended use and service.

4.2 POLICE RATED VEHICLES/MOTORCYCLES (PPV):

Vehicles in this category have been reviewed by one or more of the nationally recognized authorities on Police Vehicle Testing Program/Evaluation. These vehicles were historically referred to as "Pursuit Rated".

These evaluations are not designed to recommend a particular product but to serve as a resource of information on vehicles which are currently being offered for police service. To see the full detailed report click or copy the links below.

The importance with which each individual phase is weighted in these evaluations is a subjective decision which should be made by each agency based upon that agency's needs.

Excerpt from the State of Michigan General introduction.

"We recommend you review the information contained in this report and then apply it to the needs of your agency.

This report is not an endorsement of products, but a means of learning what's available for your officers so they can do their job effectively and safely. If anything in this report requires further explanation or clarification, please call or write."

LAPD LAW ENFORCEMENT VEHICLE TEST AND EVALUATION PROGRAM <http://www.lasdhq.org/sites/car-test/2013.pdf>

Preface from LAPD Evaluation Report

"The Los Angeles County Sheriff's Department first implemented its police vehicle testing program in 1974. Since that time, our department has become nationally recognized as a major source of information relative to police vehicles and their use. It is our goal to provide law enforcement agencies with the information they require to successfully evaluate those vehicles currently being offered for police service.

The Los Angeles County Sheriff's Department is proud to publish this information, via the internet, to all law enforcement agencies. Since the inception of our vehicle testing program in 1974, we have continually refined our efforts in this area in order to provide the law enforcement community with the most current information available. During the 1997 model year testing, the Sheriff's department expanded its existing criteria to include an urban or "city street" pursuit course. This course consists of multiple city block distances punctuated by the various types of turns normally found in most inner city environments. The "city street" course is designed to simulate the conditions encountered by most officers working in typical urban communities. The test is only conducted on vehicles offered with a factory "Police Package".

Since many law enforcement agencies buy "non-pursuit" vehicles, we also test vehicles offered in a "Special Service" configuration when offered by the Manufacturers. These vehicles are tested in a similar fashion as "Police Package" vehicles however we do not subject them to the city street pursuit course. The booklet is not intended as a recommendation for any specific vehicle contained within.

The Sheriff's Department conducts the vehicle testing program in order to accomplish two primary goals. To provide law enforcement agencies with the data necessary to assist those in the vehicle selection process, and to provide the various vehicle manufacturers with the input necessary to better meet the needs of law enforcement.

We recognize the fact that individual agency needs can be influenced by cost, operational considerations and other factors.

Our testing process is designed to address the law enforcement officer's operational requirements in terms of vehicle performance, vehicle safety, and comfort. The fleet maintenance interest is addressed by performing an extensive mechanical evaluation on each vehicle submitted. Each test is designed and executed to simulate actual field conditions as closely as possible.

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

The vehicles being tested are driven on city streets and interstates, as well as the performance track, by law enforcement personnel. The maneuvers duplicated during the electronic test procedures are those encountered in actual patrol and emergency operations which the law enforcement officer may encounter in the field. Interpretation of test results is the responsibility of each agency. The importance with which each individual phase is weighted is a subjective decision which should be made by each agency based upon that agency's needs."

4.3 SPECIAL SERVICE VEHICLES (SSV):

Vehicles in this category, in some cases have been reviewed by one or more of the nationally recognized authorities on Police Vehicle Testing Program/Evaluation (see 4.2). These vehicles are often referred to as "Special Service Vehicle" and often used in Public Safety applications and other areas of government. Please refer to manufactures published information for detailed information regarding these vehicles.

4.4 SPARE TIRES

It is important to note "Full Size" spare tires are not standard with all vehicles regardless of Manufacturer, Make or Model. It is the end users responsibility to ensure your vehicle order meets your agencies specifications.

4.5 Cab and Chassis Purchases

Cab and Chassis can be purchased from the dealer without any required additional fitting by the dealer. However, the dealer upon sale of an incomplete chassis is not required to register/title the incomplete vehicle unless the up fitting is completed by the dealer or the dealers licensed and certified up fitter. If an agency chooses to up fit the chassis utilizing a 3rd party vendor and the work is outside of the scope of the purchase order issued to the dealer by the agency, then the 3rd party vendor is liable to perform all the prerequisites of the state and issue the appropriate registration/title to the agency upon completion of the work.

It is highly recommended that all up fitting of cab and chassis be performed by vendors who are licensed/certified to perform such work to avoid unnecessary exposure to any possible future liability as a result of the up fitting.

4.6 FACTORY ORDERED OPTIONS:

ALL factory ordered options are to be "OEM and factory installed" unless otherwise noted by the dealer and acknowledged in writing by both the dealer and the customer. Verbal agreements will not be recognized; if any exception to the delivered product is taken be the dealer or the customer.

4.7 FEDERAL AND STATE VEHICLE MANUFACTURING STANDARDS:

In addition to equipment specified by these specifications and by the applicable detailed specifications, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model, and shall comply with all EPA Emission Standards, Federal Motor Vehicle Safety Standards as established by the U.S. Department of Transportation, NHTSA, regarding the manufacture of motor vehicles.

- Owner's manual and warranty manual to accompany each vehicle;
- All specified as "factory installed" is to be installed on the vehicle at the primary site of assembly and is to be the manufacturer's standard assembly-line product. No aftermarket and no dealer installed equipment will be accepted as "factory installed". Vendors found supplying aftermarket or dealer installed equipment where "factory installed" are specified may be required to retrieve all vehicles delivered and reorder new vehicles meeting the specifications.
- Manufacturer's suggested retail price list sheet (window sticker) form MUST be in the vehicle when it is delivered to the purchasing agency. Vehicles that are missing this form, or have forms that have been altered, will not be accepted;

4.9 DEALER/CONTRACTOR INSTALLED EQUIPMENT REV 6/14

All dealer installed accessories (roll bar, trailer hitch, etc.) shall be installed according to the manufacturer's specifications.

All such accessories must be manufactured by a recognized manufacturer of the product provided, unless the accessory is not available from a recognized manufacturer. *Dealer is required to disclose "Make/Model" of product being offered* and the location, design, and model must be approved by the customer prior to installation. *Dealer must also disclose the warranty of any item that less than or exceeds factory vehicle factory warranty coverage.*

An awarded contractor that employs or subcontracts technicians to install emergency equipment on vehicles purchased on this contract are required to utilize technicians that are certified in Law Enforcement Vehicle Installation through EVT Certification Commission, Inc. or an approved equivalent.

The Florida Sheriffs' Association Contract Administrator may at any time during the contract period request proof of the required certification.

Any awarded contractor that violates this provision will be considered in default of the contract. The contract may then be terminated upon ten day written notice of said violation.

4.10 PRODUCTION CUTOFF

Contractor shall notify the Contract Administrator, in writing, no less than sixty (60) calendar days prior to the close of "Fleet Final Order Date".

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions Rev 07/27/15

Purchase Orders received by the contractor ten (10) business days prior to the final order date must be accepted and entered into the order system with the manufacturer. Purchase Orders issued and received after the cutoff date will be subject to availability.

If a purchase order has been timely received by the contractor and the manufacturer and the manufacturer fails to produce/deliver the production year vehicle, the contractor must provide the next year's equivalent model at current contract prices.

Purchase Orders received by the contractor after the cutoff date, the contractor and manufacturer at their sole discretion may choose to provide next year's model at current year's prices until the end of the contract term.

11. PRE-SUBMISSION CHECKLSIT

1. INTRODUCTION

A. ABOUT NJPA

- 1.1** The National Joint Powers Alliance®- (NJPA)- is a public agency serving as a national municipal contracting agency established under the Service Cooperative statute by Minnesota Legislative Statute §123A.21 with the authority to develop and offer, among other services, cooperative procurement services to its membership. Eligible membership and participation includes states, cities, counties, all government agencies, both public and non-public educational agencies, colleges, universities and non-profit organizations.
- 1.2** Under the authority of Minnesota state laws and enabling legislation, NJPA facilitates a competitive bidding and contracting process on behalf of the needs of itself and the needs of current and potential member agencies nationally. This process results in national procurement contracts with various Vendors of products/equipment and services which NJPA Member agencies desire to procure. These procurement contracts are created in compliance with applicable Minnesota Municipal Contracting Laws. A complete listing of NJPA cooperative procurement contracts can be found at <http://www.njpacoop.org/contract-purchasing-solutions/contracts>.
- 1.3** NJPA is a public agency governed by publicly elected officials that serve as the NJPA Board of Directors. NJPA's Board of Directors call for all proposals, awards all Contracts, and hosts those resulting Contracts for the benefit of its own and its Members use.
- 1.3.1 Subject to Approval of the NJPA Board:** NJPA contracts are awarded by the action of NJPA Board of Directors. This action is based on the open and competitive bidding process facilitated by NJPA. The evaluation and resulting recommendation is presented to the Board of Directors by the NJPA Proposal Evaluation Committee.
- 1.4** NJPA currently serves over 47,000 member agencies nationally. Both membership and utilization of NJPA contracts continue to expand, due in part to the increasing acceptance of Cooperative Purchasing throughout the government and education communities nationally.

B. JOINT EXERCISE OF POWERS LAWS

- 1.5** NJPA cooperatively shares those contracts with its Members nationwide through various "Joint Exercise of Powers Laws" established in Minnesota and most other States. The Minnesota "Joint Exercise of Powers Law" is Minnesota Statute §471.59 which states "Two or more governmental units...may jointly or cooperatively exercise any power common to the contracting parties..." Similar Joint Exercise of Powers Laws exists within the laws of each State of the United States. This Minnesota Statute allows NJPA to serve Member agencies located in all other states. Municipal agencies nationally have the ability to participate in cooperative purchasing activities as a result of specific laws of their own state. These laws can be found on our website at <http://www.njpacoop.org/contract-purchasing-solutions/legal-authority/state-procurement-resources>.

C. WHY RESPOND TO A NATIONAL COOPERATIVE PROCUREMENT CONTRACT

- 1.6** National Cooperative Procurement Contracts create value for Municipal and Public Agencies, as well as for Vendors of products/equipment and services in a variety of ways:
- 1.6.1** National cooperative contracts potentially **save the time and effort** of Municipal and Public Agencies who would have been otherwise charged with soliciting vendor responses to individual RFP's, resulting in individual contracts, to meet the procurement needs of their respective agencies. Considerable time and effort is also potentially saved by the Vendors who would have had to otherwise respond each of those individual RFPs. A single, nationally

advertised RFP, resulting in a single, national cooperative contract can potentially replace thousands of individual RFPs for the same products/services that might have been otherwise advertised by individual NJPA member agencies.

1.6.2 NJPA contracts offer our Members nationally leveraged **volume purchasing discounts**. Our contract terms and conditions offer the opportunity for Vendors to recognize individual member procurement volume commitment through additional volume based contract discounts.

1.7 State laws that permit or encourage cooperative purchasing contracts do so with the belief that cooperative efficiencies will result in lower prices, better overall value, and considerable time savings.

1.8 The collective purchasing power of thousands of NJPA Member agencies nationwide offers the opportunity for volume pricing discounts. Although no sales or sales volume is guaranteed by an NJPA Contract resulting from this RFP, substantial volume is anticipated and volume pricing is requested and justified.

1.9 NJPA and its Members desire the best value for their procurement dollar as well as a competitive price. Pre-competed procurement contracts offer NJPA and its Member agencies the ability to directly compare non-price factors in their procurement analysis. Vendors have the opportunity to display and highlight value added attributes of their company, equipment/products and services without constraints of a typical individual proposal process.

D. THE INTENT OF THIS RFP

1.10. A national contract awarded by the NJPA Board of Directors: The intent of this RFP is to award a national contract by the action of the NJPA Board of Directors. This action will be influenced by the recommendation of the NJPA Proposal Evaluation Committee, and as a result of the competitive proposal and evaluation process which has been designed to reflect the best interests of NJPA and its Member agencies. NJPA is seeking the most responsive Vendor relationship(s) to meet this need. The goal and intent of this RFP is to follow through with an award and contract, which will be marketed nationally through a cooperative effort between the awarded vendor(s) and NJPA.

1.11 NJPA's primary intent is to establish and provide a national cooperative procurement contract, offering opportunities for NJPA and our Member agencies to procure quality product/equipment and services as desired and needed. Contracts are expected to offer price levels reflective of the potential and collective volume of NJPA and the nationally established NJPA membership base.

1.11.1 Beyond our primary intent, NJPA further desires to:

- Award a four year term contract with a fifth year contract option resulting from this RFP;
- Offer and apply any applicable technological advances throughout the term of a contract resulting from this RFP;
- Deliver "Value Added" aspects of the company, equipment/products and services as defined in the "Proposer's Response";
- Deliver wide spectrums of solutions to meet the needs and requirement of NJPA and NJPA Member agencies.
- Award an exclusive contract to the most responsive vendor when it is deemed to be in the best interest of NJPA and the NJPA Member agencies.

1.12 Non-Manufacturer Awards: NJPA reserves the right to make an award related to this invitation to a non-manufacturer or dealer/distributor if such action is in the best interests of NJPA and its Members.

1.13 Exclusive or Multiple Awards: Although it is NJPA’s intent and desire to award a contract to a single exclusive Vendor, NJPA reserves the right to award a Contract to multiple Proposers where the responding Proposers are deemed to be in the best interests of NJPA and its Member agencies.

E. SCOPE OF THIS RFP

1.14 The scope and goal of this RFP is to award a contract to a qualifying vendor defined as a manufacturer, provider, or dealer/distributor, established as a Proposer, and deemed responsive through our open and competitive proposal process. Vendors will be awarded contracts based on demonstrated overall highest value solutions which meet and/or exceed the needs and requirements of NJPA and its Member agencies within the scope of **ROAD MAINTENANCE EQUIPMENT WITH RELATED ACCESSORIES, SERVICES, AND SUPPLIES**. Qualifying Proposers must be able to anticipate the needs and requirements of NJPA and NJPA member agencies; demonstrate the knowledge of any and all applicable industry standards, laws and regulations; and possess the ability to both market to and service NJPA Members in all 50 states. NJPA requests proposers submit their entire product line as it applies and relates to the scope of this RFP. All proposals deemed responsive will be evaluated based on their ability to provide the overall highest value to NJPA and NJPA Member agencies. One of the measures of overall highest value will be the proposed breadth and depth of products and services.

1.15 Best and Most Responsive – Responsible Proposer: It is the intent of NJPA to award a Contract to the best and most responsible and responsive Proposer(s) offering the best overall quality and selection of equipment/products and services meeting the commonly requested specifications of the NJPA and NJPA Members, provided the Proposer’s Response has been submitted in accordance with the requirements of this RFP.

1.16 Sealed Proposals: NJPA will receive sealed proposal responses to this RFP in accordance with accepted standards set forth in the Minnesota Procurement Code and Uniform Municipal Contracting Law. Awards may be made to responsible and responsive Proposers whose proposals are determined in writing to be the most advantageous to NJPA and its current or qualifying future NJPA Member agencies.

1.17 Use of Contract: Any Contract resulting from this solicitation shall be awarded with the understanding that it is for the sole convenience of NJPA and its Members. NJPA and/or its members reserve the right to obtain like product/equipment and services solely from this Contract or from another contract source of their choice or from a contract resulting from their own procurement process.

1.18 NJPA’s interest in a contract resulting from this RFP: Notwithstanding its own use, to the extent NJPA issues this RFP and any resulting contract for the use of its Members, NJPA’s interests and liability for said use shall be limited to the competitive proposal process performed and terms and conditions relating to said contract and shall not extend to the products, services, or warranties of the Awarded Vendor or the intended or unintended effects of the product/equipment and services procured there from.

1.19 Awarded Vendor’s interest in a contract resulting from this RFP: Awarded Vendors will be able to offer to NJPA, and current and potential NJPA Members, only those products/equipment and services specifically awarded on their NJPA Awarded Contract(s). Awarded Vendors may not offer as “contract compliant”, products/equipment and services which are not specifically identified and priced in their NJPA Awarded Contract.

1.20 Sole Source of Responsibility- NJPA desires a “Sole Source of Responsibility” Vendor meaning the Vendor will take sole responsibility for the performance of delivered products/services. NJPA also desires sole responsibility with regard to:

1.20.1 Scope of Products/Services: NJPA desires a provider for the broadest possible scope of products/equipment and services being proposed over the largest possible geographic area and to

the largest possible cross-section of NJPA current and potential Members.

1.20.2 Vendor use of sub-contractors in sourcing or delivering product/equipment and services: NJPA desires a single source of responsibility for equipment/products and services proposed. Proposers are assumed to have sub-contractor relationships with all organizations and individuals whom are external to the Proposer and are involved in providing or delivering the product/equipment and services being proposed. Vendor assumes all responsibility for the equipment/products and services and actions of any such Sub-Contractor.

1.21 Additional Definitions for the scope of this solicitation.

1.21.1 In addition to **ROAD MAINTENANCE EQUIPMENT WITH RELATED ACCESSORIES, SERVICES, AND SUPPLIES**, this solicitation should be read to include, but not limited to:

1.21.1.1 Road De-icing, Road Patching, Road Plowing, Road Right of Way Maintaining, Road Signage, Road Striping, Road Surface Maintaining. Any equipment, service or supply associated with the performance or support of these types of activities.

1.21.2 NJPA reserves the right to limit the scope of this solicitation for NJPA and current and potential NJPA member agencies.

1.22 Suggested Solutions Options

1.22.1 All potential Proposers are assumed to be professionals in their respective fields. As professionals you are deemed to be intimately familiar with the spectrum of NJPA and NJPA Members' needs and requirements with respect to the scope of this RFP.

1.22.2 With this intimate knowledge of NJPA and NJPA Members' needs, Proposers are instructed to provide their proposal response in a format describing their solutions to those current and future needs and requirements. Proposers should take care to be economical in their response to this RFP.

1.22.3 Multiple solutions to the needs of NJPA and NJPA Members are possible. **Examples could include:**

1.22.3.1 Equipment/Products Only Solution: Equipment/products Only Solution may be appropriate for situations where NJPA or NJPA Members possess the ability, either in-house or through local third party contractors, to properly install and bring to operation those equipment/products being proposed.

1.22.3.2 Turn-Key Solutions: A Turn-Key Solution is a combination of equipment/products and services which provides a single price for equipment/products, delivery, and installation to a properly operating status. Generally this is the most desirable solution as NJPA and NJPA Members may not possess, or desire to engage, personnel with the necessary expertise to complete these tasks internally or through other independent contractors

1.22.3.3 Good, Better, Best: Where appropriate and properly identified, Proposers are invited to offer the CHOICE of good – better – best multiple grade solutions to NJPA and NJPA Members' needs.

1.22.3.4 Proven – Accepted – Leading Edge Technology: Where appropriate and

properly identified, Proposers are invited to provide an appropriate identified spectrum of technology solutions to compliment or enhance the functionality of the proposed solutions to NJPA and NJPA Members' needs both now and into the future.

1.23 Overlap of Scope:

1.23.1 When considering equipment, products, or groups of product/equipment and services submitted as a part of your response, and whether inclusion of such will fall within a "Scope of Proposal", please consider the validity of an inverse statement.

- For example, pencils and post-it-notes can generally be classified as office supplies and office supplies generally include pencils and post-it-notes.
- In contrast, computers (PCs and peripherals) can generally be considered office supplies; however, the scope of office supplies does not generally include computer servers and infrastructure.
- In conclusion: With this in mind, individual products and services must be examined individually by NJPA, from time to time and in its sole discretion, to determine their compliance and fall within the original "Scope" as intended by NJPA.

1.24 Geographic Area to be Proposed: This RFP invites proposals to provide **ROAD MAINTENANCE EQUIPMENT WITH RELATED ACCESSORIES, SERVICES, AND SUPPLIES** to NJPA and NJPA Members throughout the entire United States and possibly internationally. Proposers will be expected to express willingness to explore service to NJPA Members located abroad; however the lack of ability to serve Members outside of the United States will not be cause for non-award. The ability and willingness to serve Canada, for instance, will be viewed as a value-added attribute.

1.25 Manufacturer as a Proposer: If the Proposer is a Manufacturer or wholesale distributor, the response received will be evaluated on the basis of a response made in conjunction with that Manufacturer's authorized Dealer Network. Unless stated otherwise, a Manufacturer or wholesale distributor Proposer is assumed to have a documented relationship with their Dealer Network where that Dealer Network is informed of, and authorized to accept, purchase orders pursuant to any Contract resulting from this RFP on behalf of the Manufacturer or wholesale distributor Proposer. Any such dealer will be considered a sub-contractor of the Proposer/Vendor. The relationship between the Manufacturer and wholesale distributor Proposer and its Dealer Network may be proposed at the time of the proposed submission if that fact is properly identified.

1.26 Dealer/Re-seller as a Proposer: If the Proposer is a dealer or re-seller of the products and/or services being proposed, the response will be evaluated based on the Proposer's authorization to provide those products and services from their manufacturer. Where appropriate, Proposers must document their authority to offer those products and/or services.

1.27 Contract Term: At NJPA's option a contract resulting from this RFP will become effective either; 1) The date awarded by the NJPA Board of Directors, or 2) The day following the expiration date of an existing NJPA procurement contract for the same or similar product/equipment and services.

1.27.1 NJPA is seeking a Contract base term of four years subject to annual renewals as allowed by Minnesota Contracting Law. Full term is expected, however will only occur through successful annual renewals. One additional one-year renewal-extension may be offered by NJPA

to Vendor beyond the original four year term if NJPA deems such action to be in the best interests of NJPA and its Members.

1.28 Minimum Contract Value: NJPA anticipates considerable activity resulting from this RFP and subsequent award; however, no commitment of any kind is made concerning actual quantities to be acquired. NJPA does not guarantee usage. Usage will depend on the actual needs of the NJPA Members and the value of the awarded contract.

1.29 Estimated Contract Volume: Estimated quantities and sales volume are based on potential usage by NJPA and NJPA Member agencies nationally.

1.30 Largest Possible Solution: If applicable, Contracts will be awarded to Proposer(s) able to deliver a proposal meeting the entire needs of NJPA and its Members within the scope of this RFP. NJPA prefers Proposers submit their complete product line of products and services described in the scope of this RFP. NJPA reserves the right to reject individual, or groupings of specific equipment/products and services proposals as a part of the award.

1.31 Contract Availability: This Contract must be available to all current and potential NJPA Members who choose to utilize this NJPA Contract to include all governmental and public agencies, public and private primary and secondary education agencies, and all non-profit organizations nationally.

1.32 Proposer's Commitment Period: In order to allow NJPA the opportunity to evaluate each proposal thoroughly, NJPA requires any response to this solicitation be valid and irrevocable for ninety (90) days after the date proposals were opened regarding this RFP.

F. EXPECTATIONS FOR EQUIPMENT/PRODUCTS AND SERVICES BEING PROPOSED

1.33 Industry Standards: Except as contained herein, the specifications or solutions for this RFP shall be those accepted guidelines set forth by the **ROAD MAINTENANCE EQUIPMENT WITH RELATED ACCESSORIES, SERVICES, AND SUPPLIES** industry, as they are generally understood and accepted within that industry across the nation. Submitted products/equipment, related services, and their warranties and assurances are required to meet and/or exceed all current, traditional and anticipated needs and requirements of NJPA and its Members.

1.33.1 Deviations from industry standards must be identified by the Proposer and explained how, in their opinion, the equipment/products and services they propose will render equivalent functionality, coverage, performance, and/or related services. Failure to detail all such deviations may comprise sufficient grounds for rejection of the entire proposal.

1.33.2 Technical Descriptions/Specifications. Proposers must supply sufficient information to:

- Demonstrate the Proposer's knowledge of industry standards, and
- Identify the equipment/products and services being proposed, and
- Differentiate those products and services from others.

Excessive technical descriptions and specifications which, in the opinion of NJPA unduly enlarge the proposal response may reduce evaluation points awarded on Form G.

1.34 Important note: NJPA does not typically provide product and service specifications; rather NJPA is requesting an industry standard or accepted specification for the requested product/equipment and services. Where specific line items are specified, those line items should be considered the minimum which can be expanded by the Proposer to deliver the Proposer's "Solution" to NJPA and NJPA Members' needs.

1.35 Commonly used Product/Equipment and Services: It is important that the equipment/products and services submitted are the equipment/products and services commonly used by public sector entities.

1.36 New Current Model Product/Equipment: Proposals submitted shall be for new, current model products and services with the exception of certain close-out products allowed to be offered on the Proposer's "Hot List" described herein.

1.37 Compliance with laws and standards: All items supplied on this Contract shall comply with any current applicable safety or regulatory standards or codes.

1.38 Delivered and operational; Products/equipment offered herein are to be proposed based upon being delivered and operational at the NJPA Member's site. Exceptions to "delivered and operational" must be explicitly disclosed in the "Total Cost of Acquisition" section of your proposal response.

1.39 Warranty: The Proposer warrants that all products, equipment, supplies, and services delivered under this Contract shall be covered by the industry standard or better warranty. All products and equipment should carry a minimum industry standard manufacturer's warranty that includes materials and labor. The Proposer has the primary responsibility to submit product specific warranty as required and accepted by industry standards. Dealer/Distributors agree to assist the purchaser in reaching a solution in a dispute over warranty's terms with the manufacturer. Any manufacturer's warranty which is effective past the expiration of the warranty will be passed on to the NJPA member. Failure to submit a minimum warranty may result in non-award.

1.40 Proposer's Warrants: The Proposer warrants all products/equipment and related services furnished hereunder will be free from liens and encumbrances; defects in design, materials, and workmanship; and will conform in all respects to the terms of this RFP including any specifications or standards. In addition, Proposer/Vendor warrants the products/equipment and related services are suitable for and will perform in accordance with the purposes for which they were intended.

G. SOLUTIONS BASED SOLICITATION

1.41 NJPA solicitations and contract process will not offer specific specifications for proposers to meet or base your response on. This RFP is a "Solutions Based Solicitation". This means the proposers are asked to understand and anticipate the current and future needs of NJPA and the nationally located NJPA membership base, within the scope of this RFP, and including specifications commonly desired or required by law or industry standards. Your proposal will be evaluated in part on your demonstrated ability to meet or exceed the needs and requirements of NJPA and our member agencies within the defined scope of this RFP.

H. INQUIRY PERIOD

1.42 The inquiry period shall begin at the date of first advertisement and continue to the "Deadline for Requests". RFP packages shall be distributed to Potential Bidders only during the inquiry period. The purpose for the defined "Inquiry Period" is to provide a finite group of Potential Bidders to invite to, and attend the pre-bid conference.

I. PRE-PROPOSAL CONFERENCE

1.43 All Potential Bidders inquiring during the inquiry period will be invited to the OPTIONAL "Pre-Bid Conference" via the e-mail address used to make their inquiry. The purpose of the pre-bid conference is to allow Potential Bidders to ask questions and hear answers from their own questions and the questions of other Potential Bidders.

2. DEFINITIONS

A. PROPOSER - VENDOR

2.1 Exclusive Vendor- A sole Vendor awarded in a product category. NJPA reserves the right to award to an Exclusive Vendor in the event that such an award is in the best interests of NJPA Members. Such a Proposer must exhibit the ability to offer an outstanding overall program and demonstrate the ability and willingness to serve NJPA Members in all 50 states, and comply with all other requirements of this RFP.

2.2 Potential Proposer- A person or entity requesting a copy of this RFP.

2.3 Proposer- A company, person, or entity delivering a timely response to this RFP.

2.4 Vendor- One of a number of Proposers whose proposal has been awarded a contract pursuant to this RFP.

2.5 Request for Proposal- Herein referred to as RFP

B. CONTRACT

2.6 “Contract” as used herein shall mean cumulative documentation consisting of this RFP, fully executed forms B, C, D, F, H, I & P from the Proposer’s response pursuant to this RFP, and form E, the “Acceptance and Award” with final terms and conditions.

Form E will be executed on or after award and will provide final clarification of terms and conditions of the award.

C. TIME

2.7 Periods of time, stated as number of days, shall be in calendar days.

D. PROPOSER’S RESPONSE

2.8 A Proposer’s Response is the entire collection of documents as they are received by NJPA from a Potential Proposer in response to this RFP.

E. CURRENCY

2.9 All transactions are payable in U.S. dollars on U.S. sales. All administrative fees are to be paid in U.S. dollars.

F. FOB

2.10 FOB stands for “Freight On Board” and defines the point at which responsibility for loss and damage of product/equipment purchased are transferred from Seller to Buyer. “FOB Destination” defines that transfer of responsibility for loss is transferred from Seller to Buyer at the Buyer’s designated delivery point.

2.11 FOB does not identify who is responsible for the costs of shipping. The responsibility for the costs of shipping is addressed elsewhere in this document.

3. INSTRUCTIONS FOR PREPARING YOUR PROPOSAL

A. PRE-PROPOSAL CONFERENCE

3.1 A non-mandatory pre-proposal conference will be held at the date and time specified in the time line on page one of this RFP. Conference call and web connection information will be sent to all Potential Proposers through the same means employed in their inquiry. The purpose of this conference call is to allow Potential Proposers to ask questions regarding this RFP. Only answers issued in writing by NJPA to questions asked before or during the Pre-proposal Conference shall be considered binding.

B. IDENTIFICATION OF KEY PERSONNEL

3.2 Vendor will designate one senior staff individual who will represent the awarded Vendor to NJPA. This contact person will correspond with members for technical assistance, questions or problems that may arise including instructions regarding different contacts for different geographical areas as needed.

3.3 Individuals should also be identified (if applicable) as the primary contacts for the contents of this proposal, marketing, sales, and any other area deemed essential by the Proposer.

C. PROPOSER'S EXCEPTIONS TO TERMS AND CONDITIONS

3.4 Any exceptions, deviations, or contingencies a Proposer may have to the terms and conditions contained herein must be documented on Form C.

3.5 Exceptions, deviations or contingencies stipulated in Proposer's Response, while possibly necessary in the view of the Proposer, may result in disqualification of a Proposal Response.

D. FORMAL INSTRUCTIONS TO PROPOSERS

3.6 It is the responsibility of all Proposers to examine the entire RFP package, to seek clarification of any item or requirement that may not be clear and to check all responses for accuracy before submitting a Proposal. Negligence in preparing a Proposal confers no right of withdrawal after the deadline for submission of proposals.

3.7 All proposals must be sent to "The National Joint Powers Alliance®, 202 12th ST NE Staples, MN 56479."

3.8 Format for proposal response: All proposals must be physically delivered to NJPA at the above address in the following format:

3.8.1 Hard copy original signed, completed, and dated forms C,D,F,H,I, and hard copy signed signature page only from forms A and P from this RFP,

3.8.2 Hard copies of all addenda issued for the RFP with original counter signed by the Proposer,

3.8.3 Certificate of insurance verifying the coverage identified in this RFP,

3.8.4 Two complete copies of your response on a CD (Compact Disc) or flash drive containing completed Forms A,B,C,D,E,F,H,I & P, your statement of products and pricing together with all appropriate attachments, a copy of your audited financial statements from previous year end(or an unaudited copy if an audited copy is not available).

3.9 All Proposal forms must be submitted in English and be legible. All appropriate forms must be executed by an authorized signatory of the Proposer. Blue ink is preferred for signatures.

3.10 Proposal submissions should be submitted using the electronic forms provided. If a Proposer chooses to use alternative documents for their response, the proposer will be responsible for ensuring the content is effectively equal to the NJPA form and the document is in a format readable by NJPA.

3.11 It is the responsibility of the Proposer to be certain the proposal submittal is in the physical possession of NJPA on or prior to the deadline for submission of proposals.

3.11.1 Proposals must be submitted in a sealed envelope or box properly addressed to NJPA and prominently identifying the proposal number, proposal category name, the message **“Hold for Proposal Opening”**, and the deadline for proposal submission. NJPA cannot be responsible for late receipt of proposals. Proposals received by the correct deadline for proposal submission will be opened and the name of each Proposer and other appropriate information will be publicly read.

3.12 Corrections, erasures, and interlineations on a Proposer’s Response must be initialed by the authorized signer in original ink on all copies to be considered.

3.13 Addendums to the RFP: The Proposer is responsible for ensuring receipt of all addendums to this RFP.

3.13.1 Proposer’s are responsible for checking directly with the NJPA website for addendums to this RFP.

3.13.2 Addendums to this RFP can change terms and conditions of the RFP including the deadline for submission of proposals.

E. QUESTIONS AND ANSWERS ABOUT THIS RFP

3.14 Upon examination of this RFP document, Proposer shall promptly notify the NJPA of any ambiguity, inconsistency, or error they may discover. Interpretations, corrections and changes to this RFP will be made by NJPA through addendum. Interpretations, corrections, or changes made in any other manner will not be binding and Proposer shall not rely upon such.

3.15 Submit all questions about this RFP, in writing, referencing **“ROAD MAINTENANCE EQUIPMENT WITH RELATED ACCESSORIES, SERVICES, AND SUPPLIES** to Gregg Meierhofer, NJPA 202 12th Street NE, Staples, MN 56479 or RFP@njpacoop.org. Those not having access to the Internet may call Gregg Meierhofer at (218) 894-1930. Requests for additional information or interpretation of instructions to Proposers or technical specifications shall also be addressed to Gregg Meierhofer. NJPA urges Potential Proposers to communicate all concerns well in advance of the deadline to avoid misunderstandings. Questions received less than seven (7) days ending at 4:00 p.m. Central Time of the seventh (7th) calendar day prior to proposal due-date cannot be answered.

3.16 If the answer to a question is deemed by NJPA to have a material impact on other potential proposers or the RFP itself, the answer to the question will become an addendum to this RFP.

3.17 If the answer to a question is deemed by NJPA to be a clarification of existing terms and conditions and does not have a material impact on other potential proposers or the RFP itself, no further documentation of that question is required.

3.18 As used in this solicitation, clarification means communication with a Potential Proposer for the sole purpose of eliminating minor irregularities, informalities, or apparent clerical mistakes in the RFP.

3.19 Addenda are written instruments issued by NJPA that modify or interpret the RFP. All addenda issued by NJPA shall become a part of the RFP. Addenda will be delivered to all Potential Proposers using the same method of delivery of the original RFP material. NJPA accepts no liability in connection with the delivery of said materials. Copies of addenda will also be made available on the NJPA website at www.njpacoop.org by clicking on “Current and Pending Solicitations” and from the NJPA offices. No questions will be accepted by NJPA later than five (5) days prior to the deadline for receipt of proposals, except an addendum withdrawing the request for proposals or one that includes postponement of the date of receipt of proposals. Each Potential Proposer shall ascertain prior to submitting a Proposal that it has received all addenda issued, and the Proposer shall acknowledge their receipt in its Proposal Response.

3.20 An amendment to a submitted proposal must be in writing and delivered to NJPA no later than the

time specified for opening of all proposals.

F. MODIFICATION OR WITHDRAWAL OF A SUBMITTED PROPOSAL

3.21 A submitted proposal may not be modified, withdrawn from or cancelled by the Proposer for a period of ninety (90) days following the date proposals were opened regarding this RFP. **Prior** to the deadline for submission of proposals, any proposal submitted may be modified or withdrawn by notice to the NJPA Manager of Bids and Contracts. Such notice shall be submitted in writing and include the signature of the Proposer and shall be delivered to NJPA prior to the deadline for submission of proposals and it shall be so worded as not to reveal the content of the original proposal. However, the original proposal shall not be physically returned to the Potential Proposer until after the official proposal opening. Withdrawn proposals may be resubmitted up to the time designated for the receipt of the proposals if they are then fully in conformance with the Instructions to Proposer.

G. VALUE ADDED ATTRIBUTES, PRODUCTS/SERVICES

3.22 Examples of Value Added Attributes: Value-Added attributes, products and services are items offered in addition to the products and services being proposed which adds value to those items being proposed. The availability of a contract for maintenance or service after the initial sale, installation, and set-up may, for instance, be “Value Added Services” for products where a typical buyer may not have the ability to perform these functions.

3.23 Where to document Value Added Attributes: The opportunity to indicate value added dimensions and such advancements will be available in the Proposer’s Questionnaire and Proposer’s product and service submittal.

3.24 Value added equipment/products and services and expanded services, as they relate to this RFP, will be given positive consideration in the award selection. Consideration will be given to an expanded selection of **“ROAD MAINTENANCE EQUIPMENT WITH RELATED ACCESSORIES, SERVICES, AND SUPPLIES”**, and advances to provide products/services, supplies meeting and/or exceeding today’s industry standards and expectations. A value add would include a program or service that further serves the members needs above and possibly beyond standard expectation and complements the equipment/products and services and training. Value added could include areas of product and service, sales, ordering, delivery, performance, maintenance, technology, and service that furthers the functionality and effectiveness of the procurement process while remaining within the scope of this RFP.

3.25 Minority, Small Business, and Women Business Enterprise (WMBE) participation: It is the policy of some NJPA Members to involve Minority, Small Business, and WMBE contractors in the process to purchase product/equipment and related services. Vendors should document WMBE status for their organization AND any such status of their affiliates (i.e. Supplier networks) involved in carrying out the activities invited. The ability of a Proposer to provide “Credits” to NJPA and NJPA Members in these subject areas, either individually or through related entities involved in the transaction, will be evaluated positively by NJPA and reflected in the “value added” area of the evaluation. NJPA is committed to facilitating the realization of such “Credits” through certain structuring techniques for transactions resulting from this RFP.

3.26 Environmentally Preferred Purchasing Opportunities: There is a growing trend among NJPA Members to consider the environmental impact of the equipment/products and related services they purchase. “Green” characteristics demonstrated by responding companies will be evaluated positively by NJPA and reflected in the “value added” area of the evaluation. Please identify any Green characteristics of the product/equipment and related services in your proposal and identify the sanctioning body determining that characteristic. Where appropriate, please indicate which products have been certified as “green” and by which certifying agency.

3.27 On-Line Requisitioning systems: When applicable, on-line requisitioning systems will be viewed

as a value-added characteristic. Proposer shall include documentation about user interfaces that make on-line ordering easy for NJPA Members as well as the ability to punch-out from mainstream e-Procurement or Enterprise Resource Planning (ERP) systems that NJPA Members may currently utilize.

3.28 Financing: The ability of the Proposer to provide financing options for the products and services being proposed will be viewed as a Value Added Attribute.

H. CERTIFICATE OF INSURANCE

3.29 Proposer shall provide evidence of liability insurance coverage identified below in the form of an ACCORD binder form with their proposal. Upon Award issued pursuant to this contract, and prior to the execution of any commerce relating to such award, Vendor will be responsible for providing verification, in the form of an ACCORD binder identifying the coverage required below and identifying NJPA as a “Certificate Holder” and an “Additional Insured”. Vendor will be responsible to maintain such insurance coverage at their own expense throughout the term of any contract resulting from this solicitation.

3.30 Vendor, upon award, shall be required to maintain the following insurance coverages during the term of the NJPA Contract:

- (1) Workers Compensation insurance (Occurrence) with the following minimum coverages: Bodily injury by accident--per employee \$100,000; Bodily injury by disease--per employee \$100,000; Policy limits \$500,000. In addition, Proposer shall require all subcontractors occupying the premises or performing work under the contract to obtain an insurance certificate showing proof of Workers Compensation Coverage with the following minimum coverages: Bodily injury by accident--per employee \$100,000; Bodily injury by disease--per employee \$100,000; Policy limits \$500,000.
- (2) Commercial General Liability Policy per occurrence \$1,000,000.
- (3) Business Auto Policy to include but not be limited to liability coverage on any owned, non-owned and hired vehicle used by Proposer or Proposer’s personnel in the performance of this Contract. The Business Automobile Policy shall have a per occurrence limit of \$1,000,000.

3.31 The foregoing policies shall contain a provision that coverage afforded under the policies will not be canceled, or not renewed or allowed to lapse for any reason until at least thirty (30) days prior written notice has been given to NJPA. Certificates of Insurance showing such coverage to be in force shall be filed with NJPA prior to commencement of any work under the contract. The foregoing policies shall be obtained from insurance companies licensed to do business nationally and shall be with companies acceptable to NJPA, which must have a minimum AM Best rating of A-. All such coverage shall remain in full force and effect during the term and any renewal or extension thereof.

I. ORDER PROCESS AND/OR FUNDS FLOW

3.32 Please propose an order process and funds flow. Please choose from one of the following:

3.32.1 B-TO-G: The Business-to-Government order process and/or funds flow model involves NJPA Members issuing Purchase Orders directly to a Vendor and pursuant to a Contract resulting from this RFP.

3.32.3 Other: Please fully identify.

J. ADMINISTRATIVE FEES

3.33 Proposer agrees to authorize and/or allow for an administrative fee payable to NJPA by an Awarded Vendor in exchange for its facilitation and marketing of a Contract resulting from this RFP to current and potential NJPA Members. This Administration Fee shall be:

3.33.1 Calculated as a percentage of the dollar volume of all equipment/products and services

provided to and purchased by NJPA Members or calculated as reasonable and acceptable method applicable to the contracted transaction, and

3.33.2 Included in, and not added to, the pricing included in Proposer's Response to this RFP, and

3.33.3 Designed to offset the anticipated costs of NJPA's involvement in contract management, facilitating marketing efforts, Vendor training, and any order processing tasks relating to the Contract resulting from this RFP.

3.33.3.1 Typical administrative fees for a B-TO-G order process and funds flow is 2.0%.

3.34 The opportunity to propose these factors and an appropriate administrative fee is available in the Proposer's Questionnaire.

4. PRICING STRATEGIES

4.1 NJPA requests Potential Proposers respond to this RFP only if they are able to offer a wide array of equipment/products and services and at prices lower and better value than what they would ordinarily offer to single government agency, larger school district, or regional cooperative.

4.2 RFP is an "Indefinite Quantity Product/Equipment and Related Service Price and Program Request" with potential national sales distribution and service. Proposers are agreeing to fulfill Contract obligations regarding each product/equipment to which you provide a description and a price. If Proposer's solution requires additional supporting documentation, describe where it can be found in your submission. If Proposer offers the solution in an alternative fashion, describe your solution to be easily understood. All pricing must be copied on a CD along with other requested information as a part of a Proposer's Response.

4.3 Regardless of the payment method selected by NJPA or NJPA Member, a total cost associated with any purchase option of the equipment/products and services and being supplied must always be disclosed at the time of purchase.

4.4 Primary Pricing/Secondary Pricing Strategies- All Proposers will be required to submit "Primary Pricing" in the form of either "Line-Item Pricing," or "Percentage Discount from Catalog Pricing," or a combination of these pricing strategies. Proposers are also encouraged to offer OPTIONAL pricing strategies such as but not limited to "Hot List," "Sourced Product/Equipment" and "Volume Discounts," as well as financing options such as leasing.

A. LINE-ITEM PRICING

4.5 Line-Item pricing- A pricing format where specific individual products and/or services are offered at specific individual Contract prices. Products/equipment and/or related services are individually priced and described by characteristics such as manufacture name, stock or part number, size, or functionality. This method of pricing offers the least amount of confusion as products/equipment and prices are individually identified however, Proposers with a large number of products/equipment to propose may find this method cumbersome. In these situations, a percentage discount from catalog or category pricing model may make more sense and increase the clarity of the contract pricing format.

4.6 All Line-Item Pricing items must be numbered, organized, sectioned, including SKU's (when applicable) and easily understood by the Evaluation Committee and members.

4.7 Line-Item Pricing items are to be submitted in an Excel spreadsheet format provided and are to include all appropriate identification information necessary to discern the line item from other line items in each Responder's proposal.

4.8 The purpose for the excel spreadsheet format for Line-Item Pricing is to be able to use the “Find” function to quickly find any particular item of interest. For that reason, Proposers are responsible for providing the appropriate product and service identification information along with the pricing information which is typically found on an invoice or price quote for such products/equipment and related services.

4.9 All products/equipment and related services typically appearing on an invoice or price quote must be individually priced and identified on the line-item price sheet, including any and all ancillary costs.

4.10 Proposers are asked to provide both a published “List” price as well as a “Proposed Contract Price” in their pricing matrix. “The published List” price will be the standard “quantity of one” price currently available to government and educational customers excluding cooperative and volume discounts.

B. PERCENTAGE DISCOUNT FROM CATALOG OR CATEGORY

4.11 Percent Discount From Catalog, list or Category Pricing- A specific percentage discount from a “Catalogue or List Price” defined as a published Manufacturer’s Suggested Retail Price (MSRP) for the products/equipment or related services being proposed.

4.12 Individualized percentage discounts can be applied to any number of defined product groupings.

4.13 A Percentage Discount from MSRP may be applied to all elements identified in MSRP including all Manufacturer Options applicable to the product/equipment or related service.

4.14 Accessory options requested by the customer and related to the general scope of this RFP but are not under the current contract will be priced using a “Sourced Product/equipment pricing model” as defined herein. See Section F

4.15 When a Proposer elects to use “Percentage Discount from Catalog or Category,” Proposer will be responsible for providing and maintaining current published “MSRP” with NJPA and must be included in their proposal and provided throughout the term of any Contract resulting from this RFP.

4.16 NJPA reserves the right to review catalogs submitted to determine if the represented products and services reflect and relate to the scope of this RFP. Each new catalog received may have the effect of adding new product offerings and deleting products no longer carried by the Vendor. New catalogs shall apply to the Contract only upon approval of the NJPA. Non-approved use of catalogs may result in termination for convenience. New price lists or catalogs found to be offering non-contract items during the Contract may be grounds for terminating the Contract for convenience. New optional accessories for product/equipment and related services may be added to the Contract through the NJPA approval process at the time they become available.

C. HOT LIST PRICING

4.17 Where applicable, NJPA also invites the Vendor, at their option, to offer a specific selection of products/services, defined as a Hot List selection offer pricing at greater discounts or related advantages than those listed in the standard Contract pricing. All product/service pricing, including the Hot List Pricing, must be submitted electronically provided in Excel format. Hot List pricing must be submitted in a Line-Item format. Providing or offering a “Hot List Selection” of equipment/products and related services is optional. Equipment/products and related services may be added or removed from the “Hot List” at any time.

4.18 Hot List program and pricing when applicable may also be used to discount and liquidate close-out and discontinued equipment/products and related services as long as those close-out and discontinued

items are clearly labeled as such. Current ordering process and administrative fees apply. This option must be published and made available to all NJPA Members.

4.19 Hot List Program and Pricing is allowed to change at the discretion of the Vendor within the definition of Hot List Pricing. The Vendor is responsible to maintain current Hot List product/equipment and related service descriptions and Pricing with NJPA.

D. CEILING PRICE

4.20 Proposal pricing is to be established as a ceiling price. At no time may the proposed equipment/products and related services be offered pursuant to this Contract at prices above this ceiling price without request and approval by NJPA. **IMPORTANT NOTE:** Contract prices may be reduced to allow for volume considerations and commitments and to meet the specific and unique needs of an NJPA Member.

4.21 Allowable specific needs may include competitive situations, certain purchase volume commitments or the creation of custom programs based on the individual needs of NJPA Members.

E. VOLUME PRICE DISCOUNTS

4.22 Proposers are free to offer volume commitment discounts from the contract pricing documented in a Contract resulting from this RFP. Volume considerations shall be determined between the Vendor and individual NJPA Members on a case-by-case basis.

4.23 Nothing in this Contract establishes a favored member relationship between the NJPA or any NJPA Member and the Vendor. The Vendor will, upon request by NJPA Member, extend this same reduced price offered or delivered to another NJPA Member provided the same or similar volume commitment, specific needs, terms, and conditions, a similar time frame, seasonal considerations, locations, competitive situations and provided the same manufacturer support is available to the Vendor.

4.24 All price adjustments are to be offered equally to all NJPA Members exhibiting the same or substantially similar characteristics such as purchase volume commitments, and timing including the availability of special pricing from the Vendor's suppliers.

F. SOURCED PRODUCT/EQUIPMENT /OPEN MARKET ITEMS

4.25 NJPA or NJPA Members may from time to time, request product/equipment and/or equipment/products and related services that are within the related scope of this RFP, which are not included in an awarded Vendor's line-item product/equipment and related service listing or "list or catalog". These items are known as Sourced Product/Equipment or Open Market Items.

4.26 An awarded Vendor resulting from this RFP may "Source" this equipment/products and related services for NJPA or an NJPA Member to the extent they:

4.26.1 Identify all such equipment, products and services as "Sources Product/Equipment " or "Open Market Items" on any quotation issued in reference to an NJPA awarded contract, and provided to either NJPA or an NJPA Member, and

4.26.2 All applicable acquisition regulations pertaining to the purchase of such equipment, products and services have been followed, as defined by NJPA or the NJPA Member receiving quotation from Vendor, and

4.26.3 NJPA or the NJPA Member has determined the prices as quoted by Vendor for such equipment, products and services are deemed to be fair and reasonable and are acceptable to the member.

G. COST PLUS A PERCENTAGE OF COST

4.27 Cost plus a percentage of cost as a primary pricing mechanism is not desirable.

H. TOTAL COST OF ACQUISITION

4.28 The Total Cost of Acquisition for the equipment/products and related services being proposed, including those payable by NJPA Members to either the Proposer or a third party, shall be defined as:

- The cost of the proposed equipment/products product/equipment and related services delivered and operational for its intended purpose in the end-user's location.

4.29 For example, if you are proposing equipment/products only "Warehouse Product/Equipment" contract, FOB Proposer's dock, your proposal would identify your deviation from the "Total Cost of Acquisition" of contracted equipment/products. The "Proposal should reflect that the contract does not provide for delivery beyond Proposer's dock, nor any set-up activities or costs associated with those delivery or set-up activities." In contrast, proposed terms including all costs for product/equipment and services delivered and operational at to the end-user's location would require a disclosure of "None".

I. REQUESTING PRODUCT/EQUIPMENT AND RELATED SERVICE ADDITIONS/DELETIONS

4.30 Requests for product/equipment and related services, price changes, additions, deletions, or any related contract changes must be made in written form and shall be subject to approval by NJPA.

4.31 New equipment/products and related services may be added to a Contract resulting from this RFP at any time during that Contract to the extent those equipment/products and related services are within the scope of this RFP. Those requests are subject to review and approval of NJPA. Allowable new equipment/products and related services generally include new updated models of equipment/products and related services and or enhanced services previously offered which could reflect new technology and improved functionality.

4.32 Proposers representing multiple manufacturers, or carrying multiple related product lines may also request the addition of new manufacturers or product lines to their Contract to the extent they remain within the scope of this RFP.

4.33 NJPA's due diligence in analyzing any request for change is to determine if approval of the request is 1) within the scope of the original RFP, and 2) in the "Best Interests of NJPA and NJPA Members." We are looking for consistent pricing and delivery mechanisms and an understanding of what value the proposal brings to NJPA and NJPA Members.

4.34 Documenting the "Best Interests of NJPA and NJPA Members" when outdated equipment is being deleted is fairly straight forward since the product is no longer available and not relevant to the procurement Contract.

4.35 Requests must be in the form of 1) a cover letter to NJPA a) asking to add the product/equipment line, b) making a general statement identifying how the products to be added are within the scope of the original RFP, and c) making a general statement identifying that, if appropriate, the pricing is consistent with the existing Contract pricing and 2) the detail as to what is being added at what price will then be an attachment to that cover letter. Pending approval of your request by NJPA you will need to provide a complete re-statement of all pricing including all new prices/products AND existing prices and products/equipment.

4.36 NJPA's intent is to encourage Proposers to provide and document NJPA's due diligence in a clear and concise one page format on which we can approve and sign our acknowledgment and acceptance.

This information must ultimately come from Proposers, and NJPA is requiring it in this format.

J. REQUESTING PRICING CHANGES

4.37 Price Decreases: Requests for standard Contract price decrease adjustments (percentage discount increases) are encouraged and will be allowed at any time based on market place efficiencies, market place competitiveness, improved technologies and/or improved methods of delivery or if Vendor engages in innovative procurement practices such as strategic sourcing, aggregate and volume purchasing. NJPA expects Vendors to propose their very best prices and anticipates price reductions due to the advancement of technologies and market place efficiencies. Documenting the “Best Interests of NJPA and NJPA Members” is highly valued when we are documenting price reductions.

4.38 Price increases: Requests for standard contract price increases (or the inclusion of new generation products/equipment/services at higher prices) can be made at any time. These requests will again be evaluated by NJPA based on the best interests of NJPA and NJPA Members. As an example, typically acceptable requests for price increases for existing equipment/products and services may cite increases to the Vendor of input costs such as petroleum or other applicable commodities. Typically acceptable requests for price increases for new equipment/products and services enhance or improve on the current solutions currently offered as well as cite increases in utility of the new compared to the old. Vendors are requested to reasonably document the claims cited in their requests. Your written request for a price increase, therefore, is an exercise in describing what you need, and a justification for why you need it in sufficient detail for NJPA to deem such change to be in the best interests of ourselves and our Members.

4.39 Price Change Request Format: An awarded Proposer will use the format of a cover letter requesting price increases in general terms (a 5% increase in product line X) and stating their justification for that price increase (due to the recent increase in petroleum or raw material costs) by product category. Specific details for the requested price change must be attached to the request letter identifying product/services where appropriate, both current and proposed pricing. Attachments such as letters from suppliers announcing price increases are appropriate for documenting your requests here.

K. PRICE AND PRODUCT CHANGES FORMAT

4.40 NJPA’s due diligence regarding product and price change requests is to consider the reasonableness of the request and document consideration on behalf of our members. Submit the following documentation to request a pricing change:

4.40.1 A cover letter:

- a. Please address the following subjects in your cover letter:
 - i. What product/equipment and related service prices are changing?
 - ii. How much are the prices changing?
 - iii. Why are the prices changing?
 - iv. Any additions or deletions from the previous product/equipment and related services list and the reason for the changes.
- b. The specifics of the product/services and price changes will be listed in the excel spreadsheets identified below. Please take a more general “Disclosure” approach to identifying changes in the cover letter.
 - i. If applicable and **for example** indicate, “All paper equipment/products and services increased 5 % in price due to transportation and fuel costs.”
 - ii. If applicable, for instance, indicate, “The 6400 series floor polisher added to the product list is the new model replacing the 5400 series. The 6400’s 3% price increase reflects the rate of inflation over the past year. The 5400 series is now included in the “Hot List” at a 20% discount from previous pricing until remaining inventory is liquidated.”

4.40.2 An excel spreadsheet identifying all equipment/products and services being offered and their pricing. Each subsequent pricing update will be saved using the naming convention of “(Vendor Name) pricing effective XX/XX/XXXX.”

- a. Include all equipment/products and services regardless of whether their prices have changed. By observing this convention we will:
 - i. Reduce confusion by providing a single, easy to find, current pricing sheet for each Vendor.
 - ii. Create a historical record of pricing.

L. SINGLE STATEMENT OF PRICING/HISTORICAL RECORD OF PRICING

4.41 Initially; and again with each request for product addition, deletion, and/or pricing change; you must state all pricing for all equipment/products and services available. The request for price changes described above will serve as the documentation for those requested changes. Each complete pricing list will be identified by its “Effective Date.” Each successive price listing identified by its “Effective Date” will create a “Product and Price History” for the Contract.

4.42 Proposers may use the multiple tabs available in an Excel workbook to separately list logical product groupings or to separately list product and service pricing as they see fit.

4.43 All equipment/products and services together with their pricing, whether changed within the request or remaining unchanged, will be stated on each “Pricing” sheet created as a result of each request for product, service, or pricing change.

4.44 Each subsequent “Single Statement of Product and Pricing” will be archived by its effective date therefore creating a product and price history for any Contract resulting from this RFP. Proposers are required to create a historical record of pricing annually by submitting updated pricing referred to as a “Single Statement of Product/Equipment and Related Services Contract Price Update”. This pricing update is required at a minimum of once per contract year.

M. PAYMENT TERMS

4.45 Payment terms will be defined by the Proposer in the Proposer’s Response. Proposers are encouraged to offer payment terms through P Card services if applicable to the customary method of procurement relating to the contracted product/equipment and related services.

4.46 Leasing- If available, identify any leasing programs available to NJPA and NJPA Members as part of your proposal. Proposers should submit an example of the lease agreement to be used. Proposers should identify:

- General leasing terms such as:
 - o The percentage adjustment over/under an index rate used in calculating the internal rate of return for the lease; and
 - o The index rate being adjusted; and
 - o The “Purchase Option” at lease maturity (\$1, or fair market value); and
 - o The available term in months of lease(s) available.
- Leasing company information such as:
 - o The name and address of the leasing company; and
 - o Any ownership, common ownership, or control between the Proposer and the Leasing Company.

N. SALES TAX

4.47 Sales and other taxes, where applicable, shall not be included in the prices quoted. Vendor will charge state and local sales and other taxes on items for which a valid tax exemption certification has not been provided. Each NJPA Member is responsible for providing verification of tax exempt status to Vendor. When ordering, if applicable, NJPA Members must indicate that they are tax exempt entities. Except as set forth herein, no party shall be responsible for taxes imposed on another party as a result of or arising from the transactions contemplated by a Contract resulting from this RFP.

O. SHIPPING AND SHIPPING PROGRAM

4.48 Shipping program for material only proposals, or sections of proposals, must be defined as a part of the cost of product/equipment. If shipping is charged to NJPA or NJPA Member, only the actual cost of delivery may be added to an invoice. Shipping charges calculated as a percentage of the product price may not be used, unless such charges are lower than actual delivery charges. No COD orders will be accepted. It is desired that delivery be made within ninety-days (90) of receipt of the Purchase Order. See “The Total Cost of Acquisition” for the equipment/products and related services.

4.49 Any shipping cost charged to NJPA or NJPA Members will be considered to be part of “proposal pricing.”

4.50 Additional costs for expedited deliveries will be at the additional shipping or handling expense to the NJPA Member.

4.51 Selection of a carrier for shipment will be the option of the party paying for said shipping. Use of another carrier will be at the expense of the requester.

4.52 Proposers must define their shipping programs for Alaska and Hawaii and any location not served by conventional shipping services. Over-size and over-weight items and shipments may be subject to custom freight programs.

4.53 Proposals containing restocking fees are less advantageous than those not containing re-stocking fees. That being said, certain industries cannot avoid restocking fees. Certain industries providing made to order product/equipment may not allow returns. With regard to returns and restocking fees, Proposers will be evaluated based on the relative flexibility extended to NJPA and NJPA Members relating to those subjects. Where used, restocking fees in excess of 15% will be considered excessive. Restocking fees may be waived, at the option of the Proposer/Vendor. Indicate all shipping and re-stocking fees in price program.

4.54 Proposer agrees shipping errors will be at the expense of the Vendor. For example, if a Vendor ships a product that was not ordered by the member, it is the responsibility of the Vendor to pay for return mail or shipment at the convenience of the member.

4.55 Unless specifically stated otherwise in the “Shipping Program” of a Proposer’s Response, all prices quoted must be F.O.B. destination with the freight prepaid by the Vendor. Delivery effectiveness is very important aspect of this Contract. If completed deliveries are not made at the time agreed, NJPA or NJPA Member reserves the right to cancel and purchase elsewhere and hold Vendor accountable. If delivery dates cannot be met, Vendor agrees to advise NJPA or NJPA Member of the earliest possible shipping date for acceptance by NJPA or NJPA Member.

4.56 Delivered products/equipment must be properly packaged. Damaged products/equipment will not be accepted, or if the damage is not readily apparent at the time of delivery, the products/equipment product/equipment shall be returned at no cost to NJPA or NJPA Member. NJPA and NJPA Members reserve the right to inspect the product/equipment at a reasonable time subsequent to delivery where

circumstances or conditions prevent effective inspection of the product/equipment at the time of delivery.

4.57 Vendor shall deliver Contract conforming products/equipment in each shipment and may not substitute products/equipment without approval from NJPA Member.

4.58 NJPA reserves the right to declare a breach of Contract if the Vendor intentionally delivers substandard or inferior products/equipment which are not under Contract and described in its paper or electronic price lists or sourced upon request to any member under this Contract. In the event of the delivery of a non-conforming product/equipment, NJPA Member will immediately notify Vendor and the Vendor will replace non-conforming product/equipment with conforming product/equipment acceptable to the NJPA member.

4.59 Throughout the term of the Contract, Proposer agrees to pay for return shipment on product/equipment that arrives in a defective or inoperable condition. Proposer must arrange for the return shipment of damaged product/equipment.

4.60 Unless contrary to other parts of this solicitation, if the product/equipment or the tender of delivery fail in any respect to conform to this Contract, the purchasing member may: 1) reject the whole, 2) accept the whole or 3) accept any commercial unit or units and reject the rest.

P. NORMAL WORKING HOURS

4.61 Prices quoted are for equipment/products and services delivered during normal business hours. Normal Business hours will be as specifically defined herein, defined through industry standards OR defined through statement contained in the purchase/work order issued pursuant to a Contract resulting from this RFP.

5. MARKETING PLAN

5.1 Internal Marketing Plan: If you are awarded a contract based on this solicitation, your sales force will be the primary source of the contract success. Your sales force needs to be aware that the value of the contract includes:

- The use of the NJPA Contract will save their customer (NJPA's Member) the time and effort of bringing a new individual Request For Proposal (RFP).
- The use of the NJPA Contract will save you and your sales force the time and effort of responding to individual Request For Proposals (RFPs).
- The use of the NJPA Contract will offer NJPA members the opportunity to have the ability to choose your company's contracted product/equipment and related services.

An award of Contract resulting from this RFP is an opportunity for the awarded Vendor to pursue commerce with, and deliver valued contracted products/equipment and related service solutions to NJPA and NJPA Members nationwide. Your internal marketing plan should serve to:

5.1.1 Identify the appropriate levels of sales management whom will need to understand the value of, and the internal procedures necessary to deliver your Contract solution to NJPA and NJPA Members through your marketing and sales efforts.

5.1.2 Identify, in general, your national footprint and dedicated feet-on-the-street sales force that will be carrying this Contract message and opportunity in the field to NJPA Members. Outline the sale force network in terms of numbers and geographic location and distribution of the product/equipment and related services. Service may be independent of the sales of the product/equipment. Demonstrate fully the sales and service capabilities of your company through your response.

5.1.2.1 Identify whether your sales force are employees or independent contractors. Identify whether your dealers are company owned or independently owned.

5.1.3 Identify your plan for delivering training to these individuals.

5.1.3.1 Will you have your sales force or dealer network gathered at national or regional events in the near future? Does your sales force or dealer network have the ability to participate in sales training webinar or webcast events?

5.1.3.2 NJPA is prepared to provide our personnel for sales training and/or on a webinar or webcast or other methodologies to effectively reach the appropriate groups within your sales management, dealer network and sales force.

5.1.4 Sales Management Contract Training.

5.1.4.1 NJPA will commit to providing contract sales training regarding all aspects of communicating the value of the Contract itself, the authority of NJPA to offer the Contract to its Members, the value the Contract delivers to NJPA Members, the scope of NJPA Membership, and the authority of NJPA Members to utilize NJPA procurement contracts.

5.1.4.2 Your Sales Management will be needed to provide training regarding employee compensation and internal procedures when delivering the Contract opportunity, and how this Contract purchasing opportunity relates with other such opportunities available.

5.2 Success in marketing is dependent upon 1) the delivery of value as defined in section 1.4, 2) the delivery of knowledge of the contract and its proper use and utility, and 3) the delivery of the contracted products/equipment and related services and the sales reward which creates a personal commitment to the contract. NJPA desires a marketing plan that:

5.2.1 identifies the value to a member of a delivered a competitively proposed national cooperative procurement contract that reduces the need by both the NJPA Member and the Vendor/Vendor's sales staff of the responsibility to facilitate and responding to multiple and similar individual RFP's;

5.2.2 identifies the appropriate Vendor personnel from both management and sales staff who will be trained on the sales and marketing methods, strategy, use and utility of such a contract and a general schedule of when and how those individuals will be trained; and

5.2.3 identifies in general how the reward system for the marketing, delivery, and service chain of the Vendor will be affected by the implementation of the proposed Contract and how that will be proposed to those individuals in terms of the value created for them and their departments in 5.1.1 above.

5.3 External Marketing Plan: NJPA is seeking the ability to serve all our current and potential members nationwide. The Proposer must demonstrate the ability to both market and service their products/equipment and related services to NJPA current and potential members nationwide. As a part of your Marketing Plan, demonstrate your sales and service network and the capability to staff, communicate and offer the contract opportunity while demonstrating your commitment to serving NJPA and NJPA Members nationwide through the awarded contract.

5.4 The Proposer must exhibit the willingness and ability to develop marketing materials and participate in marketing venues such as:

5.4.1 Printed Marketing Materials. Proposer will initially produce and thereafter maintain full

color print advertisements in camera ready electronic format including company logos, identifying the Vendor, the Vendor's general utility for NJPA and NJPA Members, and contact information to be used by NJPA and NJPA Members in a full page, half page, and quarter page formats. These advertisements will be used in the NJPA directory and other marketing publications.

5.4.2 Contract announcements and advertisements. Proposer will identify a marketing plan identifying their anticipated contract announcements, advertisements in industry periodicals, or other direct or indirect marketing activities.

5.4.3 Proposer's Website. Proposer will identify how an Awarded Contract will be displayed on the Proposer's website. An on-line shopping experience for NJPA and NJPA Members is desired when applicable and will be viewed as a value-added attribute to a Proposer's Response.

5.4.4 Trade Shows. Proposer will outline their proposed involvement in the promotion of a Contract resulting from this RFP through applicable trade shows. Proposers are encouraged to identify tradeshow and other appropriate venues for the promotion of any such Contract. Proposers are encouraged to consider participation with NJPA at NJPA embraced national trade shows. Examples of such could include:

NAEP	National Association of Education Procurement
I-ASBO	International Association of School Business Officials
NIGP	National Institute of Government Purchasing

5.5 Proposer must also work in cooperation with NJPA to develop a marketing strategy and provide avenues to equally market and drive sales through the Contract and program to all NJPA Members nationally. Awarded Vendor agrees to actively market in cooperation with NJPA all contracted equipment/products and services to current and potential NJPA Members. NJPA reserves the right to deem a Proposer non-responsive or to waive an award based on an unacceptable marketing plan.

5.6 As a part of this response, submit a complete Marketing Plan on how you would help NJPA roll out this program to current and potential NJPA Members. NJPA requires the Awarded Vendors actively promote the Contract in cooperation with the NJPA. Proposers are advised to consider marketing efforts in the areas of 1) Website Link from Proposer's website to NJPA's website, 2) Attendance and participation with a display booth at national and regional trade shows and meetings when the event is applicable to the Proposer's customer vertical, and 3) Sales team and sales training programs involving both Proposer's sales management and NJPA staff.

5.7 Facilitating NJPA Membership: Proposer should express their commitment to develop a process to establish membership status of current and potential agencies with NJPA as a part of the sales or customer communication process.

5.7.1 Membership information: Proposer should further express their commitment to capturing sufficient member information as is deemed necessary by NJPA to appropriately facilitate membership.

6. PROPOSAL OPENING PROCEDURE

6.1 Sealed and properly identified Proposer's Responses for this RFP entitled **"ROAD MAINTENANCE EQUIPMENT WITH RELATED ACCESSORIES, SERVICES, AND SUPPLIES"** will be received by Gregg Meierhofer, Manager of Bids and Contracts, at NJPA Offices, 202 12th Street NE, Staples, MN 56479 until the deadline for receipt of, and proposal opening identified on page one of this RFP. **We document the receipt by using an atomic clock; an NJPA employee**

electronically time and date stamps all Proposals immediately upon receipt. The NJPA Director of Contracts and Marketing, or Representative from the NJPA Proposal Evaluation Committee, will then read the Proposer's names aloud. A summary of the responses to this RFP will be made available for public inspection in the NJPA office in Staples, MN. A letter or e-mail request is required to receive a complete RFP package. Send or communicate all requests to the attention of Gregg Meierhofer 202 12th Street Northeast Staples, MN 56479 or RFP@njpacoop.org to receive a complete copy of this RFP. Method of delivery needs to be indicated in the request; an email address is required for electronic transmission. Oral, facsimile, telephone or telegraphic Proposal Submissions or requests for this RFP are invalid and will not receive consideration. All Proposal Responses must be submitted in a sealed package. The outside of the package shall plainly identify **"ROAD MAINTENANCE EQUIPMENT WITH RELATED ACCESSORIES, SERVICES, AND SUPPLIES"** To avoid premature opening, it is the responsibility of the Proposer to label the Proposal Response properly.

7. EVALUATION OF PROPOSALS

A. PROPOSAL EVALUATION PROCESS

7.1 Overall Evaluation (FORM G) - The NJPA Proposal Evaluation Committee will evaluate proposals received based on a 1,000 point evaluation system. The Committee will establish both the evaluation criteria and designate the relative importance of those criteria by assigning possible scores for each category.

7.2 NJPA will use a 1,000 Point Evaluation System to help determine the best overall Proposer(s) selection. Bonus points may be available for specific proposal characteristics identified such as "Green Product Certifications."

7.2.1. Bonus Evaluation Points- Bonus evaluation points may be awarded by the NJPA Proposal Evaluation Committee based on criteria identified as being both "optional" and "having additional value".

7.3 NJPA shall use a final overall scoring system to include consideration for best price and cost evaluation. The total possible score is 1,000 points. NJPA reserves the right to assign any number of point awards or penalties it considers warranted if a Proposer stipulates exceptions, exclusions, or limitations of liabilities.

7.4 Responses will be evaluated first for responsiveness and thereafter for content. The NJPA Board of Directors will make awards to the selected Proposer(s) based on the recommendations of the Proposal Evaluation Committee.

7.5 To qualify for the final evaluation, a Proposer must have been deemed responsive as a result of the criteria set forth under "Proposer Responsiveness."

7.6 NJPA reserves the right to use a "Cost Scoring Evaluation" through a product comparison process of like products/services. This process will establish points for submitted price levels. See Cost Scoring Evaluation.

7.7 The procurement activities of the NJPA Proposal Evaluation Committee are limited to document preparation, answering Proposer questions, advertising the solicitation, distribution of this RFP upon request, conducting an evaluation and making recommendation for possible approval to NJPA Board of Directors.

B. PROPOSER RESPONSIVENESS

7.8 Proposer's Response received after the deadline for submission will be invalid and returned to the Potential Proposer unopened.

7.9 An essential part of the proposal evaluation process is an evaluation to qualify the Proposer being considered. All proposals must contain answers or responses to the information requested in the proposal forms. Any Proposer failing to provide the required documentation may be considered non-responsive.

7.10 Deviations or exceptions stipulated in Proposer's Response may result in the proposal being classified as non-responsive.

7.11 To qualify for evaluation, a proposal must have been submitted on time and materially satisfy all mandatory requirements identified in this document. A proposal must reasonably and substantially conform to all the terms and conditions in the solicitation to be considered responsive.

7.12 The Proposal Evaluation Committee shall utilize the following criteria to evaluate all proposals received. Items 1-4 constitute the test for "Level One Responsiveness" and are determined on the proposal opening date. "Level 2" responsiveness is determined through the evaluation of the remaining items listed under Proposal Evaluation Criteria. These items are not arranged in order of importance and each item may encompass multiple areas of information requested.

1. The proposal response is received prior to the deadline for submission.
2. The proposal package was properly addressed and identified as a sealed proposal with a specific opening date and time.
3. The proposal response contains the required certificate of liability insurance.
4. The proposal response contains original signatures on all documents requiring such.

C. PROPOSAL EVALUATION CRITERIA

7.13 **Reduction of Evaluation Points.** The following items will be sufficient cause to reduce evaluation points.

7.13.1 If a manufacturer or supplier chooses not to produce or supply a full selection and representation of product/equipment and related services it has available which fall within the scope of this RFP, such action will be considered sufficient cause to reduce evaluation points.

7.14 Evaluation Criteria

7.15 Evaluation of each Proposer's Response will take into consideration as a minimum response but not necessarily limited to the following:

1. Adherence to all requirements of this RFP as defined by industry standards.
2. Prior knowledge of and experience with a Proposer in terms of past performance and market place success.
3. Capability of meeting or exceeding current and future needs or requirements of NJPA and NJPA Members.
4. Evaluation of Proposer's ability to market to and provide service to all NJPA Members nationally.
5. Financial condition of the Proposer.
6. Nature and extent of company data furnished in Proposer's Response.
7. Quality of products, equipment, and services offered including value added related services.
8. History of member service to NJPA type customers.
9. Overall ability to perform sales, solutions and contract support as submitted.
10. Ability to meet service and warranty needs.
11. History of meeting shipping and delivery expectations of contracted products/ services.
12. Technology advancements and related provisions.
13. Ability to market and promote the Contract within current business practices.
14. Willingness to develop and enter into NJPA Contract and business relations.
15. Favorable bond rating and applicable industry standard licensing ability.

16. Past market place successes and brand recognition.
17. Demonstrated warranty and product/service responsibility.
18. Possesses qualifications as a responding Proposer that meets or exceeds those set within the solicitation.
19. Information from government and education references and past performance information including past agency approval.
20. Demonstrates that they offer the most current industry standard equipment/products and related services and/or services.
21. Demonstrates financial stability as a company and a favorable banking line of credit.
22. Demonstrates their equipment/products and related services proposed meet and/or exceed industry standards accepted by educational or governmental agencies nationally.
23. Demonstrates market place success and their past performance exhibits an acceptable reputation nationally within the government and education market place.
24. Demonstrates that the company possesses the background, knowledge, capacity, and ability to sell, deliver, and support equipment/products and related services offered to government and education and related agencies.
25. Response's conformance to terms and conditions as described in the solicitation, including documentation.
26. Has provided documentation defining, outlining, and describing their concept of a national marketing program they will be implementing to facilitate and coordinate the cooperative activities required by an awarded NJPA Contract.
27. Has provided all of the required and applicable documentation required i.e. insurance certificates, licenses, and/or registration certificates required to do business nationally.
28. Line-Item Pricing, or acceptable pricing model in approved excel format, listing of all of the proposed equipment/products and related services and warranty provisions with their associated units of costs.
29. Hot List Pricing equipment/products and related services in a Line-Item Pricing format (when applicable).
30. Contract Pricing submitted as requested to include selection of products/equipment and related services in a Line-Item Pricing and/or Percentage Discount from a published gov/ed price list or Catalog.

D. OTHER CONSIDERATION

7.16 Consideration will be given in the award based on the completion and degree of information provided regarding available products/equipment, and accessories, and related services as well as, applicable parts of the Proposer Information and Questionnaire.

7.17 The Proposer is required to have extensive knowledge and at least three (3) years of experience with the related activities surrounding the selling of the product/equipment, related services or related products/equipment offered.

7.18 NJPA reserves the right to accept or reject newly formed companies solely based on information provided in the proposal and/or its own investigation of the company.

7.19 The fact a manufacturer or supplier chooses not to produce or provide equipment products or services to meet the intent and scope of this RFP will not be considered sufficient cause to adjudge this RFP as restrictive.

7.20 Consideration will be given in the proposal evaluation based upon the selection, variety, technological advances, and demonstrated quality of products submitted, technological advances, and pricing. A positive review will reflect the ability of the Proposer to communicate the value of these factors and to demonstrate how the depth and breadth of their product and service offerings provide NJPA and NJPA Members comfort and assurance understanding that the proposer accepts the sole source of

responsibility of the response to the scope of this RFP.

7.21 Consideration will also be given to proposals demonstrating technological advances, provide increased efficiencies, expanded service and other related improvements beyond today's NJPA member's needs and applicable standards.

7.22 Strong consideration will be given to a Proposer's past performance, distribution model, and the demonstration their ability to effectively market and service NJPA Membership nationally.

7.23 Strong consideration will be given to the best price as it relates to the quality of the product and service. However, price is ultimately only one of the factors taken into consideration in the evaluation and award.

7.24 The Proposer's ability to follow the proposal preparation instructions set forth in this solicitation will also be considered to be an indicator of the Proposer's ability to follow other future instructions should they receive an award as a result of this solicitation. Any Contract between NJPA and a Proposer requires the delivery of information and data. The quality of organization and writing reflected in the proposal will be considered an indication of the quality of organization and writing which would be prevalent if a Contract was awarded. As a result, the proposal will be evaluated as a sample of data submission.

7.25 Proposer's audited financial statements from previous year end (or an unaudited copy if an audited copy is not available). The Proposer's audited financial statements from previous year end (or an unaudited copy if an audited copy is not available) are requested and reviewed to get a general feel for the size, strength, and probable scope of the Proposer.

7.26 NJPA reserves the right to reject the Proposer's Response where the available evidence or information does not exhibit the ability or intent to satisfy NJPA that the Proposer is able to properly carry out the terms of this RFP and potential Contract.

7.27 NJPA shall reserve the right to reject any or all proposals. NJPA also reserves the right to reject a proposal not accompanied by required certificate of insurance, other data required by this RFP, or if a Proposer's Response is incomplete or irregular. The NJPA shall reject all proposals where there has been proven or suspicion of collusion among the Proposers.

E. COST SCORING EVALUATION

7.28 NJPA reserves the right to use this process in the event the Proposal Evaluation Committee feels it is necessary to make a final determination.

7.29 This process will be based on a point system with points being awarded for being low to high Proposer for each cost evaluation item selected. A "Market Basket" of identical (or substantially similar) equipment/products and related services may be selected by the NJPA Evaluation Committee and the unit cost will be used as a basis for determining the point value. The "Market Basket" will be selected by NJPA from all product categories as determined appropriate by NJPA. The low priced Proposer will receive the full point value and all other Proposers will receive points as follows: Lowest price Proposal = 5 (where there are five proposers), and inferior proposals = 4, 3, 2, 1 points each. The Total Score for each proposer will be the sum of all points earned. The result of this process shall not be the sole determination for award.

F. PRODUCT TESTING

7.30 NJPA reserves the right to request and test equipment/products and related services from the apparent successful Proposer. Prior to the award of the Contract, the apparent successful Proposer, if requested by NJPA, shall furnish current information and data regarding the Proposer's resources, personnel, and organization within three (3) days.

G. PAST PERFORMANCE INFORMATION

7.31 Past performance information is relevant information regarding a Proposer's actions under previously awarded contracts to schools, local, state, and governmental agencies and non-profit agencies. It includes the Proposer's record of conforming to specifications and standards of good workmanship. The Proposer's history for reasonable and cooperative behavior and commitment to member satisfaction shall be under evaluation. Ultimately, Past Performance Information can be defined as the Proposer's businesslike concern for the interests of the NJPA Member.

H. WAIVER OF FORMALITIES

7.32 NJPA reserves the right to waive any minor formalities or irregularities in any proposal and to accept proposals, which, in its discretion and according to the law, may be in the best interest of its members.

8. POST AWARD OPERATING ISSUES

A. SUBSEQUENT AGREEMENTS

8.1 Purchase Order- Purchase Orders for product/equipment and related services may be executed between NJPA or NJPA Members (Purchaser) and awarded Vendor(s) or Vendor's sub-contractors pursuant to this invitation and any resulting Contract. NJPA Members are instructed to identify on the face of such Purchase orders that "This purchase order is issued pursuant to NJPA procurement contract #XXXXXX." A Purchase Order is an offer to purchase product/equipment and related services at specified prices by NJPA or NJPA Members pursuant to a Contract resulting from this RFP. Purchase Order flow and procedure will be developed jointly between NJPA and an Awarded Vendor after an award is made.

8.2 Governing Law- Purchase Orders, as identified above, shall be construed in accordance with, and governed by, the laws of a competent jurisdiction with respect to the purchaser. Each and every provision of law and clause required by law to be included in the Purchase Order shall be read and enforced as though it were included. If through mistake or otherwise any such provision is not included, or is not currently included, then upon application of either part the Contract shall be physically amended to make such inclusion or correction. The venue for any litigation arising out of disputes related to Purchase Order(s) shall be a court of competent jurisdiction to the Purchaser.

8.3 Additional Terms and Conditions- Additional terms and conditions to a Purchase Order may be proposed by NJPA, NJPA Members, or Vendors. Acceptance of these additional terms and conditions is OPTIONAL to all parties to the Purchase Order. The purpose of these additional terms and conditions is to, among other things; formally introduce job or industry specific requirements of law such as prevailing wage legislation. Additional terms and conditions can include specific local policy requirements and standard business practices of the issuing Member. Said additional terms and conditions shall not interfere with the general purpose, intent or currently established terms and conditions contain in this RFP document.

8.4 Specialized Service Requirements- In the event service requirements or specialized performance requirements such as e-commerce specifications, specialized delivery requirements, or other specifications and requirements not addressed in the Contract resulting from this RFP, NJPA Member and Vendor may enter into a separate, standalone agreement, apart from a Contract resulting from this RFP. Any proposed service requirements or specialized performance requirements require pre-approval by Vendor. Any separate agreement developed to address these specialized service or performance requirements is exclusively between the NJPA Member and Vendor. NJPA, its agents, Members and

employees shall not be made party to any claim for breach of such agreement. Product sourcing is not considered a service. NJPA Members will need to conduct procurements for any specialized services not identified as a part or within the scope of the awarded Contract.

8.5 Performance Bond- At the request of the member, a Vendor will provide all performance bonds typically and customarily required in their industry. These bonds will be issued pursuant to the requirements of Purchase Orders for product/equipment and related services. If a purchase order is cancelled for lack of a required performance bond by the member agency, it shall be the recommendation of NJPA that the current pending Purchase Order be canceled. Each member has the final decision on Purchase Order continuation. ANY PERFORMANCE BONDING REQUIRED BY THE MEMBER OR CUSTOMER STATE LAWS OR LOCAL POLICY IS TO BE MUTUALLY AGREED UPON AND SECURED BETWEEN THE VENDOR AND THE CUSTOMER/MEMBER.

B. NJPA MEMBER SIGN-UP PROCEDURE

8.6 Awarded Vendors will be responsible for familiarizing their sales and service forces with the various forms of NJPA Membership documentation and shall encourage and assist potential Members in establishing Membership with NJPA. NJPA membership is at no cost, obligation or liability to the member or the vendor.

C. REPORTING OF SALE ACTIVITY

8.7 A report of the total gross dollar volume of all equipment/products and related services purchased by NJPA Members as it applies to this RFP and Contract will be provided quarterly to NJPA. The form and content of this reporting will be developed by NJPA in cooperation with the Vendor to include, but not limited to, name and address of purchasing agency, amount of purchase, and a description of the items purchased.

8.7.1 Zero sales reports: Awarded Vendors are responsible for providing a quarterly sales report EVERY QUARTER regardless of the existence or amount of sales.

D. AUDITS

8.8 During the Term, however no more than once per calendar year, Vendor(s) may be required to make available to NJPA at the Vendor's corporate offices (during normal business hours) the invoice reports and/or invoice documents from Vendor pertaining to all invoices sent by Vendor and all payments made by NJPA members for all equipment/products and related services purchased under the awarded Contract. NJPA must provide written notice of exercise of this requirement with no less than fourteen (14) business days' notice. NJPA may employ an independent auditor or NJPA may choose to conduct such audit on its own behalf. Vendor shall have the right to approve the independent auditor, which approval shall not be unreasonably withheld. Upon approval and after the auditor has executed an appropriate confidentiality agreement, Vendor will permit the auditor to review the relevant Vendor documents. NJPA shall be responsible for paying the auditor's fees. The parties will make every reasonable effort to fairly and equitably resolve discrepancies to the satisfaction of both parties. Vendor agrees that the NJPA may audit their records with a reasonable notice to establish total compliance and to verify prices charged hereunder of the Contract are being met. Vendor agrees to provide verifiable documentation and tracking in a timely manner.

E. HUB PARTNER

8.9 Hub Partner: Where applicable, NJPA Members may, from time to time, request to be served in some way through a "Hub Partner" for the purposes of complying with a Law, Regulation, or Rule to which that individual NJPA Member deems to be applicable in their jurisdiction. Hub Partners may bring value to the proposed transactions through consultancy, Disadvantaged Business Entity Credits, or other considerations.

8.10 Hub Partner Fees: Fees, costs, or expenses from this Hub Partner levied upon a transaction resulting from this contract, shall be payable by the NJPA Member provide that:

8.10.1 The fees, costs, or expenses levied by the Hub Vendor must be clearly itemized in the transaction; and

8.10.2 To the extent that the Vendor stands in the chain of title during a transaction resulting from this RFP, the documentation shall be documented to show it is “Executed for the Benefit of [NJPA Member Name].”

F. TRADE-INS

8.11 Where Appropriate, the value in US Dollars for Trade-ins will be negotiated between NJPA or an NJPA Member, and an Awarded Vendor. That identified “Trade-In” value shall be credited in full against the NJPA purchase price identified in a purchase order issued pursuant to any Awarded NJPA procurement contract. The full value of the trade-in will be consideration to that purchase order.

G. OUT OF STOCK NOTIFICATION

8.12 Vendor shall immediately notify NJPA members upon receipt of order(s) when an out-of-stock occurs. Vendor shall inform the NJPA member regarding the anticipated date of availability for the out-of-stock item(s), and may suggest equivalent substitute(s).

- The ordering organization shall have the option of accepting the suggested equivalent substitute, or canceling the item from the order.
- Under no circumstance is Proposer permitted to make unauthorized substitutions.
- Unfilled or substituted item(s) shall be indicated on the packing list.

H. TERMINATION OF CONTRACT RESULTING FROM THIS RFP

8.13 NJPA reserves the right to cancel the whole or any part of a resulting Contract due to failure by the Vendor to carry out any obligation, term or condition as described in the below procedure. Prior to any termination for cause, the NJPA will provide written notice to the Vendor, opportunity to respond and opportunity to cure according to the steps in the procedure in this Cancellation Section. Some examples of material breach are the following:

- The Vendor provides products/equipment or related services that does not meet reasonable quality standards and is not remedied under the warranty;
- The Vendor fails to ship the products/equipment or related services or provide the delivery and services within a reasonable amount of time;
- NJPA has reason to believe the Vendor will not or cannot perform to the requirements or expectations of the Contract and issues a request for assurance as described herein and Vendor fails to respond;
- The Vendor fails to observe any of the material terms and conditions of the Contract;
- The Vendor fails to follow the established procedure for purchase orders, invoices and/or receipt of funds as established by the NJPA and the Vendor in the Contract.
- The Vendor fails to report quarterly sales ;
- The Vendor fails to actively market this Contract within the guidelines provided in this RFP and the expectations of NJPA defined in the NJPA Contract Launch.
- In the event the contract has no measurable and defining value or benefit to NJPA or the NJPA member.

8.14 Each party shall follow the below procedure if the Contract is to be terminated for violations or

non-performance issues:

Step 1: Issue a warning letter outlining the violations and/or non-performance and state the length of time (10 days) to provide a response and correct the problem(s) if reasonably possible in such time frame.

Step 2: Issue a letter of intent to cancel Contract, if the problem(s) is not resolved within fifty (50) days.

Step 3: Issue letter to cancel Contract for cause.

8.15 Upon receipt of the written notice of concern, the Vendor shall have ten (10) business days to provide a satisfactory response to the NJPA. Failure on the part of the Vendor to reasonably address all issues of concern may result in Contract cancellation pursuant to this Section.

8.16 Any termination shall have no effect on purchases that are in progress at the time the cancellation is received by the NJPA. The NJPA reserves the right to cancel the Contract immediately for convenience, without penalty or recourse, in the event the Vendor is not responsive concerning the remedy, the performance, or the violation issue within the time frame, completely or in part.

8.17 NJPA reserves the right to cancel or suspend the use of any Contract resulting from this RFP if the Vendor files for bankruptcy protection or is acquired by an independent third party. Prior to commencing services under this Contract, the Proposer/Vendor must furnish NJPA certification from insurer(s) proving level of coverage usual and customary to the specific industry. The coverage is to be maintained in full effect during the Contract period. Vendor must be willing to provide, upon request, certification of insurance to any NJPA member or member using this Contract.

8.18 Either party may execute Contract termination without cause with a required 60-day written notice of termination. Termination of Contract shall not relieve either party of financial, product or service obligations incurred or accrued prior to termination.

8.19 NJPA may cancel any Contract resulting from this solicitation without any further obligation if any NJPA employee significantly involved in initiating, negotiating, securing, drafting or creating the Contract on behalf of the NJPA is found to be in collusion with any Proposer to this RFP for their personal gain. Such cancellation shall be effective upon written notice from the NJPA or a later date if so designated in the notice given. A terminated Contract shall not relieve either party of financial, product or service obligations due to participating member or NJPA.

8.20 Events of Automatic termination to include:

- Vendor's or NJPA's voluntary or involuntary bankruptcy or insolvency;
- Vendor's failure to remedy a material breach of a Contract resulting from this RFP within sixty (60) days of receipt of notice from NJPA specifying in reasonable detail the nature of such breach; and/or,
- Receipt of written information from any authorized agency finding activities of Vendors engaged in pursuant to a Contract resulting from this RFP to be in violation of the law.

9. GENERAL TERMS AND CONDITIONS

A. ADVERTISEMENT OF RFP

9.1 As a policy, NJPA shall advertise this solicitation 1) for two consecutive weeks in both the hard copy print and on-line editions of the MINNEAPOLIS STAR TRIBUNE, 2) it shall be placed on a national wire service and website by the MINNEAPOLIS STAR TRIBUNE, 3) it shall be posted on NJPA's website, 4) it shall be posted to the "Noticetobidders.com" website, and 5) it shall be posted to other third-party websites deemed appropriate by NJPA. Other third party advertisers may include Onvia and Bidsync.

NJPA also notifies and provides solicitation documentation to each State level procurement departments for possible re-posting of the solicitation within their systems and at their option for future use and to meet specific state requirements.

B. ADVERTISING OF A CONTRACT RESULTING FROM THIS RFP

9.2 Proposer/Vendor shall not advertise or publish information concerning this Contract prior to the award being announced by the NJPA. Once the award is made, a Vendor is expected to advertise the awarded Contract to both current and potential NJPA Members.

C. APPLICABLE LAW

9.3 NJPA Compliance with Minnesota Procurement Law: Contracts awarded through NJPA are intended to meet the procurement laws of all states and NJPA will exhaust all avenues to comply with each unique state law or requirement whenever possible. It is the responsibility of each participating NJPA member to ensure to their satisfaction that NJPA contracting process falls within these laws and applicable laws are satisfied. An individual NJPA member using these contracts is deemed by their own accord to be in compliance with their own requirements and procurement regulations.

9.4 Governing Law with respect to delivery and acceptance: All applicable portions of the Minnesota Uniform Commercial Code, all other applicable Minnesota laws, and the applicable laws and rules of delivery and inspection of the Federal Acquisition Regulations (FAR) laws shall govern NJPA contracts resulting from this solicitation.

9.5 Jurisdiction: Any claims pertaining to this RFP and any resulting Contract that develop between NJPA and any other party must be brought forth only in courts in Todd County in the State of Minnesota.

9.5.1 Purchase Orders issued pursuant to a contract resulting from this solicitation shall be construed in accordance with, and governed by, the laws of a competent jurisdiction with respect to the purchaser.

9.6 Vendor Compliance with applicable law: Vendor(s) shall comply with all federal, state, or local laws applicable to or pertaining to the transaction, acquisition, manufacturer, suppliers or the sale of the equipment/products and relating services resulting from this RFP.

9.7 Applicable Laws, whether or not herein contained, shall be included by this reference. It shall be Proposer's/Vendor's responsibility to determine the applicability and requirements of any such laws and to abide by them.

9.8 Indemnity: Each party agrees it will be responsible for its own acts and the result thereof to the extent authorized by law and shall not be responsible for the acts of the other party and the results thereof. NJPA's liability shall be governed by the provisions of the Minnesota Tort Claims Act, Minnesota Statutes, Section §3.736, and other applicable law.

9.9 Prevailing Wage: It shall be the responsibility of the Vendor to comply, when applicable, with prevailing wage legislation in effect in the jurisdiction of the purchaser (NJPA or NJPA Member). It shall be the responsibility of the Vendor to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of this Contract and adjust wage rates accordingly.

9.10 Patent and Copyright infringement: If an article sold and delivered to NJPA or NJPA Members hereunder shall be protected by any applicable patent or copyright, the Vendor agrees to indemnify and save harmless NJPA and NJPA Members against any and all suits, claims, judgments, and costs instituted or recovered against it by any person whosever on account of the use or sale of such articles by NJPA or NJPA Members in violation or right under such patent or copyright.

D. ASSIGNMENT OF CONTRACT

9.11 No right or interest in this Contract shall be assigned or transferred by the Vendor without prior written permission by the NJPA. No delegation of any duty of the Vendor shall be made without prior written permission of the NJPA. The NJPA shall notify the members within fifteen (15) days of receipt of written notice by the Vendor. After issuance the awarded Contract may be reassigned to a comparable and acceptable Vendor at the discretion of NJPA.

9.12 If the original Vendor sells or transfers all assets or the entire portion of the assets used to perform this Contract, a successor in interest must guarantee to perform all obligations under this Contract. NJPA reserves the right to reject the acquiring person or entity as a Vendor. A simple change of name agreement will not change the contractual obligations of the Vendor.

E. LIST OF PROPOSERS

9.13 NJPA will not maintain or communicate to a list of proposers. All interested proposers must respond to the solicitation as a result of NJPA solicitation advertisements indicated. Because of the wide scope of the potential Members and qualified national Vendors, NJPA has determined this to be the best method of fairly soliciting proposals.

F. CAPTIONS, HEADINGS, AND ILLUSTRATIONS

9.14 The captions, illustrations, headings, and subheadings in this solicitation are for convenience and ease of understanding and in no way define or limit the scope or intent of this request.

G. DATA PRACTICES

9.15 All proposals submitted to this invitation shall become the property of the NJPA and will become a matter of public record and available for review subsequent to the award notification subject to the limitations provided under Minnesota or Federal law. Proposals may be viewed by appointment at the NJPA offices Monday through Friday from 8:30 a.m. to 3:30 p.m.

9.16 Fees may be charged only if the requesting person asks for a copy or electronic transmittal of the data. Fees will be charged according to NJPA's standard photocopying policy unless significant time is required. In that case, the fee will include the actual cost of searching for, retrieving, and copying or electronically transmitting the data. The fee may not include time necessary to separate public from non-public data.

9.17 The responsible authority may also charge an additional fee if the copies have commercial value and are a substantial and discrete portion of a formula, compilation, program, process, or system developed with significant expenditure of public funds. This additional fee must relate to the actual development costs of the information.

H. DATA PRIVACY

9.18 Proposer agrees to abide by all applicable STATE and FEDERAL laws and regulations including, but not limited to, HIPPA requirements and the Minnesota Data Practices Act concerning the handling and disclosure of private and confidential information regarding individuals. Proposer agrees to hold NJPA harmless from NJPA's lawful disclosure and/or use of private/confidential information. If a

Proposer wishes to withhold any part of its proposal from public inspection, then a statement advising the NJPA of this fact, along with the Statutory cite supporting the Proposer's position is required.

I. ENTIRE AGREEMENT

9.19 The Contract, as defined herein, shall constitute the entire understanding between the parties to that Contract.

9.20 A Contract resulting from this RFP is formed when the NJPA Board of Directors approves and signs the applicable Contract Award Form document (see Form E).

J. FORCE MAJEURE

9.21 Except for payments of sums due, neither party shall be liable to the other nor deemed in default under this Contract if and to the extent that such party's performance of this Contract is prevented due to force majeure. The term "force majeure" means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence including, but not limited to, the following: acts of God, acts of the public enemy, war, riots, strikes, mobilization, labor disputes, civil disorders, fire, flood, snow, earthquakes, tornadoes or violent wind, tsunamis, wind shears, squalls, Chinooks, blizzards, hail storms, volcanic eruptions, meteor strikes, famine, sink holes, avalanches, lockouts, injunctions-intervention-acts, terrorist events or failures or refusals to act by government authority and/or other similar occurrences where such party is unable to prevent by exercising reasonable diligence. The force majeure shall be deemed to commence when the party declaring force majeure notifies the other party of the existence of the force majeure and shall be deemed to continue as long as the results or effects of the force majeure prevent the party from resuming performance in accordance with a Contract resulting from this RFP. Force majeure shall not include late deliveries of equipment/products and services caused by congestion at a manufacturer's plant or elsewhere, an oversold condition of the market, inefficiencies, or other similar occurrences. If either party is delayed at any time by force majeure, then the delayed party shall notify the other party of such delay within forty-eight (48) hours.

K. GRATUITIES

9.22 NJPA may cancel an awarded Contract by written notice if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by the Vendor or any agent or representative of the Vendor, to any employee of the NJPA are deemed to be excessive with a view or demonstrated intent toward securing a contract or with respect to the performance of a pending or awarded Contract.

L. HAZARDOUS SUBSTANCES

9.23 Proper and applicable Material Safety Data Sheets (MSDS) that are in full compliance with OSHA's Hazard Communication Standard, must be provided by the Vendor to NJPA or NJPA Member at the time of purchase.

M. LEGAL REMEDIES

9.24 All claims and controversies between NJPA and Vendor shall be subject to the laws of the State of Minnesota and are to be resolved in Todd County, Minnesota, the county in which NJPA is located and domiciled.

N. LICENSES

9.25 Proposer shall maintain a current status on all required federal, state, and local licenses, bonds and permits required for the operation of the business that is anticipated to be conducted with NJPA and NJPA members by the Proposer.

9.26 All responding Proposers must be licensed (where required) and have the authority to sell and distribute offered equipment/products and related services to NJPA and NJPA Members nationally. Documentation of required said licenses and authorities, if applicable, is requested to be included in the proposer's response.

O. MATERIAL SUPPLIERS AND SUB-CONTRACTORS

9.27 The awarded Vendor shall be required to supply the names and addresses of sourcing suppliers and sub-contractors as a part of the purchase order when requested by NJPA or the NJPA member.

9.28 Awarded Vendors under this RFP will be the sole source of responsibility for transactions originating that award. The Awarded Vendor is solely responsible for equipment/products and related services and products/equipment and related services provided by third-party sourcing or service providers.

P. NON-WAIVER OF RIGHTS

9.29 No failure of either party to exercise any power given to it hereunder, nor to insistence upon strict compliance by the other party with its obligations hereunder, and no custom or practice of the parties at variance with the terms hereof, nor any payment under a Contract resulting from this RFP shall constitute a waiver of either party's right to demand exact compliance with the terms hereof. Failure by NJPA to take action or assert any right hereunder shall not be deemed as waiver of such right.

Q. PROTESTS OF AWARDS MADE

9.30 Protests shall be filed with the NJPA's Executive Director and shall be resolved in accordance with appropriate Minnesota state statutes. Protests will only be accepted from Proposers. A protest must be in writing and filed with NJPA. A protest of an award or proposed award must be filed within ten (10) days after the public notice or announcement of the award. No protest shall lie for a claim that the selected Proposer is not a responsible Proposer. A protest must include:

1. The name, address and telephone number of the protester;
2. The original signature of the protester or its representative (you must document the authority of the Representative);
3. Identification of the solicitation by RFP number;
4. Identification of the statute or procedure that is alleged to have been violated;
5. A precise statement of the relevant facts;
6. Identification of the issues to be resolved;
7. The aggrieved party's argument and supporting documentation;
8. The aggrieved party's statement of potential financial damages;
9. A protest bond in the name of NJPA and in the amount of 10% of the aggrieved party's statement of potential financial damages.

R. PROVISIONS REQUIRED BY LAW

9.31 Proposer agrees in the performance of a Contract resulting from this RFP, it has complied with or will comply with all applicable statutes, laws, regulations, and orders of the United States and any State thereof.

S. RIGHT TO ASSURANCE

9.32 Whenever one party to the awarded Contract has reason to question the other party's intent to perform, he/she may demand a written assurance of this intent. In the event a demand is made and no written assurance is given, the demanding party may treat this failure as an anticipatory repudiation of the Contract provided, however, in order to be effective, any such demand shall be addressed to the authorized signer for the party from whom the assurance is being sought, and sent via U.S. Postal Service, certified mail, return receipt requested or national overnight delivery service with proof of delivery.

T. SUSPENSION OR DISBARMENT STATUS

9.33 If within the past five (5) years, any firm, business, person or Proposer responding to NJPA solicitation and submitting a proposal has been lawfully terminated, suspended or precluded from participating in any public procurement activity with a federal, state or local government or education agency the Proposer must include a letter with its response setting forth the name and address of the public procurement unit, the effective date of the suspension or debarment, the duration of the suspension or debarment and the relevant circumstances relating to the suspension or debarment. Any failure to supply such a letter or to disclose pertinent information may result in the cancellation of any Contract. By signing the proposal affidavit, the Proposer certifies that no current suspension or debarment exists.

U. HUMAN RIGHTS CERTIFICATE

9.34 If Proposer is not domiciled in Minnesota and has NOT on any single working day in the past year, employed more than 40 employees in the State of Minnesota, Proposer must provide a statement to that effect.

9.35 If Proposer is not domiciled in Minnesota and has on any single working day in the past year, employed more than 40 employees in the State of Minnesota, Proposer must document their application for a Human Rights Certificate issued by the Minnesota Commissioner of Human Rights. Proposer must also document receipt by the Minnesota Commissioner of Human Rights of that application and the Proposer's affirmative action plan for the employment of minority persons, women, and qualified disabled individuals.

9.36 If Proposer is domiciled in Minnesota and has on any single working day in the past year, employed more than 40 employees in the State of Minnesota, Proposer must provide a copy of their "Certificate of Compliance" from the Commissioner of the Minnesota Department of Human Rights.

V. SEVERABILITY

9.37 In the event that any of the terms of a Contract resulting from this RFP are in conflict with any rule, law, statutory provision or are otherwise unenforceable under the laws or regulations of any government or subdivision thereof, such terms shall be deemed stricken from an awarded Contract resulting from this RFP, but such invalidity or unenforceability shall not invalidate any of the other terms of an awarded Contract resulting from this RFP.

W. RELATIONSHIP OF PARTIES

9.38 No Contract resulting from this RFP shall be considered a contract of employment. The relationship between NJPA and an Awarded Contractor is one of independent contractors each free to exercise judgment and discretion with regard to the conduct of their respective businesses. The parties do not intend the proposed Contract to create, or is to be construed as creating a partnership, joint venture, master-servant, principal-agent, or any other relationship. Except as provided elsewhere in this RFP, neither party may be held liable for acts of omission or commission of the other party and neither party is authorized or has the power to obligate the other party by contract, agreement, warranty, representation or otherwise in any manner whatsoever except as may be expressly provided herein.

PROPOSER'S AFFIDAVIT

The undersigned, representing the persons, firms and corporations joining in the submission of the foregoing proposal (such persons, firms and corporations hereinafter being referred to as the "Proposer"), being duly sworn on his/her oath, states to the best of his/her belief and knowledge:

1. The undersigned certifies the Proposer is submitting their proposal under their true and correct name, the Proposer has been properly originated and legally exists in good standing in its state of residence, that the Proposer possesses, or will possess prior to the delivery of any product/equipment and related services, all applicable licenses necessary for such delivery to NJPA members agencies nationally, and that they are authorized to act on behalf of, and encumber the "Proposer" in this Contract, and
2. To the best of my knowledge, no Proposer or Potential Proposer, nor any person duly representing the same, has directly or indirectly entered into any agreement or arrangement with any other Proposers, Potential Proposers, any official or employee of the NJPA, or any person, firm or corporation under contract with the NJPA in an effort to influence either the offering or non-offering of certain prices, terms, and conditions relating to this RFP which tends to, or does, lessen or destroy free competition in the letting of the Contract sought for by this RFP, and
3. The Proposer or any person on his/her behalf, has not agreed, connived or colluded to produce a deceptive show of competition in the manner of the proposal or award of the referenced contract, and
4. Neither I, the Proposer, nor, any officer, director, partner, member or associate of the Proposer, nor any of its employees directly involved in obtaining contracts with the NJPA or any subdivision of the NJPA, has been convicted of false pretenses, attempted false pretenses or conspiracy to commit false pretenses, bribery, attempted bribery or conspiracy to bribe under the laws of any state or federal government for acts or omissions after January 1, 1985, and
5. The Proposer has examined and understands the terms, conditions, scope, contract opportunity, specifications request and other documents of this solicitation and that any and all exceptions have been noted in writing and have been included with the proposal submittal, and
6. If awarded a contract, the Proposer will provide the equipment/products and services and/or services to qualifying members of the NJPA in accordance with the terms, conditions, scope of this RFP, Proposer offered specifications and other documents of this solicitation, and
7. The undersigned, being familiar with and understand the expectations requested and outlined in this RFP under consideration, hereby proposes to deliver through valid requests, Purchase Orders or other acceptable forms ordering and procurement by NJPA Members. Unless otherwise indicated, requested and agreed to on a valid purchase order per this RFP, only new, unused and first quality equipment/products and related services are to be transacted with NJPA Members relating to an awarded contract, and
8. The Proposer has carefully checked the accuracy of all proposed products/equipment and related services and listed total price per unit of purchase in this proposal to include shipping and delivery considerations. In addition, the Proposer accepts all general terms and conditions of this RFP, including all responsibilities of commitment as outlined and proposed, and
9. In submitting this proposal, it is understood that the right is reserved by the NJPA to reject any or all proposals and it is agreed by all parties that this proposal may not be withdrawn during a period of 90 days from the date proposals were opened regarding this RFP, and
10. The Proposer certifies that in performing this Contract they will comply with all applicable provisions of the

federal, state, and local laws, regulations, rules, and orders, and

11. If Proposer has more than 40 employees in the state in which their principal place of business is located, Proposer hereby certifies their compliance with federal affirmative action requirements.

FORM H**State Of Minnesota – Affirmative Action Certification**

If your response to this solicitation is or could be in excess of \$100,000, complete the information requested below to determine whether you are subject to the Minnesota Human Rights Act (Minnesota Statutes 363A.36) certification requirement, and to provide documentation of compliance if necessary. It is your sole responsibility to provide this information and—if required—to apply for Human Rights certification prior to the due date and time of the proposal or proposal and to obtain Human Rights certification prior to the execution of the contract. The State of Minnesota is under no obligation to delay proceeding with a contract until a company receives Human Rights certification **BOX A** – For companies which have employed more than 40 full-time employees within Minnesota on any single working day during the previous 12 months. All other companies proceed to **BOX B**.

Your response will be rejected unless your business:

has a current Certificate of Compliance issued by the Minnesota Department of Human Rights (MDHR)

–or–

has submitted an affirmative action plan to the MDHR, which the Department received prior to the date and time the responses are due.

Check one of the following statements if you have employed more than 40 full-time employees in Minnesota on any single working day during the previous 12 months:

- ☐ We have a current Certificate of Compliance issued by the MDHR. **Proceed to BOX C. Include a copy of your certificate with your response.**
- ☐ We do not have a current Certificate of Compliance. However, we submitted an Affirmative Action Plan to the MDHR for approval, which the Department received on _____ (date). [If the date is the same as the response due date, indicate the time your plan was received: _____ (time). **Proceed to BOX C.**
- ☐ We do not have a Certificate of Compliance, nor has the MDHR received an Affirmative Action Plan from our company. **We acknowledge that our response will be rejected. Proceed to BOX C. Contact the Minnesota Department of Human Rights for assistance.** (See below for contact information.)

Please note: Certificates of Compliance must be issued by the Minnesota Department of Human Rights. Affirmative Action Plans approved by the Federal government, a county, or a municipality must still be received, reviewed, and approved by the Minnesota Department of Human Rights before a certificate can be issued.

BOX B – For those companies not described in BOX A

Check below.

- ☐ We have not employed more than 40 full-time employees on any single working day in Minnesota within the previous 12 months. **Proceed to BOX C.**

BOX C – For all companies

By signing this statement, you certify that the information provided is accurate and that you are authorized to sign on behalf of the responder. You also certify that you are in compliance with federal affirmative action requirements that may apply to your company. (These requirements are generally triggered only by participating as a prime or subcontractor on federal projects or contracts. Contractors are alerted to these requirements by the federal government.)

Question: Does this information become public if submitted with the bid? I ask this because we are a private owned company and do not publish this information. We would be willing to provide a statement as long as it is not shared with the public.

Answer: All materials submitted in response to this RFP will become property of the NJPA and will become public record in accordance with Minnesota Statutes, section 13.591, after the evaluation process is completed. If the Responder submits information in response to this RFP that it believes to be trade secret materials, as defined by the Minnesota Government Data Practices Act, Minnesota Statute § 13.37, the Responder must:

- clearly mark all trade secret materials in its response at the time the response is submitted,
- include a statement with its response justifying the trade secret designation for each item, and
- defend any action seeking release of the materials it believes to be trade secret, and indemnify and hold harmless the NJPA, its agents and employees, from any judgments or damages awarded against the NJPA in favor of the party requesting the materials, and any and all costs connected with that defense.

This indemnification survives the NJPA's award of a contract. In submitting a response to this RFP, the Responder agrees that this indemnification survives as long as the trade secret materials are in possession of the NJPA.

We suggest you send two separate responses, the first titled "Solicitation Response", and the second titled "Public Records Response" where the latter has all "Trade Secret" information redacted. You must also include citing the appropriate laws enabling each redaction you have claimed.

A delivery order is required for the release of items / services from the referenced Master Agreement. If a solicitation number is referenced then the terms and conditions of said solicitation become part of the Master Agreement. Deviation from prices stated is not permitted without a signed corrected Change Order.

If vendor terms and conditions conflict with Count of Volusia Terms and Conditions, the County's Terms and Conditions prevail. See reverse side for terms and conditions.

Purchase Order (PO) or Master Agreement (MA) Terms and Conditions

Providing any good or service constitutes acceptance of this entire PO or MA without exception. In the event this document is issued based on a solicitation or quote, the terms and conditions of the solicitation or quote prevail.

Delivery. Title and risk of loss shall pass when items have been received, inspected, and accepted by County of Volusia ("County"). All associated shipping, insurance, and other related costs shall be borne by Provider.

Discontinued. Provider shall give County 30 (thirty) days advance notice of a discontinued item(s) so that County can purchase additional quantities of discontinued item(s). County must give written approval of replacement(s) if they exceed previous price or fail to meet quality, form, fit, or function of the discontinued item. Time is of the essence regarding Performance of Services and this PO or MA can be terminated by the County for convenience, non-appropriation of funds, or non-performance.

Disputes. If such dispute arises under this PO or MA and is not resolved informally by the parties within five (5) business days, the party bringing a claim ("Disputing Party") shall deliver to the first level representative of the other party a written statement ("Dispute Notice") describing the dispute. If the respective representatives cannot resolve the dispute within ten (10) days, the dispute shall be escalated through two higher levels of management. If the dispute has not been resolved within 25 (twenty-five) calendar days after delivery of the Disputing Party's notice, either party may give written notice to the other party declaring the resolution process terminated and pursue other legal recourse or initiate formal non-binding mediation before a single mediator, which shall be completed within 30 (thirty) days of initiation, in accordance with rules of practice and procedure adopted by the Supreme Court of Florida for court-ordered mediation, Rule 1.700, et seq., of the Florida Rules of Civil Procedure, and Chapter 44, Florida Statutes. If the dispute remains unresolved after conducting such mediation, then either party may proceed to finalize such termination remedies and commence litigation in a court of competent jurisdiction.

Governing Law/Jurisdiction/Venue. This PO or MA shall be governed by the laws of the State of Florida and venue for any litigation arising from this PO or MA shall be in the County of Volusia, Florida, and any trial shall be non-jury. Provider shall comply with all applicable laws and regulations.

Insurance. For goods and services delivered or performed by Provider on County premises, Provider certifies it maintains comprehensive general liability insurance and auto insurance in the amounts identified in the solicitation and/or contract and any amendments thereto pertaining to this PO or MA, or from an A.M. Best "A -" or better rated insurance firm authorized by the State of Florida Insurance Commissioner. The County reserves the right to require the "County of Volusia" be named as additional insured for projects when deemed necessary. For services performed off County premises and goods delivered by third party carriers, the Provider shall use such carriers that maintain such insurance coverage as set forth above.

Intellectual Property. Provider agrees to protect, defend, indemnify, and save the County, its agents, officials, including elected officials, and employees of the County harmless from and against any and all claims, demands, actions, and causes of action which may arise asserting that a copyright, trademark, trade secret, or patent ("Intellectual Property"), as provided under this PO or MA, infringes or misappropriates any third party's Intellectual Property. If Provider must pay a third party any license, royalty, or other such usage fee in order to deliver the item(s) under this PO or MA, such third party and usage fee must be specified in the Provider's offer to sell to the County.

Indemnification. The Provider shall indemnify, defend, and hold harmless the County and its agents, officers, and employees, from and against all claims, damages, losses, and expenses, including, but not limited to, attorney's fees arising out of or resulting from the provision of goods and/ or services pursuant to the Agreement and/ or this PO or MA, provided that the claim, damage, loss, and expense is caused in whole or in part by any negligent act or omission of the Provider, or anyone directly or indirectly employed by Provider or anyone for whose acts the Provider may be liable hereunder, except the Provider will not be required to indemnify and hold the County harmless if such claim, damage, loss, and expense is the result of the negligence of the County or of anyone directly or indirectly employed by the County or anyone for whose acts the County may be liable.

Modification & Assignment. County may unilaterally change, at no additional cost, the quantity and receiving point within the County for items not yet shipped. All other items must be mutually agreed upon in writing. County is not required to pay for defective items, back-orders, late deliveries, those quantities exceeding the PO or MA quantity, or items shipped at a higher price than stated on the PO or MA. Neither this PO or MA nor any interest herein shall be assigned, transferred, or encumbered by Provider except as authorized in writing by the County.

Notices. All notices given by one party to the other party under this PO or MA shall be delivered to the receiving party's address set forth on this PO either by hand, qualified courier, or e-mail and shall be deemed received the day after it is transmitted. For the County, it shall be addressed to the Purchasing and Contracts Department, 123 West Indiana Avenue, 3rd Floor, DeLand, Florida, 32720 or purchasing@volusia.org.

No Waiver. Except as expressly set forth herein, no failure or delay on the part of County in exercising any right, power, or remedy hereunder shall operate as or be deemed a waiver thereof, nor shall any single or partial exercise of any right, power, or remedy preclude any other or further exercise thereof, or the exercise of any other right, power, or remedy.

Order of Precedence. In the event of conflict between this PO or a Price Agreement (PA), the originating Volusia County contract and amendments thereto shall be controlling. This control shall pertain to all specifications and scopes of work included in the originating Volusia County contract and any amendments thereto.

Payment. Except for construction services, which shall be paid pursuant to the Florida Prompt Payment Act, County shall pay Provider within 45 (forty-five) days after receipt of an accurate and undisputed invoice, unless the County accepts a prompt payment discount from Provider and the goods or services are not defective. Invoice, packing slip, delivery receipt, order acknowledgement, and correspondence shall clearly indicate the PO or MA number. Any additional or different terms and conditions on Provider's documents shall be considered null and void. The County may deduct amounts it is due from Provider's payment or not pay disputed invoices until such dispute is resolved. Nothing in this PO or MA shall create any obligation on the part of the County to pay directly to any subcontractor of Provider any monies due to such subcontractor or claims of such subcontractor for amounts owed by Provider to subcontractor for goods or services provided under this PO or MA.

Sovereign Immunity. The County expressly retains all rights, benefits and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Notwithstanding anything set forth in any section of the Agreement, Master Agreement, and/ or this Purchase Order to the contrary, nothing in any such documents shall be deemed as a waiver of immunity or the limitations of liability of the County beyond any statutory limited waiver of immunity or limits of liability which may have been or may be adopted by the Florida Legislature, and the cap on the amount and liability of the County for damages regardless of the number or nature of claims in tort, equity, or contract shall not exceed the dollar amount set by the legislature for tort. Nothing in the Agreement, Master Agreement, or this Purchase Order shall inure to the benefit of any third party for the purpose of allowing any claim against the County, which would otherwise be barred under the doctrine of sovereign immunity or by operation of law.

Taxes. County is exempt from Manufacturers' Federal Excise Tax (Exemption# 49-6000-885) and Florida sales tax (Exemption# 85-8012622393C-9). Certificates are available at www.volusia.org/purchasing. After accessing the foregoing website, select, "Doing Business with Volusia County" and "Consumer Certificate of Tax Exemption" from the available menu screens to see a copy of the certificates.

UCC. In addition to any rights or remedies contained in this P.O., each party shall have rights, duties, and remedies available through the Uniform Commercial Code (UCC).

Warranty. Provider warrants that all Work or Services performed under this PO or MA shall be performed in a good and competent workmanlike manner to the satisfaction of the County, and materials shall be of good quality (unless otherwise stated on PO or MA), and free from defects and pursuant to specifications and requirements of the contract related to this PO or MA. Provider warrants merchantability of all goods or services and that they are fit for the ordinary purposes they are intended to serve.

A delivery order is required for the release of items / services from the referenced Master Agreement. If a solicitation number is referenced then the terms and conditions of said solicitation become part of the Master Agreement. Deviation from prices stated is not permitted without a signed corrected Change Order.

If vendor terms and conditions conflict with Count of Volusia Terms and Conditions, the County's Terms and Conditions prevail. See reverse side for terms and conditions.

Purchase Order (PO) or Master Agreement (MA) Terms and Conditions

Providing any good or service constitutes acceptance of this entire PO or MA without exception. In the event this document is issued based on a solicitation or quote, the terms and conditions of the solicitation or quote prevail.

Delivery. Title and risk of loss shall pass when items have been received, inspected, and accepted by County of Volusia ("County"). All associated shipping, insurance, and other related costs shall be borne by Provider.

Discontinued. Provider shall give County 30 (thirty) days advance notice of a discontinued item(s) so that County can purchase additional quantities of discontinued item(s). County must give written approval of replacement(s) if they exceed previous price or fail to meet quality, form, fit, or function of the discontinued item. Time is of the essence regarding Performance of Services and this PO or MA can be terminated by the County for convenience, non-appropriation of funds, or non-performance.

Disputes. If such dispute arises under this PO or MA and is not resolved informally by the parties within five (5) business days, the party bringing a claim ("Disputing Party") shall deliver to the first level representative of the other party a written statement ("Dispute Notice") describing the dispute. If the respective representatives cannot resolve the dispute within ten (10) days, the dispute shall be escalated through two higher levels of management. If the dispute has not been resolved within 25 (twenty-five) calendar days after delivery of the Disputing Party's notice, either party may give written notice to the other party declaring the resolution process terminated and pursue other legal recourse or initiate formal non-binding mediation before a single mediator, which shall be completed within 30 (thirty) days of initiation, in accordance with rules of practice and procedure adopted by the Supreme Court of Florida for court-ordered mediation, Rule 1.700, et seq., of the Florida Rules of Civil Procedure, and Chapter 44, Florida Statutes. If the dispute remains unresolved after conducting such mediation, then either party may proceed to finalize such termination remedies and commence litigation in a court of competent jurisdiction.

Governing Law/Jurisdiction/Venue. This PO or MA shall be governed by the laws of the State of Florida and venue for any litigation arising from this PO or MA shall be in the County of Volusia, Florida, and any trial shall be non-jury. Provider shall comply with all applicable laws and regulations.

Insurance. For goods and services delivered or performed by Provider on County premises, Provider certifies it maintains comprehensive general liability insurance and auto insurance in the amounts identified in the solicitation and/or contract and any amendments thereto pertaining to this PO or MA, or from an A.M. Best "A -" or better rated insurance firm authorized by the State of Florida Insurance Commissioner. The County reserves the right to require the "County of Volusia" be named as additional insured for projects when deemed necessary. For services performed off County premises and goods delivered by third party carriers, the Provider shall use such carriers that maintain such insurance coverage as set forth above.

Intellectual Property. Provider agrees to protect, defend, indemnify, and save the County, its agents, officials, including elected officials, and employees of the County harmless from and against any and all claims, demands, actions, and causes of action which may arise asserting that a copyright, trademark, trade secret, or patent ("Intellectual Property"), as provided under this PO or MA, infringes or misappropriates any third party's Intellectual Property. If Provider must pay a third party any license, royalty, or other such usage fee in order to deliver the item(s) under this PO or MA, such third party and usage fee must be specified in the Provider's offer to sell to the County.

Indemnification. The Provider shall indemnify, defend, and hold harmless the County and its agents, officers, and employees, from and against all claims, damages, losses, and expenses, including, but not limited to, attorney's fees arising out of or resulting from the provision of goods and/ or services pursuant to the Agreement and/ or this PO or MA, provided that the claim, damage, loss, and expense is caused in whole or in part by any negligent act or omission of the Provider, or anyone directly or indirectly employed by Provider or anyone for whose acts the Provider may be liable hereunder, except the Provider will not be required to indemnify and hold the County harmless if such claim, damage, loss, and expense is the result of the negligence of the County or of anyone directly or indirectly employed by the County or anyone for whose acts the County may be liable.

Modification & Assignment. County may unilaterally change, at no additional cost, the quantity and receiving point within the County for items not yet shipped. All other items must be mutually agreed upon in writing. County is not required to pay for defective items, back-orders, late deliveries, those quantities exceeding the PO or MA quantity, or items shipped at a higher price than stated on the PO or MA. Neither this PO or MA nor any interest herein shall be assigned, transferred, or encumbered by Provider except as authorized in writing by the County.

Notices. All notices given by one party to the other party under this PO or MA shall be delivered to the receiving party's address set forth on this PO either by hand, qualified courier, or e-mail and shall be deemed received the day after it is transmitted. For the County, it shall be addressed to the Purchasing and Contracts Department, 123 West Indiana Avenue, 3rd Floor, DeLand, Florida, 32720 or purchasing@volusia.org.

No Waiver. Except as expressly set forth herein, no failure or delay on the part of County in exercising any right, power, or remedy hereunder shall operate as or be deemed a waiver thereof, nor shall any single or partial exercise of any right, power, or remedy preclude any other or further exercise thereof, or the exercise of any other right, power, or remedy.

Order of Precedence. In the event of conflict between this PO or a Price Agreement (PA), the originating Volusia County contract and amendments thereto shall be controlling. This control shall pertain to all specifications and scopes of work included in the originating Volusia County contract and any amendments thereto.

