This correspondence will serve as official notification that the **below stated violation(s) must be corrected by September 19, 2022**, by doing the following: **A Special Flood Hazard Area (SFHA) Floodplain Development Permit application is required for work in the floodplain. It appears that the interior improvements to be completed are exempt from the Florida Building Code and do not require a building permit, but as part of the City's Floodplain Management Regulations, the City needs to determine if work is a Substantial Improvement per Land Development Code, Chapter 8, Article III, Section 8(c)(4) and review the proposed improvements for issuance of a Floodplain Development Permit per Land Development Code, Chapter 8, Article III, Section 8(c)(3)(g)(h).**

Failure to comply after this date may result in the commencement of appropriate code enforcement action and/or possible fine of up to \$1,000.00 per day for a first violation, \$5,000.00 per day per violation for a repeat violation, and up to \$15,000.00 per violation if the special magistrate finds the violation to be irreparable or irreversible in nature.

1. **Per the City of Port Orange's Land Development Code, Land Development Code, Chapter 8, Article III, Section 8(c)(3)(g): Applications and permits.** The floodplain administrator, in coordination with other pertinent offices of the community, shall: Issue floodplain development permits or approvals for development other than buildings and structures that are subject to the Florida Building Code, including buildings, structures and facilities exempt from the Florida Building Code, when compliance with this article is demonstrated, or disapprove the same in the event of noncompliance, and **(h.)** Coordinate with and provide comments to the building official to assure that applications, plan reviews, and inspections for buildings and structures in flood hazard areas comply with the applicable provisions of this article.
- The initial inspection of this property found work being completed on the property that requires a Floodplain Development Permit.

If the violation is corrected and then recurs, or if the violation is not corrected by the above specified time for correction given by the undersigned Code Enforcement Officer (Code Compliance Inspector), the case shall be presented to the **Special Magistrate** on the date set forth below, even if the violation has been corrected prior to this scheduled hearing.
