Also Present: Tracey Riehm, Finance Director  
Susan Lovallo, Parks & Rec Director

Theresa Gutierrez, Deputy City Clerk

B. APPROVAL OF MINUTES

2. Regular Meeting – November 3, 2015

Motion was made by Mr. Johansson, and seconded by Chairman Ford, to approve the minutes from the November 3, 2015 meeting. Motion carried unanimously by voice vote.

3. Financial Report – October 2015

Bob Duquette, KemperSports, provided the financial report for October 2015. Mr. Duquette said the year to date numbers are exactly the same since that was the first month. There were 270 rounds for the month of October which included the grand reopening.

Motion to approve the financial report by Mr. Johansson, and seconded by Chairman Ford. Motion carried unanimously by voice vote.

4. Evaluation Report –October 2015

Mr. Duquette said the restaurant/bar, banquet room, kitchen, restrooms and hallway are all the responsibility of the restaurant. KemperSports does not have keys/access to those specific areas. Discussion ensued regarding whether to pull the tavern out as a separate entity. Chairman Ford stated that he will bring this issue to the Council's attention for discussion.

Chairman Ford mentioned the consolidated reporting. Mr. Nofall asked why the golf course does not have cash flows with regard to credit cards. Chairman Ford said they had suggested a unified report.

Tracey Riehm, Finance Director, explained the process of credit cards and stated that after the 451 Fund is closed and the fiscal year is closed it will be together and reconciled. The 450 fund will take care of the activities at the golf course.

All the new lighting was discussed which was hoped to create more interest in the evenings; however, the activity is more for the breakfast and lunch crowds.

## **GOLF ADVISORY BOARD DISCUSSION**

Chairman Ford discussed altering the nature of this Board to broaden the appeal and change its direction and opened the floor for discussion; stating that it was an advisory board back in 1992.

Matthew Jones, Assistant City Attorney, discussed the possibility of making the Board an Advisory Board, now that the issues of the liquor license are over. Discussion ensued regarding the liquor license in the past. Chairman Ford thinks there needs to be representation which the Board of Directors may wish to do in the future. Chairman Ford thinks there is a lack of input from the community and golfers, and believes that we would prosper by opening up a larger Advisory Board so concerns could be addressed.

Mr. Johansson said there are people that live outside of Cypress Head that feel like they have limited say to public cost. He thought by having an advisory board of people from the community, a cross-section of Port Orange – not a Council member or the City Manager, it would show them who is advising, and would ask this idea be entertained.

Chairman Ford stated that this discussion needs time, thought and Council participation.

Alan Angelone, citizen, asked how large the Board would be, how much empowerment they would have, and how it is different than what they have now. Discussion ensued regarding size and cross section of the community and how the community has a voice.

Ms. Lovallo explained that an advisory board goes to Council to make recommendations, approval of expenditures, and how the Advisory Board as a group decides on how the golf course is run.

Chairman Ford brought up the issue with the Sunshine Law and the inability to discuss the subject with the City Manager. By setting up the Advisory Board, it does have impact upon communication patterns, and he would like to see a traditional seven member board with a member of Council and suggested Ms. Lovallo being a member, and said it is valuable to hear upfront about the golf course, and if Staff will be a Board member or just support. He suggested due to sunshine that they are support.

Mr. Jones discussed Ms. Lovallo becoming an Ex-Officio member to the board.

Mr. Angelone would like to have the golf board goals established and that they are very clearly understood so that the board knows.

Bob White, citizen, agreed with Mr. Angelone with clearly defining responsibilities.

Mr. Johansson mentioned the passes and that they will probably still happen. Coming up with a good idea, staff is not ever going to shy away from good work to make an idea stick. He thinks having a council member will provide direction.

Chairman Ford asked about the awning. Ms. Lovallo said the City was responsible for it.