Payment. Except for construction services, which shall be paid pursuant to the Florida Prompt Payment Act, County shall pay Provider within 45 (forty-five) days after receipt of an accurate and undisputed invoice, unless the County accepts a prompt payment discount from Provider and the goods or services are not defective. Invoice, packing slip, delivery receipt, order acknowledgement, and correspondence shall clearly indicate the PO or MA number. Any additional or different terms and conditions on Provider's documents shall be considered null and void. The County may deduct amounts it is due from Provider's payment or not pay disputed invoices until such dispute is resolved. Nothing in this PO or MA shall create any obligation on the part of the County to pay directly to any subcontractor of Provider any monies due to such subcontractor or claims of such subcontractor for amounts owed by Provider to subcontractor for goods or services provided under this PO or MA.

Sovereign Immunity. The County expressly retains all rights, benefits and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Notwithstanding anything set forth in any section of the Agreement, Master Agreement, and/ or this Purchase Order to the contrary, nothing in any such documents shall be deemed as a waiver of immunity or the limitations of liability of the County beyond any statutory limited waiver of immunity or limits of liability which may have been or may be adopted by the Florida Legislature, and the cap on the amount and liability of the County for damages regardless of the number or nature of claims in tort, equity, or contract shall not exceed the dollar amount set by the legislature for tort. Nothing in the Agreement, Master Agreement, or this Purchase Order shall inure to the benefit of any third party for the purpose of allowing any claim against the County, which would otherwise be barred under the doctrine of sovereign immunity or by operation of law.

Taxes. County is exempt from Manufacturers' Federal Excise Tax (Exemption# 49-6000-885) and Florida sales tax (Exemption# 85-8012622393C-9). Certificates are available at www.volusia.org/purchasing. After accessing the foregoing website, select, "Doing Business with Volusia County" and "Consumer Certificate of Tax Exemption" from the available menu screens to see a copy of the certificates.

UCC. In addition to any rights or remedies contained in this P.O., each party shall have rights, duties, and remedies available through the Uniform Commercial Code (UCC).

Warranty. Provider warrants that all Work or Services performed under this PO or MA shall be performed in a good and competent workmanlike manner to the satisfaction of the County, and materials shall be of good quality (unless otherwise stated on PO or MA), and free from defects and pursuant to specifications and requirements of the contract related to this PO or MA. Provider warrants merchantability of all goods or services and that they are fit for the ordinary purposes they are intended to serve.

**STATE OF FLORIDA
DEPARTMENT OF MANAGEMENT SERVICES
MOTOR VEHICLES**

THIS CONTRACT is entered into between the State of Florida, **DEPARTMENT OF MANAGEMENT SERVICES**, hereinafter referred to as the "Department", whose address is 4050 Esplanade Way, Tallahassee, Florida 32399, and _____, hereinafter referred to as the "Contractor", whose address is _____, _____, _____.

THE PARTIES HEREBY AGREE:

A. The solicitation (ITB NO. 01-25100000-C) and the Contractor's bid, and attachments are hereby incorporated by reference.

B. General Provisions:

1. Contract Formation: The Contractor shall provide goods and services according to the terms and conditions set forth in this Contract, the Solicitation, and all other attachments named herein which are attached hereto and incorporated by reference.
 2. Vendor: To perform as an independent vendor and not as an agent, representative, or employee of the Department.
 3. Taxes: To recognize that the State of Florida, by virtue of its sovereignty, is not required to pay any taxes on the services or goods purchased under the terms of this Contract.
 4. Applicable Law, Severability, and Venue: The contract resulting from this solicitation shall be delivered in the State of Florida and shall be construed in accordance with the laws of Florida. Wherever possible, each provision of the resulting contract shall be interpreted in such a manner as to be effective and valid under applicable law, but if any provision shall be found ineffective, then to the extent of such prohibition or invalidity, that provision shall be severed without invalidating the remainder of such provision or the remaining provisions of the resulting contract. Any action hereon or in connection herewith shall be brought in Circuit Court, Leon County, Florida.
 5. Contract Term: This Contract shall begin upon execution by both parties or **November 17, 2015**, (whichever is later) and end **November 16, 2017**, inclusive.
 6. Renewal: Upon mutual agreement, the Department and the Contractor may renew the Contract, in whole or in part, for a period that may not exceed 3 years or the term of the contract, whichever period is longer. Any renewal shall specify the renewal price, as set forth in the bid, response, reply, or best and final offer. The renewal must be in writing and signed by both parties, and is contingent upon satisfactory performance evaluations and subject to availability of funds.
 7. Contract Amount: The agreed Contract amount is set forth in **Attachments D.1-D.6, Price Sheets**. The State of Florida's performance and obligation to pay under this Contract is contingent upon an annual appropriation by the Legislature.
 8. Notices: All notices required under the Contract shall be delivered by certified mail, return receipt requested, by reputable air courier service, or by personal delivery to the Department designee identified in the original solicitation or Contract, or as otherwise identified by the Department. Notices to the Contractor shall be delivered to the person
-

who signs the Contract. Either designated recipient may notify the other, in writing, if someone else is designated to receive notice.

9. **Diversity Reporting:** The State of Florida is committed to supporting its diverse business industry and population through ensuring participation by minority, women, and veteran business enterprises in the economic life of the State. The Department of Management Services encourages supplier diversity through certification of business enterprises, advocacy and outreach and Business Match Maker events. For additional information, please contact the Office of Supplier Diversity at (850) 487-0915 or osdhelp@dms.myflorida.com. Upon request, the Contractor shall report to the Department, spend with certified and other minority business enterprises. These reports will include the period covered, the name, minority code and Federal Employer Identification Number of each minority Vendor utilized during the period, commodities and services provided by the minority business enterprise, and the amount paid to each minority Vendor on behalf of each purchasing agency ordering under the terms of this Contract.

C. Applicable Laws and Regulations:

The Contractor shall comply with all laws, rules, codes, ordinances, and licensing requirements that are applicable to the conduct of its business, including those of Federal, State, and local agencies having jurisdiction and authority. For example, chapter 287, Florida Statutes (F.S.), and rule 60A, Florida Administrative Code (F.A.C.), govern the Contract. The Contractor shall comply with Section 274 A of the Immigration and Nationality Act, the Americans with Disabilities Act, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran's status. Violation of any laws, rules, codes, ordinances, or licensing requirements shall be grounds for Contract termination or nonrenewal of the Contract.

D. Audits/Monitoring:

1. The Department may conduct, or have conducted, performance and/or compliance reviews, reviews of specific records or other data as determined by the Department. The Department may conduct a review of a sample for analyses performed by the selected Contractor to verify the quality. Reasonable notice shall be provided for reviews conducted at the successful Contractor's place of business.
2. Reviews may include, but shall not be limited to, reviews of procedures, computer systems, Customer records, accounting records, and internal quality control reviews. The selected Contractor shall work with any reviewing entity selected by the Department.

E. Inspection of Records and Work Performed:

1. The state and its authorized representatives shall, at all reasonable times, have the right to enter the selected Contractor's premises, or other places where duties under the resulting contract are performed. All inspections and evaluations shall be performed in such a manner as not to unduly delay work.
2. The selected Contractor shall retain all financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to performance under the resulting contract for a period of five (5) years after termination of

the resulting contract, or if an audit has been initiated and audit findings have not been resolved at the end of five (5) years, the records shall be retained until resolution of the audit findings. If records need to be sent to the Department, the Contractor shall bear the expense of delivery.

3. Refusal by the selected vendor to allow access to all records, documents, papers, letters, other materials or on-site activities related to resulting contract performance shall constitute a breach of the contract. The right of the state and its authorized representatives to perform inspections shall continue for as long as the selected vendor is required to maintain records. The selected Contractor will be responsible for all storage fees associated with the records maintained under the resulting contract. The selected Contractor is also responsible for the shredding of records that meet the retention schedule noted above.
4. Failure to retain records as required may result in cancellation of the contract. The Department shall give the selected vendor advance notice of cancellation pursuant to this provision and shall pay the selected vendor only those amounts that are earned prior to the date of cancellation in accordance with the terms and conditions of the resulting contract. Performance by the Department of any of its obligations under a contract awarded pursuant to this solicitation shall be subject to the selected vendor's compliance with this provision.
5. Pursuant to section 255.055(5), Florida Statutes, contractor and any subcontractors understand and will comply with their duty to cooperate with the inspector general in any investigation, audit, inspection, review, or hearing.

F. Indemnification:

1. The Contractor shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless the State, the Department, and Customers, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Contractor, its agents, employees, partners, or subcontractors, provided, however, that the Contractor shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the State, the Department, or a Customer.
2. Further, the Contractor shall fully indemnify, defend, and hold harmless the State, the Department, and Customers from any suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to violation or infringement of a trademark, copyright, patent, trade secret or intellectual property right, provided, however, that the foregoing obligation shall not apply to a Customer's misuse or modification of Contractor's products or a Customer's operation or use of Contractor's products in a manner not contemplated by the Contract or the purchase order. If any product is the subject of an infringement suit or in the Contractor's opinion is likely to become the subject of such a suit, the Contractor may at its sole expense procure for the

Department and Customer the right to continue using the product or to modify it to become non-infringing. If the Contractor is not reasonably able to modify or otherwise secure the Customer and Department the right to continue using the product, the Contractor shall remove the product and refund the Customer and Department the amounts paid in excess of a reasonable rental for past use. The Department and Customer shall not be liable for any royalties.

3. The Contractor's obligations under the preceding two paragraphs with respect to any legal action are contingent upon the Department or State or Customer giving the Contractor: (1) written notice of any action or threatened action; (2) the opportunity to take over and settle or defend any such action at Contractor's sole expense; and (3) assistance in defending the action at Contractor's sole expense. The Contractor shall not be liable for any cost, expense, or compromise incurred or made by the Department or State or Customer in any legal action without the Contractor's prior written consent, which shall not be unreasonably withheld.

G. Risk of Loss:

Matters of inspection and acceptance are addressed in s. 215.422, F.S. Until acceptance, risk of loss or damage shall remain with the Contractor. The Contractor shall be responsible for filing, processing, and collecting all damage claims. To assist the Contractor with damage claims, the Customer shall: record any evidence of visible damage on all copies of the delivering carrier's Bill of Lading; report damages to the carrier and the Contractor; and provide the Contractor with a copy of the carrier's Bill of Lading and damage inspection report. When a Customer or the Department reject a product or services, Contractor shall remove the product from the premises within ten days after notification or rejection and the risk of loss shall remain with the Contractor. Product not removed by the Contractor within ten days shall be deemed abandoned by the Contractor, and the Customer or the Department shall have the right to dispose of it as its own property. Contractor shall reimburse the Customer or the Department for costs and expenses incurred in storing or effecting removal or disposition of rejected product.

H. Assignments:

1. Assignment: The Contractor shall not sell, assign or transfer any of its rights, duties or obligations under the Contract, or under any purchase order issued pursuant to the Contract, without the prior written consent of the Department. In the event of any assignment, the Contractor remains secondarily liable for performance of the Contract, unless the Department expressly waives such secondary liability. The Department may assign the Contract with prior written notice to Contractor of its intent to do so.
2. Subcontractors: The Contractor shall not subcontract any work under the Contract without the prior written consent of the Department. The Contractor is fully responsible for satisfactory completion of all subcontracted work. The Department supports diversity in its Procurement Program and requests that all subcontracting opportunities afforded by this contract enthusiastically embrace diversity. The award of subcontracts should reflect the full diversity of the citizens of the State of Florida. Contractor can contact the Office of

Supplier Diversity at (850)487-0915 for information on minority vendors who may be considered for subcontracting opportunities.

I. Return of Funds:

Contractor will return to the Department any overpayments due to unearned funds or funds disallowed pursuant to the terms of this Contract that were disbursed to the Contractor by the Department or Customer. The Contractor shall return any overpayment to the Department within forty (40) calendar days after either discovery by the Contractor its independent auditor, or notification by the Department, of the overpayment.

J. State Project Plan:

Within thirty (30) calendar days following award of the Contract, the successful Contractor shall submit a plan addressing each of the three (3) objectives listed below, to the extent applicable to the services covered by this Contract. **The State reserves the right to negotiate mutually acceptable changes in regard to the below objectives, prior to execution of the resulting contract.**

1. Environmental Considerations: The State supports and encourages initiatives to protect and preserve our environment. The respondent shall submit a plan to support the procurement of products and materials with recycled content, and the intent of s. 287.045, F.S. The Contractor shall also provide a plan for reducing and/or handling of any hazardous waste generated by the Contractor's company. Reference Rule 62-730.160, F.A.C. It is a requirement of the Florida Department of Environmental Protection that a generator of hazardous waste materials that exceeds a certain threshold must have a valid and current Hazardous Waste Generator Identification Number. This identification number shall be submitted as part of the Contractor's explanation of its company's hazardous waste plan and shall explain in detail its handling and disposal of waste.
2. Products Available from the Blind or Other Handicapped (RESPECT): The State supports and encourages the gainful employment of citizens with disabilities. It is expressly understood and agreed that any articles that are the subject of, or required to carry out, the resulting contract shall be purchased from a nonprofit agency for the blind or for the severely handicapped that is qualified pursuant to Chapter 413, Florida Statutes, in the same manner and under the same procedures set forth in Section 413.036(1) and (2), Florida Statutes; and for purposes of this contract the person, firm or other business entity carrying out the provisions of this contract shall be deemed to be substituted for the state agency insofar as dealings with such qualified nonprofit agency are concerned. Additional information about the designated nonprofit agency and the products it offers is available at <http://www.respectofflorida.org>.
3. Prison Rehabilitative Industries and Diversified Enterprises, Inc. (PRIDE): The State supports and encourages the use of Florida Correctional work programs. It is expressly understood and agreed that any articles which are the subject of, or required to carry out, the resulting

contract shall be purchased from the corporation identified under Chapter 946, Florida Statutes, in the same manner and under the same procedures set forth in s. 946.515(2) and (4), F.S.; and for purposes of this contract the person, firm or other business entity carrying out the provisions of this contract shall be deemed to be substituted for this agency insofar as dealings with such corporation are concerned. Additional information about PRIDE and the products it offers is available at <http://www.pride-enterprises.org/>.

K. Civil Rights Requirements/Vendor Assurance:

The Contractor assures that it will comply with:

1. Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000d et seq., which prohibits discrimination on the basis of race, color, or national origin.
2. Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. 794, which prohibits discrimination on the basis of handicap.
3. Title IX of the Education Amendments of 1972, as amended, 20 U.S.C. 1681 et seq., which prohibits discrimination on the basis of sex.
4. The Age Discrimination Act of 1975, as amended, 42 U.S.C. 6101 et seq., which prohibits discrimination on the basis of age.
5. Section 654 of the Omnibus Budget Reconciliation Act of 1981, as amended, 42 U.S.C. 9849, which prohibits discrimination on the basis of race, creed, color, national origin, sex, handicap, political affiliation or beliefs.
6. The Americans with Disabilities Act of 1990, P.L. 101-336, which prohibits discrimination on the basis of disability and requires reasonable accommodation for persons with disabilities.
7. All regulations, guidelines, and standards as are now or may be lawfully adopted under the above statutes.

The Contractor agrees that compliance with this assurance constitutes a condition of continued receipt of or benefit from funds provided through this Contract, and that it is binding upon the Contractor, its successors, transferees, and assignees for the period during which services are provided. The Contractor further assures that all contractors, subcontractors, sub grantees, or others with whom it arranges to provide services or benefits to participants or employees in connection with any of its programs and activities are not discriminating against those participants or employees in violation of the above statutes, regulations, guidelines, and standards.

L. Media:

1. Advertising: Subject to chapter 119, Florida Statutes, the Contractor shall not publicly disseminate any information concerning the Contract without prior written approval from the Department, including, but not limited to mentioning the Contract in a press release or other promotional material, identifying the Customer, the Department or the State as a reference, or

otherwise linking the Contractor's name and either a description of the Contract or the name of the State or the Department or the Customer in any material published, either in print or electronically, to any entity that is not a party to Contract, except potential or actual authorized distributors, dealers, resellers, or service representative.

2. Literature: Upon request, the Contractor shall furnish literature reasonably related to the product offered, for example, user manuals, price schedules, catalogs, descriptive brochures, etc.

M. Employment:

1. Florida Substitute Form W-9 Process: State of Florida vendors must register and complete an electronic Substitute Form W-9. The Internal Revenue Service (IRS) receives and validates the information vendors provide on the Form W-9. For instructions on how to complete the Florida Substitute Form W-9, please visit:
<http://www.myfloridacfo.com/Division/AA/StateAgencies/W-9Instructions022212.pdf>
2. E-Verify: Pursuant to State of Florida Executive Order Number 11-116, the Contractor is required to utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the Contractor during the Contract term. Also, Contractor shall include in related subcontracts a requirement that subcontractors performing work or providing services pursuant to the Contract utilize the E-Verify system to verify employment eligibility of all new employees hired by the subcontractor during the Contract term.
3. Safety Standards: All manufactured items and fabricated assemblies subject to operation under pressure, operation by connection to an electric source, or operation involving connection to a manufactured, natural, or LP gas source shall be constructed and approved in a manner acceptable to the appropriate State inspector. Acceptability customarily requires, at a minimum, identification marking of the appropriate safety standard organization, where such approvals of listings have been established for the type of device offered and furnished, for example: the American Society of Mechanical Engineers for pressure vessels; the Underwriters Laboratories and/or National Electrical Manufacturers' Association for electrically operated assemblies; and the American Gas Association for gas-operated assemblies. In addition, all items furnished shall meet all applicable requirements of the Occupational Safety and Health Act and state and federal requirements relating to clean air and water pollution.

N. Vendor Performance:

1. Performance Qualifications:
 - a. The Department reserves the right to investigate or inspect at any time whether the product, qualifications, or facilities offered by Contractor meet the Contract requirements. Contractor shall at all times during the contract term remain responsive and responsible. In determining Contractor's responsibility as a vendor, the Department shall consider all information or evidence which is gathered or comes to the attention of the Department which demonstrates the

Contractor's capability to fully satisfy the requirements of the solicitation and the contract.

- b. Contractor must be prepared, if requested by the Department, to present evidence of experience, ability, and financial standing, as well as a statement as to plant, machinery, and capacity of the Contractor for the production, distribution, and servicing of the product to be furnished. If the Department determines that the conditions of the solicitation documents are not complied with, or that the product to be furnished does not meet the specified requirements, or that the qualifications, financial standing, or facilities are not satisfactory, or that performance is untimely, the Department may terminate the contract.

2. Default:

When a Contractor is failing to fulfill its duties specified in any contract with the Department, or when a Department becomes aware that the Contractor has failed to remain qualified to perform the contract requirements, the Department may take the following actions:

- a. The Department will provide written notice to the vendor which identifies the nature of the failure and the necessary corrective action by the Contractor, which must be completed in no more than ten (10) business days, unless the Department determines a different time span based on the Department's sole discretion and in the best interests of the State. The notice will also state that should the Contractor fail to perform within the time provided, the Contractor will be found in default.
- b. Unless the Contractor corrects the failure within the time provided, or unless the Department determines that the vendor's failure is legally excusable, the Department shall find the vendor in default and shall issue a second notice stating: (i) the reasons the Contractor is considered in default; (ii) that the Department will reprocure or has reprocured the commodities or services; and (iii) and the amount of the reprocurement costs if known.
- c. A Contractor found in default will not be eligible for award of a contract by the State until such time as the Department is reimbursed by the Contractor for all reprocurement costs. Reprocurement costs may include both administrative costs and cost or price increases incurred or to be incurred as a result of the reprocurement, as well as all legal costs encumbered by the State. At the Department's discretion, reprocurement of substitute commodities or contractual services may be accomplished by first attempting to contract with the next eligible awardee under the original solicitation, when applicable. If the Department fails to contract with the next eligible awardee, it may continue in this manner sequentially through all eligible awardees until a vendor willing to perform at acceptable pricing under the solicitation's terms and conditions is

found. Alternatively, the Department may elect to reprocure the commodity or contractual service pursuant to all applicable requirements of chapter 287, F.S.

- d. Until such time as it reimburses the Department for all reprocurement costs and the Department is satisfied that further instances of default will not occur, a Contractor found in default shall not be eligible for award of a contract by the Department. To satisfy the Department that further instances will not occur, the Contractor shall provide a written corrective action plan addressing the default.
- e. The foregoing provisions do not limit, waive or exclude the State's legal or equitable remedies against a defaulting Contractor.

3. Dispute Resolution:

Any dispute concerning performance of the Contract shall be decided by the Department's designated contract manager, who shall reduce the decision to writing and serve a copy on the Contractor. The exclusive venue of any legal or equitable action that arises out of or relates to the Contract shall be the appropriate Circuit Court in Leon County, Florida; in any such action, Florida law shall apply and the parties waive any right to jury trial.

O. Termination:

1. Termination for Convenience:

The Department, by written notice to the Contractor, may terminate the Contract in whole or in part when the Department determines in its sole discretion that it is in the State's interest to do so. The Contractor shall not furnish any product or service after it receives the notice of termination, except as necessary to complete the continued portion of the Contract, if any. The Contractor shall not be entitled to recover any cancellation charges or lost profits.

2. Termination Due To Lack of Funds:

- a. In the event funds to finance this contract become unavailable, the Department may terminate the contract upon no less than twenty-four (24) hours written notice to the vendor. Said notice shall be delivered by certified mail, return receipt requested, or in person with proof of delivery. The Department shall be the final authority as to the availability of funds.
- b. The State's performance and obligation to pay under this contract are contingent upon an annual appropriation by the Legislature.

3. Suspension of Work:

The Department may, in its sole discretion, suspend any or all activities under the Contract or purchase order at any time when in the best interests of the State to do so. The

Department shall provide the Contractor written notice outlining the particulars of suspension. Examples of the reason for suspension include, but are not limited to, budgetary constraints, declaration of emergency, or other such circumstances. After receiving a suspension notice, the Contractor shall comply with the notice. Within ninety days, or any longer period agreed to by the Contractor, the Department shall either: (1) issue a notice authorizing resumption of work, at which time activity shall resume; or (2) terminate the Contract or purchase order. Suspension of work shall not entitle the Contractor to any additional compensation.

4. Termination for Breach:

- a. The Department may terminate the Contract if the Contractor fails to: (1) deliver the product within the time specified in the Contract or any extension; (2) maintain adequate progress, thus endangering performance of the Contract; (3) honor any term of the Contract; or (4) abide by any statutory, regulatory, or licensing requirement. Rule 60A-1.006(3), F.A.C., governs the procedure and consequences of default. The Contractor shall continue work on any work not terminated. If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the Department. The rights and remedies of the Department in this clause are in addition to any other rights and remedies provided by law or under the Contract.
- b. Unless the Contractor's breach is waived by the Department in writing, the Department may, by written notice to the Contractor, terminate this Contract upon no less than twenty-four (24) hours written notice. Said notice shall be delivered by certified mail, return receipt requested, or in person with proof of delivery. If applicable, the Department may, at its sole discretion employ the default provisions in rule 60A-1.006 (4), F.A.C.
- c. Waiver of breach of any provisions of this Contract shall not be deemed to be a waiver of any other breach and shall not be construed to be a modification of the terms of this Contract. The provisions herein do not limit the Department's right to remedies at law or to damages.
- d. Pursuant to subsection 287.135(3) (b), Florida Statutes, Department may immediately terminate any contract for cause if the Contractor is found to have submitted a false certification under subsection 287.135(5), Florida Statutes, or if Contractor is placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List during the term of the Contract.

The Department amends the above mentioned solicitation as noted below. In the event of a conflict between previously released information and the information contained herein, the information herein shall control. The information included in this addenda is now made part of this solicitation.

Failure to file a protest within the time prescribed in section 120.57(3), Florida Statutes, or failure to post the bond or other security required by law within the time allowed for filing a bond shall constitute a waiver of proceedings under chapter 120, Florida Statutes.

Any protest must be timely filed with the Department of Management Services' Agency Clerk.

The purpose of this addenda is to revise the solicitation as follows:

1. Changes to the Invitation to Bid:

The following Sections are amended to read as follows and the changes are indicated by underline/~~strikethrough~~:

A. Section 2.5 Supporting Documents:

Bidder shall submit the following Supporting Documents with their Bid, as noted:

MSRP List: If the Manufacturer has not published Representative Model pricing at the time of the bid (on the sources as defined in section 1.3.14), the Bidder shall provide a list(s) of vehicles to the Department that are pending price publication. With the bid, Bidder shall provide one (1) applicable, current, complete, and separate MSRP List (as defined under section 1.3.14) by Representative Model(s) for each Group (including Sub-Groups) and Manufacturer or Brand Name bid under Attachment D, Price Sheet. Therefore, multiple MSRP Lists may be required (e.g., by Group and Manufacturer or Brand Name).

The MSRP List shall include the Manufacturer's Model Number, Manufacturer's Item Description, and MSRP for each of the Manufacturer or Brand Name and Group's applicable Base Equipment and Identified Aftermarket Options ~~OEM-Options~~; The MSRP List shall include the applicable Group, Sub-Group, Manufacturer or Brand Name, MSRP List Name, Percent Discount and MSRP List Date on the cover or first page.

Bidder shall complete MSRP Certification (~~Attachment J~~ Attachment H) from each Manufacturer. Bidder shall not alter, adjust, or modify a Manufacturer's MSRP when submitting Supporting Documents. MSRPs shall be formally published by the Manufacturer, publicly listed and available, and verifiable by the Department. The Department shall be the final arbiter of MSRPs if a Bidder's pricing differs from the published MSRPs.

B. Section 4.7 Price Adjustment, Paragraph 1:

Prices may be adjusted once during the initial term with the introduction of new models and annually during the duration of the contract, starting on July 1st after the contract effective date based on the percent change (up or down) of the MSRP, or the Producers Price Index (PPI), whichever is the lowest. If a Manufacturer has a proposed percent price change that exceeds the PPI for a Representative Model or Identified Aftermarket Option, all awarded Dealers for that particular model may be permitted to use the MSRP percentage change as a maximum pending Departmental approval. All requests must be submitted to the Contract Manager. MSRP percent changes shall be verified by the Manufacturer in the form of a letter or other publication. Price adjustments correlate with the PPI for the Series ID's in the table below and as published by the Bureau of Labor Statistics, in the Department of Labor, Washington, DC 20212. These reports are accessible at the following website: <http://www.bls.gov/data/>.

C. Section 4.9 OEM Options Discount

The discount percentage, listed for the Representative Model's OEM Options, shall be the minimum discount percentage applied off the current MSRP (Price, not Credit) for OEM Options during the Contract period. If an OEM Option has a positive MSRP (e.g., \$1.00), then the OEM Option Discount (e.g., 10%) will provide a lower OEM Option Net Price for the individual OEM Option (e.g., \$1.00 MSRP x (1-10% OEM Options Discount)] = \$0.90 OEM Option Net Price); OEM Options Net Prices shall be rounded to the nearest whole cent. OEM Options MSRP Credits will be ~~as~~ ~~stated in~~ as the MSRP list price, with the OEM Option Discount applied.

Example:

Vehicle H specification includes a tool box. If the customer decides they do not want the tool box that option can be removed. If the MSRP on the toolbox is \$200 and the overall OEM Option Discount for this awarded item to the State is 10% the following equation would be used:

$$\underline{\$200 \text{ (MSRP)} \times (1-10\% \text{ OEM Option Discount}) = \$ \text{STC Credit for Truck Tool Box}}$$

$$\underline{\$200 \text{ (MSRP)} \times (.90\% \text{ STC Price}) = \$180 \text{ STC Credit for Truck Tool Box}}$$

The Contractor would then subtract/apply the STC credit of \$180 for the Tool Box from the Awarded Contract Price, in this example the truck's awarded contract price is \$30,000:

$$\underline{\$30,000 \text{ (Truck's Awarded Contract Price)} - \$180 \text{ (Tool Box Credit)} = \$29,820 \text{ STC Price for Truck minus the Tool Box}}$$

The Contractor would then provide this price to the Customer on the PQF Form (Attachment I).

D. The Department has revised Attachment H – MSRP Certification.

The revised Attachment H - MSRP Certification to Addenda No.1.

2. Vendor Questions & Department Answers

The Department has received questions from the vendor community through the MFMP Sourcing Tool. The questions and answers to those questions are found in Attachment 1 to Addenda No. 1.

3. Vendor Bid System

The following has statement has been updated to read as follows and the changes are indicated by underline/~~strikethrough~~:

Invitation to Bid will be opened at the below address at ~~02:01 P.M.~~ 01:01PM, October 19, 2015.

Section 1 Introduction

1.1 Bid

The State of Florida Department of Management Services, Division of State Purchasing (Department) is issuing this Invitation to Bid (ITB) to replace the current State Term Contract (STC) for Motor Vehicles.

The Department intends to solicit for, and enter into contracts with, responsive and responsible Contractors according to the criteria defined herein, for the provision of Commodities and contractual services described within this solicitation under the authority and criteria established by section 287.057, Florida Statutes.

Rule 60A-1.044(1), Florida Administrative Code, defines an STC as “indefinite quantity contracts competitively procured by the Department pursuant to section 287.057, Florida Statutes, available for use by Eligible Users.”

This solicitation shall be administered using the MyFloridaMarketPlace (MFMP) Sourcing Tool. Vendors interested in submitting a response or bid shall comply with all of the terms and conditions described in this ITB. Information about submitting a response or bid can be found in Instructions to Bidders, section 2 of this solicitation.

1.2 Solicitation Overview

The current STC for motor vehicles has an estimated average annual spending volume of approximately \$25 million dollars for State Agencies. Estimated spending volume is for informational purposes only and must not be construed as representing actual, guaranteed, or minimum purposes under any new contract. Customers include State Agencies and other Eligible Users. See section 2.8 for information regarding Basis of Award.

1.3 Definitions

Definitions contained in section 287.012, Florida Statutes, Rule 60A-1.001, Florida Administrative Code, Form PUR 1000 and Form PUR 1001 are incorporated by reference, and apply to this solicitation. These definitions apply in both their singular and plural sense.

1.3.1 Bidder

One who submits a response to this Invitation to Bid (ITB).

1.3.2 Commodity(ies)

A tangible good, which may or may not meet the specifications herein. Commodities under this contract are the Representative Base Model Vehicle and any OEM or Identified Aftermarket Options associated with each Representative Base Model Vehicle.

1.3.3 Commodity Code(s)

The State of Florida specified numeric code for classifying Commodities and contractual services which meet specific requirements, specifications, terms, and conditions herein. Florida has adopted the United Nations Standard Products and Services Code (UNSPSC) for classifying commodities and services.

1.3.4 Component, Feature or Configuration

An element, piece, part, module, package, element group, piece group, parts group, module group, or package group of a Commodity, Representative Model, OEM Option, Identified Aftermarket Option, or Representative Base Model Vehicle.

1.3.5 Confidential Information

Any portion of a Bidder's documents, data, or records disclosed relating to its response that the Bidder claims is confidential and not subject to disclosure pursuant to Chapter 119, Florida Statutes, the Florida Constitution, or any other authority that is clearly marked "Confidential".

1.3.6 Contract

The agreement that results from this competitive procurement, if any, between the Department and the Contractor identified as providing the best value to the State. (This definition replaces the definition in the PUR 1000).

1.3.7 Contractor(s)

The Vendor that has been awarded and contracts to provide Motor Vehicles, which meet the requirements, specifications, terms, and conditions herein, to State Agencies and other Eligible Users.

1.3.8 Dealer(s)

A Manufacturer's certified representative authorized by the Manufacturer to market, sell, provide, and service the Commodities and services of the Manufacturer responsive to this solicitation. Dealers may be Contractor owned and controlled, in whole or in part or independently owned and controlled.

1.3.9 Eligible User

As defined in Rule 60A-1.005, Florida Administrative Code.

1.3.10 EPA / Industry Class

The U.S. Environmental Protection Agency's categorization of vehicles. The size class for cars is based on interior passenger and cargo volumes (Cu. Ft.). The size class for trucks is defined by the gross vehicle weight rating (GVWR), which is the weight of the vehicle and its carrying capacity.

1.3.11 Group

A series of commodities with applicable commodity codes which are described in section 3.2, Commodity Specifications and Standards.

1.3.12 Identified Aftermarket Option(s)

A new and unused component, feature, or configuration specified by the Department as equipment for the Base Vehicle Representative Model specification, that is intended for the specific Vehicle and meets the requirements, specifications, terms, and conditions herein, and is installed to or uninstalled from the Base Vehicle Representative Model by the awarded Contractor.

1.3.13 MSRP

An acronym for the Manufacturer's Suggested Retail Price. It represents the Manufacturer's recommended retail selling price, list price, published price, or other usual

and customary price that would be paid by the purchaser for specific commodities or equipment models, and contractual services without benefit of a contract resulting from the solicitation, if awarded.

MSRPs shall be formally published by the manufacturer, publicly listed and available, and verifiable by the Department.

1.3.14 MSRP List

The Manufacturer's Suggested Retail Price List, a collection of MSRPs and related information broken down by specific commodities or equipment models. In the priority listed below, only the following are acceptable sources of current MSRPs and MSRP Lists for use under the solicitation and resulting Contract, if awarded:

- Manufacturer's Annual U.S. Price Book,
- Manufacturer's official website, and
- Chrome Data™ Carbook Fleet Edition.

1.3.15 Manufacturer/ Brand

The original producer or provider of Motor Vehicles responsive to this solicitation.

1.3.16 Non-Identified Aftermarket Options(s)

An optional new and unused component not specified, feature, or configuration not included in the Base Representative Vehicle Model specifications or options identified by the Department but may be installed to or uninstalled from the State of Florida Representative Base Model Vehicle by the Manufacturer, Dealer, Port, or Eligible User, if ordered by the Eligible User.

1.3.17 Other Eligible User (OEU)

An "eligible user" as defined in Rule 60A-1.005, Florida Administrative Code that does not fit the definition of "Agency" under section 287.012(1), Florida Statutes.

1.3.18 OEM or Manufacturer(s)

The Original Equipment Manufacturer or original producer of a Commodity and/or service.

1.3.19 OEM Option(s)

A Motor Vehicle Manufacturer's new and unused optional component, feature, or configuration not specified by the Department as standard on the Representative Model, and which is intended for the specific Representative Model. Equipment which meets the requirements, specifications, terms, and conditions herein, and may be installed to, uninstalled from, or provided with or separately from the Base Equipment by the Manufacturer, Port or Dealer, as is specified, ordered, legal, customary, reasonable, and prudent in the industry or specified by the Manufacturer.

1.3.20 OEM Options MSRP Credit

A price of the OEM Option that will result in a negative number.

1.3.21 Representative Model, Base Model(s), Base Vehicle(s), Motor Vehicle(s), or Vehicle(s)

A Department specified commodity, that may include manufacturer's name, trade name, brand name, make name, model name, model number, catalog number, or other

information listed by the Department herein which meets the requirements, specifications, terms, and conditions herein, and may include components, features, and configurations different than those provided by a Manufacturer, Port, and Dealer on their standard base version of the Commodity.

1.3.22 State Term Contract (STC)

A term contract that is competitively procured by the Department pursuant to section 287.057, Florida Statutes, and that is used by agencies and Other Eligible Users pursuant to section 287.056, Florida Statutes.

1.3.23 Sub-Group

A specific series of equipment within a Group which are described in Attachment D, Price Sheet.

1.3.24 UNSPSC

An acronym for the United Nations Standard Products and Services Code.

1.3.25 Vendor(s)

The entity that is in the business of providing a Commodity or service similar to those within the solicitation.

1.4 Term

The initial term of the Contract shall be two (2) years with the option of renewal for a period that may not exceed 2 years or the term of the contract, whichever period is longer. The contract may be renewed in whole or in part for a period that shall not exceed the renewal years, at the renewal pricing outlined in section 4.7.

1.5 Contract Objective

The Department intends to enter into a contract with the awarded Bidder(s) pursuant to section 2.8 Basis of Award. The Contract shall be composed of the following: This solicitation, General Contract Conditions ([PUR 1000](#)), Special Contract Conditions, Description of Scope, Price Sheet (format approved by the Department) submitted by the Contractor after award and additional documentation (as required).

1.6 Timeline of Events

The table (Attachment A) contains the Timeline of Events for this solicitation. Bidders should become familiar with the Timeline of Events. The dates and times within the Timeline of Events may be subject to change. It is the responsibility of the Bidder to check for any changes. All changes to the Timeline of Events shall be made through an addenda to the solicitation and noticed on the [Vendor Bid System](#) and within the [MFMP Sourcing Tool](#).

DO NOT RELY ON THE MYFLORIDAMARKETPLACE SOURCING TOOL'S TIME REMAINING CLOCK. THE OFFICIAL SOLICITATION CLOSING TIME AND RESPONSE DEADLINES SHALL BE AS REFLECTED IN THE TIMELINE. The MyFloridaMarketPlace Sourcing Tool's time remaining clock is not the official submission date and time deadline, it is intended only to approximate the solicitation closing and may require periodic adjustments.

It is strongly recommended to submit your response as early as possible. You should allow time to receive any requested assistance and to receive verification of your submittal;

waiting until the last hours of the solicitation could impact the timely submittal of your response.

1.7 Order of Precedence for Solicitation

In the event of conflict, the conflict may be resolved in the following order of priority (highest to lowest):

1. Addenda to Solicitation, if issued
2. Introduction
3. Description of Scope
4. Special Instructions
5. General Instructions
6. Special Contract Requirements
7. General Contract Requirements
8. Attachments

1.8 Procurement Officer

The Procurement Officer is the sole point of contact from the date of release of this ITB until 72 hours after the contract award is made.

Procurement Officer for this ITB is:
Leslie Gallegos Williams
Associate Category Manager
Florida Department of Management Services
Division of State Purchasing
4050 Esplanade Way, Suite 360
Tallahassee, FL 32399-0950
Phone: (850) 488-4946
Email: Leslie.Gallegos@dms.myflorida.com

******ALL EMAILS TO PROCUREMENT OFFICE SHALL CONTAIN THE SOLICITATION
NUMBER IN THE SUBJECT LINE OF THE EMAIL******

1.9 Limitation on Contact with Government Personnel (section 287.057(23), Florida Statutes)

Bidders to this solicitation or persons acting on their behalf may not contact, between the release of this solicitation and the end of the 72-hour period following the agency posting the Notice of Intended Award, excluding Saturdays, Sundays, and State holidays (section 110.117, Florida Statutes), any employee or officer of the executive or legislative branch concerning any aspect of this solicitation, except in writing to the Procurement Officer or as provided in the solicitation documents. Violation of this provision may be grounds for rejecting a response.

1.10 Special Accommodations

Any person requiring a special accommodation due to a disability should contact the Department's Americans with Disabilities Act (ADA) Coordinator at (850) 922-7535. Accommodation requests for meetings shall be made at least five workdays prior to the meeting. A person who is hearing or speech impaired can contact the ADA Coordinator by using the Florida Relay Service at (800) 955-8771 (TDD). The telephone numbers are supplied for notice purposes only.

1.11 Lobbying Disclosure

The successful vendor shall comply with applicable federal requirements for the disclosure of information regarding lobbying activities of the successful vendor, subcontractors or any authorized agent. Certification forms shall be filed by the successful vendor and all subcontractors, certifying that no federal funds have been or shall be used in federal lobbying activities and the disclosure forms shall be used by the successful vendor and all subcontractors to disclose lobbying activities. The successful vendor shall comply with the provisions of section 216.347, Florida Statutes, which prohibits the expenditure of contract funds for the purpose of lobbying the Legislature or a state agency.

1.12 ITB Process

The ITB is a method of competitively soliciting a commodity or contractual service pursuant to section 287.057(1) (a), F. S. The Department posts an ITB on the Vendor Bid System (VBS) to initiate the process and also posts the solicitation in the MFMP Sourcing Tool.

Bidders must submit questions in writing to the Procurement Officer via the MFMP Sourcing Tool by the date listed in Attachment A; Timeline of Events. Bids shall be submitted by the deadline listed in the Timeline of Events. The Department shall open the bids in a public meeting. Once the Department has evaluated the bids, the Department shall post a Notice of Intended Award on the VBS.

1.12.1 Question Submission

The Department shall entertain written questions regarding the solicitation or the procurement process submitted through the MFMP Sourcing Tool for a limited period of time as specified in the Timeline of Events. The purpose of this question period is to promote the Bidder's full understanding of the solicitation requirements by providing written binding answers to questions about the solicitation.

In order to submit a question, Bidders shall be registered in MFMP Sourcing and have access to the "Messages" tab in the solicitation dashboard. For information about registering with MFMP Sourcing, please see section 2.2; Special Instructions. The Department shall not respond to questions submitted through any other format or medium (telephone calls, emails, letters, etc.).

Questions submitted via the "Messages" tab within the MFMP Sourcing Tool shall be RECEIVED NO LATER THAN the time and date reflected on the Timeline of Events. Questions shall be officially answered via addenda as stated in the Timeline of Events. The Department shall not be bound by any verbal information or by any written information that is not contained within the solicitation documents or formally noticed and issued by the Department's contracting personnel.

1.12.2 Solicitation Addenda

If the Department finds it necessary to supplement, modify, or interpret any portion of the solicitation package during the solicitation period, a written addenda shall be posted on the VBS and the MFMP Sourcing Tool as Addenda to this solicitation. It is the Bidder's responsibility to check VBS and MFMP Sourcing Tool periodically for any information or updates to this solicitation. The Department bears no responsibility for any resulting impacts associated with a prospective Bidder's failure to obtain the information made available through the VBS and MFMP Sourcing Tool.

1.12.3 Protest of Terms, Conditions, and Specifications

With respect to a protest of the terms, conditions, specifications contained in this solicitation, including any provisions governing the methods for scoring or ranking responses, awarding contracts, or modifying or amending any contract, a notice of intent to protest shall be filed in writing within 72 hours after the posting of the solicitation. For purposes of this provision, the term "the ITB" includes this solicitation document, any addenda, response to written questions, clarification or other document concerning the terms, conditions, and specifications of the solicitation.

1.12.4 Public Opening

In accordance with PUR 1001, responses shall be opened on the date and at the location indicated on the Timeline of Events (Attachment A). Bidders should, but are not required to, attend. The Department may choose not to announce prices or release other materials pursuant to s. 119.071(1) (b), Florida Statutes.

1.12.5 Electronic Posting of Notice of Intended Award

Based on the evaluation, on the date indicated in the Timeline of Events the Department shall electronically post a Notice of Intended Award on the VBS and the MFMP Sourcing website for review by interested parties at the time and location specified in the Timeline of Events. The Notice of Intended Award shall remain posted for a period of seventy-two (72) hours, not including weekends or State observed holidays. If the Notice of Award is delayed, in lieu of posting the Notice of Intended Award the Department may post a notice of the delay and a revised date for posting the Notice of Intended Award.

1.12.6 Protest of Notice of Intended Award

Any Bidder desiring to protest the Notice of Intended to Award shall file any notice of protest and any subsequent formal written protest with Agency Clerk, Department for Management Services, 4050 Esplanade Way, Tallahassee, FL 32399, within the time prescribed in section 120.57(3) Florida Statutes and Chapter 28-110, Florida Administrative Code. Please copy the Procurement Officer on such filings. Failure to file a notice of protest and a formal protest within the time prescribed in section 120.57(3), Florida Statutes, shall constitute a waiver of proceedings under Chapter 120, Florida Statutes.

1.13 Firm Response

The Department should make an award within sixty (60) days after the date of the opening, during which period responses shall remain firm and shall not be withdrawn. If award is not made within sixty (60) days, the response shall remain firm until either the Department awards the Contract or the Department receives from the Bidder written notice that the response is withdrawn. Any response that expresses a shorter duration may, in the Department's sole discretion, be accepted or rejected.

1.14 Modification or Withdrawal of Bid

Bidders are responsible for the content and accuracy of their bid. Bidders may modify or withdraw their bid at any time **prior** to the bid due date in accordance with the Timeline of Events. For instructions on how to modify or withdraw bids refer to the link: [MFMP Vendor Toolkit](#) or for technical assistance please select this link: [MFMP Vendor Help](#) or call (866) 352-3776.

1.15 Cost of Response Preparation & Independent Preparation

The costs related to the development and submission of a response to this ITB is the full responsibility of the Bidder and is not chargeable to the Department. A Bidder shall not, directly or indirectly, collude, consult, communicate or agree with any other Vendor or Bidder as to any matter related to the response each is submitting. Additionally, a Bidder shall not induce any other Bidder to modify, withdraw, submit or not submit a response.

1.16 Taxes

The State does not pay Federal excise or sales taxes on purchases of equipment. The State shall not pay for any personal property taxes levied on the Contractor or for any taxes levied on employees' wages. Any exceptions to this paragraph shall be explicitly noted by the Department in the Contract.

1.17 Disclosure of Bid Contents

Pursuant to the Public Records Act, all documentation provided to the Department as part of the ITB shall become the property of the Department and shall not be returned to the Bidder unless it is withdrawn prior to the response opening.

1.18 Contract Formation

The Department shall issue a Notice of Intent to Award, if any, to successful Bidder(s), however, no Contract shall be formed between Bidder and the Department until the Department signs the Contract. The Department shall not be liable for any costs incurred by a Bidder in preparing or producing its response or for any work performed before the Contract is effective.

The Department intends to enter into a contract with the awarded Bidder(s) pursuant to section 2.8; Basis of Award. No additional documents submitted by a Bidder shall be incorporated in the contract unless it is specifically identified and incorporated by reference in the attached contract document. If any additional documents are submitted by the Bidder, the additional documents shall not be considered for the Basis of Award.

Section 2 Instructions to Bidders

This section contains instructions to Bidders on how to submit a Bid. The instructions come in two parts; General Instructions and Special Instructions.

2.1 General Instructions

The [PUR 1001](#), The General Instructions to Bidders, is incorporated by reference and provided via the link below:

<http://www.dms.myflorida.com/content/download/2934/11780/1001.pdf>

In the event any conflict exists between the Special Instructions and General Instructions to Bidders, the Special Instructions shall prevail.

2.2 Special Instructions

2.2.1 MFMP Registration

In order to bid, Bidders shall have a current Vendor registration and be active for “Sourcing Events” within the link: [MFMP Vendor Information Portal Website](#).

MyFloridaMarketPlace Vendor Registration

Each Bidder doing business with the State of Florida for the sale of commodities or contractual services as defined in section 287.012, Florida Statutes, shall register in MyFloridaMarketPlace, in compliance with Rule 60A-1.030, Florida Administrative Code, unless exempt under Rule 60A-1.030(3) Florida Administrative Code.

2.2.2 How to Submit a Bid

Submit responses to this solicitation via the MyFloridaMarketPlace Sourcing Tool by selecting this link: [MFMP Sourcing 3.0 Login](#). Bidders shall have a current Vendor registration and be active for “Sourcing Events” within the link [MFMP Vendor Information Portal](#). Download the MFMP Participation Instructions to Bidder, for detailed instructions on how to participate within the MFMP Sourcing Tool 3.0.

Include all appropriate pricing, discounts, documents, forms, files, question responses, and information responses located within the MFMP Sourcing Tool for the solicitation in Bids. All required or requested pricing, discounts, documents, forms, files, question responses, and information responses are to be entered electronically in the MFMP Sourcing Tool during this solicitation as indicated.

2.2.3 Sourcing Tips and Training

After logging into MFMP Sourcing 3.0, “My Events” lists all events the Bidder already chose to “Join” (i.e., you intend to submit a formal response). “Public Events” lists those events associated with the Bidder’s registered UNSPSC listed in their Bidder Information Portal (VIP) accounts, but the Bidders have not yet “Joined.” Joining an event moves the event from “Public Events” to “My Events,” allows the Bidder to submit questions about the event (solicitation), and alerts Bidders to any associated updates (e.g., addenda, event edits, etc.).

To respond to a solicitation, Bidders shall review and accept the electronic agreement on the “Review and Accept Agreement” page. Click the radio button next to, “I accept the terms of this agreement.”

When responding, save work frequently – at intervals less than 20 minutes. Sourcing 3.0 automatically times out after 20 minutes of inactivity. Any unsaved information may be lost when the system times out. Clicking the “Save” button within Sourcing 3.0 only saves your solicitation responses.

To transmit responses to the State, Bidders shall click “Submit Entire Response.” After clicking the “Submit Entire Response” button, Bidders are responsible to verify and validate any submitted response in Sourcing 3.0 to ensure their responses are accurate and complete prior to the bid closing time.

Bidders should allow sufficient time, prior to the Solicitation event period closing, to address any errors and resubmit revised responses.

To validate responses, please do the following before the Solicitation period ends:

Click the “Response History” link to confirm that your “submitted” response is visible, and, therefore, formally submitted.

Confirm that a status of “Accepted” displays next to your submitted response.

Click on the Reference number of your submitted bid response to review the submission.

Please check the following:

- Text boxes – Is your entire answer viewable?
- Yes/No questions – Are the displayed answers correct?

For technical assistance, contact the MFMP Customer Service Desk (CSD) at (866) 352-3776 or by email at VendorHelp@MyFloridaMarketPlace.com. For additional information regarding Vendor online training or to view MFMP Sourcing training documents select the hyperlink, [MFMP Vendor Toolkit](#).

2.2.4 Who May Respond

Any Motor Vehicle Manufacturers or Dealers, who are registered with and considered to be in good standing by the Florida Department of State, may respond. To be eligible for award, a Bidder is to satisfy the requirements, specifications, terms, and conditions of the solicitation and demonstrate their capability to perform a statewide Contract in the State of Florida, and is authorized by the Florida Department of State to do business in the State of Florida.

NOTE: Pursuant to section 607.1501, Florida Statutes, out-of-state corporations where required, must obtain a Florida Certificate of Authorization pursuant to section 607.1503, Florida Statutes, from the Florida Department of State, Division of Corporations, to transact business in the State of Florida. The Respondent out-of-state corporations agree to attain such authorization within seven business days of notice of award, if the Respondent is awarded. All Bidders must be eligible to do business with the State of Florida and registered through the Department of State. Website: www.sunbiz.org.

2.2.5 Manufacturer's Name and Approved Equivalents

With the Department's prior approval, the Contractor must provide any equipment that meets or exceeds the applicable specifications. The Contractor shall demonstrate comparability, including appropriate catalog materials, literature, specifications, test data, etc. The Department shall determine in its sole discretion whether equipment is acceptable as an equivalent.

2.2.6 Mandatory Requirements or Conditions

The State has established certain requirements with respect to responses submitted to competitive solicitations. The use of "shall", "must", or "will" (except to indicate futurity) in this solicitation, indicates a requirement or condition that may be mandatory. A deviation from a mandatory requirement or condition is material if, in the State's sole discretion, the deficient response is not in substantial accord with the solicitation requirements, provides an advantage to one Bidder over another, or has a potentially significant effect on the quality of the response or on the cost to the State. The words "should" or "may" in this solicitation indicate desirable attributes or conditions, but are permissive in nature.

2.2.7 Bidder Qualification Questions

Bidders must submit a Yes/No response to the following Qualification Questions within the MFMP Sourcing Tool. Bidders are to meet and respond to the qualifications identified in the following Qualification Questions in order to be considered responsive. The Department may not evaluate bids from Bidders who answer "No" to any of the Qualification Questions.

2.2.7.1 Does the Bidder certify that the person submitting the bid is authorized to respond to this ITB on Bidder's behalf?

2.2.7.2 Does the Bidder certify that it is not a Convicted Vendor as defined in section 7 of the PUR1001?

2.2.7.3 Does the Bidder certify that it is not a Discriminatory Vendor as defined in section 8 of the PUR1001?

2.2.7.4 Does the Bidder certify that it is not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List?

2.2.7.5 Does the Bidder certify compliance with section 9 Respondent's Representation and Authorization of the PUR1001?

2.2.7.6 Does the Bidder certify compliance with section 14 Transaction Fee of the PUR1000?

2.2.7.7 Does the Bidder certify that they are currently registered to do business with the State of Florida or provide authorization as required in section 2.2.4?

2.2.7.8 Does the Bidder certify that it shall, if awarded, submit to the Department, at least annually, the completed signed Preferred Pricing Affidavit as required in section 2.3.4.4 of this solicitation?

2.2.7.9 Does the Bidder certify that it shall, if awarded, submit quarterly to the Department a Contract Sales report, as required in section 4.28.1 of this solicitation?

2.2.7.10 Does the Bidder certify that they shall, if awarded, pay all transaction fees as required by the contract for OEU's and State Agencies as required by section 287.057, Florida Statutes?

2.2.7.11 Does the Bidder certify that they have carefully and thoroughly reviewed their bids or prices on the Price Sheets (Attachment D) for accuracy and completeness?

2.2.7.12 Does the Bidder certify that they have read and understand the requirements stated in section 2.5 Supporting Documents?

2.2.7.13 Does Bidder certify that, if awarded, it has (1) full-service repair facility in Florida from which the commodities bid may be installed, serviced, and repaired under warranty and the terms of the Contract, as required in section 2.4 of this solicitation?

2.2.7.14 Does the Bidder certify that they have submitted the MSRP Certification (Attachment H) from each Manufacturer as required in section 2.3.4.6?

2.3 Contents of Bid

2.3.4.2 Out-of State Preference Letter from Attorney (if applicable)

Any Bidder who states that its “principal place of business” is outside of this state shall submit with its bid a written opinion of an attorney at law, licensed to practice law in that foreign state, that contains information explaining the preferences, any or none, granted by the law of that state to its own business entities whose principal place(s) of business are in that foreign state in the letting of any or all public

contracts. For the purpose of this ITB, “principal place of business” means the state in which the Bidder’s high level officers direct, control, and coordinate the Bidder’s activities.

2.3.4.3 Certification of Drug-Free Workplace (Attachment E)

Bidder must download and complete the Certification of Drug-Free Workplace found in section 5 (Attachment E).

2.3.4.4 Preferred Pricing Affidavit (Attachment F)

Bidder must download and complete the Preferred Pricing Affidavit found in section 5 (Attachment F).

2.3.4.5 Savings/Price Reduction (Attachment G)

The Bidder is required to furnish the percent (%) savings in prices offered compared to retail, list, published or other usual or customary prices that would be paid by the purchaser without the benefit of a contract resulting from this bid. Attachment G (PUR 7064), Savings/Price Reductions is provided to facilitate the Bidders response to this requirement. The Bidder is required to submit this form with its bid, and at the time of any renewals or extensions. Savings/Price Reduction Form found in section 5 (Attachment G).

2.3.4.6 MSRP Certification (Attachment H)

Bidder must download and complete the MSRP Certification (Attachment H) found in section 5.

2.3.4.7 MSRP Lists

Bidder must submit the MSRP List(s) consistent with section 2.5 Supporting Documents and Certification (Attachment H).

Note: Multiple MSRP lists may be submitted as a zip file.

2.4 Full-Service Repair Facilities

The Contractor agrees to maintain at least one factory-authorized service station or servicing dealer within the State of Florida to perform warranty repairs and adjustments throughout the contract term. Contractors must complete the Vendor Information Form (Attachment B) included in section 5 of this ITB, and must maintain that document throughout the contract term. The Contractor shall promptly notify the Department of any changes thereto. The Contractor shall be responsible for all service performed, regardless of whether the Contractor or their approved dealer actually performed the service.

The Contractor may offer eligible Customers “after warranty” service agreements for the maintenance and repair of goods after the initial warranty expires. The Contractor shall list this additional service as a separate item on the invoice.

2.5 Supporting Documents

Bidder shall submit the following Supporting Documents with their Bid, as noted:

MSRP List: With the bid, Bidder shall provide one (1) applicable, current, complete, and separate MSRP List (as defined under section 1.3.14) for each Group (including Sub Groups) and Manufacturer or Brand Name bid under Attachment D, Price Sheet. Therefore, multiple MSRP Lists may be required (e.g., by Group and Manufacturer or Brand Name).

The MSRP List shall include the Manufacturer's Model Number, Manufacturer's Item Description, and MSRP for each of the Manufacturer or Brand Name and Group's applicable Base Equipment and OEM Options; The MSRP List shall include the applicable Group, Sub-Group, Manufacturer or Brand Name, MSRP List Name, Percent Discount and MSRP List Date on the cover or first page.

Bidder shall complete MSRP Certification (Attachment J) from each Manufacturer. Bidder shall not alter, adjust, or modify a Manufacturer's MSRP when submitting Supporting Documents. MSRPs shall be formally published by the Manufacturer, publicly listed and available, and verifiable by the Department. The Department shall be the final arbiter of MSRPs if a Bidder's pricing differs from the published MSRPs.

The Supporting Documents shall be uploaded to the Department per section 2.2.2 of the solicitation. **Failure to provide accurate and compliant Supporting Documents with the Response may result in the Bidder being deemed non-responsive.**

2.6 Evaluation Criteria

The Department shall evaluate eligible responsive bids. Responses that do not meet all requirements of the solicitation or fail to provide all required information, documents, or materials may be rejected as non-responsive. Bidders who's Responses, past performance, or current status do not reflect the capability, integrity, or reliability to fully and in good faith perform the requirements of a Contract may be rejected as non-responsive. The Department reserves the right to determine which Responses meets the requirements, specifications, terms, and conditions of the solicitation, and which Bidders are responsive and responsible.

2.7 Alternate Responses

Bidder may not submit more than one bid for each listed Manufacturer or Brand Name per Group (including Sub-Groups) per Representative Model. The Department seeks each Bidder's single-best response for each Representative Model Manufacturer or Brand Name per Group.

2.8 Basis of Award

The Contract(s) shall be awarded to the responsive, responsible Vendor(s) that submits the lowest responsible evaluated price (Score) for each individual Representative Model including, if applicable, OEM Options and Identified Aftermarket Options. Bidders may submit bids for multiple Representative Models; however, the Bidder may not submit more than one bid for each individual Representative Model. All submitted bid prices and discounts must be submitted as a definitive number; no ranges shall be accepted. The Department reserves the right to award to multiple Bidders for a Representative Model or to make no award for a Representative Model, as determined to be in the best interest of the State.

Multiple awards may be made to up to three Bidders for each individual Representative Model if the evaluated price (Score) of the Bidder is less than or equal to (3%) of the lowest evaluated bid. The Department reserves the right to accept or reject any and all bids, and to waive any minor irregularity, technicality, or omission if the Department determines that doing so will serve the State's best interest.

Note: All Evaluated Prices of \$0.00, showing error codes, or that do not include the Base Vehicle Price offer, OEM Options Discount offer, and Required Identified Aftermarket Option Price offer, as

required, may be rejected as non-responsive. If there is a conflict between these instructions and the pricing sheet, these instructions shall control.

O = OEM Options Discount offered. Note: All Discounts must be a positive percentage with no decimal (e.g., 99%) **and ranges shall not be accepted.**

2.9 Preference to Florida Vendors

If the lowest bid is submitted by a Bidder whose principal place of business is located outside the State of Florida, preference shall be applied consistent with section 287.084, Florida Statutes.

2.10 Tie Bids

In the event that the Department's evaluation results in identical evaluations of replies for the lowest Group price or three Bidders with the lowest Group price, the Department shall select Bidder(s) based on the criteria identified in Rule 60A-1.011, Florida Administrative Code.

2.11 Rejection of Bids

The Department shall review Bidder responses using the criteria listed in section 2.2.7 Bidder Qualification Questions to determine responsiveness. Bids that do not meet all requirements, specifications, terms, and conditions of the solicitation or fail to provide all required information, documents, or materials may be rejected as non-responsive. Bidders whose bids, past performance, or current status do not reflect the capability, integrity, or reliability to fully and in good faith perform the requirements of a contract may be rejected as not responsible. The

Department reserves the right to determine which bids meet the requirements of this solicitation, and which Bidders are responsive and responsible.

2.12 Minor Irregularities/Right to Reject

The Department reserves the right to accept or reject any and all bids, or separable portions thereof, and to waive any minor irregularity, technicality, or omission if the Department determines that doing so shall serve the State's best interests. The Department may reject any response not submitted in the manner specified by the solicitation documents.

2.13 Redacted Submissions

The following section supplements section 19 of the [PUR 1001](#). If Bidder considers any portion of the documents, data or records submitted in response to this solicitation to be confidential, proprietary, trade secret or otherwise not subject to disclosure pursuant to Chapter 119, Florida Statutes, the Florida Constitution or other authority, Bidder shall mark the document as "Confidential" and simultaneously provide the Department with a separate redacted copy of its response and briefly describe in writing the grounds for claiming exemption from the public records law, including the specific statutory citation for such exemption. This redacted copy shall contain the Department's solicitation name, number, and the Bidder's name on the cover, and shall be clearly titled "Redacted Copy." The Redacted Copy shall only redact those portions of material that the Bidder claims is confidential, proprietary, trade secret or otherwise not subject to disclosure.

In the event of a request for public records pursuant to Chapter 119, Florida Statutes, the Florida Constitution or other authority, to which documents that are marked as confidential are responsive, the Department shall provide the Redacted Copy to the requestor. If a requestor asserts a right to the Confidential Information, the Department shall notify the Bidder such an assertion has been made. It is the Bidder's responsibility to assert that the information in question is exempt from disclosure under Chapter 119, Florida Statutes, or other applicable law. If the Department becomes subject to a demand for discovery or disclosure of the Confidential Information of the Bidder in a legal proceeding, the Department shall give the Bidder prompt notice of the demand prior to releasing the information (unless otherwise prohibited by applicable law). The Bidder shall be responsible for defending its determination that the redacted portions of its response are confidential, proprietary, trade secret, or otherwise not subject to disclosure.

By submitting a bid, the Bidder agrees to protect, defend, and indemnify the Department for any and all claims arising from or relating to the Bidder's determination that the redacted portions of its reply are confidential, proprietary, trade secret, or otherwise not subject to disclosure. If Bidder fails to submit a redacted copy of information it claims is confidential, the Department is authorized to produce the entire documents, data, or records submitted to the Department in answer to a public records request for these records.

2.14 Additional Information

By submitting a bid, Bidder certifies that it agrees to and satisfies all criteria specified in the ITB. The Department may request, and Bidder shall provide, supporting information or documentation. Failure to supply supporting information or documentation as required and requested shall result in disqualification of the bid.

All materials used in the installation shall be new and shall be free of defects that would diminish the appearance of the equipment or render it structurally or operationally unsound. Installation includes the furnishing of any equipment, rigging, and materials required to install or replace the equipment or parts in the proper location. Contractor shall protect the site from damage and shall repair damages or injury caused during installation by Contractor or its employees or agents. If any alteration, dismantling, excavation, etc., is required to achieve installation, the Contractor shall promptly restore the structure or site to its original condition. Contractor shall perform installation work so as to cause the least inconvenience and interference with Customers and with proper consideration of others on site. Upon completion of the installation, the location and surrounding area of work shall be left clean and in a neat and unobstructed condition, with everything in satisfactory repair and order.

3.5.1 Body Transfer and 3rd Party Body Installations

In the event the customer chooses to purchase a cab and chassis, or cutaway van separately, the contractor must facilitate obtaining the required Manufacturer Certified Certificate, perform Manufacturer required pre-delivery inspection and ensure all proper tag and title documents are present pursuant to Florida license requirements. The final Manufacturer of the vehicle must certify that it conforms to all Federal Motor Vehicle Safety Standards (FMVSS). The facilitation of body transfer or installations must be included in the base vehicle price however; an additional cost may occur for installation by the Contractor or Body Upfitter. The installation cost may vary due to the vehicle body configuration however, the price should be included on the PQF form from the Contractor.

3.6 Federal and State Standards

It is the intent of the Department that all specifications herein are in full and complete compliance with all federal and State of Florida laws, requirements, and regulations applicable to the type and class of Commodities and contractual services being provided. This includes, but is not limited to, Federal Motor Vehicle Safety Standards ("FMVSS"), Occupational Safety and Health Administration ("OSHA"), Environmental Protection Agency ("EPA") Standards, and State of Florida laws, requirements, and regulations that apply to the type and class of Commodities and contractual services being provided. In addition, if any applicable federal or State legislation becomes effective during the term of the Contract, regarding the Commodities and contractual services' specifications, safety, and environmental requirements shall immediately become a part of the Contract. The Contractor shall meet or exceed any such requirements of the laws and regulations. If an apparent conflict exists, the Contractor and Dealer shall contact the Contract Manager immediately.

Pursuant to section 3, delivery of non-conforming Commodities and contractual services, which are not remedied as required herein, may be cause for default proceedings and / or Contract termination.

3.7 Acceptable Publications

The Department may request and the Contractor shall provide, within three (3) business days of any request, acceptable and supporting information or documentation relative to its product. Acceptable and supporting information or documentation includes, but is not limited to:

1. Manufacturer's Computer Printouts (e.g., Chrysler's "DIAL SYSTEM", Ford's "DORA", GM's "AutoBook", or Department approved equivalent);
2. MSRP list. The MSRP and MSRP list may not be custom or solely developed, created, maintained, altered, revised, changed, or utilized for purposes of the solicitation and resulting contract (reference 1.3.14, MSRP)
3. Manufacturer's Standard Warranties;
4. Chrome Systems, Inc.'s PC Carbook applications, PC Carbook Plus and Carbook Fleet Edition; and
5. The Manufacturer's official fleet or retail websites.

During the Term of the Contract, the Contractor shall supply printed Sales Literature and Technical Information to Eligible Users upon request, unless the literature and information requested is available on the Contractor's or Manufacturer's web site. If the literature and information is available on the Contractor's web site, the Contractor shall direct the requesting Eligible User to its specific website location.

3.8 Testing

Samples of delivered Commodities and contractual services may be selected at random by the Department or Eligible User and tested for compliance with the requirements, specifications, terms, and conditions.

3.9 Warranty

The Manufacturer's standard warranty shall cover all Commodities and contractual services of the Contract. The Manufacturer's standard warranty is required to provide coverage against defective material, workmanship, and failure to perform in accordance with the specifications and required performance criteria. The Manufacturer's standard warranty coverage shall be identical to or exceed the most inclusive of those normally provided for the Commodities and contractual services specified herein that are sold to any state or local governments. The Manufacturer's standard warranty shall have a minimum term of one (1) year from the date of Acceptance, section 3.15, and shall begin only at the time of Acceptance by the Eligible User.

If the Manufacturer's standard warranty conflict with any requirements, specifications, terms, or conditions of the Contract, the Contract requirements, specifications, terms and conditions shall prevail. The Manufacturer's standard warranty terms and conditions are not part of the Contract requirements, specifications, terms, and conditions.

3.10 Recall(s)

In the event there is a recall of any of the Commodities, any of its components or any parts of the base vehicle ("Vehicle Recall"), the contractor shall provide reasonable assistance to the Department in developing a recall strategy and shall cooperate with the Department and the Buyers in monitoring the recall operation and in preparing such reports as may be required. Each Contractor shall, at the request of the Department or any Buyer give the Department and each Buyer all reasonable assistance in locating and recovering any equipment or Recalled Equipment that are not in accordance with the requirements of the Contract. Each Contractor shall immediately notify and provide copies to the Department of any communications, whether relating to recalls or otherwise, with any Buyer. The Contractor, at its own cost, shall ensure defective Recalled Equipment are rectified, replaced or destroyed in compliance with all applicable laws, rules or regulations and the Department's reasonable instructions.

3.11 Manufacturer's Last Order Date, Production Notification, and Vehicle Change

The Manufacturer's Last Order Date is the final date on which the Manufacturer stops producing the model year of a Vehicle which meets the requirements, specifications, terms, and conditions of the Contract.

The Contractor shall notify the Department of a contracted Vehicle Manufacturer's Last Order Date in writing (email) and received by the Contract Manager no later than thirty (30) calendar days prior to the effective date of the Manufacturer's Last Order Date. In the event the Manufacturer gives less than thirty (30) calendar days' notice of a Last Order Date to the Contractor, the Contractor shall notify by email or telephone, the Contract Manager no later than the next business day. When available, the Contractor agrees to immediately provide copies of the Manufacturer's notice of the Manufacturer's Last Order Dates to the Contract Manager upon request. Upon notification of Manufacturer's Last Order Date, the Department may unilaterally update the applicable Manufacturers' Last Order Date, fields within the Price Sheets, as it deems is in the best interest of the State and will best assist Customers.

Contractor shall immediately notify the ordering Customer's representative(s) of the Manufacturer's Last Order Date by telephone and using the Acknowledgement of Order Form. Upon receipt of the required telephone notification and Acknowledgement of Order form notifying the Customer of the Manufacturer's Last Order Date, the Customer may cancel the Purchase Order without penalty, or maintain the Purchase Order knowledgeable of the risk of potential non-Delivery without recourse. All Purchase Orders received and maintained after proper Customer notification of a Manufacturer's Last Order Date shall be subject to awarded Commodity availability.

After the Manufacturer's Last Order Date, the Contractor may provide, the new model year of the awarded Commodity, which meets the specifications herein, at the existing Contract Prices, discounts, requirements, terms, and conditions.

If the Contractor wishes to replace any awarded vehicle they are currently awarded on the Contract with another vehicle due to a result of a Manufacturer's Last Order Date, product revision, product alteration, product addition, or product technical improvement, the Contractor will submit the Price / Model Update Form (Attachment L), the intended replacement vehicle to the Department for consideration. The intended replacement vehicle must meet or exceed the Contract requirements, specifications, terms, and conditions. Additionally, the intended replacement vehicle offered must be at the same or lower than current Price. While vehicle updates or replacements may be offered at any time during the contract duration; all price updates shall be submitted in accordance to section 4.7. The Contractor shall provide any documents necessary for the Department to fully evaluate the Contractor's request. The Department, at its sole discretion, will accept or reject the intended replacement vehicle offered. If the Department rejects the intended replacement vehicle offered, or if there is no intended replacement vehicle offered for an awarded vehicle that is no longer available, the Department may, at its sole discretion, delete the award or delete the award and award the vehicle to the next lowest responsive and responsible Contractor, or assign the award to another Contractor.

3.12 Ordering Instructions

The following is a description of activities that will occur when ordering a vehicle. The Department may unilaterally amend the Ordering Instructions as it deems is in the best interest of the State.

3.12.1 Vehicle Needs

All state agencies shall comply with section [287.151](#), Florida Statutes, Limitation on classes of motor vehicles procured. Agencies and Other Eligible Users of this Contract shall communicate their vehicle performance needs and requirements to the designated Contractor representatives identified in this contract prior to requesting the Contract Price Quote Form(PQF). The customer is encouraged to seek more than one quote from the identified awarded contractors of the vehicle, where available.

3.12.2 Price Quotes

The Contractor prepares and submits to the Agency or Other Eligible User a price quote for the requested vehicle(s) using the Price Quote Form (PQF) (Attachment I). All requested Representative Models(s) Vehicles, OEM Options, Identified Aftermarket Options and Non-Identified Aftermarket Options shall be itemized on the PQF. The price quoted for the Representative Models(s) Vehicles, OEM Options, Identified Aftermarket Options shall not exceed the Contractor's bid prices and discounts. This PQF shall be completed by the Vendor and returned to the Customer within two (2) business days.

The Customer may negotiate with the Contractor to establish a fixed price lower than MSRP or a discount percentage of MSRP for those required "Non-Identified Aftermarket Items".

3.12.3 DMS Approval (State Agency Only)

The Customer will develop a justification to support price reasonableness and complete the DMS Fleet Management Form [MP6301- Request for Purchase of Mobile Equipment](#) (Attachment K). Submit this form with the PQF and forward to the DMS Bureau of Fleet Management for approval.

3.12.4 Purchase Order

 - 3.12.4.2.6** New License Plate Fee (if applicable, per section 3.17, Commodities Title and Registration); and
 - 3.12.4.2.7** Any Eligible User special instructions, requirements, specifications, terms, and conditions;
 - 3.12.4.2.8** The total cost for the Representative Base Model Vehicle, OEM Option(s) (if any), Identified Aftermarket Option(s) (if any), and New License Plate Fee (if applicable).
- 3.12.4.3** Contractor will place all orders received with the Manufacturer(s) within seven (7) calendar days after receipt of the Purchase Order unless the Contractor has the Representative Model, OEM Option(s) (if applicable), Identified Aftermarket Option(s) (if applicable) ordered in their possession. All orders placed with the Manufacturer(s) shall be made in full compliance with the requirements, specifications, terms, and conditions herein.
- 3.12.4.4** Contractor shall honor all Purchase Orders received during the Contract period and which precede the Manufacturer's Last Order Date (section 3.11,) for Commodities the Contractor is currently awarded. This may require the provision of the next new model year of the awarded Commodity, which meets the specifications herein, at the existing Contract Prices, Discounts, requirements, terms, and conditions

- 3.12.4.5** Contractor, from receipt of the Purchase Order until Delivery is made to the ordering Eligible User, shall promptly notify the Eligible User of any potential Delivery delays. Additionally, the Contractor must promptly advise the ordering Eligible User if their order may not be delivered prior to the end of the Eligible User's Fiscal Year (State Agency's Fiscal Year ends June 30). Note: Evidence of intentional delays in Delivery shall be cause for default proceedings and/or Contract termination.

3.13 Acknowledgement of Order

The Acknowledgement of Order Form (Attachment J) shall be used by the Contractor to notify the ordering Customer within five (5) business days of receipt of the Purchase Order for Vehicles and equipment awarded under the Contract in accordance with section 3.13.1.

3.13.1 Accept Order

Contractor agrees to deliver the awarded Vehicle(s) and equipment listed on the Purchase Order under the prices, discounts, requirements, specifications, terms, and conditions of the Contract and Purchase Order. The Contractor must email the fully completed Acknowledgement of Order Form (Attachment J) to the Customer's office within five (5) business days from the date the Contractor receives the Purchase Order. Failure of the Contractor to provide the ordering Customer the Acknowledgement of Order form within five (5) business days from the date the Contractor received the Purchase Order will be considered acceptance of the order by default, which, if necessary, shall require the provision of the next new model of the Vehicle, which meets the requirements, specifications, terms, and conditions herein. The Contractor must provide on the form:

- 3.13.1.1** The estimated delivery date of the ordered Representative Model, including if applicable, OEM and Identified Aftermarket Options, and
- 3.13.1.2** The Manufacturers' order confirmation information, unless the Contractor has the Representative Model in stock, and
- 3.13.1.3** the OEM and Identified Aftermarket Option(s) in their possession, if applicable, Production Cutoff Notification as per section 3.11.

Submission of the Acknowledgement of Order form is to be the responsibility of the Contractor without prompting or notification by the Contract Manager or Eligible User.

Repeated failures by the Contractor to submit completed Acknowledgement of Order forms to the ordering Eligible Users may be cause for default proceedings and / or Contract termination.

3.14 Transportation and Delivery

This section supersedes and replaces General Conditions [section 11, PUR 1000, Transportation and Delivery](#).

2. Copy of the ordering Customer's Purchase Order;
3. Copy of the applicable Contract specification(s) and Price Sheet information;
4. Copy of the Manufacturer's Invoice(s) for each awarded Commodity, including individual Representative Model, OEM Options, and Identified Aftermarket Options, in the shipment;
5. Manufacturer's Window Sticker(s), if applicable;
6. Manufacturer's Certificate of Origin, if applicable;
7. Manufacturer's Operator Manual, and (if not included in the operator manual) one (1) each of the Manufacturer's lubrication and maintenance instructions;
8. Copy of the Manufacturer's Standard Warranty Certifications;
9. Sales Tax Exemption Form, if applicable;
10. Temporary Tag and twenty (20) day Extension Tag, if applicable; and DHSMV 82040, Application for Certificate of Title and Vehicle Registration, if applicable.

Deliveries that do not include the above applicable forms and publications, or that have forms that have been altered, or are not properly completed, may be refused! Repeated failures by the Contractor to include the above properly completed forms and publications, or that have submitted altered forms, to the ordering Eligible Users may be cause for default proceedings and / or Contract termination.

These Transportation and Delivery requirements, terms, and conditions also apply to the re-delivery of an awarded Commodity that was previously rejected upon initial delivery.

Awarded Vehicles requiring post-Manufacturer, Dealer installed OEM Options and Identified Aftermarket Options must be delivered FOB Destination to any point within the State of Florida within thirty calendar days after receipt of the awarded Vehicles from the Manufacturer(s).

3.15 Final Inspection and Acceptance

The Eligible User, within three (3) business days of delivery, shall thoroughly inspect the Commodity received for acceptability. The Eligible User shall compare the physical Commodity delivered; contract prices, Discounts, requirements, specifications, terms, and conditions; Purchase Order; and Manufacturer's Window Sticker / Manufacturer's Invoice(s) to ensure the Commodity received meet or exceed the requirements, specifications, terms, and conditions of the Contract and Purchase Order. Additionally, the Eligible User shall inspect the Commodity for any physical damage. The Contractor is obligated to correct any errors or damage in the Commodity. Failure by the Eligible User to discover an error in the Commodity shall not relieve the Contractor from their obligation to correct the error in the event it is found any time after the Commodity is delivered.

The Parties agree that inspection and acceptance shall be the Eligible User's responsibility and occur at the location of the Eligible User. Title and risk of loss or damage to all Commodities shall be the responsibility of the Contractor until accepted by the Eligible User. The Contractor shall be responsible for filing, processing, and collecting all damage claims. The Eligible User shall assist the Contractor by:

- Recording any evidence of visible damage on all copies of the delivering carrier's bill of lading;
- Report any known visible and concealed damage to the carrier and the Contractor;
- Confirm said reports in writing within fifteen (15) business days of delivery, requesting that the carrier inspect the damaged merchandise; and

- Provide the Contractor with a copy of the carrier's bill of lading and damage inspection report.

Transportation and Delivery of the Commodity, per section 3.14 of the Contract, does not constitute Acceptance for the purpose of payment. Final acceptance and authorization of payment shall be given by the Eligible User only after a thorough inspection indicates that the Commodity is undamaged and meets the Contract requirements, specifications, terms, and conditions. Should the delivered Commodity be damaged or differ in any respect from the Contract requirements, specifications, terms, and conditions, payment shall be withheld until such time as the Contractor completes the required, Eligible User approved, corrective action.

Should the Commodity require service or adjustments as part of the Eligible User approved corrective action(s), the Contractor shall either remedy the defect or be responsible for reimbursing the Manufacturer's local service Dealer or others selected by the Eligible User to remedy the defect. The Contractor shall initiate such required service or adjustments within two (2) business days following notification by the Eligible User. The Commodity shall not be accepted until all service and / or adjustments are satisfactory and the Commodity is re-delivered in acceptable condition. The costs of any Transportation and Delivery, section 3.14, required as part of the initial or any re-deliveries due to error or damage are the responsibility of the Contractor.

The ordering Eligible User shall notify the Department of any Contract deviation that it cannot resolve with the Contractor. The Department and Eligible User shall develop a corrective action plan related to the Contract deviation, which may include the Eligible User's permanent refusal to accept the Commodity, in which case the Commodity shall remain the property of the Contractor, and the Eligible User and the State shall not be liable for payment for any portion thereof.

3.16 Commodity Compliance and Compatibility

It is the Contractor's responsibility to ensure that the Commodity supplied are compliant with the Contract requirements, specifications, terms, and conditions. Additionally, the Contractor shall ensure that the Base Equipment and any OEM Options, Identified Aftermarket Options, or Non-Identified Aftermarket Options ordered by the Eligible User are fully compatible with each other. The Contractor's acceptance of the Eligible User's Purchase Order shall indicate that the Contractor agrees to deliver Commodity that shall be fully compliant and compatible with the Purchase Order requirements, specifications, terms, and conditions.

In the event any ordered Base Equipment, OEM Options, Identified Aftermarket Options, or Non-Identified Aftermarket Options; and their respective features, equipment, and components are found by the Eligible User to be missing, incorrect, defective, damaged, non-compatible, or non-compliant, the Contractor shall, at the Eligible User's discretion, be required to do one of the following:

- Install or repair the Base Equipment, OEM Options, Identified Aftermarket Options, or Non-Identified Aftermarket Options; and their respective features, equipment, and components;
- Replace the Base Equipment, OEM Options, Identified Aftermarket Options, or Non-Identified Aftermarket Options and their respective features, equipment, and components; or
- Refund the purchase price of the applicable Base Equipment, OEM Options, Identified Aftermarket Options, or Non-Identified Aftermarket Options to the Eligible User.

Any changes necessary after the delivery of the Commodity / Commodities that are required to bring a Commodity / Commodities into compliance and / or compatibility due to an incorrect order fulfillment by the Contractor may be accomplished at the Contractor's expense.

Delivery of non-conforming Commodities and contractual services, which are not remedied as required herein, may be cause for default proceedings and / or Contract termination.

3.17 Commodities Title and Registration

Applicable awarded Vehicles delivered under the Contract shall be titled and registered by the Contractor in accordance with Chapters 319 and 320, Florida Statutes. The Contractor shall send any necessary form(s) that must be signed by an authorized representative of the Customer with the awarded commodity(ies) upon delivery, and the Contractor shall obtain any necessary signature(s) and complete the titling and registration process for the Eligible User in a timely manner.

In the event the Eligible User is permitted by statute, law, rule, ordinance, code, policy, and procedure to obtain Title and Registration independent of the Contractor, and chooses to obtain Title and Registration independent of the Contractor, the Eligible User shall notify the Contractor in writing of this decision no later than three (3) business days following receipt of the Acknowledgement of Order form, per section 3.13. However, the Eligible User shall then be obligated to Title and Register the awarded Commodity per applicable statute, law, rule, ordinance, code, policy, and procedure, and the Contractor shall provide any documents necessary for the Eligible User to do so.

For applicable awarded Commodities, Eligible Users may elect to transfer an existing license plate, or may choose to obtain a new license plate.

- Should an Eligible User elect to transfer an existing license plate, this is the standard default order type and does not require specific notation on the Purchase Order. All related fees, see section 4.8, Ceiling Prices, are included in the Base Equipment Net Price.
- Should an Eligible User elect to obtain a new license plate in lieu of transferring their old license plate, or if the awarded Commodity is an addition to their fleet and requires a new license plate, the Purchase Order should include a notation and an additional amount to cover the cost of a new license plate. The Contractor is not required to obtain new license plates for the Eligible User unless there is a notation and a new license plate fee is included on the Purchase Order. All related charges and fees, see section 4.8, Ceiling Prices, except the new license plate cost are included in the Base Equipment Net Price.
 - a) The Eligible User's Purchase Order notation for a new license plate shall include the request for a new license plate, what type of license plate is required, and a contact person's name, title, and telephone number should there be any questions.
 - b) The Contractor may obtain special plates such as "State", "County", or "City" from most county tax offices, but agency plates such as "DOT", "DC", "DNR", etc. shall be obtained from the Department of Highway Safety and Motor Vehicles, Division of Motor Vehicles, in Tallahassee, Florida.

Section 4 Contract Conditions

This section contains conditions which shall be complied with during the performance of this contract. The conditions come in two parts, General Contract Requirements and Special Contract Requirements.

4.1 General Contract Requirements

The General Contract Conditions, [PUR 1000](#) is incorporated by reference and provided via a link below:

<http://www.dms.myflorida.com/content/download/2933/11777/1000.pdf>

4.2 Special Contract Requirements

The Special Contract Requirements are provisions that relate directly to the performance of this contract.

4.2.1 Cooperation with the Inspector General

Pursuant to section 255.055(5), Florida Statutes, contractor and any subcontractors understand and will comply with their duty to cooperate with the inspector general in any investigation, audit, inspection, review, or hearing.

4.3 Pricing

The Contractor shall adhere to the prices submitted in the completed Price Sheets, which are incorporated by reference into the Contract.

4.4 Financial Consequences for Nonperformance

The State reserves the right to withhold payment or implement other appropriate remedies, such as contract termination or nonrenewal, when the Contractor has failed to perform under or comply with the provisions of this contract. When or if the Contractor fails to perform or comply with provisions of this contract, the Contractor has ten (10) calendar days from receipt of Complaint to Vendor Form (PUR 7017) to comply as instructed within the notice. An amount of \$500.00 may be assessed for each day the Contractor is delinquent after the ten (10) day notice period ends, and that amount may be withheld from a Contractor's invoice. The rights and remedies of the State in this paragraph are not considered penalties and are in addition to any other rights and remedies provided by law.

4.5 Contract Overlap

Contractors shall identify any equipment or parts covered by this solicitation that they are currently authorized to furnish under any state term contract. By entering into the Contract, a Contractor authorizes the Buyer to eliminate duplication between agreements in the manner the Buyer deems to be in its best interest.

4.6 Additions and Deletions

During the Contract Term, section 1.4, the Department shall have the right to add or delete Commodities, Groups, Representative Models, or Manufacturer or Brand Names to or from this agreement by adding them to or removing them from the Price Sheets, Attachment D. Any new Commodities, Groups, Representative Models, or Manufacturer or Brand Names added shall be at the requirements, specifications, terms, and conditions herein or as later stipulated by the Department, and at mutually agreed pricing and discounts accepted, in writing, by both the

Contractor and the Department. Commodities, Groups, or Manufacturer or Brand Names may be removed at the sole discretion of the Department, per the requirements, specifications, terms, and conditions herein or as permitted by Florida Statutes or Florida Administrative Code.

4.7 Price Adjustment

Prices may be adjusted once during the initial term with the introduction of new models and annually during the duration of the contract, starting on July 1st after the contract effective date based on the percent change (up or down) of the MSRP, or the Producers Price Index (PPI), whichever is the lowest. All requests must be submitted to the Contract Manager. MSRP percent changes shall be verified by the Manufacturer in the form of a letter or other publication. Price adjustments correlate with the PPI for the Series ID's in the table below and as published by the Bureau of Labor Statistics, in the Department of Labor, Washington, DC 20212. These reports are accessible at the following website: <http://www.bls.gov/data/>.

Groups	Industry Code	Industry	Baseline
1: Sub-Groups A & B, 2	3361103361101	Passenger cars and chassis	June 1982
1: Sub-Group E	3369913369913	Motorcycles, including three-wheel motorbikes, motorscooters, mopeds, and parts	December 1984
1: Sub-Group C & D, 3, 4, 5	3361103361102	Trucks, truck tractors, & bus chassis 14,000 lb or less. Incl. minivans, & suvs	June 1982
6	3369993369991	Self-propelled golf carts and industrial in-plant personnel carriers and parts	June 1985

When requesting a price adjustment, the Contractor may submit a justification in writing to the Contract Manager detailing the reasons for the price adjustment request and demonstrating the calculable change in PPI or MSRP for the duration of months on the current contract prior to the price that supports a price adjustment.

The requested adjustment for a price change may not exceed the percentage change of the PPI the preceding twelve months prior to the adjustment or the MSRP percent change. The contractor must complete Price / Model Update Form (Attachment L) to have the price adjustment processed. The Department reserves the exclusive right to accept or reject any request for price adjustment. Price adjustments may be effective only upon written approval by the Department and may not be applied retroactively.

During a Renewal, the pricing may be adjusted based on the percent change (up or down) of the MSRP, or the Producers Price Index (PPI), whichever is the lowest, for the term of the contract for each awarded Representative Model, and any correlating Identified Aftermarket Options.

The Department reserves the right to request price decreases at any time during the term of the Contract if it's found to be in the best interest of the State.

4.8 Ceiling Prices

The Representative Base Model Vehicle Price, individual OEM Options Net Price or OEM Options MSRP credit, and the Identified Aftermarket Option Price for each Representative Model described in the Price Sheets, shall be the not-to-exceed Ceiling Prices under the Contract.

4.8.1 Charges and Fees

In addition to total profit, the Ceiling Prices established for the Base Vehicle Price, OEM Options Net Prices (after the OEM Option Discount is applied to the MSRP) or OEM Options MSRP Credits, and the Identified Aftermarket Option Prices bid are inclusive of all charges and fees, including the following:

- 4.8.1.1** Administrative
- 4.8.1.2** Environmental
- 4.8.1.3** Title Application and Registration
- 4.8.1.4** Plate Transfer
- 4.8.1.5** Preparation
- 4.8.1.6** Handling
- 4.8.1.7** Freight
- 4.8.1.8** Shipping
- 4.8.1.9** Delivery to any point within the State of Florida
- 4.8.1.10** Warranty
- 4.8.1.11** Any other charges or fees necessary to deliver the Representative Model according to the requirements, specifications, terms, and conditions, exclusive of taxes.
- 4.8.1.12** Installation (For Options).

4.9 OEM Options Discount

The discount percentage, listed for the Representative Model's OEM Options, shall be the minimum discount percentage applied off the current MSRP (Price, not Credit) for OEM Options during the Contract period. If an OEM Option has a positive MSRP (e.g., \$1.00), then the OEM Option Discount (e.g., 10%) will provide a lower OEM Option Net Price for the individual OEM Option (e.g., \$1.00 MSRP – 10% OEM Options Discount = \$0.90 OEM Option Net Price); OEM Options Net Prices shall be rounded to the nearest whole cent; OEM Options MSRP Credits will be as stated in the MSRP list.

4.10 Routine Communications

All routine communications and reports related to this STC shall be addressed to the Department Contract Manager. Contractors shall be required to update the Vendor Information Form and submit to the Department with any changes. Communications relating to a specific order should be addressed to the contact person identified in the purchase order or contract manager. Written communications may be by e-mail, regular mail, or other reliable delivery service.

4.11 Compliance with Laws, Rules, Codes, Ordinances, and Licensing Requirements

The Contractor shall comply with all laws, rules, codes, ordinances, and licensing requirements that are applicable to the conduct of its business, including those of Federal, State, and local agencies having jurisdiction and authority. For example, Chapter 287 Florida Statutes, and Rule Chapter 60A of the Florida Administrative Code govern the contract. The Contractor shall comply with section 274A of the Immigration and Nationality Act, the Americans with Disabilities Act, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran's status. Violation of any laws, rules, codes, ordinances, or licensing requirements may be grounds for contract termination or nonrenewal of the contract.

4.12 Insurance Requirements

To the extent required by law, the Contractor shall be self-insured against, or shall secure and maintain during the life of the contract, Worker's Compensation Insurance for all its employees connected with the work of this project and, in case any work is subcontracted, the Contractor shall require the subcontractor similarly to provide Worker's Compensation Insurance for all of the latter's employees unless such employees engaged in work under the resulting contract are covered by the Contractor's self-insurance program. Such self-insurance or insurance coverage shall comply with the Florida Worker's Compensation law. In the event hazardous work is being performed by the Contractor under the resulting contract and any class of employees performing the hazardous work is not protected under Worker's Compensation statutes, the Contractor shall provide, and cause each subcontractor to provide, adequate insurance satisfactory to the Department, for the protection of his employees not otherwise protected.

The Contractor shall secure and maintain Commercial General Liability insurance including bodily injury, property damage, personal & advertising injury and products and completed operations. This insurance shall provide coverage for all claims that may arise from the services and/or operations completed under the contract, whether such services or operations are by the Contractor or anyone directly, or indirectly employed by them. Such insurance shall include a Hold Harmless Agreement in favor of the State of Florida and also include the State of Florida as an Additional Named Insured for the entire length of the resulting contract. The Contractor is responsible for determining the minimum limits of liability necessary to provide reasonable financial protections to the Contractor and the State of Florida under the resulting contract.

All insurance policies shall be with insurers licensed or eligible to transact business in the State of Florida. The Contractor's current certificate of insurance shall contain a provision that the insurance shall not be canceled for any reason except after thirty (30) days written notice to the Department's Contract Manager.

The Contractor(s) shall submit insurance certificates evidencing such insurance coverage prior to execution of a contract with the Department.

4.13 Notice of Legal Actions

The Contractor shall notify the Department of any legal actions filed against it for a violation of any laws, rules, codes ordinances, or licensing requirements within 30 days of the action being filed. The Contractor shall notify the Department of any legal actions filed against it for a breach of a contract of similar size and scope to this contract within 30 days of the action being filed. Failure to notify the Department of a legal action within 30 days of the action may be grounds for termination or nonrenewal of the contract.

4.14 Public Records

4.14.1 Access to Public Records

- (1) The Contractor shall allow public access to all documents, papers, letters, or other material made or received by the Contractor in conjunction with the Contract, unless the records are exempt from Article I, section 24(a), Florida Constitution or section 119.07(1), Florida Statutes. The Department may unilaterally terminate the Contract if the Contractor refuses to allow public access as required in this section. If, under this Contract, the Contractor is providing services, the Department may unilaterally cancel the Contract for refusal by the Contractor to allow access to all public records, including documents, papers, letters, or other material made or received by the Contractor in

conjunction with the Contract, unless the records are exempt from section 24(a) of Art. I of the State Constitution and section 119.07(1), Florida Statutes.

(2) If, under this Contract, the Contractor is providing services and is acting on behalf of a public agency as provided by section 119.0701(1)(b), Florida Statutes, the Contractor shall:

(a) Keep and maintain public records that ordinarily and necessarily would be required by the public agency in order to perform the service.

(b) Provide the public with access to public records on the same terms and conditions that the public agency would provide the records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

(d) Meet all requirements for retaining public records and transfer, at no cost, to the public agency all public records in possession of the Contractor upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the public agency in a format that is compatible with the information technology systems of the public agency.

4.14.2 Protection of Trade Secrets or Other Confidential Information

If the Contractor considers any portion of materials made or received in the course of performing the Contract ("contract-related materials") to be trade secret under section 812.081, Florida Statutes, or otherwise confidential under Florida or federal law, the Contractor must clearly designate that portion of the materials as "confidential" when submitted to the Department.

If the Department receives a public records request for contract-related materials designated by the Contractor as "confidential," the Department will provide only the portions of the contract-related materials not designated as "confidential." If the requester asserts a right to examine contract-related materials designated as "confidential," the Department will notify the Contractor. The Contractor will be responsible for responding to and resolving all claims for access to contract-related materials it has designated "confidential."

If the Department is served with a request for discovery of contract-related materials designated "confidential," the Department will promptly notify the Contractor about the request. The Contractor will be responsible for filing, the appropriate motion or objection in response to the request for discovery. The Department will provide materials designated "confidential" only if the Contractor fails to take appropriate action, within timeframes established by statute and court rule, to protect the materials designated as "confidential" from disclosure.

The Contractor shall protect, defend, and indemnify the Department for claims, costs, fines, and attorney's fees arising from or relating to its designation of contract-related materials as "confidential."

4.14.3 Retention of Records

Contractor shall retain sufficient documentation to substantiate claims for payment under the Contract, and all other records made in relation to the Contract, for five (5) years after expiration or termination of the Contract.

4.15 Annual Appropriations

The State's performance and obligation to pay under this contract are contingent upon an annual appropriation by the Legislature.

4.16 Renewal

Upon mutual agreement, the Customer and the Contractor may renew the Contract, in whole or in part, for a period that may not exceed 2 years or the term of the contract, whichever period is longer. Any renewal shall specify the renewal price, as set forth in the solicitation response. The renewal shall be in writing and signed by both parties, and is contingent upon satisfactory performance evaluations and subject to availability of funds.

4.17 Cancellation

The Department may unilaterally cancel this Contract for refusal by the service provider to comply with this section by not allowing public access to all documents, papers, letters, or other material made or received by the Contractor in conjunction with the Contract, unless the records are exempt from Article 1, section 24(a), Florida Constitution and Chapter 119.07(1), Florida Statutes.

4.18 Intellectual Property

The parties do not anticipate that any Intellectual Property shall be developed as a result of this contract. However, any Intellectual Property developed as a result of this contract shall belong to and be the sole property of the state. This provision shall survive the termination or expiration of this contract.

4.19 Gifts

The Contractor agrees that it shall not offer to give or give any gift to any State of Florida employee. This Contractor shall ensure that its sub-contractors, if any, shall comply with this provision.

4.20 Vendor Ombudsman

A Vendor Ombudsman, whose duties include acting as an advocate for Bidders who may be experiencing problems in obtaining timely payment(s) from a state agency, may be contacted at (850) 413-5516, or by calling the Department of Financial Services Consumer Hotline at 1-800-342-2762.

4.21 Monitoring by the Department

The Contractor shall permit all persons who are duly authorized by the Department to inspect and copy any records, papers, documents, facilities, goods, and services of the Contractor that are relevant to this Contract, and to interview clients, employees, and sub-contractor employees of the Contractor to assure the Department of satisfactory performance of the terms and conditions of this Contract. Following such review, the Department shall deliver to the Contractor a written report of its finding, and may direct the development, by the Contractor, of a corrective action plan. This provision shall not limit the Department's termination rights.

4.22 Scrutinized Company List

Contractor certifies that it is not listed on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, created pursuant to section 215.473, Florida Statutes. Pursuant to section 287.135(5), Florida Statutes, Contractor agrees the Department may immediately terminate this contract for cause if the Contractor is found to have submitted a false certification or if Contractor is placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List during the term of the Contract.

4.23 Business Review Meetings

The Department reserves the right to schedule business review meetings as frequently as necessary. The Department shall provide the format for the Contractor's agenda. Prior to the meeting, the Contractor shall submit the completed agenda to the Department for review and acceptance. The Contractor shall address the agenda items and any of the Department's additional concerns at the meeting. Failure to comply with this section may result in the Contract being found in default and termination of the Contract by the Department or nonrenewal of the Contract.

4.24 E-Verify

Pursuant to State of Florida Executive Order Number 11-116, Contractor is required to utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment of all new employees hired by the Contractor during the Contract term. Also, Contractor shall include in related subcontracts a requirement that sub-contractors performing work or providing services pursuant to the Contract utilize the E-Verify system to verify employment of all new employees hired by the sub-contractor during the Contract term.

4.25 Manufacturer as the Contractor

If the Contractor is the Manufacturer (not a Dealer) of the Commodities awarded, they may also include specific Dealer information in the Ordering Instructions in the provided locations. The Manufacturer, as Contractor, who elects to also include specific Dealer information within the Ordering Instructions is also required to appropriately register the listed Dealers as locations under the Contractor's Vendor registration in the State of Florida [Vendor Registration System](#).

The Manufacturer as Contractor is fully responsible for compliance with all the prices, discounts, requirements, specifications, terms, and conditions of the Contract and for any actions or inactions of the Dealer(s) they include in the Ordering Instructions. Contractor agrees that DMS controls which statewide contracts appear in MFMP and that DMS may elect at any time to remove any Contractor's offering from MFMP.

4.26 Subcontracting

The Contractor shall not subcontract, assign, or transfer any work identified under this solicitation, *with the exception of those subcontractors identified in the Contractor's bid*, without prior written consent of the Department.

The Contractor is responsible for all work performed under the contract resulting from this solicitation. No subcontract entered into by the Contractor for performance of work required under the contract, shall in any way relieve the Contractor of any responsibility for the performance of duties under the contract. The Contractor shall assure that all tasks related to the subcontract are performed in accordance with the terms of the contract.

The Department supports diversity in its Procurement Program and requests that all subcontracting opportunities afforded by this solicitation enthusiastically embrace diversity. The award of subcontracts should reflect the full diversity of the citizens of the State of Florida. Contractor can contact the Office of Supplier Diversity at (850)487-0915 for information on minority Bidders who may be considered for subcontracting opportunities.

4.27 Performance Qualifications

The Department reserves the right to investigate or inspect at any time whether the product, qualifications, or facilities offered by Contractor meet the Contract requirements. Contractor shall at all times during the Contract term remain responsive and responsible. In determining Contractor's responsibility as a Contractor, the agency shall consider all information or evidence which is gathered or comes to the attention of the agency which demonstrates the Contractor's capability to fully satisfy the requirements of the solicitation and the contract.

Contractor shall be prepared, if requested by the Department, to present evidence of experience, ability, and financial standing, as well as a statement as to capacity of the Contractor for the production, distribution, and servicing of the equipment bid. If the Department determines that the conditions of the solicitation documents are not complied with, or that the equipment or parts proposed to be furnished does not meet the specified requirements, or that the qualifications, financial standing, or facilities are not satisfactory, or that performance is untimely, the Department may reject the response or terminate the Contract. Contractor may be disqualified from receiving awards if Contractor or anyone in Contractor's employment, has previously failed to perform satisfactorily in connection with public bidding or contracts. This paragraph shall not mean or imply that it is obligatory upon the Department to make an investigation either before or after award of the Contract, but should the Department elect to do so, Contractor is not relieved from fulfilling all Contract requirements.

4.28 Contract Reporting

4.28.1 Quarterly Sales Report (Contract Deliverable)

The Contractor agrees to submit a Quarterly Sales Report (Attachment M) on a quarterly basis to the DMS Contract Manager. Quarterly Reporting periods should coincide with the contract term and should begin the quarter following contract execution. Reports are due fourteen (14) working days after the end of the reporting period.

The Contractor is required to report the vehicle sales for which the payment has been received; all open or pending orders shall not be included. A quarterly report is required even if Contractor has zero sales to report for that quarter. Initiation and submission of the Quarterly Report is the responsibility of the Contractor without prompting or notification from the DMS Contract Manager.

In addition, the Department may require additional Contract sales information such as: copies of PQF's, purchase orders, or ad hoc sales reports. The Contractor shall submit these specific ad hoc requests within the specified amount of time as requested by the Department.

4.28.2 MFMP Transaction Fee Reports

The awarded Vendor(s) will be required to pay the required transaction fees as specified in section 14 of the PUR 1000, unless an exemption has been requested and approved prior to the award of the contract pursuant to Rule 60A-1.032 of the Florida Administrative Code.

The Contractor is required to submit monthly Transaction Fee Reports in electronic format. Reports are due fourteen (14) working days after the end of the reporting period. For information on how to submit Transaction Fee Reports online, please reference the detailed fee reporting instructions and training presentations available online on the MFMP website: [MFMP Transaction Fee and Reporting](#). Assistance is also available with the Transaction Fee Reporting System from the MFMP Customer Service Desk at the email address hyperlink: [MFMP Customer Service Desk Email](#), or telephone 866-FLA-EPRO (866-352-3776) between the hours of 8:00 AM to 5:30 PM Eastern Time.

4.28.3 Preferred Pricing Affidavit Requirement (Attachment F)

The Department shall provide the Preferred Pricing Affidavit, (Attachment F), for completion by an authorized representative of the Contractor attesting that the Contractor is in compliance with the best pricing offer provision in section 4(b) of the [PUR 1000](#) form. The Contractor agrees to submit to the Department, at least annually, the completed Preferred Pricing Affidavit.

4.28.4 Savings / Price Reductions (Attachment G)

Contractor shall submit one (1) accurately completed Savings / Price Reductions form (Attachment G) with their Response containing the required savings information for each UNSPSC Code with associated Related Services offered and a method(s) for the Department to verify the savings information provided. The Savings / Price Reductions form shall not be used to determine award, only to verify the Savings / Price Reductions being offered. The Savings / Price Reductions form shall be submitted to the Department per section 2.3.4.5 of the solicitation. **Failure to provide the Savings / Price Reductions form with the Response may result in the Contractor being deemed non-responsive.**

4.28.5 Diversity Reporting

The State of Florida is committed to supporting its diverse business industry and population through ensuring participation by minority, women, and veteran owned business enterprises in the economic life of the State. The State of Florida Mentor Protégé Program connects minority-, women-, and veteran business enterprises with private corporations for business development mentoring. We strongly encourage firms doing business with the State of Florida to consider this initiative. For more information on the Mentor Protégé Program, please contact the Office of Supplier Diversity at (850) 487-0915 or email: osdhelp@dms.myflorida.com

Upon request, the Contractor shall report to the Department, spend with certified and other minority business enterprises. These reports shall include the period covered, the name, minority code and Federal Employer Identification Number of each minority Bidder utilized during the period, Commodities and services provided by the minority business enterprise, and the amount paid to each minority Bidder on behalf of each purchasing agency ordering under the terms of this Contract.

4.29 Contract Termination

4.29.1 Termination for Convenience

The Customer, by written notice to the Contractor, may terminate the Contract in whole or in part when the Customer determines in its sole discretion that it is in the State's interest to do so. The Contractor shall not furnish any product after it receives the notice of

termination, except as necessary to complete the continued portion of the Contract, if any. The Contractor shall not be entitled to recover any cancellation charges or lost profits.

4.29.2 Termination for Cause

The Customer may terminate the Contract if the Contractor fails to (1) deliver the product within the time specified in the Contract or any extension, (2) maintain adequate progress, thus endangering performance of the Contract, (3) honor any term of the Contract, or (4) abide by any statutory, regulatory, or licensing requirement. Rule 60A-1.006(3), F.A.C., governs the procedure and consequences of default. The Contractor shall continue work on any work not terminated. Except for defaults of subcontractors at any tier, the Contractor shall not be liable for any excess costs if the failure to perform the Contract arises from events completely beyond the control, and without the fault or negligence, of the Contractor. If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is completely beyond the control of both the Contractor and the subcontractor, and without the fault or negligence of either, the Contractor shall not be liable for any excess costs for failure to perform, unless the subcontracted products were obtainable from other sources in sufficient time for the Contractor to meet the required delivery schedule. If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the Customer. The rights and remedies of the Customer in this clause are in addition to any other rights and remedies provided by law or under the Contract (Reference section 4.4 Financial Consequences).

4.30 Force Majeure

Except for the payment of money due, neither party shall be deemed in breach or default of this Contract in the event that either party fails to perform pursuant to the terms and conditions of the Contract and the failure is caused by, or is in connection with, force majeure. The party suspending performance shall give prompt notice to the other party and shall attempt to cure promptly the cause for such suspension. Upon cessation of the cause for suspension, performance shall resume (or commence) as soon as reasonably practicable, unless otherwise agreed to by the parties. Notwithstanding any other provision of this contract the parties agree that the settlement of strikes, lockouts or other industrial disturbances shall be entirely within the discretion of the particular party involved.

For purposes of this Contract, the term "force majeure" shall mean acts or events beyond the control of the parties, including, but not limited to, acts of God, strikes, lockouts, or other industrial disturbances, riots, epidemics, landslides, floods, fires, washouts, arrests and restraints, civil disturbances, explosions, breakage of or accidents to pipe lines, failure of equipment or, compliance with acts, orders, regulations or requests of any federal, state or local governmental authority, whether or not of the same class or kind, reasonably beyond the control of either party and which, by exercise of due diligence, such party is unable to overcome.

In the event a force majeure condition exists, or the potential exists for such condition, the Contractor shall inform the Department of the problem at the earliest practical time and present a plan for return to normal service.

4.31 Additional Provisions

The provisions of paragraphs 287.058(1)(a) and (b), Florida Statutes, are hereby incorporated by reference.

A. **AUTHORITY** – Upon affirmative action taken by the State of Florida, Department of Management Services, a Contract has been executed between the State of Florida and the above designated Contractors. The Certification of Contract is not a contract, but is used when a large number of contractors are covered under the same contract. It allows the Department to display a single version of the contract and lists the contractors included under that agreement.

B. **EFFECT** – The Contract was entered into to provide economies in the purchase of agriculture and lawn equipment by all State of Florida agencies and institutions. Therefore, in compliance with Section 287.042, Florida Statutes, all purchases of these commodities shall be made under the prices, terms and conditions of the Contract and with the Contractors specified.

- C. ORDERING INSTRUCTIONS – All purchase orders shall be issued in accordance with the attached ordering instructions. Products or services ordered shall not exceed the prices indicated.

All Contract purchase orders shall show the State Purchasing Contract number, product number, quantity, description of item, with unit prices extended and purchase order totaled. (This requirement may be waived when purchase is made by a blanket purchase order.)

- D. CONTRACTOR PERFORMANCE – Agencies shall report any vendor failure to perform according to the requirements of this Contract on Complaint to Vendor, form PUR7017. Should the vendor fail to correct the problem within a prescribed period of time, then form PUR7029, Request for Assistance, is to be filed with this office.

- E. SPECIAL AND GENERAL CONDITIONS – Special and general conditions are enclosed for your information. Any restrictions accepted from the supplier are noted on the ordering instructions.

**STATE OF FLORIDA
DEPARTMENT OF MANAGEMENT SERVICES
AGRICULTURE AND LAWN EQUIPMENT**

THIS CONTRACT is entered into between the State of Florida, **DEPARTMENT OF MANAGEMENT SERVICES**, hereinafter referred to as the "Department", whose address is 4050 Esplanade Way, Tallahassee, Florida 32329, and _____, hereinafter referred to as the "Contractor", whose address is _____.

THE PARTIES HEREBY AGREE:

A. The solicitation (ITB NO 20-21100000-C) and the Contractor's bid, and attachments are hereby incorporated by reference.

B. General Provisions:

1. Contract Formation: The Contractor shall provide goods and services according to the terms and conditions set forth in this Contract, the Solicitation, and all other attachments named herein which are attached hereto and incorporated by reference.
2. Vendor: To perform as an independent vendor and not as an agent, representative, or employee of the Department.
3. Taxes: To recognize that the State of Florida, by virtue of its sovereignty, is not required to pay any taxes on the services or goods purchased under the terms of this Contract.
4. Applicable Law, Severability, and Venue: The contract resulting from this solicitation shall be delivered in the State of Florida and shall be construed in accordance with the laws of Florida. Wherever possible, each provision of the resulting contract shall be interpreted in such a manner as to be effective and valid under applicable law, but if any provision shall be found ineffective, then to the extent of such prohibition or invalidity, that provision shall be severed without invalidating the remainder of such provision or the remaining provisions of the resulting contract. Any action hereon or in connection herewith shall be brought in Circuit Court, Leon County, Florida.
5. Contract Term: This Contract shall begin upon execution by both parties or **September 1, 2015**, (whichever is later) and end **June 30, 2017**, inclusive.
6. Renewal: Upon mutual agreement, the Department and the Contractor may renew the Contract, in whole or in part, for a period that may not exceed 3 years or the term of the contract, whichever period is longer. Any renewal shall specify the renewal price, as set forth in the bid, response, reply, or best and final offer. The renewal must be in writing and signed by both parties, and is contingent upon satisfactory performance evaluations and subject to availability of funds.
7. Contract Amount: The agreed Contract amount is set forth in **Attachments A.1-A.5, Price Sheet Groups 1 - 21**. The State of Florida's performance and obligation

to pay under this Contract is contingent upon an annual appropriation by the Legislature.

8. Notices: All notices required under the Contract shall be delivered by certified mail, return receipt requested, by reputable air courier service, or by personal delivery to the Department designee identified in the original solicitation or Contract, or as otherwise identified by the Department. Notices to the Contractor shall be delivered to the person who signs the Contract. Either designated recipient may notify the other, in writing, if someone else is designated to receive notice.

C. Applicable Laws and Regulations:

The Contractor shall comply with all laws, rules, codes, ordinances, and licensing requirements that are applicable to the conduct of its business, including those of Federal, State, and local agencies having jurisdiction and authority. For example, chapter 287, Florida Statutes (F.S.), and rule 60A, Florida Administrative Code (F.A.C.), govern the Contract. The Contractor shall comply with Section 274 A of the Immigration and Nationality Act, the Americans with Disabilities Act, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran's status. Violation of any laws, rules, codes, ordinances, or licensing requirements shall be grounds for Contract termination or nonrenewal of the Contract.

D. Audits/Monitoring:

1. The Department may conduct, or have conducted, performance and/or compliance reviews, reviews of specific records or other data as determined by the Department. The Department may conduct a review of a sample for analyses performed by the selected Contractor to verify the quality. Reasonable notice shall be provided for reviews conducted at the successful Contractor's place of business.
2. Reviews may include, but shall not be limited to, reviews of procedures, computer systems, Customer records, accounting records, and internal quality control reviews. The selected Contractor shall work with any reviewing entity selected by the Department.

E. Inspection of Records and Work Performed:

1. The state and its authorized representatives shall, at all reasonable times, have the right to enter the selected Contractor's premises, or other places where duties under the resulting contract are performed. All inspections and evaluations shall be performed in such a manner as not to unduly delay work.
2. The selected Contractor shall retain all financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to performance under the resulting contract for a period of five (5) years after termination of the resulting contract, or if an audit has been initiated and audit findings have not been resolved at the end of five (5) years, the records shall be retained until resolution of the audit findings. If records need to be sent to the Department, the Contractor shall bear the expense of delivery.

3. Refusal by the selected vendor to allow access to all records, documents, papers, letters, other materials or on-site activities related to resulting contract performance shall constitute a breach of the contract. The right of the state and its authorized representatives to perform inspections shall continue for as long as the selected vendor is required to maintain records. The selected Contractor will be responsible for all storage fees associated with the records maintained under the resulting contract. The selected Contractor is also responsible for the shredding of records that meet the retention schedule noted above.
4. Failure to retain records as required may result in cancellation of the contract. The Department shall give the selected vendor advance notice of cancellation pursuant to this provision and shall pay the selected vendor only those amounts that are earned prior to the date of cancellation in accordance with the terms and conditions of the resulting contract. Performance by the Department of any of its obligations under a contract awarded pursuant to this solicitation shall be subject to the selected vendor's compliance with this provision.

F. Indemnification:

1. The Contractor shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless the State, the Department, and Customers, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Contractor, its agents, employees, partners, or subcontractors, provided, however, that the Contractor shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the State, the Department, or a Customer.
2. Further, the Contractor shall fully indemnify, defend, and hold harmless the State, the Department, and Customers from any suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to violation or infringement of a trademark, copyright, patent, trade secret or intellectual property right, provided, however, that the foregoing obligation shall not apply to a Customer's misuse or modification of Contractor's products or a Customer's operation or use of Contractor's products in a manner not contemplated by the Contract or the purchase order. If any product is the subject of an infringement suit or in the Contractor's opinion is likely to become the subject of such a suit, the Contractor may at its sole expense procure for the Department and Customer the right to continue using the product or to modify it to become non-infringing. If the Contractor is not reasonably able to modify or otherwise secure the Customer and Department the right to continue using the product, the Contractor shall remove the product and refund the Customer and Department the amounts paid in excess of a reasonable rental for past use. The Department and Customer shall not be liable for any royalties.
3. The Contractor's obligations under the preceding two paragraphs with respect to any legal action are contingent upon the Department or State or Customer giving the Contractor: (1) written notice of any action or threatened action; (2) the opportunity to take over and settle or defend any such action at Contractor's sole

expense; and (3) assistance in defending the action at Contractor's sole expense. The Contractor shall not be liable for any cost, expense, or compromise incurred or made by the Department or State or Customer in any legal action without the Contractor's prior written consent, which shall not be unreasonably withheld.

G. Risk of Loss:

Matters of inspection and acceptance are addressed in s. 215.422, F.S.. Until acceptance, risk of loss or damage shall remain with the Contractor. The Contractor shall be responsible for filing, processing, and collecting all damage claims. To assist the Contractor with damage claims, the Customer shall: record any evidence of visible damage on all copies of the delivering carrier's Bill of Lading; report damages to the carrier and the Contractor; and provide the Contractor with a copy of the carrier's Bill of Lading and damage inspection report. When a Customer or the Department reject a product or services, Contractor shall remove the product from the premises within ten days after notification or rejection and the risk of loss shall remain with the Contractor. Product not removed by the Contractor within ten days shall be deemed abandoned by the Contractor, and the Customer or the Department shall have the right to dispose of it as its own property. Contractor shall reimburse the Customer or the Department for costs and expenses incurred in storing or effecting removal or disposition of rejected product.

H. Assignments:

The Contractor shall not sell, assign or transfer any of its rights, duties or obligations under the Contract, or under any purchase order issued pursuant to the Contract, without the prior written consent of the Department. In the event of any assignment, the Contractor remains secondarily liable for performance of the Contract, unless the Department expressly waives such secondary liability. The Department may assign the Contract with prior written notice to Contractor of its intent to do so.

I. Return of Funds

Contractor will return to the Department any overpayments due to unearned funds or funds disallowed pursuant to the terms of this Contract that were disbursed to the Contractor by the Department or Customer. The Contractor shall return any overpayment to the Department within forty (40) calendar days after either discovery by the Contractor its independent auditor, or notification by the Department, of the overpayment.

J. State Project Plan:

Within thirty (30) calendar days following award of the Contract, the successful Contractor shall submit a plan addressing each of the five (5) objectives listed below, to the extent applicable to the services covered by this Contract. **The State reserves the right to negotiate mutually acceptable changes in regard to the below objectives, prior to execution of the resulting contract.**

1. Environmental Considerations: The State supports and encourages initiatives to protect and preserve our environment. The respondent shall submit a plan to support the procurement of products and materials with recycled content, and the intent of s. 287.045, F.S.. The Contractor shall also provide a plan for reducing

and/or handling of any hazardous waste generated by the Contractor's company. Reference Rule 62-730.160, F.A.C.. It is a requirement of the Florida Department of Environmental Protection that a generator of hazardous waste materials that exceeds a certain threshold must have a valid and current Hazardous Waste Generator Identification Number. This identification number shall be submitted as part of the Contractor's explanation of its company's hazardous waste plan and shall explain in detail its handling and disposal of waste.

2. Products Available from the Blind or Other Handicapped (RESPECT): The State supports and encourages the gainful employment of citizens with disabilities. It is expressly understood and agreed that any articles that are the subject of, or required to carry out, the resulting contract shall be purchased from a nonprofit agency for the blind or for the severely handicapped that is qualified pursuant to Chapter 413, Florida Statutes, in the same manner and under the same procedures set forth in Section 413.036(1) and (2), Florida Statutes; and for purposes of this contract the person, firm or other business entity carrying out the provisions of this contract shall be deemed to be substituted for the state agency insofar as dealings with such qualified nonprofit agency are concerned. Additional information about the designated nonprofit agency and the products it offers is available at <http://www.respectofflorida.org>.
3. Prison Rehabilitative Industries and Diversified Enterprises, Inc. (PRIDE): The State supports and encourages the use of Florida Correctional work programs. It is expressly understood and agreed that any articles which are the subject of, or required to carry out, the resulting contract shall be purchased from the corporation identified under Chapter 946, Florida Statutes, in the same manner and under the same procedures set forth in s. 946.515(2) and (4), F.S.; and for purposes of this contract the person, firm or other business entity carrying out the provisions of this contract shall be deemed to be substituted for this agency insofar as dealings with such corporation are concerned. Additional information about PRIDE and the products it offers is available at <http://www.pride-enterprises.org/>.

K. Civil Rights Requirements/Vendor Assurance

The Contractor assures that it will comply with:

1. Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000d et seq., which prohibits discrimination on the basis of race, color, or national origin.
2. Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. 794, which prohibits discrimination on the basis of handicap.
3. Title IX of the Education Amendments of 1972, as amended, 20 U.S.C. 1681 et seq., which prohibits discrimination on the basis of sex.

4. The Age Discrimination Act of 1975, as amended, 42 U.S.C. 6101 et seq., which prohibits discrimination on the basis of age.
5. Section 654 of the Omnibus Budget Reconciliation Act of 1981, as amended, 42 U.S.C. 9849, which prohibits discrimination on the basis of race, creed, color, national origin, sex, handicap, political affiliation or beliefs.
6. The Americans with Disabilities Act of 1990, P.L. 101-336, which prohibits discrimination on the basis of disability and requires reasonable accommodation for persons with disabilities.
7. All regulations, guidelines, and standards as are now or may be lawfully adopted under the above statutes.

The Contractor agrees that compliance with this assurance constitutes a condition of continued receipt of or benefit from funds provided through this Contract, and that it is binding upon the Contractor, its successors, transferees, and assignees for the period during which services are provided. The Contractor further assures that all contractors, subcontractors, sub grantees, or others with whom it arranges to provide services or benefits to participants or employees in connection with any of its programs and activities are not discriminating against those participants or employees in violation of the above statutes, regulations, guidelines, and standards.

L. Media

1. Advertising: Subject to chapter 119, Florida Statutes, the Contractor shall not publicly disseminate any information concerning the Contract without prior written approval from the Department, including, but not limited to mentioning the Contract in a press release or other promotional material, identifying the Customer, the Department or the State as a reference, or otherwise linking the Contractor's name and either a description of the Contract or the name of the State or the Department or the Customer in any material published, either in print or electronically, to any entity that is not a party to Contract, except potential or actual authorized distributors, dealers, resellers, or service representative.
2. Literature: Upon request, the Contractor shall furnish literature reasonably related to the product offered, for example, user manuals, price schedules, catalogs, descriptive brochures, etc.

M. Employment

1. Florida Substitute Form W-9 Process: State of Florida vendors must register and complete an electronic Substitute Form W-9. The Internal Revenue Service (IRS) receives and validates the information vendors provide on the Form W-9. For instructions on how to complete the Florida Substitute Form W-9, please visit: <http://www.myfloridacfo.com/Division/AA/StateAgencies/W-9Instructions022212.pdf>
2. E-Verify: Pursuant to State of Florida Executive Order Number 11-116, the Contractor is required to utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the Contractor during the Contract term. Also, Contractor shall include in related subcontracts a requirement that

subcontractors performing work or providing services pursuant to the Contract utilize the E-Verify system to verify employment eligibility of all new employees hired by the subcontractor during the Contract term.

3. Safety Standards: All manufactured items and fabricated assemblies subject to operation under pressure, operation by connection to an electric source, or operation involving connection to a manufactured, natural, or LP gas source shall be constructed and approved in a manner acceptable to the appropriate State inspector. Acceptability customarily requires, at a minimum, identification marking of the appropriate safety standard organization, where such approvals of listings have been established for the type of device offered and furnished, for example: the American Society of Mechanical Engineers for pressure vessels; the Underwriters Laboratories and/or National Electrical Manufacturers' Association for electrically operated assemblies; and the American Gas Association for gas-operated assemblies. In addition, all items furnished shall meet all applicable requirements of the Occupational Safety and Health Act and state and federal requirements relating to clean air and water pollution.

N. Vendor Performance

1. Performance Qualifications:

- a. The Department reserves the right to investigate or inspect at any time whether the product, qualifications, or facilities offered by Contractor meet the Contract requirements. Contractor shall at all times during the contract term remain responsive and responsible. In determining Contractor's responsibility as a vendor, the Department shall consider all information or evidence which is gathered or comes to the attention of the Department which demonstrates the Contractor's capability to fully satisfy the requirements of the solicitation and the contract.
- b. Contractor must be prepared, if requested by the Department, to present evidence of experience, ability, and financial standing, as well as a statement as to plant, machinery, and capacity of the Contractor for the production, distribution, and servicing of the product to be furnished. If the Department determines that the conditions of the solicitation documents are not complied with, or that the product to be furnished does not meet the specified requirements, or that the qualifications, financial standing, or facilities are not satisfactory, or that performance is untimely, the Department may terminate the contract.

2. Default:

When a Contractor is failing to fulfill its duties specified in any contract with the Department, or when a Department becomes aware that the Contractor has failed to remain qualified to perform the contract requirements, the Department may take the following actions:

- a. The Department will provide written notice to the vendor which identifies the nature of the failure and the necessary corrective action by the Contractor, which must be completed in no more than ten (10) business

days, unless the Department determines a different time span based on the Department's sole discretion and in the best interests of the State. The notice will also state that should the Contractor fail to perform within the time provided, the Contractor will be found in default.

