Mike Green, Port Orange Building Inspector, was sworn in by Special Magistrate Fuller and testified to the roofing system that was in place in 2004 and stated if the property owner has made any changes to the system they must apply for a permit. He has not inspected the property himself.

Brennen Clancy, property owner, was sworn in by Special Magistrate Fuller and testified to purchasing the property about a year ago and at that time it passed inspection. Upon moving in he noticed the roof was failing and due to lack of funds he installed a temporary fix.

Ms. Joseph recommended the property owners be found in violation of the above referenced codes with the violations to be corrected by September 24, 2021 by obtaining a permit for the roof work that was done at this location and by paying all associated fees for the permit. In the event the property is not brought into compliance on or before the compliance date, and/or not maintained in a state of compliance, a daily fine in the amount of \$50.00 per day shall be imposed. Accused should be further ordered to contact the Code Enforcement Officer to arrange for a re-inspection of the property to verify compliance with the order. Ms. Joseph requested any future violations under this ordinance be considered repeat. The cost sheet in the amount of \$43.94 was tendered into evidence and accepted by Special Magistrate Fuller with no objections.

Special Magistrate Fuller granted the recommendation as presented. The property owner has until September 24, 2021 to obtain a permit for the roof work that was done at this location and pay all associated fees for the permit or a daily fine in the amount of \$50.00 per day shall be imposed. Costs in the amount of \$43.94 were awarded to the City.