Mr. Angelone asked if there is enough money in the budget for some rangers actively out there. Mr. Duquette said the biggest issue is that some people feel as if they can drive right up to the green due to being disabled. He has spoken to staff about proper markings displaying the right locations and to keep the rangers out so that they know what to do and what not to do. Rangers are currently out on Fridays, Saturdays and Sundays. Mr. Angelone said that he has seen a lot of violators.

Mr. Jones said they will leave this Board as-is while creating an advisory board and will come back with a sample ordinance.

Mr. Nofall suggested the board create its own schedule of meeting times.

Ms. Lovallo recommended going quarterly with special meetings called if needed. City Manager Johansson agreed. There will be no gap between this Board and the Advisory Board.

Chairman Ford suggested the process will take a couple of months – probably until March.

**C. PUBLIC COMMENTS:** There were none.

**D. ADJOURNMENT:** 4:47 p.m.

Bob Ford, Chairman

December 11, 2015

To the Golf Board, Honorable Mayor,  
and City Council of the City of Port Orange, Florida

We have audited the financial statements of Agreement for Golf Course Management Services at Cypress Head (“the Golf Course”) as of and for the year ended September 30, 2015, and have issued our report thereon dated December 11, 2015. Professional standards require that we advise you of the following matters relating to our audit.

### **Our Responsibility in Relation to the Financial Statement Audit**

As communicated in our engagement letter dated April 3, 2015, our responsibility, as described by professional standards, is to form and express an opinions about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Golf Course solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our findings regarding significant control deficiencies over financial reporting and material noncompliance, and other matters noted during our audit in a separate letter to you dated December 11, 2015.

### **Planned Scope and Timing of the Audit**

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

## **Compliance with All Ethics Requirements Regarding Independence**

The engagement teams, others in our firm, as appropriate, and our firm have complied with all relevant ethical requirements regarding independence. We have applied various safeguards to eliminate identified threats to independence or reduce them to an acceptable level

## **Qualitative Aspects of the Entity's Significant Accounting Practices**

### *Significant Accounting Policies*

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Golf Course is included in Note 1 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during the year ended September 30, 2015. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

### *Significant Accounting Estimates*

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimate affecting the financial statements is depreciation expense. Management's estimate of depreciation expense is based on the Golf Course's estimate of useful lives of capital assets. We evaluated the key factors and assumptions used to develop the estimate and determined that it is reasonable in relation to the basic financial statements taken as a whole and in relation to the applicable opinion units.

### *Financial Statement Disclosures*

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the Golf Course's financial statements relate to note 3 due to disclosure of related party transactions with the City of Port Orange, Florida and Kempers Sport Management.

## **Significant Difficulties Encountered during the Audit**

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

### **Uncorrected and Corrected Misstatements**

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. The attached schedule summarizes uncorrected financial statement misstatements whose effects in the current and prior periods, as determined by management, are immaterial, both individually and in the aggregate, to the financial statements taken as a whole and each applicable opinion unit.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. None of the misstatements identified by us as a result of our audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole or applicable opinion units.

### **Disagreements with Management**

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Golf Course's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

### **Representations Requested from Management**

We have requested certain written representations from management, which are included in a letter dated December 11, 2015.

### **Management's Consultations with Other Accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

### **Other Significant Matters, Findings, or Issues**

In the normal course of our professional association with the Golf Course, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, operating and regulatory conditions affecting the entity, and operational plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Golf Course's auditors. In addition, during our audit we became aware of several matters that are an opportunity for strengthening internal policies and operating efficiency. The following is our comments and suggestions concerning these matters:

#### **Documentation for Cash Disbursements** – *Corrective Action Taken*

### **CURRENT YEAR COMMENTS**

#### **Management Agreement Modification**

Kemper Sport's management agreement with the City of Port Orange expires in October 1, 2017, to operate the golf course, clubhouse, pro shop and restaurant. Effective October 1, 2015, the City contracted with a third party vendor to operate the restaurant. We noted there was an amendment to the management agreement to reflect this change in operations and a reduction in the fixed management fee by 24%. However, the amendment did not address the incentive management fee in section 3B.