- b. Unless the Contractor corrects the failure within the time provided, or unless the Department determines that the vendor's failure is legally excusable, the Department shall find the vendor in default and shall issue a second notice stating: (i) the reasons the Contractor is considered in default; (ii) that the Department will reprocure or has reprocured the commodities or services; and (iii) the amount of the reprocurement costs if known.
- c. A Contractor found in default will not be eligible for award of a contract by the State until such time as the Department is reimbursed by the Contractor for all reprocurement costs. Reprocurement costs may include both administrative costs and cost or price increases incurred or to be incurred as a result of the reprocurement, as well as all legal costs encumbered by the State. At the Department's discretion, reprocurement of substitute commodities or contractual services may be accomplished by first attempting to contract with the next eligible awardee under the original solicitation, when applicable. If the Department fails to contract with the next eligible awardee, it may continue in this manner sequentially through all eligible awardees until a vendor willing to perform at acceptable pricing under the solicitation's terms and conditions is found. Alternatively, the Department may elect to reprocure the commodity or contractual service pursuant to all applicable requirements of chapter 287, F.S.
- d. Until such time as it reimburses the Department for all reprocurement costs and the Department is satisfied that further instances of default will not occur, a Contractor found in default shall not be eligible for award of a contract by the Department. To satisfy the Department that further instances will not occur, the Contractor shall provide a written corrective action plan addressing the default.
- e. The foregoing provisions do not limit, waive or exclude the State's legal or equitable remedies against a defaulting Contractor.

3. Dispute Resolution:

Any dispute concerning performance of the Contract shall be decided by the Department's designated contract manager, who shall reduce the decision to writing and serve a copy on the Contractor. The exclusive venue of any legal or equitable action that arises out of or relates to the Contract shall be the appropriate Circuit Court in Leon County, Florida; in any such action, Florida law shall apply and the parties waive any right to jury trial.

O. Termination

1. Termination for Convenience:

The Department, by written notice to the Contractor, may terminate the Contract in whole or in part when the Department determines in its sole discretion that it is in the State's interest to do so. The Contractor shall not furnish any product or service after it receives the notice of termination, except as necessary to complete the continued portion of the Contract, if any. The Contractor shall not be entitled to recover any cancellation charges or lost profits.

2. Termination Due To Lack of Funds

- a. In the event funds to finance this Contract become unavailable, the Department may terminate the Contract upon no less than twenty-four (24) hours written notice to the Vendor. Said notice shall be delivered by certified mail, return receipt requested, or in person with proof of delivery. The Department shall be the final authority as to the availability of funds.
- b. The State's performance and obligation to pay under this contract are contingent upon an annual appropriation by the Legislature.

3. Suspension of Work:

The Department may, in its sole discretion, suspend any or all activities under the Contract or purchase order at any time when in the best interests of the State to do so. The Department shall provide the Contractor written notice outlining the particulars of suspension. Examples of the reason for suspension include, but are not limited to, budgetary constraints, declaration of emergency, or other such circumstances. After receiving a suspension notice, the Contractor shall comply with the notice. Within ninety days, or any longer period agreed to by the Contractor, the Department shall either: (1) issue a notice authorizing resumption of work, at which time activity shall resume; or (2) terminate the Contract or purchase order. Suspension of work shall not entitle the Contractor to any additional compensation.

4. Termination for Breach:

- a. The Department may terminate the Contract if the Contractor fails to: (1) deliver the product within the time specified in the Contract or any extension; (2) maintain adequate progress, thus endangering performance of the Contract; (3) honor any term of the Contract; or (4) abide by any statutory, regulatory, or licensing requirement. Rule 60A-1.006(3), F.A.C., governs the procedure and consequences of default. The Contractor shall continue work on any work not terminated. If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the Department. The rights and remedies of the Department in this clause are in addition to any other rights and remedies provided by law or under the Contract.

- b. Unless the Contractor's breach is waived by the Department in writing, the Department may, by written notice to the Contractor, terminate this Contract upon no less than twenty-four (24) hours written notice. Said notice shall be delivered by certified mail, return receipt requested, or in person with proof of delivery. If applicable, the Department may, at its sole discretion employ the default provisions in rule 60A-1.006(4), F.A.C.
- c. Waiver of breach of any provisions of this Contract shall not be deemed to be a waiver of any other breach and shall not be construed to be a modification of the terms of this Contract. The provisions herein do not limit the Department's right to remedies at law or to damages.
- d. Pursuant to subsection 287.135(3)(b), Florida Statutes, Department may immediately terminate any contract for cause if the Contractor is found to have submitted a false certification under subsection 287.135(5), Florida Statutes, or if Contractor is placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List during the term of the Contract.

Q. Renegotiation or Modification

The Contract contains all the terms and conditions agreed upon by the parties, which terms and conditions shall govern all transactions between the Department and the Contractor. The Contract may only be modified or amended upon mutual written agreement of the Department and the Contractor. No oral agreements or representations shall be valid or binding upon the Department or the Contractor. No alteration or modification of the Contract terms, including substitution of product, shall be valid or binding against the department. The Contractor may not unilaterally modify the terms of the Contract by affixing additional terms to product upon delivery (e.g., attachment or inclusion of standard

preprinted forms, product literature, “shrink wrap” terms accompanying or affixed to a product, whether written or electronic) or by incorporating such terms onto the Contractor’s order or fiscal forms or other documents forwarded by the Contractor for payment. The Department’s acceptance of product or processing of documentation on forms furnished by the Contractor for approval or payment shall not constitute acceptance of the proposed modification to terms and conditions.

Section 1 Introduction

1.1 Bid

The State of Florida Department of Management Services, Division of State Purchasing (Department) is issuing this Invitation to Bid (ITB) to replace the current State Term Contract (STC) for the purchase of Agriculture and Lawn Equipment which also included construction and industrial equipment.

The Department intends to solicit for, and enter into contracts with, responsive and responsible Contractors according to the criteria defined herein, for the provision of Commodities and contractual services described within this solicitation under the authority and criteria established by section 287.057, Florida Statutes.

Rule 60A-1.044(1), Florida Administrative Code, defines an STC as “indefinite quantity contracts competitively procured by the Department pursuant to s. 287.057, Florida Statutes, available for use by Eligible Users.”

This solicitation shall be administered using the MyFloridaMarketPlace (MFMP) Sourcing Tool. Vendors interested in submitting a response or bid shall comply with all of the terms and conditions described in this ITB. Information about submitting a response or bid can be found in Instructions to Bidders, section 2 of this solicitation.

1.2 Solicitation Objective

The current STC for Agriculture and Lawn Equipment has an estimated average annual spending volume of approximately \$14 million dollars. Estimated spending volume is for informational purposes only and must not be construed as representing actual, guaranteed, or minimum purposes under any new contract. Customers include state agencies and other Eligible Users.

1.3 Definitions

Definitions contained in section 287.012, Florida Statutes, Rule 60A-1.001, Florida Administrative Code, Form PUR 1000 and Form PUR 1001 are incorporated by reference, and apply to this solicitation. These definitions apply in both their singular and plural sense.

1.3.1 Base Equipment

A Department specified Commodity, which meets the requirements, specifications, terms, and conditions herein.

1.3.2 Bidder

One who submits a response to this Invitation to Bid (ITB).

1.3.3 Commodity

A tangible good, which may or may not meet the specifications herein. Commodities under this contract are Agriculture and Lawn Equipment which includes the Base Equipment, associated OEM Options, Accessories and Implements and Replacement Parts classified under twenty-one (21) Groups, listed in section 3.1.

1.3.4 Confidential Information

Any portion of a bidder's documents, data, or records disclosed relating to its response that the bidder claims is confidential and not subject to disclosure pursuant to Chapter

119, Florida Statutes, the Florida Constitution, or any other authority that is clearly marked "Confidential".

1.3.5 Contract

The agreement that results from this competitive procurement, if any, between the Department and the Contractor identified as providing the best value to the State. (This definition replaces the definition in the PUR 1000).

1.3.6 Contractor

The Vendor that has been awarded and contracts to provide Agriculture and Lawn equipment, which meet the requirements, specifications, terms, and conditions herein, to state agencies and other Eligible Users.

1.3.7 Dealer

A Manufacturer's certified representative authorized by the Manufacturer to market, sell, provide, and service the Commodities and services of the Manufacturer responsive to this solicitation. Dealers may be Contractor owned and controlled, in whole or in part or independently owned and controlled.

1.3.8 Eligible User

As defined in Rule 60A-1.005, Florida Administrative Code.

1.3.9 Group

A series of commodities with applicable commodity codes which are described in Attachment A under Price Sheet.

1.3.10 MSRP

An acronym for the Manufacturer's Suggested Retail Price. It represents the Manufacturer's recommended retail selling price, list price, published price, or other usual and customary price that would be paid by the purchaser for specific commodities or equipment models, and contractual services without benefit of a contract resulting from the solicitation, if awarded.

MSRPs shall be formally published by the manufacturer, publicly listed and available, and verifiable by the Department.

1.3.11 MSRP List

The Manufacturer's Suggested Retail Price List, a collection of MSRPs and related information broken down by specific commodities or equipment models. In the priority listed below, only the following are acceptable sources of current MSRPs and MSRP Lists for use under the solicitation and resulting Contract, if awarded:

- Manufacturer's Annual U.S. Price Book, and
- Manufacturer's official website.

1.3.12 Manufacturer

The original producer or provider of Agriculture and Lawn Equipment responsive to this solicitation.

1.3.13 OEM Option(s), Accessory(ies) & Implement(s), OEM Option(s),

The Manufacturer's Base Equipment related optional component, feature, or configuration, which meets the requirements, specifications, terms, and conditions herein, and may be installed to, uninstalled from, or provided with or separately from the Base Equipment by the Manufacturer or Dealer, as is specified, ordered, legal, customary, reasonable, and prudent in the industry.

1.3.14 Sub Group

A specific series of commodities within a Group which are described in Attachment A under Price Sheet.

1.3.15 Vendor(s)

The entity that is in the business of providing a Commodity or service similar to those within the solicitation.

1.4 Term

The initial term of the Contract shall be two (2) years with up to two renewal years. The contract may be renewed in whole or in part for a period that shall not exceed the renewal years, at the renewal pricing outlined in section 4.7.

1.5 Contract Formation

The Department intends to enter into a contract with the awarded Bidder(s) pursuant to section 2.8 Basis of Award. The Contract shall be composed of the following: This solicitation, General Contract Conditions ([PUR 1000](#)), Special Contract Conditions, Description of Scope, Price Sheet (format approved by the Department) submitted by the Contractor after award and additional documentation (as required).

1.6 Timeline of Events

The table (Attachment G) contains the Timeline of Events for this solicitation. Bidders should become familiar with the Timeline of Events. The dates and times within the Timeline of Events may be subject to change. It is the responsibility of the Bidder to check for any changes. All changes to the Timeline of Events shall be made through an addenda to the solicitation and noticed on the Vendor Bid System and within the MFMP Sourcing Tool.

DO NOT RELY ON THE MYFLORIDAMARKETPLACE SOURCING TOOL'S TIME REMAINING CLOCK. THE OFFICIAL SOLICITATION CLOSING TIME AND RESPONSE DEADLINES SHALL BE AS REFLECTED IN THE TIMELINE.

The MyFloridaMarketPlace Sourcing Tool's time remaining clock is not the official submission date and time deadline, it is intended only to approximate the solicitation closing and may require periodic adjustments.

It is strongly recommended to submit your response as early as possible. You should allow time to receive any requested assistance and to receive verification of your submittal; waiting until the last hours of the solicitation could impact the timely submittal of your response.

1.7 Order of Precedence for Solicitation

In the event of conflict, the conflict may be resolved in the following order of priority (highest to lowest):

1. Addenda to Solicitation, if issued
2. Introduction
3. Description of Scope

4. Special Instructions
5. General Instructions
6. Special Contract Requirements
7. General Contract Requirements

1.8 Procurement Officer

The Procurement Officer is the sole point of contact from the date of release of this ITB until 72 hours after the contract award is made.

Procurement Officer for this ITB is:

Leslie Gallegos

Associate Category Manager

Florida Department of Management Services

Division of State Purchasing

4050 Esplanade Way, Suite 360

Tallahassee, FL 32399-0950

Phone: (850) 410-2426

Email: Leslie.Gallegos@dms.myflorida.com

******ALL EMAILS TO PROCUREMENT OFFICE SHALL CONTAIN THE SOLICITATION
NUMBER IN THE SUBJECT LINE OF THE EMAIL******

1.9 Limitation on Contact with Government Personnel (section 287.057(23), Florida Statutes)

Bidders to this solicitation or persons acting on their behalf may not contact, between the release of this solicitation and the end of the 72-hour period following the agency posting the Notice of Intended Award, excluding Saturdays, Sundays, and State holidays (section 110.117, Florida Statutes), any employee or officer of the executive or legislative branch concerning any aspect of this solicitation, except in writing to the Procurement Officer or as provided in the solicitation documents. Violation of this provision may be grounds for rejecting a response.

1.10 Special Accommodations

Any person requiring a special accommodation due to a disability should contact the Department's Americans with Disabilities Act (ADA) Coordinator at (850) 922-7535. Accommodation requests for meetings shall be made at least five workdays prior to the meeting. A person who is hearing or speech impaired can contact the ADA Coordinator by using the Florida Relay Service at (800) 955-8771 (TDD). The telephone numbers are supplied for notice purposes only.

1.11 Lobbying Disclosure

The successful vendor shall comply with applicable federal requirements for the disclosure of information regarding lobbying activities of the successful vendor, subcontractors or any authorized agent. Certification forms shall be filed by the successful vendor and all subcontractors, certifying that no federal funds have been or shall be used in federal lobbying activities and the disclosure forms shall be used by the successful vendor and all subcontractors to disclose lobbying activities. The successful vendor shall comply with the provisions of section 216.347, Florida Statutes, which prohibits the expenditure of contract funds for the purpose of lobbying the Legislature or a state agency.

1.12 ITB Process

The ITB is a method of competitively soliciting a commodity or contractual service pursuant to section 287.057(1) (a), F. S. The Department posts an ITB on the Vendor Bid System (VBS) to initiate the process and also posts the solicitation in the MFMP Sourcing Tool.

Bidders must submit questions in writing to the Procurement Officer via the MFMP Sourcing Tool by the date listed in Attachment G; Timeline of Events. Bids shall be submitted by the deadline listed in the Timeline of Events. The Department shall open the bids in a public meeting. Once the Department has evaluated the bids, the Department shall post a Notice of Intended Award on the VBS.

1.12.1 Question Submission

The Department shall entertain written questions regarding the solicitation or the procurement process submitted through the MFMP Sourcing Tool for a limited period of time as specified in the Timeline of Events. The purpose of this question period is to promote the bidder's full understanding of the solicitation requirements by providing written binding answers to questions about the solicitation.

In order to submit a question, bidders shall be registered in MFMP Sourcing and have access to the "Messages" tab in the solicitation dashboard. For information about registering with MFMP Sourcing, please see section 2.2; Special Instructions. The Department shall not respond to questions submitted through any other format or medium (telephone calls, emails, letters, etc.).

Questions submitted via the "Messages" tab within the MFMP Sourcing Tool shall be RECEIVED NO LATER THAN the time and date reflected on the Timeline of Events. Questions shall be officially answered via addenda as stated in the Timeline of Events. The Department shall not be bound by any verbal information or by any written information that is not contained within the solicitation documents or formally noticed and issued by the Department's contracting personnel.

1.12.2 Solicitation Addenda

If the Department finds it necessary to supplement, modify, or interpret any portion of the solicitation package during the solicitation period, a written addenda shall be posted on the VBS and the MFMP Sourcing Tool as Addenda to this solicitation. It is the bidder's responsibility to check VBS and MFMP Sourcing Tool periodically for any information or updates to this solicitation. The Department bears no responsibility for any resulting impacts associated with a prospective bidder's failure to obtain the information made available through the VBS and MFMP Sourcing Tool.

1.12.3 Protest of Terms, Conditions, and Specifications

With respect to a protest of the terms, conditions, specifications contained in this solicitation, including any provisions governing the methods for scoring or ranking responses, awarding contracts, or modifying or amending any contract, a notice of intent to protest shall be filed in writing within 72 hours after the posting of the solicitation. For purposes of this provision, the term "the ITB" includes this solicitation document, any addenda, response to written questions, clarification or other document concerning the terms, conditions, and specifications of the solicitation.

1.12.4 Public Opening

In accordance with PUR 1001, responses shall be opened on the date and at the location indicated on the Timeline of Events (Attachment G). Bidders should, but are not required to, attend. The Department may choose not to announce prices or release other materials pursuant to s. 119.071(1) (b), Florida Statutes.

1.12.5 Electronic Posting of Notice of Intended Award

Based on the evaluation, on the date indicated in the Timeline of Events the Department shall electronically post a Notice of Intended Award on the VBS and the MFMP Sourcing website for review by interested parties at the time and location specified in the Timeline of Events. The Notice of Intended Award shall remain posted for a period of seventy-two (72) hours, not including weekends or State observed holidays. If the notice of award is delayed, in lieu of posting the notice of intended award the Department may post a notice of the delay and a revised date for posting the notice of intended award.

1.12.6 Protest of Notice of Intended Award

Any Bidder desiring to protest the Notice of Intended to Award shall file any notice of protest and any subsequent formal written protest with Agency Clerk, Department for Management Services, 4050 Esplanade Way, Tallahassee, FL 32399, within the time prescribed in section 120.57(3) Florida Statutes and Chapter 28-110, Florida Administrative Code. Please copy the Procurement Officer on such filings. Failure to file a notice of protest and a formal protest within the time prescribed in section 120.57(3), Florida Statutes, shall constitute a waiver of proceedings under Chapter 120, Florida Statutes.

1.12.7 Firm Response

The Department should make an award within sixty (60) days after the date of the opening, during which period responses shall remain firm and shall not be withdrawn. If an award is not made within sixty (60) days, the response shall remain firm until either the Department awards the Contract or the Department receives from the bidder written notice that the response is withdrawn. Any response that expresses a shorter duration should, in the Department's sole discretion, be accepted or rejected.

1.12.8 Modification or Withdrawal of Bid

Bidders are responsible for the content and accuracy of their bid. Bidders should modify or withdraw their bid at any time **prior** to the bid due date in accordance with the Timeline of Events. For instructions on how to modify or withdraw bids refer to the link: [MFMP Vendor Toolkit](#) or for technical assistance please select this link: [MFMP Vendor Help](#) or call (866) 352-3776.

1.12.9 Cost of Response Preparation & Independent Preparation

The costs related to the development and submission of a response to this ITB is the full responsibility of the bidder and is not chargeable to the Department. A Bidder shall not, directly or indirectly, collude, consult, communicate or agree with any other Vendor or Bidder as to any matter related to the response each is submitting. Additionally, a Bidder shall not induce any other Bidder to modify, withdraw, submit or not submit a response.

1.12.10 Taxes

The State does not pay Federal excise or sales taxes on purchases of equipment. The State shall not pay for any personal property taxes levied on the Contractor or for any

taxes levied on employees' wages. Any exceptions to this paragraph shall be explicitly noted by the Department in the Contract.

1.12.11 Disclosure of Bid Contents

Pursuant to the Public Records Act, all documentation provided to the Department as part of the ITB shall become the property of the Department and shall not be returned to the Bidder unless it is withdrawn prior to the response opening.

1.13 Contract Formation

The Department shall issue a notice of award, if any, to successful Bidder(s), however, no Contract shall be formed between Bidder and the Department until the Department signs the Contract. The Department shall not be liable for any costs incurred by a Bidder in preparing or producing its response or for any work performed before the Contract is effective.

The Department intends to enter into a contract with the awarded Bidder(s) pursuant to section 2.8; Basis of Award. No additional documents submitted by a Bidder should be incorporated in the contract unless it is specifically identified and incorporated by reference in the attached contract document.

Section 2 Instructions to Bidders

This section contains instructions to Bidders on how to submit a Bid. The instructions come in two parts; General Instructions and Special Instructions.

2.1 General Instructions

The [PUR 1001](#), The General Instructions to Bidders, is incorporated by reference and provided via the link below:

<http://www.dms.myflorida.com/content/download/2934/11780/1001.pdf>

In the event any conflict exists between the Special Instructions and General Instructions to Bidders, the Special Instructions shall prevail.

2.2 Special Instructions

2.2.1 MFMP Registration

In order to bid, Bidders shall have a current Vendor registration and be active for “Sourcing Events” within the link: [MFMP Vendor Information Portal Website](#).

MyFloridaMarketPlace Vendor Registration

Each Bidder doing business with the State of Florida for the sale of commodities or contractual services as defined in section 287.012, Florida Statutes, shall register in MyFloridaMarketPlace, in compliance with Rule 60A-1.030, Florida Administrative Code, unless exempt under Rule 60A-1.030(3) Florida Administrative Code.

2.2.2 How to Submit a Bid

Submit responses to this solicitation via the MyFloridaMarketPlace Sourcing Tool by selecting this link: [MFMP Sourcing 3.0 Login](#). Bidders shall have a current Vendor registration and be active for “Sourcing Events” within the link [MFMP Vendor Information Portal](#). Download the MFMP Participation Instructions to Bidder, for detailed instructions on how to participate within the MFMP Sourcing Tool 3.0.

Include all appropriate pricing, discounts, documents, forms, files, question responses, and information responses located within the MFMP Sourcing Tool for the solicitation in Bids. All required or requested pricing, discounts, documents, forms, files, question responses, and information responses are to be entered electronically in the MFMP Sourcing Tool during this solicitation as indicated.

2.2.3 Sourcing Tips and Training

After logging into MFMP Sourcing 3.0, “My Events” lists all events the Bidder already chose to “Join” (i.e., you intend to submit a formal response). “Public Events” lists those events associated with the Bidder’s registered UNSPSC listed in their Bidder Information Portal (VIP) accounts, but the Bidders have not yet “Joined.” Joining an event moves the event from “Public Events” to “My Events,” allows the Bidder to submit questions about the event (solicitation), and alerts Bidders to any associated updates (e.g., addenda, event edits, etc.).

To respond to a solicitation, bidders shall review and accept the electronic agreement on the “Review and Accept Agreement” page. Click the radio button next to, “I accept the

terms of this agreement.”

When responding, save work frequently – at intervals less than 20 minutes. Sourcing 3.0 automatically times out after 20 minutes of inactivity. Any unsaved information may be lost when the system times out. Clicking the “Save” button within Sourcing 3.0 only saves your solicitation responses.

To transmit responses to the State, Bidders shall click “Submit Entire Response.” After clicking the “Submit Entire Response” button, Bidders are responsible to verify and validate any submitted response in Sourcing 3.0 to ensure their responses are accurate and complete prior to the bid closing time.

Bidders should allow sufficient time, prior to the Solicitation event period closing, to address any errors and resubmit revised responses.

To validate responses, please do the following before the Solicitation period ends:

Click the “Response History” link to confirm that your “submitted” response is visible, and, therefore, formally submitted.

Confirm that a status of “Accepted” displays next to your submitted response.

Click on the Reference number of your submitted bid response to review the submission.

Please check the following:

- Text boxes – Is your entire answer viewable?
- Yes/No questions – Are the displayed answers correct?

For technical assistance, contact the MFMP Customer Service Desk (CSD) at (866) 352-3776 or by email at VendorHelp@MyFloridaMarketPlace.com. For additional information regarding Vendor online training or to view MFMP Sourcing training documents select the hyperlink, [MFMP Vendor Toolkit](#).

2.2.4 Who May Respond

Any equipment Manufacturer or Dealer may respond. Eligible bidders must satisfy the requirements, specifications, terms and conditions of the solicitation, and demonstrate their capability to perform a statewide contract in the State of Florida including service locations statewide.

NOTE: Pursuant to section 607.1501, Florida Statutes, out-of-state corporations where required, must obtain a Florida Certificate of Authorization pursuant to section 607.1503, Florida Statutes, from the Florida Department of State, Division of Corporations, to transact business in the State of Florida. The Respondent out-of-state corporations agree to attain such authorization within seven business days of notice of award, should the Respondent be awarded. Website: www.sunbiz.org.

2.2.5 Manufacturer’s Name and Approved Equivalents

Unless otherwise specified, any manufacturers’ names, trade names, brand names, information or catalog numbers listed in a specification are descriptive, not restrictive. With the Buyer’s prior approval, the Contractor must provide any equipment that meets or

exceeds the applicable specifications. The Contractor shall demonstrate comparability, including appropriate catalog materials, literature, specifications, test data, etc. The Buyer shall determine in its sole discretion whether equipment is acceptable as an equivalent.

2.2.6 Mandatory Requirements or Conditions

The State has established certain requirements with respect to responses submitted to competitive solicitations. The use of “shall”, “must”, or “will” (except to indicate futurity) in this solicitation, indicates a requirement or condition that may be mandatory. A deviation from a mandatory requirement or condition is material if, in the State’s sole discretion, the deficient response is not in substantial accord with the solicitation requirements, provides an advantage to one bidder over another, or has a potentially significant effect on the quality of the response or on the cost to the State. The words “should” or “may” in this solicitation indicate desirable attributes or conditions, but are permissive in nature.

2.2.7 Bidder Qualification Questions

Bidders must submit a Yes/No response to the following Qualification Questions within the MFMP Sourcing Tool. Bidders are to meet and respond to the qualifications identified in the following Qualification Questions in order to be considered responsive. The Department may not evaluate bids from Bidders who answer “No” to any of the Qualification Questions.

2.2.7.1 Does the Bidder certify that the person submitting the bid is authorized to respond to this ITB on Bidder’s behalf?

2.2.7.2 Does the Bidder certify that it is not a Convicted Vendor as defined in section 7 of the PUR 1001?

2.2.7.3 Does the Bidder certify that it is not a Discriminatory Vendor as defined in section 8 of the PUR 1001?

2.2.7.4 Does the Bidder certify compliance with section 9 of the PUR 1001?

2.2.7.5 Does the Bidder certify that it is not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List?

2.2.7.6 Does the Bidder certify that it shall, if awarded, submit to the Department, at least annually, the completed signed Preferred Pricing Affidavit as required in section 4.27.5 of this solicitation?

2.2.7.7 Does the Bidder certify that it shall, if awarded, submit quarterly to the Department a Contract Sales report, as required in section 4.27.1 of this solicitation?

2.2.7.8 Does the Bidder certify that they have carefully and thoroughly reviewed their bids or prices on the Price Sheet (Attachment A) for accuracy and completeness?

2.2.7.9 Does the Bidder certify that they have read and understand the requirements stated in section 2.6 Supporting Documents?

2.2.7.10 Does the Bidder certify that they shall, if awarded, have at least one full service repair facility as required in section 2.5 of this solicitation?

2.2.7.11 Does the Bidder certify that they have submitted the MSRP Certification (Attachment J) from each Manufacturer as required in section 2.3.4.6?

2.3 Contents of Bid

Organize Bids in parts as directed below. Submit all the information requested in each part below through the [MFMP Sourcing Tool](#). Failure to submit all of the requested information in sections 2.3.1 through 2.3.4 (Part 1 through Part 4) below, in the format required under this ITB may result in a determination of Bidder non-responsiveness. Label each response with the appropriate section number (and part number) below:

2.3.1 Part 1 - Company Information

Complete the Vendor Information Form (Attachment F) to include all of the below:

2.3.1.1 Company name and address.

2.3.1.2 Name, title, phone number and email of person within the company responsible for administering the contract.

2.3.1.3 Federal ID Number

2.3.1.4 Internet website address

2.3.2 Part 2- Relevant Past Performance

Provide a synopsis of the five most recent large volume equipment contracts (which are similar to this ITB) in which your organization provided equipment. Include the following information:

2.3.2.1 Contract number;

2.3.2.2 Term of the contract;

2.3.2.3 The name and telephone number of the customer's contact person;

2.3.2.4 Number of items sold by your organization under the contract;

2.3.2.5 Average number of your organization's personnel assigned to contract; and

2.3.2.6 The final overall sales received by your organization under the contract.

2.3.3 Part 3 - Price Sheet Submission (Attachment A)

Download the Price Sheet (Attachment A-Price Sheet), complete and upload it within the MFMP Sourcing Tool, per section 2.2.2 of the solicitation. Bidders are not required to bid on all Groups or all Manufacturers or Brand Names within a Group (including Sub Groups).

2.3.4 Part 4 – Other information

2.3.4.1 Current Department of State Registration Form

Submit a current copy of the Bidder's registration with the Florida Department of State, which authorizes the company to do business in the State of Florida (www.sunbiz.org). See section 2.2.4.

2.3.4.2 Out-of State Preference Letter from Attorney (if applicable)

Any Bidder who states that its "principal place of business" is outside of this state shall submit with its bid a written opinion of an attorney at law, licensed to practice law in that foreign state, that contains information explaining the preferences, any or none, granted by the law of that state to its own business entities whose principal place(s) of business are in that foreign state in the letting of any or all public contracts. For the purpose of this ITB, "principal place of business" means the state in which the Bidder's high level officers direct, control, and coordinate the Bidder's activities.

2.3.4.3 Certification of Drug-Free Workplace (Attachment C)

Bidder must download and complete the Certification of Drug-Free Workplace found in section 5 (Attachment C).

2.3.4.4 Preferred Pricing Affidavit (Attachment D)

Bidders must download and complete the Preferred Pricing Affidavit found in section 5 (Attachment D).

2.3.4.5 Savings/Price Reduction (Attachment E)

The Bidder is required to furnish the percent (%) savings in prices offered compared to retail, list, published or other usual or customary prices that would be paid by the purchaser without the benefit of a contract resulting from this bid. Attachment E (PUR 7064), Savings/Price Reductions is provided to facilitate the Bidders response to this requirement. The Bidder is required to submit this form with its bid, and at the time of any renewals or extensions. Savings/Price Reduction Form found in section 5 (Attachment E).

2.3.4.6 MSRP Certification (Attachment J)

Bidder must download and complete the MSRP Certification (Attachment J) found in section 5.

2.3.4.7 MSRP Lists

Bidder must submit the MSRP List(s) consistent with section 2.6 Supporting Documents and Certification (Attachment J).

2.4 Alternate Responses

Bidder may not submit more than one bid for each listed Manufacturer or Brand Name per Group (including Sub Groups). The Department seeks each Bidder's single-best response by Manufacturer or Brand Name per Group.

2.5 Full-Service Repair Facilities

The Contractor agrees to maintain at least one factory-authorized service station or servicing dealer within the State of Florida to perform warranty repairs and adjustments throughout the

contract term. Contractors must complete the Vendor Information form (Attachment F) included in the Forms Section of this ITB, and must maintain that document throughout the contract term. The Contractor shall promptly notify the Department of any changes thereto. The Contractor shall be responsible for all service performed, regardless of whether the Contractor or their approved dealer actually performed the service.

The Contractor may offer eligible Customers “after warranty” service agreements for the maintenance and repair of goods after the initial warranty expires. The Contractor shall list this additional service as a separate item on the invoice.

2.6 Supporting Documents

Bidder shall submit the following Supporting Documents with their Bid, as noted:

MSRP List: With the bid, Bidder shall provide one (1) applicable, current, complete, and separate MSRP List (as defined under section 1.3.11) for each Group (including Sub Groups) and Manufacturer or Brand Name bid under Attachment A, Price Sheet. Therefore, multiple MSRP Lists may be required (e.g., by Group and Manufacturer or Brand Name).

The MSRP List shall include the Manufacturer’s Model Number, Manufacturer’s Item Description, and MSRP for each of the Manufacturer or Brand Name and Group’s applicable Base Equipment; OEM Options, Accessories, & Implements; and OEM & Replacement Parts offered. The MSRP List shall include the applicable Group, Manufacturer or Brand Name, MSRP List Name, Percent Discount and MSRP List Date on the cover or first page.

Bidder shall complete MSRP Certification (Attachment J) from each Manufacturer. Bidder shall not alter, adjust, or modify a Manufacturer’s MSRP when submitting Supporting Documents. MSRPs shall be formally published by the Manufacturer, publicly listed and available, and verifiable by the Department. The Department shall be the final arbitrator of MSRPs should the pricing differ from the published MSRPs.

The Supporting Documents shall be uploaded to the Department per section 2.2.2 of the solicitation. **Failure to provide accurate and compliant Supporting Documents with the Response may result in the Bidder being deemed non-responsive.**

2.7 Evaluation Criteria

The Department shall evaluate eligible responsive bids. Responses that do not meet all requirements of the solicitation or fail to provide all required information, documents, or materials may be rejected as non-responsive. Bidders whose Responses, past performance, or current status do not reflect the capability, integrity, or reliability to fully and in good faith perform the requirements of a Contract may be rejected as non-responsible. The Department reserves the right to determine which Responses meets the requirements, specifications, terms, and conditions of the solicitation, and which Bidders are responsive and responsible.

2.8 Basis of Award

Awards shall be made to one (1) responsive, responsible Bidder that offers the highest Base Equipment MSRP discount per Manufacturer or Brand Name in each Group line number.

The Department reserves the right to award to a single contractor or award to multiple contractors by Manufacturer or Brand Name, within each Group line number or any other Sub Group if deemed to be in the best interest of the State.

Bidders are not required to bid every Group (including Sub Groups) or every Manufacturer or Brand Name within a Group. If the Bidder wishes to be considered for an award, they must submit a bid for the Base Equipment MSRP discount for a Manufacturer or Brand Name within a Group (including Sub Groups) and the MSRP discounts for the OEM Options, Accessories, & Implements and associated OEM & Replacement Parts for the Manufacturer or Brand Name bid. However, awards for each Manufacturer or Brand Name within a Group shall be based upon the greatest Base Equipment MSRP discount bid by a responsive and responsible Bidder.

2.9 Preference to Florida Vendors

If the lowest bid is submitted by a Bidder whose principal place of business is located outside the State of Florida, preference shall be applied consistent with section 287.084, Florida Statutes.

2.10 Tie Bids

In the event that the Department's evaluation results in identical evaluations of replies for the lowest Group price or three bidders with the lowest Group price, the Department shall select Bidder(s) based on the criteria identified in Rule 60A-1.011, Florida Administrative Code.

2.11 Rejection of Bids

The Department shall review bidder responses using the criteria listed in section 2.2.7 Bidder Qualification Questions to determine responsiveness. Bids that do not meet all requirements, specifications, terms, and conditions of the solicitation or fail to provide all required information, documents, or materials may be rejected as non-responsive. Bidders whose bids, past performance, or current status do not reflect the capability, integrity, or reliability to fully and in good faith perform the requirements of a contract may be rejected as not responsible. The Department reserves the right to determine which bids meet the requirements of this solicitation, and which bidders are responsive and responsible.

2.12 Minor Irregularities/Right to Reject

The Department reserves the right to accept or reject any and all bids, or separable portions thereof, and to waive any minor irregularity, technicality, or omission if the Department determines that doing so shall serve the State's best interests. The Department may reject any response not submitted in the manner specified by the solicitation documents.

2.13 Redacted Submissions

The following section supplements section 19 of the [PUR 1001](#). If Bidder considers any portion of the documents, data or records submitted in response to this solicitation to be confidential, proprietary, trade secret or otherwise not subject to disclosure pursuant to Chapter 119, Florida Statutes, the Florida Constitution or other authority, Bidder shall mark the document as "Confidential" and simultaneously provide the Department with a separate redacted copy of its response and briefly describe in writing the grounds for claiming exemption from the public records law, including the specific statutory citation for such exemption. This redacted copy shall contain the Department's solicitation name, number, and the Bidder's name on the cover, and shall be clearly titled "Redacted Copy." The Redacted Copy should only redact those portions of material that the Bidder claims is confidential, proprietary, trade secret or otherwise not subject to disclosure.

In the event of a request for public records pursuant to Chapter 119, Florida Statutes, the Florida Constitution or other authority, to which documents that are marked as confidential are responsive,

the Department shall provide the Redacted Copy to the requestor. If a requestor asserts a right to the Confidential Information, the Department shall notify the Bidder such an assertion has been made. It is the Bidder's responsibility to assert that the information in question is exempt from disclosure under Chapter 119, Florida Statutes, or other applicable law. If the Department becomes subject to a demand for discovery or disclosure of the Confidential Information of the Bidder in a legal proceeding, the Department shall give the Bidder prompt notice of the demand prior to releasing the information (unless otherwise prohibited by applicable law). The Bidder shall be responsible for defending its determination that the redacted portions of its response are confidential, proprietary, trade secret, or otherwise not subject to disclosure.

By submitting a bid, the Bidder agrees to protect, defend, and indemnify the Department for any and all claims arising from or relating to the Bidder's determination that the redacted portions of its reply are confidential, proprietary, trade secret, or otherwise not subject to disclosure. If Bidder fails to submit a redacted copy of information it claims is confidential, the Department is authorized to produce the entire documents, data, or records submitted to the Department in answer to a public records request for these records.

2.14 Additional Information

By submitting a bid, Bidder certifies that it agrees to and satisfies all criteria specified in the ITB. The Department may request, and Bidder shall provide, supporting information or documentation. Failure to supply supporting information or documentation as required and requested shall result in disqualification of the bid.

The Contract is intended to cover only those Agriculture and Lawn Commodities generally used by the State of Florida as listed and described herein, and does not include all varieties of equipment that are commercially available. The Department in its sole discretion shall determine the eligibility and acceptability of all Commodities available and included under the Contract. The Contractor shall be responsible for removing all non-eligible and unacceptable Commodities under the Contract from the Contractors MSRP list.

Delivery of non-conforming Commodities and contractual services, which are not remedied as required herein, may be cause for default proceedings and / or Contract termination.

3.2 Commodity Specifications and Standards

The Commodity Specifications and Standards are based on the known needs of Eligible Users and best information available to the Department at the time the Commodity Specifications and Standards were created.

The following specifications and standards form a part of the overall Technical Specifications except as modified or noted herein.

All Commodities, including all Base Equipment; OEM Options, Accessories, & Implements; OEM & Replacement Parts; and their respective features, equipment, and components, shall individually and jointly comply with the following:

1. All Commodities shall be designed, constructed, equipped, assembled (except as specified in section 3.9, Transportation and Delivery), and installed (OEM & Replacement Parts do not include installation) to be fully suitable for their intended use, purpose, and service;
2. All Commodities shall be new and unused (except as specified in section 3.9, Transportation and Delivery), for the current Manufacturer's model year or later, of current or recent production, and of the latest design and construction;
3. All Commodities shall be bio-diesel (B-20), compressed natural gas ("CNG"), diesel, electric, gasoline (E-10 to E-85), liquefied petroleum gas ("LPG"), natural gas, or propane powered;
4. All Commodities shall include all OEM standard features, equipment, and components, Manufacturer or Dealer installed according to the Manufacturer's standard procedures, requirements, and specifications;
5. All Commodities shall be free of damage and / or rust which may affect appearance or serviceability;
6. All Commodities shall comply with current legal, customary, reasonable, and prudent standards of professionalism and care in the industry;
7. All Commodities shall comply with current mandatory and applicable federal and State of Florida motor vehicle, mobile equipment, legal, safety, and environmental standards and requirements; and
8. All Commodities shall meet the requirements, specifications, terms, and conditions herein.

No Contractor's or Dealer's advertising or identification (name, logos, etc.) is permitted on the Commodities, including all Base Equipment; OEM Options, Accessories, & Implements; OEM & Replacement Parts; and their components. Commodity Manufacturer's advertising or identification (name, model, logos, etc.) shall be permitted on the respective Commodities if such advertising or identification is a Manufacturer's standard on the specific Commodity. The Department in its sole discretion shall determine what is Contractor's or Dealer's advertising or identification, what is Commodity Manufacturer's advertising or identification, and what advertising or identification is acceptable. The Contractor shall be responsible for removing, without damage, all unacceptable advertising or identification.

Delivery of non-conforming Commodities and contractual services, which are not remedied as required herein, may be cause for default proceedings and / or Contract termination.

3.3 Federal and State Standards

It is the intent of the Department that all specifications herein are in full and complete compliance with all federal and State of Florida laws, requirements, and regulations applicable to the type and class of Commodities and contractual services being provided. This includes, but is not limited to,

Federal Motor Vehicle Safety Standards ("FMVSS"), Occupational Safety and Health Administration ("OSHA"), Environmental Protection Agency ("EPA") Standards, and State of Florida laws, requirements, and regulations that apply to the type and class of Commodities and contractual services being provided. In addition, any applicable federal or State legislation that should become effective during the term of the Contract, regarding the Commodities and contractual services' specifications, safety, and environmental requirements shall immediately become a part of the Contract. The Contractor shall meet or exceed any such requirements of the laws and regulations. If an apparent conflict exists, the Contractor and Dealer shall contact the Contract Manager immediately.

Delivery of non-conforming Commodities and contractual services, which are not remedied as required herein, may be cause for default proceedings and / or Contract termination.

3.4 Testing

Samples of delivered Commodities and contractual services may be selected at random by the Department or Eligible User and tested for compliance with the requirements, specifications, terms, and conditions.

Delivery of non-conforming Commodities and contractual services, which are not remedied as required herein, may be cause for default proceedings and / or Contract termination.

3.5 Warranty

The Manufacturer's standard warranty shall cover all Commodities and contractual services of the Contract. The Manufacturer's standard warranty is required to provide coverage against defective material, workmanship, and failure to perform in accordance with the specifications and required performance criteria. The Manufacturer's standard warranty coverage shall be identical to or exceed the most inclusive of those normally provided for the Commodities and contractual services specified herein that are sold to any state or local governments. The Manufacturer's standard warranty shall have a minimum term of one (1) year from the date of Acceptance, section 3.11, and shall begin only at the time of Acceptance by the Eligible User.

Should the Manufacturer's standard warranty conflict with any requirements, specifications, terms, or conditions of the Contract, the Contract requirements, specifications, terms and conditions shall prevail. The Manufacturer's standard warranty terms and conditions are not part of the Contract requirements, specifications, terms, and conditions.

Delivery of non-conforming Commodities and contractual services, which are not remedied as required herein, may be cause for default proceedings and / or Contract termination.

3.6 Commodities Recall

In the event there is a recall of any of the Commodities, any of its components or any parts incorporating the equipment ("Recalled Equipment"), the contractor shall provide reasonable assistance to the Department in developing a recall strategy and shall cooperate with the Department and the Buyers in monitoring the recall operation and in preparing such reports as may be required. Each Contractor shall, at the request of the Department or any Buyer give the Department and each Buyer all reasonable assistance in locating and recovering any equipment or Recalled Equipment that are not in accordance with the requirements of the Contract. Each Contractor shall immediately notify and provide copies to the Department of any communications, whether relating to recalls or otherwise, with any Buyer. The Contractor, at its own cost, shall

ensure defective Recalled Equipment are rectified, replaced or destroyed in compliance with all applicable laws, rules or regulations and the Department's reasonable instructions.

3.7 Commodity Compliance and Compatibility

It is the Contractor's responsibility to insure that the Commodity supplied are compliant with the Contract requirements, specifications, terms, and conditions. Additionally, the Contractor shall insure that the Commodity ordered by the Eligible User are fully compatible with each other and with any associated pre-existing Commodity possessed by the Eligible User and disclosed to the Contractor by the Eligible User. The Contractor's acceptance of the Eligible User's Purchase Order shall indicate that the Contractor agrees to deliver Commodity that shall be fully compliant and compatible with the Purchase Order requirements, specifications, terms, and conditions.

In the event any ordered Base Equipment; OEM Options, Accessories, & Implements; OEM & Replacement Parts; and their respective features, equipment, and components are found by the Eligible User to be missing, incorrect, defective, damaged, non-compatible, or non-compliant, the Contractor shall, at the Eligible User's discretion, be required to do one of the following:

- Install or repair the Base Equipment; OEM Options, Accessories, & Implements; OEM & Replacement Parts; and their respective features, equipment, and components;
- Replace the Base Equipment; OEM Options, Accessories, & Implements; OEM & Replacement Parts; and their respective features, equipment, and components; or
- Refund the purchase price of the applicable Base Equipment; OEM Options, Accessories, & Implements; and OEM & Replacement Parts to the Eligible User.

Any changes necessary after the delivery of the Commodity / Commodities that are required to bring a Commodity / Commodities into compliance and / or compatibility due to an incorrect order fulfillment by the Contractor may be accomplished at the Contractor's expense.

Delivery of non-conforming Commodities and contractual services, which are not remedied as required herein, may be cause for default proceedings and / or Contract termination.

3.8 Commodities Title and Registration

Applicable awarded Commodities delivered under the Contract shall be titled and registered by the Contractor in accordance with Chapters 319 and 320 of the Florida Statutes. The Contractor shall send any necessary form(s) that shall be signed by an authorized representative of the Eligible User with the awarded Commodity upon delivery, and the Contractor shall obtain any necessary signature and complete the titling and registration process for the Eligible User in a timely manner.

In the event the Eligible User is permitted by statute, law, rule, ordinance, code, policy, and procedure to obtain Title and Registration independent of the Contractor, and chooses to obtain Title and Registration independent of the Contractor, the Eligible User shall notify the Contractor in writing of this decision no later than three (3) business days following receipt of the Acknowledgement of Order form, per section 3.10, Acknowledgement of Order. However, the Eligible User shall then be obligated to Title and Register the awarded Commodity per applicable statute, law, rule, ordinance, code, policy, and procedure, and the Contractor shall provide any documents necessary for the Eligible User to do so.

For applicable awarded Commodities, Eligible Users may elect to transfer an existing license plate, or may choose to obtain a new license plate.

- Should an Eligible User elect to transfer an existing license plate, this is the standard default order type and does not require specific notation on the Purchase Order. All related fees, see section 4.8, Ceiling Prices, are included in the Base Equipment Net Price.
- Should an Eligible User elect to obtain a new license plate in lieu of transferring their old license plate, or if the awarded Commodity is an addition to their fleet and requires a new license plate, the Purchase Order should include a notation and an additional amount to cover the cost of a new license plate. The Contractor is not required to obtain new license plates for the Eligible User unless there is a notation and a new license plate fee is included on the Purchase Order. All related charges and fees, see section 4.8, Ceiling Prices, except the new license plate cost are included in the Base Equipment Net Price.
 - a) The Eligible User's Purchase Order notation for a new license plate shall include the request for a new license plate, what type of license plate is required, and a contact person's name, title, and telephone number should there be any questions.
 - b) The Contractor may obtain special plates such as "State", "County", or "City" from most county tax offices, but agency plates such as "DOT", "DC", "DNR", etc. shall be obtained from the Department of Highway Safety and Motor Vehicles, Division of Motor Vehicles, in Tallahassee, Florida.

3.9 Transportation and Delivery

In conjunction with section 4.8, Ceiling Prices, Base Equipment Net Prices; OEM Options, Accessories, & Implements Net Prices; and OEM & Replacement Parts Net Prices shall include all charges for packing, handling, freight, distribution, and delivery. Transportation and Delivery of goods shall be FOB Destination to any point statewide as follows:

1. Equipment not in stock or unavailable from manufacturer at time of order must be delivered within one hundred eighty (180) calendar days after receipt of order.
2. Equipment in stock must be delivered within fourteen (14) calendar days after receipt of order or the Commodities from the Manufacturer, with one exception – Commodities requiring post-Manufacturer Dealer installed OEM Options, Accessories, & Implements shall be delivered within thirty (30) calendar days after receipt of the Commodities from the Manufacturer(s).

Delivery of the awarded Commodity is defined as receipt of the Commodity at the Eligible User's place of business or designated location. Delivery does not constitute Acceptance, per section 3.11 of the Contract. The Contractor shall give the ordering Eligible User a minimum of twenty-four (24) hour notice prior to delivery. Deliveries shall be received as stipulated by the Eligible User.

Deliveries of awarded Commodities shall be made by either private or common carrier transport. Where deliveries may be accomplished by driving the self-propelled, street-legal, Commodity three (3) road miles or less, the self-propelled Commodity may be driven, under supervision, to the delivery location. The Contractor shall comply with the Manufacturer's break-in requirements and all applicable traffic laws.

All self-propelled operator occupied Commodities delivered by the Contractor to the Eligible User shall contain no less than one-quarter (1/4) tank of fuel as indicated by the fuel gauge at the time of delivery. At the Eligible User's option, Commodities with less than one-quarter (1/4) tank of fuel at delivery may be rejected or \$3.00 per gallon or gallon equivalent up to one-quarter of the Commodity's fuel tank capacity may be deducted from the invoice and payment.

The Contractor shall perform the standard Manufacturer's pre-delivery inspection, and is responsible for delivering an awarded Commodity that is properly serviced, clean, and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

1. Complete lubrication of operating chassis, engine, and mechanisms with Manufacturer's recommended grades of lubricants;
2. Check / Fill all fluid levels to assure proper fill;
3. Adjust engine(s) to proper operating condition(s);
4. Inflate tires to proper pressure;
5. Check to assure proper operation of all accessories, gauges, lights, and mechanical and hydraulic features;
6. Clean equipment, if necessary, and remove all unnecessary tags, stickers, papers, etc.;
7. Assure that the awarded Commodity is completely assembled (unless otherwise noted in the following sub-section) including Base Equipment and OEM Options, Accessories, & Implements, thoroughly tested, and ready for immediate operation upon delivery; and
8. Where applicable, packaged to insure safe delivery to the destination. Packaging shall comply with the requirements of section 403.7191, Florida Statutes. Each package shall be marked to include the name of the Contractor, the State Term Contract number, Purchase Order number, and brief description of the contents.

All Commodities shall be delivered with each of the following applicable documents completed and included:

1. Copy of the Manufacturer's pre-delivery inspection form, which meets or exceeds the requirement herein;
2. Copy of ordering Eligible User's Purchase Order;
3. Copy of the applicable Manufacturer(s)'s specification(s);
4. Copy of the Manufacturer's invoice(s) (prices may be deleted or obscured) for each Commodity, including individual Base Equipment and OEM Options, Accessories, & Implements, in the shipment;
5. Manufacturer's Window Sticker(s), if applicable;
6. Manufacturer's Certificate of Origin, if applicable;
7. Manufacturer's Operator Manual, and (if not included in the operator manual) one (1) each of the Manufacturer's lubrication and maintenance instructions;
8. Copy of the Manufacturer's Standard Warranty Certifications;
9. Sales Tax Exemption Form, if applicable;
10. Temporary Tag and twenty (20) day Extension Tag, if applicable; and
11. DHSMV82040, Application for Certificate of Title and/or Vehicle Registration, if applicable.

Deliveries that do not include the above applicable forms and publications, or that have forms that have been altered, or are not properly completed, may be refused! Repeated failures by the Contractor to include the above properly completed forms and publications, or that have submitted altered forms, to the ordering Eligible Users may be cause for default proceedings and / or Contract termination.

These Transportation and Delivery requirements, terms, and conditions also apply to the re-delivery of an awarded Commodity that was previously rejected upon initial delivery.

3.10 Acknowledgement of Order (Attachment I)

For orders which the Contractor does not have the awarded Commodities in stock and cannot Deliver the Commodities to the ordering Eligible User within fourteen (14) calendar days, the Acknowledgement of Order form shall be fully completed and issued by the Contractor to notify the ordering Eligible User of the receipt of the Purchase Order for Commodities awarded under the Contract, the Manufacturer's order confirmation information, and the estimated delivery date.

The Contractor shall mail, email, or fax the fully completed Acknowledgement of Order form to the ordering Eligible User's issuing office within fourteen (14) calendar days from the date the Contractor receives the Purchase Order under the Contract. Failure of the Contractor to provide the ordering Eligible User the Acknowledgement of Order form within fourteen (14) calendar days from the date the Contractor received the Purchase Order shall be considered acceptance of the order by default, which, if necessary, shall require the provision of the next new model of the Commodity, which meets the Prices, Discounts, requirements, specifications, terms, and conditions herein.

Submission of the Acknowledgement of Order form is to be the responsibility of the Contractor without prompting or notification by the Contract Manager or Eligible User. **Repeated failures by the Contractor to submit completed Acknowledgement of Order forms to the ordering Eligible Users may be cause for default proceedings and / or Contract termination.**

3.11 Acceptance

The Eligible User, within three (3) business days of delivery, shall thoroughly inspect the Commodity received for acceptability. The Eligible User shall compare the physical Commodity delivered; contract prices, Discounts, requirements, specifications, terms, and conditions; Purchase Order; and Manufacturer's Window Sticker / Manufacturer's Invoice(s) to ensure the Commodity received meet or exceed the requirements, specifications, terms, and conditions of the Contract and Purchase Order. Additionally, the Eligible User shall inspect the Commodity for any physical damage. The Contractor is obligated to correct any errors or damage in the Commodity. Failure by the Eligible User to discover an error in the Commodity shall not relieve the Contractor from their obligation to correct the error in the event it is found any time after the Commodity is delivered.

The Parties agree that inspection and Acceptance shall be the Eligible User's responsibility and occur at the location of the Eligible User. Title and risk of loss or damage to all Commodities shall be the responsibility of the Contractor until Accepted by the Eligible User. The Contractor shall be responsible for filing, processing, and collecting all damage claims. The Eligible User shall assist the Contractor by:

- Recording any evidence of visible damage on all copies of the delivering carrier's bill of lading;
- Report any known visible and concealed damage to the carrier and the Contractor;
- Confirm said reports in writing within fifteen (15) business days of delivery, requesting that the carrier inspect the damaged merchandise; and
- Provide the Contractor with a copy of the carrier's bill of lading and damage inspection report.

Transportation and Delivery of the Commodity, per section 3.9 of the Contract, does not constitute Acceptance for the purpose of payment. Final Acceptance and authorization of payment shall be given by the Eligible User only after a thorough inspection indicates that the Commodity is undamaged and meets the Contract requirements, specifications, terms, and conditions. Should the delivered Commodity be damaged or differ in any respect from the Contract requirements, specifications, terms, and conditions, payment shall be withheld until such time as the Contractor completes the required, Eligible User approved, corrective action.

Should the Commodity require service or adjustments as part of the Eligible User approved corrective action(s), the Contractor shall either remedy the defect or be responsible for reimbursing the Manufacturer's local service Dealer or others selected by the Eligible User to remedy the defect. The Contractor shall initiate such required service or adjustments within two (2) business days following notification by the Eligible User. The Commodity shall not be accepted until all

service and / or adjustments are satisfactory and the Commodity is re-delivered in acceptable condition. The costs of any Transportation and Delivery, section 3.9, required as part of the initial or any re-deliveries due to error or damage are the responsibility of the Contractor.

The ordering Eligible User shall notify the Department of any Contract deviation that it cannot resolve with the Contractor. The Department and Eligible User shall develop a corrective action plan related to the Contract deviation, which may include the Eligible User's permanent refusal to accept the Commodity, in which case the Commodity shall remain the property of the Contractor, and the Eligible User and the State shall not be liable for payment for any portion thereof.

3.12 Installation

Where installation is required, Contractor shall be responsible for placing and installing the equipment or parts in the required locations at no additional charge, unless otherwise specified in the Price Sheets. All materials used in the installation shall be of good quality and shall be free of defects that would diminish the appearance of the equipment or render it structurally or operationally unsound. Installation includes the furnishing of any equipment, rigging, and materials required to install or replace the equipment or parts in the proper location. Contractor shall protect the site from damage and shall repair damages or injury caused during installation by Contractor or its employees or agents. If any alteration, dismantling, excavation, etc., is required to achieve installation, the Contractor shall promptly restore the structure or site to its original condition. Contractor shall perform installation work so as to cause the least inconvenience and interference with Customers and with proper consideration of others on site. Upon completion of the installation, the location and surrounding area of work shall be left clean and in a neat and unobstructed condition, with everything in satisfactory repair and order.

Section 4 Contract Conditions

This section contains conditions which shall be complied with during the performance of this contract. The conditions come in two parts, general conditions and special contract requirements.

4.1 General Contract Requirements

The General Contract Conditions, [PUR 1000](#) is incorporated by reference and provided via a link below:

<http://www.dms.myflorida.com/content/download/2933/11777/1000.pdf>

4.2 Special Contract Requirements

The Special Contract Requirements are provisions that relate directly to the performance of this contract.

4.3 Pricing

The Contractor shall adhere to the discount applied to the uploaded MSRP List(s) as submitted for in the completed Price Sheets, which are incorporated by reference into the Contract.

$$\text{Pricing} = (100\% - \text{Percent Discount}) \times \text{MSRP List Price(s)}$$

4.4 Financial Consequences for Nonperformance

The State reserves the right to withhold payment or implement other appropriate remedies, such as contract termination or nonrenewal, when the Contractor has failed to perform under or comply with the provisions of this contract. When or if the Contractor fails to perform or comply with provisions of this contract, the Contractor has ten (10) calendar days from receipt of Complaint to Vendor Form (PUR 7017) to comply as instructed within the notice. An amount of \$500.00 may be assessed for each day the Contractor is delinquent after the ten (10) day notice period ends, and that amount may be withheld from a Contractor's invoice. The rights and remedies of the State in this paragraph are not considered penalties and are in addition to any other rights and remedies provided by law.

4.5 Contract Overlap

Contractors shall identify any equipment or parts covered by this solicitation that they are currently authorized to furnish under any state term contract. By entering into the Contract, a Contractor authorizes the Buyer to eliminate duplication between agreements in the manner the Buyer deems to be in its best interest.

4.6 Commodity, Group, and Manufacturer or Brand Name Additions and Deletions

During the Contract Term, section 1.4, the Department shall have the right to add or delete Commodities, Groups, or Manufacturer or Brand Names to or from this agreement by adding them to or removing them from the Price Sheet, Attachment A. Any new Commodities, Groups, or Manufacturer or Brand Names added shall be at the requirements, specifications, terms, and conditions herein or as later stipulated by the Department, and at mutually agreed pricing and discounts accepted, in writing, by both the Contractor and the Department. Commodities, Groups, or Manufacturer or Brand Names may be removed at the sole discretion of the Department, per the requirements, specifications, terms, and conditions herein or as permitted by Florida Statutes or Florida Administrative Code.

4.7 Price Adjustment

Price may be adjusted annually, beginning 12 months after the contract effective date based on the percent change (up or down) of the Producers Price Index (PPI). All requests must be submitted to the Contract Manager during the months of January or July only. Price adjustments correlate with the PPI for the Series ID's in the table below and as published by the Bureau of Labor Statistics, in the Department of Labor, Washington, DC 20212. The Contractor may have up to 60 days after the posting of the month or quarter non-preliminary data at each contract anniversary to request a price increase. When requesting a price increase, the Contractor may submit a justification in writing to the Contract Manager detailing the reasons for the price adjustment request and demonstrating the calculable change in PPI over the last 12 months of the Contract that supports a price adjustment.

The requested adjustment for a price increase may not exceed the percentage change of the PPI the preceding twelve months prior to the adjustment. The contractor must complete Price Update Form (Attachment H) to have the price adjustment processed. The Department reserves the

exclusive right to accept or reject any request for price adjustment. Price adjustments may be effective only upon written approval by the Department and may not be applied retroactively.

The Department reserves the right to request price decreases at any time during the term of the Contract if it's found to be in the best interest of the State.

4.8 Ceiling Prices

The individual Base Equipment Price (after discount); OEM Option, Accessory, & Implement Price (after discount); and OEM Part Price (after discount) contained or referenced in the Attachment A, Price sheets, shall be the not-to-exceed Ceiling Prices under the Contract.

4.9 Compliance with Laws, Rules, Codes, Ordinances, and Licensing Requirements

The Contractor shall comply with all laws, rules, codes, ordinances, and licensing requirements that are applicable to the conduct of its business, including those of Federal, State, and local agencies having jurisdiction and authority. For example, Chapter 287 Florida Statutes, and Rule Chapter 60A of the Florida Administrative Code govern the contract. The Contractor shall comply with section 274A of the Immigration and Nationality Act, the Americans with Disabilities Act, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran's status. Violation of any laws, rules, codes, ordinances, or licensing requirements may be grounds for contract termination or nonrenewal of the contract.

4.10 Insurance Requirements

To the extent required by law, the Contractor shall be self-insured against, or shall secure and maintain during the life of the contract, Worker's Compensation Insurance for all its employees connected with the work of this project and, in case any work is subcontracted, the Contractor shall require the subcontractor similarly to provide Worker's Compensation Insurance for all of the latter's employees unless such employees engaged in work under the resulting contract are covered by the Contractor's self-insurance program. Such self-insurance or insurance coverage shall comply with the Florida Worker's Compensation law. In the event hazardous work is being performed by the Contractor under the resulting contract and any class of employees performing the hazardous work is not protected under Worker's Compensation statutes, the Contractor shall provide, and cause each subcontractor to provide, adequate insurance satisfactory to the Department, for the protection of his employees not otherwise protected.

The Contractor shall secure and maintain Commercial General Liability insurance including bodily injury, property damage, personal & advertising injury and products and completed operations. This insurance shall provide coverage for all claims that may arise from the services and/or operations completed under the contract, whether such services or operations are by the Contractor or anyone directly, or indirectly employed by them. Such insurance shall include a Hold Harmless Agreement in favor of the State of Florida and also include the State of Florida as an Additional Named Insured for the entire length of the resulting contract. The Contractor is responsible for determining the minimum limits of liability necessary to provide reasonable financial protections to the Contractor and the State of Florida under the resulting contract.

All insurance policies shall be with insurers licensed or eligible to transact business in the State of Florida. The Contractor's current certificate of insurance shall contain a provision that the insurance shall not be canceled for any reason except after thirty (30) days written notice to the Department's Contract Manager.

The Contractor(s) shall submit insurance certificates evidencing such insurance coverage prior to execution of a contract with the Department.

4.11 Notice of Legal Actions

The Contractor shall notify the Department of any legal actions filed against it for a violation of any laws, rules, codes ordinances, or licensing requirements within 30 days of the action being filed. The Contractor shall notify the Department of any legal actions filed against it for a breach of a contract of similar size and scope to this contract within 30 days of the action being filed. Failure to notify the Department of a legal action within 30 days of the action may be grounds for termination or nonrenewal of the contract.

4.12 Records Retention

The Contractor shall retain sufficient documentation to substantiate claims for payment under the Contract and all other records, electronic files, papers, and documents that were made in relation to this the Contract. Contractor shall retain all documents related to this Contract in compliance with the rules of the Florida Department of State.

4.13 Public Records

4.13.1 Access to Public Records

- (1) The Contractor shall allow public access to all documents, papers, letters, or other material made or received by the Contractor in conjunction with the Contract, unless the records are exempt from Article I, section 24(a), Florida Constitution or section 119.07(1), Florida Statutes. The Department may unilaterally terminate the Contract if the Contractor refuses to allow public access as required in this section. If, under this Contract, the Contractor is providing services, the Department may unilaterally cancel the Contract for refusal by the Contractor to allow access to all public records, including documents, papers, letters, or other material made or received by the Contractor in conjunction with the Contract, unless the records are exempt from section 24(a) of Art. I of the State Constitution and section 119.07(1), Florida Statutes.
- (2) If, under this Contract, the Contractor is providing services and is acting on behalf of a public agency as provided by section 119.0701(1)(b), Florida Statutes, the Contractor shall:
 - (a) Keep and maintain public records that ordinarily and necessarily would be required by the public agency in order to perform the service.
 - (b) Provide the public with access to public records on the same terms and conditions that the public agency would provide the records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.
 - (c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.
 - (d) Meet all requirements for retaining public records and transfer, at no cost, to the public agency all public records in possession of the Contractor upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the public agency in a format that is compatible with the information technology systems of the public agency.

4.13.2 Protection of Trade Secrets or Other Confidential Information

If the Contractor considers any portion of materials made or received in the course of performing the Contract (“contract-related materials”) to be trade secret under section 812.081, Florida Statutes, or otherwise confidential under Florida or federal law, the Contractor must clearly designate that portion of the materials as “confidential” when submitted to the Department.

If the Department receives a public records request for contract-related materials designated by the Contractor as “confidential,” the Department will provide only the portions of the contract-related materials not designated as “confidential.” If the requester asserts a right to examine contract-related materials designated as “confidential,” the Department will notify the Contractor. The Contractor will be responsible for responding to and resolving all claims for access to contract-related materials it has designated “confidential.”

If the Department is served with a request for discovery of contract-related materials designated “confidential,” the Department will promptly notify the Contractor about the request. The Contractor will be responsible for filing, the appropriate motion or objection in response to the request for discovery. The Department will provide materials designated “confidential” only if the Contractor fails to take appropriate action, within timeframes established by statute and court rule, to protect the materials designated as “confidential” from disclosure.

The Contractor shall protect, defend, and indemnify the Department for claims, costs, fines, and attorney’s fees arising from or relating to its designation of contract-related materials as “confidential.”

4.13.3 Retention of Records

Contractor shall retain sufficient documentation to substantiate claims for payment under the Contract, and all other records made in relation to the Contract, for five (5) years after expiration or termination of the Contract.

4.14 Annual Appropriations

The State’s performance and obligation to pay under this contract are contingent upon an annual appropriation by the Legislature.

4.15 Renewal

Upon mutual agreement, the Customer and the Contractor may renew the Contract, in whole or in part, for a period that may not exceed 3 years or the term of the contract, whichever period is longer. Any renewal shall specify the renewal price, as set forth in the solicitation response. The renewal shall be in writing and signed by both parties, and is contingent upon satisfactory performance evaluations and subject to availability of funds.

4.16 Cancellation

The Department may unilaterally cancel this Contract for refusal by the service provider to comply with this section by not allowing public access to all documents, papers, letters, or other material made or received by the Contractor in conjunction with the Contract, unless the records are exempt from Article 1, section 24(a), Florida Constitution and Chapter 119.07(1), Florida Statutes

4.17 Intellectual Property

The parties do not anticipate that any Intellectual Property shall be developed as a result of this contract. However, any Intellectual Property developed as a result of this contract shall belong to and be the sole property of the state. This provision shall survive the termination or expiration of this contract.

4.18 Gifts

The Contractor agrees that it shall not offer to give or give any gift to any State of Florida employee. This Contractor shall ensure that its sub-contractors, if any, shall comply with this provision.

4.19 Vendor Ombudsman

A Vendor Ombudsman, whose duties include acting as an advocate for Bidders who may be experiencing problems in obtaining timely payment(s) from a state agency, may be contacted at (850) 413-5516, or by calling the Department of Financial Services Consumer Hotline at 1-800-342-2762.

4.20 Monitoring by the Department

The Contractor shall permit all persons who are duly authorized by the Department to inspect and copy any records, papers, documents, facilities, goods, and services of the Contractor that are relevant to this Contract, and to interview clients, employees, and sub-contractor employees of the Contractor to assure the Department of satisfactory performance of the terms and conditions of this Contract. Following such review, the Department shall deliver to the Contractor a written report of its finding, and may direct the development, by the Contractor, of a corrective action plan. This provision shall not limit the Department's termination rights.

4.21 Scrutinized Company List

Contractor certifies that it is not listed on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, created pursuant to section 215.473, Florida Statutes. Pursuant to section 287.135(5), Florida Statutes, Contractor agrees the Department may immediately terminate this contract for cause if the Contractor is found to have submitted a false certification or if Contractor is placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List during the term of the Contract.

4.22 Business Review Meetings

The Department reserves the right to schedule business review meetings as frequently as necessary. The Department shall provide the format for the Contractor's agenda. Prior to the meeting, the Contractor shall submit the completed agenda to the Department for review and acceptance. The Contractor shall address the agenda items and any of the Department's additional concerns at the meeting. Failure to comply with this section may result in the Contract being found in default and termination of the Contract by the Department or nonrenewal of the Contract.

4.23 E-Verify

Pursuant to State of Florida Executive Order Number 11-116, Contractor is required to utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment of all new employees hired by the Contractor during the Contract term. Also, Contractor shall include in related subcontracts a requirement that sub-contractors performing work or providing services

pursuant to the Contract utilize the E-Verify system to verify employment of all new employees hired by the sub-contractor during the Contract term.

4.24 Subcontracting

The Contractor shall not subcontract, assign, or transfer any work identified under this solicitation, *with the exception of those subcontractors identified in the Contractor's bid*, without prior written consent of the Department.

The Contractor is responsible for all work performed under the contract resulting from this solicitation. No subcontract entered into by the Contractor for performance of work required under the contract, shall in any way relieve the Contractor of any responsibility for the performance of duties under the contract. The Contractor shall assure that all tasks related to the subcontract are performed in accordance with the terms of the contract.

The Department supports diversity in its Procurement Program and requests that all subcontracting opportunities afforded by this solicitation enthusiastically embrace diversity. The award of subcontracts should reflect the full diversity of the citizens of the State of Florida. Contractor can contact the Office of Supplier Diversity at (850)487-0915 for information on minority bidders who may be considered for subcontracting opportunities.

4.25 Performance Qualifications

The Department reserves the right to investigate or inspect at any time whether the product, qualifications, or facilities offered by Contractor meet the Contract requirements. Contractor shall at all times during the Contract term remain responsive and responsible. In determining Contractor's responsibility as a Contractor, the agency shall consider all information or evidence which is gathered or comes to the attention of the agency which demonstrates the Contractor's capability to fully satisfy the requirements of the solicitation and the contract.

Contractor shall be prepared, if requested by the Department, to present evidence of experience, ability, and financial standing, as well as a statement as to plant, machinery, and capacity of the Contractor for the production, distribution, and servicing of the equipment bid. If the Department determines that the conditions of the solicitation documents are not complied with, or that the equipment or parts proposed to be furnished does not meet the specified requirements, or that the qualifications, financial standing, or facilities are not satisfactory, or that performance is untimely, the Department may reject the response or terminate the Contract. Contractor may be disqualified from receiving awards if Contractor or anyone in Contractor's employment, has previously failed to perform satisfactorily in connection with public bidding or contracts. This paragraph shall not mean or imply that it is obligatory upon the Department to make an investigation either before or after award of the Contract, but should the Department elect to do so, Contractor is not relieved from fulfilling all Contract requirements.

4.26 MyFloridaMarketPlace Transaction Fee

The awarded Vendor(s) will be required to pay the required transaction fees as specified in section 14 of the PUR 1000, unless an exemption has been requested and approved prior to the award of the contract pursuant to Rule 60A-1.032 of the Florida Administrative Code.

The Contractor is required to submit monthly Transaction Fee Reports in electronic format. Reports are due ten (10) working days after the end of the reporting period. For information on how to submit Transaction Fee Reports online, please reference the detailed fee reporting instructions and Vendor training presentations available online on the MFMP website: [MFMP](#)

[Transaction Fee and Reporting](#). Assistance is also available with the Transaction Fee Reporting System from the MFMP Customer Service Desk at the email address hyperlink: [MFMP Customer Service Desk Email](#), or telephone 866-FLA-EPRO (866-352-3776) between the hours of 8:00 AM to 5:30 PM Eastern Time.

4.27 Contract Reporting

4.27.1 Contract Quarterly Sales Report (Contract Deliverable)

The Contractor agrees to submit a Quarterly Sales Report (Attachment B) on a quarterly basis to the DMS Contract Manager. Initiation and submission of the Quarterly Report is the responsibility of the Contractor without prompting or notification from the DMS Contract Manager. A quarterly report is required even if Contractor has zero sales to report for that quarter.

Quarterly Reporting periods should coincide with the contract term and should begin the quarter following contract execution. Reports are due ten (10) working days after the end of the reporting period.

4.27.2 Savings / Price Reductions (Attachment E)

Contractor shall submit one (1) accurately completed Savings / Price Reductions form (Attachment E) with their Response containing the required savings information for each UNSPSC Code with associated Related Services offered and a method(s) for the Department to verify the savings information provided. The Savings / Price Reductions form shall not be used to determine award, only to verify the Savings / Price Reductions being offered. The Savings / Price Reductions form shall be submitted to the Department per section 2.3.4.5 of the solicitation. **Failure to provide the Savings / Price Reductions form with the Response may result in the Contractor being deemed non-responsive.**

4.27.3 Transaction Fee Reports

The Bidder is required to submit monthly Transaction Fee Reports in electronic format. Reports are due ten (10) working days after the end of the reporting period. For information on how to submit Transaction Fee Reports online, please reference the detailed fee reporting instructions and Bidder training presentations available online at the Transaction Fee Reporting and Bidder Training subsections under Bidders on the MFMP website: [MFMP Transaction Fee and Reporting](#). Assistance is also available with the Transaction Fee Reporting System from the MFMP Customer Service Desk at the email address hyperlink: [MFMP Customer Service Desk Email](#), or telephone 866-FLA-EPRO (866-352-3776) between the hours of 8:00 AM to 5:30 PM Eastern Time.

4.27.4 Diversity Reporting

The State of Florida is committed to supporting its diverse business industry and population through ensuring participation by minority, women, and veteran owned business enterprises in the economic life of the State. The State of Florida Mentor Protégé Program connects minority-, women-, and veteran business enterprises with private corporations for business development mentoring. We strongly encourage firms doing business with the State of Florida to consider this initiative. For more information on the Mentor Protégé Program, please contact the Office of Supplier Diversity at (850) 487-0915 or email: osdhelp@dms.myflorida.com.

Upon request, the Contractor shall report to the Department, spend with certified and other minority business enterprises. These reports shall include the period covered, the name, minority code and Federal Employer Identification Number of each minority Bidder utilized during the period, Commodities and services provided by the minority business enterprise, and the amount paid to each minority Bidder on behalf of each purchasing agency ordering under the terms of this Contract.

4.27.5 Preferred Pricing Affidavit Requirement

The Department shall provide the Preferred Pricing Affidavit, (Attachment D), for completion by an authorized representative of the Contractor attesting that the Contractor is in compliance with the preferred pricing provision in section 4(b) of the [PUR 1000](#) form. The Contractor agrees to submit to the Department, at least annually, the completed Preferred Pricing Affidavit.

4.28 Contract Termination

The Department may terminate the Contract if the Contractor: 1.) fails to comply with all terms and conditions of this Contract; 2.) fails to produce each deliverable within the time specified by the Contract; or, 3.) fails to abide by any statutory, regulatory, or licensing requirement. Rule 60A-1.006(3), Florida Administrative Code, governs the procedure and consequences for default. The rights and remedies of the Department in this clause are in addition to any other rights and remedies provided by law or under the Contract. Upon receipt of notice of termination, the Contractor shall, unless the notice directs otherwise, immediately discontinue all activities authorized hereunder. The Contractor shall not be entitled to recover any cancellation charges or lost profits. (Reference section 4.4, Financial Consequences)

4.29 Force Majeure

Except for the payment of money due, neither party shall be deemed in breach or default of this Contract in the event that either party fails to perform pursuant to the terms and conditions of the Contract and the failure is caused by, or is in connection with, force majeure. The party suspending performance shall give prompt notice to the other party and shall attempt to cure promptly the cause for such suspension. Upon cessation of the cause for suspension, performance shall resume (or commence) as soon as reasonably practicable, unless otherwise agreed to by the parties. Notwithstanding any other provision of this contract the parties agree that the settlement of strikes, lockouts or other industrial disturbances shall be entirely within the discretion of the particular party involved.

For purposes of this Contract, the term "force majeure" shall mean acts or events beyond the control of the parties, including, but not limited to, acts of God, strikes, lockouts, or other industrial disturbances, riots, epidemics, landslides, floods, fires, washouts, arrests and restraints, civil disturbances, explosions, breakage of or accidents to pipe lines, failure of equipment or, compliance with acts, orders, regulations or requests of any federal, state or local governmental authority, whether or not of the same class or kind, reasonably beyond the control of either party and which, by exercise of due diligence, such party is unable to overcome.

In the event a force majeure condition exists, or the potential exists for such condition, the Contractor shall inform the Department of the problem at the earliest practical time and present a plan for return to normal service.

4.30 Additional Provisions

The provisions of paragraphs 287.058(1)(a) and (b), Florida Statutes, are hereby incorporated by reference.

4.31 Alternate Responses

Contractor may not submit more than one bid for each listed Manufacturer or Brand Name per UNSPSC Code (including associated MSRP Discount, Related Services Prices, MSRP Date, etc.). The Department seeks each Contractor's single-best Response by Manufacturer or Brand Name per Group or Sub Group line number.

CITY OF PORT ORANGE PIGGYBACK AGREEMENT

This Piggyback Agreement is entered to this ____ day of _____, 20____, by and between the **CITY OF PORT ORANGE**, a Florida municipal whose principal address is 1000 City Center Circle, Port Orange, Florida 32129 (the "City") and **ALAN JAY FORD LINCOLN MERCURY, INC.** ("Contractor"), a Florida corporation, whose principal address is 3201 US 27 South, Sebring, Florida 33870 (collectively "the Parties").

WHEREAS, on the 1st day of October, 2015, Contractor entered into Contract with the Florida Sheriff's Association, pursuant to Bid No. 15-23-0904 (the "FSA Agreement"); and

WHEREAS the FSA Agreement provides for a term commencing on October 1, 2015 and continuing through September 30, 2016, as long as the vehicles are available through fleet; and

WHEREAS, by entering into this Piggyback Agreement, Contractor agrees to honor the terms of the FSA Agreement for the acquisition of police rated, administrative, utility vehicles, trucks and vans purchased by the City of Port Orange the City of Port Orange; and

WHEREAS, a copy of the FSA Agreement is available in the Office of the City Clerk, City Hall, 1000 City Center, Port Orange, Florida 32129; and

WHEREAS, the Port Orange City Council has determined that the execution of this Contract is beneficial to the citizens of the City of Port Orange.

For good and valuable consideration, conditions and promises, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **Term.** The term of this Contract shall be effective commencing on the last date the Contract is signed by the Parties and shall continue until September 30, 2016 (the "Term").

2. **Contractor Obligation.** Contractor agrees to sell motor vehicles to the City at the unit prices set forth in the FSA Agreement, except as modified herein and attached hereto as Exhibit "1". Contractor agrees that all pricing shall remain valid for the duration of this Agreement. Contractor shall not deliver goods or services without a written purchase order(s), signed by an authorized agent of the City of Port Orange. Contractor shall cause goods to be delivered to the City in the most expedient, cost effective manner. All items shall be shipped to the City of Port Orange designated facility identified in each purchase order, FOB Inside Delivery. Contractor shall bear the risk of loss for goods delivered under this Contract from the time of shipping to the City until delivered at the destination specified by the City for delivery.

3. **Authorization for Services.** This Contract standing alone does not authorize the performance of any work or services to be provided by the Contractor or require the City to place any orders for work or service. Authorization for performance of services by the Contractor under this Contract shall be in the form of written Purchase Order(s) issued and executed by the City and signed by the Contractor. The City reserves the right to contract with other parties for the services contemplated by this Contract, as determined in the City's sole and absolute discretion.

4. City Obligations. The City agrees to compensate Contractor at the unit prices set forth in Exhibit "1" in an amount subject to a limit up to but not to exceed Two Hundred Seventy-Five Thousand One Hundred Twenty and 00/100 Dollars (\$275,120.00) for the term of this Contract. All payments shall be governed by the Local Government Prompt Payment Act as set forth in Sections 218.70 through 218.79, Florida Statutes, as amended.

5. Contract Administration. Branford N. Adumuah, Director of Public Works shall perform contract administration of this Contract. For notice provisions, see the paragraph below entitled "Notice."

6. Termination for Convenience of the City

(a) The parties agree that the City may terminate this Contract, or any work or delivery required hereunder, from time to time either in whole or part, whenever the City Manager of Port Orange shall determine that such termination is in the best interest of the City.

(b) Termination, in whole or in part, shall be effected by delivery of a Notice of Termination signed by the City Manager or his designee, mailed or delivered to the Contractor, and specifically setting forth the effective date of termination.

(c) Upon receipt of such Notice, the Contractor shall:

- (i) cease any further deliveries or work due under this Contract, on the date, and to the extent, which may be specified in the Notice;
- (ii) place no further orders with any subcontractors except as may be necessary to perform that portion of this Contract not subject to the Notice;
- (iii) terminate all subcontracts except those made with respect to contract performance not subject to the Notice;
- (iv) settle all outstanding liabilities and claims which may arise out of such termination, with the ratification of the Finance Director of Port Orange; and
- (v) use best efforts to mitigate any damages which may be sustained by the Contractor as a consequence of termination under this clause.

(d) After complying with the provisions of subparagraph (c), above, the Contractor shall submit a termination claim, in no event later than six (6) months after the effective date of termination, unless one or more extensions of three (3) months each are granted by the Finance Director.

(e) The Finance Director, with the approval of the City Manager, shall pay from the using department's budget, reasonable costs of termination, including a reasonable amount for profit on supplies or services delivered or work completed. In no event shall this amount be greater than the original contract price, reduced by any payments made prior to Notice of Termination, and further reduced by the price of the supplies not delivered or the services not provided. This Contract shall be amended accordingly, and the Contractor shall be paid the agreed amount.

(f) In the event that the parties cannot agree on the whole amount to be paid to the Contractor by reason of termination under this clause, the Finance Director shall pay the Contractor the amounts determined as follows, without duplicating any amounts which may have already been paid under the preceding paragraph of this clause:

- (i) With respect to all Contract performance prior to the effective date of Notice of Termination, the total of:
 - (1) the cost of work performed or supplies delivered;

(2) the cost of settling and paying any reasonable claims as provided in paragraph (c) (iv), above;

(3) a sum as profit on (a) determined by the Finance Director to be fair and reasonable.

(ii) The total sum to be paid under (i) above shall not exceed the contract price, as further reduced by the contract price of work or supplies not terminated.

(g) In the event that the Contractor is not satisfied with any payments which the Finance Director shall determine to be due under this clause, the Contractor may appeal any claim to the City Council in accordance with Paragraph 21 of this contract concerning disputes.

7. Termination for Convenience for Subcontractors. In accordance with the termination for the convenience of the City provision of this contract, the Contractor shall include similar provisions in any subcontract, and shall specifically include a requirement that subcontractors make all reasonable efforts to mitigate damages which may be suffered. Failure to include such provisions shall bar the Contractor from any recovery from the City whatsoever of loss or damage sustained by a subcontractor as a consequence of termination for convenience.

8. Termination for Default. Either party may terminate this Contract, without further obligation, for the default of the other party or its agents or employees with respect to any agreement or provision contained herein.

9. Examination of Records

(a) The Contractor agrees that the City, or any duly authorized representative, shall, until the expiration of five (5) years after final payment hereunder, have access to and the right to examine and copy any pertinent books, documents, papers and records of the Contractor involving transactions related to this Contract.

(b) The Contractor further agrees to include in any subcontract for more than \$10,000 entered into as a result of this Contract, a provision to the effect that the subcontractor agrees that the City or any duly authorized representative shall, until the expiration of five (5) years after final payment under the subcontract, have access to and the right to examine and copy any pertinent books, documents, papers and records of such contractor involved in transactions related to such subcontract, or this Contract. The term subcontract as used herein shall exclude purchase orders for public utility services at rates established for uniform applicability to the general public.

(c) The period of access provided in subparagraphs (a) and (b) above for records, books, documents and papers which may relate to any arbitration, litigation, or the settlement of claims arising out of the performance of this contract or any subcontract shall continue until any appeals, arbitration, litigation or claims shall have been finally disposed of.

10. Public Records Compliance. Contractor shall comply with public records laws as set forth in Chapter 119, Florida Statutes, and shall specifically:

(a) Keep and maintain public records that ordinarily and necessarily would be required by the City in order to perform the service.

(b) Provide the public with access to public records on the same terms and conditions that the City would provide the records and at a cost that does not exceed the cost provided in Section 119, Florida Statutes, or as otherwise provided by law.

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

(d) Meet all requirements for retaining public records and transfer to the City, at no cost, all public records in possession of the Contractor upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the City in a format that is compatible with the information technology systems of the City.

If Contractor does not comply with a public records request, the City shall enforce the contract provisions in accordance with the contract.

11. Termination for Non-Appropriation of Funds

(a) If funds are not appropriated for any succeeding fiscal years subsequent to the one in which this contract is entered into, for the purpose of this Contract, then the City may terminate this Contract upon thirty (30) days prior written notice to the Contractor. Should termination be accomplished in accordance with this Section, the City shall be liable only for payments due through the date of termination.

(b) The City agrees that should it terminate in accordance with this Section, it shall not obtain services which are substantially equal to or similar to those for which this contract was entered into. This provision shall survive any termination of the Contract.

12. Insurance. Contractor shall maintain insurance during the life of this Contract. Contractor shall provide to the City a certificate of insurance identifying the City of Port Orange as an additional insured. For workers' compensation coverage, the bidder's insurance certificate shall include the insurer's waiver of subrogation in lieu of naming the city as an additional insured for workers' compensation.

Policies other than Workers' Compensation shall be issued by insurers licensed and/or duly authorized under Florida Law to do business in the State of Florida and all insuring companies are required to have a minimum rating of "A" in the "Best Key Rating Guide" published by A.M. Best & Company, Inc. Policies for Workers' Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.572. Contractor shall not commence work under this Agreement until the City has received a certificate or certificates of insurance and endorsement evidencing the required insurance. Contractor shall provide the City written notice of cancellation, nonrenewal or any other changes in coverage no later than ten (10) days prior to the effective date of the change.

The City reserves the right to increase insurance coverage as determined for higher risk contracts and shall reimburse the Contractor for the reasonable additional costs of increased coverage.

13. Assignability of Contract. Neither this contract, nor any part hereof, may be assigned by the Contractor to any other party without the express written approval of the City Council.

14. Modifications or Changes to this Contract

(a) Change Orders. The Department Head, with the concurrence of the City's signatory as required by the City's Purchasing Policy, shall without notice to any sureties, have the authority to order changes in this Contract which affect the cost or time of performance. Such changes shall be ordered in writing specifically designated to be a change order. Such orders shall be limited to reasonable changes in the services to be performed or the time of the performance. The City will not be held liable for any changes which have not been properly authorized and approved in accordance with this Contract.

(b) If any change under this clause causes an increase or decrease in Contractor's cost of, or time required for the performance of the work hereunder, Contractor shall receive an equitable adjustment in accordance with subparagraph (d), which shall include all compensation to the Contractor, or the City, of any kind in connection with such change, including all costs and damages related to or incidental to such change. Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(c) Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(d) No claim for changes ordered hereunder shall be considered if made after final payment in accordance with the Contract.

15. Sovereign Immunity. The City expressly retains all rights, benefits and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Notwithstanding anything set forth in any section of this Contract to the contrary, nothing in this Contract shall be deemed as a waiver of immunity or limits of liability of the City beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature or may be adopted by the Florida Legislature and the cap on the amount and liability of the City for damages regardless of the number or nature of claims in tort or equity shall not exceed the dollar amount set by the legislature for tort. Nothing in this Contract shall inure to the benefit of any third party for the purpose of allowing any claim against the City which would otherwise be barred under the Doctrine of Sovereign Immunity or operation of law.

16. Warranties. Contractor warrants that (1) the supplies to be provided to the City pursuant to this Contract are fit and sufficient for the purpose intended; (2) the supplies are merchantable, of good quality, and free from defects, whether patent or latent, in material or workmanship, and (3) the supplies sold to the City pursuant to this Contract conform to the standards required by this Contract.

Contractor further warrants that Contractor has title to the supplies provided, and that the supplies are free and clear of all liens encumbrances, and security interests. All warranties made in this Contract, together with service warranties and guarantees, shall run to the City and its successors and assigns.

17. Additional Warranties. Contractor further expressly warrants that materials and workmanship are warranted from defect for a one-year period. This is a minimum acceptable warranty.

18. Inspection

(a) All supplies (which term throughout this clause includes without limitation raw materials, components, intermediate assemblies, and their products) shall be subject to inspection and test by the City, to the extent practicable at all times and places including the place of manufacturer, and in any event prior to acceptance.

(b) In the event any supplies or lots of supplies are defective in material or workmanship, or otherwise not in conformity with the requirements of this Contract, the City shall have the right either to reject them (with or without instructions as to their disposition) or to require their correction. Supplies or lots of supplies which have been rejected or required to be corrected shall be removed or, if permitted or required by the Finance Director, corrected in place by and at the expense of Contractor promptly after notice, and shall not thereafter be tendered for acceptance unless the former rejection or requirement of correction is disclosed. If Contractor fails promptly to remove such supplies or lots of supplies which are required to be removed or promptly to replace or correct such supplies or lots of supplies, the City may either (i) by contract or otherwise replace or correct such supplies and charge Contractor the cost for such replacement or correction; or (ii) may terminate this Contract for default as provided in the clause of this Contract entitled "Termination for Default." Unless Contractor corrects or replaces such supplies within the delivery schedule, the Finance Director may require the delivery of such supplies at a reduction in price, which is equitable under the circumstances. Acceptance or rejection of the supplies shall be made as promptly as practicable after delivery, except as otherwise provided in this Contract. Failure to inspect and accept or reject supplies shall neither relieve Contractor from responsibility for such supplies as are not in accordance with the Contract requirements nor impose liability on the City therefor.

(c) The inspection and test by the City of any supplies or lots thereof does not relieve Contractor from any responsibility regarding defects or other failures to meet the Contract requirements, which may be discovered prior to acceptance. Except as otherwise provided in this Contract, acceptance shall be conclusive except as regards latent defects, fraud, or such gross mistakes as amount to fraud.

19. Liability for Loss or Damage. Contractor shall be liable for any loss of, or damage to, City property caused by the negligence, recklessness, or intended wrongful misconduct of Contractor, his/its agents, servants and employees and shall indemnify and save the City harmless against all actions, proceedings, claims, demands, costs, damages and expenses, including attorney's fees, by reason of any suit or action brought for any actual or alleged injury to or death of any person or damage to property other than City property, resulting from the performance of the Contract by Contractor, his/its agents, servants and employees. Contractor shall submit a full written report to the Finance Director within twenty-four (24) hours following the occurrence of such damage, loss or injury.

20. Non-discrimination. During the performance of this Contract, Contractor agrees as follows:

(a) Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, disability, marital status, age or national origin, except where such is a bona-fide occupational qualification reasonably necessary to the normal operation of Contractor. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause. Contractor agrees and fully supports and complies with the Americans with Disabilities Act of 1990.

(b) Contractor shall state in all solicitations or advertisements for employees placed by or on behalf of Contractor that Contractor is an equal opportunity employer.

(c) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient compliance with this provision. Contractor shall include the provisions of the foregoing subparagraphs (a), (b), and (c) in every subcontract or purchase order of over \$10,000 so that the provisions will be binding upon each subcontractor or vendor.

21. Disputes. The Finance Director, who shall reduce his decision to writing and mail or otherwise furnish a copy thereof to Contractor, shall decide disputes with respect to this Contract in the first instance. The decision shall be final and binding unless, within thirty-(30) days from the date of such decision, Contractor mails or otherwise furnishes to the Finance Director a written appeal addressed to the City Manager. The decision by the City Manager shall be final and binding unless, within ten (10) days from the date of receipt of the decision of the City Manager, appeal is made to the City Council. The decision of the City Council shall be final and binding unless set aside by a court of competent jurisdiction as fraudulent, capricious, arbitrary, or so grossly erroneous as necessary to imply bad faith, or not to be supported by any evidence. Pending a final determination of a properly appealed decision of the Finance Director, Contractor shall proceed diligently with the performance of this Contract in accordance with that decision.

22. Force Majeure. Neither party shall be liable for any delay in performance or failure to perform any obligation hereunder if, and to the extent that, such failure or delay is caused by an event of Force Majeure. Force Majeure shall mean any act, event or condition that is beyond the party's reasonable control, that materially and adversely affects the party's ability to perform its obligations hereunder, and that is not the result of the party's willful neglect, error, omission or failure to exercise reasonable due diligence.

23. Controlling Law. **THIS CONTRACT CONTAINS IMPORTANT MATTERS AFFECTING LEGAL RIGHTS AND IS ACCEPTED AND ENTERED INTO IN FLORIDA AND ANY QUESTION REGARDING ITS VALIDITY, CONSTRUCTION, ENFORCEMENT, OR PERFORMANCE SHALL BE GOVERNED BY FLORIDA LAW. ANY LEGAL PROCEEDING ARISING FROM OR IN ANY WAY REGARDING THE AGREEMENT SHALL**

HAVE ITS VENUE LOCATED EXCLUSIVELY IN THE CIRCUIT COURT OF VOLUSIA COUNTY, FLORIDA, AND THE PARTIES HEREBY EXPRESSLY CONSENT AND SUBMIT THEMSELVES TO THE PERSONAL JURISDICTION AND VENUE OF THE COURT.

24. Additional Provisions

(a) This Contract includes all additional provisions as may have been outlined in the FSA Agreement and any attachments or exhibits to this Contract whether delivered herewith or subsequently approved as a part hereof, such as drawings or technical specifications prepared in the performance of this work.

(b) For the purposes of this Contract, any reference in the FSA Agreement to "Florida Sheriff's Association", "FSA", or the "Florida Association of Counties", shall be construed to mean the "City of Port Orange."

(c) In the event of a conflict between the FSA Agreement and this Contract, this Contract with the City of Port Orange shall control.

25. Integration. This Contract and the documents incorporated herein by reference shall constitute the whole agreement between the parties. There are no promises, terms, conditions, or obligations other than those contained herein, and this Contract shall supersede all previous communications, representations, or agreements, written or verbal, between the parties hereto.

26. Notice. For purposes of this agreement, notices shall be sent as follows:

EXHIBIT "1"

CITY OF PORT ORANGE PIGGYBACK AGREEMENT

This Piggyback Agreement is entered to this ____ day of _____, 20____, by and between the **CITY OF PORT ORANGE**, a Florida municipal whose principal address is 1000 City Center Circle, Port Orange, Florida 32129 (the "City") and **DUVAL FORD, LLC** ("Contractor"), a Florida limited liability corporation, whose principal address is 1616 Cassat Avenue, Jacksonville, Florida 32210 (collectively "the Parties").

WHEREAS, on the 1st day of October, 2015, Contractor entered into Contract with the Florida Sheriff's Association, pursuant to Bid No. 15-23-0904 (the "FSA Agreement"); and

WHEREAS the FSA Agreement provides for a term commencing on October 1, 2015 and continuing through September 30, 2016, as long as the vehicles are available through fleet; and

WHEREAS, by entering into this Piggyback Agreement, Contractor agrees to honor the terms of the FSA Agreement for the acquisition of police rated, administrative, utility vehicles, trucks and vans purchased by the City of Port Orange the City of Port Orange; and

WHEREAS, a copy of the FSA Agreement is available in the Office of the City Clerk, City Hall, 1000 City Center, Port Orange, Florida 32129; and

WHEREAS, the Port Orange City Council has determined that the execution of this Contract is beneficial to the citizens of the City of Port Orange.

For good and valuable consideration, conditions and promises, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **Term.** The term of this Contract shall be effective commencing on the last date the Contract is signed by the Parties and shall continue until September 30, 2016 (the "Term").

2. **Contractor Obligation.** Contractor agrees to sell motor vehicles to the City at the unit prices set forth in the FSA Agreement, except as modified herein and attached hereto as Exhibit "1". Contractor agrees that all pricing shall remain valid for the duration of this Agreement. Contractor shall not deliver goods or services without a written purchase order(s), signed by an authorized agent of the City of Port Orange. Contractor shall cause goods to be delivered to the City in the most expedient, cost effective manner. All items shall be shipped to the City of Port Orange designated facility identified in each purchase order, FOB Inside Delivery. Contractor shall bear the risk of loss for goods delivered under this Contract from the time of shipping to the City until delivered at the destination specified by the City for delivery.

3. **Authorization for Services.** This Contract standing alone does not authorize the performance of any work or services to be provided by the Contractor or require the City to place any orders for work or service. Authorization for performance of services by the Contractor under this Contract shall be in the form of written Purchase Order(s) issued and executed by the City and signed by the Contractor. The City reserves the right to contract with other parties for the services contemplated by this Contract, as determined in the City's sole and absolute discretion.

4. City Obligations. The City agrees to compensate Contractor at the unit prices set forth in Exhibit "1" in an amount subject to a limit up to but not to exceed Five Hundred Fourteen Thousand Eight Hundred Two and 00/100 Dollars (\$514,802.00) for the term of this Contract. All payments shall be governed by the Local Government Prompt Payment Act as set forth in Sections 218.70 through 218.79, Florida Statutes, as amended.

5. Contract Administration. Branford N. Adumuah, Director of Public Works shall perform contract administration of this Contract. For notice provisions, see the paragraph below entitled "Notice."

6. Termination for Convenience of the City

(a) The parties agree that the City may terminate this Contract, or any work or delivery required hereunder, from time to time either in whole or part, whenever the City Manager of Port Orange shall determine that such termination is in the best interest of the City.

(b) Termination, in whole or in part, shall be effected by delivery of a Notice of Termination signed by the City Manager or his designee, mailed or delivered to the Contractor, and specifically setting forth the effective date of termination.

(c) Upon receipt of such Notice, the Contractor shall:

- (i) cease any further deliveries or work due under this Contract, on the date, and to the extent, which may be specified in the Notice;
- (ii) place no further orders with any subcontractors except as may be necessary to perform that portion of this Contract not subject to the Notice;
- (iii) terminate all subcontracts except those made with respect to contract performance not subject to the Notice;
- (iv) settle all outstanding liabilities and claims which may arise out of such termination, with the ratification of the Finance Director of Port Orange; and
- (v) use best efforts to mitigate any damages which may be sustained by the Contractor as a consequence of termination under this clause.

(d) After complying with the provisions of subparagraph (c), above, the Contractor shall submit a termination claim, in no event later than six (6) months after the effective date of termination, unless one or more extensions of three (3) months each are granted by the Finance Director.

(e) The Finance Director, with the approval of the City Manager, shall pay from the using department's budget, reasonable costs of termination, including a reasonable amount for profit on supplies or services delivered or work completed. In no event shall this amount be greater than the original contract price, reduced by any payments made prior to Notice of Termination, and further reduced by the price of the supplies not delivered or the services not provided. This Contract shall be amended accordingly, and the Contractor shall be paid the agreed amount.

(f) In the event that the parties cannot agree on the whole amount to be paid to the Contractor by reason of termination under this clause, the Finance Director shall pay the Contractor the amounts determined as follows, without duplicating any amounts which may have already been paid under the preceding paragraph of this clause:

- (i) With respect to all Contract performance prior to the effective date of Notice of Termination, the total of:
 - (1) the cost of work performed or supplies delivered;

(2) the cost of settling and paying any reasonable claims as provided in paragraph (c) (iv), above;

(3) a sum as profit on (a) determined by the Finance Director to be fair and reasonable.

(ii) The total sum to be paid under (i) above shall not exceed the contract price, as further reduced by the contract price of work or supplies not terminated.

(g) In the event that the Contractor is not satisfied with any payments which the Finance Director shall determine to be due under this clause, the Contractor may appeal any claim to the City Council in accordance with Paragraph 21 of this contract concerning disputes.

7. Termination for Convenience for Subcontractors. In accordance with the termination for the convenience of the City provision of this contract, the Contractor shall include similar provisions in any subcontract, and shall specifically include a requirement that subcontractors make all reasonable efforts to mitigate damages which may be suffered. Failure to include such provisions shall bar the Contractor from any recovery from the City whatsoever of loss or damage sustained by a subcontractor as a consequence of termination for convenience.

8. Termination for Default. Either party may terminate this Contract, without further obligation, for the default of the other party or its agents or employees with respect to any agreement or provision contained herein.

9. Examination of Records

(a) The Contractor agrees that the City, or any duly authorized representative, shall, until the expiration of five (5) years after final payment hereunder, have access to and the right to examine and copy any pertinent books, documents, papers and records of the Contractor involving transactions related to this Contract.

(b) The Contractor further agrees to include in any subcontract for more than \$10,000 entered into as a result of this Contract, a provision to the effect that the subcontractor agrees that the City or any duly authorized representative shall, until the expiration of five (5) years after final payment under the subcontract, have access to and the right to examine and copy any pertinent books, documents, papers and records of such contractor involved in transactions related to such subcontract, or this Contract. The term subcontract as used herein shall exclude purchase orders for public utility services at rates established for uniform applicability to the general public.

(c) The period of access provided in subparagraphs (a) and (b) above for records, books, documents and papers which may relate to any arbitration, litigation, or the settlement of claims arising out of the performance of this contract or any subcontract shall continue until any appeals, arbitration, litigation or claims shall have been finally disposed of.

10. Public Records Compliance. Contractor shall comply with public records laws as set forth in Chapter 119, Florida Statutes, and shall specifically:

(a) Keep and maintain public records that ordinarily and necessarily would be required by the City in order to perform the service.

(b) Provide the public with access to public records on the same terms and conditions that the City would provide the records and at a cost that does not exceed the cost provided in Section 119, Florida Statutes, or as otherwise provided by law.

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

(d) Meet all requirements for retaining public records and transfer to the City, at no cost, all public records in possession of the Contractor upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the City in a format that is compatible with the information technology systems of the City.

If Contractor does not comply with a public records request, the City shall enforce the contract provisions in accordance with the contract.

11. Termination for Non-Appropriation of Funds

(a) If funds are not appropriated for any succeeding fiscal years subsequent to the one in which this contract is entered into, for the purpose of this Contract, then the City may terminate this Contract upon thirty (30) days prior written notice to the Contractor. Should termination be accomplished in accordance with this Section, the City shall be liable only for payments due through the date of termination.

(b) The City agrees that should it terminate in accordance with this Section, it shall not obtain services which are substantially equal to or similar to those for which this contract was entered into. This provision shall survive any termination of the Contract.

12. Insurance. Contractor shall maintain insurance during the life of this Contract. Contractor shall provide to the City a certificate of insurance identifying the City of Port Orange as an additional insured. For workers' compensation coverage, the bidder's insurance certificate shall include the insurer's waiver of subrogation in lieu of naming the city as an additional insured for workers' compensation.

Policies other than Workers' Compensation shall be issued by insurers licensed and/or duly authorized under Florida Law to do business in the State of Florida and all insuring companies are required to have a minimum rating of "A" in the "Best Key Rating Guide" published by A.M. Best & Company, Inc. Policies for Workers' Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.572. Contractor shall not commence work under this Agreement until the City has received a certificate or certificates of insurance and endorsement evidencing the required insurance. Contractor shall provide the City written notice of cancellation, nonrenewal or any other changes in coverage no later than ten (10) days prior to the effective date of the change.

The City reserves the right to increase insurance coverage as determined for higher risk contracts and shall reimburse the Contractor for the reasonable additional costs of increased coverage.

13. Assignability of Contract. Neither this contract, nor any part hereof, may be assigned by the Contractor to any other party without the express written approval of the City Council.

14. Modifications or Changes to this Contract

(a) Change Orders. The Department Head, with the concurrence of the City's signatory as required by the City's Purchasing Policy, shall without notice to any sureties, have the authority to order changes in this Contract which affect the cost or time of performance. Such changes shall be ordered in writing specifically designated to be a change order. Such orders shall be limited to reasonable changes in the services to be performed or the time of the performance. The City will not be held liable for any changes which have not been properly authorized and approved in accordance with this Contract.

(b) If any change under this clause causes an increase or decrease in Contractor's cost of, or time required for the performance of the work hereunder, Contractor shall receive an equitable adjustment in accordance with subparagraph (d), which shall include all compensation to the Contractor, or the City, of any kind in connection with such change, including all costs and damages related to or incidental to such change. Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(c) Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(d) No claim for changes ordered hereunder shall be considered if made after final payment in accordance with the Contract.

15. Sovereign Immunity. The City expressly retains all rights, benefits and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Notwithstanding anything set forth in any section of this Contract to the contrary, nothing in this Contract shall be deemed as a waiver of immunity or limits of liability of the City beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature or may be adopted by the Florida Legislature and the cap on the amount and liability of the City for damages regardless of the number or nature of claims in tort or equity shall not exceed the dollar amount set by the legislature for tort. Nothing in this Contract shall inure to the benefit of any third party for the purpose of allowing any claim against the City which would otherwise be barred under the Doctrine of Sovereign Immunity or operation of law.

16. Warranties. Contractor warrants that (1) the supplies to be provided to the City pursuant to this Contract are fit and sufficient for the purpose intended; (2) the supplies are merchantable, of good quality, and free from defects, whether patent or latent, in material or workmanship, and (3) the supplies sold to the City pursuant to this Contract conform to the standards required by this Contract.

Contractor further warrants that Contractor has title to the supplies provided, and that the supplies are free and clear of all liens encumbrances, and security interests. All warranties made in this Contract, together with service warranties and guarantees, shall run to the City and its successors and assigns.

17. Additional Warranties. Contractor further expressly warrants that materials and workmanship are warranted from defect for a one-year period. This is a minimum acceptable warranty.

18. Inspection

(a) All supplies (which term throughout this clause includes without limitation raw materials, components, intermediate assemblies, and their products) shall be subject to inspection and test by the City, to the extent practicable at all times and places including the place of manufacturer, and in any event prior to acceptance.

(b) In the event any supplies or lots of supplies are defective in material or workmanship, or otherwise not in conformity with the requirements of this Contract, the City shall have the right either to reject them (with or without instructions as to their disposition) or to require their correction. Supplies or lots of supplies which have been rejected or required to be corrected shall be removed or, if permitted or required by the Finance Director, corrected in place by and at the expense of Contractor promptly after notice, and shall not thereafter be tendered for acceptance unless the former rejection or requirement of correction is disclosed. If Contractor fails promptly to remove such supplies or lots of supplies which are required to be removed or promptly to replace or correct such supplies or lots of supplies, the City may either (i) by contract or otherwise replace or correct such supplies and charge Contractor the cost for such replacement or correction; or (ii) may terminate this Contract for default as provided in the clause of this Contract entitled "Termination for Default." Unless Contractor corrects or replaces such supplies within the delivery schedule, the Finance Director may require the delivery of such supplies at a reduction in price, which is equitable under the circumstances. Acceptance or rejection of the supplies shall be made as promptly as practicable after delivery, except as otherwise provided in this Contract. Failure to inspect and accept or reject supplies shall neither relieve Contractor from responsibility for such supplies as are not in accordance with the Contract requirements nor impose liability on the City therefor.

(c) The inspection and test by the City of any supplies or lots thereof does not relieve Contractor from any responsibility regarding defects or other failures to meet the Contract requirements, which may be discovered prior to acceptance. Except as otherwise provided in this Contract, acceptance shall be conclusive except as regards latent defects, fraud, or such gross mistakes as amount to fraud.

19. Liability for Loss or Damage. Contractor shall be liable for any loss of, or damage to, City property caused by the negligence, recklessness, or intended wrongful misconduct of Contractor, his/its agents, servants and employees and shall indemnify and save the City harmless against all actions, proceedings, claims, demands, costs, damages and expenses, including attorney's fees, by reason of any suit or action brought for any actual or alleged injury to or death of any person or damage to property other than City property, resulting from the performance of the Contract by Contractor, his/its agents, servants and employees. Contractor shall submit a full written report to the Finance Director within twenty-four (24) hours following the occurrence of such damage, loss or injury.

20. Non-discrimination. During the performance of this Contract, Contractor agrees as follows:

(a) Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, disability, marital status, age or national origin, except where such is a bona-fide occupational qualification reasonably necessary to the normal operation of Contractor. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause. Contractor agrees and fully supports and complies with the Americans with Disabilities Act of 1990.

(b) Contractor shall state in all solicitations or advertisements for employees placed by or on behalf of Contractor that Contractor is an equal opportunity employer.

(c) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient compliance with this provision. Contractor shall include the provisions of the foregoing subparagraphs (a), (b), and (c) in every subcontract or purchase order of over \$10,000 so that the provisions will be binding upon each subcontractor or vendor.

21. Disputes. The Finance Director, who shall reduce his decision to writing and mail or otherwise furnish a copy thereof to Contractor, shall decide disputes with respect to this Contract in the first instance. The decision shall be final and binding unless, within thirty-(30) days from the date of such decision, Contractor mails or otherwise furnishes to the Finance Director a written appeal addressed to the City Manager. The decision by the City Manager shall be final and binding unless, within ten (10) days from the date of receipt of the decision of the City Manager, appeal is made to the City Council. The decision of the City Council shall be final and binding unless set aside by a court of competent jurisdiction as fraudulent, capricious, arbitrary, or so grossly erroneous as necessary to imply bad faith, or not to be supported by any evidence. Pending a final determination of a properly appealed decision of the Finance Director, Contractor shall proceed diligently with the performance of this Contract in accordance with that decision.

22. Force Majeure. Neither party shall be liable for any delay in performance or failure to perform any obligation hereunder if, and to the extent that, such failure or delay is caused by an event of Force Majeure. Force Majeure shall mean any act, event or condition that is beyond the party's reasonable control, that materially and adversely affects the party's ability to perform its obligations hereunder, and that is not the result of the party's willful neglect, error, omission or failure to exercise reasonable due diligence.

23. Controlling Law. **THIS CONTRACT CONTAINS IMPORTANT MATTERS AFFECTING LEGAL RIGHTS AND IS ACCEPTED AND ENTERED INTO IN FLORIDA AND ANY QUESTION REGARDING ITS VALIDITY, CONSTRUCTION, ENFORCEMENT, OR PERFORMANCE SHALL BE GOVERNED BY FLORIDA LAW. ANY LEGAL PROCEEDING ARISING FROM OR IN ANY WAY REGARDING THE AGREEMENT SHALL**

HAVE ITS VENUE LOCATED EXCLUSIVELY IN THE CIRCUIT COURT OF VOLUSIA COUNTY, FLORIDA, AND THE PARTIES HEREBY EXPRESSLY CONSENT AND SUBMIT THEMSELVES TO THE PERSONAL JURISDICTION AND VENUE OF THE COURT.

24. Additional Provisions

(a) This Contract includes all additional provisions as may have been outlined in the FSA Agreement and any attachments or exhibits to this Contract whether delivered herewith or subsequently approved as a part hereof, such as drawings or technical specifications prepared in the performance of this work.

(b) For the purposes of this Contract, any reference in the FSA Agreement to "Florida Sheriff's Association", "FSA", or the "Florida Association of Counties", shall be construed to mean the "City of Port Orange."

(c) In the event of a conflict between the FSA Agreement and this Contract, this Contract with the City of Port Orange shall control.

25. Integration. This Contract and the documents incorporated herein by reference shall constitute the whole agreement between the parties. There are no promises, terms, conditions, or obligations other than those contained herein, and this Contract shall supersede all previous communications, representations, or agreements, written or verbal, between the parties hereto.

26. Notice. For purposes of this agreement, notices shall be sent as follows:

CITY OF PORT ORANGE PIGGYBACK AGREEMENT

This Piggyback Agreement is entered to this ____ day of _____, 20____, by and between the **CITY OF PORT ORANGE**, a Florida municipal whose principal address is 1000 City Center Circle, Port Orange, Florida 32129 (the "City") and **ALAN JAY NISSAN, INC.** ("Contractor"), a Florida corporation, whose principal address is 1700 Flare Road, Sebring, Florida 33870 (collectively "the Parties").

WHEREAS, on the 1st day of October, 2015, Contractor entered into Contract with the Florida Sheriff's Association, pursuant to Bid No. 15-23-0904 (the "FSA Agreement"); and

WHEREAS the FSA Agreement provides for a term commencing on October 1, 2015 and continuing through September 30, 2016, as long as the vehicles are available through fleet; and

WHEREAS, by entering into this Piggyback Agreement, Contractor agrees to honor the terms of the FSA Agreement for the acquisition of police rated, administrative, utility vehicles, trucks and vans purchased by the City of Port Orange the City of Port Orange; and

WHEREAS, a copy of the FSA Agreement is available in the Office of the City Clerk, City Hall, 1000 City Center, Port Orange, Florida 32129; and

WHEREAS, the Port Orange City Council has determined that the execution of this Contract is beneficial to the citizens of the City of Port Orange.

For good and valuable consideration, conditions and promises, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **Term.** The term of this Contract shall be effective commencing on the last date the Contract is signed by the Parties and shall continue until September 30, 2016 (the "Term").

2. **Contractor Obligation.** Contractor agrees to sell motor vehicles to the City at the unit prices set forth in the FSA Agreement, except as modified herein and attached hereto as Exhibit "1". Contractor agrees that all pricing shall remain valid for the duration of this Agreement. Contractor shall not deliver goods or services without a written purchase order(s), signed by an authorized agent of the City of Port Orange. Contractor shall cause goods to be delivered to the City in the most expedient, cost effective manner. All items shall be shipped to the City of Port Orange designated facility identified in each purchase order, FOB Inside Delivery. Contractor shall bear the risk of loss for goods delivered under this Contract from the time of shipping to the City until delivered at the destination specified by the City for delivery.

3. **Authorization for Services.** This Contract standing alone does not authorize the performance of any work or services to be provided by the Contractor or require the City to place any orders for work or service. Authorization for performance of services by the Contractor under this Contract shall be in the form of written Purchase Order(s) issued and executed by the City and signed by the Contractor. The City reserves the right to contract with other parties for the services contemplated by this Contract, as determined in the City's sole and absolute discretion.

4. City Obligations. The City agrees to compensate Contractor at the unit prices set forth in Exhibit "1" in an amount subject to a limit up to but not to exceed Eighty-Five Thousand Two Hundred Thirty-Six and 00/100 Dollars (\$85,236.00) for the term of this Contract. All payments shall be governed by the Local Government Prompt Payment Act as set forth in Sections 218.70 through 218.79, Florida Statutes, as amended.

5. Contract Administration. Branford N. Adumuah, Director of Public Works shall perform contract administration of this Contract. For notice provisions, see the paragraph below entitled "Notice."

6. Termination for Convenience of the City

(a) The parties agree that the City may terminate this Contract, or any work or delivery required hereunder, from time to time either in whole or part, whenever the City Manager of Port Orange shall determine that such termination is in the best interest of the City.

(b) Termination, in whole or in part, shall be effected by delivery of a Notice of Termination signed by the City Manager or his designee, mailed or delivered to the Contractor, and specifically setting forth the effective date of termination.

(c) Upon receipt of such Notice, the Contractor shall:

- (i) cease any further deliveries or work due under this Contract, on the date, and to the extent, which may be specified in the Notice;
- (ii) place no further orders with any subcontractors except as may be necessary to perform that portion of this Contract not subject to the Notice;
- (iii) terminate all subcontracts except those made with respect to contract performance not subject to the Notice;
- (iv) settle all outstanding liabilities and claims which may arise out of such termination, with the ratification of the Finance Director of Port Orange; and
- (v) use best efforts to mitigate any damages which may be sustained by the Contractor as a consequence of termination under this clause.

(d) After complying with the provisions of subparagraph (c), above, the Contractor shall submit a termination claim, in no event later than six (6) months after the effective date of termination, unless one or more extensions of three (3) months each are granted by the Finance Director.

(e) The Finance Director, with the approval of the City Manager, shall pay from the using department's budget, reasonable costs of termination, including a reasonable amount for profit on supplies or services delivered or work completed. In no event shall this amount be greater than the original contract price, reduced by any payments made prior to Notice of Termination, and further reduced by the price of the supplies not delivered or the services not provided. This Contract shall be amended accordingly, and the Contractor shall be paid the agreed amount.

(f) In the event that the parties cannot agree on the whole amount to be paid to the Contractor by reason of termination under this clause, the Finance Director shall pay the Contractor the amounts determined as follows, without duplicating any amounts which may have already been paid under the preceding paragraph of this clause:

- (i) With respect to all Contract performance prior to the effective date of Notice of Termination, the total of:
 - (1) the cost of work performed or supplies delivered;

(2) the cost of settling and paying any reasonable claims as provided in paragraph (c) (iv), above;

(3) a sum as profit on (a) determined by the Finance Director to be fair and reasonable.

(ii) The total sum to be paid under (i) above shall not exceed the contract price, as further reduced by the contract price of work or supplies not terminated.

(g) In the event that the Contractor is not satisfied with any payments which the Finance Director shall determine to be due under this clause, the Contractor may appeal any claim to the City Council in accordance with Paragraph 21 of this contract concerning disputes.

7. Termination for Convenience for Subcontractors. In accordance with the termination for the convenience of the City provision of this contract, the Contractor shall include similar provisions in any subcontract, and shall specifically include a requirement that subcontractors make all reasonable efforts to mitigate damages which may be suffered. Failure to include such provisions shall bar the Contractor from any recovery from the City whatsoever of loss or damage sustained by a subcontractor as a consequence of termination for convenience.

8. Termination for Default. Either party may terminate this Contract, without further obligation, for the default of the other party or its agents or employees with respect to any agreement or provision contained herein.

9. Examination of Records

(a) The Contractor agrees that the City, or any duly authorized representative, shall, until the expiration of five (5) years after final payment hereunder, have access to and the right to examine and copy any pertinent books, documents, papers and records of the Contractor involving transactions related to this Contract.

(b) The Contractor further agrees to include in any subcontract for more than \$10,000 entered into as a result of this Contract, a provision to the effect that the subcontractor agrees that the City or any duly authorized representative shall, until the expiration of five (5) years after final payment under the subcontract, have access to and the right to examine and copy any pertinent books, documents, papers and records of such contractor involved in transactions related to such subcontract, or this Contract. The term subcontract as used herein shall exclude purchase orders for public utility services at rates established for uniform applicability to the general public.

(c) The period of access provided in subparagraphs (a) and (b) above for records, books, documents and papers which may relate to any arbitration, litigation, or the settlement of claims arising out of the performance of this contract or any subcontract shall continue until any appeals, arbitration, litigation or claims shall have been finally disposed of.

10. Public Records Compliance. Contractor shall comply with public records laws as set forth in Chapter 119, Florida Statutes, and shall specifically:

(a) Keep and maintain public records that ordinarily and necessarily would be required by the City in order to perform the service.

(b) Provide the public with access to public records on the same terms and conditions that the City would provide the records and at a cost that does not exceed the cost provided in Section 119, Florida Statutes, or as otherwise provided by law.

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

(d) Meet all requirements for retaining public records and transfer to the City, at no cost, all public records in possession of the Contractor upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the City in a format that is compatible with the information technology systems of the City.

If Contractor does not comply with a public records request, the City shall enforce the contract provisions in accordance with the contract.

11. Termination for Non-Appropriation of Funds

(a) If funds are not appropriated for any succeeding fiscal years subsequent to the one in which this contract is entered into, for the purpose of this Contract, then the City may terminate this Contract upon thirty (30) days prior written notice to the Contractor. Should termination be accomplished in accordance with this Section, the City shall be liable only for payments due through the date of termination.

(b) The City agrees that should it terminate in accordance with this Section, it shall not obtain services which are substantially equal to or similar to those for which this contract was entered into. This provision shall survive any termination of the Contract.

12. Insurance. Contractor shall maintain insurance during the life of this Contract. Contractor shall provide to the City a certificate of insurance identifying the City of Port Orange as an additional insured. For workers' compensation coverage, the bidder's insurance certificate shall include the insurer's waiver of subrogation in lieu of naming the city as an additional insured for workers' compensation.

Policies other than Workers' Compensation shall be issued by insurers licensed and/or duly authorized under Florida Law to do business in the State of Florida and all insuring companies are required to have a minimum rating of "A" in the "Best Key Rating Guide" published by A.M. Best & Company, Inc. Policies for Workers' Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.572. Contractor shall not commence work under this Agreement until the City has received a certificate or certificates of insurance and endorsement evidencing the required insurance. Contractor shall provide the City written notice of cancellation, nonrenewal or any other changes in coverage no later than ten (10) days prior to the effective date of the change.

The City reserves the right to increase insurance coverage as determined for higher risk contracts and shall reimburse the Contractor for the reasonable additional costs of increased coverage.

13. Assignability of Contract. Neither this contract, nor any part hereof, may be assigned by the Contractor to any other party without the express written approval of the City Council.

14. Modifications or Changes to this Contract

(a) Change Orders. The Department Head, with the concurrence of the City's signatory as required by the City's Purchasing Policy, shall without notice to any sureties, have the authority to order changes in this Contract which affect the cost or time of performance. Such changes shall be ordered in writing specifically designated to be a change order. Such orders shall be limited to reasonable changes in the services to be performed or the time of the performance. The City will not be held liable for any changes which have not been properly authorized and approved in accordance with this Contract.

(b) If any change under this clause causes an increase or decrease in Contractor's cost of, or time required for the performance of the work hereunder, Contractor shall receive an equitable adjustment in accordance with subparagraph (d), which shall include all compensation to the Contractor, or the City, of any kind in connection with such change, including all costs and damages related to or incidental to such change. Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(c) Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(d) No claim for changes ordered hereunder shall be considered if made after final payment in accordance with the Contract.

15. Sovereign Immunity. The City expressly retains all rights, benefits and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Notwithstanding anything set forth in any section of this Contract to the contrary, nothing in this Contract shall be deemed as a waiver of immunity or limits of liability of the City beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature or may be adopted by the Florida Legislature and the cap on the amount and liability of the City for damages regardless of the number or nature of claims in tort or equity shall not exceed the dollar amount set by the legislature for tort. Nothing in this Contract shall inure to the benefit of any third party for the purpose of allowing any claim against the City which would otherwise be barred under the Doctrine of Sovereign Immunity or operation of law.

16. Warranties. Contractor warrants that (1) the supplies to be provided to the City pursuant to this Contract are fit and sufficient for the purpose intended; (2) the supplies are merchantable, of good quality, and free from defects, whether patent or latent, in material or workmanship, and (3) the supplies sold to the City pursuant to this Contract conform to the standards required by this Contract.

Contractor further warrants that Contractor has title to the supplies provided, and that the supplies are free and clear of all liens encumbrances, and security interests. All warranties made in this Contract, together with service warranties and guarantees, shall run to the City and its successors and assigns.

17. Additional Warranties. Contractor further expressly warrants that materials and workmanship are warranted from defect for a one-year period. This is a minimum acceptable warranty.

18. Inspection

(a) All supplies (which term throughout this clause includes without limitation raw materials, components, intermediate assemblies, and their products) shall be subject to inspection and test by the City, to the extent practicable at all times and places including the place of manufacturer, and in any event prior to acceptance.

(b) In the event any supplies or lots of supplies are defective in material or workmanship, or otherwise not in conformity with the requirements of this Contract, the City shall have the right either to reject them (with or without instructions as to their disposition) or to require their correction. Supplies or lots of supplies which have been rejected or required to be corrected shall be removed or, if permitted or required by the Finance Director, corrected in place by and at the expense of Contractor promptly after notice, and shall not thereafter be tendered for acceptance unless the former rejection or requirement of correction is disclosed. If Contractor fails promptly to remove such supplies or lots of supplies which are required to be removed or promptly to replace or correct such supplies or lots of supplies, the City may either (i) by contract or otherwise replace or correct such supplies and charge Contractor the cost for such replacement or correction; or (ii) may terminate this Contract for default as provided in the clause of this Contract entitled "Termination for Default." Unless Contractor corrects or replaces such supplies within the delivery schedule, the Finance Director may require the delivery of such supplies at a reduction in price, which is equitable under the circumstances. Acceptance or rejection of the supplies shall be made as promptly as practicable after delivery, except as otherwise provided in this Contract. Failure to inspect and accept or reject supplies shall neither relieve Contractor from responsibility for such supplies as are not in accordance with the Contract requirements nor impose liability on the City therefor.

(c) The inspection and test by the City of any supplies or lots thereof does not relieve Contractor from any responsibility regarding defects or other failures to meet the Contract requirements, which may be discovered prior to acceptance. Except as otherwise provided in this Contract, acceptance shall be conclusive except as regards latent defects, fraud, or such gross mistakes as amount to fraud.

19. Liability for Loss or Damage. Contractor shall be liable for any loss of, or damage to, City property caused by the negligence, recklessness, or intended wrongful misconduct of Contractor, his/its agents, servants and employees and shall indemnify and save the City harmless against all actions, proceedings, claims, demands, costs, damages and expenses, including attorney's fees, by reason of any suit or action brought for any actual or alleged injury to or death of any person or damage to property other than City property, resulting from the performance of the Contract by Contractor, his/its agents, servants and employees. Contractor shall submit a full written report to the Finance Director within twenty-four (24) hours following the occurrence of such damage, loss or injury.

20. Non-discrimination. During the performance of this Contract, Contractor agrees as follows:

(a) Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, disability, marital status, age or national origin, except where such is a bona-fide occupational qualification reasonably necessary to the normal operation of Contractor. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause. Contractor agrees and fully supports and complies with the Americans with Disabilities Act of 1990.

(b) Contractor shall state in all solicitations or advertisements for employees placed by or on behalf of Contractor that Contractor is an equal opportunity employer.

(c) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient compliance with this provision. Contractor shall include the provisions of the foregoing subparagraphs (a), (b), and (c) in every subcontract or purchase order of over \$10,000 so that the provisions will be binding upon each subcontractor or vendor.

21. Disputes. The Finance Director, who shall reduce his decision to writing and mail or otherwise furnish a copy thereof to Contractor, shall decide disputes with respect to this Contract in the first instance. The decision shall be final and binding unless, within thirty-(30) days from the date of such decision, Contractor mails or otherwise furnishes to the Finance Director a written appeal addressed to the City Manager. The decision by the City Manager shall be final and binding unless, within ten (10) days from the date of receipt of the decision of the City Manager, appeal is made to the City Council. The decision of the City Council shall be final and binding unless set aside by a court of competent jurisdiction as fraudulent, capricious, arbitrary, or so grossly erroneous as necessary to imply bad faith, or not to be supported by any evidence. Pending a final determination of a properly appealed decision of the Finance Director, Contractor shall proceed diligently with the performance of this Contract in accordance with that decision.

22. Force Majeure. Neither party shall be liable for any delay in performance or failure to perform any obligation hereunder if, and to the extent that, such failure or delay is caused by an event of Force Majeure. Force Majeure shall mean any act, event or condition that is beyond the party's reasonable control, that materially and adversely affects the party's ability to perform its obligations hereunder, and that is not the result of the party's willful neglect, error, omission or failure to exercise reasonable due diligence.

23. Controlling Law. **THIS CONTRACT CONTAINS IMPORTANT MATTERS AFFECTING LEGAL RIGHTS AND IS ACCEPTED AND ENTERED INTO IN FLORIDA AND ANY QUESTION REGARDING ITS VALIDITY, CONSTRUCTION, ENFORCEMENT, OR PERFORMANCE SHALL BE GOVERNED BY FLORIDA LAW. ANY LEGAL PROCEEDING ARISING FROM OR IN ANY WAY REGARDING THE AGREEMENT SHALL**

HAVE ITS VENUE LOCATED EXCLUSIVELY IN THE CIRCUIT COURT OF VOLUSIA COUNTY, FLORIDA, AND THE PARTIES HEREBY EXPRESSLY CONSENT AND SUBMIT THEMSELVES TO THE PERSONAL JURISDICTION AND VENUE OF THE COURT.

24. Additional Provisions

(a) This Contract includes all additional provisions as may have been outlined in the FSA Agreement and any attachments or exhibits to this Contract whether delivered herewith or subsequently approved as a part hereof, such as drawings or technical specifications prepared in the performance of this work.

(b) For the purposes of this Contract, any reference in the FSA Agreement to "Florida Sheriff's Association", "FSA", or the "Florida Association of Counties", shall be construed to mean the "City of Port Orange."

(c) In the event of a conflict between the FSA Agreement and this Contract, this Contract with the City of Port Orange shall control.

25. Integration. This Contract and the documents incorporated herein by reference shall constitute the whole agreement between the parties. There are no promises, terms, conditions, or obligations other than those contained herein, and this Contract shall supersede all previous communications, representations, or agreements, written or verbal, between the parties hereto.

26. Notice. For purposes of this agreement, notices shall be sent as follows:

This Piggyback Agreement is entered to this ____ day of _____, 20____, by and between the **CITY OF PORT ORANGE**, a Florida municipal whose principal address is 1000 City Center Circle, Port Orange, Florida 32129 (the "City") and **SOUTHERN SEWER EQUIPMENT SALES AND SERVICES, INC.** ("Contractor"), a Florida corporation, whose principal address is 3409 Industrial 27th Street, Fort Pierce, Florida 34946 (collectively "the Parties").

WHEREAS, on the 1st day of October, 2015, Contractor entered into Contract with the Florida Sheriff's Association, pursuant to Bid No. 15-13-0904 (the "FSA Agreement"); and

WHEREAS the FSA Agreement provides for a term commencing on October 1, 2015 and continuing through September 30, 2016, as long as the vehicles are available through fleet; and

WHEREAS, by entering into this Piggyback Agreement, Contractor agrees to honor the terms of the FSA Agreement for the acquisition of cab and chassis trucks and other fleet equipment purchased by the City of Port Orange the City of Port Orange; and

WHEREAS, a copy of the FSA Agreement is available in the Office of the City Clerk, City Hall, 1000 City Center, Port Orange, Florida 32129; and

WHEREAS, the Port Orange City Council has determined that the execution of this Contract is beneficial to the citizens of the City of Port Orange.

For good and valuable consideration, conditions and promises, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **Term.** The term of this Contract shall be effective commencing on the last date the Contract is signed by the Parties and shall continue until September 30, 2016 (the "Term").

2. **Contractor Obligation.** Contractor agrees to sell cab and chassis trucks and other fleet equipment to the City at the unit prices set forth in the FSA Agreement, except as modified herein and attached hereto as Exhibit "1". Contractor agrees that all pricing shall remain valid for the duration of this Agreement. Contractor shall not deliver goods or services without a written purchase order(s), signed by an authorized agent of the City of Port Orange. Contractor shall cause goods to be delivered to the City in the most expedient, cost effective manner. All items shall be shipped to the City of Port Orange designated facility identified in each purchase order, FOB Inside Delivery. Contractor shall bear the risk of loss for goods delivered under this Contract from the time of shipping to the City until delivered at the destination specified by the City for delivery.

3. **Authorization for Services.** This Contract standing alone does not authorize the performance of any work or services to be provided by the Contractor or require the City to place any orders for work or service. Authorization for performance of services by the Contractor under this Contract shall be in the form of written Purchase Order(s) issued and executed by the City and signed by the Contractor. The City reserves the right to contract with other parties for the services contemplated by this Contract, as determined in the City's sole and absolute discretion.

4. City Obligations. The City agrees to compensate Contractor at the unit prices set forth in Exhibit "1" in an amount subject to a limit up to but not to exceed Two Hundred Forty-Six Thousand Nine Hundred Forty-Seven and 70/100 Dollars (\$246,947.70) for the term of this Contract. All payments shall be governed by the Local Government Prompt Payment Act as set forth in Sections 218.70 through 218.79, Florida Statutes, as amended.

5. Contract Administration. Branford N. Adumuah, Director of Public Works shall perform contract administration of this Contract. For notice provisions, see the paragraph below entitled "Notice."

6. Termination for Convenience of the City

(a) The parties agree that the City may terminate this Contract, or any work or delivery required hereunder, from time to time either in whole or part, whenever the City Manager of Port Orange shall determine that such termination is in the best interest of the City.

(b) Termination, in whole or in part, shall be effected by delivery of a Notice of Termination signed by the City Manager or his designee, mailed or delivered to the Contractor, and specifically setting forth the effective date of termination.

(c) Upon receipt of such Notice, the Contractor shall:

- (i) cease any further deliveries or work due under this Contract, on the date, and to the extent, which may be specified in the Notice;
- (ii) place no further orders with any subcontractors except as may be necessary to perform that portion of this Contract not subject to the Notice;
- (iii) terminate all subcontracts except those made with respect to contract performance not subject to the Notice;
- (iv) settle all outstanding liabilities and claims which may arise out of such termination, with the ratification of the Finance Director of Port Orange; and
- (v) use best efforts to mitigate any damages which may be sustained by the Contractor as a consequence of termination under this clause.

(d) After complying with the provisions of subparagraph (c), above, the Contractor shall submit a termination claim, in no event later than six (6) months after the effective date of termination, unless one or more extensions of three (3) months each are granted by the Finance Director.

(e) The Finance Director, with the approval of the City Manager, shall pay from the using department's budget, reasonable costs of termination, including a reasonable amount for profit on supplies or services delivered or work completed. In no event shall this amount be greater than the original contract price, reduced by any payments made prior to Notice of Termination, and further reduced by the price of the supplies not delivered or the services not provided. This Contract shall be amended accordingly, and the Contractor shall be paid the agreed amount.

(f) In the event that the parties cannot agree on the whole amount to be paid to the Contractor by reason of termination under this clause, the Finance Director shall pay the Contractor the amounts determined as follows, without duplicating any amounts which may have already been paid under the preceding paragraph of this clause:

- (i) With respect to all Contract performance prior to the effective date of Notice of Termination, the total of:
 - (1) the cost of work performed or supplies delivered;

(2) the cost of settling and paying any reasonable claims as provided in paragraph (c) (iv), above;

(3) a sum as profit on (a) determined by the Finance Director to be fair and reasonable.

(ii) The total sum to be paid under (i) above shall not exceed the contract price, as further reduced by the contract price of work or supplies not terminated.

(g) In the event that the Contractor is not satisfied with any payments which the Finance Director shall determine to be due under this clause, the Contractor may appeal any claim to the City Council in accordance with Paragraph 21 of this contract concerning disputes.

7. Termination for Convenience for Subcontractors. In accordance with the termination for the convenience of the City provision of this contract, the Contractor shall include similar provisions in any subcontract, and shall specifically include a requirement that subcontractors make all reasonable efforts to mitigate damages which may be suffered. Failure to include such provisions shall bar the Contractor from any recovery from the City whatsoever of loss or damage sustained by a subcontractor as a consequence of termination for convenience.

8. Termination for Default. Either party may terminate this Contract, without further obligation, for the default of the other party or its agents or employees with respect to any agreement or provision contained herein.

9. Examination of Records

(a) The Contractor agrees that the City, or any duly authorized representative, shall, until the expiration of five (5) years after final payment hereunder, have access to and the right to examine and copy any pertinent books, documents, papers and records of the Contractor involving transactions related to this Contract.

(b) The Contractor further agrees to include in any subcontract for more than \$10,000 entered into as a result of this Contract, a provision to the effect that the subcontractor agrees that the City or any duly authorized representative shall, until the expiration of five (5) years after final payment under the subcontract, have access to and the right to examine and copy any pertinent books, documents, papers and records of such contractor involved in transactions related to such subcontract, or this Contract. The term subcontract as used herein shall exclude purchase orders for public utility services at rates established for uniform applicability to the general public.

(c) The period of access provided in subparagraphs (a) and (b) above for records, books, documents and papers which may relate to any arbitration, litigation, or the settlement of claims arising out of the performance of this contract or any subcontract shall continue until any appeals, arbitration, litigation or claims shall have been finally disposed of.

10. Public Records Compliance. Contractor shall comply with public records laws as set forth in Chapter 119, Florida Statutes, and shall specifically:

(a) Keep and maintain public records that ordinarily and necessarily would be required by the City in order to perform the service.

(b) Provide the public with access to public records on the same terms and conditions that the City would provide the records and at a cost that does not exceed the cost provided in Section 119, Florida Statutes, or as otherwise provided by law.

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

(d) Meet all requirements for retaining public records and transfer to the City, at no cost, all public records in possession of the Contractor upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the City in a format that is compatible with the information technology systems of the City.

If Contractor does not comply with a public records request, the City shall enforce the contract provisions in accordance with the contract.

11. Termination for Non-Appropriation of Funds

(a) If funds are not appropriated for any succeeding fiscal years subsequent to the one in which this contract is entered into, for the purpose of this Contract, then the City may terminate this Contract upon thirty (30) days prior written notice to the Contractor. Should termination be accomplished in accordance with this Section, the City shall be liable only for payments due through the date of termination.

(b) The City agrees that should it terminate in accordance with this Section, it shall not obtain services which are substantially equal to or similar to those for which this contract was entered into. This provision shall survive any termination of the Contract.

12. Insurance. Contractor shall maintain insurance during the life of this Contract. Contractor shall provide to the City a certificate of insurance identifying the City of Port Orange as an additional insured. For workers' compensation coverage, the bidder's insurance certificate shall include the insurer's waiver of subrogation in lieu of naming the city as an additional insured for workers' compensation.

Policies other than Workers' Compensation shall be issued by insurers licensed and/or duly authorized under Florida Law to do business in the State of Florida and all insuring companies are required to have a minimum rating of "A" in the "Best Key Rating Guide" published by A.M. Best & Company, Inc. Policies for Workers' Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.572. Contractor shall not commence work under this Agreement until the City has received a certificate or certificates of insurance and endorsement evidencing the required insurance. Contractor shall provide the City written notice of cancellation, nonrenewal or any other changes in coverage no later than ten (10) days prior to the effective date of the change.

The City reserves the right to increase insurance coverage as determined for higher risk contracts and shall reimburse the Contractor for the reasonable additional costs of increased coverage.

13. Assignability of Contract. Neither this contract, nor any part hereof, may be assigned by the Contractor to any other party without the express written approval of the City Council.

14. Modifications or Changes to this Contract

(a) Change Orders. The Department Head, with the concurrence of the City's signatory as required by the City's Purchasing Policy, shall without notice to any sureties, have the authority to order changes in this Contract which affect the cost or time of performance. Such changes shall be ordered in writing specifically designated to be a change order. Such orders shall be limited to reasonable changes in the services to be performed or the time of the performance. The City will not be held liable for any changes which have not been properly authorized and approved in accordance with this Contract.

(b) If any change under this clause causes an increase or decrease in Contractor's cost of, or time required for the performance of the work hereunder, Contractor shall receive an equitable adjustment in accordance with subparagraph (d), which shall include all compensation to the Contractor, or the City, of any kind in connection with such change, including all costs and damages related to or incidental to such change. Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(c) Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(d) No claim for changes ordered hereunder shall be considered if made after final payment in accordance with the Contract.

15. Sovereign Immunity. The City expressly retains all rights, benefits and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Notwithstanding anything set forth in any section of this Contract to the contrary, nothing in this Contract shall be deemed as a waiver of immunity or limits of liability of the City beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature or may be adopted by the Florida Legislature and the cap on the amount and liability of the City for damages regardless of the number or nature of claims in tort or equity shall not exceed the dollar amount set by the legislature for tort. Nothing in this Contract shall inure to the benefit of any third party for the purpose of allowing any claim against the City which would otherwise be barred under the Doctrine of Sovereign Immunity or operation of law.

16. Warranties. Contractor warrants that (1) the supplies to be provided to the City pursuant to this Contract are fit and sufficient for the purpose intended; (2) the supplies are merchantable, of good quality, and free from defects, whether patent or latent, in material or workmanship, and (3) the supplies sold to the City pursuant to this Contract conform to the standards required by this Contract.

Contractor further warrants that Contractor has title to the supplies provided, and that the supplies are free and clear of all liens encumbrances, and security interests. All warranties made in this Contract, together with service warranties and guarantees, shall run to the City and its successors and assigns.

17. Additional Warranties. Contractor further expressly warrants that materials and workmanship are warranted from defect for a one-year period. This is a minimum acceptable warranty.

18. Inspection

(a) All supplies (which term throughout this clause includes without limitation raw materials, components, intermediate assemblies, and their products) shall be subject to inspection and test by the City, to the extent practicable at all times and places including the place of manufacturer, and in any event prior to acceptance.

(b) In the event any supplies or lots of supplies are defective in material or workmanship, or otherwise not in conformity with the requirements of this Contract, the City shall have the right either to reject them (with or without instructions as to their disposition) or to require their correction. Supplies or lots of supplies which have been rejected or required to be corrected shall be removed or, if permitted or required by the Finance Director, corrected in place by and at the expense of Contractor promptly after notice, and shall not thereafter be tendered for acceptance unless the former rejection or requirement of correction is disclosed. If Contractor fails promptly to remove such supplies or lots of supplies which are required to be removed or promptly to replace or correct such supplies or lots of supplies, the City may either (i) by contract or otherwise replace or correct such supplies and charge Contractor the cost for such replacement or correction; or (ii) may terminate this Contract for default as provided in the clause of this Contract entitled "Termination for Default." Unless Contractor corrects or replaces such supplies within the delivery schedule, the Finance Director may require the delivery of such supplies at a reduction in price, which is equitable under the circumstances. Acceptance or rejection of the supplies shall be made as promptly as practicable after delivery, except as otherwise provided in this Contract. Failure to inspect and accept or reject supplies shall neither relieve Contractor from responsibility for such supplies as are not in accordance with the Contract requirements nor impose liability on the City therefor.

(c) The inspection and test by the City of any supplies or lots thereof does not relieve Contractor from any responsibility regarding defects or other failures to meet the Contract requirements, which may be discovered prior to acceptance. Except as otherwise provided in this Contract, acceptance shall be conclusive except as regards latent defects, fraud, or such gross mistakes as amount to fraud.

19. Liability for Loss or Damage. Contractor shall be liable for any loss of, or damage to, City property caused by the negligence, recklessness, or intended wrongful misconduct of Contractor, his/its agents, servants and employees and shall indemnify and save the City harmless against all actions, proceedings, claims, demands, costs, damages and expenses, including attorney's fees, by reason of any suit or action brought for any actual or alleged injury to or death of any person or damage to property other than City property, resulting from the performance of the Contract by Contractor, his/its agents, servants and employees. Contractor shall submit a full written report to the Finance Director within twenty-four (24) hours following the occurrence of such damage, loss or injury.

20. Non-discrimination. During the performance of this Contract, Contractor agrees as follows:

(a) Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, disability, marital status, age or national origin, except where such is a bona-fide occupational qualification reasonably necessary to the normal operation of Contractor. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause. Contractor agrees and fully supports and complies with the Americans with Disabilities Act of 1990.

(b) Contractor shall state in all solicitations or advertisements for employees placed by or on behalf of Contractor that Contractor is an equal opportunity employer.

(c) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient compliance with this provision. Contractor shall include the provisions of the foregoing subparagraphs (a), (b), and (c) in every subcontract or purchase order of over \$10,000 so that the provisions will be binding upon each subcontractor or vendor.

21. Disputes. The Finance Director, who shall reduce his decision to writing and mail or otherwise furnish a copy thereof to Contractor, shall decide disputes with respect to this Contract in the first instance. The decision shall be final and binding unless, within thirty-(30) days from the date of such decision, Contractor mails or otherwise furnishes to the Finance Director a written appeal addressed to the City Manager. The decision by the City Manager shall be final and binding unless, within ten (10) days from the date of receipt of the decision of the City Manager, appeal is made to the City Council. The decision of the City Council shall be final and binding unless set aside by a court of competent jurisdiction as fraudulent, capricious, arbitrary, or so grossly erroneous as necessary to imply bad faith, or not to be supported by any evidence. Pending a final determination of a properly appealed decision of the Finance Director, Contractor shall proceed diligently with the performance of this Contract in accordance with that decision.

22. Force Majeure. Neither party shall be liable for any delay in performance or failure to perform any obligation hereunder if, and to the extent that, such failure or delay is caused by an event of Force Majeure. Force Majeure shall mean any act, event or condition that is beyond the party's reasonable control, that materially and adversely affects the party's ability to perform its obligations hereunder, and that is not the result of the party's willful neglect, error, omission or failure to exercise reasonable due diligence.

23. Controlling Law. **THIS CONTRACT CONTAINS IMPORTANT MATTERS AFFECTING LEGAL RIGHTS AND IS ACCEPTED AND ENTERED INTO IN FLORIDA AND ANY QUESTION REGARDING ITS VALIDITY, CONSTRUCTION, ENFORCEMENT, OR PERFORMANCE SHALL BE GOVERNED BY FLORIDA LAW. ANY LEGAL PROCEEDING ARISING FROM OR IN ANY WAY REGARDING THE AGREEMENT SHALL**

HAVE ITS VENUE LOCATED EXCLUSIVELY IN THE CIRCUIT COURT OF VOLUSIA COUNTY, FLORIDA, AND THE PARTIES HEREBY EXPRESSLY CONSENT AND SUBMIT THEMSELVES TO THE PERSONAL JURISDICTION AND VENUE OF THE COURT.

24. Additional Provisions

(a) This Contract includes all additional provisions as may have been outlined in the FSA Agreement and any attachments or exhibits to this Contract whether delivered herewith or subsequently approved as a part hereof, such as drawings or technical specifications prepared in the performance of this work.

(b) For the purposes of this Contract, any reference in the FSA Agreement to "Florida Sheriff's Association", "FSA", or the "Florida Association of Counties", shall be construed to mean the "City of Port Orange."

(c) In the event of a conflict between the FSA Agreement and this Contract, this Contract with the City of Port Orange shall control.

25. Integration. This Contract and the documents incorporated herein by reference shall constitute the whole agreement between the parties. There are no promises, terms, conditions, or obligations other than those contained herein, and this Contract shall supersede all previous communications, representations, or agreements, written or verbal, between the parties hereto.

26. Notice. For purposes of this agreement, notices shall be sent as follows:

CITY OF PORT ORANGE PIGGYBACK AGREEMENT

This Piggyback Agreement is entered to this ____ day of _____, 20____, by and between the **CITY OF PORT ORANGE**, a Florida municipal whose principal address is 1000 City Center Circle, Port Orange, Florida 32129 (the "City") and **SBL FREIGHTLINER, LLC d/b/a LOU BACHRODT FREIGHTLINER** ("Contractor"), a Florida limited liability corporation, whose principal address is 2840 Center Port Circle, Pompano, Florida 33064 (collectively "the Parties").

WHEREAS, on the 1st day of October, 2015, Contractor entered into Contract with the Florida Sheriff's Association, pursuant to Bid No. 15-13-0904 (the "FSA Agreement"); and

WHEREAS the FSA Agreement provides for a term commencing on October 1, 2015 and continuing through September 30, 2016, as long as the vehicles are available through fleet; and

WHEREAS, by entering into this Piggyback Agreement, Contractor agrees to honor the terms of the FSA Agreement for the acquisition of cab and chassis trucks and other fleet equipment purchased by the City of Port Orange the City of Port Orange; and

WHEREAS, a copy of the FSA Agreement is available in the Office of the City Clerk, City Hall, 1000 City Center, Port Orange, Florida 32129; and

WHEREAS, the Port Orange City Council has determined that the execution of this Contract is beneficial to the citizens of the City of Port Orange.

For good and valuable consideration, conditions and promises, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **Term.** The term of this Contract shall be effective commencing on the last date the Contract is signed by the Parties and shall continue until September 30, 2016 (the "Term").

2. **Contractor Obligation.** Contractor agrees to sell cab and chassis trucks and other fleet equipment to the City at the unit prices set forth in the FSA Agreement, except as modified herein and attached hereto as Exhibit "1". Contractor agrees that all pricing shall remain valid for the duration of this Agreement. Contractor shall not deliver goods or services without a written purchase order(s), signed by an authorized agent of the City of Port Orange. Contractor shall cause goods to be delivered to the City in the most expedient, cost effective manner. All items shall be shipped to the City of Port Orange designated facility identified in each purchase order, FOB Inside Delivery. Contractor shall bear the risk of loss for goods delivered under this Contract from the time of shipping to the City until delivered at the destination specified by the City for delivery.

3. **Authorization for Services.** This Contract standing alone does not authorize the performance of any work or services to be provided by the Contractor or require the City to place any orders for work or service. Authorization for performance of services by the Contractor under this Contract shall be in the form of written Purchase Order(s) issued and executed by the City and signed by the Contractor. The City reserves the right to contract with other parties for the services contemplated by this Contract, as determined in the City's sole and absolute discretion.

4. City Obligations. The City agrees to compensate Contractor at the unit prices set forth in Exhibit "1" in an amount subject to a limit up to but not to exceed One Hundred Four Thousand Nine Hundred and 00/100 Dollars (\$104,900.00) for the term of this Contract. All payments shall be governed by the Local Government Prompt Payment Act as set forth in Sections 218.70 through 218.79, Florida Statutes, as amended.

5. Contract Administration. Branford N. Adumuah, Director of Public Works shall perform contract administration of this Contract. For notice provisions, see the paragraph below entitled "Notice."

6. Termination for Convenience of the City

(a) The parties agree that the City may terminate this Contract, or any work or delivery required hereunder, from time to time either in whole or part, whenever the City Manager of Port Orange shall determine that such termination is in the best interest of the City.

(b) Termination, in whole or in part, shall be effected by delivery of a Notice of Termination signed by the City Manager or his designee, mailed or delivered to the Contractor, and specifically setting forth the effective date of termination.

(c) Upon receipt of such Notice, the Contractor shall:

- (i) cease any further deliveries or work due under this Contract, on the date, and to the extent, which may be specified in the Notice;
- (ii) place no further orders with any subcontractors except as may be necessary to perform that portion of this Contract not subject to the Notice;
- (iii) terminate all subcontracts except those made with respect to contract performance not subject to the Notice;
- (iv) settle all outstanding liabilities and claims which may arise out of such termination, with the ratification of the Finance Director of Port Orange; and
- (v) use best efforts to mitigate any damages which may be sustained by the Contractor as a consequence of termination under this clause.

(d) After complying with the provisions of subparagraph (c), above, the Contractor shall submit a termination claim, in no event later than six (6) months after the effective date of termination, unless one or more extensions of three (3) months each are granted by the Finance Director.

(e) The Finance Director, with the approval of the City Manager, shall pay from the using department's budget, reasonable costs of termination, including a reasonable amount for profit on supplies or services delivered or work completed. In no event shall this amount be greater than the original contract price, reduced by any payments made prior to Notice of Termination, and further reduced by the price of the supplies not delivered or the services not provided. This Contract shall be amended accordingly, and the Contractor shall be paid the agreed amount.

(f) In the event that the parties cannot agree on the whole amount to be paid to the Contractor by reason of termination under this clause, the Finance Director shall pay the Contractor the amounts determined as follows, without duplicating any amounts which may have already been paid under the preceding paragraph of this clause:

- (i) With respect to all Contract performance prior to the effective date of Notice of Termination, the total of:
 - (1) the cost of work performed or supplies delivered;

(2) the cost of settling and paying any reasonable claims as provided in paragraph (c) (iv), above;

(3) a sum as profit on (a) determined by the Finance Director to be fair and reasonable.

(ii) The total sum to be paid under (i) above shall not exceed the contract price, as further reduced by the contract price of work or supplies not terminated.

(g) In the event that the Contractor is not satisfied with any payments which the Finance Director shall determine to be due under this clause, the Contractor may appeal any claim to the City Council in accordance with Paragraph 21 of this contract concerning disputes.

7. Termination for Convenience for Subcontractors. In accordance with the termination for the convenience of the City provision of this contract, the Contractor shall include similar provisions in any subcontract, and shall specifically include a requirement that subcontractors make all reasonable efforts to mitigate damages which may be suffered. Failure to include such provisions shall bar the Contractor from any recovery from the City whatsoever of loss or damage sustained by a subcontractor as a consequence of termination for convenience.

8. Termination for Default. Either party may terminate this Contract, without further obligation, for the default of the other party or its agents or employees with respect to any agreement or provision contained herein.

9. Examination of Records

(a) The Contractor agrees that the City, or any duly authorized representative, shall, until the expiration of five (5) years after final payment hereunder, have access to and the right to examine and copy any pertinent books, documents, papers and records of the Contractor involving transactions related to this Contract.

(b) The Contractor further agrees to include in any subcontract for more than \$10,000 entered into as a result of this Contract, a provision to the effect that the subcontractor agrees that the City or any duly authorized representative shall, until the expiration of five (5) years after final payment under the subcontract, have access to and the right to examine and copy any pertinent books, documents, papers and records of such contractor involved in transactions related to such subcontract, or this Contract. The term subcontract as used herein shall exclude purchase orders for public utility services at rates established for uniform applicability to the general public.

(c) The period of access provided in subparagraphs (a) and (b) above for records, books, documents and papers which may relate to any arbitration, litigation, or the settlement of claims arising out of the performance of this contract or any subcontract shall continue until any appeals, arbitration, litigation or claims shall have been finally disposed of.

10. Public Records Compliance. Contractor shall comply with public records laws as set forth in Chapter 119, Florida Statutes, and shall specifically:

(a) Keep and maintain public records that ordinarily and necessarily would be required by the City in order to perform the service.

(b) Provide the public with access to public records on the same terms and conditions that the City would provide the records and at a cost that does not exceed the cost provided in Section 119, Florida Statutes, or as otherwise provided by law.

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

(d) Meet all requirements for retaining public records and transfer to the City, at no cost, all public records in possession of the Contractor upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the City in a format that is compatible with the information technology systems of the City.

If Contractor does not comply with a public records request, the City shall enforce the contract provisions in accordance with the contract.

11. Termination for Non-Appropriation of Funds

(a) If funds are not appropriated for any succeeding fiscal years subsequent to the one in which this contract is entered into, for the purpose of this Contract, then the City may terminate this Contract upon thirty (30) days prior written notice to the Contractor. Should termination be accomplished in accordance with this Section, the City shall be liable only for payments due through the date of termination.

(b) The City agrees that should it terminate in accordance with this Section, it shall not obtain services which are substantially equal to or similar to those for which this contract was entered into. This provision shall survive any termination of the Contract.

12. Insurance. Contractor shall maintain insurance during the life of this Contract. Contractor shall provide to the City a certificate of insurance identifying the City of Port Orange as an additional insured. For workers' compensation coverage, the bidder's insurance certificate shall include the insurer's waiver of subrogation in lieu of naming the city as an additional insured for workers' compensation.

Policies other than Workers' Compensation shall be issued by insurers licensed and/or duly authorized under Florida Law to do business in the State of Florida and all insuring companies are required to have a minimum rating of "A" in the "Best Key Rating Guide" published by A.M. Best & Company, Inc. Policies for Workers' Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.572. Contractor shall not commence work under this Agreement until the City has received a certificate or certificates of insurance and endorsement evidencing the required insurance. Contractor shall provide the City written notice of cancellation, nonrenewal or any other changes in coverage no later than ten (10) days prior to the effective date of the change.

The City reserves the right to increase insurance coverage as determined for higher risk contracts and shall reimburse the Contractor for the reasonable additional costs of increased coverage.

13. Assignability of Contract. Neither this contract, nor any part hereof, may be assigned by the Contractor to any other party without the express written approval of the City Council.

14. Modifications or Changes to this Contract

(a) Change Orders. The Department Head, with the concurrence of the City's signatory as required by the City's Purchasing Policy, shall without notice to any sureties, have the authority to order changes in this Contract which affect the cost or time of performance. Such changes shall be ordered in writing specifically designated to be a change order. Such orders shall be limited to reasonable changes in the services to be performed or the time of the performance. The City will not be held liable for any changes which have not been properly authorized and approved in accordance with this Contract.

(b) If any change under this clause causes an increase or decrease in Contractor's cost of, or time required for the performance of the work hereunder, Contractor shall receive an equitable adjustment in accordance with subparagraph (d), which shall include all compensation to the Contractor, or the City, of any kind in connection with such change, including all costs and damages related to or incidental to such change. Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(c) Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(d) No claim for changes ordered hereunder shall be considered if made after final payment in accordance with the Contract.

15. Sovereign Immunity. The City expressly retains all rights, benefits and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Notwithstanding anything set forth in any section of this Contract to the contrary, nothing in this Contract shall be deemed as a waiver of immunity or limits of liability of the City beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature or may be adopted by the Florida Legislature and the cap on the amount and liability of the City for damages regardless of the number or nature of claims in tort or equity shall not exceed the dollar amount set by the legislature for tort. Nothing in this Contract shall inure to the benefit of any third party for the purpose of allowing any claim against the City which would otherwise be barred under the Doctrine of Sovereign Immunity or operation of law.

16. Warranties. Contractor warrants that (1) the supplies to be provided to the City pursuant to this Contract are fit and sufficient for the purpose intended; (2) the supplies are merchantable, of good quality, and free from defects, whether patent or latent, in material or workmanship, and (3) the supplies sold to the City pursuant to this Contract conform to the standards required by this Contract.

Contractor further warrants that Contractor has title to the supplies provided, and that the supplies are free and clear of all liens encumbrances, and security interests. All warranties made in this Contract, together with service warranties and guarantees, shall run to the City and its successors and assigns.

17. Additional Warranties. Contractor further expressly warrants that materials and workmanship are warranted from defect for a one-year period. This is a minimum acceptable warranty.

18. Inspection

(a) All supplies (which term throughout this clause includes without limitation raw materials, components, intermediate assemblies, and their products) shall be subject to inspection and test by the City, to the extent practicable at all times and places including the place of manufacturer, and in any event prior to acceptance.

(b) In the event any supplies or lots of supplies are defective in material or workmanship, or otherwise not in conformity with the requirements of this Contract, the City shall have the right either to reject them (with or without instructions as to their disposition) or to require their correction. Supplies or lots of supplies which have been rejected or required to be corrected shall be removed or, if permitted or required by the Finance Director, corrected in place by and at the expense of Contractor promptly after notice, and shall not thereafter be tendered for acceptance unless the former rejection or requirement of correction is disclosed. If Contractor fails promptly to remove such supplies or lots of supplies which are required to be removed or promptly to replace or correct such supplies or lots of supplies, the City may either (i) by contract or otherwise replace or correct such supplies and charge Contractor the cost for such replacement or correction; or (ii) may terminate this Contract for default as provided in the clause of this Contract entitled "Termination for Default." Unless Contractor corrects or replaces such supplies within the delivery schedule, the Finance Director may require the delivery of such supplies at a reduction in price, which is equitable under the circumstances. Acceptance or rejection of the supplies shall be made as promptly as practicable after delivery, except as otherwise provided in this Contract. Failure to inspect and accept or reject supplies shall neither relieve Contractor from responsibility for such supplies as are not in accordance with the Contract requirements nor impose liability on the City therefor.

(c) The inspection and test by the City of any supplies or lots thereof does not relieve Contractor from any responsibility regarding defects or other failures to meet the Contract requirements, which may be discovered prior to acceptance. Except as otherwise provided in this Contract, acceptance shall be conclusive except as regards latent defects, fraud, or such gross mistakes as amount to fraud.

19. Liability for Loss or Damage. Contractor shall be liable for any loss of, or damage to, City property caused by the negligence, recklessness, or intended wrongful misconduct of Contractor, his/its agents, servants and employees and shall indemnify and save the City harmless against all actions, proceedings, claims, demands, costs, damages and expenses, including attorney's fees, by reason of any suit or action brought for any actual or alleged injury to or death of any person or damage to property other than City property, resulting from the performance of the Contract by Contractor, his/its agents, servants and employees. Contractor shall submit a full written report to the Finance Director within twenty-four (24) hours following the occurrence of such damage, loss or injury.

20. Non-discrimination. During the performance of this Contract, Contractor agrees as follows:

(a) Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, disability, marital status, age or national origin, except where such is a bona-fide occupational qualification reasonably necessary to the normal operation of Contractor. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause. Contractor agrees and fully supports and complies with the Americans with Disabilities Act of 1990.

(b) Contractor shall state in all solicitations or advertisements for employees placed by or on behalf of Contractor that Contractor is an equal opportunity employer.

(c) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient compliance with this provision. Contractor shall include the provisions of the foregoing subparagraphs (a), (b), and (c) in every subcontract or purchase order of over \$10,000 so that the provisions will be binding upon each subcontractor or vendor.

21. Disputes. The Finance Director, who shall reduce his decision to writing and mail or otherwise furnish a copy thereof to Contractor, shall decide disputes with respect to this Contract in the first instance. The decision shall be final and binding unless, within thirty-(30) days from the date of such decision, Contractor mails or otherwise furnishes to the Finance Director a written appeal addressed to the City Manager. The decision by the City Manager shall be final and binding unless, within ten (10) days from the date of receipt of the decision of the City Manager, appeal is made to the City Council. The decision of the City Council shall be final and binding unless set aside by a court of competent jurisdiction as fraudulent, capricious, arbitrary, or so grossly erroneous as necessary to imply bad faith, or not to be supported by any evidence. Pending a final determination of a properly appealed decision of the Finance Director, Contractor shall proceed diligently with the performance of this Contract in accordance with that decision.

22. Force Majeure. Neither party shall be liable for any delay in performance or failure to perform any obligation hereunder if, and to the extent that, such failure or delay is caused by an event of Force Majeure. Force Majeure shall mean any act, event or condition that is beyond the party's reasonable control, that materially and adversely affects the party's ability to perform its obligations hereunder, and that is not the result of the party's willful neglect, error, omission or failure to exercise reasonable due diligence.

23. Controlling Law. **THIS CONTRACT CONTAINS IMPORTANT MATTERS AFFECTING LEGAL RIGHTS AND IS ACCEPTED AND ENTERED INTO IN FLORIDA AND ANY QUESTION REGARDING ITS VALIDITY, CONSTRUCTION, ENFORCEMENT, OR PERFORMANCE SHALL BE GOVERNED BY FLORIDA LAW. ANY LEGAL PROCEEDING ARISING FROM OR IN ANY WAY REGARDING THE AGREEMENT SHALL**

HAVE ITS VENUE LOCATED EXCLUSIVELY IN THE CIRCUIT COURT OF VOLUSIA COUNTY, FLORIDA, AND THE PARTIES HEREBY EXPRESSLY CONSENT AND SUBMIT THEMSELVES TO THE PERSONAL JURISDICTION AND VENUE OF THE COURT.

24. Additional Provisions

(a) This Contract includes all additional provisions as may have been outlined in the FSA Agreement and any attachments or exhibits to this Contract whether delivered herewith or subsequently approved as a part hereof, such as drawings or technical specifications prepared in the performance of this work.

(b) For the purposes of this Contract, any reference in the FSA Agreement to "Florida Sheriff's Association", "FSA", or the "Florida Association of Counties", shall be construed to mean the "City of Port Orange."

(c) In the event of a conflict between the FSA Agreement and this Contract, this Contract with the City of Port Orange shall control.

25. Integration. This Contract and the documents incorporated herein by reference shall constitute the whole agreement between the parties. There are no promises, terms, conditions, or obligations other than those contained herein, and this Contract shall supersede all previous communications, representations, or agreements, written or verbal, between the parties hereto.

26. Notice. For purposes of this agreement, notices shall be sent as follows:

Any notice or other communication given under the Contract will be in writing and delivered by hand, sent by facsimile (provided acknowledgement of receipt thereof is delivered to the sender), sent by certified, registered mail, or sent by any nationally recognized overnight courier service to the addresses provided herein. The parties may, from time to time and at any time, change their respective addresses and each will have the right to specify as its address any other address by at least 10 days written notice to the other party.

27. Contract Construction. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original but all of which together shall constitute one and the same instrument. The delivery

by facsimile or e-mail of an executed copy of this Agreement shall be deemed valid as if an original signature was delivered. No contract shall be formed between Contractor and the City until the City signs this Agreement.

28. Authority to Sign. Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party to the Agreement.

CITY OF PORT ORANGE PIGGYBACK AGREEMENT

This Piggyback Agreement is entered to this ____ day of _____, 20____, by and between the **CITY OF PORT ORANGE**, a Florida municipal whose principal address is 1000 City Center Circle, Port Orange, Florida 32129 (the "City") and **MORGANELLI & ASSOCIATES, INC.** ("Contractor"), a Florida corporation, whose principal address is 1401 Saratoga Street, DeLand, Florida 32724 (collectively "the Parties").

WHEREAS, on the 24th day of August, 2015, Contractor entered into Contract with the County of Volusia ("County"), a body corporate and politic and a political subdivision of the State of Florida, Contract No. 400 1519C-1 a contract for labor, services, and parts for equipping county vehicles, with an effective date of August 24, 2015 and continuing until August 24, 2018 (the "Volusia County Agreement"); and

WHEREAS, by entering into this Piggyback Agreement, Contractor agrees to honor the terms of the Volusia County Agreement for labor, services, and parts for equipping county vehicles with the City of Port Orange; and

WHEREAS, a copy of the Volusia County Agreement is available in the Office of the City Clerk, City Hall, 1000 City Center, Port Orange, Florida 32129; and

WHEREAS, a copy of the Volusia County Agreement is available in the Office of the City Clerk, City Hall, 1000 City Center, Port Orange, Florida 32129; and

WHEREAS, the Port Orange City Council has determined that the execution of this Contract is beneficial to the citizens of the City of Port Orange.

For good and valuable consideration, conditions and promises, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **Term.** The term of this Contract shall be effective commencing on the last date the Contract is signed by the Parties and shall continue until August 24, 2018 (the "Term").
2. **Contractor Obligation.** Contractor agrees to provide labor, services, and parts for equipping vehicles to the City at the unit prices set forth in the Volusia County Agreement, except as modified herein and attached hereto as Exhibit "1". Contractor agrees that all pricing shall remain valid for the duration of this Agreement. Contractor shall not deliver goods or services without a written purchase order(s), signed by an authorized agent of the City of Port Orange. Contractor shall cause goods to be delivered to the City in the most expedient, cost effective manner. All items shall be shipped to the City of Port Orange designated facility identified in each purchase order, FOB Inside Delivery. Contractor shall bear the risk of loss for goods delivered under this Contract from the time of shipping to the City until delivered at the destination specified by the City for delivery.
3. **Authorization for Services.** This Contract standing alone does not authorize the performance of any work or services to be provided by the Contractor or require the City to place any orders for work or service. Authorization for performance of services by the Contractor under this Contract shall be in the form of written Purchase Order(s) issued and executed by the City and signed by the Contractor. The City reserves the right to contract with other parties for the services contemplated by this Contract, as determined in the City's sole and absolute discretion.

4. City Obligations. The City agrees to compensate Contractor at the unit prices set forth in Exhibit "1" in an amount subject to a limit up to but not to exceed Eighty-Six Thousand Twenty-Five and 60/100 Dollars (\$86,025.60) for the term of this Contract. All payments shall be governed by the Local Government Prompt Payment Act as set forth in Sections 218.70 through 218.79, Florida Statutes, as amended.

5. Contract Administration. Branford N. Adumuah, Director of Public Works shall perform contract administration of this Contract. For notice provisions, see the paragraph below entitled "Notice."

6. Termination for Convenience of the City

(a) The parties agree that the City may terminate this Contract, or any work or delivery required hereunder, from time to time either in whole or part, whenever the City Manager of Port Orange shall determine that such termination is in the best interest of the City.

(b) Termination, in whole or in part, shall be effected by delivery of a Notice of Termination signed by the City Manager or his designee, mailed or delivered to the Contractor, and specifically setting forth the effective date of termination.

(c) Upon receipt of such Notice, the Contractor shall:

- (i) cease any further deliveries or work due under this Contract, on the date, and to the extent, which may be specified in the Notice;
- (ii) place no further orders with any subcontractors except as may be necessary to perform that portion of this Contract not subject to the Notice;
- (iii) terminate all subcontracts except those made with respect to contract performance not subject to the Notice;
- (iv) settle all outstanding liabilities and claims which may arise out of such termination, with the ratification of the Finance Director of Port Orange; and
- (v) use best efforts to mitigate any damages which may be sustained by the Contractor as a consequence of termination under this clause.

(d) After complying with the provisions of subparagraph (c), above, the Contractor shall submit a termination claim, in no event later than six (6) months after the effective date of termination, unless one or more extensions of three (3) months each are granted by the Finance Director.

(e) The Finance Director, with the approval of the City Manager, shall pay from the using department's budget, reasonable costs of termination, including a reasonable amount for profit on supplies or services delivered or work completed. In no event shall this amount be greater than the original contract price, reduced by any payments made prior to Notice of Termination, and further reduced by the price of the supplies not delivered or the services not provided. This Contract shall be amended accordingly, and the Contractor shall be paid the agreed amount.

(f) In the event that the parties cannot agree on the whole amount to be paid to the Contractor by reason of termination under this clause, the Finance Director shall pay the Contractor the amounts determined as follows, without duplicating any amounts which may have already been paid under the preceding paragraph of this clause:

- (i) With respect to all Contract performance prior to the effective date of Notice of Termination, the total of:
 - (1) the cost of work performed or supplies delivered;

(2) the cost of settling and paying any reasonable claims as provided in paragraph (c) (iv), above;

(3) a sum as profit on (a) determined by the Finance Director to be fair and reasonable.

(ii) The total sum to be paid under (i) above shall not exceed the contract price, as further reduced by the contract price of work or supplies not terminated.

(g) In the event that the Contractor is not satisfied with any payments which the Finance Director shall determine to be due under this clause, the Contractor may appeal any claim to the City Council in accordance with Paragraph 21 of this contract concerning disputes.

7. Termination for Convenience for Subcontractors. In accordance with the termination for the convenience of the City provision of this contract, the Contractor shall include similar provisions in any subcontract, and shall specifically include a requirement that subcontractors make all reasonable efforts to mitigate damages which may be suffered. Failure to include such provisions shall bar the Contractor from any recovery from the City whatsoever of loss or damage sustained by a subcontractor as a consequence of termination for convenience.

8. Termination for Default. Either party may terminate this Contract, without further obligation, for the default of the other party or its agents or employees with respect to any agreement or provision contained herein.

9. Examination of Records

(a) The Contractor agrees that the City, or any duly authorized representative, shall, until the expiration of five (5) years after final payment hereunder, have access to and the right to examine and copy any pertinent books, documents, papers and records of the Contractor involving transactions related to this Contract.

(b) The Contractor further agrees to include in any subcontract for more than \$10,000 entered into as a result of this Contract, a provision to the effect that the subcontractor agrees that the City or any duly authorized representative shall, until the expiration of five (5) years after final payment under the subcontract, have access to and the right to examine and copy any pertinent books, documents, papers and records of such contractor involved in transactions related to such subcontract, or this Contract. The term subcontract as used herein shall exclude purchase orders for public utility services at rates established for uniform applicability to the general public.

(c) The period of access provided in subparagraphs (a) and (b) above for records, books, documents and papers which may relate to any arbitration, litigation, or the settlement of claims arising out of the performance of this contract or any subcontract shall continue until any appeals, arbitration, litigation or claims shall have been finally disposed of.

10. Public Records Compliance. Contractor shall comply with public records laws as set forth in Chapter 119, Florida Statutes, and shall specifically:

(a) Keep and maintain public records that ordinarily and necessarily would be required by the City in order to perform the service.

(b) Provide the public with access to public records on the same terms and conditions that the City would provide the records and at a cost that does not exceed the cost provided in Section 119, Florida Statutes, or as otherwise provided by law.

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

(d) Meet all requirements for retaining public records and transfer to the City, at no cost, all public records in possession of the Contractor upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the City in a format that is compatible with the information technology systems of the City.

If Contractor does not comply with a public records request, the City shall enforce the contract provisions in accordance with the contract.

11. Termination for Non-Appropriation of Funds

(a) If funds are not appropriated for any succeeding fiscal years subsequent to the one in which this contract is entered into, for the purpose of this Contract, then the City may terminate this Contract upon thirty (30) days prior written notice to the Contractor. Should termination be accomplished in accordance with this Section, the City shall be liable only for payments due through the date of termination.

(b) The City agrees that should it terminate in accordance with this Section, it shall not obtain services which are substantially equal to or similar to those for which this contract was entered into. This provision shall survive any termination of the Contract.

12. Insurance. Contractor shall maintain insurance during the life of this Contract. Contractor shall provide to the City a certificate of insurance identifying the City of Port Orange as an additional insured. For workers' compensation coverage, the bidder's insurance certificate shall include the insurer's waiver of subrogation in lieu of naming the city as an additional insured for workers' compensation.

Policies other than Workers' Compensation shall be issued by insurers licensed and/or duly authorized under Florida Law to do business in the State of Florida and all insuring companies are required to have a minimum rating of "A" in the "Best Key Rating Guide" published by A.M. Best & Company, Inc. Policies for Workers' Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.572. Contractor shall not commence work under this Agreement until the City has received a certificate or certificates of insurance and endorsement evidencing the required insurance. Contractor shall provide the City written notice of cancellation, nonrenewal or any other changes in coverage no later than ten (10) days prior to the effective date of the change.

The City reserves the right to increase insurance coverage as determined for higher risk contracts and shall reimburse the Contractor for the reasonable additional costs of increased coverage.

13. Assignability of Contract. Neither this contract, nor any part hereof, may be assigned by the Contractor to any other party without the express written approval of the City Council.

14. Modifications or Changes to this Contract

(a) Change Orders. The Department Head, with the concurrence of the City's signatory as required by the City's Purchasing Policy, shall without notice to any sureties, have the authority to order changes in this Contract which affect the cost or time of performance. Such changes shall be ordered in writing specifically designated to be a change order. Such orders shall be limited to reasonable changes in the services to be performed or the time of the performance. The City will not be held liable for any changes which have not been properly authorized and approved in accordance with this Contract.

(b) If any change under this clause causes an increase or decrease in Contractor's cost of, or time required for the performance of the work hereunder, Contractor shall receive an equitable adjustment in accordance with subparagraph (d), which shall include all compensation to the Contractor, or the City, of any kind in connection with such change, including all costs and damages related to or incidental to such change. Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(c) Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(d) No claim for changes ordered hereunder shall be considered if made after final payment in accordance with the Contract.

15. Sovereign Immunity. The City expressly retains all rights, benefits and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Notwithstanding anything set forth in any section of this Contract to the contrary, nothing in this Contract shall be deemed as a waiver of immunity or limits of liability of the City beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature or may be adopted by the Florida Legislature and the cap on the amount and liability of the City for damages regardless of the number or nature of claims in tort or equity shall not exceed the dollar amount set by the legislature for tort. Nothing in this Contract shall inure to the benefit of any third party for the purpose of allowing any claim against the City which would otherwise be barred under the Doctrine of Sovereign Immunity or operation of law.

16. Warranties. Contractor warrants that (1) the supplies to be provided to the City pursuant to this Contract are fit and sufficient for the purpose intended; (2) the supplies are merchantable, of good quality, and free from defects, whether patent or latent, in material or workmanship, and (3) the supplies sold to the City pursuant to this Contract conform to the standards required by this Contract.

Contractor further warrants that Contractor has title to the supplies provided, and that the supplies are free and clear of all liens encumbrances, and security interests. All warranties made in this Contract, together with service warranties and guarantees, shall run to the City and its successors and assigns.

17. Additional Warranties. Contractor further expressly warrants that materials and workmanship are warranted from defect for a one-year period. This is a minimum acceptable warranty.

18. Inspection

(a) All supplies (which term throughout this clause includes without limitation raw materials, components, intermediate assemblies, and their products) shall be subject to inspection and test by the City, to the extent practicable at all times and places including the place of manufacturer, and in any event prior to acceptance.

(b) In the event any supplies or lots of supplies are defective in material or workmanship, or otherwise not in conformity with the requirements of this Contract, the City shall have the right either to reject them (with or without instructions as to their disposition) or to require their correction. Supplies or lots of supplies which have been rejected or required to be corrected shall be removed or, if permitted or required by the Finance Director, corrected in place by and at the expense of Contractor promptly after notice, and shall not thereafter be tendered for acceptance unless the former rejection or requirement of correction is disclosed. If Contractor fails promptly to remove such supplies or lots of supplies which are required to be removed or promptly to replace or correct such supplies or lots of supplies, the City may either (i) by contract or otherwise replace or correct such supplies and charge Contractor the cost for such replacement or correction; or (ii) may terminate this Contract for default as provided in the clause of this Contract entitled "Termination for Default." Unless Contractor corrects or replaces such supplies within the delivery schedule, the Finance Director may require the delivery of such supplies at a reduction in price, which is equitable under the circumstances. Acceptance or rejection of the supplies shall be made as promptly as practicable after delivery, except as otherwise provided in this Contract. Failure to inspect and accept or reject supplies shall neither relieve Contractor from responsibility for such supplies as are not in accordance with the Contract requirements nor impose liability on the City therefor.

(c) The inspection and test by the City of any supplies or lots thereof does not relieve Contractor from any responsibility regarding defects or other failures to meet the Contract requirements, which may be discovered prior to acceptance. Except as otherwise provided in this Contract, acceptance shall be conclusive except as regards latent defects, fraud, or such gross mistakes as amount to fraud.

19. Liability for Loss or Damage. Contractor shall be liable for any loss of, or damage to, City property caused by the negligence, recklessness, or intended wrongful misconduct of Contractor, his/its agents, servants and employees and shall indemnify and save the City harmless against all actions, proceedings, claims, demands, costs, damages and expenses, including attorney's fees, by reason of any suit or action brought for any actual or alleged injury to or death of any person or damage to property other than City property, resulting from the performance of the Contract by Contractor, his/its agents, servants and employees. Contractor shall submit a full written report to the Finance Director within twenty-four (24) hours following the occurrence of such damage, loss or injury.

20. Non-discrimination. During the performance of this Contract, Contractor agrees as follows:

(a) Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, disability, marital status, age or national origin, except where such is a bona-fide occupational qualification reasonably necessary to the normal operation of Contractor. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause. Contractor agrees and fully supports and complies with the Americans with Disabilities Act of 1990.

(b) Contractor shall state in all solicitations or advertisements for employees placed by or on behalf of Contractor that Contractor is an equal opportunity employer.

(c) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient compliance with this provision. Contractor shall include the provisions of the foregoing subparagraphs (a), (b), and (c) in every subcontract or purchase order of over \$10,000 so that the provisions will be binding upon each subcontractor or vendor.

21. Disputes. The Finance Director, who shall reduce his decision to writing and mail or otherwise furnish a copy thereof to Contractor, shall decide disputes with respect to this Contract in the first instance. The decision shall be final and binding unless, within thirty-(30) days from the date of such decision, Contractor mails or otherwise furnishes to the Finance Director a written appeal addressed to the City Manager. The decision by the City Manager shall be final and binding unless, within ten (10) days from the date of receipt of the decision of the City Manager, appeal is made to the City Council. The decision of the City Council shall be final and binding unless set aside by a court of competent jurisdiction as fraudulent, capricious, arbitrary, or so grossly erroneous as necessary to imply bad faith, or not to be supported by any evidence. Pending a final determination of a properly appealed decision of the Finance Director, Contractor shall proceed diligently with the performance of this Contract in accordance with that decision.

22. Force Majeure. Neither party shall be liable for any delay in performance or failure to perform any obligation hereunder if, and to the extent that, such failure or delay is caused by an event of Force Majeure. Force Majeure shall mean any act, event or condition that is beyond the party's reasonable control, that materially and adversely affects the party's ability to perform its obligations hereunder, and that is not the result of the party's willful neglect, error, omission or failure to exercise reasonable due diligence.

23. Controlling Law. **THIS CONTRACT CONTAINS IMPORTANT MATTERS AFFECTING LEGAL RIGHTS AND IS ACCEPTED AND ENTERED INTO IN FLORIDA AND ANY QUESTION REGARDING ITS VALIDITY, CONSTRUCTION, ENFORCEMENT, OR PERFORMANCE SHALL BE GOVERNED BY FLORIDA LAW. ANY LEGAL PROCEEDING ARISING FROM OR IN ANY WAY REGARDING THE AGREEMENT SHALL**

HAVE ITS VENUE LOCATED EXCLUSIVELY IN THE CIRCUIT COURT OF VOLUSIA COUNTY, FLORIDA, AND THE PARTIES HEREBY EXPRESSLY CONSENT AND SUBMIT THEMSELVES TO THE PERSONAL JURISDICTION AND VENUE OF THE COURT.

24. Additional Provisions

(a) This Contract includes all additional provisions as may have been outlined in the Volusia County Agreement and any attachments or exhibits to this Contract whether delivered herewith or subsequently approved as a part hereof, such as drawings or technical specifications prepared in the performance of this work.

(b) For the purposes of this Contract, any reference in the Volusia County Agreement to "County of Volusia", shall be construed to mean the "City of Port Orange."

(c) In the event of a conflict between the Volusia County Agreement and this Contract, this Contract with the City of Port Orange shall control.

25. Integration. This Contract and the documents incorporated herein by reference shall constitute the whole agreement between the parties. There are no promises, terms, conditions, or obligations other than those contained herein, and this Contract shall supersede all previous communications, representations, or agreements, written or verbal, between the parties hereto.

26. Notice. For purposes of this agreement, notices shall be sent as follows:

Any notice or other communication given under the Contract will be in writing and delivered by hand, sent by facsimile (provided acknowledgement of receipt thereof is delivered to the sender), sent by certified, registered mail, or sent by any nationally recognized overnight courier service to the addresses provided herein. The parties may, from time to time and at any time, change their respective addresses and each will have the right to specify as its address any other address by at least 10 days written notice to the other party.

27. Contract Construction. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original but all of which together shall constitute one and the same instrument. The delivery by facsimile or e-mail of an executed copy of this Agreement shall be deemed valid as if an original signature was delivered. No contract shall be formed between Contractor and the City until the City signs this Agreement.

28. Authority to Sign. Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party to the Agreement.

A delivery order is required for the release of items / services from the referenced Master Agreement. If a solicitation number is referenced then the terms and conditions of said solicitation become part of the Master Agreement. Deviation from prices stated is not permitted without a signed corrected Change Order.

If vendor terms and conditions conflict with Count of Volusia Terms and Conditions, the County's Terms and Conditions prevail. See reverse side for terms and conditions.

EXHIBIT "1"

Purchase Order (PO) or Master Agreement (MA) Terms and Conditions
Providing any good or service constitutes acceptance of this entire PO or MA without exception.
In the event this document is issued based on a solicitation or quote, the terms and conditions of the solicitation or quote prevail.

Delivery. Title and risk of loss shall pass when items have been received, inspected, and accepted by County of Volusia ("County"). All associated shipping, insurance, and other related costs shall be borne by Provider.

Discontinued. Provider shall give County 30 (thirty) days advance notice of a discontinued item(s) so that County can purchase additional quantities of discontinued item(s). County must give written approval of replacement(s) if they exceed previous price or fail to meet quality, form, fit, or function of the discontinued item. Time is of the essence regarding Performance of Services and this PO or MA can be terminated by the County for convenience, non-appropriation of funds, or non-performance.

Disputes. If such dispute arises under this PO or MA and is not resolved informally by the parties within five (5) business days, the party bringing a claim ("Disputing Party") shall deliver to the first level representative of the other party a written statement ("Dispute Notice") describing the dispute. If the respective representatives cannot resolve the dispute within ten (10) days, the dispute shall be escalated through two higher levels of management. If the dispute has not been resolved within 25 (twenty-five) calendar days after delivery of the Disputing Party's notice, either party may give written notice to the other party declaring the resolution process terminated and pursue other legal recourse or initiate formal non-binding mediation before a single mediator, which shall be completed within 30 (thirty) days of initiation, in accordance with rules of practice and procedure adopted by the Supreme Court of Florida for court-ordered mediation, Rule 1.700, et seq., of the Florida Rules of Civil Procedure, and Chapter 44, Florida Statutes. If the dispute remains unresolved after conducting such mediation, then either party may proceed to finalize such termination remedies and commence litigation in a court of competent jurisdiction.

Governing Law/Jurisdiction/Venue. This PO or MA shall be governed by the laws of the State of Florida and venue for any litigation arising from this PO or MA shall be in the County of Volusia, Florida, and any trial shall be non-jury. Provider shall comply with all applicable laws and regulations.

Insurance. For goods and services delivered or performed by Provider on County premises, Provider certifies it maintains comprehensive general liability insurance and auto insurance in the amounts identified in the solicitation and/or contract and any amendments thereto pertaining to this PO or MA, or from an A.M. Best "A -" or better rated insurance firm authorized by the State of Florida Insurance Commissioner. The County reserves the right to require the "County of Volusia" be named as additional insured for projects when deemed necessary. For services performed off County premises and goods delivered by third party carriers, the Provider shall use such carriers that maintain such insurance coverage as set forth above.

Intellectual Property. Provider agrees to protect, defend, indemnify, and save the County, its agents, officials, including elected officials, and employees of the County harmless from and against any and all claims, demands, actions, and causes of action which may arise asserting that a copyright, trademark, trade secret, or patent ("Intellectual Property"), as provided under this PO or MA, infringes or misappropriates any third party's Intellectual Property. If Provider must pay a third party any license, royalty, or other such usage fee in order to deliver the item(s) under this PO or MA, such third party and usage fee must be specified in the Provider's offer to sell to the County.

Indemnification. The Provider shall indemnify, defend, and hold harmless the County and its agents, officers, and employees, from and against all claims, damages, losses, and expenses, including, but not limited to, attorney's fees arising out of or resulting from the provision of goods and/or services pursuant to the Agreement and/or this PO or MA, provided that the claim, damage, loss, and expense is caused in whole or in part by any negligent act or omission of the Provider, or anyone directly or indirectly employed by Provider or anyone for whose acts the Provider may be liable hereunder, except the Provider will not be required to indemnify and hold the County harmless if such claim, damage, loss, and expense is the result of the negligence of the County or of anyone directly or indirectly employed by the County or anyone for whose acts the County may be liable.

Modification & Assignment. County may unilaterally change, at no additional cost, the quantity and receiving point within the County for items not yet shipped. All other items must be mutually agreed upon in writing. County is not required to pay for defective items, back-orders, late deliveries, those quantities exceeding the PO or MA quantity, or items shipped at a higher price than stated on the PO or MA. Neither this PO or MA nor any interest herein shall be assigned, transferred, or encumbered by Provider except as authorized in writing by the County.

Notices. All notices given by one party to the other party under this PO or MA shall be delivered to the receiving party's address set forth on this PO either by hand, qualified courier, or e-mail and shall be deemed received the day after it is transmitted. For the County, it shall be addressed to the Purchasing and Contracts Department, 123 West Indiana Avenue, 3rd Floor, DeLand, Florida, 32720 or purchasing@volusia.org.

No Waiver. Except as expressly set forth herein, no failure or delay on the part of County in exercising any right, power, or remedy hereunder shall operate as or be deemed a waiver thereof, nor shall any single or partial exercise of any right, power, or remedy preclude any other or further exercise thereof, or the exercise of any other right, power, or remedy.

Order of Precedence. In the event of conflict between this PO or a Price Agreement (PA), the originating Volusia County contract and amendments thereto shall be controlling. This control shall pertain to all specifications and scopes of work included in the originating Volusia County contract and any amendments thereto.

Payment. Except for construction services, which shall be paid pursuant to the Florida Prompt Payment Act, County shall pay Provider within 45 (forty-five) days after receipt of an accurate and undisputed invoice, unless the County accepts a prompt payment discount from Provider and the goods or services are not defective. Invoice, packing slip, delivery receipt, order acknowledgement, and correspondence shall clearly indicate the PO or MA number. Any additional or different terms and conditions on Provider's documents shall be considered null and void. The County may deduct amounts it is due from Provider's payment or not pay disputed invoices until such dispute is resolved. Nothing in this PO or MA shall create any obligation on the part of the County to pay directly to any subcontractor of Provider any monies due to such subcontractor or claims of such subcontractor for amounts owed by Provider to subcontractor for goods or services provided under this PO or MA.

Sovereign Immunity. The County expressly retains all rights, benefits and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Notwithstanding anything set forth in any section of the Agreement, Master Agreement, and/or this Purchase Order to the contrary, nothing in any such documents shall be deemed as a waiver of immunity or the limitations of liability of the County beyond any statutory limited waiver of immunity or limits of liability which may have been or may be adopted by the Florida Legislature, and the cap on the amount and liability of the County for damages regardless of the number or nature of claims in tort, equity, or contract shall not exceed the dollar amount set by the legislature for tort. Nothing in the Agreement, Master Agreement, or this Purchase Order shall inure to the benefit of any third party for the purpose of allowing any claim against the County, which would otherwise be barred under the doctrine of sovereign immunity or by operation of law.

Taxes. County is exempt from Manufacturers' Federal Excise Tax (Exemption# 49-6000-885) and Florida sales tax (Exemption# 85-8012622393C-9). Certificates are available at www.volusia.org/purchasing. After accessing the foregoing website, select, "Doing Business with Volusia County" and "Consumer Certificate of Tax Exemption" from the available menu screens to see a copy of the certificates.

UCC. In addition to any rights or remedies contained in this P.O., each party shall have rights, duties, and remedies available through the Uniform Commercial Code (UCC).

Warranty. Provider warrants that all Work or Services performed under this PO or MA shall be performed in a good and competent workmanlike manner to the satisfaction of the County, and materials shall be of good quality (unless otherwise stated on PO or MA), and free from defects and pursuant to specifications and requirements of the contract related to this PO or MA. Provider warrants merchantability of all goods or services and that they are fit for the ordinary purposes they are intended to serve.

A delivery order is required for the release of items / services from the referenced Master Agreement. If a solicitation number is referenced then the terms and conditions of said solicitation become part of the Master Agreement. Deviation from prices stated is not permitted without a signed corrected Change Order.

If vendor terms and conditions conflict with Count of Volusia Terms and Conditions, the County's Terms and Conditions prevail. See reverse side for terms and conditions.

EXHIBIT "1"

Purchase Order (PO) or Master Agreement (MA) Terms and Conditions
Providing any good or service constitutes acceptance of this entire PO or MA without exception.
In the event this document is issued based on a solicitation or quote, the terms and conditions of the solicitation or quote prevail.

Delivery. Title and risk of loss shall pass when items have been received, inspected, and accepted by County of Volusia ("County"). All associated shipping, insurance, and other related costs shall be borne by Provider.

Discontinued. Provider shall give County 30 (thirty) days advance notice of a discontinued item(s) so that County can purchase additional quantities of discontinued item(s). County must give written approval of replacement(s) if they exceed previous price or fail to meet quality, form, fit, or function of the discontinued item. Time is of the essence regarding Performance of Services and this PO or MA can be terminated by the County for convenience, non-appropriation of funds, or non-performance.

Disputes. If such dispute arises under this PO or MA and is not resolved informally by the parties within five (5) business days, the party bringing a claim ("Disputing Party") shall deliver to the first level representative of the other party a written statement ("Dispute Notice") describing the dispute. If the respective representatives cannot resolve the dispute within ten (10) days, the dispute shall be escalated through two higher levels of management. If the dispute has not been resolved within 25 (twenty-five) calendar days after delivery of the Disputing Party's notice, either party may give written notice to the other party declaring the resolution process terminated and pursue other legal recourse or initiate formal non-binding mediation before a single mediator, which shall be completed within 30 (thirty) days of initiation, in accordance with rules of practice and procedure adopted by the Supreme Court of Florida for court-ordered mediation, Rule 1.700, et seq., of the Florida Rules of Civil Procedure, and Chapter 44, Florida Statutes. If the dispute remains unresolved after conducting such mediation, then either party may proceed to finalize such termination remedies and commence litigation in a court of competent jurisdiction.

Governing Law/Jurisdiction/Venue. This PO or MA shall be governed by the laws of the State of Florida and venue for any litigation arising from this PO or MA shall be in the County of Volusia, Florida, and any trial shall be non-jury. Provider shall comply with all applicable laws and regulations.

Insurance. For goods and services delivered or performed by Provider on County premises, Provider certifies it maintains comprehensive general liability insurance and auto insurance in the amounts identified in the solicitation and/or contract and any amendments thereto pertaining to this PO or MA, or from an A.M. Best "A -" or better rated insurance firm authorized by the State of Florida Insurance Commissioner. The County reserves the right to require the "County of Volusia" be named as additional insured for projects when deemed necessary. For services performed off County premises and goods delivered by third party carriers, the Provider shall use such carriers that maintain such insurance coverage as set forth above.

Intellectual Property. Provider agrees to protect, defend, indemnify, and save the County, its agents, officials, including elected officials, and employees of the County harmless from and against any and all claims, demands, actions, and causes of action which may arise asserting that a copyright, trademark, trade secret, or patent ("Intellectual Property"), as provided under this PO or MA, infringes or misappropriates any third party's Intellectual Property. If Provider must pay a third party any license, royalty, or other such usage fee in order to deliver the item(s) under this PO or MA, such third party and usage fee must be specified in the Provider's offer to sell to the County.

Indemnification. The Provider shall indemnify, defend, and hold harmless the County and its agents, officers, and employees, from and against all claims, damages, losses, and expenses, including, but not limited to, attorney's fees arising out of or resulting from the provision of goods and/or services pursuant to the Agreement and/ or this PO or MA, provided that the claim, damage, loss, and expense is caused in whole or in part by any negligent act or omission of the Provider, or anyone directly or indirectly employed by Provider or anyone for whose acts the Provider may be liable hereunder, except the Provider will not be required to indemnify and hold the County harmless if such claim, damage, loss, and expense is the result of the negligence of the County or of anyone directly or indirectly employed by the County or anyone for whose acts the County may be liable.

Modification & Assignment. County may unilaterally change, at no additional cost, the quantity and receiving point within the County for items not yet shipped. All other items must be mutually agreed upon in writing. County is not required to pay for defective items, back-orders, late deliveries, those quantities exceeding the PO or MA quantity, or items shipped at a higher price than stated on the PO or MA. Neither this PO or MA nor any interest herein shall be assigned, transferred, or encumbered by Provider except as authorized in writing by the County.

Notices. All notices given by one party to the other party under this PO or MA shall be delivered to the receiving party's address set forth on this PO either by hand, qualified courier, or e-mail and shall be deemed received the day after it is transmitted. For the County, it shall be addressed to the Purchasing and Contracts Department, 123 West Indiana Avenue, 3rd Floor, DeLand, Florida, 32720 or purchasing@volusia.org.

No Waiver. Except as expressly set forth herein, no failure or delay on the part of County in exercising any right, power, or remedy hereunder shall operate as or be deemed a waiver thereof, nor shall any single or partial exercise of any right, power, or remedy preclude any other or further exercise thereof, or the exercise of any other right, power, or remedy.

Order of Precedence. In the event of conflict between this PO or a Price Agreement (PA), the originating Volusia County contract and amendments thereto shall be controlling. This control shall pertain to all specifications and scopes of work included in the originating Volusia County contract and any amendments thereto.

Payment. Except for construction services, which shall be paid pursuant to the Florida Prompt Payment Act, County shall pay Provider within 45 (forty-five) days after receipt of an accurate and undisputed invoice, unless the County accepts a prompt payment discount from Provider and the goods or services are not defective. Invoice, packing slip, delivery receipt, order acknowledgement, and correspondence shall clearly indicate the PO or MA number. Any additional or different terms and conditions on Provider's documents shall be considered null and void. The County may deduct amounts it is due from Provider's payment or not pay disputed invoices until such dispute is resolved. Nothing in this PO or MA shall create any obligation on the part of the County to pay directly to any subcontractor of Provider any monies due to such subcontractor or claims of such subcontractor for amounts owed by Provider to subcontractor for goods or services provided under this PO or MA.

Sovereign Immunity. The County expressly retains all rights, benefits and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Notwithstanding anything set forth in any section of the Agreement, Master Agreement, and/ or this Purchase Order to the contrary, nothing in any such documents shall be deemed as a waiver of immunity or the limitations of liability of the County beyond any statutory limited waiver of immunity or limits of liability which may have been or may be adopted by the Florida Legislature, and the cap on the amount and liability of the County for damages regardless of the number or nature of claims in tort, equity, or contract shall not exceed the dollar amount set by the legislature for tort. Nothing in the Agreement, Master Agreement, or this Purchase Order shall inure to the benefit of any third party for the purpose of allowing any claim against the County, which would otherwise be barred under the doctrine of sovereign immunity or by operation of law.

Taxes. County is exempt from Manufacturers' Federal Excise Tax (Exemption# 49-6000-885) and Florida sales tax (Exemption# 85-8012622393C-9). Certificates are available at www.volusia.org/purchasing. After accessing the foregoing website, select, "Doing Business with Volusia County" and "Consumer Certificate of Tax Exemption" from the available menu screens to see a copy of the certificates.

UCC. In addition to any rights or remedies contained in this P.O., each party shall have rights, duties, and remedies available through the Uniform Commercial Code (UCC).

Warranty. Provider warrants that all Work or Services performed under this PO or MA shall be performed in a good and competent workmanlike manner to the satisfaction of the County, and materials shall be of good quality (unless otherwise stated on PO or MA), and free from defects and pursuant to specifications and requirements of the contract related to this PO or MA. Provider warrants merchantability of all goods or services and that they are fit for the ordinary purposes they are intended to serve.

CITY OF PORT ORANGE PIGGYBACK AGREEMENT

This Piggyback Agreement is entered to this ____ day of _____, 20____, by and between the **CITY OF PORT ORANGE**, a Florida municipal whose principal address is 1000 City Center Circle, Port Orange, Florida 32129 (the "City") and **FALCON ROAD MAINTENANCE EQUIPMENT, LLC**, ("Contractor"), a Michigan limited liability corporation, whose address is 120 Waldo Avenue, Midland, Michigan 48642 (collectively "the Parties").

WHEREAS, on the 31st day of October, 2012, Contractor entered into Contract with the National Joint Powers Alliance ("NJPA"), pursuant to Request for Proposal No. 113012, a contract for road maintenance equipment with related accessories, services, and supplies, with an effective date of October 31, 2012 and continuing until February 20, 2017 (the "NJPA Agreement"); and

WHEREAS, by entering into this Piggyback Agreement, Contractor agrees to honor the terms of the NJPA Agreement for road maintenance equipment with related accessories, services, and supplies with the City of Port Orange; and

WHEREAS, a copy of the NJPA Agreement is available in the Office of the City Clerk, City Hall, 1000 City Center, Port Orange, Florida 32129; and

WHEREAS, the Port Orange City Council has determined that the execution of this Contract is beneficial to the citizens of the City of Port Orange.

For good and valuable consideration, conditions and promises, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Term. The term of this Contract shall be effective commencing on the last date the Contract is signed by the Parties and shall continue until September 30, 2016 (the "Term").

2. Contractor Obligation. Contractor agrees to provide road maintenance equipment with related accessories, services, and supplies to the City at the unit prices set forth in the NJPA Agreement, except as modified herein and attached hereto as Exhibit "1". Contractor agrees that all pricing shall remain valid for the duration of this Agreement. Contractor shall not deliver goods or services without a written purchase order(s), signed by an authorized agent of the City of Port Orange. Contractor shall cause goods to be delivered to the City in the most expedient, cost effective manner. All items shall be shipped to the City of Port Orange designated facility identified in each purchase order, FOB Inside Delivery. Contractor shall bear the risk of loss for goods delivered under this Contract from the time of shipping to the City until delivered at the destination specified by the City for delivery.

3. Authorization for Services. This Contract standing alone does not authorize the performance of any work or services to be provided by the Contractor or require the City to place any orders for work or service. Authorization for performance of services by the Contractor under this Contract shall be in the form of written Purchase Order(s) issued and executed by the City and signed by the Contractor. The City reserves the right to contract with other parties for the services contemplated by this Contract, as determined in the City's sole and absolute discretion.

4. City Obligations. The City agrees to compensate Contractor at the unit prices set forth in Exhibit "1" in an amount subject to a limit up to but not to exceed Thirty-Five Thousand One Hundred Sixty-Four and 10/100 Dollars (\$35,164.00) for the term of this Contract. All payments shall be governed by the Local Government Prompt Payment Act as set forth in Sections 218.70 through 218.79, Florida Statutes, as amended.

5. Contract Administration. Branford N. Adumuah, Director of Public Works shall perform contract administration of this Contract. For notice provisions, see the paragraph below entitled "Notice."

6. Termination for Convenience of the City

(a) The parties agree that the City may terminate this Contract, or any work or delivery required hereunder, from time to time either in whole or part, whenever the City Manager of Port Orange shall determine that such termination is in the best interest of the City.

(b) Termination, in whole or in part, shall be effected by delivery of a Notice of Termination signed by the City Manager or his designee, mailed or delivered to the Contractor, and specifically setting forth the effective date of termination.

(c) Upon receipt of such Notice, the Contractor shall:

- (i) cease any further deliveries or work due under this Contract, on the date, and to the extent, which may be specified in the Notice;
- (ii) place no further orders with any subcontractors except as may be necessary to perform that portion of this Contract not subject to the Notice;
- (iii) terminate all subcontracts except those made with respect to contract performance not subject to the Notice;
- (iv) settle all outstanding liabilities and claims which may arise out of such termination, with the ratification of the Finance Director of Port Orange; and
- (v) use best efforts to mitigate any damages which may be sustained by the Contractor as a consequence of termination under this clause.

(d) After complying with the provisions of subparagraph (c), above, the Contractor shall submit a termination claim, in no event later than six (6) months after the effective date of termination, unless one or more extensions of three (3) months each are granted by the Finance Director.

(e) The Finance Director, with the approval of the City Manager, shall pay from the using department's budget, reasonable costs of termination, including a reasonable amount for profit on supplies or services delivered or work completed. In no event shall this amount be greater than the original contract price, reduced by any payments made prior to Notice of Termination, and further reduced by the price of the supplies not delivered or the services not provided. This Contract shall be amended accordingly, and the Contractor shall be paid the agreed amount.

(f) In the event that the parties cannot agree on the whole amount to be paid to the Contractor by reason of termination under this clause, the Finance Director shall pay the Contractor the amounts determined as follows, without duplicating any amounts which may have already been paid under the preceding paragraph of this clause:

- (i) With respect to all Contract performance prior to the effective date of Notice of Termination, the total of:
 - (1) the cost of work performed or supplies delivered;

(2) the cost of settling and paying any reasonable claims as provided in paragraph (c) (iv), above;

(3) a sum as profit on (a) determined by the Finance Director to be fair and reasonable.

(ii) The total sum to be paid under (i) above shall not exceed the contract price, as further reduced by the contract price of work or supplies not terminated.

(g) In the event that the Contractor is not satisfied with any payments which the Finance Director shall determine to be due under this clause, the Contractor may appeal any claim to the City Council in accordance with Paragraph 21 of this contract concerning disputes.

7. Termination for Convenience for Subcontractors. In accordance with the termination for the convenience of the City provision of this contract, the Contractor shall include similar provisions in any subcontract, and shall specifically include a requirement that subcontractors make all reasonable efforts to mitigate damages which may be suffered. Failure to include such provisions shall bar the Contractor from any recovery from the City whatsoever of loss or damage sustained by a subcontractor as a consequence of termination for convenience.

8. Termination for Default. Either party may terminate this Contract, without further obligation, for the default of the other party or its agents or employees with respect to any agreement or provision contained herein.

9. Examination of Records

(a) The Contractor agrees that the City, or any duly authorized representative, shall, until the expiration of five (5) years after final payment hereunder, have access to and the right to examine and copy any pertinent books, documents, papers and records of the Contractor involving transactions related to this Contract.

(b) The Contractor further agrees to include in any subcontract for more than \$10,000 entered into as a result of this Contract, a provision to the effect that the subcontractor agrees that the City or any duly authorized representative shall, until the expiration of five (5) years after final payment under the subcontract, have access to and the right to examine and copy any pertinent books, documents, papers and records of such contractor involved in transactions related to such subcontract, or this Contract. The term subcontract as used herein shall exclude purchase orders for public utility services at rates established for uniform applicability to the general public.

(c) The period of access provided in subparagraphs (a) and (b) above for records, books, documents and papers which may relate to any arbitration, litigation, or the settlement of claims arising out of the performance of this contract or any subcontract shall continue until any appeals, arbitration, litigation or claims shall have been finally disposed of.

10. Public Records Compliance. Contractor shall comply with public records laws as set forth in Chapter 119, Florida Statutes, and shall specifically:

(a) Keep and maintain public records that ordinarily and necessarily would be required by the City in order to perform the service.

(b) Provide the public with access to public records on the same terms and conditions that the City would provide the records and at a cost that does not exceed the cost provided in Section 119, Florida Statutes, or as otherwise provided by law.

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

(d) Meet all requirements for retaining public records and transfer to the City, at no cost, all public records in possession of the Contractor upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the City in a format that is compatible with the information technology systems of the City.

If Contractor does not comply with a public records request, the City shall enforce the contract provisions in accordance with the contract.

11. Termination for Non-Appropriation of Funds

(a) If funds are not appropriated for any succeeding fiscal years subsequent to the one in which this contract is entered into, for the purpose of this Contract, then the City may terminate this Contract upon thirty (30) days prior written notice to the Contractor. Should termination be accomplished in accordance with this Section, the City shall be liable only for payments due through the date of termination.

(b) The City agrees that should it terminate in accordance with this Section, it shall not obtain services which are substantially equal to or similar to those for which this contract was entered into. This provision shall survive any termination of the Contract.

12. Insurance. Contractor shall maintain insurance during the life of this Contract. Contractor shall provide to the City a certificate of insurance identifying the City of Port Orange as an additional insured. For workers' compensation coverage, the bidder's insurance certificate shall include the insurer's waiver of subrogation in lieu of naming the city as an additional insured for workers' compensation.

Policies other than Workers' Compensation shall be issued by insurers licensed and/or duly authorized under Florida Law to do business in the State of Florida and all insuring companies are required to have a minimum rating of "A" in the "Best Key Rating Guide" published by A.M. Best & Company, Inc. Policies for Workers' Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.572. Contractor shall not commence work under this Agreement until the City has received a certificate or certificates of insurance and endorsement evidencing the required insurance. Contractor shall provide the City written notice of cancellation, nonrenewal or any other changes in coverage no later than ten (10) days prior to the effective date of the change.

The City reserves the right to increase insurance coverage as determined for higher risk contracts and shall reimburse the Contractor for the reasonable additional costs of increased coverage.

13. Assignability of Contract. Neither this contract, nor any part hereof, may be assigned by the Contractor to any other party without the express written approval of the City Council.

14. Modifications or Changes to this Contract

(a) Change Orders. The Department Head, with the concurrence of the City's signatory as required by the City's Purchasing Policy, shall without notice to any sureties, have the authority to order changes in this Contract which affect the cost or time of performance. Such changes shall be ordered in writing specifically designated to be a change order. Such orders shall be limited to reasonable changes in the services to be performed or the time of the performance. The City will not be held liable for any changes which have not been properly authorized and approved in accordance with this Contract.

(b) If any change under this clause causes an increase or decrease in Contractor's cost of, or time required for the performance of the work hereunder, Contractor shall receive an equitable adjustment in accordance with subparagraph (d), which shall include all compensation to the Contractor, or the City, of any kind in connection with such change, including all costs and damages related to or incidental to such change. Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(c) Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(d) No claim for changes ordered hereunder shall be considered if made after final payment in accordance with the Contract.

15. Sovereign Immunity. The City expressly retains all rights, benefits and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Notwithstanding anything set forth in any section of this Contract to the contrary, nothing in this Contract shall be deemed as a waiver of immunity or limits of liability of the City beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature or may be adopted by the Florida Legislature and the cap on the amount and liability of the City for damages regardless of the number or nature of claims in tort or equity shall not exceed the dollar amount set by the legislature for tort. Nothing in this Contract shall inure to the benefit of any third party for the purpose of allowing any claim against the City which would otherwise be barred under the Doctrine of Sovereign Immunity or operation of law.

16. Warranties. Contractor warrants that (1) the supplies to be provided to the City pursuant to this Contract are fit and sufficient for the purpose intended; (2) the supplies are merchantable, of good quality, and free from defects, whether patent or latent, in material or workmanship, and (3) the supplies sold to the City pursuant to this Contract conform to the standards required by this Contract.

Contractor further warrants that Contractor has title to the supplies provided, and that the supplies are free and clear of all liens encumbrances, and security interests. All warranties made in this Contract, together with service warranties and guarantees, shall run to the City and its successors and assigns.

17. Additional Warranties. Contractor further expressly warrants that materials and workmanship are warranted from defect for a one-year period. This is a minimum acceptable warranty.

18. Inspection

(a) All supplies (which term throughout this clause includes without limitation raw materials, components, intermediate assemblies, and their products) shall be subject to inspection and test by the City, to the extent practicable at all times and places including the place of manufacturer, and in any event prior to acceptance.

(b) In the event any supplies or lots of supplies are defective in material or workmanship, or otherwise not in conformity with the requirements of this Contract, the City shall have the right either to reject them (with or without instructions as to their disposition) or to require their correction. Supplies or lots of supplies which have been rejected or required to be corrected shall be removed or, if permitted or required by the Finance Director, corrected in place by and at the expense of Contractor promptly after notice, and shall not thereafter be tendered for acceptance unless the former rejection or requirement of correction is disclosed. If Contractor fails promptly to remove such supplies or lots of supplies which are required to be removed or promptly to replace or correct such supplies or lots of supplies, the City may either (i) by contract or otherwise replace or correct such supplies and charge Contractor the cost for such replacement or correction; or (ii) may terminate this Contract for default as provided in the clause of this Contract entitled "Termination for Default." Unless Contractor corrects or replaces such supplies within the delivery schedule, the Finance Director may require the delivery of such supplies at a reduction in price, which is equitable under the circumstances. Acceptance or rejection of the supplies shall be made as promptly as practicable after delivery, except as otherwise provided in this Contract. Failure to inspect and accept or reject supplies shall neither relieve Contractor from responsibility for such supplies as are not in accordance with the Contract requirements nor impose liability on the City therefor.

(c) The inspection and test by the City of any supplies or lots thereof does not relieve Contractor from any responsibility regarding defects or other failures to meet the Contract requirements, which may be discovered prior to acceptance. Except as otherwise provided in this Contract, acceptance shall be conclusive except as regards latent defects, fraud, or such gross mistakes as amount to fraud.

19. Liability for Loss or Damage. Contractor shall be liable for any loss of, or damage to, City property caused by the negligence, recklessness, or intended wrongful misconduct of Contractor, his/its agents, servants and employees and shall indemnify and save the City harmless against all actions, proceedings, claims, demands, costs, damages and expenses, including attorney's fees, by reason of any suit or action brought for any actual or alleged injury to or death of any person or damage to property other than City property, resulting from the performance of the Contract by Contractor, his/its agents, servants and employees. Contractor shall submit a full written report to the Finance Director within twenty-four (24) hours following the occurrence of such damage, loss or injury.

20. Non-discrimination. During the performance of this Contract, Contractor agrees as follows:

(a) Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, disability, marital status, age or national origin, except where such is a bona-fide occupational qualification reasonably necessary to the normal operation of Contractor. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause. Contractor agrees and fully supports and complies with the Americans with Disabilities Act of 1990.

(b) Contractor shall state in all solicitations or advertisements for employees placed by or on behalf of Contractor that Contractor is an equal opportunity employer.

(c) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient compliance with this provision. Contractor shall include the provisions of the foregoing subparagraphs (a), (b), and (c) in every subcontract or purchase order of over \$10,000 so that the provisions will be binding upon each subcontractor or vendor.

21. Disputes. The Finance Director, who shall reduce his decision to writing and mail or otherwise furnish a copy thereof to Contractor, shall decide disputes with respect to this Contract in the first instance. The decision shall be final and binding unless, within thirty-(30) days from the date of such decision, Contractor mails or otherwise furnishes to the Finance Director a written appeal addressed to the City Manager. The decision by the City Manager shall be final and binding unless, within ten (10) days from the date of receipt of the decision of the City Manager, appeal is made to the City Council. The decision of the City Council shall be final and binding unless set aside by a court of competent jurisdiction as fraudulent, capricious, arbitrary, or so grossly erroneous as necessary to imply bad faith, or not to be supported by any evidence. Pending a final determination of a properly appealed decision of the Finance Director, Contractor shall proceed diligently with the performance of this Contract in accordance with that decision.

22. Force Majeure. Neither party shall be liable for any delay in performance or failure to perform any obligation hereunder if, and to the extent that, such failure or delay is caused by an event of Force Majeure. Force Majeure shall mean any act, event or condition that is beyond the party's reasonable control, that materially and adversely affects the party's ability to perform its obligations hereunder, and that is not the result of the party's willful neglect, error, omission or failure to exercise reasonable due diligence.

23. Controlling Law. **THIS CONTRACT CONTAINS IMPORTANT MATTERS AFFECTING LEGAL RIGHTS AND IS ACCEPTED AND ENTERED INTO IN FLORIDA AND ANY QUESTION REGARDING ITS VALIDITY, CONSTRUCTION, ENFORCEMENT, OR PERFORMANCE SHALL BE GOVERNED BY FLORIDA LAW. ANY LEGAL PROCEEDING ARISING FROM OR IN ANY WAY REGARDING THE AGREEMENT SHALL**

HAVE ITS VENUE LOCATED EXCLUSIVELY IN THE CIRCUIT COURT OF VOLUSIA COUNTY, FLORIDA, AND THE PARTIES HEREBY EXPRESSLY CONSENT AND SUBMIT THEMSELVES TO THE PERSONAL JURISDICTION AND VENUE OF THE COURT.

24. Additional Provisions

(a) This Contract includes all additional provisions as may have been outlined in the NJPA Agreement and any attachments or exhibits to this Contract whether delivered herewith or subsequently approved as a part hereof, such as drawings or technical specifications prepared in the performance of this work.

(b) For the purposes of this Contract, any reference in the NJPA Agreement to "National Joint Powers Alliance", shall be construed to mean the "City of Port Orange."

(c) In the event of a conflict between the NJPA Agreement and this Contract, this Contract with the City of Port Orange shall control.

25. Integration. This Contract and the documents incorporated herein by reference shall constitute the whole agreement between the parties. There are no promises, terms, conditions, or obligations other than those contained herein, and this Contract shall supersede all previous communications, representations, or agreements, written or verbal, between the parties hereto.

26. Notice. For purposes of this agreement, notices shall be sent as follows:

CITY OF PORT ORANGE PIGGYBACK AGREEMENT

This Piggyback Agreement is entered to this ____ day of _____, 20____, by and between the **CITY OF PORT ORANGE**, a Florida municipal whose principal address is 1000 City Center Circle, Port Orange, Florida 32129 (the "City") and **DEERE & COMPANY** ("Contractor"), a Delaware corporation registered to transact business in the state of Florida, whose principal address is One John Deere Place, Moline, Illinois 61265 (collectively "the Parties").

WHEREAS, on the 11th day of September, 2013, Contractor entered into Contract No. 070313-DAC with the National Joint Powers Alliance ("NJPA"), a contract for grounds maintenance with related equipment, accessories and supplies, with an effective date of October 31, 2012 and continuing until February 20, 2017 (the "NJPA Agreement"); and

WHEREAS, by entering into this Piggyback Agreement, Contractor agrees to honor the terms of the NJPA Agreement for grounds maintenance with related equipment, accessories and supplies with the City of Port Orange; and

WHEREAS, a copy of the NJPA Agreement is available in the Office of the City Clerk, City Hall, 1000 City Center, Port Orange, Florida 32129; and

WHEREAS, the Port Orange City Council has determined that the execution of this Contract is beneficial to the citizens of the City of Port Orange.

For good and valuable consideration, conditions and promises, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Term. The term of this Contract shall be effective commencing on the last date the Contract is signed by the Parties and shall continue until September 30, 2016 (the "Term").
2. Contractor Obligation. Contractor agrees to provide grounds maintenance with related equipment, accessories and supplies to the City at the unit prices set forth in the NJPA Agreement, except as modified herein and attached hereto as Exhibit "1". Contractor agrees that all pricing shall remain valid for the duration of this Agreement. Contractor shall not deliver goods or services without a written purchase order(s), signed by an authorized agent of the City of Port Orange. Contractor shall cause goods to be delivered to the City in the most expedient, cost effective manner. All items shall be shipped to the City of Port Orange designated facility identified in each purchase order, FOB Inside Delivery. Contractor shall bear the risk of loss for goods delivered under this Contract from the time of shipping to the City until delivered at the destination specified by the City for delivery.
3. Authorization for Services. This Contract standing alone does not authorize the performance of any work or services to be provided by the Contractor or require the City to place any orders for work or service. Authorization for performance of services by the Contractor under this Contract shall be in the form of written Purchase Order(s) issued and executed by the City and signed by the Contractor. The City reserves the right to contract with other parties for the services contemplated by this Contract, as determined in the City's sole and absolute discretion.

4. City Obligations. The City agrees to compensate Contractor at the unit prices set forth in Exhibit "1" in an amount subject to a limit up to but not to exceed Twenty-Eight Thousand Eight Hundred Sixty-Six and 92/100 Dollars (\$28,866.92) for the term of this Contract. All payments shall be governed by the Local Government Prompt Payment Act as set forth in Sections 218.70 through 218.79, Florida Statutes, as amended.

5. Contract Administration. Branford N. Adumuah, Director of Public Works shall perform contract administration of this Contract. For notice provisions, see the paragraph below entitled "Notice."

6. Termination for Convenience of the City

(a) The parties agree that the City may terminate this Contract, or any work or delivery required hereunder, from time to time either in whole or part, whenever the City Manager of Port Orange shall determine that such termination is in the best interest of the City.

(b) Termination, in whole or in part, shall be effected by delivery of a Notice of Termination signed by the City Manager or his designee, mailed or delivered to the Contractor, and specifically setting forth the effective date of termination.

(c) Upon receipt of such Notice, the Contractor shall:

- (i) cease any further deliveries or work due under this Contract, on the date, and to the extent, which may be specified in the Notice;
- (ii) place no further orders with any subcontractors except as may be necessary to perform that portion of this Contract not subject to the Notice;
- (iii) terminate all subcontracts except those made with respect to contract performance not subject to the Notice;
- (iv) settle all outstanding liabilities and claims which may arise out of such termination, with the ratification of the Finance Director of Port Orange; and
- (v) use best efforts to mitigate any damages which may be sustained by the Contractor as a consequence of termination under this clause.

(d) After complying with the provisions of subparagraph (c), above, the Contractor shall submit a termination claim, in no event later than six (6) months after the effective date of termination, unless one or more extensions of three (3) months each are granted by the Finance Director.

(e) The Finance Director, with the approval of the City Manager, shall pay from the using department's budget, reasonable costs of termination, including a reasonable amount for profit on supplies or services delivered or work completed. In no event shall this amount be greater than the original contract price, reduced by any payments made prior to Notice of Termination, and further reduced by the price of the supplies not delivered or the services not provided. This Contract shall be amended accordingly, and the Contractor shall be paid the agreed amount.

(f) In the event that the parties cannot agree on the whole amount to be paid to the Contractor by reason of termination under this clause, the Finance Director shall pay the Contractor the amounts determined as follows, without duplicating any amounts which may have already been paid under the preceding paragraph of this clause:

- (i) With respect to all Contract performance prior to the effective date of Notice of Termination, the total of:
 - (1) the cost of work performed or supplies delivered;

(2) the cost of settling and paying any reasonable claims as provided in paragraph (c) (iv), above;

(3) a sum as profit on (a) determined by the Finance Director to be fair and reasonable.

(ii) The total sum to be paid under (i) above shall not exceed the contract price, as further reduced by the contract price of work or supplies not terminated.

(g) In the event that the Contractor is not satisfied with any payments which the Finance Director shall determine to be due under this clause, the Contractor may appeal any claim to the City Council in accordance with Paragraph 21 of this contract concerning disputes.

7. Termination for Convenience for Subcontractors. In accordance with the termination for the convenience of the City provision of this contract, the Contractor shall include similar provisions in any subcontract, and shall specifically include a requirement that subcontractors make all reasonable efforts to mitigate damages which may be suffered. Failure to include such provisions shall bar the Contractor from any recovery from the City whatsoever of loss or damage sustained by a subcontractor as a consequence of termination for convenience.

8. Termination for Default. Either party may terminate this Contract, without further obligation, for the default of the other party or its agents or employees with respect to any agreement or provision contained herein.

9. Examination of Records

(a) The Contractor agrees that the City, or any duly authorized representative, shall, until the expiration of five (5) years after final payment hereunder, have access to and the right to examine and copy any pertinent books, documents, papers and records of the Contractor involving transactions related to this Contract.

(b) The Contractor further agrees to include in any subcontract for more than \$10,000 entered into as a result of this Contract, a provision to the effect that the subcontractor agrees that the City or any duly authorized representative shall, until the expiration of five (5) years after final payment under the subcontract, have access to and the right to examine and copy any pertinent books, documents, papers and records of such contractor involved in transactions related to such subcontract, or this Contract. The term subcontract as used herein shall exclude purchase orders for public utility services at rates established for uniform applicability to the general public.

(c) The period of access provided in subparagraphs (a) and (b) above for records, books, documents and papers which may relate to any arbitration, litigation, or the settlement of claims arising out of the performance of this contract or any subcontract shall continue until any appeals, arbitration, litigation or claims shall have been finally disposed of.

10. Public Records Compliance. Contractor shall comply with public records laws as set forth in Chapter 119, Florida Statutes, and shall specifically:

(a) Keep and maintain public records that ordinarily and necessarily would be required by the City in order to perform the service.

(b) Provide the public with access to public records on the same terms and conditions that the City would provide the records and at a cost that does not exceed the cost provided in Section 119, Florida Statutes, or as otherwise provided by law.

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

(d) Meet all requirements for retaining public records and transfer to the City, at no cost, all public records in possession of the Contractor upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the City in a format that is compatible with the information technology systems of the City.

If Contractor does not comply with a public records request, the City shall enforce the contract provisions in accordance with the contract.

11. Termination for Non-Appropriation of Funds

(a) If funds are not appropriated for any succeeding fiscal years subsequent to the one in which this contract is entered into, for the purpose of this Contract, then the City may terminate this Contract upon thirty (30) days prior written notice to the Contractor. Should termination be accomplished in accordance with this Section, the City shall be liable only for payments due through the date of termination.

(b) The City agrees that should it terminate in accordance with this Section, it shall not obtain services which are substantially equal to or similar to those for which this contract was entered into. This provision shall survive any termination of the Contract.

12. Insurance. Contractor shall maintain insurance during the life of this Contract. Contractor shall provide to the City a certificate of insurance identifying the City of Port Orange as an additional insured. For workers' compensation coverage, the bidder's insurance certificate shall include the insurer's waiver of subrogation in lieu of naming the city as an additional insured for workers' compensation.

Policies other than Workers' Compensation shall be issued by insurers licensed and/or duly authorized under Florida Law to do business in the State of Florida and all insuring companies are required to have a minimum rating of "A" in the "Best Key Rating Guide" published by A.M. Best & Company, Inc. Policies for Workers' Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.572. Contractor shall not commence work under this Agreement until the City has received a certificate or certificates of insurance and endorsement evidencing the required insurance. Contractor shall provide the City written notice of cancellation, nonrenewal or any other changes in coverage no later than ten (10) days prior to the effective date of the change.

The City reserves the right to increase insurance coverage as determined for higher risk contracts and shall reimburse the Contractor for the reasonable additional costs of increased coverage.

13. Assignability of Contract. Neither this contract, nor any part hereof, may be assigned by the Contractor to any other party without the express written approval of the City Council.

14. Modifications or Changes to this Contract

(a) Change Orders. The Department Head, with the concurrence of the City's signatory as required by the City's Purchasing Policy, shall without notice to any sureties, have the authority to order changes in this Contract which affect the cost or time of performance. Such changes shall be ordered in writing specifically designated to be a change order. Such orders shall be limited to reasonable changes in the services to be performed or the time of the performance. The City will not be held liable for any changes which have not been properly authorized and approved in accordance with this Contract.

(b) If any change under this clause causes an increase or decrease in Contractor's cost of, or time required for the performance of the work hereunder, Contractor shall receive an equitable adjustment in accordance with subparagraph (d), which shall include all compensation to the Contractor, or the City, of any kind in connection with such change, including all costs and damages related to or incidental to such change. Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(c) Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(d) No claim for changes ordered hereunder shall be considered if made after final payment in accordance with the Contract.

15. Sovereign Immunity. The City expressly retains all rights, benefits and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Notwithstanding anything set forth in any section of this Contract to the contrary, nothing in this Contract shall be deemed as a waiver of immunity or limits of liability of the City beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature or may be adopted by the Florida Legislature and the cap on the amount and liability of the City for damages regardless of the number or nature of claims in tort or equity shall not exceed the dollar amount set by the legislature for tort. Nothing in this Contract shall inure to the benefit of any third party for the purpose of allowing any claim against the City which would otherwise be barred under the Doctrine of Sovereign Immunity or operation of law.

16. Warranties. Contractor warrants that (1) the supplies to be provided to the City pursuant to this Contract are fit and sufficient for the purpose intended; (2) the supplies are merchantable, of good quality, and free from defects, whether patent or latent, in material or workmanship, and (3) the supplies sold to the City pursuant to this Contract conform to the standards required by this Contract.

Contractor further warrants that Contractor has title to the supplies provided, and that the supplies are free and clear of all liens encumbrances, and security interests. All warranties made in this Contract, together with service warranties and guarantees, shall run to the City and its successors and assigns.

17. Additional Warranties. Contractor further expressly warrants that materials and workmanship are warranted from defect for a one-year period. This is a minimum acceptable warranty.

18. Inspection

(a) All supplies (which term throughout this clause includes without limitation raw materials, components, intermediate assemblies, and their products) shall be subject to inspection and test by the City, to the extent practicable at all times and places including the place of manufacturer, and in any event prior to acceptance.

(b) In the event any supplies or lots of supplies are defective in material or workmanship, or otherwise not in conformity with the requirements of this Contract, the City shall have the right either to reject them (with or without instructions as to their disposition) or to require their correction. Supplies or lots of supplies which have been rejected or required to be corrected shall be removed or, if permitted or required by the Finance Director, corrected in place by and at the expense of Contractor promptly after notice, and shall not thereafter be tendered for acceptance unless the former rejection or requirement of correction is disclosed. If Contractor fails promptly to remove such supplies or lots of supplies which are required to be removed or promptly to replace or correct such supplies or lots of supplies, the City may either (i) by contract or otherwise replace or correct such supplies and charge Contractor the cost for such replacement or correction; or (ii) may terminate this Contract for default as provided in the clause of this Contract entitled "Termination for Default." Unless Contractor corrects or replaces such supplies within the delivery schedule, the Finance Director may require the delivery of such supplies at a reduction in price, which is equitable under the circumstances. Acceptance or rejection of the supplies shall be made as promptly as practicable after delivery, except as otherwise provided in this Contract. Failure to inspect and accept or reject supplies shall neither relieve Contractor from responsibility for such supplies as are not in accordance with the Contract requirements nor impose liability on the City therefor.

(c) The inspection and test by the City of any supplies or lots thereof does not relieve Contractor from any responsibility regarding defects or other failures to meet the Contract requirements, which may be discovered prior to acceptance. Except as otherwise provided in this Contract, acceptance shall be conclusive except as regards latent defects, fraud, or such gross mistakes as amount to fraud.

19. Liability for Loss or Damage. Contractor shall be liable for any loss of, or damage to, City property caused by the negligence, recklessness, or intended wrongful misconduct of Contractor, his/its agents, servants and employees and shall indemnify and save the City harmless against all actions, proceedings, claims, demands, costs, damages and expenses, including attorney's fees, by reason of any suit or action brought for any actual or alleged injury to or death of any person or damage to property other than City property, resulting from the performance of the Contract by Contractor, his/its agents, servants and employees. Contractor shall submit a full written report to the Finance Director within twenty-four (24) hours following the occurrence of such damage, loss or injury.

20. Non-discrimination. During the performance of this Contract, Contractor agrees as follows:

(a) Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, disability, marital status, age or national origin, except where such is a bona-fide occupational qualification reasonably necessary to the normal operation of Contractor. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause. Contractor agrees and fully supports and complies with the Americans with Disabilities Act of 1990.

(b) Contractor shall state in all solicitations or advertisements for employees placed by or on behalf of Contractor that Contractor is an equal opportunity employer.

(c) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient compliance with this provision. Contractor shall include the provisions of the foregoing subparagraphs (a), (b), and (c) in every subcontract or purchase order of over \$10,000 so that the provisions will be binding upon each subcontractor or vendor.

21. Disputes. The Finance Director, who shall reduce his decision to writing and mail or otherwise furnish a copy thereof to Contractor, shall decide disputes with respect to this Contract in the first instance. The decision shall be final and binding unless, within thirty-(30) days from the date of such decision, Contractor mails or otherwise furnishes to the Finance Director a written appeal addressed to the City Manager. The decision by the City Manager shall be final and binding unless, within ten (10) days from the date of receipt of the decision of the City Manager, appeal is made to the City Council. The decision of the City Council shall be final and binding unless set aside by a court of competent jurisdiction as fraudulent, capricious, arbitrary, or so grossly erroneous as necessary to imply bad faith, or not to be supported by any evidence. Pending a final determination of a properly appealed decision of the Finance Director, Contractor shall proceed diligently with the performance of this Contract in accordance with that decision.

22. Force Majeure. Neither party shall be liable for any delay in performance or failure to perform any obligation hereunder if, and to the extent that, such failure or delay is caused by an event of Force Majeure. Force Majeure shall mean any act, event or condition that is beyond the party's reasonable control, that materially and adversely affects the party's ability to perform its obligations hereunder, and that is not the result of the party's willful neglect, error, omission or failure to exercise reasonable due diligence.

23. Controlling Law. **THIS CONTRACT CONTAINS IMPORTANT MATTERS AFFECTING LEGAL RIGHTS AND IS ACCEPTED AND ENTERED INTO IN FLORIDA AND ANY QUESTION REGARDING ITS VALIDITY, CONSTRUCTION, ENFORCEMENT, OR PERFORMANCE SHALL BE GOVERNED BY FLORIDA LAW. CITY OF PORT ORANGE PIGGYBACK AGREEMENT

This Piggyback Agreement is entered to this ____ day of _____, 20____, by and between the **CITY OF PORT ORANGE**, a Florida municipal whose principal address is 1000 City Center Circle, Port Orange, Florida 32129 (the "City") and **RING POWER CORPORATION** ("Contractor"), a Florida corporation, whose principal address is 500 World Commerce Pkwy, St Augustine, Florida 32092 (collectively "the Parties").

WHEREAS, on the 1st day of October, 2015, Contractor entered into Contract with the Florida Sheriff's Association, pursuant to Bid No. 15-13-0904 (the "FSA Agreement"); and

WHEREAS the FSA Agreement provides for a term commencing on October 1, 2015 and continuing through September 30, 2016, as long as the vehicles are available through fleet; and

WHEREAS, by entering into this Piggyback Agreement, Contractor agrees to honor the terms of the FSA Agreement for the acquisition of cab and chassis trucks and other fleet equipment purchased by the City of Port Orange the City of Port Orange; and

WHEREAS, a copy of the FSA Agreement is available in the Office of the City Clerk, City Hall, 1000 City Center, Port Orange, Florida 32129; and

WHEREAS, the Port Orange City Council has determined that the execution of this Contract is beneficial to the citizens of the City of Port Orange.

For good and valuable consideration, conditions and promises, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **Term.** The term of this Contract shall be effective commencing on the last date the Contract is signed by the Parties and shall continue until September 30, 2016 (the "Term").

2. **Contractor Obligation.** Contractor agrees to sell cab and chassis trucks and other fleet equipment to the City at the unit prices set forth in the FSA Agreement, except as modified herein and attached hereto as Exhibit "1". Contractor agrees that all pricing shall remain valid for the duration of this Agreement. Contractor shall not deliver goods or services without a written purchase order(s), signed by an authorized agent of the City of Port Orange. Contractor shall cause goods to be delivered to the City in the most expedient, cost effective manner. All items shall be shipped to the City of Port Orange designated facility identified in each purchase order, FOB Inside Delivery. Contractor shall bear the risk of loss for goods delivered under this Contract from the time of shipping to the City until delivered at the destination specified by the City for delivery.

3. **Authorization for Services.** This Contract standing alone does not authorize the performance of any work or services to be provided by the Contractor or require the City to place any orders for work or service. Authorization for performance of services by the Contractor under this Contract shall be in the form of written Purchase Order(s) issued and executed by the City and signed by the Contractor. The City reserves the right to contract with other parties for the services contemplated by this Contract, as determined in the City's sole and absolute discretion.

4. City Obligations. The City agrees to compensate Contractor at the unit prices set forth in Exhibit "1" in an amount subject to a limit up to but not to exceed Seventy-Three Thousand Fifty-Eight and 00/100 Dollars (\$73,058.00) for the term of this Contract. All payments shall be governed by the Local Government Prompt Payment Act as set forth in Sections 218.70 through 218.79, Florida Statutes, as amended.

5. Contract Administration. Branford N. Adumuah, Director of Public Works shall perform contract administration of this Contract. For notice provisions, see the paragraph below entitled "Notice."

6. Termination for Convenience of the City

(a) The parties agree that the City may terminate this Contract, or any work or delivery required hereunder, from time to time either in whole or part, whenever the City Manager of Port Orange shall determine that such termination is in the best interest of the City.

(b) Termination, in whole or in part, shall be effected by delivery of a Notice of Termination signed by the City Manager or his designee, mailed or delivered to the Contractor, and specifically setting forth the effective date of termination.

(c) Upon receipt of such Notice, the Contractor shall:

- (i) cease any further deliveries or work due under this Contract, on the date, and to the extent, which may be specified in the Notice;
- (ii) place no further orders with any subcontractors except as may be necessary to perform that portion of this Contract not subject to the Notice;
- (iii) terminate all subcontracts except those made with respect to contract performance not subject to the Notice;
- (iv) settle all outstanding liabilities and claims which may arise out of such termination, with the ratification of the Finance Director of Port Orange; and
- (v) use best efforts to mitigate any damages which may be sustained by the Contractor as a consequence of termination under this clause.

(d) After complying with the provisions of subparagraph (c), above, the Contractor shall submit a termination claim, in no event later than six (6) months after the effective date of termination, unless one or more extensions of three (3) months each are granted by the Finance Director.

(e) The Finance Director, with the approval of the City Manager, shall pay from the using department's budget, reasonable costs of termination, including a reasonable amount for profit on supplies or services delivered or work completed. In no event shall this amount be greater than the original contract price, reduced by any payments made prior to Notice of Termination, and further reduced by the price of the supplies not delivered or the services not provided. This Contract shall be amended accordingly, and the Contractor shall be paid the agreed amount.

(f) In the event that the parties cannot agree on the whole amount to be paid to the Contractor by reason of termination under this clause, the Finance Director shall pay the Contractor the amounts determined as follows, without duplicating any amounts which may have already been paid under the preceding paragraph of this clause:

- (i) With respect to all Contract performance prior to the effective date of Notice of Termination, the total of:
 - (1) the cost of work performed or supplies delivered;

(2) the cost of settling and paying any reasonable claims as provided in paragraph (c) (iv), above;

(3) a sum as profit on (a) determined by the Finance Director to be fair and reasonable.

(ii) The total sum to be paid under (i) above shall not exceed the contract price, as further reduced by the contract price of work or supplies not terminated.

(g) In the event that the Contractor is not satisfied with any payments which the Finance Director shall determine to be due under this clause, the Contractor may appeal any claim to the City Council in accordance with Paragraph 21 of this contract concerning disputes.

7. Termination for Convenience for Subcontractors. In accordance with the termination for the convenience of the City provision of this contract, the Contractor shall include similar provisions in any subcontract, and shall specifically include a requirement that subcontractors make all reasonable efforts to mitigate damages which may be suffered. Failure to include such provisions shall bar the Contractor from any recovery from the City whatsoever of loss or damage sustained by a subcontractor as a consequence of termination for convenience.

8. Termination for Default. Either party may terminate this Contract, without further obligation, for the default of the other party or its agents or employees with respect to any agreement or provision contained herein.

9. Examination of Records

(a) The Contractor agrees that the City, or any duly authorized representative, shall, until the expiration of five (5) years after final payment hereunder, have access to and the right to examine and copy any pertinent books, documents, papers and records of the Contractor involving transactions related to this Contract.

(b) The Contractor further agrees to include in any subcontract for more than \$10,000 entered into as a result of this Contract, a provision to the effect that the subcontractor agrees that the City or any duly authorized representative shall, until the expiration of five (5) years after final payment under the subcontract, have access to and the right to examine and copy any pertinent books, documents, papers and records of such contractor involved in transactions related to such subcontract, or this Contract. The term subcontract as used herein shall exclude purchase orders for public utility services at rates established for uniform applicability to the general public.

(c) The period of access provided in subparagraphs (a) and (b) above for records, books, documents and papers which may relate to any arbitration, litigation, or the settlement of claims arising out of the performance of this contract or any subcontract shall continue until any appeals, arbitration, litigation or claims shall have been finally disposed of.

10. Public Records Compliance. Contractor shall comply with public records laws as set forth in Chapter 119, Florida Statutes, and shall specifically:

(a) Keep and maintain public records that ordinarily and necessarily would be required by the City in order to perform the service.

(b) Provide the public with access to public records on the same terms and conditions that the City would provide the records and at a cost that does not exceed the cost provided in Section 119, Florida Statutes, or as otherwise provided by law.

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

(d) Meet all requirements for retaining public records and transfer to the City, at no cost, all public records in possession of the Contractor upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the City in a format that is compatible with the information technology systems of the City.

If Contractor does not comply with a public records request, the City shall enforce the contract provisions in accordance with the contract.

11. Termination for Non-Appropriation of Funds

(a) If funds are not appropriated for any succeeding fiscal years subsequent to the one in which this contract is entered into, for the purpose of this Contract, then the City may terminate this Contract upon thirty (30) days prior written notice to the Contractor. Should termination be accomplished in accordance with this Section, the City shall be liable only for payments due through the date of termination.

(b) The City agrees that should it terminate in accordance with this Section, it shall not obtain services which are substantially equal to or similar to those for which this contract was entered into. This provision shall survive any termination of the Contract.

12. Insurance. Contractor shall maintain insurance during the life of this Contract. Contractor shall provide to the City a certificate of insurance identifying the City of Port Orange as an additional insured. For workers' compensation coverage, the bidder's insurance certificate shall include the insurer's waiver of subrogation in lieu of naming the city as an additional insured for workers' compensation.

Policies other than Workers' Compensation shall be issued by insurers licensed and/or duly authorized under Florida Law to do business in the State of Florida and all insuring companies are required to have a minimum rating of "A" in the "Best Key Rating Guide" published by A.M. Best & Company, Inc. Policies for Workers' Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.572. Contractor shall not commence work under this Agreement until the City has received a certificate or certificates of insurance and endorsement evidencing the required insurance. Contractor shall provide the City written notice of cancellation, nonrenewal or any other changes in coverage no later than ten (10) days prior to the effective date of the change.

The City reserves the right to increase insurance coverage as determined for higher risk contracts and shall reimburse the Contractor for the reasonable additional costs of increased coverage.

13. Assignability of Contract. Neither this contract, nor any part hereof, may be assigned by the Contractor to any other party without the express written approval of the City Council.

14. Modifications or Changes to this Contract

(a) Change Orders. The Department Head, with the concurrence of the City's signatory as required by the City's Purchasing Policy, shall without notice to any sureties, have the authority to order changes in this Contract which affect the cost or time of performance. Such changes shall be ordered in writing specifically designated to be a change order. Such orders shall be limited to reasonable changes in the services to be performed or the time of the performance. The City will not be held liable for any changes which have not been properly authorized and approved in accordance with this Contract.

(b) If any change under this clause causes an increase or decrease in Contractor's cost of, or time required for the performance of the work hereunder, Contractor shall receive an equitable adjustment in accordance with subparagraph (d), which shall include all compensation to the Contractor, or the City, of any kind in connection with such change, including all costs and damages related to or incidental to such change. Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(c) Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(d) No claim for changes ordered hereunder shall be considered if made after final payment in accordance with the Contract.

15. Sovereign Immunity. The City expressly retains all rights, benefits and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Notwithstanding anything set forth in any section of this Contract to the contrary, nothing in this Contract shall be deemed as a waiver of immunity or limits of liability of the City beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature or may be adopted by the Florida Legislature and the cap on the amount and liability of the City for damages regardless of the number or nature of claims in tort or equity shall not exceed the dollar amount set by the legislature for tort. Nothing in this Contract shall inure to the benefit of any third party for the purpose of allowing any claim against the City which would otherwise be barred under the Doctrine of Sovereign Immunity or operation of law.

16. Warranties. Contractor warrants that (1) the supplies to be provided to the City pursuant to this Contract are fit and sufficient for the purpose intended; (2) the supplies are merchantable, of good quality, and free from defects, whether patent or latent, in material or workmanship, and (3) the supplies sold to the City pursuant to this Contract conform to the standards required by this Contract.

Contractor further warrants that Contractor has title to the supplies provided, and that the supplies are free and clear of all liens encumbrances, and security interests. All warranties made in this Contract, together with service warranties and guarantees, shall run to the City and its successors and assigns.

17. Additional Warranties. Contractor further expressly warrants that materials and workmanship are warranted from defect for a one-year period. This is a minimum acceptable warranty.

18. Inspection

(a) All supplies (which term throughout this clause includes without limitation raw materials, components, intermediate assemblies, and their products) shall be subject to inspection and test by the City, to the extent practicable at all times and places including the place of manufacturer, and in any event prior to acceptance.

(b) In the event any supplies or lots of supplies are defective in material or workmanship, or otherwise not in conformity with the requirements of this Contract, the City shall have the right either to reject them (with or without instructions as to their disposition) or to require their correction. Supplies or lots of supplies which have been rejected or required to be corrected shall be removed or, if permitted or required by the Finance Director, corrected in place by and at the expense of Contractor promptly after notice, and shall not thereafter be tendered for acceptance unless the former rejection or requirement of correction is disclosed. If Contractor fails promptly to remove such supplies or lots of supplies which are required to be removed or promptly to replace or correct such supplies or lots of supplies, the City may either (i) by contract or otherwise replace or correct such supplies and charge Contractor the cost for such replacement or correction; or (ii) may terminate this Contract for default as provided in the clause of this Contract entitled "Termination for Default." Unless Contractor corrects or replaces such supplies within the delivery schedule, the Finance Director may require the delivery of such supplies at a reduction in price, which is equitable under the circumstances. Acceptance or rejection of the supplies shall be made as promptly as practicable after delivery, except as otherwise provided in this Contract. Failure to inspect and accept or reject supplies shall neither relieve Contractor from responsibility for such supplies as are not in accordance with the Contract requirements nor impose liability on the City therefor.

(c) The inspection and test by the City of any supplies or lots thereof does not relieve Contractor from any responsibility regarding defects or other failures to meet the Contract requirements, which may be discovered prior to acceptance. Except as otherwise provided in this Contract, acceptance shall be conclusive except as regards latent defects, fraud, or such gross mistakes as amount to fraud.

19. Liability for Loss or Damage. Contractor shall be liable for any loss of, or damage to, City property caused by the negligence, recklessness, or intended wrongful misconduct of Contractor, his/its agents, servants and employees and shall indemnify and save the City harmless against all actions, proceedings, claims, demands, costs, damages and expenses, including attorney's fees, by reason of any suit or action brought for any actual or alleged injury to or death of any person or damage to property other than City property, resulting from the performance of the Contract by Contractor, his/its agents, servants and employees. Contractor shall submit a full written report to the Finance Director within twenty-four (24) hours following the occurrence of such damage, loss or injury.

20. Non-discrimination. During the performance of this Contract, Contractor agrees as follows:

(a) Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, disability, marital status, age or national origin, except where such is a bona-fide occupational qualification reasonably necessary to the normal operation of Contractor. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause. Contractor agrees and fully supports and complies with the Americans with Disabilities Act of 1990.

(b) Contractor shall state in all solicitations or advertisements for employees placed by or on behalf of Contractor that Contractor is an equal opportunity employer.

(c) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient compliance with this provision. Contractor shall include the provisions of the foregoing subparagraphs (a), (b), and (c) in every subcontract or purchase order of over \$10,000 so that the provisions will be binding upon each subcontractor or vendor.

21. Disputes. The Finance Director, who shall reduce his decision to writing and mail or otherwise furnish a copy thereof to Contractor, shall decide disputes with respect to this Contract in the first instance. The decision shall be final and binding unless, within thirty-(30) days from the date of such decision, Contractor mails or otherwise furnishes to the Finance Director a written appeal addressed to the City Manager. The decision by the City Manager shall be final and binding unless, within ten (10) days from the date of receipt of the decision of the City Manager, appeal is made to the City Council. The decision of the City Council shall be final and binding unless set aside by a court of competent jurisdiction as fraudulent, capricious, arbitrary, or so grossly erroneous as necessary to imply bad faith, or not to be supported by any evidence. Pending a final determination of a properly appealed decision of the Finance Director, Contractor shall proceed diligently with the performance of this Contract in accordance with that decision.

22. Force Majeure. Neither party shall be liable for any delay in performance or failure to perform any obligation hereunder if, and to the extent that, such failure or delay is caused by an event of Force Majeure. Force Majeure shall mean any act, event or condition that is beyond the party's reasonable control, that materially and adversely affects the party's ability to perform its obligations hereunder, and that is not the result of the party's willful neglect, error, omission or failure to exercise reasonable due diligence.

23. Controlling Law. **THIS CONTRACT CONTAINS IMPORTANT MATTERS AFFECTING LEGAL RIGHTS AND IS ACCEPTED AND ENTERED INTO IN FLORIDA AND ANY QUESTION REGARDING ITS VALIDITY, CONSTRUCTION, ENFORCEMENT, OR PERFORMANCE SHALL BE GOVERNED BY FLORIDA LAW. ANY LEGAL PROCEEDING ARISING FROM OR IN ANY WAY REGARDING THE AGREEMENT SHALL**

HAVE ITS VENUE LOCATED EXCLUSIVELY IN THE CIRCUIT COURT OF VOLUSIA COUNTY, FLORIDA, AND THE PARTIES HEREBY EXPRESSLY CONSENT AND SUBMIT THEMSELVES TO THE PERSONAL JURISDICTION AND VENUE OF THE COURT.

24. Additional Provisions

(a) This Contract includes all additional provisions as may have been outlined in the FSA Agreement and any attachments or exhibits to this Contract whether delivered herewith or subsequently approved as a part hereof, such as drawings or technical specifications prepared in the performance of this work.

(b) For the purposes of this Contract, any reference in the FSA Agreement to "Florida Sheriff's Association", "FSA", or the "Florida Association of Counties", shall be construed to mean the "City of Port Orange."

(c) In the event of a conflict between the FSA Agreement and this Contract, this Contract with the City of Port Orange shall control.

25. Integration. This Contract and the documents incorporated herein by reference shall constitute the whole agreement between the parties. There are no promises, terms, conditions, or obligations other than those contained herein, and this Contract shall supersede all previous communications, representations, or agreements, written or verbal, between the parties hereto.

26. Notice. For purposes of this agreement, notices shall be sent as follows:

WHEREAS, the Port Orange City Council has determined that the execution of this Contract is beneficial to the citizens of the City of Port Orange.

For good and valuable consideration, conditions and promises, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Term. The term of this Contract shall be effective commencing on the last date the Contract is signed by the Parties and shall continue until September 30, 2016 (the "Term").

2. Contractor Obligation. Contractor agrees to sell Schedule 51, Part V, Hardware SuperStore, Department 7, Lawn and Garden Equipment to the City at the unit prices set forth in the GSA Agreement, except as modified herein and attached hereto as Exhibit "1". Contractor agrees that all pricing shall remain valid for the duration of this Agreement. Contractor shall not deliver goods or services without a written purchase order(s), signed by an authorized agent of the City of Port Orange. Contractor shall cause goods to be delivered to the City in the most expedient, cost effective manner. All items shall be shipped to the City of Port Orange designated facility identified in each purchase order, FOB Inside Delivery. Contractor shall bear the risk of loss for goods delivered under this Contract from the time of shipping to the City until delivered at the destination specified by the City for delivery.

3. Authorization for Services. This Contract standing alone does not authorize the performance of any work or services to be provided by the Contractor or require the City to place any orders for work or service. Authorization for performance of services by the Contractor under this Contract shall be in the form of written Purchase Order(s) issued and executed by the City and signed by the Contractor. The City reserves the right to contract with other parties for the services contemplated by this Contract, as determined in the City's sole and absolute discretion.

4. City Obligations. The City agrees to compensate Contractor at the unit prices set forth in Exhibit "1" in an amount subject to a limit up to but not to exceed Twenty-Four Thousand Thirteen and 90/100 Dollars (\$24,013.90) for the term of this Contract. All payments shall be governed by the Local Government Prompt Payment Act as set forth in Sections 218.70 through 218.79, Florida Statutes, as amended.

5. Contract Administration. Branford N. Adumuah, Director of Public Works shall perform contract administration of this Contract. For notice provisions, see the paragraph below entitled "Notice."

6. Termination for Convenience of the City

(a) The parties agree that the City may terminate this Contract, or any work or delivery required hereunder, from time to time either in whole or part, whenever the City Manager of Port Orange shall determine that such termination is in the best interest of the City.

(b) Termination, in whole or in part, shall be effected by delivery of a Notice of Termination signed by the City Manager or his designee, mailed or delivered to the Contractor, and specifically setting forth the effective date of termination.

(c) Upon receipt of such Notice, the Contractor shall:

- (i) cease any further deliveries or work due under this Contract, on the date, and to the extent, which may be specified in the Notice;
- (ii) place no further orders with any subcontractors except as may be necessary to perform that portion of this Contract not subject to the Notice;
- (iii) terminate all subcontracts except those made with respect to contract performance not subject to the Notice;
- (iv) settle all outstanding liabilities and claims which may arise out of such termination, with the ratification of the Finance Director of Port Orange; and
- (v) use best efforts to mitigate any damages which may be sustained by the Contractor as a consequence of termination under this clause.

(d) After complying with the provisions of subparagraph (c), above, the Contractor shall submit a termination claim, in no event later than six (6) months after the effective date of termination, unless one or more extensions of three (3) months each are granted by the Finance Director.

(e) The Finance Director, with the approval of the City Manager, shall pay from the using department's budget, reasonable costs of termination, including a reasonable amount for profit on supplies or services delivered or work completed. In no event shall this amount be greater than the original contract price, reduced by any payments made prior to Notice of Termination, and further reduced by the price of the supplies not delivered or the services not provided. This Contract shall be amended accordingly, and the Contractor shall be paid the agreed amount.

(f) In the event that the parties cannot agree on the whole amount to be paid to the Contractor by reason of termination under this clause, the Finance Director shall pay the Contractor the amounts determined as follows, without duplicating any amounts which may have already been paid under the preceding paragraph of this clause:

- (i) With respect to all Contract performance prior to the effective date of Notice of Termination, the total of:
 - (1) the cost of work performed or supplies delivered;

- (2) the cost of settling and paying any reasonable claims as provided in paragraph (c) (iv), above;
- (3) a sum as profit on (a) determined by the Finance Director to be fair and reasonable.

(ii) The total sum to be paid under (i) above shall not exceed the contract price, as further reduced by the contract price of work or supplies not terminated.

(g) In the event that the Contractor is not satisfied with any payments which the Finance Director shall determine to be due under this clause, the Contractor may appeal any claim to the City Council in accordance with Paragraph 21 of this contract concerning disputes.

7. Termination for Convenience for Subcontractors. In accordance with the termination for the convenience of the City provision of this contract, the Contractor shall include similar provisions in any subcontract, and shall specifically include a requirement that subcontractors make all reasonable efforts to mitigate damages which may be suffered. Failure to include such provisions shall bar the Contractor from any recovery from the City whatsoever of loss or damage sustained by a subcontractor as a consequence of termination for convenience.

8. Termination for Default. Either party may terminate this Contract, without further obligation, for the default of the other party or its agents or employees with respect to any agreement or provision contained herein.

9. Examination of Records

(a) The Contractor agrees that the City, or any duly authorized representative, shall, until the expiration of five (5) years after final payment hereunder, have access to and the right to examine and copy any pertinent books, documents, papers and records of the Contractor involving transactions related to this Contract.

(b) The Contractor further agrees to include in any subcontract for more than \$10,000 entered into as a result of this Contract, a provision to the effect that the subcontractor agrees that the City or any duly authorized representative shall, until the expiration of five (5) years after final payment under the subcontract, have access to and the right to examine and copy any pertinent books, documents, papers and records of such contractor involved in transactions related to such subcontract, or this Contract. The term subcontract as used herein shall exclude purchase orders for public utility services at rates established for uniform applicability to the general public.

(c) The period of access provided in subparagraphs (a) and (b) above for records, books, documents and papers which may relate to any arbitration, litigation, or the settlement of claims arising out of the performance of this contract or any subcontract shall continue until any appeals, arbitration, litigation or claims shall have been finally disposed of.

10. Public Records Compliance. Contractor shall comply with public records laws as set forth in Chapter 119, Florida Statutes, and shall specifically:

(a) Keep and maintain public records that ordinarily and necessarily would be required by the City in order to perform the service.

(b) Provide the public with access to public records on the same terms and conditions that the City would provide the records and at a cost that does not exceed the cost provided in Section 119, Florida Statutes, or as otherwise provided by law.

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

(d) Meet all requirements for retaining public records and transfer to the City, at no cost, all public records in possession of the Contractor upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the City in a format that is compatible with the information technology systems of the City.

If Contractor does not comply with a public records request, the City shall enforce the contract provisions in accordance with the contract.

11. Termination for Non-Appropriation of Funds

(a) If funds are not appropriated for any succeeding fiscal years subsequent to the one in which this contract is entered into, for the purpose of this Contract, then the City may terminate this Contract upon thirty (30) days prior written notice to the Contractor. Should termination be accomplished in accordance with this Section, the City shall be liable only for payments due through the date of termination.

(b) The City agrees that should it terminate in accordance with this Section, it shall not obtain services which are substantially equal to or similar to those for which this contract was entered into. This provision shall survive any termination of the Contract.

12. Insurance. Contractor shall maintain insurance during the life of this Contract. Contractor shall provide to the City a certificate of insurance identifying the City of Port Orange as an additional insured. For workers' compensation coverage, the bidder's insurance certificate shall include the insurer's waiver of subrogation in lieu of naming the city as an additional insured for workers' compensation.

Policies other than Workers' Compensation shall be issued by insurers licensed and/or duly authorized under Florida Law to do business in the State of Florida and all insuring companies are required to have a minimum rating of "A" in the "Best Key Rating Guide" published by A.M. Best & Company, Inc. Policies for Workers' Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.572. Contractor shall not commence work under this Agreement until the City has received a certificate or certificates of insurance and endorsement evidencing the required insurance. Contractor shall provide the City written notice of cancellation, nonrenewal or any other changes in coverage no later than ten (10) days prior to the effective date of the change.

The City reserves the right to increase insurance coverage as determined for higher risk contracts and shall reimburse the Contractor for the reasonable additional costs of increased coverage.

13. Assignability of Contract. Neither this contract, nor any part hereof, may be assigned by the Contractor to any other party without the express written approval of the City Council.

14. Modifications or Changes to this Contract

(a) Change Orders. The Department Head, with the concurrence of the City's signatory as required by the City's Purchasing Policy, shall without notice to any sureties, have the authority to order changes in this Contract which affect the cost or time of performance. Such changes shall be ordered in writing specifically designated to be a change order. Such orders shall be limited to reasonable changes in the services to be performed or the time of the performance. The City will not be held liable for any changes which have not been properly authorized and approved in accordance with this Contract.

(b) If any change under this clause causes an increase or decrease in Contractor's cost of, or time required for the performance of the work hereunder, Contractor shall receive an equitable adjustment in accordance with subparagraph (d), which shall include all compensation to the Contractor, or the City, of any kind in connection with such change, including all costs and damages related to or incidental to such change. Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(c) Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(d) No claim for changes ordered hereunder shall be considered if made after final payment in accordance with the Contract.

15. Sovereign Immunity. The City expressly retains all rights, benefits and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Notwithstanding anything set forth in any section of this Contract to the contrary, nothing in this Contract shall be deemed as a waiver of immunity or limits of liability of the City beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature or may be adopted by the Florida Legislature and the cap on the amount and liability of the City for damages regardless of the number or nature of claims in tort or equity shall not exceed the dollar amount set by the legislature for tort. Nothing in this Contract shall inure to the benefit of any third party for the purpose of allowing any claim against the City which would otherwise be barred under the Doctrine of Sovereign Immunity or operation of law.

16. Warranties. Contractor warrants that (1) the supplies to be provided to the City pursuant to this Contract are fit and sufficient for the purpose intended; (2) the supplies are merchantable, of good quality, and free from defects, whether patent or latent, in material or workmanship, and (3) the supplies sold to the City pursuant to this Contract conform to the standards required by this Contract.

Contractor further warrants that Contractor has title to the supplies provided, and that the supplies are free and clear of all liens encumbrances, and security interests. All warranties made in this Contract, together with service warranties and guarantees, shall run to the City and its successors and assigns.

17. Additional Warranties. Contractor further expressly warrants that materials and workmanship are warranted from defect for a one-year period. This is a minimum acceptable warranty.

18. Inspection

(a) All supplies (which term throughout this clause includes without limitation raw materials, components, intermediate assemblies, and their products) shall be subject to inspection and test by the City, to the extent practicable at all times and places including the place of manufacturer, and in any event prior to acceptance.

(b) In the event any supplies or lots of supplies are defective in material or workmanship, or otherwise not in conformity with the requirements of this Contract, the City shall have the right either to reject them (with or without instructions as to their disposition) or to require their correction. Supplies or lots of supplies which have been rejected or required to be corrected shall be removed or, if permitted or required by the Finance Director, corrected in place by and at the expense of Contractor promptly after notice, and shall not thereafter be tendered for acceptance unless the former rejection or requirement of correction is disclosed. If Contractor fails promptly to remove such supplies or lots of supplies which are required to be removed or promptly to replace or correct such supplies or lots of supplies, the City may either (i) by contract or otherwise replace or correct such supplies and charge Contractor the cost for such replacement or correction; or (ii) may terminate this Contract for default as provided in the clause of this Contract entitled "Termination for Default." Unless Contractor corrects or replaces such supplies within the delivery schedule, the Finance Director may require the delivery of such supplies at a reduction in price, which is equitable under the circumstances. Acceptance or rejection of the supplies shall be made as promptly as practicable after delivery, except as otherwise provided in this Contract. Failure to inspect and accept or reject supplies shall neither relieve Contractor from responsibility for such supplies as are not in accordance with the Contract requirements nor impose liability on the City therefor.

(c) The inspection and test by the City of any supplies or lots thereof does not relieve Contractor from any responsibility regarding defects or other failures to meet the Contract requirements, which may be discovered prior to acceptance. Except as otherwise provided in this Contract, acceptance shall be conclusive except as regards latent defects, fraud, or such gross mistakes as amount to fraud.

19. Liability for Loss or Damage. Contractor shall be liable for any loss of, or damage to, City property caused by the negligence, recklessness, or intended wrongful misconduct of Contractor, his/its agents, servants and employees and shall indemnify and save the City harmless against all actions, proceedings, claims, demands, costs, damages and expenses, including attorney's fees, by reason of any suit or action brought for any actual or alleged injury to or death of any person or damage to property other than City property, resulting from the performance of the Contract by Contractor, his/its agents, servants and employees. Contractor shall submit a full written report to the Finance Director within twenty-four (24) hours following the occurrence of such damage, loss or injury.

20. Non-discrimination. During the performance of this Contract, Contractor agrees as follows:

(a) Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, disability, marital status, age or national origin, except where such is a bona-fide occupational qualification reasonably necessary to the normal operation of Contractor. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause. Contractor agrees and fully supports and complies with the Americans with Disabilities Act of 1990.

(b) Contractor shall state in all solicitations or advertisements for employees placed by or on behalf of Contractor that Contractor is an equal opportunity employer.

(c) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient compliance with this provision. Contractor shall include the provisions of the foregoing subparagraphs (a), (b), and (c) in every subcontract or purchase order of over \$10,000 so that the provisions will be binding upon each subcontractor or vendor.

21. Disputes. The Finance Director, who shall reduce his decision to writing and mail or otherwise furnish a copy thereof to Contractor, shall decide disputes with respect to this Contract in the first instance. The decision shall be final and binding unless, within thirty-(30) days from the date of such decision, Contractor mails or otherwise furnishes to the Finance Director a written appeal addressed to the City Manager. The decision by the City Manager shall be final and binding unless, within ten (10) days from the date of receipt of the decision of the City Manager, appeal is made to the City Council. The decision of the City Council shall be final and binding unless set aside by a court of competent jurisdiction as fraudulent, capricious, arbitrary, or so grossly erroneous as necessary to imply bad faith, or not to be supported by any evidence. Pending a final determination of a properly appealed decision of the Finance Director, Contractor shall proceed diligently with the performance of this Contract in accordance with that decision.

22. Force Majeure. Neither party shall be liable for any delay in performance or failure to perform any obligation hereunder if, and to the extent that, such failure or delay is caused by an event of Force Majeure. Force Majeure shall mean any act, event or condition that is beyond the party's reasonable control, that materially and adversely affects the party's ability to perform its obligations hereunder, and that is not the result of the party's willful neglect, error, omission or failure to exercise reasonable due diligence.

23. Controlling Law. **THIS CONTRACT CONTAINS IMPORTANT MATTERS AFFECTING LEGAL RIGHTS AND IS ACCEPTED AND ENTERED INTO IN FLORIDA AND ANY QUESTION REGARDING ITS VALIDITY, CONSTRUCTION, ENFORCEMENT, OR PERFORMANCE SHALL BE GOVERNED BY FLORIDA LAW. ANY LEGAL PROCEEDING ARISING FROM OR IN ANY WAY REGARDING THE AGREEMENT SHALL**

HAVE ITS VENUE LOCATED EXCLUSIVELY IN THE CIRCUIT COURT OF VOLUSIA COUNTY, FLORIDA, AND THE PARTIES HEREBY EXPRESSLY CONSENT AND SUBMIT THEMSELVES TO THE PERSONAL JURISDICTION AND VENUE OF THE COURT.

24. Additional Provisions

(a) This Contract includes all additional provisions as may have been outlined in the GSA Agreement and any attachments or exhibits to this Contract whether delivered herewith or subsequently approved as a part hereof, such as drawings or technical specifications prepared in the performance of this work.

(b) For the purposes of this Contract, any reference in the GSA Agreement to "General Services Administration", or the "GSA", shall be construed to mean the "City of Port Orange."

(c) In the event of a conflict between the GSA Agreement and this Contract, this Contract with the City of Port Orange shall control.

25. Integration. This Contract and the documents incorporated herein by reference shall constitute the whole agreement between the parties. There are no promises, terms, conditions, or obligations other than those contained herein, and this Contract shall supersede all previous communications, representations, or agreements, written or verbal, between the parties hereto.

26. Notice. For purposes of this agreement, notices shall be sent as follows:

Any notice or other communication given under the Contract will be in writing and delivered by hand, sent by facsimile (provided acknowledgement of receipt thereof is delivered to the sender), sent by certified, registered mail, or sent by any nationally recognized overnight courier service to the addresses provided herein. The parties may, from time to time and at any time, change their respective addresses and each will have the right to specify as its address any other address by at least 10 days written notice to the other party.

27. Contract Construction. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original but all of which together shall constitute one and the same instrument. The delivery by facsimile or e-mail of an executed copy of this Agreement shall be deemed valid as if an original signature was delivered. No contract shall be formed between Contractor and the City until the City signs this Agreement.

28. Authority to Sign. Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party to the Agreement.

CITY COUNCIL AGENDA ITEM

REQUESTED COUNCIL MEETING DATE 12/08/2015

Consent item: Yes

SUBJECT: Seeking Council Approval for the purchase of new Self Contained Breathing Apparatus from Ten-8 Fire Equipment, Inc.

DEPARTMENT: Fire/Rescue Services

GOAL: 5 - Public Safety

OBJECTIVE: N/A

RECOMMENDED MOTION: Move to approve the purchase of new Self Contained Breathing Apparatus, as approved in the Capital Improvement Plan in the amount of \$274,454.29.

SUMMARY: Requesting approval to purchase new Self Contained Breathing Apparatus (SCBA), as approved in the Capital Improvement Plan. Our current SCBAs have reached the point where they cannot be updated to meet NFPA standards.

Our current SCBAs have been updated twice to meet the 2002 and 2007 standards. With the new 2013 standards going into effect, our SCBAs do not meet the standard and cannot be upgraded a third time. This purchase will allow the department to replace our existing SCBAs with new units that meet NFPA standards. One of the requirements of the NFPA standard provides respiratory protection from CBRN terrorism agents that could be released as a result of a terrorist attack. Other requirements are increased voice communications system levels, water immersion capability, higher temperature requirements, tumble test to ensure that the electronic circuitry can endure long-term rough handling and lower power capacity for the electronic devices to be able to function for a longer period of time. In addition to being compliant, these new units will also provide for compatibility with other departments with which we assist in mutual aid. The total cost to replace the current SCBAs and all associated equipment (masks and air cylinders) to meet the 2013 standard is \$274,454.29

CITY OF PORT ORANGE STANDARD CONTRACT FOR SERVICES

This Standard Contract for Services ("Contract") is entered into this ____ day of _____, 2015, by and between the **CITY OF PORT ORANGE**, a Florida municipal corporation, whose principal address is 1000 City Center Circle, Port Orange, Florida 32129 (the "City"), and **TEN-8 FIRE EQUIPMENT, INC.**, a Florida corporation whose principal address is 2904 59th Avenue Drive East, Bradenton, Florida 34203 ("Contractor"). (The City and Contractor are collectively referred to herein as the "Parties.")

1. Provision of Services

- (a) The Contractor hereby agrees to accept the trade in of existing Self Contained Breathing Apparatus units and provide the City of Port Orange with thirty-five (35) new Self Contained Breathing Apparatus units and other related equipment more specifically described in Ten-8 Fire Equipment, Inc. Proposal dated November 16, 2015 attached hereto as Exhibit "1", to meet National Fire Protection Association standards.

- (b) The time, manner and place for performance of such services shall be:

Term: The term of this Contract shall be effective commencing on the last date the Contract is signed by the Parties and shall continue until April 30, 2016.

Manner and Place: As outlined in the Ten-8 Fire Equipment, Inc. Proposal dated November 16, 2015 and in a manner as required by all current federal, state, county, and local codes, laws, ordinances and regulations, and with applicable permits and licenses per the City Code of Ordinances.

Time and Essence: Contractor acknowledges that time is of the essence for the Purchase Order(s) issued.

Authorization for Services. This Contract standing alone does not authorize the purchase of any goods or services or require the City to place any orders for goods or service. Authorization for the purchase of goods or services from Contractor under this Contract shall be in the form of written Purchase Order(s) issued and executed by the City. The City reserves the right to contract with other parties for the goods and services contemplated by this Contract, as determined in the City's sole and absolute discretion.

2. City Obligations. In return for the services identified above, the City agrees to compensate Contractor at the unit prices set forth in Exhibit "1", subject to a limit up to but not to exceed Two Hundred Seventy-Four Thousand Four Hundred Fifty-Four and 29/100 Dollars (\$274,454.29) for the term of the contract. The City's obligation to pay Contractor under this Contract is limited to the budgeted amount for the fiscal year approved by the Port Orange City Council for the then current fiscal year. All payments shall be governed by the Local Government Prompt Payment Act as set forth in Sections 218.70 through 218.79, Florida Statutes, as amended.

3. Contract Administration. Skip Irby, the Fire Chief, shall perform contract administration of this Contract. For notice provisions, see the paragraph below entitled "Notice."

4. Termination for Convenience of the City

(a) The parties agree that the City may terminate this Contract, or any work or delivery required hereunder, from time to time either in whole or part, whenever the City Manager of Port Orange shall determine that such termination is in the best interest of the City.

(b) Termination, in whole or in part, shall be effected by delivery of a Notice of Termination signed by the City Manager or his designee, mailed or delivered to the Contractor, and specifically setting forth the effective date of termination.

(c) Upon receipt of such Notice, the Contractor shall:

- (i) cease any further deliveries or work due under this Contract, on the date, and to the extent, which may be specified in the Notice;
- (ii) place no further orders with any subcontractors except as may be necessary to perform that portion of this Contract not subject to the Notice;
- (iii) terminate all subcontracts except those made with respect to contract performance not subject to the Notice;
- (iv) settle all outstanding liabilities and claims which may arise out of such termination, with the ratification of the Finance Director of Port Orange; and
- (v) use best efforts to mitigate any damages which may be sustained by the Contractor as a consequence of termination under this clause.

(d) After complying with the provisions of subparagraph (c), above, the Contractor shall submit a termination claim, in no event later than six (6) months after the effective date of termination, unless one or more extensions of three (3) months each are granted by the Finance Director.

(e) The Finance Director, with the approval of the City Manager, shall pay from the using department's budget, reasonable costs of termination, including a reasonable amount for profit on supplies or services delivered or work completed. In no event shall this amount be greater than the original contract price, reduced by any payments made prior to Notice of Termination, and further reduced by the price of the supplies not delivered or the services not provided. This Contract shall be amended accordingly, and the Contractor shall be paid the agreed amount.

(f) In the event that the parties cannot agree on the whole amount to be paid to the Contractor by reason of termination under this clause, the Finance Director shall pay the Contractor the amounts determined as follows, without duplicating any amounts which may have already been paid under the preceding paragraph of this clause:

- (i) With respect to all Contract performance prior to the effective date of Notice of Termination, the total of:
 - (1) the cost of work performed or supplies delivered;
 - (2) the cost of settling and paying any reasonable claims as provided in paragraph (c) (iv), above;
 - (3) a sum as profit on (a) determined by the Finance Director to be fair and reasonable.
- (ii) The total sum to be paid under (i) above shall not exceed the contract price, as further reduced by the contract price of work or supplies not terminated.

(g) In the event that the Contractor is not satisfied with any payments which the Finance Director shall determine to be due under this clause, the Contractor may appeal any claim to the City Council in accordance with Paragraph 19 of this contract concerning disputes.

5. Termination for Convenience for Subcontractors. In accordance with the termination for the convenience of the City provision of this contract, the Contractor shall include similar provisions in any subcontract, and shall specifically include a requirement that subcontractors make all reasonable efforts to mitigate damages which may be suffered. Failure to include such provisions shall bar the Contractor from any recovery from the City whatsoever of loss or damage sustained by a subcontractor as a consequence of termination for convenience.

6. Termination for Default. Either party may terminate this Contract, without further obligation, for the default of the other party or its agents or employees with respect to any agreement or provision contained herein. Either party may terminate this Contract, without further obligation, for the default of the other party or its agents or employees with respect to any agreement or provision contained herein.

7. Examination of Records

(a) The Contractor agrees that the City, or any duly authorized representative, shall, until the expiration of five (5) years after final payment hereunder, have access to and the right to examine and copy any pertinent books, documents, papers and records of the Contractor involving transactions related to this Contract.

(b) The Contractor further agrees to include in any subcontract for more than \$10,000 entered into as a result of this Contract, a provision to the effect that the subcontractor agrees that the City or any duly authorized representative shall, until the expiration of five (5) years after final payment under the subcontract, have access to and the right to examine and copy any pertinent books, documents, papers and records of such contractor involved in transactions related to such subcontract, or this Contract. The term subcontract as used herein shall exclude purchase orders for public utility services at rates established for uniform applicability to the general public.

(c) The period of access provided in subparagraphs (a) and (b) above for records, books, documents and papers which may relate to any arbitration, litigation, or the settlement of claims arising out of the performance of this contract or any subcontract shall continue until any appeals, arbitration, litigation or claims shall have been finally disposed of.

8. Public Records Compliance. Contractor shall comply with public records laws as set forth in Chapter 119, Florida Statutes, and shall specifically:

(a) Keep and maintain public records that ordinarily and necessarily would be required by the City in order to perform the service.

(b) Provide the public with access to public records on the same terms and conditions that the City would provide the records and at a cost that does not exceed the cost provided in Section 119, Florida Statutes, or as otherwise provided by law.

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

(d) Meet all requirements for retaining public records and transfer to the City, at no cost, all public records in possession of the Contractor upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the City in a format that is compatible with the information technology systems of the City.

If Contractor does not comply with a public records request, the City shall enforce the contract provisions in accordance with the contract.

9. Termination for Non-Appropriation of Funds

(a) If funds are not appropriated for any succeeding fiscal years subsequent to the one in which this contract is entered into, for the purpose of this Contract, then the City may terminate this Contract upon thirty (30) days prior written notice to the Contractor. Should termination be accomplished in accordance with this Section, the City shall be liable only for payments due through the date of termination.

(b) The City agrees that should it terminate in accordance with this Section, it shall not obtain services which are substantially equal to or similar to those for which this contract was entered into. This provision shall survive any termination of the Contract.

10. Insurance. Contractor shall maintain insurance during the life of this Contract. Contractor shall provide to the City a certificate of insurance identifying the City of Port Orange as an additional insured. For workers' compensation coverage, the bidder's insurance certificate shall include the insurer's waiver of subrogation in lieu of naming the city as an additional insured for workers' compensation.

Policies other than Workers' Compensation shall be issued by insurers licensed and/or duly authorized under Florida Law to do business in the State of Florida and all insuring companies are required to have a minimum rating of "A" in the "Best Key Rating Guide" published by A.M. Best & Company, Inc. Policies for Workers' Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.572. Contractor shall not commence work under this Agreement until the City has received a certificate or certificates of insurance and endorsement evidencing the required insurance. Contractor shall provide the City written notice of cancellation, nonrenewal or any other changes in coverage no later than ten (10) days prior to the effective date of the change.

The City reserves the right to increase insurance coverage as determined for higher risk contracts and shall reimburse the Contractor for the reasonable additional costs of increased coverage.

11. Assignability of Contract. Neither this contract, nor any part hereof, may be assigned by the Contractor to any other party without the express written approval of the City Council.

12. Modifications or Changes to this Contract

(a) Change Orders. The Department Head, with the concurrence of the City's signatory as required by the City's Purchasing Policy, shall without notice to any sureties, have the authority to order changes in this Contract which affect the cost or time of performance. Such changes shall be ordered in writing specifically designated to be a change order. Such orders shall be limited to reasonable changes in the services to be performed or the time of the performance. The City will not be held liable for any changes which have not been properly authorized and approved in accordance with this Contract.

(b) If any change under this clause causes an increase or decrease in Contractor's cost of, or time required for the performance of the work hereunder, Contractor shall receive an equitable adjustment in accordance with subparagraph (d), which shall include all compensation to the Contractor, or the City, of any kind in connection with such change, including all costs and damages related to or incidental to such change.

(c) Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(d) No claim for changes ordered hereunder shall be considered if made after final payment in accordance with the Contract.

13. Sovereign Immunity. The City expressly retains all rights, benefits and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Notwithstanding anything set forth in any section of this Contract to the contrary, nothing in this Contract shall be deemed as a waiver of immunity or limits of liability of the City beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature or may be adopted by the Florida Legislature and the cap on the amount and liability of the City for damages regardless of the number or nature of claims in tort or equity shall not exceed the dollar amount set by the legislature for tort. Nothing in this Contract shall inure to the benefit of any third party for the purpose of allowing any claim against the City which would otherwise be barred under the Doctrine of Sovereign Immunity or operation of law.

14. Warranties. Contractor warrants that (1) the supplies to be provided to the City pursuant to this Contract are fit and sufficient for the purpose intended; (2) the supplies are merchantable, of good quality, and free from defects, whether patent or latent, in material or workmanship, and (3) the supplies sold to the City pursuant to this Contract conform to the standards required by this Contract.

Contractor further warrants that Contractor has title to the supplies provided, and that the supplies are free and clear of all liens encumbrances, and security interests. All warranties made in this Contract, together with service warranties and guarantees, shall run to the City and its successors and assigns.

15. Additional Warranties. Contractor further expressly warrants that materials and workmanship are warranted from defect for a one-year period. This is a minimum acceptable warranty.

16. Inspection

(a) All supplies (which term throughout this clause includes without limitation raw materials, components, intermediate assemblies, and their products) shall be subject to inspection and test by the City, to the extent practicable at all times and places including the place of manufacturer, and in any event prior to acceptance.

(b) In the event any supplies or lots of supplies are defective in material or workmanship, or otherwise not in conformity with the requirements of this Contract, the City shall have the right either to reject them (with or without instructions as to their disposition) or to require their correction. Supplies or lots of supplies which have been rejected or required to be corrected shall be removed or, if permitted or required by the Finance Director, corrected in place by and at the expense of Contractor promptly after notice, and shall not thereafter be tendered for acceptance unless the former rejection or requirement of correction is disclosed. If Contractor fails promptly to remove such supplies or lots of supplies which are required to be removed or promptly to replace or correct such supplies or lots of supplies, the City may either (i) by contract or otherwise replace or correct such supplies and charge Contractor the cost for such replacement or correction; or (ii) may terminate this Contract for default as provided in the clause of this Contract entitled "Termination for Default." Unless Contractor corrects or replaces such supplies within the delivery schedule, the Finance Director may require the delivery of such supplies at a reduction in price, which is equitable under the circumstances. Acceptance or rejection of the supplies shall be made as promptly as practicable after delivery, except as otherwise provided in this Contract. Failure to inspect and accept or reject supplies shall neither relieve Contractor from responsibility for such supplies as are not in accordance with the Contract requirements nor impose liability on the City therefor.

(c) The inspection and test by the City of any supplies or lots thereof does not relieve Contractor from any responsibility regarding defects or other failures to meet the Contract requirements, which may be discovered prior to acceptance. Except as otherwise provided in this Contract, acceptance shall be conclusive except as regards latent defects, fraud, or such gross mistakes as amount to fraud.

17. Liability for Loss or Damage. Contractor shall be liable for any loss of, or damage to, City property caused by the negligence, recklessness, or intended wrongful misconduct of Contractor, his/its agents, servants and employees and shall indemnify and save the City harmless against all actions, proceedings, claims, demands, costs, damages and expenses, including attorney's fees, by reason of any suit or action brought for any actual or alleged injury to or death of any person or damage to property other than City property, resulting from the performance of the Contract by Contractor, his/its agents, servants and employees. Contractor shall submit a full written report to the Finance Director within twenty-four (24) hours following the occurrence of such damage, loss or injury.

18. Non-discrimination. During the performance of this Contract, Contractor agrees as follows:

(a) Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, disability, marital status, age or national origin, except where such is a bona-fide occupational

qualification reasonably necessary to the normal operation of Contractor. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause. Contractor agrees and fully supports and complies with the Americans with Disabilities Act of 1990.

(b) Contractor shall state in all solicitations or advertisements for employees placed by or on behalf of Contractor that Contractor is an equal opportunity employer.

(c) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient compliance with this provision. Contractor shall include the provisions of the foregoing subparagraphs (a), (b), and (c) in every subcontract or purchase order of over \$10,000 so that the provisions will be binding upon each subcontractor or vendor.

19. Disputes. The Finance Director, who shall reduce his decision to writing and mail or otherwise furnish a copy thereof to Contractor, shall decide disputes with respect to this Contract in the first instance. The decision shall be final and binding unless, within thirty-(30) days from the date of such decision, Contractor mails or otherwise furnishes to the Finance Director a written appeal addressed to the City Manager. The decision by the City Manager shall be final and binding unless, within ten (10) days from the date of receipt of the decision of the City Manager, appeal is made to the City Council. The decision of the City Council shall be final and binding unless set aside by a court of competent jurisdiction as fraudulent, capricious, arbitrary, or so grossly erroneous as necessary to imply bad faith, or not to be supported by any evidence. Pending a final determination of a properly appealed decision of the Finance Director, Contractor shall proceed diligently with the performance of this Contract in accordance with that decision.

20. Force Majeure. Neither party shall be liable for any delay in performance or failure to perform any obligation hereunder if, and to the extent that, such failure or delay is caused by an event of Force Majeure. Force Majeure shall mean any act, event or condition that is beyond the party's reasonable control, that materially and adversely affects the party's ability to perform its obligations hereunder, and that is not the result of the party's willful neglect, error, omission or failure to exercise reasonable due diligence.

21. Controlling Law. **THIS AGREEMENT CONTAINS IMPORTANT MATTERS AFFECTING LEGAL RIGHTS AND IS ACCEPTED AND ENTERED INTO IN FLORIDA AND ANY QUESTION REGARDING ITS VALIDITY, CONSTRUCTION, ENFORCEMENT, OR PERFORMANCE SHALL BE GOVERNED BY FLORIDA LAW. ANY LEGAL PROCEEDING ARISING FROM OR IN ANY WAY REGARDING THE AGREEMENT SHALL HAVE ITS VENUE LOCATED EXCLUSIVELY IN THE CIRCUIT COURT OF VOLUSIA COUNTY, FLORIDA, AND THE PARTIES HEREBY EXPRESSLY CONSENT AND SUBMIT THEMSELVES TO THE PERSONAL JURISDICTION AND VENUE OF THE COURT.**

22. Additional Provisions. This Contract includes all additional provisions as may have been outlined in Exhibit "1" and any attachments or exhibits to this Contract whether delivered herewith or subsequently approved as a part hereof, such as drawings or technical specifications prepared in the performance of this work.

23. Integration. This Contract and the documents incorporated herein by reference shall constitute the whole agreement between the parties. There are no promises, terms, conditions, or obligations other than those contained herein, and this Contract shall supersede all previous communications, representations, or agreements, written or verbal, between the parties hereto.

24. Notice. For purposes of this agreement, notices shall be sent as follows:

CITY COUNCIL AGENDA ITEM

REQUESTED COUNCIL MEETING DATE 12/08/2015

Consent item: Yes

SUBJECT: Piggyback Agreement and spending authorization under Volusia County Bid #14-B-127KW for Cummins Power South

DEPARTMENT: Public Utilities

GOAL: 1 - Infrastructure Preservation

OBJECTIVE: 4 - Enhance the infrastructure maintenance programs in order to extend the full life of capital investments

RECOMMENDED MOTION: Move to approve the Piggyback Agreement and spending authorization for Cummins Power South, in an amount not to exceed \$66,463.82 per fiscal year and authorization for city manager approved renewals contingent upon budgetary funding for successive fiscal years; and to authorize the Mayor and City Clerk to execute all required contract documents.

SUMMARY: Volusia County competitively bid Generator Maintenance and Repair under Bid B14-B-127KW. On September 18, 2014, Volusia County entered into a Master Agreement with Cummins Power South for an initial three (3) year term with the option for two (2) subsequent one (1) year renewals. All renewals will be contingent upon mutual written agreement. Per the Volusia County bid documents allows for any agency to participate in this Master Agreement under the same prices, terms, and conditions.

Cummins Power South has provided a pricing breakdown for the City's generator annual maintenance. The City wide annual maintenance will be in the amount not to exceed \$33,431.24. We are requesting and additional \$33,032.58 to cover any generator repair or emergency that should arise. The Piggyback Agreement will be for city-wide annual amount not to exceed \$66,463.82 per fiscal year.

Planned Maintenance Terms and Conditions

The prices quoted are good for 90 days from quote date. All prices are in US Dollars and are payable in advance unless other terms are agreed upon in writing between the customer and Cummins Power South. Applicable sales taxes are not included in the quoted prices.

Payment terms for customers with an approved Cummins Power South credit account are Net 30 with 1-1/2% interest accruing per month. Any costs incurred by Cummins Power South, for collection of customer debt will be passed to the customer. Cummins Power South retains the right to bring suit in Clayton County, Georgia should the customer default.

At Cummins Power South, we are dedicated to the long term health and safety of our employees, our customers and to the environment in which we live. All work will be performed with a high regard for safety and in compliance with all local and federal safety/environmental requirements. Safe access must be provided and maintained to all equipment being serviced by the equipment owner.

Services will be provided only on the equipment identified in this agreement. The services included are defined in the Service Events section of this agreement. The full service event price includes materials, labor, travel time and mileage. Materials consist of lubricating oil, filters, fuel oil filters, coolant filters and up to two gallons of coolant. No other work, materials or activities are included in this agreement. If additional work is required, our technicians will advise the customer of these requirements before any work is initiated. Additional repairs will be billed at our current field service rates.

The term of this Agreement is one year and will automatically renew with up to a 5% increase in parts and labor prices for each renewal term unless either party gives 30 days notice of cancellation before the end of the then current term.

Limited warranties apply for select parts and service as defined by the respective component Manufacturer's Limited Warranties or by Cummins Power South's Limited Service Warranty. No other warranties apply. In no event is Cummins Power South liable for incidental or consequential damages caused by products or services that we supply.

THIS FORM MUST BE COMPLETED AND RETURNED WITH YOUR RESPONSE GENERAL CONDITIONS AND INSTRUCTIONS **** PLEASE READ CAREFULLY ****		
Individuals covered by the Americans with Disabilities Act of 1990 in need of accommodations to attend public openings or meetings sponsored by the Volusia County Purchasing and Contracts Division shall contact the County's ADA Coordinator at 386-248-1760, at least two (2) business days prior to the scheduled opening or meeting.		
1. SUBMISSION OF OFFERS: All offers shall be submitted in a sealed envelope or package. The invitation number, title, and opening date shall be clearly displayed on the outside of the sealed envelope or package. The delivery of responses to the Volusia County Purchasing and Contracts Division Office prior to the specified date and time is solely and strictly the responsibility of the offeror. Any submittal received in the Purchasing and Contracts Division Office after the specified date and time will not be considered. Responses shall be submitted on forms provided by the County. Additional information may be attached to the submittal. Facsimile submissions are NOT acceptable. No offer may be modified after acceptance. No offer may be withdrawn after opening for a period of ninety (90) days unless otherwise specified. 2. EXECUTION OF OFFER: Offer shall contain a manual signature in the space(s) provided of a representative authorized to legally bind the offeror to the provisions therein. All spaces requesting information from the offeror shall be completed. Responses shall be typed or printed in ink. Use of erasable ink or pencil is not permitted. Any correction made by the offeror to any entry must be initialed. 3. OPENING: Opening shall be public in the Volusia County Purchasing and Contracts Division immediately following the advertised deadline date and time for receipt of submittals. Pursuant to Section 119.07(3) (f) Florida Statutes (1991) no further information regarding offers submitted will be made public until such time of intended award or thirty (30) days, whichever is earlier. 4. PUBLIC RECORD: The County of Volusia, Florida, is governed by the Public Record Law, Chapter 119, Florida Statutes. 5. CLARIFICATION/CORRECTION OF ENTRY: The County of Volusia reserves the right to allow for the clarification of questionable entries and the correction of OBVIOUS MISTAKES.	6. INTERPRETATION/ADDENDA: Any questions concerning conditions and specifications shall be directed to the designated contact person. Those interpretations which may affect the eventual outcome of the invitation/offer shall be furnished in writing to prospective offerors. No interpretation shall be considered binding unless provided in writing by the County of Volusia Purchasing and Contracts Division in the form of an addendum. Any addenda issued shall be acknowledged by signature and returned with offeror's response. Failure to acknowledge addenda may result in the offer not being considered. 7. INCURRED EXPENSES: This invitation does not commit the County to make an award nor shall the County be responsible for any cost or expense which may be incurred by any Bidder in preparing and submitting a reply, or any cost or expense incurred by any Bidder prior to the execution of a purchase order or Contract/Agreement. 8. DISADVANTAGED BUSINESSES: The County of Volusia, Florida, has adopted policies which assure and encourage the full participation of Disadvantaged Business Enterprises (DBE) in the provision of goods and services. 9. LOCAL BUSINESSES: The County Council has established a policy to encourage participation of local businesses in the provision of goods and services. The County will endeavor to assist local businesses to achieve this goal. A. General Conditions Local Businesses: A prime contractor or subcontractor duly licensed and authorized to engage in the particular business in Flagler, Lake, Orange, Osceola, Seminole or Volusia County, Florida, and holds a valid local business tax receipt for that place of business for a minimum six (6) months prior to the date of submittal of the Bid or quote to the County.

10. **PRICING:** Unless otherwise specified prices offered shall remain firm for a period of at least ninety (90) days; all pricing of goods shall include FOB DESTINATION, all packing, handling, shipping charges and delivery to any point(s) within the County to a secure area or inside delivery; all prices of services shall include all expenses necessary to provide the service at the location specified.
11. **ADDITIONAL TERMS & CONDITIONS:** The County of Volusia reserves the right to reject offers containing terms or conditions contradictory to those requested in the invitation specifications.
12. **TAXES:** The County of Volusia is exempt from Federal Excise Taxes and all sales taxes. Florida State Exemption Certificate No. 85-8012622393C-9.
13. **DISCOUNTS:** All discounts except those for prompt payment shall be considered in determining the lowest net cost for evaluation purposes.
14. **MEETS SPECIFICATIONS:** The offeror represents that all offers to this invitation shall meet or exceed the minimum requirements specified.
15. **BRAND NAME OR EQUAL:** If items requested by this invitation have been identified in the specifications by a Brand Name "OR EQUAL" description, such identification is intended to be descriptive and not restrictive and is to indicate the quality and characteristics of products that will be acceptable. Offers proposing "equal" products will be considered for award if such products are clearly identified in the offer and are determined by the County to meet fully the salient characteristic requirements listed in the specifications.

Unless the offeror clearly indicates in his/her offer that he/she is proposing an "equal" product, the offer shall be considered as offering the same brand name product referenced in the specifications.

If the offeror proposes to furnish an "equal" product, the brand name of the product to be furnished shall be clearly identified. The evaluation of offers and the determination as to equality of the product offered shall be the responsibility of the County and will be based on information furnished by the offeror. The Purchasing and Contracts Division is not responsible for locating or securing any information which is not identified in the response and reasonably available to the Purchasing and Contracts Division. To insure that sufficient information is available the offeror shall furnish as part of the response all descriptive material necessary for the Purchasing and Contracts Division to determine whether the product offered meets the salient characteristics required by the specifications and establish exactly what the offeror proposes to furnish and what the County would be binding itself to purchase by making an award.
16. **SAMPLES:** When required, samples of products shall be furnished with response to the County at no charge. Samples may be tested and will not be returned to the offeror. The result of any and all testing shall be made available upon written request.
17. **SILENCE OF SPECIFICATIONS:** The apparent silence of these specifications or any supplemental specifications as to details or the omission from same of any detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail and that only materials of first quality and correct type, size, and design are to be used. All workmanship shall be first quality. All interpretations of specifications shall be made upon the basis of this statement.
18. **GOVERNING LAWS:** Any Agreement to purchase resulting from this invitation shall be governed by the laws, regulations, and ordinances of the State of Florida and the County of Volusia, Florida. Venue shall be non-jury in the Circuit Court of Volusia County, Florida.
19. **ASSIGNMENT:** Any agreement to purchase issued pursuant to this invitation and award thereof and the monies which may become due hereunder are not assignable except with the prior written approval of the County Director of Purchasing and Contracts.
20. **CONTENT OF INVITATION/RESPONSE:** The contents of this invitation, all terms, conditions, specifications, and requirements included herein and the accepted and awarded response thereto may be incorporated into an agreement to purchase and become legally binding. Any terms, conditions, specifications, and/or requirements specific to the item or service requested herein shall supersede the requirements of the "GENERAL CONDITIONS AND INSTRUCTIONS."
21. **LIABILITY:** The supplier/provider shall hold and save the County of Volusia, its officers, agents, and employees harmless against claims by third parties resulting from breach of contract or negligence by the supplier/provider.
22. **PATENTS, COPYRIGHT, AND ROYALTIES:** The supplier/provider, without exception, shall indemnify and save harmless the County of Volusia, its officers, agents and employees from liability of any nature of kind, including cost and expenses for or on account of any copyrighted, registered, patented, or unpatented invention, process, or article manufactured or used in the provision of goods and/or services, including use by the County of Volusia. If the supplier/provider uses any design, device, or materials covered by letters, patent, copyright, or registration, it is mutually agreed and understood without exception that the quoted price shall include all royalties or costs arising from the use of such design, device, or materials in any way involved.
23. **TRAINING:** Unless otherwise specified suppliers/providers may be required at the convenience of and at no expense to the County to provide training to County personnel in the operation and maintenance of any item purchased as a result of this invitation.
24. **ACCEPTANCE:** Products purchased as a result of this invitation may be tested for compliance with specifications. Items delivered not conforming to specifications may be rejected and returned at Bidder's expense. Those items and items not delivered by the delivery date specified in accepted offer and/or purchase order may be purchased on the open market. Any increase in cost may be charged against the Bidder.
25. **SAFETY WARRANTY:** Any awarded supplier/provider including dealers, distributors, and/or manufacturers shall be responsible for having complied with all Federal, State, and local standards, regulations, and laws concerning the product or service specified, and the use thereof, applicable and effective on the date of manufacture or use or date in service including safety and environmental standards as apply to both private industry and governmental agencies.
26. **WARRANTY:** The offeror agrees that, unless otherwise specified, the product and/or service furnished as a result of this invitation and award thereto shall be covered by the most favorable commercial warranty the offeror gives to any customer for comparable quantities of such products and/or services and that the right and remedies provided herein are in addition to and do not limit any rights afforded to the County of Volusia by any other provision of the invitation/offer.
27. **AWARD:** As the best interest of the County may require, the County reserves the right to make award(s) by individual item, group of items, all or none, or a combination thereof; on a geographical basis and/or on a countywide basis with one or more supplier(s) or provider(s); to reject any and all offers or waive any irregularity or technicality in offers received. Offerors are cautioned to make no assumptions unless their offer has been evaluated as being responsive. Any or all award(s) made as a result of this invitation shall conform to applicable ordinances of the County of Volusia, Florida.
28. **VIOLATIONS:** Any violation of any of the stipulations, terms, and/or conditions listed and/or included herein may result in the offeror/Bidder being removed from the County Bid list and the offeror/Bidder being disqualified from doing business with the County for a period of time to be determined on a case-by-case basis.
29. For purposes of this Invitation and evaluation of responses hereto the following shall apply: unit prices shall prevail over extended prices; written matter shall prevail over typed matter; numbers spelled in word form shall prevail over Arabic numerals ("one" over "1"). When not inconsistent with context words used in the present tense include the future, words in the plural number include the singular number, and words in the singular number include the plural number. The word "shall" is always mandatory and not merely directory.
30. **DEFINITIONS:**

COUNTY – The term "County" herein refers to the County of Volusia, Florida, and its duly authorized representatives and any jurisdiction within Volusia County.

OFFEROR – The term "offeror" used herein refers to any dealer, manufacturer, representative, distributor, or business organization submitting an offer to the County in response to this invitation.

BIDDER – The term "Bidder" used herein refers to any dealer, manufacturer, representative, distributor, or business organization that will be or has been awarded a contract and/or purchase order pursuant to the terms and conditions of the invitation and accepted offer.

USING AGENCY – The term "using agency" used herein refers to any department, division, agency, commission, board, committee, authority, or another unit in the County government using supplies or procuring contractual services as provided for in the Purchasing Ordinance of the County of Volusia, Florida.

HEAVY DUTY – The item(s) to which the term "Heavy Duty" is applied shall exceed the usual quality and/or capacity supplied with standard production equipment and shall be able to withstand unusual strain, exposure, temperature, wear and use.

**THE COUNTY OF VOLUSIA RESERVES THE RIGHT TO REJECT ANY OR ALL OFFERS,
TO WAIVE INFORMALITIES, AND TO ACCEPT ALL OR ANY PART OF ANY OFFER
AS MAY BE DEEMED TO BE IN THE BEST INTEREST OF THE COUNTY**

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
- I am a U.S. citizen or other U.S. person (defined below), and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 3.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. The IRS has created a page on IRS.gov for information about Form W-9, at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the

withholding tax on foreign partners' share of effectively connected income, and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

9.0 HOLD HARMLESS AGREEMENT

N/A

I, _____, (*print owner's name*), am the owner of _____ (*print company name*), an incorporated / unincorporated business operating in the State of Florida. As such, I am bound by all laws of the state of Florida, including but not limited to those regarding the workers' compensation law.

I hereby affirm that I or [the above-named business] employs fewer than four employees, all of whom are listed below, including myself, and therefore, the business is exempt from the statutory requirement for workers' compensation insurance for its employees. I certify that I will provide the County of Volusia with the name of each new employee together with all required waivers and releases for each prior to any employee being allowed to work to provide services under the contract set forth below. If any such employee is allowed to work without a signed waiver and release, such action will be a material breach of this Agreement. All signed waivers and releases shall be furnished before the commencement of any work by an employee or the undersigned to the County Project Manager or designated county representative.

On _____, 20____, the County of Volusia and I or [the above-named business] entered into a contract for _____ (*please insert name of contract*), (hereinafter "Agreement") which is incorporated by reference herein.

On behalf of myself, my business, and the employees listed below, I and they hereby agree to waive and release any and all workers' compensation claims or liens under Chapter 440, Florida Statutes, against the County of Volusia and its agents, officials and employees, arising from any work or services provided under the Agreement whether or not it shall be alleged or determined that the act was caused by intention, or through negligence or omission of the County of Volusia or its agents, officials and employees or subcontractors.

In the event that a workers' compensation claim or lien is made against the County of Volusia and/or its agents, officials or employees by myself or my employees or agents as a result of any work or services performed under the Agreement, I agree to indemnify, keep and hold harmless the County of Volusia, Florida, its agents, officials and employees, against all injuries, deaths, losses, damages, claims, liabilities, judgments, costs and expenses, direct, indirect or consequential (including, but not limited to, fees and charges of attorneys and other professionals) arising out of the Agreement with the County of Volusia, whether or not it shall be alleged or determined that the act was caused by intention or through negligence or omission of the County of Volusia or its employees, agents, or subcontractors. I or the above-named business shall pay all charges of attorneys and all costs and other expenses incurred in connection with the indemnity provided herein, and if any judgment shall be rendered against the County of Volusia in any action indemnified hereby, I or the above-named business shall, at my or its own expense, satisfy and discharge the same. The foregoing is not intended nor should it be construed as, a waiver of sovereign immunity of the COUNTY OF VOLUSIA under Section 768.28, Florida Statutes.

12.0 DRUG-FREE WORK PLACE

The undersigned firm, in accordance with Florida statute 287.087, hereby certifies that

Cummins Power South does:
(Name of Firm)

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are proposed a copy of the statement specified in subsection (1).
4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under proposal, the employee will propose by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.

CONTINUED ON NEXT PAGE

- 10. PRICING:** Unless otherwise specified prices offered shall remain firm for a period of at least ninety (90) days; all pricing of goods shall include FOB DESTINATION, all packing, handling, shipping charges and delivery to any point(s) within the County to a secure area or inside delivery; all prices of services shall include all expenses necessary to provide the service at the location specified.
- 11. ADDITIONAL TERMS & CONDITIONS:** The County of Volusia reserves the right to reject offers containing terms or conditions contradictory to those requested in the invitation specifications.
- 12. TAXES:** The County of Volusia is exempt from Federal Excise Taxes and all sales taxes. Florida State Exemption Certificate No. 85-8012622393C-9.
- 13. DISCOUNTS:** All discounts except those for prompt payment shall be considered in determining the lowest net cost for evaluation purposes.
- 14. MEETS SPECIFICATIONS:** The offeror represents that all offers to this invitation shall meet or exceed the minimum requirements specified.
- 15. BRAND NAME OR EQUAL:** If items requested by this invitation have been identified in the specifications by a Brand Name "OR EQUAL" description, such identification is intended to be descriptive and not restrictive and is to indicate the quality and characteristics of products that will be acceptable. Offers proposing "equal" products will be considered for award if such products are clearly identified in the offer and are determined by the County to meet fully the salient characteristic requirements listed in the specifications.
- Unless the offeror clearly indicates in his/her offer that he/she is proposing an "equal" product, the offer shall be considered as offering the same brand name product referenced in the specifications.
- If the offeror proposes to furnish an "equal" product, the brand name of the product to be furnished shall be clearly identified. The evaluation of offers and the determination as to equality of the product offered shall be the responsibility of the County and will be based on information furnished by the offeror. The Purchasing and Contracts Division is not responsible for locating or securing any information which is not identified in the response and reasonably available to the Purchasing and Contracts Division. To insure that sufficient information is available the offeror shall furnish as part of the response all descriptive material necessary for the Purchasing and Contracts Division to determine whether the product offered meets the salient characteristics required by the specifications and establish exactly what the offeror proposes to furnish and what the County would be binding itself to purchase by making an award.
- 16. SAMPLES:** When required, samples of products shall be furnished with response to the County at no charge. Samples may be tested and will not be returned to the offeror. The result of any and all testing shall be made available upon written request.
- 17. SILENCE OF SPECIFICATIONS:** The apparent silence of these specifications or any supplemental specifications as to details or the omission from same of any detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail and that only materials of first quality and correct type, size, and design are to be used. All workmanship shall be first quality. All interpretations of specifications shall be made upon the basis of this statement.
- 18. GOVERNING LAWS:** Any Agreement to purchase resulting from this invitation shall be governed by the laws, regulations, and ordinances of the State of Florida and the County of Volusia, Florida. Venue shall be non-jury in the Circuit Court of Volusia County, Florida.
- 19. ASSIGNMENT:** Any agreement to purchase issued pursuant to this invitation and award thereof and the monies which may become due hereunder are not assignable except with the prior written approval of the County Director of Purchasing and Contracts.
- 20. CONTENT OF INVITATION/RESPONSE:** The contents of this invitation, all terms, conditions, specifications, and requirements included herein and the accepted and awarded response thereto may be incorporated into an agreement to purchase and become legally binding. Any terms, conditions, specifications, and/or requirements specific to the item or service requested herein shall supersede the requirements of the "GENERAL CONDITIONS AND INSTRUCTIONS."
- 21. LIABILITY:** The supplier/provider shall hold and save the County of Volusia, its officers, agents, and employees harmless against claims by third parties resulting from breach of contract or negligence by the supplier/provider.
- 22. PATENTS, COPYRIGHT, AND ROYALTIES:** The supplier/provider, without exception, shall indemnify and save harmless the County of Volusia, its officers, agents and employees from liability of any nature of kind, including cost and expenses for or on account of any copyrighted, registered, patented, or unpatented invention, process, or article manufactured or used in the provision of goods and/or services, including use by the County of Volusia. If the supplier/provider uses any design, device, or materials covered by letters, patent, copyright, or registration, it is mutually agreed and understood without exception that the quoted price shall include all royalties or costs arising from the use of such design, device, or materials in any way involved.
- 23. TRAINING:** Unless otherwise specified suppliers/providers may be required at the convenience of and at no expense to the County to provide training to County personnel in the operation and maintenance of any item purchased as a result of this invitation.
- 24. ACCEPTANCE:** Products purchased as a result of this invitation may be tested for compliance with specifications. Items delivered not conforming to specifications may be rejected and returned at Bidder's expense. Those items and items not delivered by the delivery date specified in accepted offer and/or purchase order may be purchased on the open market. Any increase in cost may be charged against the Bidder.
- 25. SAFETY WARRANTY:** Any awarded supplier/provider including dealers, distributors, and/or manufacturers shall be responsible for having complied with all Federal, State, and local standards, regulations, and laws concerning the product or service specified, and the use thereof, applicable and effective on the date of manufacture or use or date in service including safety and environmental standards as apply to both private industry and governmental agencies.
- 26. WARRANTY:** The offeror agrees that, unless otherwise specified, the product and/or service furnished as a result of this invitation and award thereto shall be covered by the most favorable commercial warranty the offeror gives to any customer for comparable quantities of such products and/or services and that the right and remedies provided herein are in addition to and do not limit any rights afforded to the County of Volusia by any other provision of the invitation/offer.
- 27. AWARD:** As the best interest of the County may require, the County reserves the right to make award(s) by individual item, group of items, all or none, or a combination thereof; on a geographical basis and/or on a countywide basis with one or more supplier(s) or provider(s); to reject any and all offers or waive any irregularity or technicality in offers received. Offerors are cautioned to make no assumptions unless their offer has been evaluated as being responsive. Any or all award(s) made as a result of this invitation shall conform to applicable ordinances of the County of Volusia, Florida.
- 28. VIOLATIONS:** Any violation of any of the stipulations, terms, and/or conditions listed and/or included herein may result in the offeror/Bidder being removed from the County Bid list and the offeror/Bidder being disqualified from doing business with the County for a period of time to be determined on a case-by-case basis.
- 29.** For purposes of this Invitation and evaluation of responses hereto the following shall apply: unit prices shall prevail over extended prices; written matter shall prevail over typed matter; numbers spelled in word form shall prevail over Arabic numerals ("one" over "1"). When not inconsistent with context words used in the present tense include the future, words in the plural number include the singular number, and words in the singular number include the plural number. The word "shall" is always mandatory and not merely directory.
- 30. DEFINITIONS:**
COUNTY – The term "County" herein refers to the County of Volusia, Florida, and its duly authorized representatives and any jurisdiction within Volusia County.
OFFEROR – The term "offeror" used herein refers to any dealer, manufacturer, representative, distributor, or business organization submitting an offer to the County in response to this invitation.
BIDDER – The term "Bidder" used herein refers to any dealer, manufacturer, representative, distributor, or business organization that will be or has been awarded a contract and/or purchase order pursuant to the terms and conditions of the invitation and accepted offer.

The purpose of this Invitation to Bid (ITB) is to solicit competitive sealed Bids to furnish
Generator Maintenance and Repair for the County of Volusia, Florida.

1.0 SCOPE OF WORK

The County of Volusia is seeking competitive bids for onsite repair and maintenance of Volusia County's emergency stand-by generators and transfer switches on an as-needed basis. Contractor(s) shall be trained, certified and authorized by the manufacturer to perform maintenance and repairs on the brands of generators and transfer switches for which the Bidder submits bids. Bidders are not required to bid on all manufacturers listed in Attachment A – Price Sheet. It is anticipated that the County will award to multiple Contractor(s).

1.1 General Requirements

- A. Bidders shall have a minimum of five (5) consecutive years prior experience with the specific system(s) listed in Attachment A – Price Sheet for which they are submitting a bid. Documentation of training and authorization by the system's manufacturer(s) work on specific systems shall be included with each Bid submittal. Additionally, Bidders shall be qualified as an approved supply channel to the system's manufacturer(s).
- B. Bidders shall have a manufacturer approved maintenance facility located not more than two (2) hours normal travel time from the Daytona Beach area. The name and physical location of this facility shall be included with Bid submittals. This facility shall stock factory-authorized parts, tools and equipment and shall have the staff with the technical experience to provide services professionally and expeditiously. Volusia County reserves the right to visit the maintenance facility prior to award.

1.2 Contractor's Responsibilities

- A. Contractor(s) shall provide a wipe-cleaning of the work environment, equipment housings and equipment rooms after all provided work.
- B. Contractor(s) shall continuously adhere to all manufacturer and code required checkout procedures for installation, maintenance, startup, commissioning and operation of any system or system equipment.
- C. Contractor(s) shall keep all work areas clean and free from all debris and rubbish, to the most reasonable extent possible. The Bidder shall remove all debris and rubbish from the work area daily and shall maintain the work area in a broom clean condition.
- D. Contractor(s) shall immediately notify the County Project Manager when a system is removed from, or returned to, service.
- E. Prior to final inspection and/or acceptance of work performed, Contractor(s) shall provide a thorough broom, vacuum and wipe of all equipment panels and exposed access terminals. The purpose of this cleaning shall be specifically to remove hazards

and debris from the active contact points of equipment and connecting cords and sockets. Contractor(s) shall provide a visual inspection of the work area to ensure that no equipment or safety hazards exist.

- F. Contractor(s) shall perform the services on site at the Volusia County location where the generator is located, unless otherwise agreed to by the County Project Manager.
- G. Contractor(s) shall warrant that all repairs provided as part of the services shall be free of defects in materials and workmanship for a period of one (1) year from the date of completion of each repair.

1.3 Billing and Payment

- A. For purposes of Attachment A – Price Sheet, regular time shall be defined as Monday through Friday, 8:00 a.m. to 5:00 p.m., overtime shall be defined as nights and weekends and holidays shall be defined as County recognized holidays only.
- B. In order for payments to be processed in a timely manner, invoices shall be sent to the ordering department. It shall be the Contractor's responsibility to obtain the name and signature of the County employee as well as the correct department and invoicing address for each order. Each County division shall have the option of requesting weekly or monthly invoicing, in addition to per-order invoicing.

To be considered, a Bid must be received and accepted in the Purchasing and Contracts Office before the Bid closing date and time.

2.4 Public Bid Opening

- A. Pursuant to Section 119.071, Florida Statutes, Bids or proposals (“responses”) and the completed tabulation will be available for inspection within thirty (30) days of response opening. Contact the Purchasing and Contracts Office during regular business hours to inspect responses and the completed tabulation or go to <http://vcservices.vcgov.org/bidlistnet1/> for inspection of the completed tabulation. The foregoing notwithstanding, if, prior to the County’s making responses available for inspection, the County rejects all responses and concurrently provides notice of the County’s intent to reissue the solicitation, then the County may avail itself of the exemption for rejected responses set forth in Section 119.071, Florida Statutes, to the extent such Section may apply.
- B. In accordance with the American Disabilities Act and Section 286.26, Florida Statutes, persons with disabilities needing a special accommodation to participate in the proceedings, or an interpreter to participate in any proceedings, should contact the County’s ADA Coordinator at 386-248-1760 for assistance, at least two (2) business days before any meeting date.

Assisted listening system receivers are available for the hearing impaired, and can be obtained from the Deputy Clerk by contacting the County’s ADA Coordinator at 386-248-1760.

Read the [County of Volusia Grievance Procedure](#) under The Americans with Disabilities Act (Title II).

2.5 Public Records

Public Records - § 119.0701, Florida Statutes. Contractor acknowledges that the services and work to be performed pursuant to this Agreement may be performed by the County itself as a political subdivision of the State of Florida, which is subject to the public records requirements of Chapter 119, Florida Statutes and Article I, § 24 of the Florida Constitution. Given the foregoing, the Contractor hereby agrees to:

- A. Keep and maintain public records that ordinarily and necessarily would be required by the County to perform the services and work provided pursuant to this Agreement;
- B. Provide the public with access to public records on the same terms and conditions that the County would provide the records and at a cost that does not exceed the

cost provided in Chapter 119, Florida Statutes, or as otherwise may be provided by law;

- C. Ensure that public records that are statutorily exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law;
- D. Meet all requirements for retaining public records and transfer, at no cost, to the County all public records in the possession of the Contractor upon termination of the Agreement and destroy any duplicate public records that are statutorily exempt or confidential and exempt from statutory public records disclosure requirements. For the purposes of complying with this paragraph, all records stored electronically must be provided to the County in a format that is compatible with the information technology systems of the public agency;
- E. In responding to any public records request, Contractor shall (i) notify the County of the request and the Contractor's intentions with regard to such request and (ii) provide the County with copies of all records requested and produced, as well as copies of all correspondence between the Contractor and the requestor. Contractor further agrees not to release any records that are statutorily exempt from disclosure or statutorily confidential and exempt without first receiving prior written authorization from the County, it being understood that the legislature has designated such records exempt or otherwise confidential based upon important public policy or safety reasons.

Contractor shall indemnify the County for and hold the County harmless against any and all claims, damage awards, and causes of action arising from the Contractor's failure to perform or otherwise adhere to the requirements of this Section, including, but not limited to, any third party claims or awards for attorneys fees and costs arising therefrom, claims for negligent disclosure of confidential or exempt records, and claims for failure to produce or otherwise timely produce records subject to disclosure. County shall further be authorized to seek declaratory, injunctive, or other appropriate relief from a court of competent jurisdiction on an expedited basis to enforce the requirements of this Section, it being understood that the maintenance and production of public records is of paramount public importance under Florida law. Regardless of the foregoing, the enumeration of the remedies recited herein shall not be interpreted to limit or otherwise restrict the County from seeking any other appropriate cause of action against or remedy from the Contractor, whether in law or in equity, in the County's enforcement of the requirements of this Section.

2.6 Bid Submittal Form

- A. See *Submittal Requirements* for complete details.
- B. Each Bidder shall submit three (3) complete sets of the Bid Submittal:
 - **One (1)** hard copy marked "ORIGINAL"
 - **One (1)** hard copies marked "COPY"Note: It is not necessary to return every page of the original solicitation document with the hard copies of the Bid Submittal ORIGINAL and

COPY(ies); return only the pages that require signatures or information as detailed in Section 3.0.

- **One (1) COMPLETE** electronic copy on a CD or USB drive in PDF format (Excel spreadsheets shall not be recorded in PDF). The electronic copy of the Bid Submittal shall include all submittal requirements as detailed in Section 3.0.

Note the solicitation number and name of company on the CD or USB drive.

Do not send confidential information, proprietary information, or trade secrets.

- C. Terms and conditions differing from those in this Bid shall be cause for disqualification of the Bid Submittal.
- D. The Invitation to Bid page and the Bid Submittal Form must be signed by an official authorized to legally bind the Bidder to all Bid provisions. The Bid Submittal Form (Section 4.0) shall be signed by an authorized agent of the firm with documentation, such as a Memorandum of Authority, that the individual is authorized to commit the firm to a contract.

2.7 Questions, Exceptions, and Addenda Concerning ITB #14-B-127KW

- A. It is incumbent upon each Bidder to carefully examine this solicitation's specifications, scope of work/service, terms, and conditions. Questions and exceptions concerning any Section of this Bid shall be directed by letter, facsimile transmission or by e-mail to the Procurement Analyst named in 2.7, B, below, who shall be the official point of contact for this Bid. Questions and exceptions shall be submitted no later than fourteen (14) days before the closing date. Thereafter, no further questions or exceptions will be accepted or reviewed by the County and Bidders' right to submit questions or exceptions will terminate and any questions or exceptions not previously made shall be deemed waived. The issuance of a written addendum is the only official method by which interpretation, clarification, or additional information can be given and oral representations will not be binding on the County.
- B. Mark cover page or envelope(s) "Questions, Exceptions and Addenda Concerning ITB #14-B-127KW, "Generator Maintenance and Repair"

Submit questions to:

Kathy Williams, Procurement Analyst
Telephone:.....386-626-6625
Fax:386-736-5972
E-mail:.....kwilliams@volusia.org

- C. If it becomes necessary for the County to revise any part of this ITB, an addendum will be posted on the County's web site. It is each Bidder's responsibility to check the Volusia County web site for any addenda at <http://vcservices.vcgov.org/bidlistnet1>. Each Bidder should ensure that they have

received all addenda to this ITB before submitting their proposal. In their proposals, Bidders must provide proof of receipt of each addendum by signing and returning each addendum to the County. Failure to provide this proof may cause Bidder's proposal to be rendered non-responsive.

- D. Each addendum issued by the County shall become a material part of this solicitation. The resulting Agreement shall be the final decision on the subject of the addendum.

2.8 Award

The County reserves the right to award the Agreement to the Bidder(s) that the County deems to offer the lowest responsive and responsible Bid(s), as defined elsewhere in this solicitation. The County is therefore not bound to accept a Bid based only on lowest price. In addition, the County has the sole discretion and reserves the right to cancel this ITB, to reject any/all Bids, to waive any/all informalities and/or irregularities, or to re-advertise with either the identical or revised specifications, if it is deemed to be in the best interest of the County to do so. Nothing prohibits the County from rejecting / rebidding when responses exceed budget and the County must change the solicitation to lower costs. The County also reserves the right to make multiple awards based on experience and qualifications or to award only a portion of the items and/or services specified, if deemed to be in the County's best interest or award only a portion of the solicitation.

2.9 Local Bid Preference

Effective January 1, 2012, Volusia County adopted a local Bid preference. A Bidder or prime contractor which has a permanent location at least six (6) months prior to the Bid closing, as proven by a business tax receipt, in the following counties: Flagler, Lake, Orange, Osceola, Seminole or Volusia County ("Local"), shall be granted a preference of three percent (3%) of the total Bid price or quote. A Bidder which is a prime contractor and is utilizing subcontractors, and the Bid price or quote of the work to be performed by all subcontractors, that qualify as a local business, constitutes fifty-one percent (51%) or greater of the total work to be performed through subcontracting a two percent (2%) Bid preference will apply. In the event that a prime contractor qualifies for a preference and subcontractor qualifies for a preference, the preference shall not exceed a total of five percent (5%). Preference shall not be given to Bids where the difference of the total Bid price or quote exceeds twenty-five thousand dollars (\$25,000.00) from the nearest competing Bid price or quote for that solicitation.

This Section does not apply to any purchase that is funded, in whole or in part, by an entity prohibiting local preference by grant agreement or applicable federal, state, or local law. Solicitations for emergency purchases subject to Section 2-275 of the Code are additionally exempt. All Bidders, including prime and subcontractors, awarded an Agreement as a part of this process must maintain its status as a local business through the term of the Agreement. Any Bidder, including prime and subcontractors, awarded an Agreement as a result of this preference will be required to post any job openings for this project with the Center for Business Excellence (CBE). Noncompliance with the requirements of this Section will be deemed as a material breach and may be subject to Agreement termination or disqualification from bidding on future projects.

This Bid is not funded by monies that prohibit this provision and local preference does apply.

2.10 Definition of Responsive and Responsible for this Bid

Each Bid submittal shall be evaluated for conformance as responsive and responsible using the following criteria:

- A. Proper submittal of ALL documentation as required by this Bid. (Responsive)
- B. The greatest benefits to Volusia County as it pertains to: (Responsible)
 - 1. Total Cost;
 - 2. Delivery;
 - 3. Past Performance. In order to evaluate past performance, all Bidders are required to submit a list of three (3) references / relevant projects completed within the last three (3) years that are the same or similar in magnitude to this ITB. The County of Volusia shall not be listed as a reference;
 - 4. Bidders shall submit documentation of five (5) consecutive years prior experience with the specific system(s), listed in Attachment A – Price Sheet for which they are submitting a bid;
 - 5. Certification and training of staff;
 - 6. Warranty; and,
 - 7. Maintenance Facility.

Bidders are reminded that award may not necessarily be made to the lowest Bid. Rather, award will be made to the lowest responsive, responsible, Bidder whose Bid represents the best overall value to the County when considering all evaluation factors.

2.11 Other Agencies

- A. All Bidders awarded Agreements from this Bid may, upon mutual agreement, permit any municipality or other governmental agency to participate in the Agreement under the same prices, terms, and conditions, if agreed to by both parties.
- B. It is understood that at no time will any city, municipality, or other agency be obligated for placing an order for any other city, municipality, or agency; nor will any city, municipality, or agency be obligated for any bills incurred by any other city, municipality, or agency. Further, it is understood that each agency will issue its own purchase order to the awarded Bidder(s).

2.12 F.O.B. Point

The F.O.B. point for this Agreement and for all purchases made under it shall be as specified by the using department (in accordance with the Bid Submittal Form), in Volusia County, Florida. Delivery will not be complete until the using department has accepted each item. Delivery to a common carrier shall not constitute delivery to the ordering agency. All disputes shall be between the Contractor and the carrier.

2.13 Use of County Logo

The County owns and retains all proprietary rights in its logos, trademarks, trade names, and copyrighted images (Intellectual Property). As such, nothing in this solicitation permits or shall be construed as authorizing Bidder to use or display County's Intellectual Property on Bidder's submittal documents or proposal (including any exhibits attached thereto) submitted to County by or on behalf of Bidder in response to this solicitation. The County has the right to redact the County Logo displayed on any proposal submitted.

2.14 Assignment

Contractor may not assign or otherwise convey Contractor's rights and/or obligations under this Agreement without first providing County with a processing fee of Five Hundred Dollars (US \$500.00) and obtaining County's prior written consent, which consent County may withhold, limit and/or condition in County's sole discretion, including, but not limited to posting a performance bond. Any consent by the County under this Section shall be by written amendment to the Agreement in a form and substance specified by the County in its sole discretion. If Contractor desires to assign or otherwise convey its rights and/or obligations under this Agreement, Contractor shall, no less than one hundred-twenty (120) days prior to the assignment's proposed effective date, provide County with a written request for County's consent.

Failure by the Contractor to obtain the County's consent in accordance with this Section prior to assignment or other conveyance shall: 1) constitute a material breach of the Agreement; and 2) entitle the County to retain any and all legal rights, claims and defense to enforce this Section, including, but not limited to, injunctive, declaratory, damages and attorney's fees and costs. Payment of any sum by the County in accordance with the Agreement to the Contractor or any person or entity prior to the Contractor obtaining the County's consent to the assignment shall not constitute a waiver of the rights of the County under this Section 2.14.

Nothing herein shall preclude the right of the County to waive its rights under this Section but no waiver shall be granted by the County without amendment to the Agreement. The Contractor is hereby placed on notice that the County may demand a discount of up ten percent (10%) from those rates or compensation for the goods or services established in the Agreement as a condition to execution of the amendment.

2.15 Agreement

- A. The contents of this Bid, any subsequent addenda, and all provisions of the successful proposal deemed pertinent by the County shall be considered as contractual documents and shall become legally binding. A separate Agreement document, other than a Purchase Order or Master Agreement, will not be issued.
- B. The Director of Purchasing and Contracts, County Manager, and County Chair are the sole Contracting Officers for the County of Volusia, Florida, and only they or their designee are authorized to make changes to any Agreement.

- C. The County shall be responsible for only those orders placed by the County on an authorized signed Purchase Order or Master Agreement. The County shall not be responsible for any order, change, substitution, or any other discrepancy from the Purchase Order or Master Agreement. If there is any question about the authenticity of a Purchase Order, Master Agreement, or change order, the Bidder should promptly contact the Purchasing and Contracts Office at 386-736-5935.

2.16 Disclosure of Bid Content

- A. All material submitted becomes the property of the County and may be returned only at the County's option. The County has the right to use any or all ideas presented in any reply to this Bid. Selection or rejection of any Bid Submittal does not affect this right.
- B. The County of Volusia, Florida, is governed by the Public Record Law, Chapter 119, Florida Statutes (F.S.).

2.17 Disqualification of Bidders

- A. One (1) Bid: Only one (1) Bid submittal from an individual firm, partnership or corporation under the same or under different name will be considered. If a Bidder submitted more than one (1) Bid for the work involved, all Bids submitted from such Bidder will be rejected.
- B. Collusion Among Bidders: If it is believed that collusion exists among the Bidders, the Bids of all participants in such collusion shall be rejected and no participants in such collusion will be considered in future proposals for the same work.

2.18 Bidder's Responsibility

The Bidder, by submitting a Bid, represents that:

- A. The Bidder has read and understands the Invitation to Bid in its entirety and that the Bid is made in accordance therewith;
- B. The Bidder possesses the capabilities, resources, and personnel necessary to provide efficient and successful service to the County;
- C. The Bidder has made all investigations and examinations necessary to ascertain site and/or local conditions and requirements affecting the full performance of the Agreement and to verify any representations made by the County of Volusia, Florida, upon which the Bidder will rely. If the Bidder receives an award because of its Bid Submittal, failure to have made such investigations and examinations will in no way relieve the Bidder from its obligations to comply in every detail with all provisions and requirements of the Agreement, nor will a plea of ignorance of such conditions and requirements be accepted as a basis for any claim by the Bidder for additional compensation or relief; and

- D. The Bidder will be held responsible for any and all discrepancies, errors, etc., in discounts or rebates which are discovered during the Agreement term or up to and including three (3) fiscal years following the County's annual audit.

2.19 Payment Terms

- A. The County will remit full payment on all undisputed invoices within forty-five (45) days from receipt by the appropriate person(s) (to be designated at time of Agreement) of the invoice(s) or receipt of all products or services ordered.
- B. Pursuant to Chapter 218, Florida Statutes, the County will pay interest not to exceed one percent (1%) per month on all undisputed invoices not paid within thirty (30) days after the due date.
- C. The County has the capability of Electronic Funds Transfer (EFT). List any discounts for prompt payment and/or willingness to accept Electronic Funds Transfer (EFT) and the discount to be applied to such payments. Vendors offering prompt payment discounts, for example 1% - net 10, the discount shall be taken if the check issue date is within specified time period from date of invoice.
- D. By submitting a Bid (offer) to the County of Volusia, Florida, the Bidder expressly agrees that, if awarded a Agreement, the County may withhold from any payment monies owed by the Bidder to the County for any legal obligation between the Bidder and the County including, but not limited to, real property taxes, personal property taxes, fees, and commissions.

2.20 Special Conditions

These County facilities are administrative facilities that provide services to the Volusia County public and any agencies that it serves. As such, activities in all buildings are critical to the provisioning of services to the public and shall not be interrupted by the Bidder's work activities.

2.21 Minor Irregularities

The County reserves the right to waive minor irregularities in Bid Submittals, providing such action is in the best interest of the County. Minor irregularities are defined as those that have no adverse effect on the County's best interests, and will not affect the outcome of the selection process by giving the Bidder an advantage or benefit not enjoyed by other Bidders.

2.22 Licenses, Certificates, and Permits

- A. The County reserves the right to require proof that the Bidder is an established business and is abiding by the ordinances, regulations, and laws of their community and the state of Florida, such as but not limited to: Business Tax Receipts, business licenses, Florida sales tax registration, Federal Employers Identification Number, Registration with the Florida Department of State, Division of Corporations' Sunbiz at www.sunbiz.org, AND;

- B. The Bidder shall be required, upon notification of recommendation of award, to register with the Florida Department of State Division of Corporations at www.sunbiz.org in order to provide services under the resulting Agreement.
- C. If a license is required, the Bidder shall be licensed to perform the required work in accordance with the laws of the State of Florida and local ordinances. Bidder shall also verify that his/her subcontractors are licensed to perform the work in accordance with the laws of the State of Florida and local ordinances.

2.23 Insurance

A. Required Types of Insurance

The Contractor shall purchase and maintain at its own expense, during the term of this Agreement the following types and amounts of insurance with limits no less than those shown below, in the form and from companies satisfactory to the County:

SCHEDULE

LIMITS

Workers' Compensation

Florida Statutory Coverage

3. Workers' Compensation Insurance. Per Section 2.23, A, Workers' Compensation insurance is required for all employees of the Contractor, employed or hired to perform or provide work or services under this

Agreement or that is in any way connected with work or services performed under this Agreement, without exclusion for any class of employee, and shall comply fully with the Florida Workers' Compensation Law (Chapter 440, Florida Statutes, Workers' Compensation Insurance) and include Employers' Liability Insurance with limits no less than the statutory amount shown above per occurrence.

a. Contractor and its Subcontractors, or any associated or subsidiary company doing work on County property or under this Agreement must be named in the Workers' Compensation coverage or provide proof of their own Workers' Compensation coverage, without exclusion of any class of employee, and with a minimum of the statutory limits per occurrence for Employer's liability coverage. Further, if the Contractor's Subcontractors fail to obtain Workers' Compensation insurance and a claim is made against the County by the uncovered employee of said Subcontractor of the Contractor, the Contractor shall indemnify, defend, and hold harmless the County from all claims for all costs including attorney's fees and costs arising under said employee(s) Workers' Compensation insurance claim(s).

4. Commercial General Liability Insurance. Per Section 2.23, A, Commercial General Liability insurance, with a limit of not less than the amounts shown above with an aggregate limit and per occurrence basis, including coverage for the Contractor's operations, independent Contractors, Subcontractors and "broad form" property damage coverages protecting itself, its employees, agents, Contractors or subsidiaries, and their employees or agents for claims for damages caused by bodily injury, property damage, or personal or advertising injury, products liability/completed operations including what is commonly known as groups A, B, and C (libel, false arrest, slander). Such policies shall include coverage for claims by any person as a result of actions directly or indirectly related to the employment of such person or entity by the Contractor or by any of its Subcontractors arising from work or services performed under this Agreement. Public liability coverage shall include either blanket contractual insurance or a designated contract contractual liability coverage endorsement, indicating expressly the Contractor's Agreement to indemnify, defend and hold harmless the County as provided in this Agreement. The commercial general liability policy shall be endorsed to include the County as an additional insured. The commercial general liability policy shall provide exclusive coverage for the location or project site where the work or services are to be performed under this Agreement. In the alternative, the commercial general liability policy shall be endorsed to provide the designated aggregate per location endorsement or equivalent on a form approved or requested by the County Risk Manager.
5. Motor Vehicle Liability. Per Section 2.23, A, the Contractor shall secure and maintain during the term of this Agreement, motor vehicle coverage in the split limit amounts of no less than the amounts shown above per

person, per occurrence for bodily injury and for property damage or a combined single limit of the amount shown above **with “Any Auto”, Coverage Symbol 1, providing coverage for all autos operated regardless of ownership, and** protecting itself, its employees, agents or lessees, or subsidiaries and their employees or agents against claims arising from the ownership, maintenance, or use of a motor vehicle.

6. Primary and Excess Coverage. Any insurance required may be provided by primary and excess insurance policies.

B. Insurance Requirements

1. General Insurance Requirements:

- a. All insurance policies shall be issued by insurers licensed and/or duly authorized under Florida Law to do business in the State of Florida and all insuring companies are required to have a minimum rating of A- in the "Best Key Rating Guide" published by A.M. Best & Company, Inc.
- b. Approval by County of any policy of insurance shall not relieve Contractor from its responsibility to maintain the insurance coverage required herein for the performance of work or services by the Contractor or its Subcontractors for the entire term of this Agreement and for such longer periods of time as may be required under other clauses of this Agreement.
- c. Waiver of Subrogation. The Contractor hereby waives all rights against the County and its Subcontractors to the extent of the risk coverage by any insurance policy required hereunder for damages by reason of any claim, demand, suit or settlement (including workers' compensation) for any claim for injuries or illness of anyone, or perils arising out of this Agreement. The Contractor shall require similar waivers from all its Subcontractors. This provision applies to all policies of insurance required under this Agreement (including Workers' Compensation, and general liability).
- d. County Not Liable for Paying Deductibles. For all insurance required by Contractor, the County shall not be responsible or liable for paying deductibles for any claim arising out of or related to the Contractor's business or any Subcontractor performing work or services on behalf of the Contractor or for the Contractor's benefit under this Agreement.
- e. Cancellation Notices. During the term of this Agreement, Contractor shall be responsible for promptly advising and providing the County's Risk Management and the Purchasing and Contracts divisions with copies of notices of cancellation or any other changes in the terms and conditions of the original insurance policies approved by the County

under this Agreement within two (2) business days of receipt of such notice or change.

- f. For any on-site work performed by or on behalf of Contractor on County property, the County shall be named as an additional insured or additional named insured subject to review and determination by County's Risk Manager on all policies required under this Agreement except professional liability and workers compensation.
- g. Deductibles Contractors that maintain and administer a self-insured retention or a large deductible program exceeding the insurance requirements listed in this solicitation using a formal program to fund either program may submit an exception in accordance with Section 2.8, Questions, Exceptions, and Addenda Concerning ITB #14-B-14-B-127KW, to be considered for this solicitation.

The request must include a summary of the program's design, funding method, and the program's supporting financial information. If additional information is necessary, the County will request more specific information, which must be provided by the Contractor. The County's Risk Manager will review the information submitted and determine whether the program is acceptable to the County.

Contractors with no formal risk management program in place to manage and fund deductibles or self-insured retentions may not be considered. Subject to County approval, Contractor may obtain a letter of credit in the amount equivalent to the deductible, which shall remain in effect during the term of the Agreement at no additional cost to the County.

C. Proof of Insurance

- 1. The Contractor shall be required to furnish evidence of all required insurance in the form of certificates of insurance, which shall clearly outline all hazards covered as itemized herein, the amounts of insurance applicable to each hazard and the expiration dates.
- 2. The Contractor shall furnish proof of insurance acceptable to the County prior to or at the time of execution of this Agreement and the Contractor shall not commence work or provide any service until the Contractor has obtained all the insurance required under this Agreement and such insurance has been filed with and approved by the County. Upon request from the County, the Contractor shall furnish copies of the following types of insurance policies and any changes or amendments thereto, immediately, to the County and County's Risk Management and Purchasing and Contracts Divisions, prior to the commencement of any contractual obligations. This Agreement may be terminated by the County, without penalty or expense to County, if at any time during the

term of this Agreement proof of any insurance required hereunder is not provided to the County.

3. All certificates of insurance shall clearly indicate that the Contractor has obtained insurance of the type, amount and classification required by this Section. No work or services by Contractor or its Subcontractors shall be commenced until County has approved these policies or certificates of insurance. Further, the Contractor agrees that the County shall make no payments pursuant to the terms of this Agreement until all required proof or evidence of insurance has been provided to the County. This Agreement may be terminated by the County, without penalty or expense, if proof of any insurance required hereunder is not provided to the County.
4. The Contractor shall file replacement certificates with the County at the time of expiration or termination of the required insurance occurring during the term of this Agreement. In the event such insurance lapses, the County expressly reserves the right to renew the insurance policies at the Contractor's expense or terminate this Agreement but County has no obligation to renew any policies.

- D. The provisions of this Section 2.23, shall survive the cancellation or termination of this Agreement.

2.24 Safety

The Bidder shall take the necessary precautions and bear the sole responsibility for the safety of the methods employed by the Bidder in performing the work. The Bidder shall at all times comply with the regulations set forth by federal, state, and local laws, rules, and regulations concerning "OSHA" and all applicable state labor laws, regulations, and standards. The Bidder shall indemnify and hold harmless the County from and against all liabilities, suits, damages, costs, and expenses (including attorney's fees and court costs) which may be imposed on the County because of the Bidder, Subcontractor, or supplier's failure to comply with the regulations.

2.25 Governing Law and Venue

All legal proceedings brought in connection with this Agreement shall only be brought in a state or federal court located in the State of Florida. Venue in state court shall be in Volusia County, Florida. Venue in federal court shall be in the United States District Court, Middle District of Florida, Orlando division. Each party hereby agrees to submit to the personal jurisdiction of these courts for any lawsuits filed there against such party arising under or in connection with this Agreement. In the event that a legal proceeding is brought for the enforcement of any term of the Agreement, or any right arising therefrom, the parties expressly waive their respective rights to have such action tried by jury trial and hereby consent to the use of non-jury trial for the adjudication of such suit.

All questions concerning the validity, operation, interpretation, construction and enforcement of any terms, covenants or conditions of this Agreement shall in all respects be governed by and determined in accordance with the laws of the State of Florida

without giving effect to the choice of law principles thereof and unless otherwise preempted by federal law.

2.26 Additional Terms

The attached Invitation to Bid cover pages contains additional terms and conditions. These written specifications within this solicitation will take precedence over terms and conditions on the Invitation to Bid cover pages.

2.27 Award Term

The County is looking to promote partnership relationships within the policies and procedures of public procurement. Pursuant toward that end, the successful Contractor(s) shall be awarded an Agreement for an initial three (3) year term with the option for two (2) subsequent one (1) year renewals. All renewals will be contingent upon mutual written agreement and, when applicable, approval of County Council.

2.28 Price Redeterminations

- A. The Contractor may petition the Director of Purchasing and Contracts for price redetermination based on the increased costs of wages, fuel, and/or materials. Any price redetermination will be based solely upon changes as documented by the Employment Cost Index (ECI) or Producer Price Index (PPI) as published by the Bureau of Labor Statistics. The base index number for the ECI will be for the quarter in which the Bid opens. The base index number for the PPI will be for the month the Bid opens. Any subsequent price redeterminations shall use the last price redetermination as the “base index number”.
- B. Wage Price Redetermination may be requested on the anniversary date of the Agreement. The Contractor shall refer to the Employment Cost Index, Total Compensation, Private Industry, Index Number and Occupational Group at <http://data.bls.gov/PDQ/outside.jsp?survey=ci>. The base figure will be tied to “natural resources, construction and maintenance” under the heading Service Providing Industries.

Minimum Wage Price Redetermination. If the minimum wage increases during the term of the Agreement and any renewal, the Contractor may petition the Director of Purchasing and Contracts for price redetermination for those job categories where the pay to the Contractor’s employee(s) is the current minimum wage. The County will grant an increase of exactly the amount of the minimum wage increase (not the percentage increase). The Contractor must increase the pay to the employee(s) by the amount the Contractor has requested, which shall not exceed the amount the of the minimum wage increase. The amount paid to the Contractor will be the increase plus any written and documented increase in FICA, Medicare, and Workers' Compensation insurance. The Contractor must supply written documentation of any other increase that is beyond the scope and control of the Contractor. All written documentation must satisfy the reasonable expectations of the Director of Purchasing and Contracts and Internal Auditor.

Example: Minimum wage increases from \$7.31 to \$7.56 per hour. The Contractor may petition for an increase of \$0.25 per hour to be paid to the affected employee(s) and shall provide written and documented cost increases for FICA, Medicare and Workers' Compensation. The resulting increase in costs shall be incorporated into fees/rates billed to the County.

If the Contractor bills the County at a higher price according to any price redetermination granted by the County, and the Contractor fails to increase the hourly rate paid to the employee for the same period, the Contractor will be considered in Agreement default and the Agreement will be immediately terminated.

- C. Fuel Price Redetermination may be requested if/when the price of fuel increases by a minimum of ten (10%) percent. If the Contractor petitions for such an increase, the Contractor shall also petition for a price redetermination decrease if/when the price of fuel decreases by a minimum of ten (10%) percent; failure to make such petition may be grounds for Agreement termination. Any fuel price redetermination will be based solely upon changes as documented by the Producer Price Index (PPI) for the commodities “Unleaded Gasoline - WPU057104” or “#2 diesel fuel - WPU057303”.

- D. Materials Price Redetermination may be requested on the anniversary date of the Agreement. The County may also petition the Contractor under the same guidelines. Any price redetermination will be based solely upon changes as documented by the Producer Price Index (PPI) for the commodity “Motor and generator manufacturing: Parts, supplies for motors, generators, generator sets” – PCU335312335312C” as published by the Bureau of Labor Statistics which can be found on-line at <http://stats.bls.gov>.

- E. All Price Redeterminations shall be calculated as follows:

Example: Contractor indicated on the Bid Submittal Form that thirty percent (30%) of the cost to provide the product/service is directly attributed to the redetermination category (wages, fuel, or materials).

Base index PPI	=		\$179.20
Current applicable PPI	=		\$200.50
PPI increased by \$10.30 (\$200.50 – \$179.20 = \$21.30)			
		or (21.30 ÷ \$179.20 = .1188).....	11.9%
Unit cost of the service is.....			\$100.00
30% of \$100.00 is directly attributed to the redetermination category.....			\$30.00
\$30.00 X 11.9%	=		\$3.57
New unit price for the product/service is (\$100 + \$3.57).....			\$103.57

- F. If the County and the Contractor cannot agree on any price redetermination, then the Agreement will expire without penalty or further expense to either party. The County reserves the right to award any remaining tasks under the expired Agreement to the next most responsive and responsible, and available Contractor.

2.29 Unusual Costs

The Bidder may petition the County at any time for an additional rate adjustment on the basis of extraordinary and unusual changes in the costs of operation that could not reasonably be foreseen by a prudent operator and which, by all reasonable expectations, will continue for at least one (1) year. If the Bidder petitions for such an increase, the Bidder shall also petition for a rate reduction on the basis of extraordinary and unusual changes in the costs of operation that could not reasonably be foreseen by a prudent operator and which, by all reasonable expectations, will continue for at least one (1) year; failure to make such petition may be grounds for Agreement termination.

The Bidder's request shall contain substantial proof and justification to support the need for the rate adjustment. The County may request from the Bidder, and the Bidder shall provide, such further information as may be reasonably necessary in making its determination. The County shall approve or deny the request, in whole or in part, within sixty (60) days of receipt of the request and all other additional information required by the County. Any price redetermination shall be solely based upon the documentation provided and the County reserves the right to rescind any price relief granted should the circumstances change and prices go down.

2.30 Waiver of Claims

Once this Agreement expires, or final payment has been requested and made, the awarded Bidder shall have no more than thirty (30) calendar days to present or file any claims against the County concerning this Agreement. After that period, the County will consider the Bidder to have waived any right to claims against the County concerning this Agreement.

2.31 Termination

- A. The resulting Agreement may be terminated by (a) either party upon the material breach by the other party if such breach is not cured within thirty (30) days written notice from the non-breaching party, or (b) by County upon at least thirty (30) calendar days, prior written notice to Contractor whenever the County shall determine that such termination is in the best interest of the County.
- B. County may terminate the resulting Agreement for convenience or non-appropriation upon at least thirty (30) calendar days' prior written notice to Contractor.
- C. The Contractor may cancel the resulting Agreement with one-hundred eighty (180) days written notice to the Director of Purchasing and Contracts. Failure to provide proper notice to the County may result in the Bidder being barred from future business with the County.
- D. After Contractor's receipt of a notice of termination pursuant to Paragraph A above (or to the extent Contractor has not cured a material breach within thirty

(30) days notice from County), and except as otherwise directed by the County, the Contractor shall:

1. Stop work under the Agreement or applicable statement of work on the date specified in the notice of termination;
2. Place no further orders or subcontracts for materials, services or facilities;
3. Terminate all orders and subcontracts to the extent that they relate to the performance of work or services terminated by the notice of termination; and
4. With the approval of the County and to the extent required by the County, settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts. County's approval of such settlements shall be final for all the purposes of this Section 2.31, Termination.

- E. After receipt of a notice of termination, the Contractor shall submit to the County its termination claim for amounts owed by County (which shall include, without limitation, all amounts due for work or services performed through the date of termination), in the form and with a certification as prescribed by the County. Such claim shall be submitted promptly but in no event later than thirty (30) days from the effective date of termination, unless one or more extensions in writing are granted by the County, upon request of the Contractor made in writing within such thirty (30) days period or authorized extension thereof. Upon failure of the Contractor to submit its termination claim within the time allowed, the County may determine on the basis of information available to it, the amount, if any, due to the Contractor by reason of the termination and shall thereupon pay to the Contractor the amount so determined. In the event County terminates for convenience or non-appropriation, Contractor shall not be obligated to refund to County any prepaid fees.
- F. **Non-Appropriation.** The resulting Agreement may be terminated by the County or Contractor if the County does not appropriate the funding in any fiscal year necessary to pay the compensation set forth in the resulting Agreement.
- G. In the event that the resulting Agreement is terminated by the County or Contractor for non-appropriation, Contractor shall be paid in accordance with terms of the resulting Agreement. Contractor shall be paid (a) to the date of termination on a prorated basis for any work that has been completed but not yet been paid. County's obligation to pay Contractor under this Section 2.31, Termination, and the resulting Agreement is limited to the budgeted amount for the fiscal year approved by the Volusia County Council for the then current fiscal year of the resulting Agreement. Contractor shall have no right to compel the Volusia County Council to appropriate funds for any fiscal year to pay the compensation.

- H. Upon being notified of County's election to terminate for default of Contractor, non-appropriation or convenience, Contractor and its Subcontractors shall refrain from performing further work or incurring additional expenses under the terms of the resulting Agreement, which is not specifically authorized in the notice of termination.
- I. If termination of the resulting Agreement occurs for any reason:
1. Except as otherwise provided in the resulting Agreement, Contractor shall return to the County, or destroy, all County confidential information in Contractor's possession and shall certify the destruction or return of said information in a written document signed by the duly authorized representative of the Contractor that all such information has been destroyed or returned, provided that Contractor shall be permitted to retain an archival copy of any such confidential information (provided it continues to maintain the confidentiality of such as prescribed herein) to the extent necessary to have a record of the Service performed hereunder.
 2. For all undisputed outstanding invoices submitted to the County for work completed or deliverables delivered prior to the effective date of the termination, the County shall cause payments to be made to Contractor within forty-five (45) days of receipt of invoice. Contractor shall invoice the County for any sums Contractor claims to be owed by County under the resulting Agreement for work performed from the last invoice to the effective date of termination. County shall review such invoice for payment within fifteen (15) days of receipt and County shall pay any undisputed amount within forty-five (45) days.
- J. In the event of termination by the County for non-appropriation, for all items or products ordered by Contractor before receipt by Contractor of the notice of termination which Contractor could not cancel without imposition of a fee, the County shall cause payments to be made to Contractor within forty-five (45) days of receipt of an undisputed invoice for all cancellation, restocking or residual fees resulting from the cancellation or return of third party products ordered from or shipped by the vendor thereof prior to the effective date of the termination.

2.32 Incurred Expenses

This ITB does not commit the County of Volusia to award an Agreement, nor shall the County of Volusia be responsible for any cost or expense which may be incurred by the Bidder in preparing and submitting the submittal called for in this ITB, or any cost or expense incurred by the Bidder prior to the execution of an Agreement.

2.33 Minimum Specifications

The specifications listed in the scope of service are the minimum required performance specifications for this ITB; they are not intended to limit competition nor specify any particular Bidder, but to ensure that the County receives quality services.

2.34 Compliance with Laws and Regulations

The Bidder shall be responsible to know and to apply all applicable federal and state laws, all local laws, ordinances, rules, regulations, and all orders and decrees of bodies or tribunals having jurisdiction or authority which in any manner affect the work, or which in any way affect the conduct of the work. Bidder shall observe and comply with all such laws, ordinances, rules, regulations, orders, and decrees for all work or services performed under this Agreement. The Bidder shall protect and indemnify County and all its officers, agents, servants, or employees against any liability or claim made against the County arising from or based on the violation of any such law, ordinance, rule, regulation, order, or decree caused or committed by Bidder, its representatives, Subcontractors, sub-consultants, professional associates, agents, servants, or employees.

At time of Bid submittal, Bidder shall hold the required licensure to be the prime Contractor for all work to be performed under the Bid Agreement. If Bidder proposes to use a Subcontractor or sub-consultant to perform any work under the Bid Agreement such subcontractor and/or sub-consultant shall, at the time of Bid submittal, hold the required licensure for all work to be performed under this Bid Agreement as a subcontractor and shall maintain such license(s) in full force and effect during the term of this Bid Agreement. All licenses and permits required to perform Bidder's duties under this Bid Agreement whether such license or permit is required by the federal government, State of Florida, Volusia County, or any municipality, shall be at Bidder's sole cost and expense, and shall not be a cost of the County. All required licenses and permits shall be maintained in full force and effect during the term of this Bid Agreement.

2.35 Limitation of Liability and Indemnification of County

- A. The Contractor shall, at its own expense, indemnify, defend, and hold harmless the County and its public officials (elected and appointed), successors and successors in interest, officers, agents, attorneys and employees, from and against all claims of every kind and nature (including losses incurred or suffered in consequences either of bodily injury to an person or damage to property), damages, losses and expenses, including reasonable attorney's fees to the extent caused by the negligence, recklessness or intentionally wrongful conduct of the Contractor and its Subcontractors or Sub-subcontractors or agents performing work or services under this Agreement, caused in whole or in part by any negligent act or omission of Contractor, Subcontractors or Sub-subcontractors, anyone employed by any of them or anyone for whose acts any of them may be liable, except the Contractor will not be required to indemnify and hold the County harmless if such claim, damage, loss and expense is the result of the sole negligence of the County, or anyone employed by the County or anyone for whose acts the County may be liable. Such obligation shall not be construed to negate, abridge or reduce other rights or obligations of indemnity which would otherwise exist as to a party or person described in this Agreement.
- B. In all claims against the County, or any of its public officials (elected and appointed), successors and successors in interest, officers, agents, attorneys, and employees by any employee of Contractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, no indemnification obligation shall be limited in any way by any limitation on the

amount or type of damages, compensation or benefits payable by or for Contractor, or any Subcontractor or Sub-subcontractor under Florida's Workers' Compensation acts, disability benefit acts, or other employee benefit acts.

- C. Contractor's indemnification obligations under this Section 2.35, Limitation of Liability and Indemnification of County, are subject to County or the indemnified party giving Contractor (a) prompt written notice of any indemnifiable claim; (b) reasonable assistance in Contractor's defense of the indemnifiable claim; and (c) sole authority to defend or settle the indemnifiable claim, provided that County or the indemnified party shall have the right to approve any settlement of an indemnifiable claim to the extent such settlement imposes any obligations on County or the indemnified party. County, or the indemnified party, may retain its own legal counsel at its own expense to monitor such litigation.
- D. Sovereign Immunity. County expressly retains all rights, benefits and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes (as amended). Notwithstanding anything set forth in any Section of this Agreement to the contrary, nothing in this Agreement shall be deemed as a waiver of immunity of limits of liability of County beyond any statutory limited waiver of immunity of limits of liability which may have been adopted by the Florida Legislature or may be adopted by the Florida Legislature and the cap on the amount and liability of County for damages regardless of the number or nature of claims in tort, equity or contract shall not exceed the dollar amount set by the legislature for tort. Nothing in this Agreement shall inure to the benefit on any third party for the purpose of allowing any claim against County which would otherwise be barred under the Doctrine of Sovereign Immunity or operation of law.

2.36 Records & Right to Audit

The Bidder shall maintain such financial records and other records as may be prescribed by the County or by applicable federal and state laws, rules, and regulations. The Bidder shall retain these records for a period of three (3) years after final payment, or until the County audits them, whichever event occurs first. These records shall be made available during the term of the Agreement and the subsequent three (3) year period for examination, transcription, and audit by the County, its designees, or other entities authorized by law.

2.37 Change in Scope of Work/Service

- A. The County may order changes in the work/service consisting of additions, deletions, or other revisions within the general scope of the Agreement. No claims may be made by the Bidder that the scope of the project or of the Bidder's services has been changed, requiring changes to the amount of compensation to the Bidder or other adjustments to the Agreement, unless such changes or adjustments have been made by written amendment or change order to the Agreement signed by the County Representative, County Director of Purchasing and Contracts, and the Bidder.

- B. If the Bidder believes that any particular work/service is not within the scope of work/service of the Agreement, is a material change, or will otherwise require more compensation to the Bidder, the Bidder must immediately notify the County's Representative in writing of this belief. The Bidder and County shall negotiate modifications to the Agreement in good faith and agree upon equitable adjustment for any changes in services or other obligations required of the Bidder due to such modifications. The Bidder must assert its right to an adjustment under this clause within thirty (30) days from the date of receipt of the written order.
- C. The County reserves the right to negotiate with the awarded Bidder(s) without completing the competitive bidding process for materials, products, and/or services similar in nature to those specified within this ITB for which requirements were not known when the ITB was released.

2.38 Modifications Due to Public Welfare or Change in Law

The County shall have the power to make changes in the Agreement as the result of changes in law and/or ordinances of Volusia County to impose new rules and regulations on the Bidder under the Agreement relative to the scope and methods of providing services as shall, from time to time, be necessary and desirable for the public welfare. The County shall give the Bidder notice of any proposed change and an opportunity to be heard concerning those matters. The scope and method of providing services as referenced herein shall also be liberally construed to include, but is not limited to, the manner, procedures, operations and obligations, financial or otherwise, of the Bidder. In the event any future change in Federal, State or County law or the ordinances of Volusia County materially alters the obligations of the Bidder, or the benefits to the County, then the Agreement shall be amended consistent therewith. Should these amendments materially alter the obligations of the Bidder, then the Bidder or the County shall be entitled to an adjustment in the rates and charges established under the Agreement. Nothing contained in the Agreement shall require any party to perform any act or function contrary to law. The County and Bidder agree to enter into good faith negotiations regarding modifications to the Agreement, which may be required in order to implement changes in the interest of the public welfare or due to change in law. When such modifications are made to the Agreement, the County and the Bidder shall negotiate in good faith, a reasonable and appropriate adjustment for any changes in services or other obligations required of the Bidder directly and demonstrably due to any modification in the Agreement under this clause.

2.39 Right to Require Performance

- A. The failure of the County or Bidder at any time to require performance by the other of any provision hereof shall in no way affect the right of the County or Bidder thereafter to enforce same, nor shall waiver by the County of any breach of any provision hereof be taken or held to be a waiver of any succeeding breach of such provision or as a waiver of any provision itself.
- B. In the event of failure of the Bidder to deliver services in accordance with the Agreement terms and conditions, the County, after due written notice, may

procure the services from other sources and hold the Bidder responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies that the County may have.

2.40 Force Majeure

Neither party shall be liable for any failure or delay in the performance of its obligations under the Agreement to the extent such failure or delay necessarily results from the occurrence of a Force Majeure Event beyond the control or reasonable anticipation of either party, including, but not limited to, compliance with any unanticipated government law or regulation not otherwise in effect at the time of execution of this Agreement, acts of God, unforeseeable governmental acts or omissions, fires, strikes, natural disasters, wars, riots, transportation problems, and/or any other unforeseeable cause whatsoever beyond the reasonable control of the parties (and such cause being referred to as a “Force Majeure Event”). Accordingly, the parties further agree that:

- A. Upon the occurrence of Force Majeure Event, the non-performing party shall be excused from any further performance of those obligations under this Agreement that are affected by the Force Majeure Event for as long as (a) the Force Majeure Event continues; and (b) the non-performing party continues to use commercially reasonable efforts to recommence performance whenever and to whatever extent possible without delay.
- B. Upon the occurrence of a Force Majeure Event, the non-performing party shall notify the other party of the occurrence of such event and describe in reasonable detail the effect(s) of such event upon the party’s performance of its obligations and duties pursuant to this Agreement. Such notice shall be delivered or otherwise communicated to the other party within two (2) business days following the failure or delay caused by the Force Majeure Event, or as soon as possible after such failure or delay if the Force Majeure Event precludes the non-performing party from providing notice within such time period.
- C. In the event of a Force Majeure Event, the time for performance by the parties under the applicable statement of work shall be extended for a period of time equal to the time lost by reason of such cause through execution of a Change Order pursuant to the terms of the Agreement.

2.41 Bidder’s Personnel

During the performance of the Agreement, the Bidder agrees to the following:

- A. The Bidder shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, age, handicap, or national origin, except when such condition is a bona fide occupational qualification reasonably necessary for the normal operations of the Bidder. The Bidder agrees to post in conspicuous places, visible to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

The Bidder, in all solicitations or advertisements for employees placed by or on behalf of the Bidder, shall state that such Bidder is an Equal Opportunity Employer;

- B. The Bidder shall be responsible for ensuring that its employees, agents, and subcontractors comply with all applicable laws and regulations and meet federal, state, and local requirements related to their employment and position;
- C. The Bidder certifies that it does not and will not during the performance of the Agreement employ illegal alien workers or otherwise violate the provisions of the federal Immigration Reform and Control Act of 1986, as amended;
- D. Notices, advertisements, and solicitations placed in accordance with federal law, rule, or regulation shall be deemed sufficient for the purpose of meeting the requirements of this Section 2.41;
- E. The Bidder shall include the provisions of the foregoing paragraphs A, B, C, and D, above, in every subcontract or purchase order so that the provisions will be binding upon each Bidder;
- F. The Bidder and any Subcontractor shall pay all employees working on this Agreement not less than minimum wage specified in the Fair Labor Standards Act (29 CFR 510-794) as amended;
- G. Any information concerning the County, its products, services, personnel, policies, or any other aspect of its business learned by the Bidder or personnel furnished by the Bidder in the course of providing services pursuant to the Agreement and exempt from disclosure pursuant to Section 119.01, F.S., shall be held in confidence and shall not be disclosed by the Bidder or any employee or agents of the Bidder or personnel furnished by the Bidder, without the prior written consent of the County; and
- H. Both Bidder and Subcontractors awarded an Agreement as a result of Section 2.9, *Local Preference*, shall register all open positions related to this Agreement with the Center for Business Excellence (CBE), and submit appropriate affidavit (Sections 10.0 and 11.0 of this document) showing compliance.

2.42 Claim Notice

The Bidder shall immediately report in writing to the County's designated representative or agent any incident that might reasonably be expected to result in any claim under any of the coverage mentioned herein. The Bidder agrees to cooperate with the County in promptly releasing reasonable information periodically as to the disposition of any claims, including a résumé of claims experience relating to all Bidder operations at the County project site. The designated representative for the County shall be:

Name: County of Volusia, Florida
Personnel/Risk Management Division
Address: 230 North Woodland Boulevard, Suite 250

DeLand, Florida 32720
Telephone: 386-736-5963
Fax: 386-822-5006

2.43 Disadvantaged Business Enterprise Program

The County Council has adopted policies, which assure and encourage the full participation of Disadvantaged Business Enterprises (DBE) in the provision of goods and services. The County encourages joint ventures between majority-owned firms and qualified disadvantaged / minority / women-owned firms.

2.44 County/Bidder Relationship

The County of Volusia reserves the right to award one or more Agreements to provide the required services as deemed to be in the best interest of the County.

Any awarded Bidder shall provide the services required herein strictly under a contractual relationship with the County and is not, nor shall be, construed to be an agent or employee of the County. As an independent Bidder the awarded Bidder shall pay any and all applicable taxes required by law; shall comply with all pertinent Federal, State, and local statutes including, but not limited to, the Fair Labor Standards Act, The Americans with Disabilities Act, the Federal Civil Rights Act, and any and all relevant employment laws. The Bidder shall be responsible for all income tax, FICA, and any other withholdings from its employees' or Subcontractor's wages or salaries. Benefits for same shall be the responsibility of the Bidder including, but not limited to, health and life insurance, mandatory Social Security, retirement, liability/risk coverage, and workers' and unemployment compensation.

The independent Bidder shall hire, compensate, supervise, and terminate members of its work force; shall direct and control the manner in which work is performed including conditions under which individuals will be assigned duties, how individuals will report, and the hours individuals will perform.

The independent Bidder shall not be provided special space, facilities, or equipment by the County to perform any of the duties required by the Agreement, nor shall the County pay for any business, travel, or training expenses or any other Agreement performance expenses not explicitly set forth in the specifications.

The independent Bidder, except as expressly set forth herein, shall not be exclusively bound to the County and may provide professional services to other private and public entities as long as it is not in direct conflict and does not provide a conflict of interest with the services to be performed for the County.

2.45 New Material

Unless otherwise provided for in this specification, the Bidder represents and warrants that the goods, materials, supplies, or components offered to the County under this Agreement are new, not used or reconditioned, and are not of such age or so deteriorated as to impair their usefulness or safety and that the goods, materials, supplies, or components offered are current production models of the respective manufacturer. If the

Bidder believes that furnishing used or reconditioned goods, materials, supplies, or components will be in the County's interest, the Bidder shall so notify the County Procurement Analyst in writing no later than ten (10) working days prior to the date set for opening of Bids. The notice shall include the reasons for the request and any benefits that may accrue if the County authorizes the bidding of used or reconditioned goods, materials, supplies, or components.

2.46 Damages

Due to the nature of the services to be provided and the potential impact to the County for loss, the Contractor cannot disclaim consequential or special damages related to the performance of this Agreement. The Contractor shall be responsible and accountable for any and all damages, directly or indirectly, caused by the actions or inaction of its employees, staff, or Subcontractors. There are no limitations to this liability.

2.47 Conflict of Interest Form

All Bidders shall properly complete, have notarized, and include with their Bid Submittal the attached form disclosing any potential conflict of interest that the Bidder may have due to ownership, other clients, contracts, or interests associated with this project.

2.48 Definitions

As used in this Bid, the following terms shall have the meanings set forth below:

Agreement: The document resulting from this solicitation between the County and the Contractor, including this Bid, along with any written addenda and other written documents, which are expressly incorporated by reference.

(Used interchangeably with Bidder)

Subcontractor: A person other than a materialman or laborer who enters into a contract with a Contractor for the performance of any part of the Agreement documents.

Sub-subcontractor: A person other than a materialman or laborer who enters into a contract with a Subcontractor for the performance of any part of such Subcontractor's Agreement.

Turnkey Solution: A complete solution that is supplied, installed, or purchased in a condition ready for immediate use, occupation, or operation within a specified time frame.

3.0 SUBMITTAL REQUIREMENTS *(Submit in the following order)*

It is not necessary to return every page of this document with the Proposal; return *only* the pages that require signatures or information requested below.

3.1 Completed Invitation To Bid Cover Pages (includes two pages) signed by an authorized agent of the firm, as listed on the Florida Department of State, Division of Corporations' Sunbiz report available at www.sunbiz.org (Sunbiz), shall be required. If anyone other than the officers listed on the Sunbiz website will be signing this ITB, a memorandum of authority signed by an officer of the firm allocating authorization shall

be required. If firm is not currently registered as a vendor in the State of Florida (Sunbiz), include documentation designation of contracting authority. The memorandum of authority shall be on the firm's letterhead and shall clearly state the name, title and contact information for the individual designated by the firm.

- 3.2 Provide a Florida Department of State, Division of Corporations' Sunbiz report available at www.sunbiz.org.

- 3.3 **Completed Bid Submittal Form** (use attached form Section 4.0).

- 3.4 **References** - List at least three (3) recent references where the proposed services have been provided within the past three (3) years. Use of the attached form (Section 5.0) will aid in evaluation. Unless specifically asked by the County, the County of Volusia shall *not* be listed as a reference.

- 3.5 Documentation of five (5) consecutive years of prior experience with specific systems for which a bid is being submitted.

- 3.6 **Business Tax Receipt (BTR)**

To be responsive to this solicitation, each Bidder who is currently required to have a Business Tax Receipt (BTR) at the time of submittal shall provide a copy of their current BTR in their response to this solicitation.

There are two exceptions to this Bid submission requirement:

1. If Bidder's business does not have a physical location in Flagler, Lake, Orange, Osceola, Seminole, or Volusia County, no submission is required, *OR*
2. If Bidder's business type is exempt, submit with proposal a *Proof of Exemption* approved by the Volusia County Revenue Director (see Section 8.0).

See <http://www.volusia.org/services/financial-and-administrative-services/revenue-services/local-business-tax/business-tax-frequently-asked-questions.stml> for more information and to access *Ch. 114, Article I, Sect. 114-1* of the Volusia County Code of Ordinances.

- 3.7 **Insurance** - Evidence of required insurance coverage or proof of insurability in the amounts indicated. If available, a properly completed ACORD Form is preferable. **Final forms must contain the correct solicitation and/or project number and Volusia County contact person.**

Firms that have owner/operators that have filed a "Notice of Election to be Exempt" shall submit a copy with the proposal.

Incorporated and unincorporated firms that qualify for an exemption under the Florida Workers' Compensation law in Chapter 440, Florida Statutes, shall submit an executed *Hold Harmless Agreement* relieving the County of liability in the event they and/or their employees are injured while providing goods and/or services to the County.

- 3.8 Conflict of Interest Form** (use attached form Section 6.0) All Bidders shall properly complete, have notarized, and include with their Bid Submittal the attached statement disclosing any potential conflict of interest that the Bidder may have due to ownership, other clients, contracts, or interests associated with this project.
- 3.9 Addenda** issued subsequent to the release of this solicitation must be signed and returned with the firm's Bid. Failure to return signed addenda may be cause for the Bid to be considered non-responsive.
- 3.10 Taxpayer Identification Number (TIN) and Certification Form** – Include a completed TIN form. If the firm is not registered with Volusia County, on-line registration is available at www.volusia.org/purchasing under Vendor Self Service, which links to the registration site and the TIN form can be accessed through this site as well.
- 3.11 Certification Affidavit by Local Business** (use attached forms Section 10.0 and 11.0) All Bidders shall complete, have notarized, and include with their Bid Submittal the attached statement(s) confirming Local Preference Eligibility.
- 3.12** Drug-Free Work Place form (use attached form Section 12.0).
- 3.13** Certification Regarding Debarment – Prime (use attached form Section 13.0).
- 3.14** Certification Regarding Debarment – Sub *if applicable* (use attached form Section 14.0).
- 3.15** Documentation of Certifications and Training of staff
- 3.16** Warranty Information
- 3.17** Attachment A – Price Sheet

All Bidders shall be prepared to supply a financial statement upon request, preferably a certified audit, but a third party prepared financial statement and the latest D & B report will be accepted.

9.0 HOLD HARMLESS AGREEMENT

I, _____, (*print owner's name*), am the owner of _____ (*print company name*), an incorporated / unincorporated business operating in the State of Florida. As such, I am bound by all laws of the state of Florida, including but not limited to those regarding the workers' compensation law.

I hereby affirm that I or [the above-named business] employs fewer than four employees, all of whom are listed below, including myself, and therefore, the business is exempt from the statutory requirement for workers' compensation insurance for its employees. I certify that I will provide the County of Volusia with the name of each new employee together with all required waivers and releases for each prior to any employee being allowed to work to provide services under the contract set forth below. If any such employee is allowed to work without a signed waiver and release, such action will be a material breach of this Agreement. All signed waivers and releases shall be furnished before the commencement of any work by an employee or the undersigned to the County Project Manager or designated county representative.

On _____, 20____, the County of Volusia and I or [the above-named business] entered into a contract for _____ (*please insert name of contract*), (hereinafter "Agreement") which is incorporated by reference herein.

On behalf of myself, my business, and the employees listed below, I and they hereby agree to waive and release any and all workers' compensation claims or liens under Chapter 440, Florida Statutes, against the County of Volusia and its agents, officials and employees, arising from any work or services provided under the Agreement whether or not it shall be alleged or determined that the act was caused by intention, or through negligence or omission of the County of Volusia or its agents, officials and employees or subcontractors.

In the event that a workers' compensation claim or lien is made against the County of Volusia and/or its agents, officials or employees by myself or my employees or agents as a result of any work or services performed under the Agreement, I agree to indemnify, keep and hold harmless the County of Volusia, Florida, its agents, officials and employees, against all injuries, deaths, losses, damages, claims, liabilities, judgments, costs and expenses, direct, indirect or consequential (including, but not limited to, fees and charges of attorneys and other professionals) arising out of the Agreement with the County of Volusia, whether or not it shall be alleged or determined that the act was caused by intention or through negligence or omission of the County of Volusia or its employees, agents, or subcontractors. I or the above-named business shall pay all charges of attorneys and all costs and other expenses incurred in connection with the indemnity provided herein, and if any judgment shall be rendered against the County of Volusia in any action indemnified hereby, I or the above-named business shall, at my or its own expense, satisfy and discharge the same. The foregoing is not intended nor should it be construed as, a waiver of sovereign immunity of the COUNTY OF VOLUSIA under Section 768.28, Florida Statutes.

CITY OF PORT ORANGE PIGGYBACK AGREEMENT

This Piggyback Agreement is entered to this ____ day of _____, 2015, by and between the **CITY OF PORT ORANGE**, a Florida municipal whose principal address is 1000 City Center Circle, Port Orange, Florida 32129 (the "City") and **CUMMINS POWER SOUTH, LLC** ("Contractor"), a Georgia limited liability corporation, whose principal address is 5125 Highway 85, Atlanta, Georgia 30349 (collectively "the Parties").

WHEREAS, on the 4th day of September, 2014, Contractor entered into Contract with the County of Volusia, Florida, pursuant to Invitation to Bid No. 14-B-127KW for onsite repair and maintenance of emergency stand-by generators and transfer switches on an as-needed basis (the "Volusia Agreement"); and

WHEREAS, the Volusia Agreement provides for an initial three (3) year term with the option for two (2) subsequent one (1) year renewals contingent upon mutual written agreement and County Council approval; and

WHEREAS, by entering into this Piggyback Agreement, Contractor agrees to honor the terms of the Volusia Agreement for onsite repair and maintenance of emergency stand-by generators and transfer switches on an as-needed basis purchased by the City of Port Orange; and

WHEREAS, the City has budgeted work based on the Contractor's estimated costs for onsite repair and maintenance pursuant to Exhibit "1" attached hereto; and

WHEREAS, a copy of the Volusia Agreement is available in the Office of the City Clerk, City Hall, 1000 City Center, Port Orange, Florida 32129; and

WHEREAS, the Port Orange City Council has determined that the execution of this Contract is beneficial to the citizens of the City of Port Orange.

For good and valuable consideration, conditions and promises, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **Initial Term.** The initial term of this Contract shall be effective commencing on the last date the Contract is signed by the Parties and shall continue until September 4, 2017.
2. **Renewals.** This Contract may be renewed for two (2) subsequent one (1) year renewals contingent upon mutual written agreement and approval by City Manager.
3. **Contractor Obligation.** Contractor shall provide the City of Port Orange with onsite repair and maintenance of emergency stand-by generators and transfer switches on an as-needed basis as more specifically described in the Volusia Agreement.
4. **Authorization for Services.** This Contract standing alone does not authorize the performance of any work or services to be provided by the Contractor or require the City to place any orders for work or service. Authorization for performance of services by the Contractor under this Contract shall be in the form of written Purchase Order(s) issued and executed by the City and signed by the Contractor, as determined in the City's sole and absolute discretion.

5. City Obligations. The City agrees to compensate Contractor at the labor, travel and discount rates as set forth in Attachment "A" of the Volusia County Agreement, attached hereto as Exhibit "2" in an amount subject to a limit up to but not to exceed Sixty-Six Thousand Four Hundred Sixty Three and 82/100 Dollars (\$66,463.82) per fiscal year, subject to approval by the City Council for the then-current fiscal year. The City's obligation to pay Contractor under this Contract is limited to the budgeted amount for the fiscal year approved by the Port Orange City Council for the then current fiscal year. All payments shall be governed by the Local Government Prompt Payment Act as set forth in Sections 218.70 through 218.79, Florida Statutes, as amended.

6. Contract Administration. Tom Troutman, Public Utilities Reclaimed Water Manager, shall perform contract administration of this Contract for generators relating to reclaimed water, Steve Miller, Public Utilities Water Production Manager shall perform contract administration of this Contract for generators relating to potable water, and such other Department Head requesting service shall perform contract administration for this Contract. For notice provisions, see the paragraph below entitled "Notice."

7. Additional Provisions

(a) As may have been outlined in Exhibit "1" and Exhibit "2" and any attachments or exhibits to this Contract whether delivered herewith or subsequently approved as a part hereof, such as drawings or technical specifications prepared in the performance of this work.

(b) For the purposes of this Contract, any reference in the Volusia Agreement to "Volusia County", "County of Volusia" or the "County" shall be construed to mean the "City of Port Orange."

(c) In the event of a conflict between the Volusia Agreement and this Contract, the terms of the Volusia County Agreement shall control.

8. Integration. This Contract and the documents incorporated herein by reference shall constitute the whole agreement between the parties. There are no promises, terms, conditions, or obligations other than those contained herein, and this Contract shall supersede all previous communications, representations, or agreements, written or verbal, between the parties hereto.

9. Notice. For purposes of this agreement, notices shall be sent as follows:

Any notice or other communication given under the Contract will be in writing and delivered by hand, sent by facsimile (provided acknowledgement of receipt thereof is delivered to the sender), sent by certified, registered mail, or sent by any nationally recognized overnight courier service to the addresses provided herein. The parties may, from time to time and at any time, change their respective addresses and each will have the right to specify as its address any other address by at least 10 days written notice to the other party.

10. Contract Construction. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original but all of which together shall constitute one and the same instrument. The delivery by facsimile or e-mail of an executed copy of this Agreement shall be deemed valid as if an original signature was delivered. No contract shall be formed between Contractor and the City until the City signs this Agreement.

11. Authority to Sign. Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party to the Agreement.

Planned Maintenance Terms and Conditions

The prices quoted are good for 90 days from quote date. All prices are in US Dollars and are payable in advance unless other terms are agreed upon in writing between the customer and Cummins Power South. Applicable sales taxes are not included in the quoted prices.

~~Payment terms for customers with an approved Cummins Power South credit account are Net 30 with 1-1/2% interest accruing per month. Any costs incurred by Cummins Power South for collection of customer debt will be passed to the customer. Cummins Power South retains the right to bring suit in Clayton County, Georgia should the customer default.~~

At Cummins Power South, we are dedicated to the long term health and safety of our employees, our customers and to the environment in which we live. All work will be performed with a high regard for safety and in compliance with all local and federal safety/environmental requirements. Safe access must be provided and maintained to all equipment being serviced by the equipment owner.

Services will be provided only on the equipment identified in this agreement. The services included are defined in the Service Events section of this agreement. The full service event price includes materials, labor, travel time and mileage. Materials consist of lubricating oil, filters, fuel oil filters, coolant filters and up to two gallons of coolant. No other work, materials or activities are included in this agreement. If additional work is required, our technicians will advise the customer of these requirements before any work is initiated. Additional repairs will be billed at our current field service rates.

~~The term of this Agreement is one year and will automatically renew with up to a 5% increase in parts and labor prices for each renewal term unless either party gives 30 days notice of cancellation before the end of the then current term.~~

Limited warranties apply for select parts and service as defined by the respective component Manufacturer's Limited Warranties or by Cummins Power South's Limited Service Warranty. No other warranties apply. In no event is Cummins Power South liable for incidental or consequential damages caused by products or services that we supply.

CITY COUNCIL AGENDA ITEM

REQUESTED COUNCIL MEETING DATE 12/08/2015

Consent item: Yes

SUBJECT: Sole source contract for repairs with Menzi USA Sales Inc.

DEPARTMENT: Public Works

GOAL: 1 - Infrastructure Preservation

OBJECTIVE: 4 - Enhance the infrastructure maintenance programs in order to extend the full life of capital investments

RECOMMENDED MOTION: Move to approve increased spending limit to \$87,810.61 with Menzi USA Sales, Inc. as sole source vendor for repairs to the Menzi Muck Excavator and authorize the Mayor and City Clerk to execute all required documents.

SUMMARY: The Menzi Muck Excavator purchased in 2008 is inoperable and in need of repairs. The repairs will add at least five years to the operable life of the equipment. Menzi USA Sales, Inc. is a sole source vendor for parts and service in the United States for this specialized piece of equipment. Menzi USA Sales Inc. has provided a written estimate of \$87,810.61 for the repairs which includes a \$5,000.00 freight charge to ship the parts from Switzerland. For comparison, the cost to purchase a new Menzi Muck Excavator is \$298,494.00.

The Menzi Muck Excavator is a vital piece of equipment utilized to maintain and improve storm water conveyance and storage in the drainage swales and ditches as well as retention ponds.

2015 Menzi Muck M3

The Menzi Muck M3 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★ Western	★ Northern	★ Central	★ Southern
BASE PRICE:	\$254,235.00	\$254,235.00	\$254,235.00	\$254,235.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

CITY OF PORT ORANGE STANDARD CONTRACT FOR SERVICES

This Standard Contract for Services ("Contract") is entered into this ____ day of _____, 2015, by and between the **CITY OF PORT ORANGE**, a Florida municipal corporation, whose principal address is 1000 City Center Circle, Port Orange, Florida 32129 (the "City"), and **MENZI USA SALES, INC.**, a Florida corporation whose principal address is 1850 Fairbanks Street, Lakeland, Florida 33805 ("Contractor"). (The City and Contractor are collectively referred to herein as the "Parties.")

1. Provision of Services

- (a) The Contractor hereby agrees to provide the City of Port Orange with Menzi Muck equipment repair, including all materials, labor, parts and freight.
- (b) The time, manner and place for performance of such services shall be:

Term: The term of this Contract shall be effective commencing on the last date the Contract is signed by the Parties and shall continue until June 1, 2016.

Manner and Place: In a manner as required by all current federal, state, county, and local codes, laws, ordinances and regulations, and with applicable permits and licenses per the City Code of Ordinances.

Time and Essence: Contractor acknowledges that time is of the essence for the Purchase Order(s) issued hereunder.

Authorization for Services. This Contract standing alone does not authorize the purchase of any goods or services or require the City to place any orders for goods or service. Authorization for the purchase of goods or services from Contractor under this Contract shall be in the form of written Purchase Order(s) issued and executed by the City. The City reserves the right to contract with other parties for the goods and services contemplated by this Contract, as determined in the City's sole and absolute discretion.

2. City Obligations. In return for the services identified above, the City agrees to compensate Contractor at the prices set forth in Exhibit "1" attached hereto, subject to a limit up to but not to exceed Eighty-Seven Thousand Eight Hundred Eleven and 00/100 Dollars (\$87,811.00) for the term of the contract. The City's obligation to pay Contractor under this Contract is limited to the budgeted amount for the fiscal year approved by the Port Orange City Council for the then current fiscal year. All payments shall be governed by the Local Government Prompt Payment Act as set forth in Sections 218.70 through 218.79, Florida Statutes, as amended.

3. Contract Administration. Branford N. Adumuah, Director of Public Works, shall perform contract administration of this Contract. For notice provisions, see the paragraph below entitled "Notice."

4. Termination for Convenience of the City

(a) The parties agree that the City may terminate this Contract, or any work or delivery required hereunder, from time to time either in whole or part, whenever the City Manager of Port Orange shall determine that such termination is in the best interest of the City.

(b) Termination, in whole or in part, shall be effected by delivery of a Notice of Termination signed by the City Manager or his designee, mailed or delivered to the Contractor, and specifically setting forth the effective date of termination.

(c) Upon receipt of such Notice, the Contractor shall:

- (i) cease any further deliveries or work due under this Contract, on the date, and to the extent, which may be specified in the Notice;
- (ii) place no further orders with any subcontractors except as may be necessary to perform that portion of this Contract not subject to the Notice;
- (iii) terminate all subcontracts except those made with respect to contract performance not subject to the Notice;
- (iv) settle all outstanding liabilities and claims which may arise out of such termination, with the ratification of the Finance Director of Port Orange; and
- (v) use best efforts to mitigate any damages which may be sustained by the Contractor as a consequence of termination under this clause.

(d) After complying with the provisions of subparagraph (c), above, the Contractor shall submit a termination claim, in no event later than six (6) months after the effective date of termination, unless one or more extensions of three (3) months each are granted by the Finance Director.

(e) The Finance Director, with the approval of the City Manager, shall pay from the using department's budget, reasonable costs of termination, including a reasonable amount for profit on supplies or services delivered or work completed. In no event shall this amount be greater than the original contract price, reduced by any payments made prior to Notice of Termination, and further reduced by the price of the supplies not delivered or the services not provided. This Contract shall be amended accordingly, and the Contractor shall be paid the agreed amount.

(f) In the event that the parties cannot agree on the whole amount to be paid to the Contractor by reason of termination under this clause, the Finance Director shall pay the Contractor the amounts determined as follows, without duplicating any amounts which may have already been paid under the preceding paragraph of this clause:

- (i) With respect to all Contract performance prior to the effective date of Notice of Termination, the total of:
 - (1) the cost of work performed or supplies delivered;
 - (2) the cost of settling and paying any reasonable claims as provided in paragraph (c) (iv), above;
 - (3) a sum as profit on (a) determined by the Finance Director to be fair and reasonable.

- (ii) The total sum to be paid under (i) above shall not exceed the contract price, as further reduced by the contract price of work or supplies not terminated.

(g) In the event that the Contractor is not satisfied with any payments which the Finance Director shall determine to be due under this clause, the Contractor may appeal any claim to the City Council in accordance with Paragraph 19 of this contract concerning disputes.

5. Termination for Convenience for Subcontractors. In accordance with the termination for the convenience of the City provision of this contract, the Contractor shall include similar provisions in any subcontract, and shall specifically include a requirement that subcontractors make all reasonable efforts to mitigate damages which may be suffered. Failure to include such provisions shall bar the Contractor from any recovery from the City whatsoever of loss or damage sustained by a subcontractor as a consequence of termination for convenience.

6. Termination for Default. Either party may terminate this Contract, without further obligation, for the default of the other party or its agents or employees with respect to any agreement or provision contained herein. Either party may terminate this Contract, without further obligation, for the default of the other party or its agents or employees with respect to any agreement or provision contained herein.

7. Examination of Records

(a) The Contractor agrees that the City, or any duly authorized representative, shall, until the expiration of five (5) years after final payment hereunder, have access to and the right to examine and copy any pertinent books, documents, papers and records of the Contractor involving transactions related to this Contract.

(b) The Contractor further agrees to include in any subcontract for more than \$10,000 entered into as a result of this Contract, a provision to the effect that the subcontractor agrees that the City or any duly authorized representative shall, until the expiration of five (5) years after final payment under the subcontract, have access to and the right to examine and copy any pertinent books, documents, papers and records of such contractor involved in transactions related to such subcontract, or this Contract. The term subcontract as used herein shall exclude purchase orders for public utility services at rates established for uniform applicability to the general public.

(c) The period of access provided in subparagraphs (a) and (b) above for records, books, documents and papers which may relate to any arbitration, litigation, or the settlement of claims arising out of the performance of this contract or any subcontract shall continue until any appeals, arbitration, litigation or claims shall have been finally disposed of.

8. Public Records Compliance. Contractor shall comply with public records laws as set forth in Chapter 119, Florida Statutes, and shall specifically:

(a) Keep and maintain public records that ordinarily and necessarily would be required by the City in order to perform the service.

(b) Provide the public with access to public records on the same terms and conditions that the City would provide the records and at a cost that does not exceed the cost provided in Section 119, Florida Statutes, or as otherwise provided by law.

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

(d) Meet all requirements for retaining public records and transfer to the City, at no cost, all public records in possession of the Contractor upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored

electronically must be provided to the City in a format that is compatible with the information technology systems of the City.

If Contractor does not comply with a public records request, the City shall enforce the contract provisions in accordance with the contract.

9. Termination for Non-Appropriation of Funds

(a) If funds are not appropriated for any succeeding fiscal years subsequent to the one in which this contract is entered into, for the purpose of this Contract, then the City may terminate this Contract upon thirty (30) days prior written notice to the Contractor. Should termination be accomplished in accordance with this Section, the City shall be liable only for payments due through the date of termination.

(b) The City agrees that should it terminate in accordance with this Section, it shall not obtain services which are substantially equal to or similar to those for which this contract was entered into. This provision shall survive any termination of the Contract.

10. Insurance. Contractor shall maintain insurance during the life of this Contract. Contractor shall provide to the City a certificate of insurance identifying the City of Port Orange as an additional insured. For workers' compensation coverage, the bidder's insurance certificate shall include the insurer's waiver of subrogation in lieu of naming the city as an additional insured for workers' compensation.

Policies other than Workers' Compensation shall be issued by insurers licensed and/or duly authorized under Florida Law to do business in the State of Florida and all insuring companies are required to have a minimum rating of "A" in the "Best Key Rating Guide" published by A.M. Best & Company, Inc. Policies for Workers' Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.572. Contractor shall not commence work under this Agreement until the City has received a certificate or certificates of insurance and endorsement evidencing the required insurance. Contractor shall provide the City written notice of cancellation, nonrenewal or any other changes in coverage no later than ten (10) days prior to the effective date of the change.

The City reserves the right to increase insurance coverage as determined for higher risk contracts and shall reimburse the Contractor for the reasonable additional costs of increased coverage.

11. Assignability of Contract. Neither this contract, nor any part hereof, may be assigned by the Contractor to any other party without the express written approval of the City Council.

12. Modifications or Changes to this Contract

(a) Change Orders. The Department Head, with the concurrence of the City's signatory as required by the City's Purchasing Policy, shall without notice to any sureties, have the authority to order changes in this Contract which affect the cost or time of performance. Such changes shall be ordered in writing specifically designated to be a change order. Such orders shall be limited to reasonable changes in the services to be performed or the time of the performance. The City will not be held liable for any changes which have not been properly authorized and approved in accordance with this Contract.

(b) If any change under this clause causes an increase or decrease in Contractor's cost of, or time required for the performance of the work hereunder, Contractor shall receive an equitable adjustment in accordance with subparagraph (d), which shall include all compensation to the Contractor, or the City, of any kind in connection with such change, including all costs and damages related to or incidental to such change.

(c) Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(d) No claim for changes ordered hereunder shall be considered if made after final payment in accordance with the Contract.

13. Sovereign Immunity. The City expressly retains all rights, benefits and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Notwithstanding anything set forth in any section of this Contract to the contrary, nothing in this Contract shall be deemed as a waiver of immunity or limits of liability of the City beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature or may be adopted by the Florida Legislature and the cap on the amount and liability of the City for damages regardless of the number or nature of claims in tort or equity shall not exceed the dollar amount set by the legislature for tort. Nothing in this Contract shall inure to the benefit of any third party for the purpose of allowing

any claim against the City which would otherwise be barred under the Doctrine of Sovereign Immunity or operation of law.

14. Warranties. Contractor warrants that (1) the supplies to be provided to the City pursuant to this Contract are fit and sufficient for the purpose intended; (2) the supplies are merchantable, of good quality, and free from defects, whether patent or latent, in material or workmanship, and (3) the supplies sold to the City pursuant to this Contract conform to the standards required by this Contract.

Contractor further warrants that Contractor has title to the supplies provided, and that the supplies are free and clear of all liens encumbrances, and security interests. All warranties made in this Contract, together with service warranties and guarantees, shall run to the City and its successors and assigns.

15. Additional Warranties. Contractor further expressly warrants that materials and workmanship are warranted from defect for a one-year period. This is a minimum acceptable warranty.

16. Inspection

(a) All supplies (which term throughout this clause includes without limitation raw materials, components, intermediate assemblies, and their products) shall be subject to inspection and test by the City, to the extent practicable at all times and places including the place of manufacturer, and in any event prior to acceptance.

(b) In the event any supplies or lots of supplies are defective in material or workmanship, or otherwise not in conformity with the requirements of this Contract, the City shall have the right either to reject them (with or without instructions as to their disposition) or to require their correction. Supplies or lots of supplies which have been rejected or required to be corrected shall be removed or, if permitted or required by the Finance Director, corrected in place by and at the expense of Contractor promptly after notice, and shall not thereafter be tendered for acceptance unless the former rejection or requirement of correction is disclosed. If Contractor fails promptly to remove such supplies or lots of supplies which are required to be removed or promptly to replace or correct such supplies or lots of supplies, the City may either (i) by contract or otherwise replace or correct such supplies and charge Contractor the cost for such replacement or correction; or (ii) may terminate this Contract for default as provided in the clause of this Contract entitled "Termination for Default." Unless Contractor corrects or replaces such supplies within the delivery schedule, the Finance Director may require the delivery of such supplies at a reduction in price, which is equitable under the circumstances. Acceptance or rejection of the supplies shall be made as promptly as practicable after delivery, except as otherwise provided in this Contract. Failure to inspect and accept or reject supplies shall neither relieve Contractor from responsibility for such supplies as are not in accordance with the Contract requirements nor impose liability on the City therefor.

(c) The inspection and test by the City of any supplies or lots thereof does not relieve Contractor from any responsibility regarding defects or other failures to meet the Contract requirements, which may be discovered prior to acceptance. Except as otherwise provided in this Contract, acceptance shall be conclusive except as regards latent defects, fraud, or such gross mistakes as amount to fraud.

17. Liability for Loss or Damage. Contractor shall be liable for any loss of, or damage to, City property caused by the negligence, recklessness, or intended wrongful misconduct of Contractor, his/its agents, servants and employees and shall indemnify and save the City harmless against all actions, proceedings, claims, demands, costs, damages and expenses, including attorney's fees, by reason of any suit or action brought for any actual or alleged injury to or death of any person or damage to property including City property, resulting from the performance of the Contract by Contractor, his/its agents, servants and employees. Contractor shall submit a full written report to the Finance Director within twenty-four (24) hours following the occurrence of such damage, loss or injury.

18. Non-discrimination. During the performance of this Contract, Contractor agrees as follows:

(a) Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, disability, marital status, age or national origin, except where such is a bona-fide occupational qualification reasonably necessary to the normal operation of Contractor. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause. Contractor agrees and fully supports and complies with the Americans with Disabilities Act of 1990.

(b) Contractor shall state in all solicitations or advertisements for employees placed by or on behalf of Contractor that Contractor is an equal opportunity employer.

(c) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient compliance with this provision. Contractor shall include the provisions of the foregoing subparagraphs (a), (b), and (c) in every subcontract or purchase order of over \$10,000 so that the provisions will be binding upon each subcontractor or vendor.

19. Disputes. The Finance Director, who shall reduce his decision to writing and mail or otherwise furnish a copy thereof to Contractor, shall decide disputes with respect to this Contract in the first instance. The decision shall be final and binding unless, within thirty-(30) days from the date of such decision, Contractor mails or otherwise furnishes to the Finance Director a written appeal addressed to the City Manager. The decision by the City Manager shall be final and binding unless, within ten (10) days from the date of receipt of the decision of the City Manager, appeal is made to the City Council. The decision of the City Council shall be final and binding unless set aside by a court of competent jurisdiction as fraudulent, capricious, arbitrary, or so grossly erroneous as necessary to imply bad faith, or not to be supported by any evidence. Pending a final determination of a properly appealed decision of the Finance Director, Contractor shall proceed diligently with the performance of this Contract in accordance with that decision.

20. Force Majeure. Neither party shall be liable for any delay in performance or failure to perform any obligation hereunder if, and to the extent that, such failure or delay is caused by an event of Force Majeure. Force Majeure shall mean any act, event or condition that is beyond the party's reasonable control, that materially and adversely affects the party's ability to perform its obligations hereunder, and that is not the result of the party's willful neglect, error, omission or failure to exercise reasonable due diligence.

21. Controlling Law. **THIS AGREEMENT CONTAINS IMPORTANT MATTERS AFFECTING LEGAL RIGHTS AND IS ACCEPTED AND ENTERED INTO IN FLORIDA AND ANY QUESTION REGARDING ITS VALIDITY, CONSTRUCTION, ENFORCEMENT, OR PERFORMANCE SHALL BE GOVERNED BY FLORIDA LAW. ANY LEGAL PROCEEDING ARISING FROM OR IN ANY WAY REGARDING THE AGREEMENT SHALL HAVE ITS VENUE LOCATED EXCLUSIVELY IN THE CIRCUIT COURT OF VOLUSIA COUNTY, FLORIDA, AND THE PARTIES HEREBY EXPRESSLY CONSENT AND SUBMIT THEMSELVES TO THE PERSONAL JURISDICTION AND VENUE OF THE COURT.**

22. Additional Provisions. As may have been outlined in Exhibit "1" and any attachments or exhibits to this Contract whether delivered herewith or subsequently approved as a part hereof, such as drawings or technical specifications prepared in the performance of this work.

23. Integration. This Contract and the documents incorporated herein by reference shall constitute the whole agreement between the parties. There are no promises, terms, conditions, or obligations other than those contained herein, and this Contract shall supersede all previous communications, representations, or agreements, written or verbal, between the parties hereto.

24. Notice. For purposes of this agreement, notices shall be sent as follows:

The parties may, from time to time and at any time, change their respective addresses and each will have the right to specify as its address any other address by at least 10 days written notice to the other party.

25. Contract Construction

This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original but all of which together shall constitute one and the same instrument. The delivery by facsimile or e-mail of an executed copy of this Agreement shall be deemed valid as if an original signature was delivered. No contract shall be formed between Contractor and the City until the City signs this Agreement.

26. Authority to Sign. Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party to the Agreement.

SUBJECT: Change Order #6 to Hall Construction

DEPARTMENT: Parks & Recreation

GOAL: 2 - Quality of Life

OBJECTIVE: 1 - Maintain existing beautification efforts and implement phases not yet complete

RECOMMENDED MOTION: Move to approve change order 6 to Hall Construction contract for Cypress Head Clubhouse for \$11,085 and authorize the Mayor and City Clerk to execute the associated documents.

SUMMARY: The restrooms in the clubhouse are used primarily by Tavern patrons and they are in need of repair. The partitions are pulling off the walls and cannot be repaired.

Since the opening of the Tavern, patrons have been stepping off the side of the new deck where there is no railing. They have informed of this hazard and have asked us to add railing to this portion of the deck for patron safety.

Hall Construction is currently under contract awaiting the delivery and installation of the deck awning and they have provided pricing for this work. Total cost to replace partitions and add new railing is \$11,085. Funding is available in AIO 025.

SUBJECT: License Agreement on Parcel 908 to Pioneer Community Development District constructing the South Williamson Boulevard Extension.

DEPARTMENT: Public Utilities

GOAL: 1 - Infrastructure Preservation

OBJECTIVE: 4 - Enhance the infrastructure maintenance programs in order to extend the full life of capital investments

RECOMMENDED MOTION: Move to approve License Agreement on Parcel 908 to Pioneer Community Development District, and to authorize the Mayor and City Clerk to execute the License Agreement in the form as provided in the agenda materials.

SUMMARY: Pioneer Community Development District (PCDD) is constructing the South Williamson Boulevard Extension from Airport Road to Pioneer Trail. The 252-ft +/- road segment that is the subject of this License Agreement is adjacent to Cypress Head Golf Course on property owned by the City of Port Orange, across from Ashton Lake Apartments, and is graphically illustrated on Parcel 908 - Exhibit "A" included here.

The License Agreement provides PCDD and its contractors the temporary right to occupy the 10-ft. wide strip of land immediately adjacent to the South Williamson Boulevard R/W for purposes of harmonizing the grade during and upon completion of road construction. This is not a conveyance of property rights; merely a permission to harmonize the finished road surface with existing grade on adjacent City property.

THIS LICENSE AGREEMENT ("Agreement") is made and entered into by and between City of Port Orange ("Licensor") and the Pioneer Community Development District, including its contractors, agents, and assigns ("Licensee").

In consideration of the mutual benefits provided in this Agreement, the parties agree as follows:

Licensor grants to Licensee the temporary right to enter, occupy, and use the following described real property located in Volusia County, Florida:

See **EXHIBIT "A"** and **PARCEL 908 - EXHIBIT "A"** attached hereto and by reference made a part hereof ("Property").

Licensee may enter, occupy, and use the Property to fill, grade, and stabilize in order to slope, tie-in and harmonize grade improvements with the construction undertaken as part of the above-referenced financial project, together with tying-in, conformation, and harmonization to and upon the Licensor's adjacent Property.

The term of this Agreement shall commence the date it is executed by Licensor and shall continue until the completion of the above-referenced financial project. This Agreement is not revocable.

This Agreement embodies the entire understanding of the parties. No representations or promises have been made except those that are specifically set out in this Agreement.

IN WITNESS WHEREOF, intended to be legally bound hereby, Licensor executes this Agreement.

SUBJECT: 2015 Annual Concurrency Management Report

DEPARTMENT: Community Development

GOAL: 1 - Infrastructure Preservation

OBJECTIVE: N/A

RECOMMENDED MOTION: Move to accept the 2015 Concurrency Management Report, as recommended by the Planning Commission.

SUMMARY: PLANNING COMMISSION ACTION 11/19/15: Recommended acceptance of the 2015 Concurrency Management Report

Concurrency is the finding that public facilities and services necessary to support a proposed development are available, or will be made available concurrently with the impacts of a development. All Florida municipalities are required to adopt and implement concurrency management systems in accordance with State law. In addition to the individual concurrency reviews for current development proposals, this report, prepared annually, is intended to monitor the cumulative effect of all approved Development Orders and Development Permits on the capacity of public facilities. Concurrency reviews evaluate a project's impact on the following seven public facilities and services:

- Transportation
- Sanitary Sewer
- Potable Water
- Stormwater Drainage
- Solid Waste
- Recreation
- Public Schools

As indicated in the report, the public facilities and services subject to concurrency review are at sufficient levels for FY 2015/2016, with the exception of one elementary school.

Since 2011, Port Orange Elementary has exceeded the LOS standards; however, this is due to the gifted program offered at this school that draws students from outside the attendance boundary and not unplanned development. Even with the addition of a third gifted program in the Port Orange area, the enrollment at Port Orange Elementary remains above the capacity. According to the School District, the capacity at Port Orange Elementary is not considered a concurrency issue because there is minimal new residential growth planned within the school attendance boundary and the adjacent

elementary schools have remaining capacity. The School District will continue to monitor the capacity at Port Orange Elementary.

This 2015 Concurrency Management Report was prepared by the Community Development Department, with assistance from the Finance, Parks & Recreation, Public Utilities, and Public Works Departments and Volusia County Schools.

I. EXECUTIVE SUMMARY

Concurrency is the finding that public facilities and services necessary to support new development are available, or will be made available, by the time the impacts of development are expected to occur. As mandated by State law, all municipalities must conduct concurrency reviews on development proposals and make a finding of concurrency before any development orders or permits can be issued. Concurrency reviews evaluate a project's impact on the following seven public facilities and services:

**Transportation
Sanitary Sewer
Potable Water
Stormwater Drainage
Solid Waste
Recreation
Public Schools**

The concurrency management system for the City of Port Orange is established by policy in the City's Comprehensive Plan, and administered through regulations contained within the City's Land Development Code. The Community Development Department is responsible for regularly monitoring the cumulative effect of all approved Development Orders and Development Permits on the capacity of public facilities. In addition to the individual concurrency reviews for current development proposals, this report, prepared annually, is intended to meet this obligation.

From October 1, 2014 through September 30, 2015 the Community Development Department issued Development Orders that secured capacity reservations for 156,186 square feet of new non-residential space and 194 residential units.

In review of the City's position with respect to concurrency, the public facilities and services subject to concurrency review are at sufficient levels for FY 15/16.

- Traffic: There are no roadways operating below the adopted Level-of-Service (LOS). Traffic volumes within the City have increased on some segments and decreased on other segments over the past year. Roads on the west side of I-95 will likely experience the most traffic growth in the future. Roadway improvements are planned for the next several years to keep pace with anticipated development.
- Sanitary Sewer and Potable Water: These systems continue to have capacity to support additional growth within the City. The LOS for potable water will be monitored to ensure that permitted ground water withdrawal capacity per the Consumptive Use Permit, issued to the City by St. Johns River Water Management District, is not exceeded.
- Stormwater Drainage: The stormwater LOS requirement is being met for all drainage facilities constructed after the 1970's (when the City's stormwater regulations were adopted) with respect to being able to treat the runoff from the 25-year, 24-hour storm without causing flooding or polluting the receiving water bodies. The City continues to identify long-term solutions and implement drainage

improvement and maintenance programs to enhance the function of the full stormwater system including those areas developed prior to the adoption of the stormwater regulations.

- Solid Waste: Solid waste generation rates are within the adopted LOS standard. Although the amount of solid waste generated decreased in 2015 compared to 2014, the City will need to monitor the amount of solid waste generated because the generation rate trend has been gradually increasing since 2011. The City may need to explore options for encouraging a reduction in solid waste generation and an increase in recycling.
- Recreation and Open Space: The LOS is being met for all recreational facilities.
- Public Schools: LOS is being met for all but one of the public schools located in the Port Orange area. Since 2011, Port Orange Elementary has exceeded the LOS standards; however, this is due to the gifted program offered at this school that draws students from outside the attendance boundary and not unplanned development. In 2012 the school district opened a third gifted center at Horizon Elementary in order to address the increase in enrollment at Port Orange Elementary, as well as the anticipated increases at Cypress Creek Elementary due to residential growth. Even with this program change Port Orange Elementary continues to exceed the LOS standard. The school district will continue to monitor the capacity at Port Orange Elementary; however, the capacity level is not considered a concurrency issue because there is not much new residential growth planned within the school attendance boundary and the adjacent schools have remaining capacity.

II. OVERVIEW OF CONCURRENCY MANAGEMENT

Concurrency is the finding that public facilities and services necessary to support a proposed development are available, or will be made available concurrently with the impacts of a development. All Florida municipalities are required to adopt and implement concurrency management systems in accordance with State law.

The concurrency management system for the City of Port Orange is established by policy in the City's Comprehensive Plan, and administered through regulations contained within the City's Land Development Code (LDC). Local level-of-service standards (LOS) for seven types of public facilities and services have been adopted as part of the Comprehensive Plan. During the subdivision or site plan review process, the City evaluates each proposed development for its anticipated impact on these facilities and services, and makes a finding of whether approval of the project would cause these facilities or services to drop below their adopted LOS.

In general, no final Development Orders or permits may be issued for development until there is a finding that all public facilities and services included in the City's Concurrency Management System have sufficient capacity to accommodate the impacts of the development, or that improvements necessary to bring facilities up to their adopted LOS will be in place at the same time the impacts occur. Development Orders and permits include subdivision approval, site development plan approval, and the issuance of building permits.

Public Facilities and Services Subject to Concurrency Review

Concurrency review evaluates impacts on seven types of public facilities and services:

**Transportation
Sanitary Sewer
Potable Water
Stormwater Drainage
Solid Waste
Recreation
Public Schools**

If the City's concurrency review reveals a proposed development will generate impacts that exceed available capacity, the City must secure a financial or other legally binding commitment to ensure that improvements necessary to correct the anticipated deficiency will be in place concurrent with the impacts of the proposed development. Should the City and/or the developer be unable to provide such assurances, the project must be denied. Projects denied due to a failure to meet concurrency requirements, but for which all other LDC requirements have been met, can be placed on a prioritized list for approval of Development Orders once facility improvements have been made.

Concurrency Administration

The Community Development (CD) Department is responsible for coordinating all concurrency reviews by City departments. Concurrency reviews are conducted as part of the development review process for site plans and residential subdivisions. The CD Department may also conduct non-binding concurrency reviews for developments in the pre-application or conceptual plan stage.

The CD Department is also responsible for monitoring the cumulative effect of all approved Development Orders and development permits on the capacity of public facilities. The annual Concurrency Management Report is intended to meet this obligation.

From October 1, 2014 through September 30, 2015, the CD Department conducted concurrency reviews for 17 non-residential projects and 2 residential projects. During this period, Development Orders were issued (or extended) and capacity reservations were secured for a total of 156,186 square feet of new non-residential space and 194 residential units. As of September 30, 2015, there are 444,162 square feet of non-residential space and 987 residential units that remain vested but un-built from previous years (see Exhibit 1).

Exemptions from Concurrency

Three types of development are exempt from concurrency review.

1. Vested projects with valid development orders or permits issued prior to November 1, 1990;
2. Public facilities; and
3. De minimus projects.

Development Orders for projects which meet these criteria may be issued without a finding of concurrency. However, if the proposed development will impact a public facility for which a deferral or moratorium on development has been placed, then no development orders may be issued until the deficiency is corrected.

Public facilities necessary to ensure the protection of the health, safety and general welfare of the citizens of Port Orange are exempt from concurrency review. This includes all public facility construction projects in the City's Capital Improvements Program required to maintain adopted LOS standards. This means that new public facilities, such as fire stations, are not reviewed to determine whether they will generate impacts that may negatively affect the City's level of service standards.

A de minimus development has very minimal impact, if any, on the City's adopted level of service standards set forth in the Comprehensive Plan. The following criteria are used to determine if a development is de minimus:

- Development of a single-family or two-family (duplexes) dwellings on a lot of record or un-platted parcel created before April 10, 1990 is deemed to be de minimus from all Concurrency reviews.
- Development with a daily trip generation rate of less than one percent of the maximum trip volume at the adopted level-of-service on an adjacent roadway and, on non-hurricane evacuation routes, would not cause the maximum volume to be exceeded by 110 percent is deemed de minimus for purposes of assessing transportation LOS.

- Development that does not increase the number of school-age residents beyond the district-wide LOS standards established by the Volusia County School Board is deemed de minimus for purposes of assessing school levels of service.

In addition, developments in the Port Orange Town Center Transportation Concurrency Exception Area (TCEA) are exempt from the standard vehicular transportation concurrency review requirements of the LDC. The TCEA is intended to support the redevelopment objectives of the City by providing a multi-faceted strategy for maintaining acceptable overall mobility, while minimizing the need for major road improvements that would potentially alter the desired character of the Town Center. Development within the TCEA is required to comply with the mobility strategies identified by the City to ensure continued safety and efficiency of the transportation system and to mitigate the impacts of the proposed development. Little development has occurred in the area since the TCEA was adopted, and although the exemption exists, there are no transportation concurrency issues in the area.

Vested Development

Development projects which had valid development orders or permits prior to the commencement of the City's concurrency regulations on November 1, 1990 are considered vested. This also includes all vacant single-family and two-family residential lots in subdivisions platted before that time. Lots and parcels which are vested for concurrency but have not yet been constructed or built out are considered reserved, meaning that the capacity has been reserved in the concurrency system to support their eventual construction.

When completed and occupied, the vested and reserved residential development will add approximately 2,220 new citizens to Port Orange¹. The current list of remaining vested development, as of September 30, 2015, is listed in Exhibit 1, along with the developments that have current Development Orders and capacity reservations.

¹ Average household size is 2.25, per the 2010 Census. Previous census provided average household size by housing unit type (i.e. single-family, multi-family, mobile home). As of the 2010 Census, this data is no longer provided.

Adopted Level-of-Service Standards (LOS)

The adopted level-of-service standards (LOS) for public facilities subject to concurrency are established in the City of Port Orange's Comprehensive Plan and the Land Development Code. The standards for each facility and service are indicated in Part II of this report.

Capacity Reservations

If a concurrency review for a proposed development reveals that there is sufficient capacity to support it, a Development Order will be issued and capacity is reserved. Capacity reservations are made based on the date of project approval by the Community Development Department or the City Council. Capacity reservations are made in conjunction with the issuance of a final Development Order. They are valid only for the specific land use(s), densities, intensities and construction and improvement schedules as contained on the Development Order and any applicable development agreements for the property.

The issuance of a Development Order generally reserves public facility capacity for the project for one year. For Planned Unit Developments (PUD) and Planned Commercial Developments (PCD), capacity may be reserved for the first phase of the project for up to one year from the issuance of the approval. Capacity reservations for concurrency expire when the underlying Development Order or development agreement expires or is revoked.

The City Council may also reserve public facility capacity for a particular land area or specific land use, provided it is done in accordance with a specific development or redevelopment strategy identified in the Comprehensive Plan. This would include such community development objectives as providing affordable housing or diversification of the tax base.

Development Deferrals/Moratoria

If, at any time, the City's inventory of public facilities capacities indicates that a facility has dropped below its adopted LOS, then the City will cease to issue any development orders which would impact that facility. Such a deferral will continue until the adopted LOS is reestablished through facility improvements or other methods, or the adopted LOS as established in the Port Orange Comprehensive Plan is amended to reflect a lower, acceptable community standard. If improvements to a facility are not anticipated to keep pace with the demand brought about by new development, then the City may declare a development deferral or moratorium of specified duration and/or location.

III. CURRENT CAPACITIES AND LEVEL OF SERVICE

This section of the report will look at each facility subject to concurrency. First, the facility's adopted level-of-service (LOS) will be identified. Next, the current status of the facility relative to its adopted LOS will be evaluated. Lastly, the City's ability to meet the demands of new development at adopted levels-of-service during the upcoming year will be considered and a description of projected long-term improvements is provided.

TRANSPORTATION FACILITIES

Level of Service Measures

The City evaluates LOS for concurrency review purposes based on peak-hour trips for city roads and on peak-hour and daily trips for County and State roads. This allows the City to evaluate the existing and projected LOS on roadway segments so the City can target specific improvements to maintain the adopted LOS or to make improvements for specific movements, if necessary.

Adopted Level-of-Service Standards

Exhibit 2 lists the currently adopted level-of-service standards for roads in the City.

Exhibit 2: Adopted Roadway Level-of-Service Standards

Administrative Facility Type	Adopted LOS Standard
Florida Strategic Intermodal System (SIS)	C
State Arterials and non-SIS roads	D
County	E
City	E

Florida Strategic Intermodal System (SIS) Roadways - LOS "C"

In Port Orange, the sole Florida Strategic Intermodal System (SIS) roadway facility is I-95. The state mandates these roads be maintained at LOS "C" or better. According to the Highway Capacity Manual, LOS "C" is defined as stable flow but the operation of individual users is significantly affected by interactions with other vehicles in the traffic stream. Ability to select and maintain a desired speed is affected by the presence of other vehicles, and changing lanes becomes more difficult. The general level of comfort and convenience is good, although considerably less than at LOS "A."

State Arterials (Non-SIS Facility) & Designated Hurricane Evacuation Routes - LOS "D"

State-maintained principal arterials and hurricane evacuation routes are designated at LOS "D". Only US 1 (Ridgewood Avenue), SR 421 (Dunlawton Avenue), SR A1A (Dunlawton bridge) and SR 5A (Nova Road) are designated with LOS "D". According to the Highway Capacity Manual, LOS "D" is defined as high-density yet stable flow. The ability to select a desired speed and to change lanes is severely restricted, although the driver or passenger still experiences a fair level of comfort and convenience. Small increases in traffic flow can cause operational problems at this LOS.

All City Roads and County Arterial and Collector Facilities - LOS "E"

The City's LOS standard for city roads and the County's LOS standard for county roads is "E". According to the Highway Capacity Manual, LOS "E" is defined as high-density and often unstable traffic flow. Speeds are generally reduced to a low, but relatively uniform value during peak periods. The ability to change lanes is extremely difficult and is generally accomplished by forcing another vehicle to slow down to accommodate such maneuvers. Comfort and convenience is poor and driver frustration is high. Small increases in traffic volume or other minor problems such as a stalled vehicle can cause traffic to come to a complete stop for relatively long periods. LOS "E" is slightly more degraded than "D" however most motorists don't recognize a difference.

Design Capacity and Existing Level-of-Service

Exhibit 3, "Roadway Counts, Functional Classification and LOS" indicates the design capacity and adopted levels of service of various arterial and collector roadways in the City of Port Orange, existing traffic volumes, existing level-of-service, and the percentage change in traffic volumes between October 2013 and 2014 for state and county roads and the percentage change in traffic volumes between October 2014 and September 2015 for city roads. The capacity of roadways is based on roadway characteristics for urbanized areas described in Table 1 of the 2013 Quality Level of Service Handbook published by FDOT.

Traffic Counts and Trends

There are no roadways operating below the adopted level-of-service. During 2014 and 2015, traffic counts taken throughout the city generally indicated moderate decreases on some routes and moderate increases on others (see Exhibit 3). The volumes indicated in Exhibit 3 are presented as average daily trips. The most recent daily traffic counts available were taken in 2014 for state and county roads and in the Spring of 2015 for city streets. No state or county count data was available for 2015 at the time of this report.

State Roads

After a 4 year trend of decreasing traffic volumes, the state roadway network began to experience moderate increases at most count stations in 2012. Of the 14 state count stations, 13 showed traffic volume increases and 1 showed a traffic volume decrease. There was an approximately 5% increase in trips on the segment of Dunlawton Avenue from Clyde Morris Boulevard to I-95. Based on the most recent traffic counts, the volume to capacity ratio for this roadway segment is 80%. Substantial capacity remains on this roadway segment, but there are concerns with some turning movements and the general traffic pattern. Staff will continue to monitor traffic volume counts in this area. There was a 4.20% increase in total trips on the state network within the city from 2013-2014.

County Roads

Traffic volumes on the county roadway network within the city indicate moderate increases on most of the count stations and slight decreases on the remaining count stations. Of the 29 county count stations, 23 showed traffic volume increases and 6 showed traffic volume decreases. There was a 2.84% increase in total trips on the county network from 2013-2014.

City Roads

Of the 24 city count stations included in this analysis period, 15 showed traffic volume increases and 9 showed traffic volume decreases. Overall, there was a 5.49% increase in total trips on the city roadway network from 2014-2015.

Roadways Currently Not Operating Within Adopted Level-of-Service:

At this time there are no roadways operating below the adopted level-of-service.

Public or Private Improvements to the System during the Past Fiscal Year and Its Impact on Capacity and LOS:

Roadway improvements completed this past year are listed below and indicated on Exhibit 4 (see pg. 17).

South Williamson Boulevard/Town West Boulevard Intersection

The project added a 4-way traffic signal at the intersection along with an associated northbound right-turn lane and drainage improvements. The project was completed in September 2015.

Proportionate Fair-Share Ordinance

In 2006, the City Council adopted a Proportionate Fair-Share Ordinance. The City has entered into Concurrency and Fair-Share Agreements with several developers. Projects funded through the fair-share process and the status of each of these projects is listed below. As of September 30, 2015, the City has collected \$5,514,805 in proportionate fair-share funds. This represents the reconciled final cost for the five fair-share projects which have been completed and closed out.

1. Interstate 95/SR 421 interchange area (phase 1) – ***Project Completed***
2. Clyde Morris Blvd/Dunlawton Avenue intersection - ***Project Completed***
3. Summer Trees Road extension- ***Project Completed***
4. Devon Street/Taylor Road Intersection –***Project Completed***
5. Town West Boulevard/Williamson Boulevard signal – ***Project Completed***

Public or Private Improvements to the System during the Current Fiscal Year (FY 15/16) and its Impact on Capacity and LOS:

Roadway improvements programmed in the current fiscal year are listed below and are indicated on the map in Exhibit 4 on page 17.

Herbert Street Westbound Right Turn Lane at Clyde Morris Boulevard

This project was completed in October 2015 and added a westbound right turn lane to the Herbert Street/Clyde Morris Boulevard intersection.

I-95 Widening

In FY 15 FDOT began widening I-95 from the present four lanes to six lanes from SR 44 to just south of SR 400/I-4. This will complete the widening of I-95 to six lanes throughout the County. The project will include lengthening the entrance and exit ramps at the SR 421(Dunlawton Avenue) interchange and installing lighting at the interchange to improve safety. The project will not include widening SR 421 (Dunlawton Avenue) in the interchange area.

South Williamson Boulevard Extension

The City's Comprehensive Plan anticipates the extension of South Williamson Boulevard as a four-lane, divided roadway running generally parallel with and west of Interstate 95 from the Airport Road intersection southward to Pioneer Trail. The road is planned to continue through New Smyrna Beach to State Route 44. As part of the future Woodhaven development, the developer will be responsible for ensuring the segment that ends at Pioneer Trail is constructed. The construction of this roadway is anticipated to reduce traffic on Airport Road and improve the overall LOS on this roadway segment. The extension project began in July 2015 and is expected to be completed by December 2016. This project is included in the TPO's 2040 Long Range Transportation Plan.

Capacities Reserved for Approved but Un-built Development:

Based on the latest traffic count data no roadway segments are operating below the adopted LOS standard. The City will continue to monitor the traffic volume on several of the City's roadways, such as Dunlawton, Clyde Morris, and Williamson, and continue to work with FDOT and Volusia County to identify and construct improvements to enhance roadway capacity and LOS.

According to Exhibit 1, there are 987 vested but un-built residential units, which are estimated to generate 8,322 average cumulative daily trips.² Residential trips such as these are reserved on the City's roadway system upon being approved or obtaining vesting. A net total of 444,162 square feet of non-residential construction is also vested but un-built.

Future Public or Private Improvements to the System and the Impact on Capacity and LOS:

The following improvements will be made to the road network in the future and will improve capacity and LOS. Roadway improvements proposed for future years are listed below and are indicated on the map in Exhibit 4 on page 17.

Dunlawton Avenue Westbound Right Turn Lane at City Center

This project includes the construction of a westbound right turn lane on Dunlawton Avenue at the intersection with City Center Parkway to improve traffic flow and reduce delays for turning vehicles and through vehicles. No additional right-of-way should be needed for this project. The project will add roadway capacity at the intersection and reduce delays for westbound vehicles turning right.

Taylor Road west of Summer Trees Road

The County completed an alignment study of this segment that recommended widening from Summer Trees Road to Spruce Creek Boulevard (Spruce Creek Fly-in entrance). The County completed the final design plans in March 2012 for the widening from Summer Trees Road to Forest Preserve Boulevard; however, construction has not been scheduled due to lack of funding. The City will be coordinating with the County to secure right-of-way

along this segment as development occurs. This project is included in the TPO's 2040 Long Range Transportation Plan.

Williamson Boulevard (Town West Boulevard to north City Limits)

Long-term improvements will need to be programmed for the northerly segments of Williamson Boulevard north of the Pavilion at Port Orange Shopping Center upon further development of the Planned Community Westside. By widening this segment, the capacity at the adopted LOS will increase from between 16,700 and 20,300 daily trips to 33,030 daily trips. This project is included in the TPO's 2040 Long Range Transportation Plan.

Yorktowne Boulevard Extension (North)

The developer for a multi-family zoned property on the south side Willow Run Boulevard, east of Williamson Boulevard is responsible for constructing a segment of the northern Yorktowne Boulevard extension as part of the site improvements for that development. The extension will be a four-lane road extending from Willow Run Boulevard to the southern property line of the project. Development of this multi-family project has not progressed and the timing of the roadway construction is currently unknown.

The design has also been completed for the central segment of the northern Yorktowne Boulevard extension, located southeast of the B-19 canal crossing to Hidden Lake Drive. The City paid for the design of this segment and funding has been allocated for the construction to occur concurrently with the northern segment.

Collector Road Connections

Additional traffic volume is anticipated to be placed on Taylor Road and Williamson Boulevard (north of Taylor Road) by future developments. The City has planned a network of collector roads west of I-95 that will be constructed in phases as development occurs within the Planned Community Westside. These roads will be dedicated to the City as public roads.

- Coraci Boulevard will connect Town West Boulevard and the Madeline Avenue extension.
- Coraci Boulevard is planned to extend south from Town West Boulevard along the west side of Crane Lakes PUD to Carmody Lakes Drive (Forest Lake Preserve Subdivision).
- McGinnis Avenue will link Williamson Boulevard and the Madeline Avenue extension near the Town Center area of the Planned Community Westside.
- Proposed collector Road "D" will run from east to west and connect McGinnis Avenue with Coraci Boulevard between Town West Boulevard and Madeline Avenue.

Bikeway/Pedestrian Improvements during the Past Fiscal Year:

Spruce Creek Road Shared Use Path

The 8' to 10' wide shared use path project, completed in September 2015, is located on the west side of Spruce Creek Road from Central Park Blvd. to Taylor Road, and is approximately 1 mile long.

Future Bikeway/Pedestrian Improvements

The City is proceeding with several improvements to the bikeway/pedestrian network. Many of these improvements were identified in recent Safe-Routes-to-Schools studies developed in conjunction with the Volusia River 2 Sea Transportation Planning Organization. These projects will improve the bicycle and pedestrian levels of service in areas in close proximity to schools, parks, and mobile home parks. Projects being constructed, designed or considered for immediate funding include:

- Victoria Gardens Boulevard sidewalk from Appleview Way to Clyde Morris Boulevard – ***Design to begin in 2016***
- McDonald Road sidewalk from 6th Street to Sugar House Drive - ***Design underway and to be completed in 2016***
- Walk light improvements along Dunlawton Avenue from US1 to Spruce Creek Road – ***Awaiting funding***
- Spruce Creek Road sidewalk (east and west sides) from Nova Road to Angelina Court – ***Awaiting funding***
- Riverwalk shared use path/trail from Ocean Avenue to Dunlawton Avenue - ***Awaiting funding***
- Willow Run Boulevard sidewalk (south side) from Clyde Morris Boulevard to Tracy Drive - ***Awaiting funding***

SANITARY SEWER

The Port Orange Sanitary Sewer System serves the City of Port Orange, Daytona Beach Shores, Ponce Inlet (wholesale), and other unincorporated areas of East Volusia County. The Port Orange collection system contains 107 standard public pump stations and 26 “grinder” stations and an estimated 347 miles of pipeline. The collectors range in size from 8” to 30” and transmit flow back to the City’s treatment plant through a series of force mains and relatively deep interceptors.

Adopted Level-of-Service Standard:

Residential consumption is 160 gallons per day per Equivalent Living Unit (ELU) and Commercial consumption is 1/10 gallon per sq. ft. per day of commercial, industrial, or institutional development.

Design Capacity of the Wastewater Treatment Plant and Existing LOS:

The Florida Department of Environmental Protection (FDEP) has permitted the Wastewater Treatment Plant with a maximum capacity of 12.0 million gallons per day (MGD). According to the Public Utilities Department, the present total number of sewer connections is 24,880, and the number of permitted ELU’s connected to the system is 44,563. The Wastewater Treatment Plant currently has a committed capacity of 7.13 MGD, based on FDEP permits for development. Using the City’s LOS figure of 160 gallons per ELU, the Wastewater Treatment Plant is capable of providing service to 75,000 ELU’s. Therefore, the sanitary sewer system capacity is sufficient to serve the current committed ELU’s (see Exhibit 5).

As indicated in Exhibit 6 and 7 (see next page), the wastewater generation rates had been generally decreasing from 2005 to 2011 while the City’s population was increasing, but began to increase slightly from 2012 to 2013. Since 2014, the generation rates have begun to decrease compared to 2012-2013 rates. The increases in 2012 and 2013 could be attributed to increased infiltration and inflow of stormwater and ground water into the collection pipes due to a wetter than normal rain season, the decrease in some water conservation programs (e.g. City provision of low-flow showers heads), and the slight increase in population. The decrease over the past two years could be attributed to the large meter replaced at the wastewater treatment plant providing more accurate reads and less leaking, as well as the increased use of water conserving appliances (e.g. dishwashers, washing machines, toilets, etc.).

Exhibit 6 presents a summary of the actual wastewater generation throughout the entire service area since 2005 and the projections through 2025. The projections are based on population projections in the Comprehensive Plan that was developed in 2006, prior to the recession that began in 2008. Based on the current economic conditions, the City is not anticipating to actually achieve growth at this rate, especially in the short-term.

Capacities Reserved for Approved but Unbuilt Development and its Impact on Capacity and LOS:

It is possible to determine the per capita demand for sanitary sewer generated by reserved and vested development, given the generation rate, the future population, and the non-residential building square footage involved. According to Exhibit 1, the vested and reserved capacity includes the volume needed for 987 residential units and 444,162 SF of gross leasable non-residential space. Given a per capita generation rate of 160 gallons per day per ELU for residential and 1/10 gallon per square foot of gross building area for non-residential development, the vested and reserved development could increase the total demand by 202,336 gallons per day (0.20 MGD). Therefore, sufficient capacity exists for the vested development indicated in Exhibit 1. In addition, further demand may also be generated by growth within the service area outside of the City limits.

Reclaimed Water:

Reclaimed water is derived from wastewater that has been collected and treated and is safe to be placed back into the environment. Previously, reclaimed water was discharged into the Halifax River; however, in the early 1990's the City began to distribute reclaimed water to residents and business for irrigation. Therefore, the use of reclaimed water for irrigation reduces the amount of treated wastewater discharged into the Halifax River and reduces the amount of potable water used for irrigation.

The number of metered reclaimed water accounts within the City has continued to increase over the years with the present total number of reclaimed water accounts at 7,481 (see Exhibit 8).

Exhibit 8: Number of Reclaimed Accounts

Source: City of Port Orange Finance Department, October 2015

The continued increase in reclaimed demand is due to the following factors:

- The City requirement that developers install service connections and connect to reclaimed water lines, where available.
- Potable water irrigation meters are no longer issued.

The City's Central Recharge Wellfield property is a 175-acre retention system which consists of two lakes (see Exhibit 9). The lakes are used to store excess reclaimed water during the wetter parts of the year and then help to supplement the system during dry periods of the year. Phase 1 of this project (75-acres) was completed in 2006 and Phase 2 was completed in October 2015. Phase 2 included the expansion of the lakes for additional overflow storage and added approximately 90 million gallons of storage volume by allowing water to be stored at a higher elevation.

Exhibit 9: 175-acre Retention System at the Central Recharge Wellfield

Proposed Public or Private Improvements to the System in the Current Fiscal Year and its Impact on Capacity and LOS:

Williamson Boulevard Regional Lift Station

The Public Utilities Department has started construction of the Williamson Boulevard Regional Lift Station. This lift station will be located north of the Sawgrass Point subdivision at the City's storage tank property and serve as a re-pumping station for current and future development located south of Taylor Road and west of I-95. The new pump station is needed for improved functioning of the system and to provide increased capacity for future planned developed (such as the Woodhaven development).

Gladys White Acres Wastewater Collection System

The Gladys White Acres project area is an established neighborhood comprised of mobile homes dating to the 1960s. The 47-acre Gladys White Acres neighborhood is

serviced by septic tanks; there are open ditches and no stormwater quality treatment. The objective of this project is to construct a City wastewater collection system thus allowing homeowners to abandon septic tanks and drain fields, fill ditches with pipes and create minor swales for minor stormwater treatment. The City is currently seeking grant funding from FDEP, SJRWMD, and CDBG.

Potable Water

The Port Orange water utility currently serves the following areas:

- City of Port Orange
- City of Daytona Beach Shores (south of Thames Avenue)
- Town of Ponce Inlet (wholesale account)
- Wilbur-By-The-Sea (unincorporated area)
- Other non-designated unincorporated areas

Adopted Level-of-Service Standard:

- (1) Consumption :
 - Residential is 180 gallons per day per ELU
 - Commercial, industrial, or institutional development is 1/10 gallon per sq. ft. per day
- (2) System Minimum Pressure : 20 pounds per square inch during fire flow
- (3) Storage Provided: 50% of peak daily flow
- (4) Well Capacity: Peak day flow with two wells out of service
- (5) Norm. Operating Pressure: 60-70 pounds per square inch (psi)
- (6) Water Plant Capacity: Adequate for peak daily; three-year lead-time for planned expansion
- (7) High Service Pumping: Peak hour with largest pump out of service
- (8) Water Quality: Meet State/Federal drinking water standards

Design Capacity of Potable Water Treatment Facilities, Consumptive Use Permit, and Existing LOS:

The Garnsey Water Treatment Plant provides the City with a water quality supply that meets all applicable State and Federal standards. The plant was constructed in 1981 and has undergone two upgrades since that time. The plant currently has a capacity of 15.0 MGD and consists of four high-service fixed-speed pumps and two variable-speed pumps that provide adequate water supply to all portions of the service area.

There are two concurrency measures related to potable water: plant capacity and water supply capacity. Regarding plant capacity, there are presently 28,235 potable water connections, equivalent to 38,945 ELUs (Equivalent Living Unit). Based on an LOS standard of 180 gallons per ELU, the capacity currently committed is 7.01 MGD. Therefore, the Water Treatment Plant capacity is sufficient (15.0 MGD) to serve the current number of ELUs at current peak flow rates (see Exhibit 10).

Exhibit 10: Remaining Capacity at the Garnsey Water Treatment Plant

	MGD*	ELU**
Maximum Plant Capacity	15.00	83,333

Remaining Capacity	7.99	44,388

*MGD- Million Gallons Per Day

**ELU - The water usage equivalent to one single-family dwelling.

Source: Port Orange Public Utilities Department, October 2015

The second measure is water supply capacity. While the City has the technical capability to pump up to 15 million gallons per day from its wells, the Consumptive Use Permit (CUP) issued by the St. John's River Water Management District limits how much water the City can actually pump out of the ground. The CUP is a 20-year permit that was issued in 2002 and will expire in 2022. The 2016 permitted average daily groundwater withdrawal is 8.5 MGD and the maximum permitted peak day withdrawal is 12.57 MGD. The maximum groundwater withdrawal permitted by the CUP in years 2021 and 2022 is 13.46 MGD.

Exhibit 11 shows the actual average and peak daily flow in 2015 and the permitted average and peak daily flow allowed by the CUP in 2016. Based upon this measure, the City is below the maximum water withdrawal allowed by the CUP.

Exhibit 11: Permitted and Actual Average Daily Flow and Peak Flow

	2015	2016
Permitted Average Daily Flow	8.38 MGD	8.50 MGD
Actual Average Daily Flow	5.94 MGD	N/A
Permitted Peak Daily Flow	12.57 MGD	12.75 MGD
Actual Peak Daily Flow	9.76 MGD	N/A

MGD- Million Gallons per Day

Source: Port Orange Public Utilities Department, October 2015

As indicated in the graph in Exhibit 12, the average daily flow from 2008 to 2012 increased slightly while there was a slight decrease in population. There was a decrease in demand in 2013 and the demand has generally been constant from 2013 to 2015 while the City's population has slightly increased.

Exhibit 12: Average Daily Flow Compared to Population Growth

Source: Port Orange Public Utilities Department, October 2015

Existing Potable Water Storage Capabilities:

During times of peak flow, portions of the service area, primarily on the barrier island, are subject to greatly increased water demands. Demand requirements are met by ground storage tanks located at the north and south ends of Peninsula Avenue. When demand subsides, water is no longer pumped from the storage tanks and they are refilled to normal operating levels. This allows the peak flow requirements to be met efficiently, so that demand at the treatment plant remains fairly constant. The adopted LOS standard for water storage is 50% of average daily flow. With an average daily flow of 5.94 MGD in 2015, the LOS standard water storage volume would be 2.97 MGD. Present potable water storage facilities for the Port Orange system can accommodate 4.50 MG. Therefore, the City has sufficient surplus storage capacity to support new development.

Existing Minimum Water Pressure:

The existing water pressure fluctuates from an absolute low of 40 psi (non-fire flow) to a high of 70 psi with the normal operating pressure being between 60 and 70 psi. The system's minimum pressure during fire flow³ is presently 20 psi, which also meets the City's adopted LOS standards. Therefore, the water pressure meets the adopted LOS.

Existing Well Capacities:

The City has two well fields; The Central Recharge Well Field and the Eastern Well Field, with a cumulative water production capacity of approximately 11.5 MGD (see Exhibit 13):

- The Central Recharge Well Field (Western Well field) is located west of the City, south of I-4 and is the primary source of the City's potable water supply (approximately 70%). This well field contains 27 wells.
- The Eastern City Well Field is located off Clyde Morris Boulevard and contains 13 secondary wells. These wells supply approximately 30% of the total flow.

Exhibit 13: Location Map of the City's Well Field Sites

³ Fire flow is the quantity of water measured in gallons per minute (gpm) that is needed to extinguish a fire involving a particular building, block, area or material.

Exhibit 14 shows the number of wells needed to supply the raw water peak daily flow demand in 2016. The number of wells required includes an allowance for two wells out of service, which is within the adopted LOS standard.

Exhibit 14: Raw Water Supply Wells Required for the Port Orange Service Area

Year	Permitted Peak Day Demand	# of Wells Required*	Wells Available	Excess (+) or Deficiency
2016	12.75 MGD	24	40	16

* Average output for each well is 0.527 MGD

Source: Port Orange Public Utilities Department, October 2015

Capacities Reserved for Approved but Unbuilt Development and its Impact on Capacity and LOS:

According to Exhibit 1, the vested and reserved capacity includes the volume needed for 987 residential units and 444,162 SF of gross leasable non-residential space. Given a consumption rate of 180 gallons per day per ELU and 1/10 gallon per square foot of gross building area for non-residential development, the vested and reserved development could increase the total demand by 222,076 gallons per day (0.22 MGD). Therefore, sufficient capacity exists for the vested development indicated in Exhibit 1. In addition, further demand may also be generated by growth within the water service area outside of the City limits.

Proposed Public Improvements to the System in the Current Fiscal Year and its Impact on Capacity and LOS:

No capacity improvements are anticipated during FY 15/16.

STORMWATER DRAINAGE

For the purpose of stormwater management, the City is divided into 13 drainage basins, with each basin divided into a number of sub-basins. The City has utilized both structural and non-structural elements to accomplish the objective of controlling the volume, rate of flow, and pollutant load of post-development runoff. Retention and detention basins are structural elements designed to remove pollutants, attenuate post-development discharge in well-drained areas, and encourage percolation and retention of discharge volume. The City is also implementing non-structural methods of flood-damage mitigation, such as increased regulation of development in flood-prone areas through participation in the National Flood Insurance Program and purchasing flood-prone areas for use as green space.

Adopted Level-of-Service Standard (Quantity):

The City's adopted level-of-service (LOS) standard for stormwater management is the 25-year, 24-hour storm event. The City adopted this LOS standard in the late 1970's. Since the late 1970's, all drainage facilities must be able to detain the runoff from the 25-year, 24-hour storm without causing flooding or increasing the 25-year, 24-hour discharge rate to the receiving water bodies. Additionally, the City requires that the post-development 100-yr, 24-hour storm event peak discharge from a given piece of property does not exceed the 100-yr, 24-hour pre-development peak flow.

Adopted Level-of-Service Standard (Quality):

The City's adopted level-of-service (LOS) standard for stormwater management also includes the reduction of pollutants to a level compatible with State standards. On October 1, 2013, a Statewide Stormwater Rule went into effect which requires the removal of 80% of the dissolved contaminant Nitrogen and 95% of the dissolved contaminant Phosphorous from the first 1.25 to 1.75 inches of runoff.

Existing Level-of-Service:

The City's Land Development Code provides minimum standards for stormwater management to control runoff, preserve critical water resources, facilitate recharge of the aquifer, and prevent erosion, sedimentation and flooding. This is accomplished through the development review process for new developments to ensure they meet or exceed the minimum LOS standard, responding to citizen complaints, and coordinating with other jurisdictions to identify areas in need of improvements within the Port Orange system.

After a development is approved and built, the on-going maintenance of the private stormwater drainage system is the responsibility of the home or property owners association. The on-going maintenance of these private stormwater drainage systems is regulated by St. Johns Water Management District (SJRWMD).

An assessment of the City's storm water drainage system is needed to provide the necessary data to examine and create prioritized improvement and maintenance

programs to enhance the function of the full stormwater system including those areas developed prior to the adoption of the stormwater regulations.

There have been ongoing proactive maintenance activities, such as ditch clearing and selective drainage pipe lining. However, replacement of deteriorated stormwater drainage pipes has been rather reactive.

Public or Private Improvements to the System during the Past Fiscal Year and Impacts on Capacity and LOS:

Staff continued to perform ongoing maintenance of the drainage system including street sweeping, removal of sediment from inlets and pipes, ditch maintenance (including mowing, large plant removal, cleaning, restoration and seeding), emergency slip-lining aging pipes, and erosion repairs. For example, the equalizing pipe between pond 1 and pond 2 on Mockingbird Drive was replaced in the Cypress Cove subdivision.

Proposed Public Improvements to the System in the Current Fiscal Year and Impacts on Capacity and LOS:

Ongoing maintenance of the drainage system will include street sweeping, removal of sediment from inlets and pipes, ditch maintenance, emergency slip-lining aging pipes, and erosion repairs.

Cambridge Canal Improvements: Located in the southeast quadrant of Volusia County, the Cambridge Canal conveys drainage from over 1,400 acres within the City of Port Orange. Residential neighborhoods encompass nearly the entire basin, and the area has a history of severe flooding. The September 2004 hurricanes dropped more than 15 inches of rainfall on the Cambridge Canal Basin. As a result, over 200 homes were reported to have had water above the finished floor elevation.

After a thorough analysis, the City implemented conveyance upgrades to address drainage issues and the tidal influences of the Halifax River. Following construction of the improvements, Port Orange experienced an extreme storm event in May 2009 when the City received over 30 inches of rainfall over a five day period. The Cambridge improvements performed well with the exception of a section of the canal which could not keep up with the flow coming into the canal. Several homes were flooded in the area upstream due to the canal's limited conveyance capacity.

The City is correcting this conveyance deficiency by widening and hardening the Cambridge Canal's banks for a ±5,000 feet length to alleviate flooding upstream due to the narrow canal. Grant funding was received from the State of Florida for the first phase of a two or more phase project. The Phase 1 improvements span the distance from the Spruce Creek Road culvert to the Trailwood Drive bridge where it enters the retention pond area and were completed in June 2014. In September 2014, the City received approximately 8 inches of rainfall within 12 hours and no homes were flooded in the Cambridge area.

The Phase 2 improvement to the canal will span from Trailwood Road to the Cambridge basin. The Phase 2 improvements are expected to be completed by December 2015. The improvements consist of widening and hardening the canal banks and improving the existing pump station.

Gladys White Acres Improvements: The Gladys White Acres project area is an established neighborhood comprised of mobile homes dating to the 1960s. The 47-acre Gladys White Acres neighborhood is serviced by septic tanks; there are open ditches and no stormwater quality treatment. Existing drainage ditches have not been effectively maintained for many years due to lack of funding availability to retrofit. High water table conditions during major stormwater events exacerbate this difficult situation. The objective of this project is to construct a City wastewater collection system, fill ditches with pipes and create minor swales for minor stormwater treatment. The City is currently seeking grant funding from the Florida Department of Environmental Protection (FDEP), St. Johns Water Management District (SJRWMD), and Community Development Block Grant (CDBG).

Virginia Avenue and Monroe Street Drainage Improvement: Virginia Avenue and Monroe Street is a corridor with a mix of residential properties ranging from 0.2 – 1-acre, located between the Halifax River and the FEC Railroad, from Dunlawton to White Place. The area is served by an older stormwater system in need of improvement since there has been recent flooding and standing water. There has been an analysis of options, recommended improvements, 90% design plans have been completed and a St. Johns River Water Management District Permit application has been submitted. Construction is expected to begin in 2016.

Ryanwood Entrance Drainage Improvement: The Ryanwood Subdivision has only one access to and from the subdivision. The access is over a dual pipe stormwater drainage culvert in the Halifax Canal. The culvert is collapsing and a complete collapse could close the access to resident and cause major flooding. The proposed project involves total replacement of the existing deteriorated dual pipe culvert crossing with a new concrete box culvert at the existing location. Traffic to/from the Ryanwood subdivision will be routed via a temporary road connection between Ryanwood and Herbert Street. The project also includes the relocation and/or replacement of an existing 6" water main, as required. Construction is expected to begin in 2016.

City's Stormwater Master Plan Update: The City's Stormwater Master Plan was created in 1990, but has not been updated on a city-wide basis since. Objective 1, Policy 1.1 of the Comprehensive Plan Drainage Sub-Element indicates the City shall update the drainage plan every five years. While updates have been prepared for specific basins, the system as a whole has not been re-examined since 1990 when the plan was first created. The update is scheduled to begin in early 2016 and will identify corrective measures to alleviate existing deficiencies in the system and proactively plan new improvements needed to accommodate future development. It will help prioritize spending for future capital drainage projects. This is necessary to ensure that level-of-service standards for stormwater drainage are maintained.

Proposed Public Improvements to the System in the Design Phase:

1. Sleepy Hollow Drainage Improvement: The Sleepy Hollow Subdivision is a platted 60 acre subdivision located south of Jackson Street, west of Woodlake Subdivision and north and east of Nova Road. The area has historically flooded during past storm events. Structural flooding tends to concentrate along Horseman Drive, west of Tarry Town Terrance; along Tarry Town Terrance, south of Horseman Drive; and Kristina Court, west of Sleepy Hollow Drive. Mitigation of the flooding will include installation of new storm water drainage facilities. An engineering study is ongoing and is anticipated to be completed by December 2015. The design will provide alternative solutions with cost estimates to address the flooding. Construction is unfunded. Maintenance activities have increased in this area.
2. Pineland Avenue and Isabelle Avenue Drainage Improvement: The existing corrugated metal pipe culverts underneath Pineland Avenue and Niver Street and Isabelle Avenue and Niver Street have deteriorated to the point of complete failure. The roadway has been closed to pedestrians and vehicle traffic. Engineering design is ongoing.
3. Howes Street Drainage Improvement: Howes Street is located north of Commonwealth Boulevard and west of Ridgewood Avenue in the Allendale area of Port Orange. Howes Street periodically experiences ponding and some flooding. There are no workable stormwater drainage facilities in the area. Engineering design is dependent upon funding.
4. Tumblebrook Drive Drainage Improvement: Tumblebrook Drive is located in Sweetwater Hills Subdivision in central Port Orange. The vicinity tends to flood during storm events. Engineering design is dependent upon funding.

Other Stormwater Programs:

National Pollutant Discharge Elimination System (NPDES): The City is currently in the third year of the third five year permit cycle. The Total Maximum Daily Loads (TMDL) program is part of the statewide Watershed Management Program (WMP) administered by the Florida Department of Environmental Protection (FDEP). The program is based on a five-phase cycle that rotates through Florida's basins. The five phases are: Initial Base Assessment, Coordinated Monitoring, Data Analysis and TMDL Development, Basin Management Plan Development, and Implementation of Basin Management Plan.

FEMA Community Rating System (CRS): The City is an active participant in the Federal Emergency Management Agency (FEMA) Community Rating System (CRS) program. Through participation with FEMA in administering the CRS, the City maintains and supervises an overall floodplain management program that is intended to preserve the function of the floodplain within Port Orange. Participation in the program provides property owners with enhanced flood protection and information in compliance with FEMA guidelines. The community has been notified that its' designation will change from 'Class 7' to 'Class 5' in Spring 2016, which means all residents within the City that

currently carry FEMA flood insurance for their properties in the Special Flood Hazard Area (SFHA) qualify to receive a 25% discount on their annual FEMA flood insurance policy premium.

In addition, the City participates in the Volusia County Local Mitigation Strategy (LMS) for flood control. The LMS provides a mitigation action plan that identifies areas within the city that have drainage issues that would benefit from engineered improvements.

SOLID WASTE DISPOSAL

Adopted Level-of-Service (LOS) Standard:

The City's collection standard is 1,350 residential units per curbside collection crew, per day, and a solid waste weight standard of 3.21 lbs. per capita, per day for residential; and 10 lbs. per 1,000 square feet of non-residential development per day.

The amount of solid waste generated by individuals is not something that the City can directly control; however, the City can promote recycling programs to inform residents about the benefits of reducing the amount of waste generated. There is no concurrency review for trash collection; however, the City's ability to collect and dispose of this waste is subject to concurrency review. As long as the City has sufficient financial resources to pay for private waste collection and room is available at the landfill, the City will have fulfilled its obligation to ensure that its waste is collected and disposed, regardless of the LOS standard.

Design Capacity of Solid Waste Disposal Facilities and Existing LOS:

The City of Port Orange is currently in a five-year contract (2011 to 2016) with Waste Pro to provide solid waste collection services to residents. The contract provides residents with four weekly pick-ups: two for garbage, one for recyclables, and one for yard waste. The residential and commercial solid waste collected is transported to the Volusia County Tomoka Farms Road Landfill. The capacity at the landfill is projected to be sufficient to accommodate waste from Volusia County until the year 2050. The waste collection numbers for residential and commercial customers are shown in Exhibit 15.

Exhibit 15: Residential and Commercial Waste Generation Figures (FY14/15)

	Residential	Commercial ⁴	Residential and Commercial
Solid Waste	2.03 lb. per capita, per day	1.06 lb. per capita, per day	3.09 lb. per capita, per day
Recycled Items	0.28 lb. per capita, per day	0.15 lb. per capita, per day	0.43 lb. per capita, per day
Yard Waste	0.96 lb. per capita, per day	0.50 lb. per capita, per day	1.46 lb. per capita, per day
Total	3.27 lb. per capita, per day	1.71 lb. per capita, per day	4.98 lb. per capita, per day

Source: Public Works Department, City of Port Orange, October 2015

Based on the waste collection numbers for residential and commercial customers (estimated population 58,656) from October 1, 2014 through September 30, 2015, each person in Port Orange generated on average 3.09 pounds of solid waste, 0.43 pounds of recycled items, and 1.46 pounds of yard waste every day. The 3.09 pounds per capita, of solid waste generated daily during FY 14/15 is below the LOS standard of 3.21 pounds.

⁴ The amount of commercial recyclable items and yard waste was determined by interpolating the proportion of residential recyclable items and yard waste to the total amount of residential waste disposed.

As indicated in Exhibit 16, the amount of solid waste generated was decreasing from 2005 to 2010, but had begun to increase since 2011 and increased substantially in 2014. While the amount of solid waste generated decreased in 2015 back to approximately the same level as the 2010-2013 trend, the City will need to monitor the amount of solid waste generated because the generation rate trend has been increasing since 2011. There was no significant event that could be attributed to the increase in residential solid waste generation in 2014.

Exhibit 16: Solid Waste Collected Compared to Population Growth

Source: Public Works Department, City of Port Orange, October 2015

Capacities Reserved for Approved but Unbuilt Development and its Impact on Capacity and LOS:

The capacity reservations for vested and approved development identified in Exhibit 1 represent approximately 2,220 additional people and 444,162 square-feet of non-residential development. When all residential and commercial projects noted in Exhibit 1 are built, the amount of waste is estimated to increase by approximately 2,111 tons per year. The capacity at the landfill is projected to be sufficient to accommodate waste from Volusia County until the year 2050.

Proposed Public Improvements to the System in the Current Fiscal Year and its Impact on Capacity and LOS:

No significant changes in solid waste collection are anticipated during FY 15/16. The City may want to explore options for encouraging a reduction in solid waste generation and an increase in recycling.

RECREATION AND OPEN SPACE

During FY 14/15, the following improvements were made to existing parks or facilities:

- A multi-purpose field with lights was constructed at Coraci Park.
- The soccer fields at the City Center Sports Complex and Southwinds Park were renovated. The renovation included: Re-leveling and re-sodding the soccer fields and replacing the irrigation systems.
- The scoreboard for the north field (L. Gale Lemerand Field) at Spruce Creek Road Park was replaced.
- The greens and select tee boxes and bunkers were renovated at the Cypress Head Golf Course.

Capacities Reserved for Approved but Unbuilt Development and Its Impact on Capacity and LOS:

According to the University of Florida Bureau of Economic and Business Research (BEBR), the 2015 estimated City population is 58,656. Anticipated population increases from vested and reserved residential development is approximately 2,220, which equals a total population to be served of 60,876. As indicated in Exhibit 19, the City is not deficient in any of the recreational facilities categories for the current population or additional population from vested and reserved development.

Proposed Public and Private Improvements to Recreation Facilities in the Current Fiscal Year and its Impact on Capacity and LOS:

The following improvements are planned for FY 15/16:

- *Phase 1A and 1B of Riverwalk Park* – Phase 1A (north of the Chamber of Commerce building) is anticipated to be completed in early 2016 will consist of a kayak/canoe launch, a trailhead and restroom building, and boardwalk. Phase 1B (north of Ocean Avenue) which is anticipated to be completed in late 2016, will have parking, a splash pad and playground, an event lawn, a restroom building, shade structures, picnic pavilions, a boardwalk overlook, historical/educational signage, and an iconic feature. Phase 2 and 3 are planned for design and construction in future years.

- *Cypress Head Golf Course* – Complete the remaining improvements to the clubhouse at Cypress Head Golf Course. These improvements include: renovating the restaurant and golf course restrooms, painting the exterior, adding an outside deck, and upgrading the parking lot and landscaping.
- *YMCA* – Purchase new fitness equipment and renovate the men’s locker room and woman’s lobby restroom.
- *Scoreboard Replacement* – Replace the scoreboard for the south field at Spruce Creek Road Park.
- *Causeway Park* - Begin phase one of the renovations at the Causeway Park which includes replacing the deck and railings for the T pier, located on the north side of Dunlawton Ave., west of the bridge.

SCHOOLS

Adopted Level-of-Service Standard:

The uniform, district-wide LOS standards are as follows:

- Elementary: 115% of permanent FISH⁵ capacity for the concurrency service area
- K-8: 115% of permanent FISH capacity for the concurrency service area
- Middle: 115% of permanent FISH capacity for the concurrency service area
- High: 120% of permanent FISH capacity for the concurrency service area
- Special Purpose Schools: 100% of permanent FISH capacity for each school

Public or Private Improvements to the System during the Past Fiscal Year and Its Impact on Capacity and LOS:

The school district did not have any capital (capacity-related) projects scheduled in last year's five-year work plan for schools located in Port Orange. Last year's five-year work plan primarily included dollars programmed for major renovations at various schools throughout the district.

Existing Facilities:

Exhibit 20 details existing public school facilities operated by the Volusia County School Board within the City's municipal boundaries. For elementary and middle schools, the Concurrency Service Areas (CSAs) are the respective school attendance boundaries. High schools are grouped into five larger CSAs that reflect student movement between schools at this level.

The high schools located in Port Orange are part of the Halifax Planning Area CSA. All of the high schools in this CSA are shown since the LOS standard is applied to the entire CSA. So, although Spruce Creek High School is at 129% utilization, the Halifax Planning Area CSA for high schools still meets the adopted LOS of 120%.

As shown in Exhibit 20, one elementary school within Port Orange currently exceeds the LOS standards, Port Orange Elementary. School District analysis shows this to be the result of the gifted program that draws students from outside the attendance boundary, and not a result of unplanned residential growth. At the start of the 2013-14 school year, the school district opened a third gifted center in Port Orange at Horizon Elementary in order to address the increase in enrollment at Port Orange Elementary, as well as the anticipated increases at Cypress Creek Elementary due to residential growth. The three gifted centers in Port Orange include: Port Orange Elementary, Cypress Creek Elementary and Horizon Elementary. The capacity of Port Orange Elementary is 344 students, but the enrollment remains between 350 to 425 students, even with the program changes implemented by the School District. The School District will continue to monitor the capacity at Port Orange Elementary.

⁵ **FISH – Florida Inventory of School Houses.** An official inventory report of all district-owned facilities.

Student Enrollment Trends

Between school year 2007-08 and 2012-13 the Volusia County School District, along with many other school districts in Florida, experienced an unprecedented decline in student enrollment. According to the Volusia County School District, the decline was attributed to the economic recession and the result of families with school aged children moving out of the area in search of employment and an overall decline of in-migration (new people moving here). Starting with the 2013-14 school year, the Volusia County School District has experienced an increase in its student enrollment. This, along with other economic indicators, appears to signify that the decline in enrollment has ceased. School district staff is looking closely at its enrollments and other economic indicators prior to releasing student projections.

Proposed Public and Private Improvements to School Facilities in the Current Fiscal Year and its Impact on Capacity and LOS:

There are no capital (capacity-related) projects in the current School District five-year work plan for schools located in Port Orange. The current five-year work plan includes dollars programmed for renovations at various schools throughout the district as well as five replacement schools and capacity additions throughout the district. The FY 2015-16 work plan is the first to reflect the voter approved half cent sales tax extension.

IV. SUMMARY AND CONCLUSIONS

The data indicates all public facilities and services subject to concurrency review are at sufficient levels for FY 15/16. As new development and redevelopment occurs, the level of service will to be addressed along with the monitoring of all City facilities and services to ensure capacity is available.

There are no roadways operating below the adopted Level-of-Service (LOS). Traffic volumes within the City have increased on some segments and decreased on other segments over the past year. Roads on the west side of I-95 will likely experience the most traffic growth in the future. Roadway improvements are planned for the next several years to keep pace with anticipated development.

Sanitary sewer and potable water system capacity exists to support additional growth within the City. The City's Consumptive Use Permit (CUP) limits how much water can actually be withdrawn from the aquifer. As new development and redevelopment occurs, the level of service for potable water will be monitored to ensure that permitted capacity as provided for in the City's CUP is not surpassed.

The stormwater LOS requirement is being met for all drainage facilities constructed after the 1970's (when the City's stormwater regulations were adopted) with respect to being able to treat the runoff from the 25-year, 24-hour storm without causing flooding or polluting the receiving water bodies. The City continues to identify long-term solutions and implement drainage improvement and maintenance programs to enhance the function of the full stormwater system including those areas developed prior to the adoption of the stormwater regulations.

Solid waste generation rates are within the adopted LOS standard; however, the generation rates have been increasing since 2011. There is no concurrency review for trash collection; however, the City's ability to collect and dispose of this waste is subject to concurrency review. As long as the City has sufficient financial resources to pay for private waste collection and room is available at the landfill, the City will have fulfilled its obligation to ensure that its waste is collected and disposed, regardless of the LOS standard. The amount of solid waste generated by individuals is not something that the City can directly control; however, the City can promote recycling programs to inform residents about the benefits of reducing the amount of waste generated.

The adopted LOS is being met for all recreational facilities. There are surpluses for each recreation facility that will meet the adopted LOS through the planning horizon (2025).

LOS is being met for all but one of the public schools located in the Port Orange area. At this time, Port Orange Elementary exceeds the LOS standards; however, this is due to the gifted program offered at this school that draws students from outside the attendance boundary and not unplanned development.

Even with the addition of a third gifted program in the Port Orange area, the enrollment at Port Orange Elementary remains above the capacity of the school. The school district will continue to monitor the capacity at Port Orange Elementary; however, the capacity level is not considered a concurrency issue because there is minimal new residential growth planned within the school attendance boundary and the adjacent schools have remaining capacity.

CITY COUNCIL AGENDA ITEM

REQUESTED COUNCIL MEETING DATE 12/08/2015

Consent item: Yes

SUBJECT: Resolution No. 15-83 - Parks & Recreation Fees

DEPARTMENT: Parks & Recreation

GOAL: 4 - Fiscal Sustainability

OBJECTIVE: 5 - Review and revise fees and charges if needed

RECOMMENDED MOTION: Move to approve resolution 15-83 and authorize the Mayor and City Clerk to execute the necessary documents.

SUMMARY: The Parks & Recreation Department annually reviews all program and rental fees established by resolution to determine if any adjustments are needed. The staff will look at cost recovery and market and then make a recommendation to the council for approval of these fees. Attached and highlighted for your review are the recommended fee changes. In addition to the fee chart I have outlined in the attached memo the reason for the proposed changes. Fee changes will take affect January 1, 2016

RESOLUTION NO. 15-83

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PORT ORANGE, VOLUSIA COUNTY, FLORIDA, ESTABLISHING REVISED FEES FOR PARKS AND RECREATION FACILITY USE, ATHLETIC PROGRAMS, SPONSORSHIPS, AND SERVICES; SUPERSEDING PRIOR RESOLUTIONS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Port Orange Recreation Department offers youth and adult athletic programs, playground programs, adult programs and classes; and

WHEREAS, the City of Port Orange incurs administrative expenses to organize these programs and activities, register participants and provide supervision; and

WHEREAS, additional costs are incurred in providing uniforms, supplies, equipment and officials for the athletic programs which are defrayed, in part, by sponsor fees and registration fees; and

WHEREAS, the City Council desires to have such costs borne by persons participating in designated programs and activities and by team sponsors; and

WHEREAS, Section 50-38 of the Code of Ordinances, City of Port Orange, Florida, authorizes the City Council to establish by resolution fees for recreation activities.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PORT ORANGE, VOLUSIA COUNTY, FLORIDA:

Section 1. The fees, rates and charges set forth in Exhibits A-D, attached hereto and incorporated herein by reference, are hereby established pursuant to the authority granted to City Council by Section 50-38 of the Code of Ordinances.

Section 2. This resolution shall supersede Resolution No. 14-23 and any conflicting resolutions.

Section 3. The fees established in this resolution shall become effective
January 1, 2016.

MEMORANDUM

To: Michael Johansson, City Manager
From: Susan L. Lovallo, Parks & Recreation Director
Date: November 23, 2015
Subj.: Fees

The Parks and Recreation Department annually reviews all rental and program fees and makes a recommendation to council as to recommended changes. Our guideline is to recover 100% of direct cost for adult programs and rentals and 50% of youth program direct costs. We adjust fees to reflect this. Below is outlined the reason for the proposed changes. Please let me know if you have any questions or concerns.

Exhibit A

Rookie fee: Propose to increase fee by \$5. Traditionally this league was an instructional league; last year we introduced some games. Therefore our costs have gone up.

Current fee is \$45R/\$65NR, Proposed rate \$50R, \$70NR.

Open Gym passes for Youth, Student, Adult and Seniors: Propose to Raise fee \$5 per year, due staff cost increase.

Current fees: youth \$40R/\$60NR, student \$50R/\$70NR, adult \$60R/\$80NR, senior \$50R/\$70NR.

Summer Rec, Teen and Trip packages for summer Playgrounds: Due to increased program costs we propose to raise the program registration fees by \$50 and trip package by \$25. Average cost per week for program is \$56 for the elementary and \$68.75 for the teen travel program.

Current fees are; elementary \$400R/\$420NR, teen \$500R/\$520NR, trip \$150.

Exhibit B

Banner Sponsor Renewal: Propose to raise fee by \$50 due to increase replacement costs of the banners.

Current fee is \$300.

Ball Field Rentals: Propose to raise fee by \$5 per hour due to staff cost increase and market.

Current fee is \$10 per hour.

Part Time Staff: Propose to raise fee by \$2 per hour due to salary adjustments.

Current fee is \$10 per hour.

Exhibit C

Lakeside Class Rental Fee: Propose to remove fee; it is not applicable.

Current fee is \$30 whole building, \$15 Lakeside lawn, \$15 community room.

Wedding Package: Propose to increase \$200 based on market.

Current Fee is \$800.

Alcohol Fee: Propose increase \$25 based on market.

Current fee is \$50.

Late Check Out Fee: Propose to remove, deposit will be used to cover any overage.

Current fee is \$50 per hour.

Picnic Pavilions: Propose to raise fee \$15 based on market.

Current fee is \$35R/\$55NR per three hours.

Concessionaire and Exhibitors Fee: Propose to decrease fee by 50% for profit commercial rate based on market.

Current fee is \$200/\$150.

Launch Fees: Propose to remove; department does not charge these fees.

Exhibit D

Late Check Out Fee: Propose to remove; deposit will be used to cover any overage.

Part Time Staff: Propose to raise fee by \$2 per hour due to salary increase.

Current fee is \$10 per hour.

CITY COUNCIL AGENDA ITEM

REQUESTED COUNCIL MEETING DATE 12/08/2015

Consent item: Yes

SUBJECT: 2016 Public Hearing & Development Review Calendars

DEPARTMENT: Community Development

GOAL: Organizational Excellence

OBJECTIVE: Implement a continuous process improvement program to enhance policies and procedures

RECOMMENDED MOTION: Move to adopt the 2016 Development Review and Public Hearing Calendars.

SUMMARY:

Planning Commission Action (11-19-15): Recommended Approval

The 2016 Public Hearing Calendar is structured identically to the calendar adopted in previous years, with the only changes occurring during the months of November and December (Exhibit A). The Planning Commission meeting dates for these two months have been changed to accommodate the holidays as follows:

- November – The Planning Commission meeting moved from November 24th to November 17th (Change due to shift of Planning Commission meeting from the 4th Thursday to the 3rd Thursday for Thanksgiving Holiday)
- December – Planning Commission Meeting moved from December 22nd to December 15th (Change due to shift of Planning Commission meeting from the 4th Thursday to the 3rd Thursday since the 4th Thursday is the week of Christmas)

Additional meetings have been added to the 2016 Staff Development Review Committee (SDRC) Calendar (Exhibit B). The additional dates provide applicants a SDRC meeting date every week to have their development projects reviewed by the SDRC, compared to once a month. Similar to past years, staff will still have approximately two weeks to complete their review before a SDRC meeting.

SUBJECT: Rejection of All Bids - Bid #16-01, Concrete Services

DEPARTMENT: Public Works

GOAL: 1 - Infrastructure Preservation

OBJECTIVE: 4 - Enhance the infrastructure maintenance programs in order to extend the full life of capital investments

RECOMMENDED MOTION: Move to reject all submitted bids - Bid #16-01, Concrete Services.

SUMMARY: Bids for Bid #16-01, Concrete Services, were received and opened on Thursday, October 29, 2015. The three bids were from RMS Constructors Group, LLC, MCG services, LLC, and Sparks Concrete, LLC.

Although the bids from the three vendors were deemed responsive and responsible, certain specifications on the bid form were determined to be too ambiguous to allow for a competitive evaluation of the submitted bids to determine the lowest bidder.

Accordingly, it is requested that all bids received be rejected to allow for rebidding using revised specifications.

BIDDER'S CHECKLIST

The 10 Most Critical Things to Keep in Mind When Responding to a Bid for the City of Port Orange

1. _____ **Read the entire document.** Note critical items such as: mandatory requirements; Supplies and/or services required; submittal dates; number of copies required for submittal; funding amount and source; contract requirements (i.e., contract performance security, insurance requirements, performance and/or reporting requirements, etc.).
2. _____ **Note the Purchasing Manager's name, address, phone numbers and e-mail address.** This is the only person (or his designee) you are allowed to communicate with regarding the BID and is an excellent source of information for any questions you may have.
3. _____ **Attend the pre-bid conference** if one is offered. These conferences provide an opportunity to ask clarifying questions, obtain a better understanding of the project, or to notify the City of any ambiguities, inconsistencies, or errors in the Bid.
4. _____ **Take advantage of the "question and answer" period.** Submit your questions to the Purchasing Manager by the due date listed in the Bid and view the answers given in the formal "addenda" issued for the bid. All addenda issued for a Bid are posted on www.demandstar.com website and will include all questions asked and answered concerning the bid. It is the bidder's responsibility to be sure all addenda were received.
5. _____ **Follow the format required in the Bid** when preparing your response. Provide point-by-point responses to all sections in a clear and concise manner.
6. _____ **Provide complete answers/descriptions.** Read and answer **all** questions and requirements. Don't assume the City or evaluator/evaluation ranking committee will know what your company capabilities are or what items/services you can provide, even if you have previously contracted with the City. The proposals are evaluated based solely on the information and materials provided in your response.
7. _____ **Use the forms provided**, i.e., cover page, bid acknowledgment form, exhibits, etc.
8. _____ **Check the website for Bid addenda's.** Before submitting your response, check the DemandStar website at www.demandstar.com to determine whether any addenda were issued for the Bid. If so, you must circle for each addenda issued on the "Bidder acknowledgement form."
9. _____ **Review and read the Bid document again** to make sure that you have addressed all requirements. Your original response and the requested copies must be identical and be complete.
10. _____ **Submit your response on time.** Note all the dates and times listed in the Bid and within the document, and be sure to submit all required items on time. Late proposal responses are never accepted.

SECTION 00060

CITY OF PORT ORANGE PURCHASING DIVISION

STANDARD PURCHASE DEFINITIONS

The City will use the following definitions in instructions to bidders, terms and conditions, special provisions, technical specifications and any other solicitation documents.

1. Addendum means a written instrument issued by the Contract Awarding Authority that modifies or clarifies the Solicitation prior to the Due Date. "Addenda" is the plural form of the word.

2. Alternate Bid means multiple Bids with substantive variations from the same Bidder in response to a Solicitation.

3. Appropriate, Appropriated, or Appropriation means the adoption by the City Council of the City of a budget for a fiscal year that includes payments to be made under the Contract during the respective fiscal year.

4. Bid is a complete, properly signed response to an invitation for bid, which if accepted, would bind the Bidder to perform the resultant Contract.

5. Bidder is a person, firm, or entity that submits a Bid in response to a Solicitation. Any Bidder may be represented by an agent after submitting evidence demonstrating the agent's authority. The agent cannot certify as to his own agency status.

6. Bid Guaranty guarantees that the Bidder (a) will not withdraw the Bid within the period specified for acceptance, and (b) will execute a Contract and furnish required bonds and any necessary insurance within the time specified in the Solicitation, unless a longer time is allowed by the City. The guarantee will be returned to the Bidder upon execution of a Contract

7. Bids are responses to an Invitation for Bids.

8. City means the City of Port Orange.

9. Construction means the construction, repair, rehabilitation, alteration, conversion or extension of building, parks, utilities, streets or other improvements or alterations to real property.

10. Contractor means the person, firm or entity selling goods or services to the City under a Contract.

11. Deliverables means the goods, products, materials, and/or services to be provided to the City by a Bidder.

12. Due Date means the date and time specified for receipt of Bids.

13. Goods are supplies, materials, or equipment.

14. Invitation for Bid (IFB) or Bid means a Solicitation requesting pricing for a specified Good or Service which has been advertised for Bid in a newspaper.

15. Lowest Responsible Bid means the Bid meeting all requirements of the specifications, terms, and conditions of the

Invitation for Bid resulting in the lowest cost to the City in a total cost concept or based solely on price, taking into consideration the financial and practical ability of the Bidder to perform the Contract, past performance of the Bidder, and compliance with all City ordinances concerning the purchasing process.

16. Lowest Responsible Bidder means the Bidder submitting Lowest Responsible Bid.

17. Non-Professional Services are services performed that are not of a professional nature such as lawn care, security, janitorial, etc.

18. Offer means a complete signed response submitted to the City in response to a Solicitation including, but not limited to, a Bid submitted in response to an Invitation for Bid, a proposal submitted in response to a Request for Proposal, a quote submitted in response to a Request for Quotation, or a statement of qualifications and interest submitted in response to a Request for Qualifications.

19. Pre-Bid Conference means a conference conducted by the Purchasing Office, held in order to allow Bidders to ask questions about the proposed Contract and particularly the Contract specifications.

20. Professional Services means those services within the scope of the practice of architecture, professional engineering, landscape architecture, or registered surveying and mapping, as defined by the laws of the state, or those performed by any architect, professional engineer, landscape architect, or registered surveyor and mapper in connection with his or her professional employment or practice."

21. Purchase Order is an order placed by the Purchasing Division for the purchase of Goods or Services written on the City's standard Purchase Order form and which, when accepted by the Bidder, becomes a contract. The Purchase Order is the Bidder's authority to deliver and invoice the City for Goods or Services specified, and the City's commitment to accept the Goods or Services for an agreed upon price.

22. Services include all work or labor performed for the City on an independent contractor basis other than construction.

23. Solicitation means, as applicable, an Invitation for Bid, Request for Proposal, Request for Qualifications or a Request for Quotation.

24. Subcontractor means a person, firm or entity providing goods or services to a Bidder to be used in the performance of the Bidder's obligations under the Contract.

25. Unbalanced Bid means a Bid that is based on prices which are significantly less than cost for some bid items and significantly more than cost for others.

SECTION 00070

CITY OF PORT ORANGE PURCHASING DIVISION

GENERAL REQUIREMENTS FOR BIDS

These instructions are standard for all contracts for commodities or services issued through the City of Port Orange Purchasing Division. General Requirements apply to all advertised bids; however, these may be superseded, in whole or in part, by the SPECIAL REQUIREMENTS/INSTRUCTIONS OR OTHER DATA CONTAINED HEREIN. READ THIS ENTIRE DOCUMENT CAREFULLY. FOLLOW ALL INSTRUCTIONS. YOU ARE RESPONSIBLE FOR FULFILLING ALL REQUIREMENTS AND SPECIFICATIONS. BE SURE YOU UNDERSTAND THEM.

1. ACCEPTANCE BY CITY

The City shall have a reasonable time (but not less than 30 days) after receipt to inspect the goods and services tendered by vendor. The City at its option may reject all or any portion of such goods or services which do not, in City's sole discretion, comply in every respect with all terms and conditions of the contract. The City may elect to reject the entire goods and services tendered even if only a portion thereof is nonconforming. If the City elects to accept nonconforming goods and services, the City, in addition to its other remedies, shall be entitled to deduct a reasonable amount from the price thereof to compensate the City for the nonconformity. Any acceptance by the City, even if non-conditional, shall not be deemed a waiver or settlement of any defect in such goods and services. The material delivered as a result of this bid shall remain the property of the seller until a physical inspection and actual usage of the item(s) is made and thereafter deemed acceptable to the satisfaction of the City, in compliance with the terms and specifications contained herein. In the event that the item(s) supplied to the City is/are found to be defective, or does/do not conform to specifications, the City reserves the right to cancel the order upon written notice to the seller and return the item(s) to the seller at the seller's expense.

2. ADDENDA

When specifications are revised, the CITY of PORT ORANGE Purchasing Division will issue an addendum addressing the nature of the change. Bidders should acknowledge all addenda by circling the quantity of addenda received on the "bidder acknowledgment form" and include it in the returned bid package. Failure to acknowledge the correct number of addenda issued may result in rejection of the bid. It is the responsibility of the bidder to ensure all addenda have been received prior to submitting a bid. All Addenda shall be posted by the CITY on www.demandstar.com

The City will issue responses to inquiries and any other corrections or amendments it deems necessary in written addenda issued prior to the Proposal Due Date. Proposers should not rely on any representations, statements or explanations other than those made in this RFP or in any addendum to the BID/RFP. Where there appears to be a conflict between the BID/RFP and any addenda issued, the last addendum issued shall prevail.

3. ANTI-COLLUSION STATEMENT

By submitting this bid, the bidder affirms that this bid is without previous understanding, agreement, or connection with any person, business, or corporation submitting a bid for the same materials, supplies, or equipment, and that this bid is in all respects fair, and without collusion or fraud. Additionally, bidder agrees to abide by all conditions of this bid and certifies that they are authorized to sign this bid for the bidder. In submitting a bid to the City of Port

Orange, the bidder offers and agrees that if the bid is accepted, the bidder will convey, sell, assign or transfer to the City of Port Orange all rights, title and interest in and to all causes of action it may now or hereafter acquire under the Anti-trust laws of the United States and the State of Florida for price fixing relating to the particular commodities or services purchased or acquired by the City of Port Orange. At the City's discretion, such assignment shall be made and become effective at the time the City tenders final payment to the bidder.

4. APPLICABLE LAWS

In connection with the furnishing of supplies or performance of work under the Contract, the Proposer agrees to comply with the Fair Labor Standard Act, Equal Opportunity Employment Act, and all other applicable Federal and State laws, regulations and executive orders to the extent that the same may be applicable.

5. ASSIGNMENT

The successful vendor shall not sell, assign, transfer or convey this contract in whole or in part, without the prior written consent of the City of Port Orange. Any such assignment or transfer shall not release vendor from all contractual obligations.

6. CONTRACT

Any acquisition above the \$25,000 level shall be done through one of the formal competitive methods except upon City Council waiver and/or shall have City Council approval. Only the Purchasing Manager and/or City Manager, have the authority to obligate the City by entering into a written contract to purchase goods and/or services up to \$25,000.00. The City of Port Orange, Florida reserves the right to reject any and all bids, and the City Manager may waive any and all non-substantial irregularity in bids received, whenever such waiver or rejection is in the best interest of the City.

7. BID FORM COMPLETION, SUBMISSION AND RECEIPT OF BIDS

Unless otherwise specified, Bidder's shall use the bid forms supplied by the Purchasing Division. Bids will be accepted in the City Clerk's Office, Port Orange City Hall, 1000 City Center Circle, Port Orange, Florida until 2:30 P.M., on the date indicated in the bid documents or as addendum issued by the City.

Bids shall contain one (1) original and two (2) copies, unless otherwise indicated in the legal advertisement and shall be addressed to Joseph A. Gomez, Purchasing Manager, Finance Department, City Hall, 1000 City Center Circle, Port Orange, Florida 32129 in) SEALED ENVELOPE. The envelopes shall be plainly marked on the outside to include the bid project name and bid number. Hand deliveries of envelopes shall be made to the Clerk's Office, 1st floor City Hall, City of Port Orange, 1000 City Center Circle, Port Orange, FL 32129.

Bidders shall use the forms furnished by the City. Bids having any erasures or corrections must be initialed by the bidder in ink. Bid shall be typewritten or filled in with pen and ink. Manual signature must be in ink. Bids transmitted by facsimile or email will not be accepted.

8. BID RETURNS

Bidders shall return all completed bids to the CITY of PORT ORANGE, Purchasing Division, 1000 City Center Circle, Port Orange, Florida 32129 the date and time specified. Late bids will not be accepted and shall be returned to Bidders unopened.

9. BID PROTEST

Pursuant to City Code 2-277, any person who is adversely affected by the City's decision or intended decision shall file with the City Purchasing Manager a notice of protest in writing within 72 hours after the posting of the notice of decision or intended decision as set forth on a city council agenda item or other routinely used on-line government procurement service. With respect to a protest of the terms, conditions, and specifications contained in a solicitation, including any provisions governing the methods for ranking bids, bids, or replies, awarding contracts, reserving rights of further negotiation, or modifying or amending any contract, the notice of protest shall be filed in writing within 72 hours after the posting of the solicitation. Saturdays, Sundays, and city holidays shall be excluded in the computation of the 72-hour time period established herein.

The formal written protest shall be filed with the Purchasing Manager, in writing within 10 calendar days after the date the notice of protest is filed. The formal written protest shall state with particularity the facts and law upon which the protest is based.

Failure to file a notice of protest or failure to file a formal written protest shall constitute a waiver of proceedings.

- a) As soon as possible after receipt, the Purchasing Manager shall provide written bid protest to the City Manager, City Attorney, and Department Head involved and Supervisor directly involved in the acquisition.
- b) The Purchasing Manager shall schedule within 7 business days, excluding weekends and holidays a meeting with the above mentioned individuals or designee and protestor. The intent of the meeting is to provide a review and/or solution prior to going before Council. After reviewing all relevant information, the City Manager shall render a decision.
- c) If the protestor disagrees, he may appeal to the City Council at a formal council meeting. After reviewing the evidence, the City Council will issue their decision. The City Council's decision is final, however, the protestor can appeal the administrative decision to the Circuit Court in Volusia County, Florida within 30 days of the City Council's final decision. Decisions at all levels shall be in writing to the protestor.

10. BID TABULATION

Bidders who wish to receive a copy of the bid tabulation may obtain it via www.demandstar.com or by contacting the City of Port Orange, Purchasing Manager at jgomez@port-orange.org

11. BONDS

If this bid requires submission of bid guarantee and performance bond, there will be a separate page explaining those requirements. Bids submitted without the required bid bond or cashier's checks shall be deemed non-responsive. When the Purchasing Manager deems it necessary, bid bond/deposits shall be prescribed and are advertised in the public notices inviting bids. Normally, if a bid bond/deposit is requested, it is in the amount of five percent (5%) of the bid amount. Performance and Materials Bonds requested for construction projects shall be in an amount equal to one hundred percent (100%) of the total contract amount. Upon award, the successful bidder may also be required to furnish and pay for a satisfactory contract one hundred percent (100%) Payment & Performance Bond to be recorded by the City, with the Clerk of the Circuit Court, Volusia County, Florida and to enter into a contract for services with the City of Port Orange. After recording, the City

will furnish to the contractor the recording information for the bond to evidence that the contractor has met the requirement of Florida law. The City will bill the cost of recording to the contractor. Performance and Material Bond shall also be recorded at the bidder's expense in the Office of the Clerk of the Circuit Court, Volusia County, Florida. All bonds no matter which kind, are advertised in the Invitation to Bid which appears in the newspaper. Unsuccessful bidders are entitled to the return of their surety where the Purchasing Manager has required such. A successful bidder shall forfeit any surety required by the Purchasing Manager upon failure on the bidder's part to enter into a contract within the time specified after the award of bid.

12. CHANGE ORDERS

No oral statement of any person shall modify or otherwise change, or affect the terms, conditions or specifications stated in the resulting contract. All change orders will be made in writing by the City of Port Orange Purchasing Division.

14. CONFLICT OF INTEREST

For purposes of determining any possible conflict of interest, all bidders must disclose if any City of Port Orange employee is also an owner, corporate officer, or employee of their business. No official or employee of the City who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of the Scope of Work covered by the Contract shall voluntarily acquire any personal interest, directly or indirectly, in the contract or proposed Contract.

15. CONFLICT OF INSTRUCTIONS

If a conflict exists between the General Conditions and instructions contained herein, and the Specific Conditions and instructions contained herein, the specifics shall govern.

16. CONTRACT OBLIGATION

The CITY of PORT ORANGE City Council shall approve the contract if greater than \$25,000.00 annually. The Mayor or other person authorized by the Mayor must sign the contract before it becomes binding on the CITY of PORT ORANGE or the bidders. Department heads are NOT authorized to sign agreements for the CITY of PORT ORANGE. Binding agreements shall remain in effect until all products and/or services covered by this purchase have been satisfactorily delivered and accepted.

17. CONTRACT RENEWALS

Renewals may be made ONLY by written agreement between the CITY of PORT ORANGE and the bidder. Any price escalations are limited to those stated by the bidder on the original bid.

18. COOPERATIVE PURCHASING

The city manager may elect to purchase through or join with other governmental units in cooperative purchasing ventures when the best interest of the city would be served thereby, provided the same is in accordance with all applicable laws. In the event the city manager should elect to purchase through or join with other governmental agencies in cooperative purchasing ventures, all purchases in excess of twenty-five thousand dollars (\$25,000.00) would require council approval before the purchasing contracts are entered into. (Code 1981, § 8-33, Ord. 1997-22, § 5.)

19. COPYRIGHT AND PATENT RIGHTS

Bidder warrants that there has been no violation of copyrights or patent rights in manufacturing, producing and/or selling the item(s) ordered or shipped as a result of this bid, and successful bidder agrees to hold the City harmless from any and all liability, loss or expense by any such violation.

20. COST INCURRED BY BIDDERS/PROPOSERS

All expenses involved with the preparation and submission of proposals to the City, or any work performed in connection

therewith shall be borne by the Bidder(s)/Proposer(s). No payment shall be made for any responses received, nor for any other effort required of or made by the Bidder(s)/Proposer(s) prior to commencement of work as defined by the contract approved by the City Council.

21. DEFAULT PROVISIONS

In the event of default by the bidder, the City reserves the right to procure the item(s) bid from other sources and holds the bidder responsible for excess costs incurred as a result. If a contractor defaults on a City contract the City Council may elect to refrain from doing business with the bidder as stipulated in City Code 2-276 Suspension and Debarment.

22. DELIVERY OF GOODS/SERVICES

1. All materials are to be delivered F.O.B.; City of Port Orange's designated facility.

2. Delivery dates pertaining to this invitation must be clearly stated in the bid form where required and include weekends and holidays. Failure to comply with this requirement may be a cause for disqualification of bid. Unless otherwise specified, delivery at the earliest date is required. The bidder will clearly state in the bid the time required for delivery upon receipt of contract or purchase order. Proposed delivery time must be specific and such phrases "as required," "as soon as possible" or "prompt" may result in disqualification of the bid. Delivery time will be a factor for any orders placed as a result of this bid. The City reserves the right to cancel such order(s) or any part thereof, without obligation, if delivery is not made within the time(s) specified herein and hold the vendor in default.

3. Upon approval of a contract, the vendor is obligated to deliver the goods to the destination specified in the Invitation for Bids or the Purchase Order and bears the risk of loss until delivery. If this Invitation for Bids or Purchase Order does not contain delivery instructions, bidders shall request instructions in writing from the Purchasing Manager. If the delivery instructions contained in the Invitation for Bids allocate delivery costs and risks in a manner contrary to this section, the provisions of this Invitation for Bids shall prevail.

4. When delivery is not met as provided for in the contract, the Purchasing Division reserves the right to make the purchase on the open market, with any cost in excess of the contract price paid by the vendor, in addition to any other damages, direct or consequential, incurred by the City as a result thereof. In addition, failure of the vendor to meet the contract delivery dates will be cause for removal of the vendor from the City's list of eligible bidders as outlined in City Code 2-276 Suspension and Debarment.

23. DETERMINATION OF LOWEST AND BEST BIDDER

In determining the lowest and best responsible bidder, in addition to price, there will be considered the following:

1. The ability, capacity and skill of the bidder to perform the contract.
2. Whether the bidder can perform the contract within the time specified, without delay or interference.
3. The character, integrity, reputation, judgment, experience, and efficiency of the bidder.
4. The quality of performance of previous contracts.
5. The previous and existing compliance by the bidder with laws and ordinances relating to the contract.
6. The sufficiency of the financial resources and ability of the bidder to perform the contract or provide the service.
7. The quality, availability and adaptability of the supplies or contractual services to the particular use required.
8. The ability of the bidder to provide further maintenance and service for the use of the subject of the contract.
9. The number and scope of conditions attached to the bid.
10. Such other factors as appear to the city council to be pertinent to the bid or the contract under all of the circumstances involved.

24. DISCLOSURE OF CONFLICTS

The award is subject to the provisions of Chapter 112, Florida Statutes. All proposers must disclose with their proposal the name of any officer, director, or agent who is also an employee of the City. Further, all Proposers must disclose the name of any employee who owns, directly or indirectly, an interest in the Proposer's firm or any of its branches. The proposer shall not compensate, in any manner, directly or indirectly, any officer, agent, or employee of the City for any act or service that he/she may do, or perform for, or on behalf of any officer, agent or employee of the Proposer. No officer, agent, or employee of the City shall have any interest, directly or indirectly, in any contract or purchase made, or authorized to be made by anyone for, or on behalf of the City. The Proposer shall have no interest and shall not acquire any interest that shall conflict in any manner or degree with the performance of the services required under the Bid/RFP.

25. DISQUALIFICATION OF BIDDER

The Purchasing Manager shall maintain a current listing of qualified bidders. The Purchasing Manager may, from time to time remove any vendor's name from the list of qualified bidders. Normally the removal of a vendor from the vendor list is done after non response from that vendor for three (3) consecutive bids. Such action may also arise out of breach of contract, default, or irregular business practice, based on the Finance Director and City Attorney's recommendation. Any or all bids may be rejected if the CITY believes that collusion exists among the bidders. Bids in which the prices are obviously unbalanced may be rejected. If multiple bids are submitted by a bidder and after the bids are opened, one of the bids is withdrawn, the result will be that all of the bids submitted by that bidder will be withdrawn; however, nothing herein prohibits a vendor from submitting multiple bids for different products or services.

26. EVALUATION

Evaluation shall be used as a determinant as to which bid items or services are the most efficient and/or most economical for the CITY. It shall be based on all factors which have a bearing on price and performance of the items in the user environment. All bids are subject to tabulation by the CITY of PORT ORANGE Purchasing Division and recommendation to the governing body. Compliance with all bid requirements, delivery and needs of the using department are considerations in evaluating bids. Pricing is NOT the only criteria for making a recommendation. The CITY of PORT ORANGE Purchasing Division reserves the right to contact any bidder, at any time, to clarify, verify or request information with regard to any bid.

27. EVALUATING RFPs

The evaluation process is formally one conducted by a committee appointed by the Purchasing Manager as required by general law. The evaluation is based upon specific criteria outlined in the RFP. The user department shall assign a weight to each of the evaluation criteria by its relative importance, with the total weights equaling 100. Each committee member establishes a summary of total scores for all the vendors. The summary of total scores is used to rank the vendors. Based upon the scores/ranking of the committee members, consensually a short list is obtained. In this RFP process this short list will consist of no less than three vendors (Unless less than three were received). This committee falls under the Florida Sunshine Law and therefore cannot speak with one another concerning the RFP unless in a public committee meeting. These meetings also shall be announced publicly in a designated area and meetings are recorded. In the case of the RFP, one member of the Selection Committee is to consist of one (1) member from the City Council; and at least one member from the user department. Except as otherwise required by general law; the Selection Committee schedules oral presentations from the three firms that were short-listed. At the oral presentation, the short listed firms

present an over view of their company and their approach to the scope of work outlined. Upon conclusion of the oral presentations, with the same criteria and procedures the committee members then evaluate those three firms again to determine a second ranking. Then, by consensus a final ranking is determined. That final ranking is then presented to the City Council by the using department head requesting approval to negotiate with the individual/firm ranked as number one. A contract is completed pursuant to the negotiations with this individual and/or firm. If a successful contract cannot be obtained with the number one ranked firm, the negotiations then move to the team ranked as number two, never to return to the number one again.

28. EXCEPTIONS TO SPECIFICATIONS

For purposes of evaluation, bidder must indicate any exception to the specifications, terms, and/or conditions, no matter how minor. This includes any agreement or contract forms supplied by the bidder that are required to be signed by the City. If exceptions are not stated by the bidder, in his bid, it will be understood that the item(s)/services fully comply with the specifications, terms and/or conditions stated by the City. Exceptions are to be listed by the bidder on an attachment included with his bid. The City will not determine exceptions based on a review of any attached sales or manufacturer's literature.

29. FACILITIES

The City reserves the right to inspect the bidder's facilities at any time.

30. FAILURE TO RESPOND

If you elect not to bid, please return enclosed "Bidder Acknowledgement Form" by the bid due date, and state your reason(s) for not bidding. Failure to respond, either by submitting a bid, or by submitting a "Statement of No Bid" card, three (3) times, shall result in your name being removed from our mailing list.

31. GOVERNING FORMS

In the event of any conflict between the terms and provisions of these requirements and the specifications, the specifications shall govern. In the event of any conflict of interpretation of any part of this overall document, the City's interpretation shall govern.

32. GOVERNING LAW

Bidders shall comply with all applicable federal, state and local laws and regulations. All bids are solicited and shall be made pursuant to the Code of Ordinances, City of Port Orange, Chapter 2, Article VI, Division 2, and all bids will be evaluated in accordance with the provisions thereof. Code of Ordinances, City of Port Orange is on file in the Office of the City Clerk, City Hall, 1000 City Center Circle, Port Orange, Florida and at www.municode.com

The City of Port Orange is also governed by Florida Statutes 286.055 the Consultants Competitive Negotiations Act, as the method of selecting architects, engineers and land surveyors. The City has utilize the procedures in the Act for Professional counselors, environmentalists, planners, general contractors, computer systems, designers, telecommunications consultants, maintenance technicians, financial services and other professional services.

Every acquisition equal to or greater than \$10,000.00 must have a signed, notarized "Public Entity Crimes Form to comply with Florida Statute Section 287.133 (3)(a). Every bid contains this State Form. Another State of Florida Form is the Drug Free Tie Bid Preference Form. This form is in accordance with Section 287.087, Florida Statutes.

33. GRANT FUNDING

Any contract entered into by the CITY that is to be paid from grant funds shall be limited to payment from the grant funding and the vendor/provider understands that the CITY has not set aside any CITY funds for the payment of obligations under a grant contract. If grant funding should become unavailable at any time for the continuation of services paid for by the grant, and further funding cannot be obtained for the contract, then *the sole recourse of the provider shall be to terminate any further services under the contract and the contract shall be null and void.*

34. HIPAA COMPLIANCE

Bidder agrees to comply with the Standards for Privacy of Individually Identifiable Health Information of the Health Insurance Portability and Accountability Act of 1996, PL 104-191, 45 CFR Parts 160-164, as amended, referred to as "HIPAA", to the extent that the Bidder uses, discloses or has access to protected health information as defined by HIPAA.

35. IDENTICAL TIE BIDS

In accordance with Section 287.087, State of Florida Statutes, preference shall be given to businesses with Drug-free Workplace Programs. Whenever two or more bids that are equal with respect to price, quality, and service are received for the procurement of commodities or contractual service, a bid received from a business that certifies that it has implemented a Drug-free Workplace Program shall be given preference in the award process, as stipulated in City Code 2-267.

36. INDEMNIFICATION/HOLD HARMLESS

Contractor covenants and agrees that it will indemnify and hold harmless the City and all of the City's officers, agents, and employees from any claim, loss, damage, costs, charge or expense arising out of any act, action, neglect or omission by contractor during the performance of the contract, whether direct, or indirect, and whether to any person or property to which the City of said parties may be subject, except that neither the contractor nor any of its sub-contractors will be liable under this section for damages arising out of injury or damage to persons or property directly caused or resulting from the sole negligence of City or any of its officers, agents, or employees.

37. INDEPENDENT CONTRACTOR

It is expressly understood and agreed by both parties hereto that the City is contracting with the successful vendor as independent contractor. The parties hereto understand and agree that the City shall not be liable for any claims which may be asserted by any third party occurring in connection with the services to be performed by the successful vendor under this contract and that the successful vendor has no authority to bind the City.

The Proposer represents itself to be an independent contractor offering such services to the general public and shall not represent himself or his employees to be an employee of the City. Therefore, the Proposer shall assume all legal and financial responsibility for taxes, FICA, employee fringe benefits, workers compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save, and hold the City, its officers, agents, and employees, harmless from and against, any and all loss; cost (including attorney fees); and damage of any kind related to such matters. The Proposer shall further understand that the City cannot save and hold harmless and or indemnify the Proposer and/or the Proposer's employees against any liability incurred or arising as a result of any activity of the Proposer or any activity of the Proposer's employees performed in connection with the Contract.

38. INSPECTIONS & TESTING

City of Port Orange reserves the right to inspect any item(s) or service location for compliance with specifications and requirements and needs of the using department. If a bidder cannot

furnish a sample of a bid item, where applicable, for review, or fails to satisfactorily show an ability to perform, the CITY can reject the bid as inadequate and non-responsive.

39. INSURANCE

Please submit a copy of your insurance certificate with your proposal. Upon execution of a contract, the Bidder shall maintain insurance during the life of this agreement, and the City of Port Orange shall be listed as additional insured on that insurance document. A waiver of subrogation must be added in all areas and shall suffice in lieu of additional insured on workers' compensation, in an amount and a form set forth herein, to insure against risks, which are identified herein. Insurance providers must be rated "A" or better accordingly to the A.M. Best Company.

40. INSURANCE CANCELLATION

No change or cancellation in insurance shall be made without thirty (30) days written notice by the proposer/bidder to the City. Insurance coverage required in these specifications shall be in force throughout the contract term. Should any awardee fail to maintain or to provide acceptable evidence of current insurance within five (5) days of receipt of written notice at any time during the contract term, the City shall have the right to consider the Contract breached which shall justify the termination thereof.

41. INVOICES AND PAYMENTS

All invoices should be sent to: City of Port Orange, Accounts Payable, P.O. Box 291759, Port Orange, Florida, 32129. In accordance with Florida Statutes, Chapter 218, payment will be made within 45 days after receipt of merchandise and a proper invoice. The City will attempt to pay within fewer days if bidder offers a payment discount. The City cannot make advance payments, make deposits in advance of receipt of goods, or pay C.O.D. Bidders should state any payment discount in space provided on Proposal form for construction services.

42. IRREVOCABILITY OF PROPOSAL

Each proposer agrees that proposals shall remain open until the effective date not to exceed 90 days after selection, shall not be subject to revocation, and shall be subject to the City Council's acceptance of a contract with the proposer.

43. LATE PROPOSALS, LATE MODIFICATIONS AND LATE WITHDRAWALS

Proposals received after the Proposal Due Date and time are late and shall not be considered. Modifications received after the Proposal Due Date are also late and shall not be considered. Letters of withdrawal received after the Proposal Due Date are late and shall not be considered. Letters of withdraw received after contract award, shall be deemed a breach of contract, subject to penalties as set forth in the contract and bid proposal request.

44. LEGAL REQUIREMENTS

Applicable provision of all Federal, State, county and local laws, and all ordinances, rules, and regulations shall govern development, submittal and evaluation of all proposals received in response hereto and shall govern any and all claims and disputes which may arise between person(s) submitting a response to Bid/RFP hereto and the City by and through its officers, employees and authorized representatives, or any other person, natural or otherwise; and lack of knowledge by any Proposer shall not constitute a cognizable defense against the legal effect thereof.

Upon execution of a contract, the successful Bidder/Proposer shall hold harmless, indemnify and defend the City of Port Orange, its members, officials, officers and employees against any claim, action, loss, damage, injury, liability, cost and expense of whatsoever kind or nature (including, but not by way of limitation, attorneys' fees and court costs) arising out of or incidental to the

performance of the Contract, whether or not due to or caused by negligence of the City of Port Orange, its members, officials, officers or employees. This Contract requirement shall be reflected in the insurance coverage certificate.

45. LICENSES, PERMITS AND TAXES

The Proposer shall comply with all rules, regulations, laws and permitting requirements of the City, Volusia County, the State of Florida, and the U.S. Government now in force or hereafter to be adopted. The Proposer shall abide by all ordinances and laws pertaining to his operations and shall secure, at his expense, all licenses and permits necessary for construction and operation.

46. MAINTENANCE

Maintenance required for equipment bid is preferred to be available in the CITY of PORT ORANGE by a manufacturer-authorized maintenance facility. Costs for this service shall be shown on the Pricing/Delivery Information form. If the CITY of PORT ORANGE opts to include maintenance, it shall be so stated in the purchase order and said cost will be included. Service will commence only upon expiration of applicable warranties and shall be priced accordingly.

47. NAME BRANDS

Specifications may reference name brands and model numbers. It is not the intent of the CITY of PORT ORANGE to restrict these bids in such cases, but to establish a desired quality level of merchandise or to meet a pre-established standard due to like existing items. Bidders may offer items of equal stature and the burden of proof of such stature rests with bidders, unless otherwise specified by the CITY. The CITY of PORT ORANGE shall act as sole judge in determining equality and acceptability of products offered.

48. NON DISCRIMINATION

There shall be no discrimination as to race, color, religion, gender, age, marital status, national origin, ancestry, and physical or mental disability in the operations conducted under this contract. Included as applicable activities by the contractor under this section are the solicitation for, or purchase of, goods or services, or the subcontracting of work in performance of this contract.

49. NOTICE TO CONTRACTOR

The employment of unauthorized aliens by any contractor is considered a violation of Section 274A(e) of the Immigration and Nationality Act. If the contractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of the contract.

50. OPTIONAL CONTRACT USAGE

As provided in Section 287.042(17), Florida Statutes, State of Florida agencies may purchase from a contract resulting from this solicitation, provided the Department of Management Services, Division of Purchasing, has certified its use to be cost effective and in the best interest of the State. Contractor(s) may sell such commodities or services certified by the Division to State of Florida agencies at the contractor's option.

51. PATENTS/COPYRIGHTS

The successful vendor agrees to indemnify and hold the City harmless from any claim involving patent infringement or copyrights on goods supplied.

52. PRE-BID MEETING or PRE-PROPOSAL MEETING

The Purchasing Manager shall determine if the pre-bid or pre-proposal meeting is mandatory and provide the date, time and location in the Bid/RFP legal advertisement and Bid/RFP specifications. The meeting shall normally be held in the Council Chambers, located on the first floor of City Hall, 1000 City Center Circle, Port Orange, Florida. A site visit may be included and shall

immediately follow. Attendance to the pre-bid and pre-proposal meeting is normally mandatory. Only Bidder's or Proposer's attending a mandatory pre-bid meeting will be eligible to submit a bid or RFP. The representative of each bidder shall be an authorized employee of the bidder and shall sign in accordingly.

53. PREPARATION OF PROPOSAL

In preparing Proposals the Proposal Form, the Bid Form (when a Bid Bond is permitted as proposal security), Certificate as to Corporate Principal, Public Entity Crimes Statement, Anti-Collusion Statement, and Drug Free/Tie Preference Statement, must be properly executed in ink .

Upon the prescribed Schedule of Unit Prices, all bid prices shall be written in ink, in both words and numerals, in the blank spaces for each item, with the amounts extended if a unit price bid and all amounts totaled. In the event of any discrepancy between the written amounts and the numerals, the written amounts shall govern and will be considered as the price bid. The sum of the Total Bid as calculated from the individual items, Schedule of Unit Prices, shall equal the Total Price. Except as provided below, bids containing substitutions or combinations of alternates will not be considered unless such substitutions or combinations are specifically authorized by the Proposal. The Bidder shall sign his/her name and give his/her business address in the spaces provided therefore. If the Proposal is made as a partnership, it shall be signed by all partners; if made by a corporation, it shall be signed in the name of the corporation by one of the officers thereof and shall have affixed the seal of the corporation.

54. POSTPONEMENT / CANCELLATION / WAIVER OF IRREGULARITIES

The City may, at its sole and absolute discretion, reject any and all, or parts of, proposals; re-advertise the Bid/RFP for new proposals; postpone or cancel, at any time, the Bid/RFP process; and the City Manager may waive any irregularities in the Bid/RFP or in the proposals received as a result of the Bid/ RFP, or to accept that proposal which best serves the interest of the City.

55. PRICING

Bidder certifies that prices, terms and conditions in the bid will be firm for acceptance for a period of ninety (90) days from the date of bid opening unless otherwise stated by the City. Bids may not be withdrawn before the expiration of ninety (90) days. Prices shall be firm, with no escalator clauses unless specified by the City. Bids may be withdrawn after ninety (90) days only upon written notification to the City. Prices for all goods and/or services shall be firm for the duration of this contract and shall be stated on the Pricing/Delivery Information form. Prices shall be all inclusive: No price changes, additions, or subsequent qualifications will be honored during the course of the contract. All prices must be written in ink or typewritten. Pricing on all transportation, freight, drayage and other charges are to be prepaid by the contractor and included in the bid prices. If there are any additional charges of any kind, other than those mentioned above, specified or unspecified, bidder shall indicate the items required and attendant costs or forfeit the right to payment for such items. Where unit pricing and extended pricing differ, unit pricing prevails. In the event of any discrepancy between the written amounts and the numerals, the written amounts shall govern and will be considered as the price bid.

56. PROTECTION

Precaution shall be exercised at all times for the protection of persons, (including employees) and property. All existing structures, utilities, services, roads, trees, shrubbery, etc., shall be protected against damage or interrupted service at all times by the Proposer during the term of contract, and the Proposer shall be held responsible for any damage to the property occurring by reason of his operation on the property.

57. PROPRIETY INFORMATION

Responses to this Request for Proposals, upon receipt by the City, become public records subject to the provisions of Chapter 119 F.S., Florida's Public Records Law. If you believe that any portion of your response is exempt, you should clearly identify the specific documents for which confidentiality is claimed, and provide specific legal authority of the asserted exemption. Any financial statement that an agency requires a prospective bidder to submit in order to prequalify for bidding or for responding to a proposal for a road or any other public works project is exempt from s. [119.07\(1\)](#) and s. 24(a), Art. I of the State Constitution.

58. PUBLIC ENTITY CRIMES

In accordance with Florida State Statute 287.133 (2)(a): A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided s. 287.017 for CATEGORY TWO for a period of 36 Months from the date of being placed on the convicted vendor list.

59. PUBLIC RECORDS/PUBLIC MEETINGS EXEMPTION STATEMENT

Florida Statutes 119.071(1)(c) Any financial statement that an agency requires a prospective bidder to submit in order to prequalify for bidding or for responding to a proposal for a road or any other public works project is exempt from s. [119.07\(1\)](#) and s. 24(a), Art. I of the State Constitution. On June 2, 2011, Governor Scott signed HB 7223 into law. This new legislation amends Florida's Public Records and Sunshine Laws, by expanding "exemptions" applicable to bids, proposals and replies to sealed competitive solicitations, and closes evaluation meetings from the public in certain instances. First, Section 119.071, Florida Statutes was amended to provide that sealed bids, proposals, or replies received by a Florida public agency shall remain exempt from disclosure until an intended decision is announced or until 30 days from the opening, whichever is earlier. This means that bidders will not be able to procure a copy of their competitor's bids until an intended decision is reached or 30 days has elapsed since the time of the bid opening. The prior version of the law provided for a 10 day exemption. Next, Section 286.0113, Florida Statutes was amended to provide that meetings of persons appointed to evaluate bids or proposals and negotiate contracts shall be closed in certain circumstances. Specifically, *portions of such meetings* may now be closed to the public during oral presentations made by a vendor, or where a vendor answers questions. In other words, neither bidders, nor the public will be permitted to sit in on meetings, unless this exemption is waived by the City Council, wherein their competitors are making presentations or discussing their bid or proposal with the committee members. The portions of these meetings must still be recorded and are subject to disclosure at the time of an intended award decision or within 30 days of the bid or proposal opening, whichever is earlier. Portions of the meetings that do not involve presentations, questions and answers, or negotiation strategy or negotiation sessions are still open to the

public and competing bidders, but the new law limits public attendance to portions of such meetings.

60. PURCHASE ORDER AND DELIVERY

The successful bidder shall not deliver products or provide services without a CITY of PORT ORANGE Purchase Order, signed by an authorized agent of the CITY of PORT ORANGE. The fastest, most reasonable delivery time shall be indicated by the bidder. Any special information concerning delivery should also be included, on a separate sheet, if necessary. All items shall be shipped F.O.B. INSIDE DELIVERY unless otherwise stated in the specifications. This shall be understood to include bringing merchandise to the appropriate room or place designated by the using department. Every tender or delivery of goods must fully comply with all provisions of these requirements and the specifications including time, delivery and quality. Nonconformance shall constitute a breach which shall be rectified prior to expiration of the time for performance. Failure to rectify within the performance period shall be considered cause to reject future deliveries and cancellation of the contract by CITY of PORT ORANGE without prejudice to other remedies provided by law. Where delivery times are critical, the CITY of PORT ORANGE reserves the right to award accordingly.

61. QUESTIONS, INTERPRETATIONS

Questions regarding interpretation of bids, bid results or bid awards shall be directed in writing to the Purchasing Division and referenced by bid number no later than the last day for questions as specified in the bid documents. The City of Port Orange shall not be responsible for oral interpretations given by any City personnel or representative or others. The issuance of a written addendum is the only official method whereby interpretation, clarification or additional information can be given.

62. QUALITY

All materials used for the manufacture or construction of any supplies, materials or equipment covered by this bid shall be new. The items bid must be new, the latest model, of the best quality and highest grade workmanship unless otherwise specified in this bid by the City.

63. RIGHT OF WITHDRAWAL RFP

A RFP proposal may not be withdrawn before the expiration of ninety (90) days from the proposal due date.

64. RIGHTS TO RFP SUBMITTED MATERIAL

All proposals, responses, inquiries, or correspondence relating to or in reference to an RFP, and all reports, charts, and other documentation submitted by Proposers shall become the property of the City when received.

65. RIGHT OF NEGOTIATION RFP

The City reserves the right to negotiate with the selected Proposer the exact terms and conditions of the Contract.

66. RECORDS/AUDIT

The proposer shall maintain records sufficient to document their completion of the scope of services as a public record and as a requirement of the Contract. These records unless exempt or confidential, shall be subject at all reasonable time to review, inspections, copy and audit by persons duly authorized by the City. These records shall be kept for a minimum of three (3) years after completion of the Contract and in accordance with the requirements of public records retention as prescribed by general law. Records which relate to any litigation, appeals or settlements of claims arising from performance under this requirement shall be made available until a final disposition has been made of such litigation, appeals, or claims.

67. RECYCLED MATERIALS

CITY of PORT ORANGE encourages the use of products made of recycled materials.

68. REQUEST FOR ADDITIONAL INFORMATION

Prior to the final RFP selection, Proposers may be required to submit additional information which the City may deem necessary to further evaluate the Proposer's qualifications to perform under the terms of the RFP and subsequent Contract.

69. REJECTING OF BIDS, REBIDDING

The City reserves the right to accept or reject any or all bids or parts of bids, to waive irregularities and technicalities, and to request re-bids. The City also reserves the right to award the contract on such items the City deems will best serve the interests of the City. The City further reserves the right to award the contract on a "split order" basis, or such combination as shall best serve the interests of the City unless otherwise specified. The city council shall have the authority to reject any and all bids. If the lowest and best bid exceeds the budgeted amount and the city council does not make additional funds available, the purchasing agent with the help of the department head shall have the authority to re-advertise the article or articles for bidding after making sufficient changes in the plans or specifications to bring the cost within the limit of the money available. (Code 1981, § 8-28)

70. REVIEW OF PROPOSALS

Each proposal will be reviewed to determine if the proposal is responsive to the submission requirements outlined in the Bid/RFP. A responsive proposal is one which follows the requirements of the Bid/ RFP, includes all required documentation, is submitted in the format outlined in the Bid/RFP, is of timely submission, and has the appropriate signatures as required on each document. Failure to comply with these requirements may deem your proposal non-responsive.

71. RULES, REGULATIONS AND LICENSING REQUIREMENT

The Proposer shall comply with all laws, ordinances and regulations applicable to the services contemplated herein, including those applicable to conflict of interest and collusion. Proposers are presumed to be familiar with all Federal, State and local laws, ordinances, codes and regulations that may in any way affect the services offered. Bidders are responsible for bearing all costs of permits, licenses, etc.

72. SAMPLES

Samples, when requested, must be furnished at, or before, bid opening, (unless otherwise specified), and will be delivered at no charge to the City. If not used and/or destroyed in testing, said sample(s) will, at bidder's request, be returned within thirty (30) days of bid award at bidder's expense. If requested by the City, samples and/or inspection of like items are to be made available in the southeast Florida area.

73. SEPARATION AND DISTRIBUTION

The Bid/RFP has been designed for transmittal as a complete document to interested parties. It is recommended that it not be separated; however, it may be reproduced in its entirety as additional distribution might dictate.

The City will utilize Demand Star for distribution of BIDS and RFP'S at: www.demandstar.com

In addition, vendors may obtain a PDF version of the RFP Proposal by submitting a request to the Purchasing Manager, e-mail: purchasing@port-orange.org.

74. SEVERABILITY

If any section, subsection, paragraph, sentence, clause, phrase or word of these requirements or the specifications shall be held invalid, such holding shall not affect the remaining portions of these requirements and the specifications and it is hereby declared that such remaining portions would have been included in these requirements and the specifications as though the invalid portion had been omitted.

75. SIGNATURE REQUIRED

All bids must show the company name and be signed by a company officer or employee who has the authority to bind the company or firm by their signature. UNSIGNED BIDS WILL BE REJECTED. All manual signatures must be original - no rubber stamp, photocopy, etc.

76. SIGNED BID CONSIDERED AN OFFER

This signed bid is considered an offer on the part of the bidder, which offer shall be considered accepted upon approval by the City Council City of Port Orange (if required). The City of Port Orange will issue a purchase order or a letter of authorization to the successful bidder, as authorization for delivery of the items awarded subject to requirements of detailed specifications and those contained herein. In the event of default on the part of the bidder after such acceptance, the City may take such action as it deems appropriate including legal action for damages or specific performance.

77. SILENCE OF SPECIFICATIONS

The apparent silence of specifications as to any detail, or the apparent omission from it of a detailed description concerning any point, shall be regarded as meaning that only the best commercial practice is to prevail and that only material and workmanship of the finest quality are to be used. All interpretations of specifications shall be made on the basis of this statement. The items furnished under this contract shall be new, unused of the latest product in production to commercial trade and shall be of the highest quality as to materials used and workmanship. Manufacturer furnishing these items shall be experienced in design and construction of such items and shall be an established supplier of the item bid.

78. STATE LICENSING REQUIREMENTS

All entities defined under Chapters 607, 608, 617 or 620, Florida Statutes, seeking to do business with the City shall be on file and in good standing with the State Of Florida's Department of State. The offeror shall have, prior to making this offer, met the license, certification, and any other requirements of the state, county, city and/or other agency of authority with jurisdiction in such matters and should provide copies of documentation which evidence such qualifications with your response to the Bid/RFP; and, that the offeror shall provide follow-up evidence that the contractor maintains such credentials throughout the period of the agreement. A copy of a current certificate of authority from the Secretary of State authorizing your company to do business in the State of Florida; or other evidence of legal authority to do business in the state, county, city and/or any other agency of authority should be provided with your response to the Bid/RFP. Information concerning certification with the Secretary of State can be obtained at <http://ccfcorp.dos.state.fl.us/index.html>. Contract documents shall be executed by an entities duly authorized officer as evidenced by entity records.

79. SUPPLEMENTAL MATERIALS

Bidders are responsible for including all pertinent product data in the returned bid package. Literature, brochures, data sheets, specification information, completed forms requested as part of the bid package and any other facts which may affect the evaluation and subsequent contract award should be included. Materials such as legal documents and contractual agreements, which the bidder wishes to include as a condition of the bid, must also be in the

returned bid package. Failure to include all necessary and proper supplemental materials may be cause to reject the entire bid.

80. TAXES

The CITY of PORT ORANGE is exempt from all federal excise, state and local taxes unless otherwise stated in this document. Tax Exemption Certificates will be furnished upon written request to the CITY of PORT ORANGE Purchasing Division.

81. TERM CONTRACTS

The CITY of PORT ORANGE acceptance of Bidder's offer shall be limited to the terms herein unless expressly agreed in writing by the CITY. If the contract is intended to cover a specific time period, the term will be given in the bid specifications.

82. TERMINATION

The CITY of PORT ORANGE reserves the right to terminate the contract for default if bidder breaches any of the terms therein, including warranties of bidder or if the bidder becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies which the CITY of PORT ORANGE may have in law or equity. Default may be construed as, but not limited to, failure to deliver the proper goods and/or services within the proper amount of time, and/or to properly perform any and all services required to the City's satisfaction and/or to meet all other obligations and requirements. The City may cancel the Contract at any time for breach of contractual obligations by providing the Proposer with a written notice of such cancellation. Should the City exercise its right to cancel the Contract for such reasons, the cancellation shall become effective on the date as specified in the notice of cancellation sent to the Proposer.

83. TERMINATION-NOTICE

Either party may cancel the contract at any time after award, unless otherwise specified. The City shall be required to give the vendor notice thirty days prior to the date of cancellation of the contract. The vendor shall be required to give the City written notice (60) sixty days prior to the date of cancellation of the contract. The CITY of PORT ORANGE may terminate the contract without cause upon thirty (30) days written notice.

84. TITLE TRANSFER

Title and Risk of Loss of goods shall not pass to CITY of PORT ORANGE until CITY of PORT ORANGE actually receives and takes possession of the goods at the point or points of delivery. Receiving times may vary with the using department. Generally, deliveries may be made between 8:30 a.m. and 3:00 p.m., Monday through Friday. Bidders are advised to consult the using department for instructions. The place of delivery shall be specified in the bid specification and/or on the Purchase Order as a "Deliver To:" address.

85. USE OF PROPOSAL FORMS

Proposers should complete the appropriate Proposal Form(s) included in the RFP. All blanks on the Proposal Forms should be completed. If a question or confirmation is not applicable, it should be answered with an "N/A."

Supplemental information may be attached to the Proposal Forms. Failure to fully complete the appropriate Proposal Forms may result in disqualification of your proposal.

If additional space for a response is required, attach an additional page to the page on which the question is stated. Clearly identify the number of the question to which the response is attached. Further, if additional Proposal Form pages are needed, photocopy or replicate as appropriate, and attach such additional pages to the page on which the question or chart is stated.

The signature on the Authorized Person or Entity must be that of an officer, partner or a sole proprietor of the entity making the proposal. The original proposal, and each copy submitted, should contain an original signature on the Proposer's Acknowledgement Form contained in each Proposal Form.

86. VARIANCES

For purposes of bid evaluation, Bidder's must indicate any variances, no matter how slight, contained in the bid. No variations or exceptions by a bidder will be considered or deemed a part of the bid submitted unless such variances or exceptions are listed in the bid and referenced in the space provided on the bid pages. If variances are not stated, or referenced as required, it will be assumed that the product or service complies with the City's terms, conditions and specifications. By receiving a bid, the City does not necessarily accept any variances contained in the bid. All variances submitted are subject to review and approval by the City. If any bid contains material variances that, in the City's sole opinion, make that bid conditional in nature, the City reserves the right to reject the bid or part of the bid that is declared, by the City as conditional.

87. WAIVER OF IRREGULARITIES

The City of Port Orange reserves the right to waive and/or reject any non-substantial irregularity in the proposals received whenever such waiver or rejection is in the best interests of the City and/or it doesn't meet the minimum requirements set forth. All reasonably responsive proposals will be considered. However, the City reserves the right to waive formalities or informalities in proposals, to reject, with or without cause, any or all proposals or portions of proposals, or to interview or not interview individual Proposers, and to accept any proposal(s) or portions of proposals deemed to be in the best interest(s) of the City. The city council shall have the authority to waive any and all non-substantial irregularities in any and all formal bids. (Code 1981, § 8-29)

88. WARRANTIES

Bidders shall furnish all data pertinent to warranties or guarantees which may apply to items in the bid. Bidders may not limit or exclude any implied warranties. Bidder warrants that product sold to the CITY shall conform to the standards established by the U.S. Department of Labor under the Occupational Safety and Health Act of 1970. In the event product does not conform to OSHA Standards, where applicable, CITY of PORT ORANGE may return the product for correction or replacement at the bidder's expense. If bidder fails to make the appropriate correction within a reasonable time, CITY of PORT ORANGE may correct at the bidder's expense.

89. PUBLIC RECORDS COMPLIANCE

Contractor shall comply with public records laws as set forth in Section 119, Florida Statutes, and shall specifically:

(a) Keep and maintain public records that ordinarily and necessarily would be required by the City in order to perform the service.

(b) Provide the public with access to public records on the same terms and conditions that the City would provide the records and at a cost that does not exceed the cost provided in Section 119, Florida Statutes, or as otherwise provided by law.

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

(d) Meet all requirements for retaining public records and transfer to the City, at no cost, all public records in possession of the Contractor upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the City in a format that is compatible with the information technology systems of the City.

90. NON-EXCLUSIVITY:

The City of Port Orange reserves the right to procure items herein described in any manner it sees fit, including but not limited to: awarding of other contracts, the use of contracts awarded by GSA, federal agencies, the State of Florida, any county or municipality, or any authorized contract, whichever is considered in the best interest of the City.

91. LOCAL PREFERENCE:

In accordance with City Of Port Orange City Code 2-275, local businesses shall have **five business days** from bid/proposal opening to submit a best and final bid for evaluation. To qualify: A Port Orange business initial bid must be within (8%) of the lowest and best responsible bid from a non-Port Orange business; A Volusia County business initial bid must be within (5%) of the lowest and best responsible bid from a non-Volusia County business; A State of Florida business initial bid must be within (3%) of the lowest and best responsible bid from a non-State of Florida business.

In case of a tie between a local business and a non-local business, the local business shall prevail. In case of a tie between two or more local businesses, the following order of preference shall control: first priority to Port Orange Business, second priority to Volusia County Business, and third priority to Florida Business

The preference does not apply to goods or services exempted by statute or prohibited by Federal law, State law, or other funding source restrictions.

92. FORCE MAJEURE:

Neither party shall be liable for any delay in performance or failure to perform any obligation hereunder if, and to the extent that, such failure or delay is caused by an event of Force Majeure. Force Majeure shall mean any act, event or condition that is beyond the party's reasonable control, that materially and adversely affects the party's ability to perform its obligations hereunder, and that is not the result of the party's willful neglect, error, omission or failure to exercise reasonable due diligence.

93. SOVEREIGN IMMUNITY:

The City expressly retains all rights, benefits and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Notwithstanding anything set forth in any section of this Contract to the contrary, nothing in this Contract shall be deemed as a waiver of immunity or limits of liability of the City beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature or may be adopted by the Florida Legislature and the cap on the amount and liability of the City for damages regardless of the number or nature of claims in tort or equity shall not exceed the dollar amount set by the legislature for tort. Nothing in this Contract shall inure to the benefit of any third party for the purpose of allowing any claim against the City which would otherwise be barred under the Doctrine of Sovereign Immunity or operation of law.

SECTION 00190

DRUG FREE PREFERENCE STATEMENT

IDENTICAL TIE BIDS - Preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids, proposals, or replies that are equal with respect to price, quality, and service are received by the city for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program.

In order to have a drug-free workplace program, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of Section 287.087, Florida Statutes.

As an authorized representative of the firm, I certify that this firm complies fully with the above requirements.

SECTION 00200

CITY OF PORT ORANGE STANDARD CONTRACT FOR SERVICES

This Standard Contract for Services ("Contract") is entered into this ____ day of _____, 20____, by and between the **CITY OF PORT ORANGE**, a Florida municipal corporation, whose principal address is 1000 City Center Circle, Port Orange, Florida 32129 (the "City"), and _____, a _____ corporation whose principal address is _____ ("Contractor"). (The City and Contractor are collectively referred to herein as the "Parties.")

1. Provision of Services

(a) The Contractor hereby agrees to provide the following equipment, materials, labor and other such related services to the City of Port Orange:

(i) Concrete services for the City of Port Orange

(b) The time, manner and place for performance of such services shall be:

Term: The initial term of this Contract shall commence on the date this Contract is signed on behalf of the City and shall continue for a period of three years thereafter (the "Initial Term"). In addition to the Initial Term, this Contract may be renewed for up to two additional one year term(s) upon written consent of the parties and appropriation by City Council.

Manner and Place: As outlined in Bid 16-01 Concrete Services in accordance with Standard Construction Details as required on all City owned facilities and properties (i.e. rights-of-way) and in a manner as required by all current federal, state, county, fire, building and land development codes, laws, ordinances and regulations, and with applicable permits and licenses per the City Code of Ordinances. Contractor shall not deliver goods or services without a written purchase order, signed by an authorized agent of the City of Port Orange.

Time and Essence: As stipulated in the Task Authorization from the date set out in paragraph 3 below or upon receipt of Notice to Proceed.

Authorization for Services. This Contract standing alone does not authorize the performance of any work or services to be provided by the Contractor or require the City to place any orders for work or service. Authorization for performance of services by the Contractor under this Contract shall be in the form of written Task Authorization(s) issued and executed by the City and signed by the Contractor. A sample Task Authorization is attached hereto as Exhibit "1."

2. City Obligations. In return for the services identified above, the City agrees to compensate Contractor at the prices set forth in Exhibit " " attached hereto, subject to a limit up to but not to exceed \$. The City's obligation to pay Contractor under this Contract is limited to the budgeted amount for the fiscal year approved by the Port Orange City Council for the then current fiscal year. All

payments shall be governed by the Local Government Prompt Payment Act as set forth in Sections 218.70 through 218.79, Florida Statutes, as amended.

3. Contract Documents. The following forms, attached as Exhibit "■," are an integral part of this Contract and must be completed, signed, witnessed and notarized as indicated and returned with the signed Contract:

- (a) Front Page for Bond (F.S. § 255.05)
- (b) Combination Payment and Performance Bond (F.S. § 255.05)

4. Contract Administration. The Public Works Director shall perform contract administration of this Contract. For notice provisions, see the paragraph below entitled "Notice."

5. Termination for Convenience of the City

(a) The parties agree that the City may terminate this Contract, or any work or delivery required hereunder, from time to time either in whole or part, whenever the City Manager of Port Orange shall determine that such termination is in the best interest of the City.

(b) Termination, in whole or in part, shall be effected by delivery of a Notice of Termination signed by the City Manager or his designee, mailed or delivered to the Contractor, and specifically setting forth the effective date of termination.

(c) Upon receipt of such Notice, the Contractor shall:

- (i) cease any further deliveries or work due under this Contract, on the date, and to the extent, which may be specified in the Notice;
- (ii) place no further orders with any subcontractors except as may be necessary to perform that portion of this Contract not subject to the Notice;
- (iii) terminate all subcontracts except those made with respect to contract performance not subject to the Notice;
- (iv) settle all outstanding liabilities and claims which may arise out of such termination, with the ratification of the Finance Director of Port Orange; and
- (v) use best efforts to mitigate any damages which may be sustained by the Contractor as a consequence of termination under this clause.

(d) After complying with the provisions of subparagraph (c), above, the Contractor shall submit a termination claim, in no event later than six (6) months after the effective date of termination, unless one or more extensions of three (3) months each are granted by the Finance Director.

(e) The Finance Director, with the approval of the City Manager, shall pay from the using department's budget, reasonable costs of termination, including a reasonable amount for profit on supplies or services delivered or work completed. In no event shall this amount be greater than the original contract price, reduced by any payments made prior to Notice of Termination, and further reduced by the price of the supplies not delivered or the services not provided. This Contract shall be amended accordingly, and the Contractor shall be paid the agreed amount.

(f) In the event that the parties cannot agree on the whole amount to be paid to the Contractor by reason of termination under this clause, the Finance Director shall pay the Contractor the amounts determined as follows, without duplicating any amounts which may have already been paid under the preceding paragraph of this clause:

- (i) With respect to all Contract performance prior to the effective date of Notice of Termination, the total of:

- (1) the cost of work performed or supplies delivered;
- (2) the cost of settling and paying any reasonable claims as provided in paragraph (c) (iv), above;
- (3) a sum as profit on (a) determined by the Finance Director to be fair and reasonable.

- (ii) The total sum to be paid under (i) above shall not exceed the contract price, as further reduced by the contract price of work or supplies not terminated.

(g) In the event that the Contractor is not satisfied with any payments which the Finance Director shall determine to be due under this clause, the Contractor may appeal any claim to the City Council in accordance with Paragraph 22 of this contract concerning disputes.

6. Termination for Convenience for Subcontractors. In accordance with the termination for the convenience of the City provision of this contract, the Contractor shall include similar provisions in any subcontract, and shall specifically include a requirement that subcontractors make all reasonable efforts to mitigate damages which may be suffered. Failure to include such provisions shall bar the Contractor from any recovery from the City whatsoever of loss or damage sustained by a subcontractor as a consequence of termination for convenience.

7. Termination for Default. Either party may terminate this Contract, without further obligation, for the default of the other party or its agents or employees with respect to any agreement or provision contained herein. In the event of default by the contractor, the City reserves the right to procure the item(s) bid from other sources and holds the bidder responsible for excess costs incurred as a result. City Council may elect to refrain from doing business with the bidder as stipulated in City Code 2-276 Suspension and Disbarment.

8. Examination of Records

(a) The Contractor agrees that the City, or any duly authorized representative, shall, until the expiration of five (5) years after final payment hereunder, have access to and the right to examine and copy any pertinent books, documents, papers and records of the Contractor involving transactions related to this Contract.

(b) The Contractor further agrees to include in any subcontract for more than \$10,000 entered into as a result of this Contract, a provision to the effect that the subcontractor agrees that the City or any duly authorized representative shall, until the expiration of five (5) years after final payment under the subcontract, have access to and the right to examine and copy any pertinent books, documents, papers and records of such contractor involved in transactions related to such subcontract, or this Contract. The term subcontract as used herein shall exclude purchase orders for public utility services at rates established for uniform applicability to the general public.

(c) The period of access provided in subparagraphs (a) and (b) above for records, books, documents and papers which may relate to any arbitration, litigation, or the settlement of claims arising out of the performance of this contract or any subcontract shall continue until any appeals, arbitration, litigation or claims shall have been finally disposed of.

9. Public Records Compliance. Contractor shall comply with public records laws as set forth in Chapter 119, Florida Statutes, and shall specifically:

(a) Keep and maintain public records that ordinarily and necessarily would be required by the City in order to perform the service.

(b) Provide the public with access to public records on the same terms and conditions that the City would provide the records and at a cost that does not exceed the cost provided in Section 119, Florida Statutes, or as otherwise provided by law.

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

(d) Meet all requirements for retaining public records and transfer to the City, at no cost, all public records in possession of the Contractor upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the City in a format that is compatible with the information technology systems of the City.

If Contractor does not comply with a public records request, the City shall enforce the contract provisions in accordance with the contract.

10. Termination for Non-Appropriation of Funds

(a) If funds are not appropriated for any succeeding fiscal years subsequent to the one in which this contract is entered into, for the purpose of this Contract, then the City may terminate this Contract upon thirty (30) days prior written notice to the Contractor. Should termination be accomplished in accordance with this Section, the City shall be liable only for payments due through the date of termination.

(b) The City agrees that should it terminate in accordance with this Section, it shall not obtain services which are substantially equal to or similar to those for which this contract was entered into. This provision shall survive any termination of the Contract.

11. Insurance. Contractor shall maintain insurance during the life of this Contract. Contractor shall provide to the City a certificate of insurance identifying the City of Port Orange as an additional insured. For workers' compensation coverage, the bidder's insurance certificate shall include the insurer's waiver of subrogation in lieu of naming the city as an additional insured for workers' compensation.

Policies other than Workers' Compensation shall be issued by insurers licensed and/or duly authorized under Florida Law to do business in the State of Florida and all insuring companies are required to have a minimum rating of "A" in the "Best Key Rating Guide" published by A.M. Best & Company, Inc. Policies for Workers' Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.572. Contractor shall not commence work under this Agreement until the City has received a certificate or certificates of insurance and endorsement evidencing the required insurance. Contractor shall provide the City written notice of cancellation, nonrenewal or any other changes in coverage no later than ten (10) days prior to the effective date of the change.

The City reserves the right to increase insurance coverage as determined for higher risk contracts and shall reimburse the Contractor for the reasonable additional costs of increased coverage.

12. A Contract for the purchase of supplies shall be governed by the City of Port Orange Code of Ordinances, as amended, and such supplies shall be deemed "goods," as defined therein.

13. Assignability of Contract. Neither this contract, nor any part hereof, may be assigned by the Contractor to any other party without the express written approval of the City Council.

14. Modifications or Changes to this Contract

(a) Change Orders. The Department Head, with the concurrence of the City's signatory as required by the City's Purchasing Policy, shall without notice to any sureties, have the authority to order changes in this Contract which affect the cost or time of performance. Such changes shall be ordered in writing specifically designated to be a change order. Such orders shall be limited to reasonable changes in the services to be performed or the time of the performance. The City will not be held liable for any changes which have not been properly authorized and approved in accordance with this Contract.

(b) If any change under this clause causes an increase or decrease in Contractor's cost of, or time required for the performance of the work hereunder, Contractor shall receive an equitable adjustment in accordance with subparagraph (d), which shall include all compensation to the Contractor, or the City, of any kind in connection with such change, including all costs and damages related to or incidental to such change.

(c) Contractor need not perform any work described in any change order unless it has received a certification from the City that there are funds budgeted and appropriated sufficient to cover the cost of such changes.

(d) No claim for changes ordered hereunder shall be considered if made after final payment in accordance with the Contract.

15. Sovereign Immunity. The City expressly retains all rights, benefits and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Notwithstanding anything set forth in any section of this Contract to the contrary, nothing in this Contract shall be deemed as a waiver of immunity or limits of liability of the City beyond any statutory limited waiver of immunity or limits of liability which may have been adopted by the Florida Legislature or may be adopted by the Florida Legislature and the cap on the amount and liability of the City for damages regardless of the number or nature of claims in tort or equity shall not exceed the dollar amount set by the legislature for tort. Nothing in this Contract shall inure to the benefit of any third party for the purpose of allowing any claim against the City which would otherwise be barred under the Doctrine of Sovereign Immunity or operation of law.

16. Warranties. Contractor warrants that (1) the supplies to be provided to the City pursuant to this Contract are fit and sufficient for the purpose intended; (2) the supplies are merchantable, of good quality, and free from defects, whether patent or latent, in material or workmanship, and (3) the supplies sold to the City pursuant to this Contract conform to the standards required by this Contract.

Contractor further warrants that Contractor has title to the supplies provided, and that the supplies are free and clear of all liens encumbrances, and security interests. All warranties made in this Contract, together with service warranties and guarantees, shall run to the City and its successors and assigns.

17. Additional Warranties. Contractor further expressly warrants that materials and workmanship are warranted from defect for a one-year period. This is a minimum acceptable warranty.

18. Additional Bond Security. If any surety bond furnished in connection with this Contract becomes unacceptable to the City, Contractor shall promptly furnish such additional security as may be required from time to time to protect the interests of the City and a person supplying labor and materials in the prosecution of work contemplated by this Contract. Contractor expressly acknowledges that if the work to be performed hereunder is a public work, a Payment and Performance Bond, in accordance with Florida Statutes Section 255.05, in a form acceptable to the City, shall be provided and recorded with the Clerk of Volusia County at Contractors expense.

19. Inspection

(a) All supplies (which term throughout this clause includes without limitation raw materials, components, intermediate assemblies, and their products) shall be subject to inspection and test by the City, to the extent practicable at all times and places including the place of manufacturer, and in any event prior to acceptance.

(b) In the event any supplies or lots of supplies are defective in material or workmanship, or otherwise not in conformity with the requirements of this Contract, the City shall have the right either to reject them (with or without instructions as to their disposition) or to require their correction. Supplies or lots of supplies which have been rejected or required to be corrected shall be removed or, if permitted or required by the Finance Director, corrected in place by and at the expense of Contractor promptly after

notice, and shall not thereafter be tendered for acceptance unless the former rejection or requirement of correction is disclosed. If Contractor fails promptly to remove such supplies or lots of supplies which are required to be removed or promptly to replace or correct such supplies or lots of supplies, the City may either (i) by contract or otherwise replace or correct such supplies and charge Contractor the cost for such replacement or correction; or (ii) may terminate this Contract for default as provided in the clause of this Contract entitled "Termination for Default." Unless Contractor corrects or replaces such supplies within the delivery schedule, the Finance Director may require the delivery of such supplies at a reduction in price, which is equitable under the circumstances. Acceptance or rejection of the supplies shall be made as promptly as practicable after delivery, except as otherwise provided in this Contract. Failure to inspect and accept or reject supplies shall neither relieve Contractor from responsibility for such supplies as are not in accordance with the Contract requirements nor impose liability on the City therefor.

(c) The inspection and test by the City of any supplies or lots thereof does not relieve Contractor from any responsibility regarding defects or other failures to meet the Contract requirements, which may be discovered prior to acceptance. Except as otherwise provided in this Contract, acceptance shall be conclusive except as regards latent defects, fraud, or such gross mistakes as amount to fraud.

20. Liability for Loss or Damage. Contractor shall be liable for any loss of, or damage to, City property caused by the negligence, recklessness, or intended wrongful misconduct of Contractor, his/its agents, servants and employees and shall indemnify and save the City harmless against all actions, proceedings, claims, demands, costs, damages and expenses, including attorney's fees, by reason of any suit or action brought for any actual or alleged injury to or death of any person or damage to property other than City property, resulting from the performance of the Contract by Contractor, his/its agents, servants and employees. Contractor shall submit a full written report to the Finance Director within twenty-four (24) hours following the occurrence of such damage, loss or injury.

21. Non-discrimination. During the performance of this Contract, Contractor agrees as follows:

(a) Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, disability, marital status, age or national origin, except where such is a bona-fide occupational qualification reasonably necessary to the normal operation of Contractor. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause. Contractor agrees and fully supports and complies with the Americans with Disabilities Act of 1990.

(b) Contractor shall state in all solicitations or advertisements for employees placed by or on behalf of Contractor that Contractor is an equal opportunity employer.

(c) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient compliance with this provision. Contractor shall include the provisions of the foregoing subparagraphs (a), (b), and (c) in every subcontract or purchase order of over \$10,000 so that the provisions will be binding upon each subcontractor or vendor.

22. Disputes. The Finance Director, who shall reduce his decision to writing and mail or otherwise furnish a copy thereof to Contractor, shall decide disputes with respect to this Contract in the first instance. The decision shall be final and binding unless, within thirty-(30) days from the date of such decision, Contractor mails or otherwise furnishes to the Finance Director a written appeal addressed to the City Manager. The decision by the City Manager shall be final and binding unless, within ten (10) days from the date of receipt of the decision of the City Manager, appeal is made to the City Council. The decision of the City Council shall be final and binding unless set aside by a court of competent jurisdiction as fraudulent, capricious, arbitrary, or so grossly erroneous as necessary to imply bad faith, or not to be supported by any evidence. Pending a final determination of a properly appealed decision of the Finance Director, Contractor shall proceed diligently with the performance of this Contract in accordance with that decision.

23. Force Majeure. Neither party shall be liable for any delay in performance or failure to perform any obligation hereunder if, and to the extent that, such failure or delay is caused by an event of Force Majeure. Force Majeure shall mean any act, event or condition that is beyond the party's reasonable control, that materially and adversely affects the party's ability to perform its obligations hereunder, and that is not the result of the party's willful neglect, error, omission or failure to exercise reasonable due diligence.

24. Controlling Law. **THIS AGREEMENT CONTAINS IMPORTANT MATTERS AFFECTING LEGAL RIGHTS AND IS ACCEPTED AND ENTERED INTO IN FLORIDA AND ANY QUESTION REGARDING ITS VALIDITY, CONSTRUCTION, ENFORCEMENT, OR PERFORMANCE SHALL BE GOVERNED BY FLORIDA LAW. ANY LEGAL PROCEEDING ARISING FROM OR IN ANY WAY REGARDING THE AGREEMENT SHALL HAVE ITS VENUE LOCATED EXCLUSIVELY IN THE CIRCUIT COURT OF VOLUSIA COUNTY, FLORIDA, AND THE PARTIES HEREBY EXPRESSLY CONSENT AND SUBMIT THEMSELVES TO THE PERSONAL JURISDICTION AND VENUE OF THE COURT.**

25. Additional Provisions. As may have been outlined in **Bid 16-01 Concrete Services** and written quotes and purchase orders and any attachments or exhibits to this Contract whether delivered herewith or subsequently approved as a part hereof, such as drawings or technical specifications prepared in the performance of this work.

26. Integration. This Contract and the documents incorporated herein by reference shall constitute the whole agreement between the parties. There are no promises, terms, conditions, or obligations other than those contained herein, and this Contract shall supersede all previous communications, representations, or agreements, written or verbal, between the parties hereto.

27. Notice. For purposes of this agreement, notices shall be sent as follows:

Attention:

Any notice or other communication given under the Contract will be in writing and delivered by hand, sent by facsimile (provided acknowledgement of receipt thereof is delivered to the sender), sent by certified, registered mail, or sent by any nationally recognized overnight courier service to the addresses provided herein. The parties may, from time to time and at any time, change their respective addresses and each will have the right to specify as its address any other address by at least 10 days written notice to the other party.

28. Contract Construction

This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original but all of which together shall constitute one and the same instrument. The delivery by

facsimile or e-mail of an executed copy of this Agreement shall be deemed valid as if an original signature was delivered. No contract shall be formed between Contractor and the City until the City signs this Agreement.

29. Authority to Sign. Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party to the Agreement.

BIDDER'S CHECKLIST

The 10 Most Critical Things to Keep in Mind When Responding to a Bid for the City of Port Orange

1. _____ Read the entire document. Note critical items such as: mandatory requirements; Supplies and/or services required; submittal dates; number of copies required for submittal; funding amount and source; contract requirements (i.e., contract performance security, insurance requirements, performance and/or reporting requirements, etc.).
2. _____ Note the Purchasing Manager's name, address, phone numbers and e-mail address. This is the only person (or his designee) you are allowed to communicate with regarding the BID and is an excellent source of information for any questions you may have.
3. _____ Attend the pre-bid conference if one is offered. These conferences provide an opportunity to ask clarifying questions, obtain a better understanding of the project, or to notify the City of any ambiguities, inconsistencies, or errors in the Bid.
4. _____ Take advantage of the "question and answer" period. Submit your questions to the Purchasing Manager by the due date listed in the Bid and view the answers given in the formal "addenda" issued for the bid. All addenda issued for a Bid are posted on www.demandstar.com website and will include all questions asked and answered concerning the bid. It is the bidder's responsibility to be sure all addenda were received.
5. _____ Follow the format required in the Bid when preparing your response. Provide point-by-point responses to all sections in a clear and concise manner.
6. _____ Provide complete answers/descriptions. Read and answer all questions and requirements. Don't assume the City or evaluator/evaluation ranking committee will know what your company capabilities are or what items/services you can provide, even if you have previously contracted with the City. The proposals are evaluated based solely on the information and materials provided in your response.
7. _____ Use the forms provided, i.e., cover page, bid acknowledgment form, exhibits, etc.
8. _____ Check the website for Bid addenda's. Before submitting your response, check the DemandStar website at www.demandstar.com to determine whether any addenda were issued for the Bid. If so, you must circle for each addenda issued on the "Bidder acknowledgement form."
9. _____ Review and read the Bid document again to make sure that you have addressed all requirements. Your original response and the requested copies must be identical and be complete.
10. _____ Submit your response on time. Note all the dates and times listed in the Bid and within the document, and be sure to submit all required items on time. Late proposal responses are never accepted.

To Whom It May Concern:

Thank you for considering RMS Constructors Group, LLC as a General Contractor to work on the miscellaneous appurtenant work. The RMS Constructors Group team pledges to successfully complete this highly visible, general contracting service. We can make this pledge to our clients for the following reasons.

- We will provide the same team that has successfully completed several projects in central Florida over the past Eleven years;
- RMS Constructors Group understands our client's goal to maintain customer service and satisfaction; we have a proven contracting-approach that supports these achievements;
- Our ability to anticipate and work through project challenges is apparent from our in-depth construction experience, which identifies issues and solutions for every concern;
- We have a history of establishing clear expectations, maintaining communication and partnering on our projects; and
- We have proven our abilities by successfully completing similar projects, including storm water, drainage and piping, sidewalk and curbs.

The quality staff we offer will easily provide the services as they have illustrated on past governmental projects. Mike Rahmankhah, Project Manager, has over 25 years of experience. Complemented by an excellent team that are familiar with local government policies and procedures, the RMS Constructors team will devote our competency to the project. Our subcontractors Martine Charles, Ortiz Concrete and EM Paving bring expertise in their respective services and minority firm participation to the projects. All have worked with RMS Constructors for the past Eleven years.

RMS Constructors Group, LLC has local resources, office, staff and equipment available; possess expertise and specific knowledge in road construction, and a strong commitment to serve our clients. We value being considered for General Contracting services. We trust this proposal has provided all information needed at this time. If you have any questions regarding the RMS Constructors Group team, please contact Mike at 407-872-7000 (office) or 407-367-8196 (cell) or email at rmsconstructors@gmail.com.
Thank you in advance for your consideration.

Sincerely,

RMS Constructors Group, LLC.

Management

The most successful construction projects begin with good planning. RMS Constructors Group, LLC will approach each task the same way we have managed past projects, by scheduling early meetings, involving client representatives, utility companies and other associated stakeholders involved with the project. Upon award of the contract, all work will be thoroughly discussed and approved by our client prior to construction. We will review site conditions, plan and specifications and discuss improvement before each operation begins. The RMS Constructors Group, LLC team is fully committed to serve as the client's advocate and representative for each task.

The RMS Constructors Group, LLC management team has over 40 years' experience. We commit ourselves completely and competently to achieve all goals set forth.

RMS Constructors Group, LLC is a rapid growing construction commodity. Currently there are 20 employees, including management staff, supervisory staff and laborers. If needed, additional employees will be hired to fulfill our obligations with the client.

Claim Avoidance

The most common causes of disputes on transportation projects are design deficiencies, utility conflicts and unknown site conditions. Our proactive approach can help to improve a deficient design. Enhanced site investigation can identify and resolve many utility conflicts and unknown site conditions. By keeping open lines of communication, we will partner together to anticipate and resolve issues before claims are made.

Safety

RMS Constructors Group, LLC understands that for a project to be successful it must be completed without injury to any member of the construction team and the public. RMS Constructors Group, LLC. has an established safety program that will be utilized on each project. We take safety very seriously and strive to create a safe environment for all. Currently we have two personnel trained in the OSHA 10-hour program and one personnel train in the OSHA 30-hour program.

Environmental

Prior to the start of construction, if needed, RMS Constructors Group, LLC will submit a stormwater pollution prevention plan (SWPPP) to assure the plan properly addresses environmental impacts. RMS Constructors Group, LLC is committed to implementing the necessary standard operation procedures when it comes to stormwater management. This includes permit compliance, monitoring and maintaining erosion control devices and turbidity control measures.

Schedule

RMS Constructors Group, LLC will provide a CPM and/or Microsoft Project schedule depicting activities and milestones with proper float-time to ensure the project is completed in an efficient and effective manner.

MOT/Hours of Operations/Public Awareness

Maintenance of Traffic (MOT) will be critical for each work task and RMS Constructors Group, LLC will ensure advance warning signs are properly displayed to give the public notice of traffic shifts/new traffic patterns and MOT will be in accordance with the Manual on Uniform Traffic Control Devices (MUTCD) and FDOT's Roadway Design Standards Index.

Will maintain public ingress and egress during construction and will provide accommodations to the best of our ability. We also recommend providing a project information brochure, if applicable, providing the public with information regarding project activities and project duration.

SECTION 00190

DRUG FREE PREFERENCE STATEMENT

IDENTICAL TIE BIDS - Preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids, proposals, or replies that are equal with respect to price, quality, and service are received by the city for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program.

In order to have a drug-free workplace program, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of Section 287.087, Florida Statutes.

As an authorized representative of the firm, I certify that this firm complies fully with the above requirements.

BIDDER'S CHECKLIST

The 10 Most Critical Things to Keep in Mind When Responding to a Bid for the City of Port Orange

1. JK **Read the entire document.** Note critical items such as: mandatory requirements; Supplies and/or services required; submittal dates; number of copies required for submittal; funding amount and source; contract requirements (i.e., contract performance security, insurance requirements, performance and/or reporting requirements, etc.).
2. PK **Note the Purchasing Manager's name, address, phone numbers and e-mail address.** This is the only person (or his designee) you are allowed to communicate with regarding the BID and is an excellent source of information for any questions you may have.
3. JK **Attend the pre-bid conference** if one is offered. These conferences provide an opportunity to ask clarifying questions, obtain a better understanding of the project, or to notify the City of any ambiguities, inconsistencies, or errors in the Bid.
4. JK **Take advantage of the "question and answer" period.** Submit your questions to the Purchasing Manager by the due date listed in the Bid and view the answers given in the formal "addenda" issued for the bid. All addenda issued for a Bid are posted on www.demandstar.com website and will include all questions asked and answered concerning the bid. It is the bidder's responsibility to be sure all addenda were received.
5. JK **Follow the format required in the Bid** when preparing your response. Provide point-by-point responses to all sections in a clear and concise manner.
6. PK **Provide complete answers/descriptions.** Read and answer **all** questions and requirements. Don't assume the City or evaluator/evaluation ranking committee will know what your company capabilities are or what items/services you can provide, even if you have previously contracted with the City. The proposals are evaluated based solely on the information and materials provided in your response.
7. JK **Use the forms provided**, i.e., cover page, bid acknowledgment form, exhibits, etc.
8. PK **Check the website for Bid addenda's.** Before submitting your response, check the DemandStar website at www.demandstar.com to determine whether any addenda were issued for the Bid. If so, you must circle for each addenda issued on the "Bidder acknowledgement form."
9. JK **Review and read the Bid document again** to make sure that you have addressed all requirements. Your original response and the requested copies must be identical and be complete.
10. JK **Submit your response on time.** Note all the dates and times listed in the Bid and within the document, and be sure to submit all required items on time. Late proposal responses are never accepted.

SECTION 00190

DRUG FREE PREFERENCE STATEMENT

IDENTICAL TIE BIDS - Preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids, proposals, or replies that are equal with respect to price, quality, and service are received by the city for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program.

In order to have a drug-free workplace program, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of Section 287.087, Florida Statutes.

As an authorized representative of the firm, I certify that this firm complies fully with the above requirements.

ATTESTATION – I understand that:

- In accordance with City Of Port Orange City Code 2-275, local businesses shall have five business days from bid/proposal opening to submit a best and final bid for evaluation. To qualify: A Port Orange business initial bid must be within (8%) of the lowest and best responsible bid from a non-Port Orange business; A Volusia County business initial bid must be within (5%) of the lowest and best responsible bid from a non-Volusia County business; A State of Florida business initial bid must be within (3%) of the lowest and best responsible bid from a non-State of Florida business.
- A local business must have its headquarters, manufacturing facility, or locally owned franchise located within the legal boundaries of the City of Port Orange, Volusia County, or the State of Florida, as indicated herein, for at least twelve (12) months prior to the bid or proposal opening date and a valid business license, issued by the corresponding government agency. Post office boxes are not verifiable and shall not be used for the purpose of establishing said physical address. Bidders shall attach to this affidavit of eligibility with a bid or proposal, a copy of a **valid business tax receipt** or such other documentation, to the city's satisfaction, demonstrating the physical business presence of the firm within corresponding local limits.
- The preference does not apply to goods or services exempted by statute or prohibited by Federal law, State law, or other funding source restrictions.
- The preference established in this policy does not prohibit the right of the City, or other authorized purchasing authority, to compare quality or fitness for use of supplies, materials, equipment and services proposed for purchase and compare qualifications, character, responsibility and fitness of all persons, firms or corporations submitting bids or proposals.
- The information contained herein may be subject to verification.
- A vendor who misrepresents the local preference status of its firm in a proposal or bid submitted to the City of Port Orange will lose the privilege to claim local preference status, and shall lose eligibility to claim local preference for a period of one (1) year. The City Manager may also recommend that the firm be referred for debarment.

BEFORE ME; the undersigned authority, in and for the State of Florida and the City of Port Orange personally appeared Jonathan Kephart who, after being sworn according to law, stated that he or she was authorized to represent MCG Services and to execute this affidavit on behalf of the said Business Entity and attests, under penalty of perjury, to the above.

SECTION 00190

DRUG FREE PREFERENCE STATEMENT

IDENTICAL TIE BIDS - Preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids, proposals, or replies that are equal with respect to price, quality, and service are received by the city for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program.

In order to have a drug-free workplace program, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of Section 287.087, Florida Statutes.

As an authorized representative of the firm, I certify that this firm complies fully with the above requirements.

Staff Report

Community Development Block Grant (CDBG) Analysis of Impediments to Fair Housing Choice

Staff Contact: Kent Donahue, PIO and Grants Manager 386-506-5501

Recommendation: Staff recommends approval of the 2015 Port Orange Analysis of Impediments to Fair Housing Choice

City Council Meeting: December 8, 2015

Background:

The City of Port Orange receives federal funding from the United States Department of Housing and Urban Development (HUD) to conduct housing and community development activities under 24 CFR Parts 91 and 570. In order to receive these Community Development Block Grant (CDBG) entitlement funds, Port Orange is required to submit a certification to HUD to Affirmatively Further Fair Housing every five years. This certification requires the completion of an Analysis of Impediments (AI) to Fair Housing Choice.

This Analysis must include:

- An Introduction and Summary of the Analysis of Impediments and Interventions to Eliminate Barriers
- Methodology
- Jurisdictional Data, Housing Market Profile and Special Populations
- Overview of Fair Housing Laws and Resources
- Consultation to Identify Impediments to Fair Housing Choice
- Maintenance of Records
- Findings and Recommended Actions

Through a formal bid process, the City selected and contracted with Strategic Planning Group to conduct the required analysis of fair housing impediments. Citizens and stakeholders were invited to participate in the preparation of the Port Orange Analysis of Impediments to Fair Housing Choice. Key local stakeholders were surveyed to evaluate current fair housing

conditions within the City. The survey form and list of the stakeholders can be found in Appendix B and Appendix D of the report, respectively. Demographic and planning information was also gathered and included the consultant's draft report.

An advertised public hearing seeking comments on the draft report was held in the City Hall Council Chambers on Wednesday, October 28, 2015. The City did not receive any public comments prior to or at the public hearing. With the completion of the information gathering process, a final version of the Analysis of Impediments to Fair Housing Choice was drafted. Not only does the analysis represents conclusions about impediments to fair housing choice, but also establishes actions necessary to address any identified impediments.

Recommendation:

Staff recommends approval the City's 2015 Analysis of Impediments to Fair Housing Choice prepared by Strategic Planning Group. Review and approval of the City Council is required.

Introduction and Executive Summary

The U.S. Department of Housing and Urban Development (HUD) has a commitment to eliminate discriminatory practices in housing and an obligation under Section 808 of the Fair Housing Act, to encourage the adoption and enforcement of fair housing laws in federally funded housing and community development programs. Title VIII of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.) and implementing regulations in 24 CFR part 1, prohibit discrimination in any program or activity funded in whole or in part with federal funds made available under this part. In addition to its responsibility for enforcing other Federal statutes prohibiting discrimination in housing, HUD has a statutory obligation under Section 109 of the HCD Act of 1974, Title I, prohibiting discrimination on the basis of race, color, national origin, disability, age, religion, and sex within Community Development Block Grant (CDBG) programs or activities.

The City of Port Orange receives federal funding from the United States Department of Housing and Urban Development (HUD) to conduct housing and community development activities under 24 CFR Parts 91 and 570, the Consolidated Planning process. The Consolidated Planning process combines major federal grants such as the Community Development Block Grant (CDBG), the HOME Investment Partnership Program (HOME) and the Emergency Solutions Grant (ESG).

As a requirement for receiving these entitlement funds, jurisdictions are required to submit a certification to HUD to Affirmatively Further Fair Housing. This certification requires the completion of an Analysis of Impediments (AI) to Fair Housing Choice. This Analysis must include:

- An Introduction and Summary of the Analysis of Impediments and Interventions to Eliminate Barriers
- Methodology
- Jurisdictional Data, Housing Market Profile and Special Populations
- Overview of Fair Housing Laws and Resources
- Consultation to Identify Impediments to Fair Housing Choice
- Maintenance of Records
- Findings and Recommended Actions

This Analysis of Impediments to Fair Housing Choice was developed by Strategic Planning Group, Inc. The City of Port Orange will monitor progress of the plan and assess the fair housing challenges and opportunities that the City will face over the next five years.

A. Purpose of the Report

Equal access to residential housing (housing choice) is fundamental to each person in meeting essential needs such as pursuing personal, educational or employment goals. Because housing choice is so critical to personal development, fair housing is a goal that government, public officials and private citizens must embrace for equality of opportunity to become a reality. In recognition of equal housing access as a fundamental right, the federal government and the State of Florida have both established fair housing choice as a right protected by law.

Fair Housing is defined as a condition in which individuals of similar income levels in the same housing market have a range of housing choices available to them independent of their race, color, religion,

PORT ORANGE ANALYSIS OF IMPEDIMENTS TO FAIR HOUSING CHOICE

national origin, sex, sexual orientation, gender identity or expression, age, disability, familial status, marital status or any other arbitrary factor.

Impediments to fair housing choice include any actions, omissions or decisions taken because of race, color, religion, national origin, sex, sexual orientation, gender identity or expression, age, disability, familial status or marital status, or any other arbitrary factor which restricts housing choices or the availability of housing choices.

Pursuant to the U.S. Department of Housing and Urban Development's (HUD) regulations (24CFR91.225(a)) to receive the federally funded Community Development Block Grant (CDBG) funds, each entitlement jurisdiction must certify that it will affirmatively further fair housing (AFFH) through Fair Housing Planning. Fair Housing Planning entails:

- Completion of an Analysis of Impediments to Fair Housing Choice (AI).
- Implementation of action plans to eliminate any identified impediments.
- Maintenance of AFFH records corresponding with implementation of the Consolidated Plan every three to five years.

HUD interprets these three certifying elements to include:

- Analyzing housing discrimination in jurisdictions and working toward its elimination.
- Promoting fair housing choice for all people.
- Providing racially and ethnically inclusive patterns or housing occupancy.
- Promoting housing that is physically accessible to, and usable by all people particularly individuals with disabilities.
- Fostering compliance with nondiscrimination provisions of the Fair Housing Act.

This Analysis will:

- Evaluate population, household income and housing characteristics by protected classes in the City.
- Evaluate public and private sector policies that impact fair housing choice.
- Identify blatant or de facto impediments to fair housing choice where any may exist.
- Recommend specific strategies to overcome the effects of any identified impediments.

The Analysis of Impediments to Fair Housing Choice presents a demographic profile of the City of Port Orange, assesses the extent of housing needs among specific groups, and evaluates the availability of variety of housing choices for its residents. This report also analyzes the conditions in the private market and public sector that may limit the range of housing choices or impede a person's access to housing. While this report also assesses the nature and extent of housing discriminations, the focus is on identifying impediments that may prevent equal housing access and developing solutions to mitigate or remove such impediments.

Fair housing, while required by law and a moral issue in its commitment to equal access to housing for all people, is also very much an economic issue. No community can reach its full potential for economic growth and well-being if a large segment of its residents are unable to participate fully in the housing market. Segregated housing causes unequal education, unequal access to jobs, and unequal income. Studies have clearly shown the relationship between housing, education, jobs and the ability to build equity through home ownership. Home-seekers who do not have access to all of the available housing choices may not be able to take advantage of living in neighborhoods which enhance their opportunities for future success.

B. Fair Housing Laws

Federal Fair Housing Laws

The Federal Fair Housing Act of 1968 and Fair Housing Amendments Act of 1988 prohibit discrimination in all aspects of housing, including the sale, rental, lease or negotiation for real property. The Fair Housing Act prohibits discrimination based on a person's race, color, religion, sex, disability, familial status or national origin. In addition, HUD issued a Final Rule on February 3, 2012, that prohibits communities and organizations participating in its grant programs from discriminating on the basis of actual or perceived sexual orientation, gender identity or marital status. Persons who are protected from discrimination by fair housing laws are referred to as members of the protected classes.

State of Florida Fair Housing Laws

The Florida Civil Rights Act of 1992 (state statute 760) prohibits housing discrimination on the basis of race, color, religion, sex, national origin, age, handicap or marital status. In addition to the seven federally protected classes, age is also a protected class in the State of Florida, giving Florida residents greater protection under the State fair housing laws. The Civil Rights Act formally created the Florida Commission of Human Relations (FCHR).

Federal Accessibility Standards

Fair Housing Amendment Act: The Act requires owners of housing facilities make "reasonable accommodation" (exceptions) in their rules, policies and operations to give people with disabilities equal housing opportunities. The Fair Housing Act also requires landlords to allow tenants with disabilities to make reasonable access-related modifications to their private living space, as well as to common use spaces at the tenant's own expense. Finally, the Act requires that new multi-family housing with four or more units be designed and built to allow access for persons with disabilities. This includes accessible common use areas, doors that are wide enough for wheelchairs, kitchens and bathrooms that allow a person using a wheelchair to maneuver, and other adaptable features within the units.

Americans with Disabilities Act (ADA): ADA standards are required to ensure equal access to places of public accommodation and commercial facilities by individuals with disabilities. Title II of the ADA applies to state and local services, including state and local housing programs. Government entities are obliged to assure that housing financed through state and local programs complies with ADA accessibility guidelines.

Section 504: Section 504 of the Rehabilitation Act of 1973 states: "No otherwise qualified individual with a disability in the United States . . . shall, solely by reason of her or his disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program, service or activity receiving federal financial assistance or under any program or activity conducted by any Executive agency or by the United States Postal Service (29 U.S.C. 794)". This means that Section 504 prohibits discrimination on the basis of disability in any program or activity that receives financial assistance from any federal agency, including HUD.

Architectural Barriers Act: The Architectural Barriers Act of 1968 (ABA) (42 U.S.C. 4151-4157) requires that certain buildings financed with Federal funds must be designed, constructed or altered in accordance with standards that ensure accessibility for persons with physical disabilities. The ABA requires that covered buildings comply with the Uniform Federal Accessibility Standards (UFAS). The ABA does not cover privately-owned housing, but covers buildings or facilities financed in whole or in part with Federal funds. The ABA applies to public housing (24 CFR 40), and to buildings and facilities constructed with CDBG funds (24 CFR 570.614). In practice, buildings built to meet the requirements of Section 504 and Title II of the ADA will conform to the requirements of the ABA.

Uniform Federal Accessibility Standards (UFAS): UFAS sets standards for facility accessibility by physically handicapped persons for federal and federally-funded facilities. These standards are to be applied during the design, construction, and alteration of buildings and facilities to the extent required by the Architectural Barriers Act of 1968, as amended.

The Relationship between Fair Housing and Affordable Housing

Neither federal nor state fair housing laws identify low and moderate income households as a protected class. Therefore, the lack of affordable housing though critical, is not considered a fair housing issue. While housing affordability is not a fair housing issue, the increased demand for housing combined with the dwindling supply of housing may create conditions where fair housing violations become a part of the competition in the housing market. To the extent that the lack of affordable housing disproportionately impacts groups that are protected by fair housing laws, fair housing concerns arise.

C. Lead Agency and Funding Sources

This AI was completed by an independent consultant, Strategic Planning Group, Inc., in consultation with the City's staff.

The funding of this AI came from the CDBG administrative and planning budget.

D. Methodology and Data Source

In accordance with the objectives in the HUD *Fair Housing Planning Guide*, the Fair Housing Plans have been developed and are intended to:

- Eliminate housing discrimination in Port Orange.
- Promote fair housing choices for all persons.
- Provide opportunities for inclusive patterns of housing occupancy regardless of race, color, national origin, religion, sex, familial status and disability.
- Promote housing that is structurally accessible to and usable by all persons particularly persons with disabilities.
- Foster compliance with non-discrimination provision of the Fair Housing Act.

The methodology used to complete the Analysis of Impediments to Fair Housing involved a compilation of primary data and review of reports completed by various agencies on the status of existing housing programs and efforts to improve access and choice to housing in Port Orange. The following data sources were used to complete this AI:

- The most recently available demographic data regarding population, household, housing, income and employment at municipal level, including Census and American Community Survey sources.
- HUD Comprehensive Housing Affordability Strategy (CHAS) data.
- Public policies affecting the siting and development of housing.
- Financial lending institution data from Home Mortgage Disclosure Act (HMDA) database.
- Consolidated Plan, Annual Action Plan and CAPERs for federal entitlement communities.
- Real estate advertisements from the Daytona Beach News-Journal
- U.S. Department of Labor, Bureau of Labor Statistic database.
- University of Florida Shimberg Center for Housing Studies database.
- Previous AIs for the City.
- Community Fair Housing surveys.

E. Conclusions

Impediments Found

a. Impediments Carried over from Previous AIs:

The City has historical not had a fair housing program of its own as it was a participant in Volusia County's Urban County CDBG program and participated in Volusia County's fair housing program. After becoming an entitlement community, the City of Port Orange has undertaken reviews of its policies and regulations in order to reduce impediments to fair housing. Prior studies including the City last Analysis of Impediments to Fair Housing Choice completed in 2008 found no impediments but did recommend 9 actions for the City to undertake to help insure fair housing choice.

b. Current Impediments:

Based on the analysis of current data and survey information, the City has no identified impediments to fair housing as is shown in the body of this report. The work plan does provide guidance to ensure continued fair housing compliance.

F. Report Organization

The AI is divided into five sections and appendices:

I. Introduction and Executive Summary defines "fair housing", explains the purpose of the report and summarizes impediments found and actions to address the impediments to fair housing choice.

II. Jurisdictional Background Data presents the demographic, housing and income characteristics in Port Orange. Major employers and transportation access to job centers are identified. The relationships among these variables are discussed.

Jurisdictional Background Data

This section of the AI analyzes the socioeconomic profile of City residents, housing stock characteristics, and employment and transportation conditions that may affect the ability of households in the County with similar income levels to have a like range of housing choices.

Demographic Profile

Assessment of demographic characteristics can indicate the need for and the extent of equal access to housing in a community. Factors such as population growth, age characteristics and racial/ethnic mix shape a region's housing needs and play a role in identifying potential impediments to fair housing choice. While affordability is not a fair housing issue, the relationships among household income, household types, and other factors often create misconceptions and biases that raise fair housing concerns.

Port Orange is a city in Volusia County. The city's estimated population was 58,742 in 2014 and increase of 2,694 residents since the 2010 US Census estimate of 56,048. The city is part of the [Deltona-Daytona Beach-Ormond Beach, Florida Metropolitan Statistical Area](#). The metropolitan area's population in 2010 was 494,593. The City of Port Orange is located within Volusia County.

Age and Gender Profile

The age characteristics of a community give an insight into current and future demand for housing. The age composition of a community affects housing demand since different age groups have very different housing needs. Traditionally, young adult households may occupy apartments, condominiums, and smaller single-family homes because of size and/or affordability. Middle-age adults may prefer larger homes as they raise their families, while seniors may prefer apartments, condominiums, mobile homes, or smaller single-family homes that have lower costs and less extensive maintenance needs.

The City of Port Orange has a large population of retirees. Its median age of 48.4 is significantly higher than that of Volusia County (45.7) and the State of Florida (41.0) as a whole.

A significant presence of children younger than 18 years of age can be an indicator of the need for larger housing units since this characteristic is often tied to families and larger households. People under the age of 18 typically do not work and are dependents of their families. Those who do work generally hold low paying jobs and many share housing with others to make housing affordable. Overall, within Port Orange population, the age of children under 18 years is 17.4% (9,889) as of 2013.

The number of residents 65 years of age or older is 13,823 which represents 24.4% of Port Orange residents. The proportion of residents over 65 years of age grew from 23.6% in 2000.

Fair Housing Status

Fair Housing Research

Research performed for this section of the Analysis includes the following:

- A September survey of housing providers and industry representatives including: apartment managers, homebuilders, non-profit organizations and program sponsors (letter and lists included in the Appendix)
- Meetings with City staff
- Review of the City code, zoning, and other public policies
- Review of the City's Local Housing Assistance Plan and Housing Incentive Plan
- Review of the City's Consolidated Plan
- Review of housing assistance programs, location of homes assisted, and the demographic composition of participants

Regulatory Relief

In order to participate in the State's "SHIP" affordable housing program, the City established an Affordable Housing Advisory Committee (AHAC) to undertake a thorough review of its policies and regulations relating to housing development. That committee was abolished in 2011.

Zoning

The City's residential zoning codes are consistent with Florida Statutes 419.001(2) which provide that a home with six or fewer residents, whether or not related, are deemed to be single-family residential and are allowed in single-family (or multifamily) zoning without special approval. This provision precludes discrimination based on family status.

None of the City's zoning policies gave indication of discriminatory restrictions.

Public Policies

Throughout this review of City activities and codes, policies and planning, services and requirements, there were no items which surfaced which gave any indication of restrictive attitudes or practices. The City has in place an ongoing process for the review, prior to adoption, of local policies, ordinances, regulations and plan provisions that increase the cost of housing.

The City provides expedited permitting processes for affordable housing development and construction.

Sale, Rental, Brokerage Services

The local newspapers that serve Port Orange print HUD's "Published Fair Housing Notice" at the beginning of the Real Estate section of the paper on a daily basis. There were no noted references which might have indicated discriminatory practices ("exclusive," "private," "protected," etc.) No complaints have been received concerning any of these services.

Cost, Availability, Location

Housing costs and the availability of affordable housing in a variety of locations are often the primary factors that can limit free choice in selecting housing. In addition, the housing market, which still is experiencing foreclosures, while devastating for the previous owners, does provide opportunities for lower income persons to obtain previously unattainable housing.

Since cost is frequently an impediment to location choice, the City does contain a large number of older homes and mobile homes that provide affordable housing for very low, and low-income residents.

Public Policies

Throughout this review of City activities and codes policies and planning, services and requirements, there were no items that surfaced that gave any indication of restrictive attitudes or practices.

Home Purchase Lending - HMDA Data

Introduction

Banks, credit unions, savings banks, savings and loan, and mortgage companies are required by the Home Mortgage Disclosure Act to report data on mortgage loan applications and activity. The data is collected by the Federal Financial Institutions Examination Council and is made public. This data is known as “HMDA data.”

HMDA statements are produced annually in a table format which includes information on loans: applied for, originated, not accepted, denied, withdrawn or incomplete.

Review of HMDA Data

The following data related to the fair housing choice are from the UF Shimberg Institute. The data appears to indicate that loan issuance is not an impediment within the City.

Home Mortgage Disclosure Act (HMDA) Data

Based on HMDA data, there were 1,373 single family loans issued in 2013, and 43 loans for manufactured housing. There were 2,236 refinance loans issued in 2013.

 "High-Cost" loans are those for which lenders must report the spread between the annual percentage rate (APR) on the loan and a benchmark for a typical prime rate loan. The High-Cost category is intended to flag loans that are likely to be subprime. Prior to October 1, 2009, for first lien loans, the threshold for reporting was 3 percentage points above the Treasury security; for junior lien loans, the threshold was 5 percentage points above the Treasury security. Starting October 1, 2009, the threshold was 1.5 percentage points above the average prime rate offer from Freddie Mac's Primary Mortgage Market Survey (PMMMS) for first lien loans and 3.5 percentage points for junior lien loans. See [Guide to HMDA Reporting](#).

Impediment: Inadequate financial literacy education.

Issue: Potential homeowners are sometimes denied mortgages and financing for homeownership due to poor credit history or lack of a credit history. This factor keeps many residents as renters instead of homeowners, which does not benefit the occupant on a long term basis in building equity, wealth or becoming financially stable. An early start in managing personal finances is a skill set that can be implemented in the public school curriculum, which can prepare an individual for a major purchase like owning a home. Without proper financial literacy education, residents may continue to make poor financial decisions. Financial literacy for teenagers and young adults before their credit becomes damaged and financial education for those who need to repair their credit enables potential homebuyers to qualify for the best credit terms for major purchases and eliminates the major obstacles to loan origination.

Impact: Evidence from the HMDA data collected suggests that a number of applicants were denied home mortgages due to credit history, debt-to-income ratio, and lack of collateral. Specifically in the City, applicants were denied mortgages due to credit history, debt-to-income ratio, and applicant's collateral. Limited income further complicates individual's ability to improve their financial portfolio, thus continuing the economic hardship and preventing individuals from qualifying for a mortgage in the future. Although there appears to have been improvements in this area since 2009, there still needs to

be more attention paid to education, particularly since financing rules have changed and borrowers are faced with more stringent requirements. This includes teenagers and young adults before their credit becomes damaged and financial education for those who need to repair their credit enables potential homebuyers to qualify for the best credit terms for major purchases and eliminates the major obstacles to loan origination.

Existing Programs and Citizen Participation

The City of Port Orange undertakes a number of housing programs to provide information and assistance and to provide affordable housing opportunities for its residents.

A. Information Programs

Public Meetings and Forums

The City provides workshops for the public in order to provide information when new programs are being initiated, or when new applications are being taken. It also participates in a variety of events, providing information on housing programs as well as providing discrimination complaint information.

Fair Housing Web page

The City has a designated web page for Fair Housing. The web page will contain a copy of this current Analysis of Impediments.

Citizen Participation

The City has an active citizen participation program, with many opportunities for residents to provide input and be a part of program planning. It holds public hearings to request resident input on housing and community development needs, as well as other public meetings to discuss program progress and procedures.

Fair housing brochures

The City provides multiple hand-outs.

Online Services

The City has a web site for its housing and community development programs. This provides easy access for persons with disabilities, and for residents who have difficulty coming to the City offices during working hours. Available online are formal documents, program information, explanations, application forms and even webcam presentations of City Commission meetings.

Fair Housing Complaints

In order to evaluate the current fair housing conditions in the City of Port Orange, records concerning any fair housing complaints or lawsuits which have been filed or discussed during the past five years were researched. City staff, nonprofit organizations, local attorneys and federal housing officials were interviewed and records were researched in order to provide the recent history of fair housing problems.

Local

Strategic Planning Group, Inc. attempted to survey key local stakeholders to evaluate current fair housing conditions within the City. The survey indicated no known complaints and only one respondent indicated that they believed housing discrimination was a concern but did not have any experience or information of discrimination.

Federal

The U.S. Department of Housing and Urban Development (HUD) maintains a staff of fair housing specialists who receive and investigate reports and allegations of housing discrimination. The Atlanta Fair Housing Office of the U.S. Department of Housing and Urban Development maintains the compliance records. The Jacksonville Office was requested to provide information concerning any fair housing complaints filed in Port Orange in the past five years, and their resolution. According to the Jacksonville Office “As requested, a review of fair housing complaints filed in Port Orange, Florida, during the last few years was conducted. There were multiple fair housing inquiries made over the several years, but only two filed cases since 2013 to present. One case was based on race, the other on disability. It also appears that familial status issues were raised during this period. Unfortunately, HUD’s system records only contain information of complaints filed directly with HUD or governments or agencies funded by HUD for their Fair Housing investigations. Any information on complaints filed privately, through counsel, or directly with local jurisdictions are not tracked by HUD”.

Identification of Impediments

The City has undertaken a variety of effective fair housing activities, including; public information programs, a web presence, affirmative marketing in its housing programs and a review processes to evaluate new codes, ordinances and policies. At present, it does not appear that the City conducts fair housing and homeownership classes and counseling or programs for housing assistance for disabled persons. This analysis has identified the following information that may reveal, or result in, impediments to fair housing choice.

- The percentage of households paying more than 30% of their incomes is increasing and overall housing affordability; especially for rental properties is becoming an issue.
- The City has a large and growing percentage of elderly households indicating an increase in disabilities which impacts housing choice.
- HDMA data indicates there is continued need to educate prospective homeowners about financing and credit.
- While the City does have a web presence, the only information portal for Fair Housing is its CDBG page.

Recommend Action Plan

Fair Housing Activity	Action/Agreement Required	Measurable Results	Program/Staff Responsibility	Time Period for Completion
Provide fair housing education and outreach workshops to housing providers to foster compliance with federal, state, and local fair housing laws	Develop or update training curriculum and coordinate efforts with housing providers	Number of completed workshops/training and number of individuals reached	City Manager's Office	
Support private enforcement of fair housing laws	Partner with local public and private fair housing agencies to coordinate most effective means of processing and referring complaints	Number of complaints referred and/or resolved	City Manager's Office	
Provide fair housing and affirmative marketing training to all recipients receiving City funds for housing related and community based projects and monitor compliance, where appropriate	Identify participants, develop training curriculum, and collect materials to be distributed	Increased access to housing opportunities funded by the City	City Manager's Office	
Disseminate a fair housing media campaign	Submit PSA's in local TV/Newspapers, tab local cable highlighting local, state, and national fair housing news	Increased awareness demonstrated by logged number of complaints by the general public	City Manager's Office	
Educate City Council members and City employees regarding responsibility to affirmatively further fair housing	Identify categories of government employees who should receive fair housing training	Local jurisdiction awareness of fair housing laws to encourage identification and reporting of discrimination	City Manager's Office	
Conduct an annual community-wide fair housing event	Partner with other jurisdictions and community groups and coordinate events	Heighten awareness of fair housing rights and responsibilities	City Manager's Office	
Support pre-purchase counseling programs	Provide training or contract for professional services	Reduce HDMA rejection levels	City Manager's Office

RE: Port Orange Analysis of Impediments to Fair Housing Choice

Dear Survey Participant:

Under Title 1 of the Housing and Community Development Act of 1974, as amended, the City of Port Orange invites citizens and stakeholders to participate in the preparation of the Port Orange Analysis of Impediments to Fair Housing Choice (AI). The AI is an analysis that represents conclusions about impediments to fair housing choice, as well as actions necessary to address any identified impediments.

We understand that Volusia County is also conducting its own Analysis of Impediments Survey. Please note that the Port Orange Survey, which is included herein, is only seeking information on impediments to fair housing within the City of Port Orange.

Your prompt assistance in filling out this survey is greatly appreciated and will be of critical importance in the City of Port Orange's ability to improve its ability to provide Fair Housing within the city.

If you have any questions concerning this survey please contact Mr. Robert Gray, President, Strategic Planning Group, Inc. (rgray@spginc.org), who the city has hired to complete its analysis.

Sincerely,

M. H. Johansson
City Manager

CITY COUNCIL AGENDA ITEM

REQUESTED COUNCIL MEETING DATE 12/08/2015

Consent item: Yes

SUBJECT: Public Employees Association (PEA) Contract Approval of 2015-2016 Wage Reopener for Article 24, Wages on the PEA 2014 - 2016 Collective Bargaining Agreement

DEPARTMENT: Administrative Services

GOAL: 6 - Organizational Excellence

OBJECTIVE: 1 - Implement compensation study

RECOMMENDED MOTION:

Motion to approve the negotiated reopener of PEA Collective Bargaining Agreement Article 24, Wages for Fiscal Year 2015.

SUMMARY:

The City and the Public Employees Association (PEA) have negotiated a one year wage reopener on Article 24 for Fiscal Year 2015-16 as a part of the 2014-2016 PEA Collective Bargaining Agreement (CBA).

Changes to this Article include administrative clean up, a 3% across the board increase; a \$250 lump sum payment to those employees who are already above maximum rate of pay; the memorialization of new pay ranges; and increases for those employees who are still below the minimum of the new pay ranges after the 3% across the board increase described above. In addition, changes include a memorialization of current specialty pays.

On November 25, 2015 the City received notification that the PEA members voted in favor of this agreement. In order to ratify this agreement, the City Council must also vote in favor of the proposed changes.

The proposed changes to wages are retroactive to the beginning of this fiscal year (October 1, 2015) and are within current budgeted resources.

ARTICLE 24

WAGES

24.1 The City Council will approve any pay adjustments during the budget process to be effective on October 1 at the beginning of each fiscal year.

- A. Effective the first pay check received in October of 2014 for fiscal year 2015, all employees will receive a three percent (3%) increase to their base pay.
- B. Effective the first paycheck received in October of 2015 for fiscal year 2016, employees who have been employed with the City a minimum of one year on or before September 30, 2015 and whose base pay is below the Maximum Rate stated in 24.1 C shall receive a three percent (3%) increase to their base pay, up to the maximum of their pay range described below.
 - a. Employees who are at or above the maximum rate of pay for their range (as described in 24.1C) before the calculation in 24.1B is applied will not be eligible for an increase to base pay. These employees shall receive a one-time \$250.00 lump sum, non-pensionable payment paid upon ratification by both parties.
 - b. Employees who reach the maximum rate of pay as described in 24.1C as a result of the calculation in 24.1B shall not be eligible for this lump sum payment.

C. The pay schedule for October 1, 2015 through September 30, 2016 is as follows:

D. Effective the first pay check received in October of 2015, for fiscal year 2016, employees whose base pay is below the minimum of the range for their pay grade after applying the increase described in 24.1 B shall have their base pay increased to the minimum.

E. All future wage increases beyond the term of this contract shall be subject to negotiation by the parties.

F. The City Manager may review and amend the pay schedule during the fiscal year as appropriate to provide for and implement new job classifications, reclassifications, title changes, or pay range changes. The City Manager shall review the pay schedule annually prior to submission of the proposed budget to the City Council and shall recommend to the City Council any amendments deemed necessary to properly maintain the pay schedule. The implementation of revisions to the pay schedule may be to a whole classification, or individuals within a classification for the implementation of the compensation and classification study completed in 2014.

24.2 The City performance evaluation for regular full-time and regular part-time employees is a satisfactory/unsatisfactory rating system. If the

employee's performance for the previous year has been satisfactory, he/she will receive a rating of satisfactory. The employee will then be scheduled for an evaluation the next year. Should the employee receive a rating of unsatisfactory, due to unsatisfactory work or performance, the employee will be placed under intensive management guidelines, and re-evaluated in ninety (90) days. If the employee has still not raised his/her performance level to satisfactory at the conclusion of this ninety (90) day period, additional counseling may be provided, and the employee may be re-evaluated at the conclusion of another extended rating period; or, the supervisor may initiate action to terminate the employee.

- 24.3 New hires shall start at the minimum rate of pay established for the classification. If an applicant possesses exceptional qualifications, a rate of pay higher than the minimum may be authorized. Requests for a starting rate up to ten (10) percent above the minimum rate will require the approval of the Department Head and the Administrative Services Director. These requests must be in writing and fully justified by the Department Head and approved before the offer is made to the applicant. Requests for a starting pay more than ten (10) percent above entry level shall be fully justified and submitted in writing by the Department Head for review by the Administrative Services Director. The Administrative Services Director shall make a recommendation to the City Manager, in writing, for final determination. The City Manager's approval is required in writing before making the offer to the applicant.
- 24.4 Employees put on restrictive on-call pager will be paid three hours pay weekly at the rate of time and one half (1 ½) times their regular rate of pay if they have worked sufficient hours during the week to be entitled to overtime payment for that week, or the hours worked plus authorized compensated leave totaled forty (40) hours for that week. If employees placed on restrictive on-call pager do not have a weekly total of forty (40) hours based on hours worked plus authorized compensated leave, they will only receive overtime pay for that period of time where the total of their weekly hours worked plus authorized compensated leave plus three hours.
- 24.5 The rate of pay for promotional appointments shall be the minimum of the new pay range, or an amount equal to five (5) percent above the employee's current rate of pay, whichever is higher. If the employee possesses exceptional qualifications or there will be a substantial change in supervisory or managerial responsibility, the Administrative Services Director has the authority to approve up to a ten (10) percent increase above the employee's current rate of pay or ten (10) percent above the minimum of the new pay range. Requests received in writing from the Department Head for an increase in pay more than ten (10) percent of the current rate or minimum rate shall be fully justified and submitted in writing

for review by the Administrative Services Director. The Administrative Services Director shall make a recommendation to the City Manager, in writing, for final determination. The City Manager's approval is required in writing.

24.6

Specialty Pay. The City and Union recognize that various positions within the bargaining unit are awarded additional payments for various licensures and certifications in their specialized area. The City and Union recognize that these specialty pays are currently factored into base pay for many employees and that movement will be made to remove specialty pay from base and account for it separately. The separate accounting of specialty pay shall not alter the computation of pension contributions or overtime. Specialty pay shall constitute regular payments for pension contributions. The implementation of this separation from base pay will not occur until all data has been verified and tested. Upon the initial implementation of the specialty pays described below, if any calculation based upon an equivalent hours of work used to implement the change reduces the overall compensation of an individual, that individual's base salary will be adjusted such that there will be no change to the overall compensation of that individual.

Specialty pay shall only be awarded for those certifications and licensures directly related to the employee's position. An employee shall not be eligible to receive specialty pay for a certification or licensure that is a minimum requirement for their position. Certifications must be maintained and in good standing to be eligible for specialty pay. Employees may be compensated specialty pay for a maximum of four (4) certifications or licensures.

Specialty pay may be awarded as follows:

Certification & Licensures	Additional Pay Amount
• FDEP Water TPO*	\$40.00/week
• FDEP Advanced Wastewater TPO*	\$40.00/week
• FDEP Backflow Prevention	\$15.00/week
• FDACS Pesticide Applicator License*	\$15.00/week
• ASE Certification*	\$15.00/week
• Allison Auto Transmission	\$15.00/week
• Emergency Vehicle Technician	\$15.00/week
• Advanced Specialist & Master Auto Technician	\$70.00/week
• NRPA Playground Safety Inspector	\$15.00/week

*Employees shall be awarded for each level of certification or licensure obtained in the given category, not to exceed the maximum number of specialty pays for an employee.

Payments detailed in this section will be paid each pay period. The Union acknowledges the City will be undergoing the migration to a biweekly payroll and payments under this article shall be adjusted accordingly.

WAGES

24.1 The City Council will approve any pay adjustments during the budget process to be effective on October 1 at the beginning of each fiscal year.

A. Effective the first pay check received in October of 2014 for fiscal year 2015, all employees will receive a three percent (3%) increase to their base pay.

B. Effective the first paycheck received in October of 2015 for fiscal year 2016, employees who have been employed with the City a minimum of one year on or before September 30, 2015 and whose base pay is below the Maximum Rate stated in 24.1 C shall receive a three percent (3%) increase to their base pay, up to the maximum of their pay range described below.

a. Employees who are at or above the maximum rate of pay for their range (as described in 24.1C) before the calculation in 24.1B is applied will not be eligible for an increase to base pay. These employees shall receive a one-time \$250.00 lump sum, non-pensionable payment paid upon ratification by both parties.

b. Employees who reach the maximum rate of pay as described in 24.1C as a result of the calculation in 24.1B shall not be eligible for this lump sum payment.

DRAFT

CITY COUNCIL AGENDA ITEM

REQUESTED COUNCIL MEETING DATE 12/08/2015

Consent item: No

SUBJECT: Lobbying Services Contract for the 2016 and 2017 Legislative Years

DEPARTMENT: City Manager

GOAL: 4 - Fiscal Sustainability

OBJECTIVE: N/A

RECOMMENDED MOTION: Move to approve the contract with Pittman Law Group as recommended.

SUMMARY:

On November 10, 2015, the Council voted in a tie on a contract for legislative services and according to Roberts Rules of Orders, the motion failed. During the Council meeting on December 1, 2015, Council expressed an interest in revisiting the contract with the Pittman Law Group for legislative services.

Since at least January 2006, the Pittman Law Group has provided legislative services to the City of Port Orange. In 2015 alone, the Pittman Law Group helped to secure \$750,000 in funding for the White Acres project.

Issues for which they typically lobby on behalf of the City include grant funding for flood control projects, land acquisition for preservation, water quality projects, transportation infrastructure and parks and recreation (among others). In addition, Pittman Law Group would work on any other issues the Council has identified in their legislative priorities.

The new proposed contract would limit the Pittman Law Group to only lobby on behalf of Port Orange for issues approved by the City. In addition, this revised contract covers 18 months (January 1, 2016 - July 1, 2017). This would change the contract schedule such that it would end after legislative sessions as opposed to being tied with the calendar year. The proposed price for the contract is \$3,333.33 per month for a total cost of \$59,999.94. This cost covers two fiscal years as follows:

Fiscal Year 2015-16 = \$29,999.97

Fiscal Year 2016-17 = \$29,999.97

This cost is slightly more than the City was previously paying per month (\$3,000), however it is the same amount the City was paying for this contract until 2012.

Re: Professional Services Agreement

Dear Mr. Manager:

It was a pleasure meeting you and discussing our firm representing the City of Port Orange before the Florida Legislature and Governor's Office. We appreciate very much, the opportunity to continue representing the City's interests.

As Senior Partner of Pittman Law Group, P.L. (PLG) I will continue to serve as Principal Lobbyist with primary responsibility for this matter. We consider it our responsibility to perform all Governmental Relations activities with the Legislative and Executive Branch. This includes working with staff in the Legislature and the Governor's Office, and/or any agencies of the Executive Branch; it requires us to keep you informed of any developments and or decisions that may have impact. It is our responsibility to be available to the City of Port Orange designees as may reasonably be requested.

In exchange for this representation, the City of Port Orange agrees to compensate our firm \$3333.33 monthly, beginning January 1, 2016 thru July 1, 2017. It is understood that this contract is cancelable with thirty days (30) notice; however, it cannot be cancelled during any year where a Legislative Session has concluded, as the fee is then considered fully earned. This must be the case due to the prohibition of contingency fee arrangements under Florida law.

Our deliverables are as follows:

- We will consult and assist on all matters related to the Florida Legislature and the Executive Office of the Governor and/or Agencies; and
- we will consult and assist your efforts to draft and finalize your legislative priorities; and
- our team will lobby the issues approved by the City of Port Orange Mayor, City Council, and City Manager; and

Port Orange (page 2)

- we will build political support on issues originated and/or supported by the City of Port Orange.

We will work harder than any other law firm you could consider retaining. Our approach begins with working closely with you as we build and work our plan. We will work to understand the inside perspectives, so that we may best execute strategy and anticipate opposition. Our experience and background make us uniquely positioned to provide valuable insight as it relates to accomplishing your goals.

Again, we appreciate the opportunity to be of service to you. We look forward to continued success on your behalf. Please know that we will maintain every confidence you have placed with and in us. Upon approval by the Port Orange City Council, please sign and return to my office at your earliest opportunity.

With warm regards,

SEAN PITTMAN

SIGNED:

Michael Johansson

The City of Port Orange

Term: January 1, 2016 to July 1, 2017

ADDENDUM NO. 1
to Pittman Law Group, P.L. Contract dated December 8, 2015

This Addendum No. 1 is entered into on the day and year set forth hereinafter by and between the **CITY OF PORT ORANGE**, a Florida municipal corporation whose principal address is 1000 City Center Circle, Port Orange, Florida 32129 (the "City") and **PITTMAN LAW GROUP, P.L.**, a Florida limited liability corporation, whose principal address is 1028 East Park Avenue, Tallahassee, Florida 32301 (collectively "the Parties"). The Parties have agreed as follows:

1. This Addendum No. 1 supplements the terms provided in the letter dated December 1, 2015 from Pittman Law Group, P.L. to the City of Port Orange, Florida.
2. Contract Administration. The Assistant City Manager, Alan Rosen, shall perform contract administration of this Contract. For notice provisions, see the paragraph below entitled "Notice."
3. Insurance. Consultant shall maintain insurance during the life of this Contract. Consultant shall provide to the City a certificate of insurance identifying the City of Port Orange as an additional insured. For workers' compensation coverage, the bidder's insurance certificate shall include the insurer's waiver of subrogation in lieu of naming the city as an additional insured for workers' compensation.

Policies other than Workers' Compensation shall be issued by insurers licensed and/or duly authorized under Florida Law to do business in the State of Florida and all insuring companies are required to have a minimum rating of "A" in the "Best Key Rating Guide" published by A.M. Best & Company, Inc. Policies for Workers' Compensation may be issued by companies authorized as a group self-insurer by F.S. 440.572. Consultant shall not commence work under this Agreement until the City has received a certificate or certificates of insurance and endorsement evidencing the required insurance. Consultant shall provide the City written notice of cancellation, nonrenewal or any other changes in coverage no later than ten (10) days prior to the effective date of the change.

The City reserves the right to increase insurance coverage as determined for higher risk contracts and shall reimburse the Consultant for the reasonable additional costs of increased coverage.

4. Examination of Records

(a) The Contractor agrees that the City, or any duly authorized representative, shall, until the expiration of five (5) years after final payment hereunder, have access to and the right to examine and copy any pertinent books, documents, papers and records of the Contractor involving transactions related to this Contract.

(b) The Contractor further agrees to include in any subcontract for more than \$10,000 entered into as a result of this Contract, a provision to the effect that the subcontractor agrees that the City or any duly authorized representative shall, until the expiration of five (5) years after final payment under the subcontract, have access to and the right to examine and copy any pertinent books, documents, papers and records of such contractor involved in transactions related to such subcontract, or this Contract. The term subcontract as used herein shall exclude purchase orders for public utility services at rates established for uniform applicability to the general public.

(c) The period of access provided in subparagraphs (a) and (b) above for records, books, documents and papers which may relate to any arbitration, litigation, or the settlement of claims arising out of the performance of this contract or any subcontract shall continue until any appeals, arbitration, litigation or claims shall have been finally disposed of.

5. Public Records Compliance. Contractor shall comply with public records laws as set forth in Chapter 119, Florida Statutes, and shall specifically:

- a. Keep and maintain public records that ordinarily and necessarily would be required by the City in order to perform the service.
- b. Provide the public with access to public records on the same terms and conditions that the City would provide the records and at a cost that does not exceed the cost provided in Section 119, Florida Statutes, or as otherwise provided by law.
- c. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.

- d. Meet all requirements for retaining public records and transfer to the City, at no cost, all public records in possession of the Contractor upon termination of the Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the City in a format that is compatible with the information technology systems of the City.

If Contractor does not comply with a public records request, the City shall enforce the contract provisions in accordance with the contract.

6. Non-discrimination. During the performance of this Contract, Contractor agrees as follows:

(a) Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, disability, marital status, age or national origin, except where such is a bona-fide occupational qualification reasonably necessary to the normal operation of Contractor. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause. Contractor agrees and fully supports and complies with the Americans with Disabilities Act of 1990.

(b) Contractor shall state in all solicitations or advertisements for employees placed by or on behalf of Contractor that Contractor is an equal opportunity employer.

(c) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient compliance with this provision. Contractor shall include the provisions of the foregoing subparagraphs (a), (b), and (c) in every subcontract or purchase order of over \$10,000 so that the provisions will be binding upon each subcontractor or vendor.

7. Disputes. The Finance Director, who shall reduce his decision to writing and mail or otherwise furnish a copy thereof to Contractor, shall decide disputes with respect to this Contract in the first instance. The decision shall be final and binding unless, within thirty-(30) days from the date of such decision, Contractor mails or otherwise furnishes to the Finance Director a written appeal addressed to the City Manager. The decision by the City Manager shall be final and binding unless, within ten (10) days from the date of receipt of the decision of the City Manager, appeal is made to the City Council. The decision of the City Council shall be final and binding unless set aside by a court of competent jurisdiction as fraudulent, capricious, arbitrary, or so grossly erroneous as necessary to imply bad faith, or not to be supported by any evidence. Pending a final determination of a properly appealed decision of the Finance Director, Contractor shall proceed diligently with the performance of this Contract in accordance with that decision.

8. Force Majeure. Neither party shall be liable for any delay in performance or failure to perform any obligation hereunder if, and to the extent that, such failure or delay is caused by an event of Force Majeure. Force Majeure shall mean any act, event or condition that is beyond the party's reasonable control, that materially and adversely affects the party's ability to perform its obligations hereunder, and that is not the result of the party's willful neglect, error, omission or failure to exercise reasonable due diligence.

9. Controlling Law. **THIS CONTRACT CONTAINS IMPORTANT MATTERS AFFECTING LEGAL RIGHTS AND IS ACCEPTED AND ENTERED INTO IN FLORIDA AND ANY QUESTION REGARDING ITS VALIDITY, CONSTRUCTION, ENFORCEMENT, OR PERFORMANCE SHALL BE GOVERNED BY FLORIDA LAW. ANY LEGAL PROCEEDING ARISING FROM OR IN ANY WAY REGARDING THE AGREEMENT SHALL HAVE ITS VENUE LOCATED EXCLUSIVELY IN THE CIRCUIT COURT OF**

VOLUSIA COUNTY, FLORIDA, AND THE PARTIES HEREBY EXPRESSLY CONSENT AND SUBMIT THEMSELVES TO THE PERSONAL JURISDICTION AND VENUE OF THE COURT.

CITY COUNCIL AGENDA ITEM

REQUESTED COUNCIL MEETING DATE 12/08/2015

Consent item: Yes

SUBJECT: Contract Award to A.G. Pfifer for YMCA Phase Three Renovations

DEPARTMENT: Parks & Recreation

GOAL: 1 - Quality of Life

OBJECTIVE: 1 - Maintain existing beautification efforts and implement phases not yet complete2

RECOMMENDED MOTION: Move to approve the contract award to A.G. Pfifer for \$208,938 for Phase Three renovations to the YMCA and authorize the Mayor and City Clerk to execute the necessary documents.

SUMMARY: Phase three renovations of the YMCA will include improvements to the Men's locker room and women's lobby restroom. Included in the work will be new partitions, fixtures, floor and ceiling tiles, and lockers. Bid # 15-33 was opened on October 22 and we received one bid from AG Pfifer Construction. The estimated base project cost was \$145,000 the base bid opened was for \$189,969. The bid also called for three alternates, fiberglass doors (\$11,863), Z style lockers (\$7,562) and electric hand dryers (\$1,250). Since the project is over budget we are only bringing forward the base bid plus 10% unforeseen conditions due to the nature of the renovation at \$18,969 for a total project cost of \$208,938. Funding is available in the YMCA R&R fund.

ARTICLE 1 THE CONTRACT DOCUMENTS

The Contract Documents consist of this Agreement, Conditions of the Contract (General, Supplementary and other Conditions), Drawings, Specifications, Addenda issued prior to execution of this Agreement, other documents listed in this Agreement and Modifications issued after execution of this Agreement, all of which form the Contract, and are as fully a part of the Contract as if attached to this Agreement or repeated herein. The Contract represents the entire and integrated agreement between the parties hereto and supersedes prior negotiations, representations or agreements, either written or oral. An enumeration of the Contract Documents, other than a Modification, appears in Article 9.

ARTICLE 2 THE WORK OF THIS CONTRACT

The Contractor shall fully execute the Work described in the Contract Documents, except as specifically indicated in the Contract Documents to be the responsibility of others.

ARTICLE 3 DATE OF COMMENCEMENT AND SUBSTANTIAL COMPLETION

§ 3.1 The date of commencement of the Work shall be the date of this Agreement unless a different date is stated below or provision is made for the date to be fixed in a notice to proceed issued by the Owner.

(Insert the date of commencement if it differs from the date of this Agreement or, if applicable, state that the date will be fixed in a notice to proceed.)

If, prior to the commencement of the Work, the Owner requires time to file mortgages and other security interests, the Owner's time requirement shall be as follows:

§ 3.2 The Contract Time shall be measured from the date of commencement.

§ 3.3 The Contractor shall achieve Substantial Completion of the Work not later than _____ and Final Completion on _____.

ARTICLE 5 PAYMENTS

§ 5.1 PROGRESS PAYMENTS

§ 5.1.1 Contractor shall provide to the Owner fully executed *Waiver and Partial Release from Contractor, Waiver and Partial Releases from Contractor's Subcontractors, Sub-subcontractors, suppliers and materialmen or any party with lien rights*, and *Contractor's Affidavit of Outstanding Accounts* at the time each Application for Payment is submitted. Based upon Applications for Payment submitted to the Architect by the Contractor in the form attached as Exhibit "D" and Certificates for Payment issued by the Architect, the Owner shall make progress payments on account of the Contract Sum to the Contractor as provided below and elsewhere in the Contract Documents. Copies of

the required *Waiver and Partial Release from Contractor, Waiver and Partial Releases from Contractor's Subcontractors, Sub-subcontractors, suppliers and materialmen or any party with lien rights, and Contractor's Affidavit of Outstanding Accounts* are attached as Composite Exhibit "E".

§ 5.1.2 The period covered by each Application for Payment shall be one calendar month ending on the last day of the month, or as follows:

§ 5.1.3 Provided that an Application for Payment is received by the Architect not later than the 10th day of a month, the Owner shall make payment of the certified amount to the Contractor not later than the 15th day of the following month. If an Application for Payment is received by the Architect after the application date fixed above, payment shall be made by the Owner not later than thirty (30) days after the Architect receives the Application for Payment. *(Federal, state or local laws may require payment within a certain period of time.)*

§ 5.1.4 Each Application for Payment shall be based on the most recent schedule of values submitted by the Contractor in accordance with the Contract Documents. The schedule of values shall allocate the entire Contract Sum among the various portions of the Work. The schedule of values shall be prepared in such form and supported by such data to substantiate its accuracy as the Architect may require. This schedule, unless objected to by the Architect, shall be used as a basis for reviewing the Contractor's Applications for Payment.

§ 5.1.5 Applications for Payment shall show the percentage of completion of each portion of the Work as of the end of the period covered by the Application for Payment.

§ 5.1.6 Subject to other provisions of the Contract Documents, the amount of each progress payment shall be computed as follows:

- .1 Take that portion of the Contract Sum properly allocable to completed Work as determined by multiplying the percentage completion of each portion of the Work by the share of the Contract Sum allocated to that portion of the Work in the schedule of values, less retainage of ten percent (10%). Pending final determination of cost to the Owner of changes in the Work, amounts not in dispute shall be included as provided in Section 7.3.9 of AIA Document A201™-2007, General Conditions of the Contract for Construction, as modified by Owner;
- .2 Add that portion of the Contract Sum properly allocable to materials and equipment delivered and suitably stored at the site for subsequent incorporation in the completed construction (or, if approved in advance by the Owner, suitably stored off the site at a location agreed upon in writing), less retainage of ten percent (10%);
- .3 Subtract the aggregate of previous payments made by the Owner; and
- .4 Subtract amounts, if any, for which the Architect has withheld or nullified a Certificate for Payment as provided in Section 9.5 of AIA Document A201-2007, as modified by Owner.

§ 5.1.7 The progress payment amount determined in accordance with Section 5.1.6 shall be further modified under the following circumstances:

- .1 Add, upon Substantial Completion of the Work, a sum sufficient to increase the total payments to ninety-five percent (95%) of the Contract Sum, less such amounts as the Architect shall determine for incomplete Work, retainage applicable to such work and unsettled claims; and *(Section 9.8.5 of AIA Document A201-2007, as modified by Owner, requires release of applicable retainage upon Substantial Completion of Work with consent of surety, if any.)*
- .2 Add, if final completion of the Work is thereafter materially delayed through no fault of the Contractor, any additional amounts payable in accordance with Section 9.10.3 of AIA Document A201-2007, as modified by Owner.

§ 5.1.8 Reduction or limitation of retainage, if any, shall be as follows:

(If it is intended, prior to Substantial Completion of the entire Work, to reduce or limit the retainage resulting from the percentages inserted in Sections 5.1.6.1 and 5.1.6.2 above, and this is not explained elsewhere in the Contract Documents, insert here provisions for such reduction or limitation.)

No reduction of retainage below ten percent (10%) before Substantial Completion.

§ 5.1.9 Except with the Owner's prior approval, the Contractor shall not make advance payments to suppliers for materials or equipment which have not been delivered and stored at the site.

§ 5.2 FINAL PAYMENT

§ 5.2.1 Final payment, constituting the entire unpaid balance of the Contract Sum, shall be made by the Owner to the Contractor when

- .1 the Contractor has fully performed the Contract except for the Contractor's responsibility to correct Work as provided in Section 12.2.2 of AIA Document A201-2007, as modified by Owner, and to satisfy other requirements, if any, which extend beyond final payment; and the Contractor provides to the Owner fully executed *Contractor's Final Payment Affidavit, Contractor's Affidavit of Outstanding Accounts, Final Waiver and Release of Lien from Contractor and Final Waivers and Releases of Liens from Contractor's Subcontractors, Sub-subcontractors, suppliers and materialmen or any party with lien rights*.and
- .2 a final Certificate for Payment has been issued by the Architect.

Copies of the required *Contractor's Final Payment Affidavit, Contractor's Affidavit of Outstanding Accounts, Final Waiver and Release of Lien from Contractor and Final Waivers and Releases of Liens from Contractor's Subcontractors, Sub-subcontractors, suppliers and materialmen or any party with lien rights* are attached as Composite Exhibit "E".

§ 5.2.2 The Owner's final payment to the Contractor shall be made within thirty (30) days of compliance with all Contract requirements.

§ 5.2.3 At closeout, Contractor shall complete the *Contract Completion Checklist*, a copy of which is attached hereto as Exhibit "F", and shall provide to the Owner all items required thereon as a condition precedent to final payment being due from the Owner.

ARTICLE 6 DISPUTE RESOLUTION

§ 6.1 INITIAL DECISION MAKER

The Architect will serve as Initial Decision Maker pursuant to Section 15.2 of AIA Document A201-2007, as modified by Owner, unless the parties appoint below another individual, not a party to this Agreement, to serve as Initial Decision Maker.

(If the parties mutually agree, insert the name, address and other contact information of the Initial Decision Maker, if other than the Architect.)

§ 6.2 BINDING DISPUTE RESOLUTION

The method of dispute resolution shall be as follows:

- √ Litigation in a court of competent jurisdiction
(Paragraphs deleted)

ARTICLE 7 TERMINATION OR SUSPENSION

§ 7.1 The Contract may be terminated by the Owner or the Contractor as provided in Article 14 of AIA Document A201-2007, as modified by Owner.

§ 7.2 The Work may be suspended by the Owner as provided in Article 14 of AIA Document A201-2007, as modified by Owner.

ARTICLE 8 MISCELLANEOUS PROVISIONS

§ 8.1 Where reference is made in this Agreement to a provision of AIA Document A201–2007, as modified by Owner, or another Contract Document, the reference refers to that provision as amended or supplemented by other provisions of the Contract Documents.

§ 8.2

§ 8.3 The Owner's representative:

(Name, address and other information)

§ 8.4 The Contractor's representative:

(Name, address and other information)

§ 8.5 The Contractor's representative shall not be changed without ten days written notice to the other party.

§ 8.6 OTHER PROVISIONS

§ 8.6.1 FINANCIAL DISCLOSURES

During the term of this Contract, Contractor covenants and agrees that it will keep adequate books and records of accounts in accordance with Generally Accepted Accounting Principles (GAAP). Contractor further covenants and agrees that, upon request from Owner, Contractor shall provide to Owner financial statements of Contractor, including current income and expense statements of Contractor, consolidated balance sheets signed by a financial officer of Contractor, and audited reports provided to Contractor's Surety, audited financial statements certified by a Certified Public Accountant concerning the financial affairs of Contractor and all affiliates of Contractor, and such other financial information requested by Owner. All such financial information shall comply with GAAP.

In the event that Contractor becomes insolvent and/or fails to pay its current obligations when they become due, Contractor shall so advise Owner of such situation. Contractor hereby authorizes its sureties, lenders, financial institutions and other third parties to release to Owner financial information requested by Owner, including, but not limited to, the financial information described in the preceding paragraph.

§ 8.6.2 WAIVER OF JURY TRIAL

All parties hereby waive any and all right to any trial by jury in any action or proceeding arising directly or indirectly hereunder.

§ 8.6.3 CORRECTION OF WORK

In the event that Contractor fails to timely take corrective action, Owner may correct, remove and/or replace the non-conforming work at Contractor's expense using the specified materials or such other materials which the Owner, in its sole discretion, deems appropriate.

§ 8.6.4 SCHEDULING

Contractor shall utilize Primavera (P3) or Suretrac as its scheduling software.

§ 8.6.5 VENDOR DIVERSITY/MINORITY

Provided that prices are competitive and that the quality, quantity and timeliness of the Work will not be prejudiced or compromised, Contractor is encouraged, but not required, to utilize where reasonably practical a reasonable number of minority owned and/or controlled companies for the Project. In the event that Contractor utilizes a minority owned and/or controlled company, Contractor shall submit to the Owner the name of the company, the scope of the work and

Init.

the contract sum of the work being performed by the minority owned and/or controlled company. Contractor shall retain in its sole discretion the final decision on the selection and use of subcontractors and other vendors and shall remain fully responsible for their work, material and services as called for by the Contract Documents.

§ 8.6.6 The Contractor's use of local (in state) laborers, subcontractors, material suppliers, and equipment suppliers is encouraged by Owner and may influence the Owner's selection process.

ARTICLE 1 GENERAL PROVISIONS

§ 1.1 BASIC DEFINITIONS

§ 1.1.1 THE CONTRACT DOCUMENTS

The Contract Documents are enumerated in the Agreement between the Owner and Contractor (hereinafter the Agreement) and consist of the Agreement, Conditions of the Contract (General, Supplementary and other Conditions), Drawings, Specifications, Addenda issued prior to execution of the Contract, other documents listed in the Agreement and Modifications issued after execution of the Contract. A Modification is (1) a written amendment to the Contract signed by both parties, (2) a Change Order, (3) a Construction Change Directive or (4) a written order for a minor change in the Work issued by the Architect. Unless specifically enumerated in the Agreement, the Contract Documents do not include the advertisement or invitation to bid, Instructions to Bidders, sample forms, other information furnished by the Owner in anticipation of receiving bids or proposals, the Contractor's bid or proposal, or portions of Addenda relating to bidding requirements.

§ 1.1.2 THE CONTRACT

The Contract Documents form the Contract for Construction. The Contract represents the entire and integrated agreement between the parties hereto and supersedes prior negotiations, representations or agreements, either written or oral. The Contract may be amended or modified only by a Modification. The Contract Documents shall not be construed to create a contractual relationship of any kind (1) between the Contractor and the Architect or the Architect's consultants, (2) between the Owner and a Subcontractor or a Sub-subcontractor, (3) between the Owner and the Architect or the Architect's consultants or (4) between any persons or entities other than the Owner and the Contractor. The Architect shall, however, be entitled to performance and enforcement of obligations under the Contract intended to facilitate performance of the Architect's duties.

§ 1.1.3 THE WORK

The term "Work" means the construction and services required by the Contract Documents, whether completed or partially completed, and includes all other labor, materials, equipment and services provided or to be provided by the Contractor to fulfill the Contractor's obligations. The Work may constitute the whole or a part of the Project.

§ 1.1.4 THE PROJECT

The Project is the total construction of which the Work performed under the Contract Documents may be the whole or a part and which may include construction by the Owner and by separate contractors.

§ 1.1.5 THE DRAWINGS

The Drawings are the graphic and pictorial portions of the Contract Documents showing the design, location and dimensions of the Work, generally including plans, elevations, sections, details, schedules and diagrams.

§ 1.1.6 THE SPECIFICATIONS

The Specifications are that portion of the Contract Documents consisting of the written requirements for materials, equipment, systems, standards and workmanship for the Work, and performance of related services.

§ 1.1.7 INSTRUMENTS OF SERVICE

Instruments of Service are representations, in any medium of expression now known or later developed, of the tangible and intangible creative work performed by the Architect and the Architect's consultants under their respective professional services agreements. Instruments of Service may include, without limitation, studies, surveys, models, sketches, drawings, specifications, and other similar materials.

§ 1.1.8 INITIAL DECISION MAKER

The Initial Decision Maker is the person identified in the Agreement to render initial decisions on Claims in accordance with Section 15.2 and certify termination of the Agreement under Section 14.2.2.

§ 1.2 CORRELATION AND INTENT OF THE CONTRACT DOCUMENTS

§ 1.2.1 The intent of the Contract Documents is to include all items necessary for the proper execution and completion of the Work by the Contractor. The Contract Documents are complementary, and what is required by one shall be as binding as if required by all; performance by the Contractor shall be required only to the extent consistent with the Contract Documents and reasonably inferable from them as being necessary to produce the indicated results.

§ 1.2.2 Organization of the Specifications into divisions, sections and articles, and arrangement of Drawings shall not control the Contractor in dividing the Work among Subcontractors or in establishing the extent of Work to be performed by any trade.

§ 1.2.3 Unless otherwise stated in the Contract Documents, words that have well-known technical or construction industry meanings are used in the Contract Documents in accordance with such recognized meanings.

§ 1.3 CAPITALIZATION

Terms capitalized in these General Conditions include those that are (1) specifically defined, (2) the titles of numbered articles or (3) the titles of other documents published by the American Institute of Architects.

§ 1.4 INTERPRETATION

In the interest of brevity the Contract Documents frequently omit modifying words such as "all" and "any" and articles such as "the" and "an," but the fact that a modifier or an article is absent from one statement and appears in another is not intended to affect the interpretation of either statement.

§ 1.5 OWNERSHIP AND USE OF DRAWINGS, SPECIFICATIONS AND OTHER INSTRUMENTS OF SERVICE

§ 1.5.1 The Contractor shall provide to the Owner two (2) copies of all electronic drawing files of all as-built drawings in a format compatible with the AutoCAD release version designated by Owner. This shall include an organized, rational file/drawing naming system that refers directly to the actual hard copy drawings. For example, drawings shall be named A-1.dwg, A-2.dwg, M-1.dwg, M-2.dwg etc. Each drawing file shall be processed through AutoCad's XREF Manager utilizing the "bind process" prior to submittal to the Owner to combine the files and eliminate the need for attached files. Text documents such as specification books shall be presented in Microsoft Word or pdf format. Such electronic files shall be delivered to the Owner within ten (10) days after requested by the Owner or, if not specifically requested, prior to final payment from Owner.

§ 1.5.2 The Drawings, Specifications and Instruments of Service, including those in electronic form, prepared by the Architect and its consultants and other consultants retained by the Owner are and shall remain the property of the Owner, and Owner shall retain all common law, statutory and other reserved rights, in addition to copyrights, with respect thereto. The Contractor may retain one record set. They shall not be used on any other project without the prior written consent of the Owner, and Contractor shall take such action as may be necessary to prevent their use on any other project or for additions to the Project outside the scope of the Work by any Subcontractor, Sub-subcontractor or material or equipment supplier. The Contractor, Subcontractors, Sub-subcontractors and material and equipment suppliers are granted a limited license to use and reproduce applicable portions of the Drawings, Specifications and Instruments of Service prepared by the Architect appropriate to and for use in the execution of their Work under the Contract Documents. All copies made under this license, except the Contractor's record set, shall be returned or suitably accounted for to the Owner upon completion of the Work and shall bear the statutory copyright notice, if any, shown on the Drawings, Specifications and Instruments of Service prepared by the Architect, its consultants and Owner's consultants. Submittals or distributions necessary to meet official regulatory requirements or for other purposes relating to completion of the Project are not to be construed as a publication in derogation of the Owner's copyright or other reserved rights.

§ 1.6 TRANSMISSION OF DATA IN DIGITAL FORM

If the parties intend to transmit Instruments of Service or any other information or documentation in digital form, they shall endeavor to establish necessary protocols governing such transmissions, unless otherwise already provided in the Agreement or the Contract Documents.

§ 1.7 REQUIRED PROJECT FORMS

The following project forms shall be used by the Contractor for submissions and other general requirements of the Contract Documents if required by Owner or Architect:

Title	Document Number
Contractor's Qualification Statement	AIA Doc. A-305
Bid Bond	AIA Doc. A-310
Change Order	AIA Doc. G-701
Application & Certificate for Payment	AIA Doc. G-702

Init.

Application & Certificate for Payment	AIA Doc. G-703
Certificate of Substantial Completion	AIA Doc. G-704
Contractor's Affidavit for Payment of Debts and Claims	AIA Doc. G-706
Consent of Surety Company to Final Payment	AIA Doc. G-707
Proposal Request	AIA Doc. G-709
Architect's Supplemental Instructions	AIA Doc. G-710

ARTICLE 2 OWNER

§ 2.1 GENERAL

§ 2.1.1 The Owner is the person or entity identified as such in the Agreement and is referred to throughout the Contract Documents as if singular in number. The Owner shall designate in writing a representative who shall have express authority to bind the Owner with respect to all matters requiring the Owner's approval or authorization. Except as otherwise provided in Section 4.2.1, the Architect does not have such authority. The term "Owner" means the Owner or the Owner's authorized representative.

§ 2.1.2 The Owner shall furnish to the Contractor within fifteen days after receipt of a written request, information necessary and relevant for the Contractor to evaluate, give notice of or enforce mechanic's lien rights. Such information shall include a correct statement of the record legal title to the property on which the Project is located, usually referred to as the site, and the Owner's interest therein.

§ 2.2 INFORMATION AND SERVICES REQUIRED OF THE OWNER

§ 2.2.1 Information or services required of the Owner by the Contract Documents shall be furnished by the Owner with reasonable promptness. Any other information or services relevant to the Contractor's performance of the Work under the Owner's control shall be furnished by the Owner after receipt from the Contractor of a written request for such information or services.

§ 2.2.2 Except for permits and fees that are the responsibility of the Contractor under the Contract Documents, including those required under Section 3.7.1, the Owner shall secure and pay for necessary approvals, easements, assessments and charges required for construction, use or occupancy of permanent structures or for permanent changes in existing facilities.

§ 2.2.3 The Owner shall furnish surveys describing physical characteristics, legal limitations and utility locations for the site of the Project, and a legal description of the site. The Contractor shall be entitled to rely on the accuracy of information furnished by the Owner but shall exercise proper precautions relating to the safe performance of the Work.

§ 2.2.4 (Intentionally Omitted)

§ 2.2.5 (Intentionally Omitted)

§ 2.3 OWNER'S RIGHT TO STOP THE WORK

§ 2.3.1 If the Contractor fails to correct Work that is not in accordance with the requirements of the Contract Documents as required by Section 12.2 or repeatedly fails to carry out Work in accordance with the Contract Documents, the Owner may issue a written order to the Contractor to stop the Work, or any portion thereof, until the cause for such order has been eliminated; however, the right of the Owner to stop the Work shall not give rise to a duty on the part of the Owner to exercise this right for the benefit of the Contractor or any other person or entity, except to the extent required by Section 6.1.3.

§ 2.3.2 If, after consultation with the Architect, suspension of the Work is warranted by reason of unforeseen conditions which may adversely affect the quality of the Work if such Work were continued, the Owner may suspend the Work by written notice to the Contractor. In such event, the Contract Time shall be adjusted accordingly, and the Contract Sum shall be adjusted to the extent, if any, that additional costs are incurred by reason of such suspension. If the Contractor, in its reasonable judgment, believes that a suspension is warranted by reason of unforeseen circumstances which may adversely affect the quality of the Work if the Work were continued, the Contractor shall immediately notify the Owner and the Architect of such belief and describe with particularity the reasons therefor.

§ 2.4 OWNER'S RIGHT TO CARRY OUT THE WORK

If the Contractor defaults or neglects to carry out the Work in accordance with the Contract Documents and fails within a ten-day period after receipt of written notice from the Owner to commence and continue correction of such default or neglect with diligence and promptness, the Owner may, without prejudice to other remedies the Owner may have, commence and continue to carry out the Work. In such case an appropriate Change Order shall be issued deducting from payments then or thereafter due the Contractor the cost of correcting such deficiencies, including Owner's expenses and compensation for the Architect's additional services made necessary by such default, neglect or failure. If payments then or thereafter due the Contractor are not sufficient to cover such amounts, the Contractor shall pay the difference to the Owner. The right of Owner to stop the Work pursuant to this Subparagraph 2.4.1 shall not give rise to any duty on the part of the Owner to exercise this right for the benefit of the Contractor or any other person or entity.

ARTICLE 3 CONTRACTOR

§ 3.1 GENERAL

§ 3.1.1 The Contractor is the person or entity identified as such in the Agreement and is referred to throughout the Contract Documents as if singular in number. The Contractor shall be lawfully licensed, if required in the jurisdiction where the Project is located. The Contractor shall designate in writing a representative who shall have express authority to bind the Contractor with respect to all matters under this Contract. The term "Contractor" means the Contractor or the Contractor's authorized representative.

§ 3.1.2 The Contractor shall perform the Work in accordance with the Contract Documents.

§ 3.1.3 The Contractor shall not be relieved of obligations to perform the Work in accordance with the Contract Documents either by activities or duties of the Architect in the Architect's administration of the Contract, or by tests, inspections or approvals required or performed by persons or entities other than the Contractor.

§ 3.2 REVIEW OF CONTRACT DOCUMENTS AND FIELD CONDITIONS BY CONTRACTOR

§ 3.2.1 Execution of the Contract by the Contractor is a representation that the Contractor has visited the site, become generally familiar with local conditions under which the Work is to be performed and correlated personal observations with requirements of the Contract Documents.

§ 3.2.2 Because the Contract Documents are complementary, the Contractor shall, before starting each portion of the Work, carefully study and compare the various Contract Documents relative to that portion of the Work, as well as the information furnished by the Owner pursuant to Section 2.2.3, and shall take field measurements of any existing conditions related to that portion of the Work, and shall observe any conditions at the site affecting it. These obligations are for the purpose of facilitating coordination and construction by the Contractor and bringing to the attention of the Architect errors, omissions, or inconsistencies in the Contract Documents. The Contractor shall promptly report to the Architect any errors, inconsistencies or omissions discovered by or made known to the Contractor as a request for information in such form as the Architect may require. Any design errors or omissions noted by the Contractor during this review shall be reported promptly to the Architect.

§ 3.2.3 The Contractor is required to ascertain that the Contract Documents are in accordance with applicable laws, statutes, ordinances, codes, rules and regulations.

§ 3.2.4 If the Contractor believes that additional cost or time is involved because of clarifications or instructions the Architect issues in response to the Contractor's notices or requests for information pursuant to Sections 3.2.2 or 3.2.3, the Contractor shall make Claims as provided in Article 15. If the Contractor fails to perform the obligations of Sections 3.2.2 or 3.2.3, the Contractor shall pay such costs and damages to the Owner as would have been avoided if the Contractor had performed such obligations.

§ 3.3 SUPERVISION AND CONSTRUCTION PROCEDURES

§ 3.3.1 The Contractor shall supervise and direct the Work, using the Contractor's best skill and attention. The Contractor shall be solely responsible for, and have control over, construction means, methods, techniques, sequences and procedures and for coordinating all portions of the Work under the Contract, unless the Contract Documents give other specific instructions concerning these matters. If the Contract Documents give specific instructions concerning construction means, methods, techniques, sequences or procedures, the Contractor shall evaluate the jobsite safety thereof and, except as stated below, shall be fully and solely responsible for the jobsite safety of such means, methods,

Init.

techniques, sequences or procedures. If the Contractor determines that such means, methods, techniques, sequences or procedures may not be safe, the Contractor shall give timely written notice to the Owner and Architect and shall not proceed with that portion of the Work without further written instructions from the Architect. If the Contractor is then instructed to proceed with the required means, methods, techniques, sequences or procedures without acceptance of changes proposed by the Contractor, the Owner shall be solely responsible for any loss or damage arising solely from those Owner-required means, methods, techniques, sequences or procedures.

§ 3.3.2 The Contractor shall be responsible to the Owner for acts and omissions of the Contractor's employees, Subcontractors and their agents and employees, and other persons or entities performing portions of the Work for, or on behalf of, the Contractor or any of its Subcontractors.

§ 3.3.3 The Contractor shall be responsible for inspection of portions of Work already performed to determine that such portions are in proper condition to receive subsequent Work.

§ 3.3.4 At the earliest possible time after the commencement of the Work on the Project site, the Contractor shall have all property corners and benchmarks verified or established by a state-licensed land surveyor, shall locate the Project on the Project site, establishing necessary reference marks and axes from which the Work accurately can progress, shall furnish Architect evidence of such verification and shall report at once any errors discovered during the process of such verification.

§ 3.3.5 If any of the Work is required to be inspected or approved by any public authority, the Contractor shall cause such inspection or approval to be performed. No inspection performed or failed to be performed by the Owner hereunder shall be a waiver of any of the Contractor's obligations hereunder or be construed as an approval or acceptance of the Work or any part thereof.

§ 3.3.6 The Contractor acknowledges that it is the Contractor's responsibility to hire all personnel for the proper and diligent prosecution of the Work and the Contractor shall use its best efforts to maintain labor peace for the duration of the Project. In the event of a labor dispute of the Contractor, its subcontractors or suppliers, the Contractor shall not be entitled to any increase in the Contract Sum.

§ 3.4 LABOR AND MATERIALS

§ 3.4.1 Unless otherwise provided in the Contract Documents, the Contractor shall provide and pay for labor, materials, equipment, tools, construction equipment and machinery, water, heat, utilities, transportation, and other facilities and services necessary for proper execution and completion of the Work, whether temporary or permanent and whether or not incorporated or to be incorporated in the Work.

§ 3.4.2 The Contractor may make substitutions only with the consent of the Owner, after evaluation by the Architect and in accordance with a Change Order or Construction Change Directive.

§ 3.4.3 The Contractor shall enforce strict discipline and good order among the Contractor's employees and other persons carrying out the Work. The Contractor shall not permit employment of unfit persons or persons not properly skilled in tasks assigned to them.

§ 3.5 WARRANTY

The Contractor warrants to the Owner and Architect that materials and equipment furnished under the Contract will be of good quality and new unless the Contract Documents require or permit otherwise. The Contractor further warrants that the Work will conform to the requirements of the Contract Documents and will be free from defects, except for those inherent in the quality of the Work the Contract Documents require or permit. Work, materials, or equipment not conforming to these requirements may be considered defective. The Contractor's warranty excludes remedy for damage or defect caused by abuse, alterations to the Work not executed by the Contractor, improper or insufficient maintenance, improper operation, or normal wear and tear and normal usage. If required by the Architect or Owner, the Contractor shall furnish satisfactory evidence as to the kind and quality of materials and equipment.

§ 3.6 TAXES

The Contractor shall pay sales, consumer, use and similar taxes for the Work provided by the Contractor that are legally enacted when bids are received or negotiations concluded, whether or not yet effective or merely scheduled to go into effect.

§ 3.7 PERMITS, FEES, NOTICES, AND COMPLIANCE WITH LAWS

§ 3.7.1 Unless otherwise provided in the Contract Documents, the Contractor shall secure and pay for the building permit as well as for other permits, fees, licenses, and inspections by government agencies necessary for proper execution and completion of the Work that are customarily secured after execution of the Contract and legally required at the time bids are received or negotiations concluded. The Contractor shall procure all certificates of inspection, use, occupancy, permits and licenses, pay all charges and fees and give all notices necessary and incidental to the due and lawful prosecution of the Work. Certificates of inspection, use and occupancy shall be delivered to the Owner upon completion of the Work in sufficient time for occupation of the Project in accordance with the approved schedule for the Work. The costs of such procurement, payment and delivery are included within the Contract Sum.

§ 3.7.2 The Contractor shall comply with and give notices required by applicable laws, statutes, ordinances, codes, rules and regulations, and lawful orders of public authorities applicable to performance of the Work. Contractor shall comply with all applicable federal, state and county, and city statutes, safety regulations, codes, ordinances and orders, including the Occupational Safety and Health Administration Act of 1970 (OSHA).

§ 3.7.3 If the Contractor performs Work knowing it to be contrary to applicable laws, statutes, ordinances, codes, rules and regulations, or lawful orders of public authorities, the Contractor shall assume appropriate responsibility for such Work and shall bear the costs attributable to correction.

§ 3.7.4 **Concealed or Unknown Conditions.** If the Contractor encounters conditions at the site that are (1) subsurface or otherwise concealed physical conditions that differ materially from those indicated in the Contract Documents or (2) unknown physical conditions of an unusual nature, that differ materially from those ordinarily found to exist and generally recognized as inherent in construction activities of the character provided for in the Contract Documents, the Contractor shall promptly provide notice to the Owner and the Architect before conditions are disturbed and in no event later than 21 days after first observance of the conditions. The Architect will promptly investigate such conditions and, if the Architect determines that they differ materially and cause an increase or decrease in the Contractor's cost of, or time required for, performance of any part of the Work, will recommend an equitable adjustment in the Contract Sum or Contract Time, or both. If the Architect determines that the conditions at the site are not materially different from those indicated in the Contract Documents and that no change in the terms of the Contract is justified, the Architect shall promptly notify the Owner and Contractor in writing, stating the reasons. If either party disputes the Architect's determination or recommendation, that party may proceed as provided in Article 15.

§ 3.7.5 If, in the course of the Work, the Contractor encounters human remains or recognizes the existence of burial markers, archaeological sites or wetlands not indicated in the Contract Documents, the Contractor shall immediately suspend any operations that would affect them and shall notify the Owner and Architect. Upon receipt of such notice, the Owner shall promptly take any action necessary to obtain governmental authorization required to resume the operations. The Contractor shall continue to suspend such operations until otherwise instructed by the Owner but shall continue with all other operations that do not affect those remains or features. Requests for adjustments in the Contract Sum and Contract Time arising from the existence of such remains or features may be made as provided in Article 15.

§ 3.8 ALLOWANCES

§ 3.8.1 The Contractor shall include in the Contract Sum all allowances stated in the Contract Documents. Items covered by allowances shall be supplied for such amounts and by such persons or entities as the Owner may direct, but the Contractor shall not be required to employ persons or entities to whom the Contractor has reasonable objection.

§ 3.8.2 Unless otherwise provided in the Contract Documents,

- .1 allowances shall cover the cost to the Contractor of materials and equipment delivered at the site and all required taxes, less applicable trade discounts;
- .2 Contractor's costs for unloading and handling at the site, labor, installation costs, overhead, profit and other expenses contemplated for stated allowance amounts shall be included in the Contract Sum but not in the allowances; and
- .3 whenever costs are more than or less than allowances, the Contract Sum shall be adjusted accordingly by Change Order. The amount of the Change Order shall reflect (1) the difference between actual costs and the allowances under Section 3.8.2.1 and (2) changes in Contractor's costs under Section 3.8.2.2.

§ 3.8.3 Materials and equipment under an allowance shall be selected by the Owner with reasonable promptness.

Init.

§ 3.9 SUPERINTENDENT

§ 3.9.1 The Contractor shall employ a competent superintendent and necessary assistants who shall be in attendance at the Project site during performance of the Work. The superintendent shall represent the Contractor, and communications given to the superintendent shall be as binding as if given to the Contractor. The superintendent shall be satisfactory to the Owner in all respects, and Owner shall have the right to require Contractor to dismiss from the Project any superintendent whose performance is not satisfactory to Owner, and to replace such superintendent with a superintendent satisfactory to Owner. The Contractor shall not replace the superintendent without the written consent of the Owner.

§ 3.9.2 The Contractor, as soon as practicable after award of the Contract, shall furnish in writing to the Owner through the Architect the name and qualifications of a proposed superintendent. The Architect may reply within 14 days to the Contractor in writing stating (1) whether the Owner or the Architect has reasonable objection to the proposed superintendent or (2) that the Architect requires additional time to review. Failure of the Architect to reply within the 14 day period shall constitute notice of no reasonable objection.

§ 3.9.3 The Contractor shall not employ a proposed superintendent to whom the Owner or Architect has made reasonable and timely objection. The Contractor shall not change the superintendent without the Owner's consent, which shall not unreasonably be withheld or delayed.

§ 3.9.4 The list of all supervisory personnel, including the project manager and superintendent, that the Contractor intends to use on the Project and a chain-of-command organizational chart shall be submitted to the Owner for approval. The Contractor shall not engage supervisory personnel or utilize an organization and chain-of-command other than as approved by Owner in writing, and shall not change such personnel or form of organization without the written approval of the Owner.

§ 3.10 CONTRACTOR'S CONSTRUCTION SCHEDULES

§ 3.10.1 The Contractor, immediately after being awarded the Contract, shall prepare in consultation with the Owner and Architect and submit for the Owner's and Architect's approval a Contractor's construction schedule for the Work. The construction schedule shall not exceed time limits current under the Contract Documents, shall be updated and revised at appropriate intervals as required by the conditions of the Work and Project, shall be related to the entire Project to the extent required by the Contract Documents, shall provide for expeditious and practicable execution of the Work and shall not be modified or extended without the prior approval of the Owner in each instance.

§ 3.10.2 The Contractor shall prepare a submittal schedule, promptly after being awarded the Contract and thereafter as necessary to maintain a current submittal schedule, and shall submit the schedule(s) for the Owner's and Architect's approval. The Owner's and Architect's approval shall not unreasonably be delayed or withheld. The submittal schedule shall (1) be coordinated with the Contractor's construction schedule, and (2) allow the Owner and Architect reasonable time to review submittals. If the Contractor fails to submit a submittal schedule, the Contractor shall not be entitled to any increase in Contract Sum or extension of Contract Time based on the time required for review of submittals.

The Contractor shall prepare at least monthly a progress report in a form, in sufficient detail, and of a character approved by the Owner and Owner's lender, if any, for the Project. The progress report shall specify, among other things, an estimated percentage of completion, whether the Project is on schedule, and if not, the reasons therefor and the new schedule, as well as the number of man-days worked for each category of labor and the projected Work to be completed in the next succeeding month. Accompanying the progress report shall be an updated current Project schedule, and a listing and the status of all Change Orders, Modifications, bulletins and other relevant documents.

The Contractor also shall prepare not later than 30 days after the Contract is awarded a materials report which shall include a complete list of suppliers and fabricators, items to be purchased from the suppliers or fabricators, time required for fabrication and the scheduled delivery dates for each item to be purchased. As soon as available, the Contractor shall furnish copies of purchase orders to the Owner.

The Contractor shall prepare such additional reports as the Owner or Owner's lender for the Project, if any, may request. The Contractor shall hold weekly progress meetings at the Project site, or at such other time and frequency as the Owner requests. Progress of the Work shall be reported in detail with reference to construction schedules. Each

interested Subcontractor shall have present a competent representative to report the condition of its work and to receive information.

§ 3.10.3 The Contractor shall perform the Work in general accordance with the most recent schedules submitted to the Owner and Architect.

§ 3.10.4 The Contractor acknowledges that the Owner may retain the services of a scheduling consultant at the Owner's expense. The Contractor shall cooperate with any such scheduling consultant at the Owner's direction, including, without limitation, with regard to the preparation of the Project schedule.

§ 3.10.5 Contractor shall utilize Primavera (P3) or Suretrac as its scheduling software.

§ 3.11 DOCUMENTS AND SAMPLES AT THE SITE

§ 3.11.1 The Contractor shall maintain at the site for the Owner one copy of the Drawings, Specifications, Addenda, Change Orders and other Modifications, in good order and marked currently to indicate field changes and selections made during construction, and one copy of approved Shop Drawings, Product Data, Samples and similar required submittals. These shall be available to the Architect and shall be delivered to the Architect for submittal to the Owner upon completion of the Work as a record of the Work as constructed, signed by the Contractor, certifying that they show complete and exact "as-built" conditions, including, but not limited to, specific locations and types of materials, piping, conduit, utilities and other "as-built" conditions.

§ 3.11.2 The Contractor shall maintain all approved permit drawings in a manner so as to make them accessible to governmental inspectors and other authorized agencies. All approved drawings shall be wrapped, marked with appropriate identification and delivered to the Owner within sixty (60) days of final completion of the Work.

§ 3.12 SHOP DRAWINGS, PRODUCT DATA AND SAMPLES

§ 3.12.1 Shop Drawings are drawings, diagrams, schedules and other data specially prepared for the Work by the Contractor or a Subcontractor, Sub-subcontractor, manufacturer, supplier or distributor to illustrate some portion of the Work.

§ 3.12.2 Product Data are illustrations, standard schedules, performance charts, instructions, brochures, diagrams and other information furnished by the Contractor to illustrate materials or equipment for some portion of the Work.

§ 3.12.3 Samples are physical examples that illustrate materials, equipment or workmanship and establish standards by which the Work will be judged.

§ 3.12.4 Shop Drawings, Product Data, Samples and similar submittals are not Contract Documents. Their purpose is to demonstrate the way by which the Contractor proposes to conform to the information given and the design concept expressed in the Contract Documents for those portions of the Work for which the Contract Documents require submittals. Review by the Architect is subject to the limitations of Section 4.2.7. Informational submittals upon which the Architect is not expected to take responsive action may be so identified in the Contract Documents. Submittals that are not required by the Contract Documents may be returned by the Architect without action.

§ 3.12.5 The Contractor shall review for compliance with the Contract Documents, approve and submit to the Architect Shop Drawings, Product Data, Samples and similar submittals required by the Contract Documents in accordance with the submittal schedule approved by the Architect or, in the absence of an approved submittal schedule, with reasonable promptness and in such sequence as to cause no delay in the Work or in the activities of the Owner or of separate contractors.

§ 3.12.6 By submitting Shop Drawings, Product Data, Samples and similar submittals, the Contractor represents to the Owner and Architect that the Contractor has (1) reviewed and approved them, (2) determined and verified materials, field measurements and field construction criteria related thereto, or will do so and (3) checked and coordinated the information contained within such submittals with the requirements of the Work and of the Contract Documents.

§ 3.12.7 The Contractor shall perform no portion of the Work for which the Contract Documents require submittal and review of Shop Drawings, Product Data, Samples or similar submittals until the respective submittal has been approved by the Architect.

§ 3.12.8 The Work shall be in accordance with approved submittals except that the Contractor shall not be relieved of responsibility for deviations from requirements of the Contract Documents by the Architect's approval of Shop Drawings, Product Data, Samples or similar submittals unless the Contractor has specifically informed the Architect in writing of such deviation at the time of submittal and (1) the Architect has given written approval to the specific deviation as a minor change in the Work, or (2) a Change Order or Construction Change Directive has been issued authorizing the deviation. The Contractor shall not be relieved of responsibility for errors or omissions in Shop Drawings, Product Data, Samples or similar submittals by the Architect's approval thereof.

§ 3.12.9 The Contractor shall direct specific attention, in writing or on resubmitted Shop Drawings, Product Data, Samples or similar submittals, to revisions other than those requested by the Architect on previous submittals. In the absence of such written notice, the Architect's approval of a resubmission shall not apply to such revisions.

§ 3.12.10 The Contractor shall not be required to provide professional services that constitute the practice of architecture or engineering unless such services are specifically required by the Contract Documents for a portion of the Work or unless the Contractor needs to provide such services in order to carry out the Contractor's responsibilities for construction means, methods, techniques, sequences and procedures. The Contractor shall not be required to provide professional services in violation of applicable law. If professional design services or certifications by a design professional related to systems, materials or equipment are specifically required of the Contractor by the Contract Documents, the Owner and the Architect will specify all performance and design criteria that such services must satisfy. The Contractor shall cause such services or certifications to be provided by a properly licensed design professional, whose signature and seal shall appear on all drawings, calculations, specifications, certifications, Shop Drawings and other submittals prepared by such professional. Shop Drawings and other submittals related to the Work designed or certified by such professional, if prepared by others, shall bear such professional's written approval when submitted to the Architect. The Owner and the Architect shall be entitled to rely upon the adequacy, accuracy and completeness of the services, certifications and approvals performed or provided by such design professionals, provided the Owner and Architect have specified to the Contractor all performance and design criteria that such services must satisfy. Pursuant to this Section 3.12.10, the Architect will review, approve or take other appropriate action on submittals only for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. The Contractor shall not be responsible for the adequacy of the performance and design criteria specified in the Contract Documents.

§ 3.12.11 Shop drawings for Architectural, Structural, Mechanical and Electrical work shall be submitted for approval to the Architect.

§ 3.12.12 The Contractor shall assemble for the Architect's approval three complete copies in looseleaf binders of all operating and maintenance data from all manufacturers whose equipment is or will be installed in the Work. The Contractor shall also prepare a checklist and schedule showing the type of lubricant to be used at each point of application, and the intervals between lubrication for each item of equipment.

§ 3.12.13 The Contractor shall submit to Owner one copy of all submissions made to the Architect pursuant to this Paragraph 3.12.

§ 3.13 USE OF SITE

§ 3.13.1 The Contractor shall confine operations at the site to areas permitted by applicable laws, statutes, ordinances, codes, rules and regulations, and lawful orders of public authorities and the Contract Documents and shall not unreasonably encumber the site with materials or equipment.

§ 3.13.2 The Contractor shall assure free, convenient, unencumbered and direct access to properties neighboring the Project site for the owners of such properties and their respective tenants, agents, invitees and guests.

§ 3.14 CUTTING AND PATCHING

§ 3.14.1 The Contractor shall be responsible for cutting, fitting or patching required to complete the Work or to make its parts fit together properly. All areas requiring cutting, fitting and patching shall be restored to the condition existing prior to the cutting, fitting and patching, unless otherwise required by the Contract Documents.

§ 3.14.2 The Contractor shall not damage or endanger a portion of the Work or fully or partially completed construction of the Owner or separate contractors by cutting, patching or otherwise altering such construction, or by excavation. The Contractor shall not cut or otherwise alter such construction by the Owner or a separate contractor except with written consent of the Owner and of such separate contractor; such consent shall not be unreasonably withheld. The Contractor shall not unreasonably withhold from the Owner or a separate contractor the Contractor's consent to cutting or otherwise altering the Work.

§ 3.15 CLEANING UP

§ 3.15.1 The Contractor shall keep the premises and surrounding area free from accumulation of waste materials or rubbish caused by operations under the Contract. At completion of the Work, the Contractor shall remove waste materials, rubbish, the Contractor's tools, construction equipment, machinery and surplus materials from and about the Project.

§ 3.15.2 If the Contractor fails to clean up as provided in the Contract Documents, the Owner may do so and Owner shall be entitled to reimbursement from the Contractor.

§ 3.15.3 The Contractor shall be responsible for broken and scratched glass, which finished product does not meet industry standards ("damaged glass"). At the completion of the Work, Contractor shall replace such damaged glass. After damaged glass has been replaced, the Contractor shall remove all labels, wash and polish both sides of all glass.

In addition to general broom cleaning, the Contractor shall perform the following final cleaning for all trades at completion of the Work:

- .1 remove temporary protections;
- .2 remove marks, stains, fingerprints and other soil or dirt from painted, decorated and natural-finished woodwork and other Work;
- .3 remove spots, plaster, soil and paint from ceramic tile, marble and other finished materials, and wash or wipe clean;
- .4 clean fixtures, cabinet work and equipment, removing stains, paint, dirt and dust, and leave same in undamaged, new condition;
- .5 clean aluminum in accordance with recommendations of the manufacturer; and,
- .6 clean resilient floors thoroughly with a well rinsed mop containing only enough moisture to clean off any surface dirt or dust and buff dry by machine to bring the surfaces to sheen.

§ 3.16 ACCESS TO WORK

The Contractor shall provide the Owner and Architect access to the Work in preparation and progress wherever located.

§ 3.17 ROYALTIES, PATENTS AND COPYRIGHTS

The Contractor shall pay all royalties and license fees. The Contractor shall defend suits or claims for infringement of copyrights and patent rights and shall hold the Owner and Architect harmless from loss on account thereof, but shall not be responsible for such defense or loss when a particular design, process or product of a particular manufacturer or manufacturers is required by the Contract Documents, or where the copyright violations are contained in Drawings, Specifications or Instruments of Service prepared by the Owner or Architect. However, if the Contractor has reason to believe that the required design, process or product is an infringement of a copyright or a patent, the Contractor shall be responsible for such loss unless such information is promptly furnished to the Architect.

§ 3.18 INDEMNIFICATION

§ 3.18.1 To the fullest extent permitted by law the Contractor shall defend, indemnify and hold harmless the Owner, Architect, Architect's consultants, and agents and employees of any of them from and against claims, damages, losses

Init.

and expenses, including but not limited to attorneys' fees, arising out of or resulting from performance of the Work, provided that such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property (other than the Work itself), but only to the extent caused by the negligent acts or omissions of the Contractor, a Subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, regardless of whether or not such claim, damage, loss or expense is caused in part by a party indemnified hereunder. Such obligation shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity which would otherwise exist as to a party or person described in this Section 3.18.

§ 3.18.2 In claims against any person or entity indemnified under this Section 3.18 by an employee of the Contractor, a Subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable, the indemnification obligation under Section 3.18.1 shall not be limited by a limitation on amount or type of damages, compensation or benefits payable by or for the Contractor or a Subcontractor under workers' compensation acts, disability benefit acts or other employee benefit acts.

§ 3.18.3 If any of the indemnification provisions recited in this Agreement and/or these General Conditions are deemed to fall within the provisions of the indemnity statutes of the state where the project is located, then the extent of indemnification for each of those provisions under this Agreement and/or these General Conditions shall each be limited to the sum of \$1,000,000. It is further acknowledged and agreed that this provision is hereby incorporated into and shall constitute part of the project specifications and bid documents. The parties further agree that \$1,000.00 of the Contract Sum shall constitute consideration for the indemnity obligation set forth herein.

§ 3.19

§ 3.19.1 The Contractor shall provide all documents, reports and other information requested by any lender, escrowee under any construction loan escrow or title insurer and shall cooperate with such lender, escrowee or insurer to the fullest extent possible.

§ 3.19.2 If Owner's lender shall designate an inspecting architect or other representative, the Contractor shall cooperate with such inspecting architect or representative to the fullest extent possible.

ARTICLE 4 ARCHITECT

§ 4.1 GENERAL

§ 4.1.1 If an Architect is identified on page one of this Agreement, Article 4 shall apply. The Architect is the person lawfully licensed to practice architecture. The term "Architect" means the Architect or the Architect's authorized representative.

§ 4.1.2 Duties, responsibilities and limitations of authority of the Architect as set forth in the Contract Documents shall not be restricted, modified or extended without written consent of the Owner, Contractor and Architect. Consent shall not be unreasonably withheld.

§ 4.1.3 If the employment of the Architect is terminated, the Owner shall employ a successor architect.

§ 4.2 ADMINISTRATION OF THE CONTRACT

§ 4.2.1 The Architect will provide administration of the Contract as described in the Contract Documents and will be an Owner's representative during construction until the date the Architect issues the final Certificate For Payment. The Architect will have authority to act on behalf of the Owner only to the extent provided in the Contract Documents.

§ 4.2.2 The Architect will visit the site at intervals appropriate to the stage of construction, or as otherwise agreed with the Owner, to become generally familiar with the progress and quality of the portion of the Work completed, and to determine in general if the Work observed is being performed in a manner indicating that the Work, when fully completed, will be in accordance with the Contract Documents. However, the Architect will not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the Work. The Architect will not have control over, charge of, or responsibility for, the construction means, methods, techniques, sequences or procedures, or for the safety precautions and programs in connection with the Work, since these are solely the Contractor's rights and responsibilities under the Contract Documents, except as provided in Section 3.3.1.

§ 4.2.3 On the basis of the site visits, the Architect will keep the Owner reasonably informed about the progress and quality of the portion of the Work completed, and report to the Owner (1) deviations from the Contract Documents and

from the most recent construction schedule submitted by the Contractor, and (2) defects and deficiencies in the Work. The Architect will not be responsible for the Contractor's failure to perform the Work in accordance with the requirements of the Contract Documents. The Architect will not have control over or charge of and will not be responsible for acts or omissions of the Contractor, Subcontractors, or their agents or employees, or any other persons or entities performing portions of the Work.

§ 4.2.4 COMMUNICATIONS FACILITATING CONTRACT ADMINISTRATION

Except as otherwise provided in the Contract Documents or when direct communications have been specially authorized, the Owner and Contractor shall endeavor to communicate with each other through the Architect about matters arising out of or relating to the Contract. Communications by and with the Architect's consultants shall be through the Architect. Communications by and with Subcontractors and material suppliers shall be through the Contractor. Communications by and with separate contractors shall be through the Owner.

§ 4.2.5 Based on the Architect's evaluations of the Contractor's Applications for Payment, the Architect will review and certify the amounts due the Contractor and will issue Certificates for Payment in such amounts.

§ 4.2.6 The Architect has authority to reject Work that does not conform to the Contract Documents. Whenever the Architect considers it necessary or advisable, the Architect will have authority to require inspection or testing of the Work in accordance with Sections 13.5.2 and 13.5.3, whether or not such Work is fabricated, installed or completed. However, neither this authority of the Architect nor a decision made in good faith either to exercise or not to exercise such authority shall give rise to a duty or responsibility of the Architect to the Contractor, Subcontractors, material and equipment suppliers, their agents or employees, or other persons or entities performing portions of the Work.

§ 4.2.7 The Architect will review and approve, or take other appropriate action upon, the Contractor's submittals such as Shop Drawings, Product Data and Samples, but only for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. The Architect's action will be taken in accordance with the submittal schedule approved by the Architect or, in the absence of an approved submittal schedule, with reasonable promptness while allowing sufficient time in the Architect's professional judgment to permit adequate review. Review of such submittals is not conducted for the purpose of determining the accuracy and completeness of other details such as dimensions and quantities, or for substantiating instructions for installation or performance of equipment or systems, all of which remain the responsibility of the Contractor as required by the Contract Documents. The Architect's review of the Contractor's submittals shall not relieve the Contractor of the obligations under Sections 3.3, 3.5 and 3.12. The Architect's review shall not constitute approval of safety precautions or, unless otherwise specifically stated by the Architect, of any construction means, methods, techniques, sequences or procedures. The Architect's approval of a specific item shall not indicate approval of an assembly of which the item is a component.

§ 4.2.8 The Architect will prepare Change Orders and Construction Change Directives, and may authorize minor changes in the Work as provided in Section 7.4. The Architect will investigate and make determinations and recommendations regarding concealed and unknown conditions as provided in Section 3.7.4.

§ 4.2.9 The Architect will conduct inspections to determine the date or dates of Substantial Completion and the date of final completion; issue Certificates of Substantial Completion pursuant to Section 9.8; receive and forward to the Owner, for the Owner's review and records, written warranties and related documents required by the Contract and assembled by the Contractor pursuant to Section 9.10; and issue a final Certificate for Payment pursuant to Section 9.10.

§ 4.2.10 If the Owner and Architect agree, the Architect will provide one or more project representatives to assist in carrying out the Architect's responsibilities at the site. The duties, responsibilities and limitations of authority of such project representatives shall be as set forth in an exhibit to be incorporated in the Contract Documents.

§ 4.2.11 The Architect will interpret and decide matters concerning performance under, and requirements of, the Contract Documents on written request of either the Owner or Contractor. The Architect's response to such requests will be made in writing within any time limits agreed upon or otherwise with reasonable promptness.

§ 4.2.12 Interpretations and decisions of the Architect will be consistent with the intent of, and reasonably inferable from, the Contract Documents and will be in writing or in the form of drawings. When making such interpretations and

decisions, the Architect will endeavor to secure faithful performance by both Owner and Contractor, will not show partiality to either and will not be liable for results of interpretations or decisions rendered in good faith.

§ 4.2.13 The Architect's decisions on matters relating to aesthetic effect will be final if consistent with the intent expressed in the Contract Documents.

§ 4.2.14 The Architect will review and respond to requests for information about the Contract Documents. The Architect's response to such requests will be made in writing within any time limits agreed upon or otherwise with reasonable promptness. If appropriate, the Architect will prepare and issue supplemental Drawings and Specifications in response to the requests for information.

§ 4.2.15 Upon request of the Owner, claims, disputes and other matters in question relating to the execution or progress of the Work or the interpretation of the Contract Documents may be referred to the Architect for initial decision, which the Architect shall render in writing within a reasonable time, not to exceed 15 days after the date on which such request is made.

ARTICLE 5 SUBCONTRACTORS

§ 5.1 DEFINITIONS

§ 5.1.1 A Subcontractor is a person or entity who has a direct contract with the Contractor to perform a portion of the Work at the site. The term "Subcontractor" is referred to throughout the Contract Documents as if singular in number and means a Subcontractor or an authorized representative of the Subcontractor. The term "Subcontractor" does not include a separate contractor or subcontractors of a separate contractor.

§ 5.1.2 A Sub-subcontractor is a person or entity who has a direct or indirect contract with a Subcontractor to perform a portion of the Work at the site. The term "Sub-subcontractor" is referred to throughout the Contract Documents as if singular in number and means a Sub-subcontractor or an authorized representative of the Sub-subcontractor.

§ 5.2 AWARD OF SUBCONTRACTS AND OTHER CONTRACTS FOR PORTIONS OF THE WORK

§ 5.2.1 Unless otherwise stated in the Contract Documents or the bidding requirements, the Contractor, as soon as practicable after award of the Contract, shall furnish in writing to the Owner through the Architect the names of persons or entities (including those who are to furnish materials or equipment fabricated to a special design) proposed for each principal portion of the Work. The Architect may reply within 14 days to the Contractor in writing stating (1) whether the Owner or the Architect has reasonable objection to any such proposed person or entity or (2) that the Architect requires additional time for review. Failure of the Owner or Architect to reply within the 14 day period shall constitute notice of no reasonable objection. Copies of all bids or other proposals from Subcontractors and Sub-subcontractors shall, upon the request of the Owner, be submitted to the Owner for review. All Subcontractors and Sub-subcontractors shall be subject to the approval of Owner's lender, if any.

§ 5.2.2 The Contractor shall not contract with a proposed person or entity to whom the Owner or Architect has made reasonable and timely objection. The Contractor shall not be required to contract with anyone to whom the Contractor has made reasonable objection.

§ 5.2.3 If the Owner or Architect has reasonable objection to a person or entity proposed by the Contractor, the Contractor shall propose another to whom the Owner or Architect has no reasonable objection. If the proposed but rejected Subcontractor was reasonably capable of performing the Work, the Contract Sum and Contract Time shall be increased or decreased by the difference, if any, occasioned by such change, and an appropriate Change Order shall be issued before commencement of the substitute Subcontractor's Work. However, no increase in the Contract Sum or Contract Time shall be allowed for such change unless the Contractor has acted promptly and responsively in submitting names as required.

§ 5.2.4 The Contractor shall not substitute a Subcontractor, person or entity previously selected if the Owner or Architect makes reasonable objection to such substitution. The Owner may require the Contractor to change any Subcontractor or Sub-subcontractor previously approved and, if at such time the Contractor is not in default hereunder, the Contract Sum shall be increased or decreased by the difference in cost occasioned by such change.

§ 5.3 SUBCONTRACTUAL RELATIONS

§ 5.3.1 By appropriate agreement, written where legally required for validity, the Contractor shall require each Subcontractor, to the extent of the Work to be performed by the Subcontractor, to be bound to the Contractor by terms of the Contract Documents, and to assume toward the Contractor all the obligations and responsibilities, including the responsibility for safety of the Subcontractor's Work, which the Contractor, by these Documents, assumes toward the Owner and Architect. Each subcontract agreement shall preserve and protect the rights of the Owner and Architect under the Contract Documents with respect to the Work to be performed by the Subcontractor so that subcontracting thereof will not prejudice such rights, and shall allow to the Subcontractor, unless specifically provided otherwise in the subcontract agreement, the benefit of all rights, remedies and redress against the Contractor that the Contractor, by the Contract Documents, has against the Owner. Where appropriate, the Contractor shall require each Subcontractor to enter into similar agreements with Sub-subcontractors. The Contractor shall make available to each proposed Subcontractor, prior to the execution of the subcontract agreement, copies of the Contract Documents to which the Subcontractor will be bound, and, upon written request of the Subcontractor, identify to the Subcontractor terms and conditions of the proposed subcontract agreement that may be at variance with the Contract Documents. Subcontractors will similarly make copies of applicable portions of such documents available to their respective proposed Sub-subcontractors.

§ 5.3.2 Notwithstanding any provision of Subparagraph 5.3.1, any part of the Work performed for the Contractor by a Subcontractor or its Sub-subcontractor shall be pursuant to a written Subcontract between the Contractor and such Subcontractor, which shall be prepared on a form of subcontract satisfactory to the Owner in all respects. Each such subcontract shall, where the context so requires, contain provisions that:

- .1 require that such Work be performed in accordance with the requirements of the Contract Documents;
- .2 waive all rights the contracting parties may have against one another or that the Subcontractor may have against the Owner for damages caused by fire or other perils covered by the Contractor's insurance described in the Contract Documents;
- .3 require the Subcontractor to carry and maintain insurance coverage in accordance with the Contract Documents, and to file certificates of such coverage with the Contractor;
- .4 require the Subcontractor to submit certificates and waivers of liens for work completed by it and by its Sub-subcontractors as a condition to the disbursement of the progress payment next due and owing;
- .5 require submission to Contractor or Subcontractor, as the case may be, of applications for payment in a form approved by the Owner;
- .6 report, so far as practicable, unit prices and any other feasible formula for use in the determination of costs of changes in the Work;
- .7 require each Subcontractor to furnish to the Contractor in a timely fashion all information necessary for the preparation and submission of the reports required herein;
- .8 require that each Subcontractor continue to perform under its subcontract in the event the Contract is terminated and the Owner shall take an assignment of said subcontract and request such Subcontractor to continue such performance;
- .9 require each Subcontractor to remove all debris created by its activities; and,
- .10 require each Subcontractor to represent that it is an equal opportunity employer as described in state statutes and local ordinances.

§ 5.3.3 The Contractor shall not enter into any subcontract, contract, agreement, purchase order or other arrangement ("Arrangement") for the furnishing of any portion of the materials, services, equipment of Work with any party or entity if such party or entity is an Affiliated Entity (as defined below), unless such Arrangement has been approved by the Owner, after full disclosure in writing by the Contractor to the Owner of such affiliation or relationship and all details relating to the proposed Arrangement. The term "Affiliated Entity" means any entity related to or affiliated with the Contractor or with respect to which the Contractor has direct or indirect ownership or control, including, without limitation, any entity owned in whole or part by the Contractor; any holder of more than 10% of the issued and outstanding shares of, or the holder of any interest in, the Contractor; any entity in which any officer, director, employee, partner or shareholder (or member of the family of any of the foregoing persons) of the Contractor or any entity owned by the Contractor has a direct or indirect interest, which interest includes, but is not limited to, that of a partner, employee, agent or shareholder.

§ 5.4 CONTINGENT ASSIGNMENT OF SUBCONTRACTS

§ 5.4.1 Each subcontract agreement for a portion of the Work is assigned by the Contractor to the Owner, provided that

- .1 assignment is effective only after termination of the Contract by the Owner for cause pursuant to Section 14.2 and only for those subcontract agreements that the Owner accepts by notifying the Subcontractor and Contractor in writing; and
- .2 assignment is subject to the prior rights of the surety, if any, obligated under bond relating to the Contract.

When the Owner accepts the assignment of a subcontract agreement, the Owner assumes the Contractor's rights and obligations under the subcontract.

§ 5.4.2 Upon such assignment, if the Work has been suspended for more than 30 days, the Subcontractor's compensation shall be equitably adjusted for increases in cost resulting from the suspension.

§ 5.4.3 Upon such assignment to the Owner under this Section 5.4, the Owner may further assign the subcontract to a successor contractor or other entity. If the Owner assigns the subcontract to a successor contractor or other entity, the Owner shall nevertheless remain legally responsible for all of the successor contractor's obligations under the subcontract.

ARTICLE 6 CONSTRUCTION BY OWNER OR BY SEPARATE CONTRACTORS

§ 6.1 OWNER'S RIGHT TO PERFORM CONSTRUCTION AND TO AWARD SEPARATE CONTRACTS

§ 6.1.1 The Owner reserves the right to perform construction or operations related to the Project with the Owner's own forces, and to award separate contracts in connection with other portions of the Project or other construction or operations on the site under Conditions of the Contract identical or substantially similar to these including those portions related to insurance and waiver of subrogation.

§ 6.1.2 When separate contracts are awarded for different portions of the Project or other construction or operations on the site, the term "Contractor" in the Contract Documents in each case shall mean the Contractor who executes each separate Owner-Contractor Agreement.

§ 6.1.3 The Owner, at its option, shall either (i) provide for coordination of the activities of the Owner's own forces and of each separate contractor with the Work of the Contractor, who shall cooperate with them or (ii) shall require that the Contractor provide for such coordination, which the Contractor shall perform when directed by Owner to do so. The Contractor shall participate with other separate contractors and the Owner in reviewing their construction schedules. The Contractor shall make any revisions to the construction schedule deemed necessary after a joint review and mutual agreement. The construction schedules shall then constitute the schedules to be used by the Contractor, separate contractors and the Owner until subsequently revised.

§ 6.1.4 Unless otherwise provided in the Contract Documents, when the Owner performs construction or operations related to the Project with the Owner's own forces, the Owner shall be deemed to be subject to the same obligations and to have the same rights that apply to the Contractor under the Conditions of the Contract, including, without excluding others, those stated in Article 3, this Article 6 and Articles 10, 11 and 12.

§ 6.2 MUTUAL RESPONSIBILITY

§ 6.2.1 The Contractor shall afford the Owner and separate contractors reasonable opportunity for introduction and storage of their materials and equipment and performance of their activities, and shall connect and coordinate the Contractor's construction and operations with theirs as required by the Contract Documents.

§ 6.2.2 If part of the Contractor's Work depends for proper execution or results upon construction or operations by the Owner or a separate contractor, the Contractor shall, prior to proceeding with that portion of the Work, promptly report to the Architect apparent discrepancies or defects in such other construction that would render it unsuitable for such proper execution and results. Failure of the Contractor so to report shall constitute an acknowledgment that the Owner's or separate contractor's completed or partially completed construction is fit and proper to receive the Contractor's Work, except as to defects not then reasonably discoverable.

§ 6.2.3 The Contractor shall reimburse the Owner for costs the Owner incurs that are payable to a separate contractor because of the Contractor's delays, improperly timed activities or defective construction. The Owner shall be responsible to the Contractor for costs the Contractor incurs because of a separate contractor's delays, improperly timed activities, damage to the Work or defective construction.

§ 6.2.4 The Contractor shall promptly remedy damage the Contractor wrongfully causes to completed or partially completed construction or to property of the Owner or separate contractors as provided in Section 10.2.5.

§ 6.2.5 The Owner and each separate contractor shall have the same responsibilities for cutting and patching as are described for the Contractor in Section 3.14.

§ 6.2.6 If any Subcontractor initiates legal or any other proceedings against the Owner on account of any damage alleged to have been caused by the Contractor, the Owner shall notify the Contractor, who shall defend such proceedings at its own expense, and if any judgment or award against the Owner arises therefrom, the Contractor shall pay or satisfy it and shall reimburse the Owner for all attorneys' fees and court or other costs which the Owner has incurred over and above those paid for directly by the Contractor.

§ 6.3 OWNER'S RIGHT TO CLEAN UP

If a dispute arises among the Contractor, separate contractors and the Owner as to the responsibility under their respective contracts for maintaining the premises and surrounding area free from waste materials and rubbish, the Owner may clean up and the Architect will allocate the cost among those responsible.

ARTICLE 7 CHANGES IN THE WORK

§ 7.1 GENERAL

§ 7.1.1 Changes in the Work may be accomplished after execution of the Contract, and without invalidating the Contract, by Change Order, Construction Change Directive or order for a minor change in the Work, subject to the limitations stated in this Article 7 and elsewhere in the Contract Documents.

§ 7.1.2 A Change Order shall be based upon agreement among the Owner, Contractor and Architect; a Construction Change Directive requires agreement by the Owner and Architect and may or may not be agreed to by the Contractor; an order for a minor change in the Work may be issued by the Architect alone.

§ 7.1.3 Changes in the Work shall be performed under applicable provisions of the Contract Documents, and the Contractor shall proceed promptly, unless otherwise provided in the Change Order, Construction Change Directive or order for a minor change in the Work.

§ 7.2 CHANGE ORDERS

§ 7.2.1 A Change Order is a written instrument prepared by the Architect and signed by the Owner, Contractor and Architect stating their agreement upon all of the following:

- .1 The change in the Work;
- .2 The amount of the adjustment, if any, in the Contract Sum; and
- .3 The extent of the adjustment, if any, in the Contract Time.

§ 7.3 CONSTRUCTION CHANGE DIRECTIVES

§ 7.3.1 A Construction Change Directive is a written order prepared by the Architect and signed by the Owner and Architect, directing a change in the Work prior to agreement on adjustment, if any, in the Contract Sum or Contract Time, or both. The Owner may by Construction Change Directive, without invalidating the Contract, order changes in the Work within the general scope of the Contract consisting of additions, deletions or other revisions, the Contract Sum and Contract Time being adjusted accordingly.

§ 7.3.2 A Construction Change Directive shall be used in the absence of total agreement on the terms of a Change Order.

§ 7.3.3 If the Construction Change Directive provides for an adjustment to the Contract Sum, the adjustment shall be based on one of the following methods:

- .1 Mutual acceptance of a lump sum properly itemized and supported by sufficient substantiating data to permit evaluation;
- .2 Unit prices stated in the Contract Documents or subsequently agreed upon;
- .3 Cost to be determined in a manner agreed upon by the parties and a mutually acceptable fixed or percentage fee; or
- .4 As provided in Section 7.3.7.

§ 7.3.4 If unit prices are stated in the Contract Documents or subsequently agreed upon, and if quantities originally contemplated are materially changed in a proposed Change Order or Construction Change Directive so that application of such unit prices to quantities of Work proposed will cause substantial inequity to the Owner or Contractor, the applicable unit prices shall be equitably adjusted.

§ 7.3.5 Upon receipt of a Construction Change Directive, the Contractor shall promptly proceed with the change in the Work involved and advise the Architect of the Contractor's agreement or disagreement with the method, if any, provided in the Construction Change Directive for determining the proposed adjustment in the Contract Sum or Contract Time.

§ 7.3.6 A Construction Change Directive signed by the Contractor indicates the Contractor's agreement therewith, including adjustment in Contract Sum and Contract Time or the method for determining them. Such agreement shall be effective immediately and shall be recorded as a Change Order.

§ 7.3.7 If the Contractor does not respond promptly or disagrees with the method for adjustment in the Contract Sum, the Architect shall determine the method and the adjustment on the basis of reasonable expenditures and savings of those performing the Work attributable to the change, including, in case of an increase in the Contract Sum, an amount for overhead and profit as set forth in the Agreement, or if no such amount is set forth in the Agreement, a reasonable amount. In such case, and also under Section 7.3.3.3, the Contractor shall keep and present, in such form as the Architect may prescribe, an itemized accounting together with appropriate supporting data. Unless otherwise provided in the Contract Documents, costs for the purposes of this Section 7.3.7 shall be limited to the following:

- .1 Costs of labor, including social security, old age and unemployment insurance, fringe benefits required by agreement or custom, and workers' compensation insurance;
- .2 Costs of materials, supplies and equipment, including cost of transportation, whether incorporated or consumed;
- .3 Rental costs of machinery and equipment, exclusive of hand tools, whether rented from the Contractor or others;
- .4 Costs of premiums for all bonds and insurance, permit fees, and sales, use or similar taxes related to the Work; and
- .5 Additional costs of supervision and field office personnel directly attributable to the change.

§ 7.3.8 The amount of credit to be allowed by the Contractor to the Owner for a deletion or change that results in a net decrease in the Contract Sum shall be actual net cost as confirmed by the Architect. When both additions and credits covering related Work or substitutions are involved in a change, the allowance for overhead and profit shall be figured on the basis of net increase, if any, with respect to that change.

§ 7.3.9 Pending final determination of the total cost of a Construction Change Directive to the Owner, the Contractor may request payment for Work completed under the Construction Change Directive in Applications for Payment. The

Architect will make an interim determination for purposes of monthly certification for payment for those costs and certify for payment the amount that the Architect determines, in the Architect's professional judgment, to be reasonably justified. The Architect's interim determination of cost shall adjust the Contract Sum on the same basis as a Change Order, subject to the right of either party to disagree and assert a Claim in accordance with Article 15.

§ 7.3.10 When the Owner and Contractor agree with a determination made by the Architect concerning the adjustments in the Contract Sum and Contract Time, or otherwise reach agreement upon the adjustments, such agreement shall be effective immediately and the Architect will prepare a Change Order. Change Orders may be issued for all or any part of a Construction Change Directive.

§ 7.3.11 When either the Owner or the Contractor or both do not agree with the determination made by the Architect concerning the adjustments in the Contract Sum and Contract Time, such disagreement shall be resolved in the manner prescribed in Paragraph 8.3.

§ 7.4 MINOR CHANGES IN THE WORK

The Architect has authority to order minor changes in the Work not involving adjustment in the Contract Sum or extension of the Contract Time and not inconsistent with the intent of the Contract Documents. Such changes will be effected by written order signed by the Architect and shall be binding on the Owner and Contractor. The Contractor shall receive no additional compensation therefor, nor shall there be any change in the Contract Time as a result thereof.

ARTICLE 8 TIME

§ 8.1 DEFINITIONS

§ 8.1.1 Unless otherwise provided, Contract Time is the period of time, including authorized adjustments, allotted in the Contract Documents for Substantial Completion of the Work.

§ 8.1.2 The date of commencement of the Work is the date established in the Agreement.

§ 8.1.3 The date of Substantial Completion is the date certified by the Architect in accordance with Section 9.8.

§ 8.1.4 The term "day" as used in the Contract Documents shall mean calendar day unless otherwise specifically defined.

§ 8.2 PROGRESS AND COMPLETION

§ 8.2.1 Time limits stated in the Contract Documents are of the essence of the Contract. By executing the Agreement the Contractor confirms that the Contract Time is a reasonable period for performing the Work.

§ 8.2.2 The Contractor shall not knowingly, except by agreement or instruction of the Owner in writing, prematurely commence operations on the site or elsewhere prior to the effective date of insurance required by Article 11 to be furnished by the Contractor and Owner. The date of commencement of the Work shall not be changed by the effective date of such insurance.

§ 8.2.3 The Contractor shall proceed expeditiously with adequate forces and shall achieve Substantial Completion within the Contract Time. To ensure that Substantial Completion of the Work is achieved within the Contract Time, the Contractor will, before commencing the Work, submit to Owner a progress schedule showing milestone dates for completion of major portions of the Work which, if the milestone dates are met, will achieve Substantial Completion of the Work within the Contract Time. In the event any milestone date is missed, the Contractor will immediately accelerate the progress of the Work by taking those steps necessary to ensure that the next milestone date is achieved as originally planned including, without limitation, working seven days a week and overtime and employing additional employees or subcontractors. Unless the failure to meet a milestone date is caused by act of the Owner, the additional cost resulting from such acceleration shall not increase the Contract Sum.

§ 8.3 DELAYS AND EXTENSIONS OF TIME

§ 8.3.1 The Contractor shall delay or suspend the progress of the Work, or of any part thereof, whenever he shall be so required by written order of the Owner, and for such periods of time as the Owner may order, providing that in the event of such delay or delays or of such suspension or suspensions of the progress of the Work, or any part thereof, the Contract Time for the Work so suspended or of Work delayed by such suspension shall be extended for a period

equivalent to the time lost by reason of the suspension(s), except when the Contractor is notified to suspend Work on account of faulty construction or construction methods that endanger the Work. Such order of the Owner shall not otherwise modify or invalidate in any way any of the provisions of this Contract, and the Contractor shall not be entitled to any damages or compensation from the Owner on account of such delay or delays, suspension or suspensions, except as provided below.

§ 8.3.2 When alterations or additions on the critical path are made to the Work, and such alterations or additions increase the overall completion date, the Contractor shall submit to the Architect in writing any resultant claim for an extension in the Contract Time, and shall deliver such claims to the Architect within ten (10) days after the occurrence of the event giving rise to the claim. The recommendation of the Architect regarding extension of Contract Time shall be submitted to the Owner for approval.

Any approved changes in Contract Time shall be incorporated in a Change Order. No changes in Contract Time shall be made for any alterations or additions to the Work which are not demonstrated to affect the overall completion of the job. The provision of this Article shall in no way alter, change or invalidate the provisions of the Contract Documents with respect to liquidated damages. The Contractor shall not be entitled to any delay damages or other compensation solely on account of an increase in Contract Time except in accordance with 8.3.4 below.

§ 8.3.3 Should the Contractor be obstructed or delayed in the commencement, prosecution or completion of any part of the Work by any act or delay of the Owner; or by any acts or neglect by any separate contractor employed by the Owner; material or appurtenances for the Work; or by riot, insurrection, war (excluding wars involving the United States in the Mid-Eastern portion of the World), pestilence, fire, earthquakes, cyclones, floods, epidemics; or through any act, default or delay of other parties under contract with the Owner; then the Contract Time for the Work so delayed shall be extended for a period equivalent to the time lost. Such allowance shall not be made unless a claim for extension of time is made by the Contractor to the Owner and Architect in writing within ten (10) days from the time when the alleged cause for delay occurs.

§ 8.3.4 It is further expressly agreed that the Contractor shall not be entitled to any damages or compensation from the Owner on account of any delays resulting from any of the causes specified above except those circumstances where delays are caused by the Owner or by parties under contract with the Owner, in which circumstances the Contractor shall be entitled to compensation (1) for Contractor's actual costs of increased direct jobsite wages resulting from the extended completion date caused by Owner; and (2) for extra premiums on bonds actually paid by the Contractor on account of the additional time required to complete all Work hereunder. Any change in the Contract Time resulting from any claims for delays shall be incorporated in a signed Change Order upon approval of the change by the Owner.

§ 8.3.5 Contractor expressly assumes the risk for all weather delays of every kind and nature.

ARTICLE 9 PAYMENTS AND COMPLETION

§ 9.1 CONTRACT SUM

The Contract Sum is stated in the Agreement and, including authorized adjustments, is the total amount payable by the Owner to the Contractor for performance of the Work under the Contract Documents.

§ 9.2 SCHEDULE OF VALUES

Where the Contract is based on a stipulated sum or Guaranteed Maximum Price, the Contractor shall submit to the Architect, before the first Application for Payment, a schedule of values allocating the entire Contract Sum to the various portions of the Work and prepared in such form and supported by such data to substantiate its accuracy as the Architect may require. The schedule of values shall be prepared in such a manner that each major item of the Work and each subcontracted item of the Work is shown as a separate line item on AIA Document G703, Application and Certificate for Payment, Continuation Sheet, or other form acceptable to the Architect. This schedule, unless objected to by the Architect, shall be used as a basis for reviewing the Contractor's Applications for Payment.

§ 9.3 APPLICATIONS FOR PAYMENT

§ 9.3.1 At least ten days before the date established for each progress payment, the Contractor shall submit to the Architect an itemized Application for Payment prepared in accordance with the schedule of values, if required under Section 9.2., for completed portions of the Work. Such application shall be notarized, if required, and supported by such data substantiating the Contractor's right to payment as the Owner or Architect may require, such as copies of

requisitions from Subcontractors and material suppliers, and shall reflect retainage if provided for in the Contract Documents. Such Application for Payment shall be certified as correct by Contractor and shall be accompanied by waivers of liens and other documentation from Subcontractors and Sub-subcontractors as reasonably may be required by the Owner or Owner's lender, if any, under its Loan agreement with Owner or title insurer. In addition, such Application for Payment shall contain a certification by the Contractor that there are no written claims of construction, mechanics' or materialmen's liens submitted to the Contractor at the date of such Application for Payment, that the Contractor has no knowledge of any filed construction, mechanics' or materialmen's liens with respect to the Work, that all due and payable bills with respect to the Work have been paid to date or shall be paid from the proceeds of such Application for Payment, that there is no known basis for the filing of any construction, mechanics' or materialmen's liens on the Work, and that waivers from all Subcontractors constitute an effective waiver of lien under the laws of the jurisdiction in which the Project is located to the extent of payments that have been made or are to be made concurrently with payment pursuant to such Application for Payment. Upon request by Owner, copies of all Applications for Payment shall be submitted by Contractor directly to Owner's lender for the Project.

§ 9.3.1.1 As provided in Section 7.3.9, such applications may include requests for payment on account of changes in the Work that have been properly authorized by Construction Change Directives, or by interim determinations of the Architect, but not yet included in Change Orders.

§ 9.3.1.2 Applications for Payment shall not include requests for payment for portions of the Work for which the Contractor does not intend to pay a Subcontractor or material supplier, unless such Work has been performed by others whom the Contractor intends to pay.

§ 9.3.2 Unless otherwise provided in the Contract Documents, payments shall be made on account of materials and equipment delivered and suitably stored at the site for subsequent incorporation in the Work. If approved in advance by the Owner, payment may similarly be made for materials and equipment suitably stored off the site at a location agreed upon in writing. Payment for materials and equipment stored on or off the site shall be conditioned upon compliance by the Contractor with procedures satisfactory to the Owner to establish the Owner's title to such materials and equipment or otherwise protect the Owner's interest, and shall include the costs of applicable insurance, storage and transportation to the site for such materials and equipment stored off the site. The Contractor shall submit, within 30 days after the date of commencement of the Work and thereafter as the Owner requires, schedules of materials and equipment for each category or subcontract for which application for payment under Subparagraph 9.3.2 will be made, which schedules shall include items, quantities, value of unit prices with extensions and the month in which Application for Payment with respect thereto is expected to occur. Schedules shall be updated on a monthly basis and submitted as an attachment to the Contractor's Application for Payment.

§ 9.3.3 The Contractor warrants that title to all Work covered by an Application for Payment will pass to the Owner no later than the time of payment. The Contractor further warrants that upon submittal of an Application for Payment all Work for which Certificates for Payment have been previously issued and payments received from the Owner shall, to the best of the Contractor's knowledge, information and belief, be free and clear of liens, claims, security interests or encumbrances in favor of the Contractor, Subcontractors, material suppliers, or other persons or entities making a claim by reason of having provided labor, materials and equipment relating to the Work.

§ 9.4 CERTIFICATES FOR PAYMENT

§ 9.4.1 The Architect will, within seven days after receipt of the Contractor's Application for Payment, either issue to the Owner a Certificate for Payment, with a copy to the Contractor, for such amount as the Architect determines is properly due, or notify the Contractor and Owner in writing of the Architect's reasons for withholding certification in whole or in part as provided in Section 9.5.1.

§ 9.4.2 The issuance of a Certificate for Payment will constitute a representation by the Architect to the Owner, based on the Architect's evaluation of the Work and the data comprising the Application for Payment, that, to the best of the Architect's knowledge, information and belief, the Work has progressed to the point indicated and that the quality of the Work is in accordance with the Contract Documents. The foregoing representations are subject to an evaluation of the Work for conformance with the Contract Documents upon Substantial Completion, to results of subsequent tests and inspections, to correction of minor deviations from the Contract Documents prior to completion and to specific qualifications expressed by the Architect. The issuance of a Certificate for Payment will further constitute a representation that the Contractor is entitled to payment in the amount certified. However, the issuance of a Certificate for Payment will not be a representation that the Architect has (1) made exhaustive or continuous on-site inspections to

check the quality or quantity of the Work, (2) reviewed construction means, methods, techniques, sequences or procedures, (3) reviewed copies of requisitions received from Subcontractors and material suppliers and other data requested by the Owner to substantiate the Contractor's right to payment, or (4) made examination to ascertain how or for what purpose the Contractor has used money previously paid on account of the Contract Sum.

§ 9.5 DECISIONS TO WITHHOLD CERTIFICATION

§ 9.5.1 The Architect may withhold a Certificate for Payment in whole or in part, to the extent reasonably necessary to protect the Owner, if in the Architect's opinion the representations to the Owner required by Section 9.4.2 cannot be made. If the Architect is unable to certify payment in the amount of the Application, the Architect will notify the Contractor and Owner as provided in Section 9.4.1. If the Contractor and Architect cannot agree on a revised amount, the Architect will promptly issue a Certificate for Payment for the amount for which the Architect is able to make such representations to the Owner. The Architect may also withhold a Certificate for Payment or, because of subsequently discovered evidence, may nullify the whole or a part of a Certificate for Payment previously issued, to such extent as may be necessary in the Architect's opinion to protect the Owner from loss for which the Contractor is responsible, including loss resulting from acts and omissions described in Section 3.3.2, because of

- .1 defective Work not remedied;
- .2 third party claims filed or reasonable evidence indicating probable filing of such claims unless security acceptable to the Owner is provided by the Contractor;
- .3 failure of the Contractor to make payments properly to Subcontractors or for labor, materials or equipment;
- .4 reasonable evidence that the Work cannot be completed for the unpaid balance of the Contract Sum;
- .5 damage to the Owner or a separate contractor;
- .6 reasonable evidence that the Work will not be completed within the Contract Time, and that the unpaid balance would not be adequate to cover actual or liquidated damages for the anticipated delay; or
- .7 repeated failure to carry out the Work in accordance with the Contract Documents.

§ 9.5.2 When the above reasons for withholding certification are removed, certification will be made for amounts previously withheld.

§ 9.5.3 If the Architect withholds certification for payment under Section 9.5.1.3, the Owner may, at its sole option, issue joint checks to the Contractor and to any Subcontractor or material or equipment suppliers to whom the Contractor failed to make payment for Work properly performed or material or equipment suitably delivered. If the Owner makes payments by joint check, the Owner shall notify the Architect and the Architect will reflect such payment on the next Certificate for Payment.

§ 9.5.4 If the Contractor disputes any determination by the Architect with respect to any Certificate of Payment, the Contractor nevertheless expeditiously shall continue to prosecute the Work.

§ 9.6 PROGRESS PAYMENTS

§ 9.6.1 Contractor shall provide to the Owner fully executed *Waiver and Partial Release from Contractor, Waiver and Partial Releases from Contractor's Subcontractors, Sub-subcontractors, suppliers and materialmen or any party with lien rights, and Contractor's Affidavit of Outstanding Accounts* at the time each Application for Payment is submitted. After the Architect has issued a Certificate for Payment, the Owner shall make payment in the manner and within the time provided in the Contract Documents, and shall so notify the Architect. Copies of the required *Waiver and Partial Release from Contractor, Waiver and Partial Releases from Contractor's Subcontractors, Sub-subcontractors, suppliers and materialmen or any party with lien rights, and Contractor's Affidavit of Outstanding Accounts* shall be set forth in an exhibit to be incorporated in the Contract Documents.

§ 9.6.2 The Contractor shall pay each Subcontractor no later than seven days after receipt of payment from the Owner the amount to which the Subcontractor is entitled, reflecting percentages actually retained from payments to the Contractor on account of the Subcontractor's portion of the Work. The Contractor shall, by appropriate agreement with each Subcontractor, require each Subcontractor to make payments to Sub-subcontractors in a similar manner. If required by the Owner or its lender, if any, within five days of receipt of payment from the Owner, the Contractor shall send to the Owner copies of checks paid for all items of the Contractor's costs listed in the Application for Payment that were not paid prior to the date on which the Application for Payment was submitted.

§ 9.6.3 The Architect will, on request, furnish to a Subcontractor, if practicable, information regarding percentages of completion or amounts applied for by the Contractor and action taken thereon by the Architect and Owner on account of portions of the Work done by such Subcontractor.

§ 9.6.4 The Owner has the right to request written evidence from the Contractor that the Contractor has properly paid Subcontractors and material and equipment suppliers amounts paid by the Owner to the Contractor for subcontracted Work. If the Contractor fails to furnish such evidence within seven days, the Owner shall have the right to contact Subcontractors to ascertain whether they have been properly paid. Neither the Owner nor Architect shall have an obligation to pay or to see to the payment of money to a Subcontractor, except as may otherwise be required by law.

§ 9.6.5 Contractor payments to material and equipment suppliers shall be treated in a manner similar to that provided in Sections 9.6.2, 9.6.3 and 9.6.4.

§ 9.6.6 A Certificate for Payment, a progress payment, or partial or entire use or occupancy of the Project by the Owner shall not constitute acceptance of Work not in accordance with the Contract Documents.

§ 9.6.7 Unless the Contractor provides the Owner with a payment bond in the full penal sum of the Contract Sum, payments received by the Contractor for Work properly performed by Subcontractors and suppliers shall be held by the Contractor for those Subcontractors or suppliers who performed Work or furnished materials, or both, under contract with the Contractor for which payment was made by the Owner.

§ 9.7 FAILURE OF PAYMENT

If the Owner does not pay the Contractor within seven days after the date established in the Contract Documents the amount certified by the Architect, then the Contractor may, upon seven additional days' written notice to the Owner and Architect, stop the Work until payment of the amount not in dispute has been received. The Contract Time shall be extended appropriately and the Contract Sum shall be increased by the amount of the Contractor's reasonable costs of shut-down and start-up, plus interest as provided for in the Contract Documents. Notwithstanding the preceding sentence, the Contractor shall not stop the Work during the pendency of a bona fide dispute between the Owner and the Contractor, provided all sums not in dispute claimed by the Contractor are paid.

§ 9.8 SUBSTANTIAL COMPLETION

§ 9.8.1 Substantial Completion is the stage in the progress of the Work when the Work or designated portion thereof is sufficiently complete in accordance with the Contract Documents so that the Owner can occupy or utilize the Work for its intended use.

§ 9.8.2 When the Contractor considers that the Work, or a portion thereof which the Owner agrees to accept separately, is substantially complete, the Contractor shall prepare and submit to the Architect a comprehensive list of items to be completed or corrected prior to final payment. Failure to include an item on such list does not alter the responsibility of the Contractor to complete all Work in accordance with the Contract Documents.

§ 9.8.3 Upon receipt of the Contractor's list, the Architect will make an inspection to determine whether the Work or designated portion thereof is substantially complete. If the Architect's inspection discloses any item, whether or not included on the Contractor's list, which is not sufficiently complete in accordance with the Contract Documents so that the Owner can occupy or utilize the Work or designated portion thereof for its intended use, the Contractor shall, before issuance of the Certificate of Substantial Completion, complete or correct such item upon notification by the Architect. In such case, the Contractor shall then submit a request for another inspection by the Architect to determine Substantial Completion.

§ 9.8.4 When the Work or designated portion thereof is substantially complete, the Architect will prepare a Certificate of Substantial Completion that shall establish the date of Substantial Completion, shall establish responsibilities of the Owner and Contractor for security, maintenance, heat, utilities, damage to the Work and insurance, and shall fix the time within which the Contractor shall finish all items on the list accompanying the Certificate. Warranties required by the Contract Documents shall commence on the date of Substantial Completion of the Work or designated portion thereof unless otherwise provided in the Certificate of Substantial Completion.

§ 9.8.5 The Certificate of Substantial Completion shall be submitted to the Owner and Contractor for their written acceptance of responsibilities assigned to them in such Certificate. Upon such acceptance and consent of surety, if any,

the Owner shall make payment of retainage applying to such Work or designated portion thereof. Such payment shall be adjusted for Work that is incomplete or not in accordance with the requirements of the Contract Documents.

§ 9.8.6 The Owner shall have the right to take possession of and use any completed or partially completed portions of the Work, notwithstanding that the time for completing the entire Work or such portions of the Work may not yet have expired. However, such action on the part of the Owner shall not be deemed to be an acceptance of any Work not completed in accordance with the Contract Documents. Likewise, absent the issuance of a Certificate of Substantial Completion by the Project Architect, no portion of the Work shall be subject to the running of the Contractor's bonded one (1) year guarantee on workmanship and materials, despite the fact that the building may be partially utilized. Where mechanical equipment is used prior to final inspection, the Owner shall perform routine maintenance and furnish those supplies that normally wear out in use, such as seals, packings, lubricants, etc. However, any major failure or breakdown of equipment not attributable to lack of maintenance or improper use or abuse of the equipment by Owner shall be made good by the Contractor under terms of its contract warranty, guaranty, bonds, etc.

§ 9.9 PARTIAL OCCUPANCY OR USE

§ 9.9.1 The Owner may occupy or use any completed or partially completed portion of the Work at any stage when such portion is designated by separate agreement with the Contractor, provided such occupancy or use is consented to by the insurer as required under Section 11.3.1.5 and authorized by public authorities having jurisdiction over the Project. Such partial occupancy or use may commence whether or not the portion is substantially complete, provided the Owner and Contractor have accepted in writing the responsibilities assigned to each of them for payments, retainage, if any, security, maintenance, heat, utilities, damage to the Work and insurance, and have agreed in writing concerning the period for correction of the Work and commencement of warranties required by the Contract Documents. When the Contractor considers a portion substantially complete, the Contractor shall prepare and submit a list to the Architect as provided under Section 9.8.2. Consent of the Contractor to partial occupancy or use shall not be unreasonably withheld. The stage of the progress of the Work shall be determined by written agreement between the Owner and Contractor or, if no agreement is reached, by decision of the Architect.

§ 9.9.2 Immediately prior to such partial occupancy or use, the Owner, Contractor and Architect shall jointly inspect the area to be occupied or portion of the Work to be used in order to determine and record the condition of the Work. A reasonable sum may be withheld until the Contractor delivers to the Owner record Drawings, Specifications, Addenda, Change Orders and other Modifications maintained at the site; the warranties, instructions and maintenance manuals required to be furnished; and a final statement of the cost of the Work allocated in accordance with the budget and in a form approved by Owner's lender.

§ 9.9.3 Unless otherwise agreed upon, partial occupancy or use of a portion or portions of the Work shall not constitute acceptance of Work not complying with the requirements of the Contract Documents.

§ 9.10 FINAL COMPLETION AND FINAL PAYMENT

§ 9.10.1 Upon receipt of the Contractor's written notice that the Work is ready for final inspection and acceptance and upon receipt of a final Application for Payment, the Architect will promptly make such inspection and, when the Architect finds the Work acceptable under the Contract Documents and the Contract fully performed, the Architect will promptly issue a final Certificate for Payment stating that to the best of the Architect's knowledge, information and belief, and on the basis of the Architect's on-site visits and inspections, the Work has been completed in accordance with terms and conditions of the Contract Documents and that the entire balance found to be due the Contractor and noted in the final Certificate is due and payable. The Architect's final Certificate for Payment will constitute a further representation that conditions listed in Section 9.10.2 as precedent to the Contractor's being entitled to final payment have been fulfilled.

§ 9.10.2 Neither final payment nor any remaining retained percentage shall become due until the Contractor submits to the Architect and/or Owner (1) an affidavit that payrolls, bills for materials and equipment, and other indebtedness connected with the Work for which the Owner or the Owner's property might be responsible or encumbered (less amounts withheld by Owner) have been paid or otherwise satisfied, (2) a certificate evidencing that insurance required by the Contract Documents to remain in force after final payment is currently in effect and will not be canceled or allowed to expire until at least 30 days' prior written notice has been given to the Owner, (3) a written statement that the Contractor knows of no substantial reason that the insurance will not be renewable to cover the period required by the Contract Documents, (4) consent of surety, if any, to final payment and (5) ***Contractor's Final Payment Affidavit, Contractor's Affidavit of Outstanding Accounts, Final Waiver and Release of Lien from Contractor and Final***

Waivers and Releases of Liens from Contractor's Subcontractors, Sub-subcontractors, suppliers and materialmen or any party with lien rights, to the extent and in such form as may be designated by the Owner. If a Subcontractor refuses to furnish a release or waiver required by the Owner, the Contractor may furnish a bond satisfactory to the Owner to indemnify the Owner against such lien. If such lien remains unsatisfied after payments are made, the Contractor shall refund to the Owner all money that the Owner may be compelled to pay in discharging such lien, including all costs and reasonable attorneys' fees. Copies of the required ***Contractor's Final Payment Affidavit, Contractor's Affidavit of Outstanding Accounts, Final Waiver and Release of Lien from Contractor and Final Waivers and Releases of Liens from Contractor's Subcontractors, Sub-subcontractors, suppliers and materialmen or any party with lien rights*** shall be set forth in an exhibit to be incorporated in the Contract Documents.

§ 9.10.3 If, after Substantial Completion of the Work, final completion thereof is materially delayed through no fault of the Contractor or by issuance of Change Orders affecting final completion, and the Architect so confirms, the Owner shall, upon application by the Contractor and certification by the Architect, and without terminating the Contract, make payment of the balance due for that portion of the Work fully completed and accepted. If the remaining balance for Work not fully completed or corrected is less than retainage stipulated in the Contract Documents, and if bonds have been furnished, the written consent of surety to payment of the balance due for that portion of the Work fully completed and accepted shall be submitted by the Contractor to the Architect prior to certification of such payment. Such payment shall be made under terms and conditions governing final payment, except that it shall not constitute a waiver of claims.

§ 9.10.4 The making of final payment shall constitute a waiver of Claims by the Owner except those arising from

- .1 liens, Claims, security interests or encumbrances arising out of the Contract and unsettled;
- .2 failure of the Work to comply with the requirements of the Contract Documents; or
- .3 terms of special warranties required by the Contract Documents.

§ 9.10.5 Acceptance of final payment by the Contractor, a Subcontractor or material supplier shall constitute a waiver of claims by that payee except those previously made in writing and identified by that payee as unsettled at the time of final Application for Payment.

§ 9.10.6 If the Owner has furnished to the Contractor a construction loan agreement or similar agreement between the Owner and any lender for the Project, the Contractor agrees fully to cooperate with the Owner in complying with the provisions thereof and agrees to timely furnish any and all information, reports and certificates which are required or helpful thereunder. Interim and final payments may be withheld by Owner until such provisions have been complied with.

§ 9.10.7 After execution of the Certificate of Substantial Completion, and prior to the submittal of the Final Certificate and Application for Payment, the Contractor shall submit to the Architect, along with the affidavits and other documents set forth in Paragraph 9.10.2 above:

- .1 Validated warranties and notarized copies of all guarantees for equipment and materials as required by the Construction Documents, and as referred to in the Supplementary Conditions;
- .2 Copies of all approved Shop Drawings or installation diagrams and three (3) copies of all brochures, manuals, etc. of all equipment as offered by the manufacturers;
- .3 List of subcontractors and major material suppliers (shall include address, telephone number and name of individual to contact regarding this Project);
- .4 As-built drawings of the completed Project. The Contractor shall provide to the Owner two (2) copies of all electronic drawing files of all as-built drawings in a format compatible with the AutoCAD release version designated by Owner. This shall include an organized, rational file/drawing naming system that would refer directly to the actual hard copy drawings. For example, drawings shall be named A-1.dwg, A-2.dwg, M-1.dwg, M-2.dwg etc. Each drawing file shall be processed through AutoCad's XREF Manager utilizing the "bind process" prior to submittal to the Owner to combine the files and eliminate the need for attached files. Text documents such as specification books shall be presented in Microsoft Word or pdf format.

Such electronic files shall be delivered to the Owner within ten (10) days after requested by the Owner or, if not specifically requested, prior to final payment from Owner; and

- .5 The Contractor shall obtain an electronic version of the Site Master Survey from the Owner and insert an as-built survey of the project into the Site Master Survey via the addition of another CADD layer added to the file in a format compatible with the AutoCAD release version designated by Owner. The CADD layer shall include an organized, rational file/drawing naming system that refers specifically to the precise name of the project constructed. For example, the layer must be named 2008 Media Center, 2009 DePalma restrooms, etc. The Contractor will establish permanent control monuments (hub set in concrete, iron pin in ground, etc.), or use existing monuments when approved by the Owner, to tie the location of the project to the overall facility Site Master Survey. The permanent control monument(s) shall be identified in the CADD layer such that the Owner will be able to utilize the monument for future design and development projects. Such electronic files shall be delivered to the Owner within ten (10) days after requested by the Owner or, if not specifically requested, prior to final payment from Owner.

These items shall be packaged in a suitable metal file box, supplied for the Project as approved by the Architect, and shall be properly indexed. Individual submission of these items will not be acceptable.

§ 9.10.8 Prior to submission of the Final Certificate and Application for Payment, Contractor and manufacturer's representatives shall provide free instruction in the proper use of installed equipment to representatives of the Owner as designated by the Architect. Instruction shall be given in presence of the Architect.

Instruction of the Owner's designated Maintenance Supervisor in the proper methods of cleaning and maintaining all of the finished surfaces and the proper methods of replacement of the consumable items such as filters, light bulbs, washers, etc. shall be the responsibility of the Contractor.

§ 9.10.9 Prior to submission of the Final Certificate and Application for Payment, the Contractor shall start up, test, adjust, balance and otherwise place in a satisfactory working condition all items of mechanical and electrical systems and shall fully instruct representatives of the Owner in the care and operation of such systems.

Contractor shall submit to the Architect, along with final requisition for payment, three (3) copies of a manual for the Project, assembled and bound, presenting for the Owner's guidance full details for care and maintenance of equipment included in the Contract.

Contractor shall, for this manual, obtain from subcontractors literature of manufacturers relating to equipment, including motors; also furnish cuts, wiring diagrams, instruction sheets and other information pertaining to same in overall operation and maintenance.

§ 9.10.10 During a valid warranty period, if the Contractor is unable or unwilling to respond immediately to make emergency repairs under conditions which the Owner may determine to be an emergency situation, the Owner reserves the right to make such emergency repairs and then to bill the Contractor for a fair and reasonable amount in the reimbursement for such repair.

§ 9.10.11 At closeout, Contractor shall complete the *Contract Completion Checklist*, a copy of which is to be incorporated as an exhibit to the Contract Documents, and shall provide to the Owner all items required thereon as a condition precedent to final payment being due from the Owner.

ARTICLE 10 PROTECTION OF PERSONS AND PROPERTY

§ 10.1 SAFETY PRECAUTIONS AND PROGRAMS

The Contractor shall be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the performance of the Contract.

§ 10.2 SAFETY OF PERSONS AND PROPERTY

§ 10.2.1 The Contractor shall take reasonable precautions for safety of, and shall provide reasonable protection to prevent damage, injury or loss to

- .1 employees on the Work and other persons who may be affected thereby;
- .2 the Work and materials and equipment to be incorporated therein, whether in storage on or off the site, under care, custody or control of the Contractor or the Contractor's Subcontractors or Sub-subcontractors; and
- .3 other property at the site or adjacent thereto, such as trees, shrubs, lawns, walks, pavements, roadways, structures and utilities not designated for removal, relocation or replacement in the course of construction.

§ 10.2.2 The Contractor shall comply with and give notices required by applicable laws, statutes, ordinances, codes, rules and regulations, and lawful orders of public authorities bearing on safety of persons or property or their protection from damage, injury or loss. Contractor shall comply with all applicable federal, state and county, and city statutes, safety regulations, codes, ordinances and orders, including the Occupational Safety and Health Administration Act of 1970 (OSHA).

§ 10.2.3 The Contractor shall erect and maintain, as required by existing conditions and performance of the Contract, reasonable safeguards for safety and protection, including posting danger signs and other warnings against hazards, promulgating safety regulations and notifying owners and users of adjacent sites and utilities.

§ 10.2.4 When use or storage of explosives or other hazardous materials or equipment or unusual methods are necessary for execution of the Work, the Contractor shall exercise utmost care and carry on such activities under supervision of properly qualified personnel.

§ 10.2.5 The Contractor shall promptly remedy damage and loss (other than damage or loss insured under property insurance required by the Contract Documents) to property referred to in Sections 10.2.1.2 and 10.2.1.3 caused in whole or in part by the Contractor, a Subcontractor, a Sub-subcontractor, or anyone directly or indirectly employed by any of them, or by anyone for whose acts they may be liable and for which the Contractor is responsible under Sections 10.2.1.2 and 10.2.1.3, except damage or loss attributable to acts or omissions of the Owner or Architect or anyone directly or indirectly employed by either of them, or by anyone for whose acts either of them may be liable, and not attributable to the fault or negligence of the Contractor. The foregoing obligations of the Contractor are in addition to the Contractor's obligations under Section 3.18.

§ 10.2.6 The Contractor shall designate a responsible member of the Contractor's organization at the site whose duty shall be the prevention of accidents. This person shall be the Contractor's superintendent unless otherwise designated by the Contractor in writing to the Owner and Architect.

§ 10.2.7 The Contractor shall not permit any part of the construction or site to be loaded so as to cause damage or create an unsafe condition.

§ 10.2.8 INJURY OR DAMAGE TO PERSON OR PROPERTY

If either party suffers injury or damage to person or property because of an act or omission of the other party, or of others for whose acts such party is legally responsible, written notice of such injury or damage, whether or not insured, shall be given to the other party within a reasonable time not exceeding 21 days after discovery. The notice shall provide sufficient detail to enable the other party to investigate the matter.

§ 10.2.9 Contractor shall protect adjoining private or municipal property and shall provide barricades, temporary fences, and covered walkways required to protect the safety of passers-by, as required by prudent construction practices, local building codes, ordinances or other laws, or the Contract Documents.

§ 10.2.10 Contractor shall maintain Work, materials and apparatus free from injury or damage from rain, wind, storms, frost or heat. If adverse weather makes it impossible to continue operations safely in spite of weather precautions, the Contractor shall cease Work and notify the Owner and the Architect of such cessation. The Contractor shall not permit open fires on the Project site.

§ 10.2.11 In addition to its other obligations pursuant to this Article 10, the Contractor shall, at its sole cost and expense, promptly repair any damage or disturbance to walls, utilities, sidewalks, curbs and the property of third parties (including municipalities) resulting from the performance of the Work, whether by it or by its Subcontractors at any tier. The Contractor shall maintain streets in good repair and traversable condition.

§ 10.3 HAZARDOUS MATERIALS

§ 10.3.1 The Contractor is responsible for compliance with any requirements included in the Contract Documents regarding hazardous materials. If the Contractor encounters a hazardous material or substance not addressed in the Contract Documents and if reasonable precautions will be inadequate to prevent foreseeable bodily injury or death to persons resulting from a material or substance, including but not limited to asbestos or polychlorinated biphenyl (PCB), encountered on the site by the Contractor, the Contractor shall, upon recognizing the condition, immediately stop Work in the affected area and report the condition to the Owner and Architect in writing.

§ 10.3.2 Upon receipt of the Contractor's written notice, the Owner shall obtain the services of a licensed laboratory to verify the presence or absence of the material or substance reported by the Contractor and, in the event such material or substance is found to be present, to cause it to be rendered harmless. Unless otherwise required by the Contract Documents, the Owner shall furnish in writing to the Contractor and Architect the names and qualifications of persons or entities who are to perform tests verifying the presence or absence of such material or substance or who are to perform the task of removal or safe containment of such material or substance. The Contractor and the Architect will promptly reply to the Owner in writing stating whether or not either has reasonable objection to the persons or entities proposed by the Owner. If either the Contractor or Architect has an objection to a person or entity proposed by the Owner, the Owner shall propose another to whom the Contractor and the Architect have no reasonable objection. When the material or substance has been rendered harmless, Work in the affected area shall resume upon written agreement of the Owner and Contractor. By Change Order, the Contract Time shall be extended appropriately and the Contract Sum shall be increased in the amount of the Contractor's reasonable additional costs of shut-down, delay and start-up.

§ 10.3.3 To the fullest extent permitted by law, the Owner shall indemnify and hold harmless the Contractor, Subcontractors, Architect, Architect's consultants and agents and employees of any of them from and against claims, damages, losses and expenses, including but not limited to attorneys' fees, arising out of or resulting from performance of the Work in the affected area if in fact the material or substance presents the risk of bodily injury or death as described in Section 10.3.1 and has not been rendered harmless, provided that such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property (other than the Work itself), except to the extent that such damage, loss or expense is due to the fault or negligence of the party seeking indemnity.

§ 10.3.4 The Owner shall not be responsible under this Section 10.3 for materials or substances the Contractor brings to the site unless such materials or substances are required by the Contract Documents.

§ 10.3.5 The Contractor shall indemnify the Owner for the cost and expense the Owner incurs (1) for remediation of a material or substance the Contractor brings to the site and negligently handles, or (2) where the Contractor fails to perform its obligations under Section 10.3.1, except to the extent that the cost and expense are due to the Owner's fault or negligence.

§ 10.3.6 If, without negligence on the part of the Contractor, the Contractor is held liable by a government agency for the cost of remediation of a hazardous material or substance solely by reason of performing Work as required by the Contract Documents, the Owner shall indemnify the Contractor for all cost and expense thereby incurred.

§ 10.4 EMERGENCIES

In an emergency affecting safety of persons or property, the Contractor shall act, at the Contractor's discretion, to prevent threatened damage, injury or loss. Additional compensation or extension of time claimed by the Contractor on account of an emergency shall be determined as provided in Article 15 and Article 7.

ARTICLE 11 INSURANCE AND BONDS

§ 11.1 CONTRACTOR'S LIABILITY INSURANCE

§ 11.1.1 The Contractor shall purchase from and maintain in a company or companies lawfully authorized to do business in the jurisdiction in which the Project is located and reasonably acceptable to Owner such insurance as will protect the Contractor from claims set forth below which may arise out of or result from the Contractor's operations and completed operations under the Contract and for which the Contractor may be legally liable, whether such operations be by the Contractor or by a Subcontractor or by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable. City of Port Orange and its agents, employees, City Council

members, Architect and Architect's consultants ("additional insureds") shall be named as additional insureds on all insurance policies.

- .1 Claims under workers' compensation, disability benefit and other similar employee benefit acts that are applicable to the Work to be performed;
- .2 Claims for damages because of bodily injury, occupational sickness or disease, or death of the Contractor's employees;
- .3 Claims for damages because of bodily injury, sickness or disease, or death of any person other than the Contractor's employees;
- .4 Claims for damages insured by usual personal injury liability coverage;
- .5 Claims for damages, other than to the Work itself, because of injury to or destruction of tangible property, including loss of use resulting therefrom;
- .6 Claims for damages because of bodily injury, death of a person or property damage arising out of ownership, maintenance or use of a motor vehicle;
- .7 Claims for bodily injury or property damage arising out of completed operations; and
- .8 Claims involving contractual liability insurance applicable to the Contractor's obligations under Section 3.18.

§ 11.1.2 The insurance required by Section 11.1.1 shall be written for not less than limits of liability specified in the Contract Documents or required by law, whichever coverage is greater, but in any event, the following minimum coverages and conditions are required: Contractor shall furnish upon acceptance of the Contract an occurrence form, \$1,000,000 per occurrence; \$2,000,000 general aggregate combined single limit, comprehensive general liability policy; including but not limited to owners and contractors protective liability and products and completed operations coverage. A \$1,000,000 per occurrence, combined single limit, business auto policy covering all owned and non-owned autos used by the Contractor is required. Coverages, whether written on an occurrence or claims-made basis, shall be maintained without interruption from the date of commencement of the Work until the date of final payment and termination of any coverage required to be maintained after final payment, and, with respect to the Contractor's completed operations coverage, until the expiration of the period for correction of Work or for such other period for maintenance of completed operations coverage as specified in the Contract Documents.

§ 11.1.3 Contractor shall provide to Owner a copy of its Commercial General Liability policy and an additional insured endorsement for the additional insureds listed in this Paragraph 11 prior to commencement of the Work and thereafter upon renewal or replacement of each required policy of insurance. The insurance policies required by this Section 11.1 shall contain a provision that coverages afforded under the policies will not be canceled or allowed to expire until at least 30 days' prior written notice has been given to the Owner. Evidence of continuation of liability coverage, including coverage for completed operations, shall be submitted with the final Application for Payment as required by Section 9.10.2 and thereafter upon renewal or replacement of such coverage until the expiration of the time required by Section 11.1.2. Information concerning reduction of coverage on account of revised limits or claims paid under the General Aggregate, or both, shall be furnished by the Contractor with reasonable promptness.

§ 11.1.4 The Contractor shall cause the commercial liability coverage required by the Contract Documents to include the additional insureds listed in this Paragraph 11 for claims caused in whole or in part by the Contractor's negligent acts or omissions during the Contractor's operations and for claims caused in whole or in part by the Contractor's negligent acts or omissions during the Contractor's completed operations.

§ 11.1.5 The Contractor shall be responsible for purchasing and maintaining workers' compensation insurance in the amount of \$500,000 per occurrence.

§ 11.1.6 (Intentionally omitted)

§ 11.2 OWNER'S LIABILITY INSURANCE

The Owner shall be responsible for purchasing and maintaining the Owner's usual liability insurance.

§ 11.3 PROPERTY INSURANCE

§ 11.3.1 Owner and Contractor specifically agree that the risk of loss in ownership of the materials delivered to the building site for incorporation into the structure shall remain with the Contractor until such time as the material is fully incorporated into the structure. The Contractor may not recover from the Owner's insurance proceeds, if any, funds for loss of materials supplied to the site or fully incorporated into the structure.

§ 11.3.1.1 Contractor shall purchase and maintain property insurance on an "all-risk" or equivalent policy form and shall include, without limitation, insurance against the perils of fire (with extended coverage) and physical loss or damage including, without duplication of coverage, theft, vandalism, malicious mischief, collapse, earthquake, flood, windstorm, falsework, testing and startup, temporary buildings and debris removal including demolition occasioned by enforcement of any applicable legal requirements to the full insurable value thereof on a replacement cost basis without optional deductibles, and shall cover reasonable compensation for Architect's and Contractor's services and expenses required as a result of such insured loss. The additional insureds listed in this Paragraph 11 shall be named as additional insureds on all insurance policies.

§ 11.3.1.2 This property insurance shall cover portions of the Work stored off the site, and also portions of the Work in transit.

§ 11.3.1.3 Partial occupancy or use in accordance with Section 9.9 shall not commence until the insurance company or companies providing property insurance have consented to such partial occupancy or use by endorsement or otherwise. The Owner and the Contractor shall take reasonable steps to obtain consent of the insurance company or companies and shall, without mutual written consent, take no action with respect to partial occupancy or use that would cause cancellation, lapse or reduction of insurance.

§ 11.3.1.4 (Intentionally omitted)

§ 11.3.1.5 (Intentionally omitted)

§ 11.3.2 BOILER AND MACHINERY INSURANCE

The Owner shall purchase and maintain boiler and machinery insurance required by the Contract Documents or by law, which shall specifically cover such insured objects during installation and until final acceptance by the Owner; this insurance shall include interests of the Owner, Contractor, Subcontractors and Sub-subcontractors in the Work, and the Owner and Contractor shall be named insureds.

§ 11.3.3 WAIVERS OF SUBROGATION

The Owner and Contractor waive all rights against (1) each other and any of their subcontractors, sub-subcontractors, agents and employees, each of the other, and (2) the Architect, Architect's consultants, separate contractors described in Article 6, if any, and any of their subcontractors, sub-subcontractors, agents and employees, for damages caused by fire or other causes of loss to the extent covered by property insurance obtained pursuant to this Section 11.3 or other property insurance applicable to the Work, except such rights as they have to proceeds of such insurance held by the Owner as fiduciary. The Owner or Contractor, as appropriate, shall require of the Architect, Architect's consultants, separate contractors described in Article 6, if any, and the subcontractors, sub-subcontractors, agents and employees of any of them, by appropriate agreements, written where legally required for validity, similar waivers each in favor of other parties enumerated herein. The policies shall provide such waivers of subrogation by endorsement or otherwise. A waiver of subrogation shall be effective as to a person or entity even though that person or entity would otherwise have a duty of indemnification, contractual or otherwise, did not pay the insurance premium directly or indirectly, and whether or not the person or entity had an insurable interest in the property damaged.

§ 11.3.4 A loss insured under Owner's property insurance shall be adjusted by the Owner as fiduciary and made payable to the Owner as fiduciary for the insureds, as their interests may appear, subject to requirements of any applicable mortgagee clause and of Section 11.3.6. The Contractor shall pay Subcontractors their just shares of insurance proceeds received by the Contractor, and by appropriate agreements, written where legally required for validity, shall require Subcontractors to make payments to their Sub-subcontractors in similar manner.

§ 11.3.5 If required in writing by a party in interest, the Owner as fiduciary shall, upon occurrence of an insured loss, give bond for proper performance of the Owner's duties. The cost of required bonds shall be charged against proceeds received as fiduciary. The Owner shall deposit in a separate account proceeds so received, which the Owner shall distribute in accordance with such agreement as the parties in interest may reach. If after such loss no other special agreement is made and unless the Owner terminates the Contract for convenience, replacement of damaged property shall be performed by the Contractor after notification of a Change in the Work in accordance with Article 7.

§ 11.3.6 The Owner as fiduciary shall have power to adjust and settle a loss with insurers unless one of the parties in interest shall object in writing within five days after occurrence of loss to the Owner's exercise of this power. If such objection be made, the Owner shall not make any settlement with respect to such loss until a resolution has been reached by agreement between such parties in interest and the insurers or by a court of competent jurisdiction.

§ 11.3.7 (Intentionally omitted)

§ 11.3.8 (Intentionally omitted)

§ 11.3.9 (Intentionally omitted)

§ 11.3.10 (Intentionally omitted)

§ 11.4 PERFORMANCE BOND AND PAYMENT BOND

§ 11.4.1 If required by Owner, Contractor shall furnish to Owner and keep in force during the term of the Contract performance and labor and material payment bonds guaranteeing that the Contractor will perform its obligations under the Contract and will pay for all labor and materials furnished for the Work. Such bonds shall be issued in a form and by a surety reasonably acceptable to the Owner, shall be submitted to Owner for approval as to form, shall name the Owner and its lender, if any, as obligees and shall be in an amount equal to at least 100% of the Contract Sum (as the same may be adjusted from time to time pursuant to the Contract). The Contractor shall deliver the executed, approved bonds to the Owner within seven days after execution of this Contract. The Contractor shall provide to Owner Performance Bond and Payment Bond substantially in the form attached as an exhibit to the Contract Documents.

§ 11.4.2 Upon the request of any person or entity appearing to be a potential beneficiary of bonds covering payment of obligations arising under the Contract, the Contractor shall promptly furnish a copy of the bonds or shall authorize a copy to be furnished.

§ 11.4.3 The costs of all bonds required under this Paragraph 11.4 shall be included in the Contract Sum.

§ 11.4.4 The Owner shall have the right to waive any bonds required to be provided under this Paragraph 11.4, in which event the amount of the premium of any such waived bond, if included in the Contract Sum, shall be deducted from the Contract Sum by appropriate Change Order.

§ 11.4.5 Upon the request of any person or entity appearing to be a potential beneficiary of any of the bonds required under this Paragraph 11.4, the Contractor promptly shall furnish a copy of the bonds or shall permit a copy thereof to be made and delivered to such person or entity.

ARTICLE 12 UNCOVERING AND CORRECTION OF WORK

§ 12.1 UNCOVERING OF WORK

§ 12.1.1 If a portion of the Work is covered contrary to the Architect's request or to requirements specifically expressed in the Contract Documents, it must, if requested in writing by the Architect, be uncovered for the Architect's examination and be replaced at the Contractor's expense without change in the Contract Time.

§ 12.1.2 If a portion of the Work has been covered that the Architect has not specifically requested to examine prior to its being covered, the Architect may request to see such Work and it shall be uncovered by the Contractor. If such Work is in accordance with the Contract Documents, costs of uncovering and replacement shall, by appropriate Change Order, be at the Owner's expense. If such Work is not in accordance with the Contract Documents, such costs and the cost of correction shall be at the Contractor's expense unless the condition was caused by the Owner or a separate contractor in which event the Owner shall be responsible for payment of such costs.

§ 12.2 CORRECTION OF WORK

§ 12.2.1 BEFORE OR AFTER SUBSTANTIAL COMPLETION

§ 12.2.1.1 The Contractor shall promptly correct Work rejected by the Architect for failing to conform to the requirements of the Contract Documents, whether discovered before or after Substantial Completion and whether or not fabricated, installed or completed. Costs of correcting such rejected Work, including additional testing and

inspections, the cost of uncovering and replacement, and compensation for the Architect's services and expenses made necessary thereby, shall be at the Contractor's expense.

§ 12.2.1.2 Contractor understands and agrees that corrective work and warranty work must be performed within 48 hours of notice from the Architect. If, in the opinion of Architect, the corrective and/or warranty work cannot be accomplished in sufficient time under contract specifications due to curing, testing, inspections or otherwise to meet Architect's requirements, then corrective and/or warranty work shall be accomplished on an emergency basis utilizing corrective specifications and/or procedures acceptable to the Architect to correct, repair and/or replace deficient and/or non-conforming work irrespective of whether the corrective measures are consistent with the initial contract plans and specifications. If the corrections are not completed within 48 hours of Architect's Notice, Architect may in its sole discretion complete or contract to complete the work necessary to correct or replace the deficient and/or non-conforming work and may use whatever means, methods, procedures and specifications are necessary or desirable to correct or replace the non-conforming or deficient work even though the Architect chosen method of correction or replacement is more expensive than the initially specified work. This provision supersedes all other provisions of the contract and performance bond (if a performance bond is required) and the Contractor and Surety waive all other notices, rights and options inconsistent with this provision.

§ 12.2.1.3 In the event that Contractor fails to timely take corrective action, Owner may correct, remove and/or replace the non-conforming work at Contractor's expense using the specified materials or such other materials which the Owner, in its sole discretion, deems appropriate.

§ 12.2.2 AFTER SUBSTANTIAL COMPLETION

§ 12.2.2.1 In addition to the Contractor's obligations under Section 3.5, if, within one year after the date of Substantial Completion of the Work or designated portion thereof or after the date for commencement of warranties established under Section 9.9.1, or by terms of an applicable special warranty required by the Contract Documents, any of the Work is found to be not in accordance with the requirements of the Contract Documents, the Contractor shall correct it promptly after receipt of written notice from the Owner to do so unless the Owner has previously given the Contractor a written acceptance of such condition. The Owner shall give such notice promptly after discovery of the condition. During the one-year period for correction of Work, if the Owner fails to notify the Contractor and give the Contractor an opportunity to make the correction, the Owner waives the rights to require correction by the Contractor and to make a claim for breach of warranty. If the Contractor fails to correct nonconforming Work within a reasonable time during that period after receipt of notice from the Owner or Architect, the Owner may correct it in accordance with Section 2.4.

§ 12.2.2.2 The one-year period for correction of Work shall be extended with respect to portions of Work first performed after Substantial Completion by the period of time between Substantial Completion and the actual completion of that portion of the Work.

§ 12.2.2.3 The one-year period for correction of Work shall not be extended by corrective Work performed by the Contractor pursuant to this Section 12.2.

§ 12.2.3 The Contractor shall remove from the site portions of the Work that are not in accordance with the requirements of the Contract Documents and are neither corrected by the Contractor nor accepted by the Owner.

§ 12.2.4 The Contractor shall bear the cost of correcting destroyed or damaged construction, whether completed or partially completed, of the Owner or separate contractors caused by the Contractor's correction or removal of Work that is not in accordance with the requirements of the Contract Documents.

§ 12.2.5 Nothing contained in this Section 12.2 shall be construed to establish a period of limitation with respect to other obligations the Contractor has under the Contract Documents. Establishment of the one-year period for correction of Work as described in Section 12.2.2 relates only to the specific obligation of the Contractor to correct the Work, and has no relationship to the time within which the obligation to comply with the Contract Documents may be sought to be enforced, nor to the time within which proceedings may be commenced to establish the Contractor's liability with respect to the Contractor's obligations other than specifically to correct the Work.

§ 12.3 ACCEPTANCE OF NONCONFORMING WORK

If the Owner prefers to accept Work that is not in accordance with the requirements of the Contract Documents, the Owner may do so instead of requiring its removal and correction, in which case the Contract Sum will be reduced as appropriate and equitable. Such adjustment shall be effected whether or not final payment has been made.

ARTICLE 13 MISCELLANEOUS PROVISIONS

§ 13.1 GOVERNING LAW

§ 13.1.1 The Contract shall be governed by the law of the place where the Project is located.

§ 13.1.2 Historical lack of enforcement of any local law shall not constitute a waiver of Contractor's responsibility for compliance with such law in a manner consistent with the Contract Documents unless and until the Contractor has received written consent for the waiver of such compliance from the Owner and the agency responsible for the local law enforcement.

§ 13.2 SUCCESSORS AND ASSIGNS

§ 13.2.1 The Owner and Contractor respectively bind themselves, their partners, successors, assigns and legal representatives to covenants, agreements and obligations contained in the Contract Documents. Contractor may not assign its rights or obligations under this Contract. If Contractor attempts to make such an assignment, it shall nevertheless remain legally responsible for all obligations under the Contract.

§ 13.2.2 The Owner may, without consent of the Contractor, assign the Contract to a lender providing construction financing for the Project, if the lender assumes the Owner's rights and obligations under the Contract Documents. The Contractor shall execute all consents reasonably required to facilitate such assignment.

§ 13.3 WRITTEN NOTICE

Written notice shall be deemed to have been duly served if delivered in person to the individual, to a member of the firm or entity, or to an officer of the corporation for which it was intended; or if delivered at, or sent by registered or certified mail or by courier service providing proof of delivery to, the last business address known to the party giving notice. At Owner's request, a copy of all written notices by the Contractor to it shall be delivered to the lender for the Project, if any.

§ 13.4 RIGHTS AND REMEDIES

§ 13.4.1 Duties and obligations imposed by the Contract Documents and rights and remedies available thereunder shall be in addition to and not a limitation of duties, obligations, rights and remedies otherwise imposed or available by law.

§ 13.4.2 No action or failure to act by the Owner, Architect or Contractor shall constitute a waiver of a right or duty afforded them under the Contract, nor shall such action or failure to act constitute approval of or acquiescence in a breach there under, except as may be specifically agreed in writing.

§ 13.4.3 The invalidity of any part or provision of the Contract Documents shall not impair or affect in any manner the validity, enforceability or effect of the remaining parts and provisions of the Contract Documents.

§ 13.5 TESTS AND INSPECTIONS

§ 13.5.1 Tests, inspections and approvals of portions of the Work shall be made as required by the Contract Documents and by applicable laws, statutes, ordinances, codes, rules and regulations or lawful orders of public authorities. Unless otherwise provided, the Contractor shall make arrangements for such tests, inspections and approvals with an independent testing laboratory or entity acceptable to the Owner, or with the appropriate public authority, and shall bear all related costs of tests, inspections and approvals. The Contractor shall give the Architect timely notice of when and where tests and inspections are to be made so that the Architect may be present for such procedures. The Owner shall bear costs of (1) tests, inspections or approvals that do not become requirements until after bids are received or negotiations concluded, and (2) tests, inspections or approvals where building codes or applicable laws or regulations prohibit the Owner from delegating their cost to the Contractor.

§ 13.5.2 If the Architect, Owner or public authorities having jurisdiction determine that portions of the Work require additional testing, inspection or approval not included under Section 13.5.1, the Architect will, upon written authorization from the Owner, instruct the Contractor to make arrangements for such additional testing, inspection or

approval by an entity acceptable to the Owner, and the Contractor shall give timely notice to the Architect of when and where tests and inspections are to be made so that the Architect may be present for such procedures. Such costs, except as provided in Section 13.5.3, shall be at the Owner's expense.

§ 13.5.3 If such procedures for testing, inspection or approval under Sections 13.5.1 and 13.5.2 reveal failure of the portions of the Work to comply with requirements established by the Contract Documents, all costs made necessary by such failure including those of repeated procedures and compensation for the Architect's services and expenses shall be at the Contractor's expense, including the cost of retesting for verification of compliance if necessary, until the Architect certifies that the Work in question does comply with the requirements of the Contract Documents, and all such costs shall not be included in computing the Contract Sum.

§ 13.5.4 Required certificates of testing, inspection or approval shall, unless otherwise required by the Contract Documents, be secured by the Contractor and promptly delivered to the Architect.

§ 13.5.5 If the Architect is to observe tests, inspections or approvals required by the Contract Documents, the Architect will do so promptly and, where practicable, at the normal place of testing.

§ 13.5.6 Tests or inspections conducted pursuant to the Contract Documents shall be made promptly to avoid unreasonable delay in the Work.

§ 13.6 INTEREST

Interest on payments due and unpaid under the Contract Documents – N/A.

§ 13.7 TIME LIMITS ON CLAIMS

The Owner and Contractor shall commence all claims and causes of action, whether in contract, tort, breach of warranty or otherwise, against the other arising out of or related to the Contract in accordance with the requirements of the final dispute resolution method selected in the Agreement within the time period specified by applicable law.

§ 13.8 FINANCIAL DISCLOSURES

During the term of this Contract, Contractor covenants and agrees that it will keep adequate books and records of accounts in accordance with Generally Accepted Accounting Principles (GAAP). Contractor further covenants and agrees that, upon request from Owner, Contractor shall provide to Owner financial statements of Contractor, including current income and expense statements of Contractor, consolidated balance sheets signed by a financial officer of Contractor, and audited reports provided to Contractor's Surety, audited financial statements certified by a Certified Public Accountant concerning the financial affairs of Contractor and all affiliates of Contractor, and such other financial information requested by Owner. All such financial information shall comply with GAAP.

In the event that Contractor becomes insolvent and/or fails to pay its current obligations when they become due, Contractor shall so advise Owner of such situation. Contractor hereby authorizes its sureties, lenders, financial institutions and other third parties to release to Owner financial information requested by Owner, including, but not limited to, the financial information described in the preceding paragraph.

§ 13.9 WAIVER OF JURY TRIAL

§ 13.9.1 All parties hereby waive any and all right to any trial by jury in any action or proceeding arising directly or indirectly hereunder.

§ 13.10 VENDOR DIVERSITY/MINORITY

§ 13.10.1 Provided that prices are competitive and that the quality, quantity and timeliness of the Work will not be prejudiced or compromised, Contractor is encouraged, but not required, to utilize where reasonably practical a reasonable number of minority owned and/or controlled companies for the Project. In the event that Contractor utilizes a minority owned and/or controlled company, Contractor shall submit to the Owner the name of the company, the scope of the work and the contract sum of the work being performed by the minority owned and/or controlled company. Contractor shall retain in its sole discretion the final decision on the selection and use of subcontractors and other vendors and shall remain fully responsible for their work, material and services as called for by the Contract Documents.

§ 13.11 The Contractor's use of local (in state) laborers, subcontractors, material suppliers, and equipment suppliers

is encouraged by Owner and may influence the Owner's selection process.

ARTICLE 14 TERMINATION OR SUSPENSION OF THE CONTRACT

§ 14.1 TERMINATION BY THE CONTRACTOR

§ 14.1.1 The Contractor may terminate the Contract if the Work is stopped for a period of 30 consecutive days through no act or fault of the Contractor or a Subcontractor, Sub-subcontractor or their agents or employees or any other persons or entities performing portions of the Work under direct or indirect contract with the Contractor, for any of the following reasons:

- .1 Issuance of an order of a court or other public authority having jurisdiction that requires all Work to be stopped;
- .2 An act of government, such as a declaration of national emergency that requires all Work to be stopped;
- .3 Because the Architect has not issued a Certificate for Payment and has not notified the Contractor of the reason for withholding certification as provided in Section 9.4.1, or because the Owner has not made payment on a Certificate for Payment within the time stated in the Contract Documents; or
- .4 The Owner has failed to furnish to the Contractor promptly, upon the Contractor's request, reasonable evidence as required by Section 2.2.1.

§ 14.1.2 The Contractor may terminate the Contract if, through no act or fault of the Contractor or a Subcontractor, Sub-subcontractor or their agents or employees or any other persons or entities performing portions of the Work under direct or indirect contract with the Contractor, repeated suspensions, delays or interruptions of the entire Work by the Owner as described in Section 14.3 constitute in the aggregate more than 100 percent of the total number of days scheduled for completion, or 120 days in any 365-day period, whichever is less.

§ 14.1.3 If one of the reasons described in Section 14.1.1 or 14.1.2 exists, the Contractor may, upon seven days' written notice to the Owner and Architect, terminate the Contract and recover from the Owner payment for Work executed, including reasonable overhead and profit, costs incurred by reason of such termination, and damages.

§ 14.1.4 If the Work is stopped for a period of 60 consecutive days through no act or fault of the Contractor or a Subcontractor or their agents or employees or any other persons performing portions of the Work under contract with the Contractor because the Owner has repeatedly failed to fulfill the Owner's obligations under the Contract Documents with respect to matters important to the progress of the Work, the Contractor may, upon seven additional days' written notice to the Owner and the Architect, terminate the Contract and recover from the Owner as provided in Section 14.1.3.

§ 14.2 TERMINATION BY THE OWNER FOR CAUSE

§ 14.2.1 The Owner may terminate the Contract if the Contractor

- .1 repeatedly refuses or fails to supply enough properly skilled workers or proper materials;
- .2 fails to make payment to Subcontractors for materials or labor in accordance with the respective agreements between the Contractor and the Subcontractors;
- .3 repeatedly disregards applicable laws, statutes, ordinances, codes, rules and regulations, or lawful orders of a public authority;
- .4 otherwise is guilty of substantial breach of a provision of the Contract Documents; or
- .5 is adjudged a bankrupt or insolvent, or if it makes a general assignment for the benefit of its creditors, or if a trustee or receiver is appointed for the Contractor or for any of its property, or if it files a petition to take advantage of any debtor's loss, or to reorganize under the bankruptcy or similar laws.

§ 14.2.2 When any of the above reasons exist, the Owner may without prejudice to any other rights or remedies of the Owner and after giving the Contractor and the Contractor's surety, if any, seven days' written notice, terminate employment of the Contractor and may, subject to any prior rights of the surety:

- .1 Exclude the Contractor from the site and take possession of all materials, equipment, tools, and construction equipment and machinery thereon owned by the Contractor;
- .2 Accept assignment of subcontracts pursuant to Section 5.4; and
- .3 Finish the Work by whatever reasonable method the Owner may deem expedient. Upon written request of the Contractor, the Owner shall furnish to the Contractor a detailed accounting of the costs incurred by the Owner in finishing the Work.

§ 14.2.3 When the Owner terminates the Contract for one of the reasons stated in Section 14.2.1, the Contractor shall not be entitled to receive further payment until the Work is finished.

§ 14.2.4 If the unpaid balance of the Contract Sum exceeds costs of finishing the Work, including compensation for the Architect's services and expenses made necessary thereby, and other damages incurred by the Owner and not expressly waived, such excess shall be paid to the Contractor. If such costs and damages exceed the unpaid balance, the Contractor shall pay the difference to the Owner. The amount to be paid to the Contractor or Owner, as the case may be, shall be certified by the Initial Decision Maker, upon application, and this obligation for payment shall survive termination of the Contract.

§ 14.3 SUSPENSION BY THE OWNER FOR CONVENIENCE

§ 14.3.1 The Owner may, without cause, order the Contractor in writing to suspend, delay or interrupt the Work in whole or in part for such period of time as the Owner may determine.

§ 14.3.2 The Contract Sum and Contract Time shall be adjusted for increases in the cost and time caused by suspension, delay or interruption as described in Section 14.3.1. Adjustment of the Contract Sum shall include profit. No adjustment shall be made to the extent

- .1 that performance is, was or would have been so suspended, delayed or interrupted by another cause for which the Contractor is responsible; or
- .2 that an equitable adjustment is made or denied under another provision of the Contract.

§ 14.4 TERMINATION BY THE OWNER FOR CONVENIENCE

§ 14.4.1 The Owner may, at any time, terminate the Contract for the Owner's convenience and without cause.

§ 14.4.2 Upon receipt of written notice from the Owner of such termination for the Owner's convenience, the Contractor shall

- .1 cease operations as directed by the Owner in the notice;
- .2 take actions necessary, or that the Owner may direct, for the protection and preservation of the Work; and
- .3 except for Work directed to be performed prior to the effective date of termination stated in the notice, terminate all existing subcontracts and purchase orders and enter into no further subcontracts and purchase orders.

§ 14.4.3 In case of such termination for the Owner's convenience, the Contractor shall be entitled to receive payment for Work executed, and costs incurred by reason of such termination.

ARTICLE 15 CLAIMS AND DISPUTES

The parties expressly agree to opt out of the requirements of Section 558.005, Florida Statutes. The provisions of Chapter 558, Florida Statutes, shall not apply to this Agreement.

§ 15.1 CLAIMS

§ 15.1.1 DEFINITION

A Claim is a demand or assertion by one of the parties seeking, as a matter of right, payment of money, or other relief with respect to the terms of the Contract. The term "Claim" also includes other disputes and matters in question between the Owner and Contractor arising out of or relating to the Contract. The responsibility to substantiate Claims shall rest with the party making the Claim.

§ 15.1.2 NOTICE OF CLAIMS

Claims by either the Owner or Contractor must be initiated by written notice to the other party and to the Initial Decision Maker with a copy sent to the Architect, if the Architect is not serving as the Initial Decision Maker. Claims by either party must be initiated within 21 days after occurrence of the event giving rise to such Claim or within 21 days after the claimant first recognizes the condition giving rise to the Claim, whichever is later.

§ 15.1.3 CONTINUING CONTRACT PERFORMANCE

Pending final resolution of a Claim, except as otherwise agreed in writing or as provided in Section 9.7 and Article 14, the Contractor shall proceed diligently with performance of the Contract and the Owner shall continue to make

payments in accordance with the Contract Documents. The Architect will prepare Change Orders and issue Certificates for Payment in accordance with the decisions of the Initial Decision Maker.

§ 15.1.4 CLAIMS FOR ADDITIONAL COST

If the Contractor wishes to make a Claim for an increase in the Contract Sum, written notice as provided herein shall be given before proceeding to execute the Work. Prior notice is not required for Claims relating to an emergency endangering life or property arising under Section 10.4.

§ 15.1.5 CLAIMS FOR ADDITIONAL TIME

If the Contractor wishes to make a Claim for an increase in the Contract Time, written notice as provided herein shall be given. The Contractor's Claim shall include an estimate of cost and of probable effect of delay on progress of the Work. In the case of a continuing delay, only one Claim is necessary.

(Paragraphs deleted)

§ 15.1.6 CLAIMS FOR CONSEQUENTIAL DAMAGES

The Contractor and Owner waive Claims against each other for consequential damages, except for liquidated damages as provided for in the Contract Documents, arising out of or relating to this Contract. This mutual waiver includes

- .1 damages incurred by the Owner for rental expenses, for losses of use, income, profit, financing, business and reputation, and for loss of management or employee productivity or of the services of such persons; and
- .2 damages incurred by the Contractor for principal office expenses including the compensation of personnel stationed there, for losses of financing, business and reputation, and for loss of profit except anticipated profit arising directly from the Work.

This mutual waiver is applicable, without limitation, to all consequential damages due to either party's termination in accordance with Article 14. Nothing contained in this Section 15.1.6 shall be deemed to preclude an award of liquidated damages, when applicable, in accordance with the requirements of the Contract Documents.

§ 15.2 INITIAL DECISION

§ 15.2.1 Claims, excluding those arising under Sections 10.3, 10.4, 11.3.9, and 11.3.10, shall be referred to the Initial Decision Maker for initial decision. The Architect will serve as the Initial Decision Maker, unless otherwise indicated in the Agreement. Unless the Initial Decision Maker and all affected parties agree, the Initial Decision Maker will not decide disputes between the Contractor and persons or entities other than the Owner.

§ 15.2.2 The Initial Decision Maker will review Claims and within ten days of the receipt of a Claim take one or more of the following actions: (1) request additional supporting data from the claimant or a response with supporting data from the other party, (2) reject the Claim in whole or in part, (3) approve the Claim, (4) suggest a compromise, or (5) advise the parties that the Initial Decision Maker is unable to resolve the Claim if the Initial Decision Maker lacks sufficient information to evaluate the merits of the Claim or if the Initial Decision Maker concludes that, in the Initial Decision Maker's sole discretion, it would be inappropriate for the Initial Decision Maker to resolve the Claim.

§ 15.2.3 In evaluating Claims, the Initial Decision Maker may, but shall not be obligated to, consult with or seek information from either party or from persons with special knowledge or expertise who may assist the Initial Decision Maker in rendering a decision. The Initial Decision Maker may request the Owner to authorize retention of such persons at the Owner's expense.

§ 15.2.4 If the Initial Decision Maker requests a party to provide a response to a Claim or to furnish additional supporting data, such party shall respond, within ten days after receipt of such request, and shall either (1) provide a response on the requested supporting data, (2) advise the Initial Decision Maker when the response or supporting data will be furnished or (3) advise the Initial Decision Maker that no supporting data will be furnished. Upon receipt of the response or supporting data, if any, the Initial Decision Maker will either reject or approve the Claim in whole or in part.

§ 15.2.5 The Initial Decision Maker will render an initial decision approving or rejecting the Claim, or indicating that the Initial Decision Maker is unable to resolve the Claim. This initial decision shall (1) be in writing; (2) state the reasons therefor; and (3) notify the parties and the Architect, if the Architect is not serving as the Initial Decision

Maker, of any change in the Contract Sum or Contract Time or both. The initial decision shall be final and binding on the parties.

§ 15.2.6 (Intentionally omitted)

(Paragraph deleted)

§ 15.2.7 In the event of a Claim against the Contractor, the Owner may, but is not obligated to, notify the surety, if any, of the nature and amount of the Claim. If the Claim relates to a possibility of a Contractor's default, the Owner may, but is not obligated to, notify the surety and request the surety's assistance in resolving the controversy.

§ 15.2.8 If a Claim relates to or is the subject of a mechanic's lien, the party asserting such Claim may proceed in accordance with applicable law to comply with the lien notice or filing deadlines.

§ 15.3 MEDIATION

§ 15.3.1 Claims, disputes, or other matters in controversy arising out of or related to the Contract except those waived as provided for in Sections 9.10.4, 9.10.5, and 15.1.6 shall be subject to litigation.

ORDINANCE NO. 2015-47

AN ORDINANCE OF THE CITY OF PORT ORANGE,
VOLUSIA COUNTY, FLORIDA, AMENDING THE CITY OF
PORT ORANGE CODE OF ORDINANCES, CHAPTER 2,
ADMINISTRATION, SECTION 2-267, RELATING TO
BIDDING REQUIREMENTS FOR PURCHASES;
PROVIDING FOR REPEAL OF CONFLICTING
ORDINANCES; PROVIDING FOR SEVERABILITY; AND
PROVIDING AN EFFECTIVE DATE.

WHEREAS, after codification, staff discovered some errors in the codified ordinance relating to paragraph headings and designations; and

WHEREAS, this amendment to Section 2-267 establishes that items for resale shall be an exempt purchase; and

WHEREAS, for purposes of this ordinance words with underlined (underlined) type shall constitute additions to the original text and words with strike-through (~~strike-through~~) type shall constitute deletions from.

NOW THEREFORE, BE IT ENACTED BY THE CITY COUNCIL OF THE CITY OF PORT ORANGE, VOLUSIA COUNTY, FLORIDA:

SECTION 1. The City Council of the City of Port Orange hereby amends Chapter 2, Administration, Article VI, Section 2-267 of the Code of Ordinances, to read as follows:

Chapter 2 - ADMINISTRATION

Sec. 2-267. - Bidding requirements.

- (a) [Procurement of goods and services.] The city manager shall be responsible for the procurement of supplies, materials, equipment and services paid for from city funds. The departments and/or offices shall purchase their goods and services through the division of purchasing, which is the city's official purchasing agency. All purchases shall comply with local, state and federal laws, rules regulations and policies, as applicable. No contract or purchase shall be subdivided to avoid the requirements of this article.
- (b) [Exempt purchases.] Purchases exceeding \$25,000.00 require approval by city council except for goods and/or services that do not lend themselves to the normal competitive bidding process and the city manager has approved waiving the formal bidding requirements, as follows:

- (1) Maintenance and/or service contracts, on various types of technical equipment that are offered and/or supplied only by the original manufacturer or its representative, or that are required to maintain the integrity of the manufacturer's warranty, or that are part of the manufacturer's rental, lease or lease purchase agreement's terms and conditions.
- (2) Materials purchased directly from a producer or publisher, an owner of a copyright, an exclusive agent with the state, a governmental agency or a recognized educational institution.
- (3) Public or regulated utility services or government franchised services.
- (4) Commodities or contractual services determined to only be available from a single source. The city shall electronically or otherwise publicly post a description of the commodities or contractual services for a period of at least seven business days. The posted description must include a request that prospective vendors provide information regarding their ability to supply the commodities or contractual services described.
- (5) Professional services (except as otherwise provided for in Florida law) and contracts for professional services (which include but are not limited to services provided by attorneys, accountants, actuaries, lobbyists and financial advisors) may be made or entered into by the city manager without utilizing a sealed competitive method or the written quotations method.
- (6) Admission fees.
- (7) Association fees and professional association dues.
- (8) License fees and agreements.
- (9) Media advertising (i.e., newspaper, radio, television, etc.).
- (10) Permit fees.
- (11) Petty cash replenishment.
- (12) Postage.
- (13) Registration fees.
- (14) State fees (unemployment compensation).
- (15) Travel reimbursement.
- (16) Insurance coverage or claims expenditures as provided in the insurance fund, excepting, however, damage to city-owned property.
- (17) Supplies, equipment and vehicles purchased at a public auction.
- (18) Purchases from other governmental agencies, including school boards, community colleges, federal agencies, and agencies from other states, when the awarded contract by the other entity permits purchases by the city on the same terms, conditions, and prices (or below such prices) and the purchase is considered economically advantageous to the city.

(19) Purchase, sale, lease or rental of real property.

(20) Items for resale when purchased in compliance with the restrictions listed below:

(a) Items purchased shall be exclusively for resale;

(b) Items shall include brand name specifications significant to their retail sales appeal; and

(c) Items, after reasonable expected resale, shall result in no cost to the city.

~~(c)~~ Purchase, sale, lease or rental of real property. The purchase of certain items for resale is exempt from the requirements for multiple quotations for purchases not to exceed the \$25,000.00 formal bid threshold. It should be noted, however, that it is always in the best interest and the intent of the city to obtain the most advantageous pricing possible. These purchases shall comply with the restrictions listed below:

~~(1)~~ Items purchased shall be exclusively for resale;

~~(2)~~ Items with brand name specifications significant to their retail sales appeal; and

~~(3)~~ The items, after reasonable expected resale, result in no cost to the city.

~~In such cases, the purchase of materials, supplies, equipment and contractual services may be made by negotiation without regard to the estimated cost, but only with the prior approval of the city council.~~

~~(c)(d)~~ Contract renewals. The city shall have the authority to award and reject any or all bids. The city manager shall have the authority to exercise, in subsequent years, any renewal options initially included in the bid solicitation, provided they are approved by council at the initial award of the contract, and the terms and conditions as well as current market conditions are favorable for the city. Such renewals are subject to the availability of funds.

~~(d)(e)~~ Identical prices and priorities for award. When identical prices are received from two or more vendors and all other factors are equal, priority for award shall be given to vendors in the following sequence:

(1) Drug-free workplace pursuant to F.S. § 287.087.

(2) Certified service-disabled veteran.

(3) Local businesses as defined in section 2-275 of the Code of Ordinances.

(4) Firm with the lowest volume of work on city projects within the last five years. The information will be based on information provided by the proposer, subject to verification at the city's option.

SECTION 2: CONFLICTING ORDINANCES.

All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed to the extent of such conflict.

SECTION 3: SEVERABILITY.

If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the ordinance which can be given effect without the invalid provision or application, and to this end the provisions of this ordinance are declared severable.

SECTION 4: EFFECTIVE DATE.

This Ordinance shall take effect immediately upon adoption.

CITY COUNCIL AGENDA ITEM

REQUESTED COUNCIL MEETING DATE 12/08/2015

Consent item: No

SUBJECT: Implementation of the Cody compensation study for the City Attorney

DEPARTMENT: City Attorney

GOAL: 6 - Organizational Excellence

OBJECTIVE: 1 - Implement compensation study

RECOMMENDED MOTION: Move to approve implementation of the Cody compensation study for the City Attorney salary and an adjustment to the mid-point for FY16.

SUMMARY: The Cody compensation study establishes an employee's midpoint at 15 years of service. The City Attorney has served 15 years effective September 1, 2015 and has served as a City Attorney in the Volusia County area for over 30 years. The City Attorney's current salary is substantially below midpoint. The compensation study demonstrates that the City Attorney's current salary has not kept pace with the market when compared with other local government attorneys with similar legal work, experience in the field and tenure in the organization.

The City Attorney is requesting council approval of the implementation of the compensation study for the City Attorney and an equitable adjustment to substantially reach midpoint. Funding in the amount of \$19,550 is available in the FY16 budget.

All other legal staff members consistent with existing contracts have received adjustments or the adjustments are being implemented in FY 16.

SUBJECT: City Manager Comments

DEPARTMENT: City Manager

GOAL:

OBJECTIVE:

RECOMMENDED MOTION:

SUMMARY: Based on my conversations with elected officials and Florida League of Cities I have determined that Sean Pittman is our best bet for a lobbyist. He is well connected in Tallahassee and as I mentioned has been recognized as one of the top 100 influential people in the city. Due to our past split vote and perceived lack of confidence in his lobby efforts is not amenable to a six month contract. In an effort to establish continuity, stability and trust I am recommending we proceed with awarding him an 18 month contract. He does lobby for other municipalities and we have made it clear that he shall not lobby on our behalf about items that have not previously been discussed with the City Manager. My intent would be to contact you all if he has some new topic we have not talked through.

Regarding Volusia's Best options our staff is still looking into all options and whether it is in our best interest to collaborate with VB with payment or payment in kind. Advertising and other promotion may have legal and other implications we will look into before acting.

I have written a letter to the Volusia County Charter Committee for Mayor Green to sign stating Council's decision to remain with the status quo regarding the VGMC.