The Golf Course's response to the findings identified in our audit is included in the body of this report. We did not audit the Golf Course's response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of the Board of Directors and management of the Agreement for Golf Course Management Services at Cypress Head and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

## **INDEPENDENT AUDITORS' REPORT**

To the Golf Board, Honorable Mayor, and City Council of the  
City of Port Orange, Florida:

### **Report on the Financial Statements**

We have audited the accompanying financial statements of the Agreement for Golf Course Management Services at Cypress Head (Cypress Head Golf Club) as of and for the year ended September 30, 2015, and the related notes to the financial statements, which collectively comprise Cypress Head Golf Club's basic financial statements as listed in the table of contents.

### ***Management's Responsibility for the Financial Statements***

Cypress Head Golf Club's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of Cypress Head Golf Club as of September 30, 2015, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

***Emphasis of Matter***

As discussed in Note 1, the financial statements present only the Agreement for Golf Course Management Services at Cypress Head and do not purport to, and do not, present fairly the financial position of City of Port Orange, Florida, as of September 30, 2015, and the changes in its financial position and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 11, 2015, on our consideration of Cypress Head Golf Club's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Cypress Head Golf Club's internal control over financial reporting and compliance.

**AGREEMENT FOR GOLF COURSE MANAGEMENT SERVICES AT CYPRESS HEAD**  
**NOTES TO FINANCIAL STATEMENTS**  
**SEPTEMBER 30, 2015**

**(1) Summary of Significant Accounting Policies:**

The following is a summary of the significant accounting policies of the Agreement for Golf Course Management Services at Cypress Head, which affect significant elements of the financial statements:

(a) **Organization and nature of activities**—The Cypress Head Golf Club (the "Golf Course") is an 18-hole championship course, with lighted practice facility, driving range, maintenance barn, cart barn, clubhouse, pro shop, restaurant, banquet room, and other related facilities wholly owned and operated by the City. Golf Club at Cypress Head, Inc. was incorporated on August 31, 2001, under the laws of the State of Florida and is the successor of Cypress Head Golf Course, Inc. which was incorporated on October 10, 1991. Golf Club at Cypress Head, Inc. is engaged primarily in holding the license authorizing the sale of alcoholic beverages at the Golf Course and is wholly owned by the City of Port Orange, Florida (the "City"). The City has agreed to operate and maintain these facilities for a period of 30 years after the Golf Course opened in 1992. At the completion of this term, the City may continue to operate the Course, or simply allow the property to revert to open space. These financial statements provide a separate accounting for the revenues and expenses generated from player fees, pro-shop sales, restaurant sales, and other related financial activities of the Golf Course. The Golf Course is managed by an independent sports management company as described in Note 3. The accompanying financial statements were prepared to present only those financial activities of the Golf Course which is managed pursuant to the Agreement for Golf Course Management Services at Cypress Head. Other real and other personal property associated with the Golf Course and related revenues and expenses are recorded only on the City's accounting records. Therefore, these financial statements are not intended to be a complete presentation of the Golf Course's assets, liabilities, revenue, and expenses.

(b) **Basis of accounting**—The financial statements are prepared on the accrual basis of accounting. The use of this method of accounting identifies revenues and expenses with specific periods of time. Revenues are recorded when earned and expenses are recorded as incurred, without regard to the date of receipt or payment of cash.

(c) **Use of estimates**—The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could vary from those estimates.

(d) **Cash and cash equivalents**—For the purposes of the statement of cash flows, the Golf Course considers all cash, demand deposit accounts, and highly liquid investments with original maturity dates of three months or less to be cash equivalents. The carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments.

(e) **Accounts receivable**—Accounts receivable are reported at net realizable value. The receivables are stated net of an allowance for uncollectible accounts which has been provided based upon management's analysis of historical trends. Accounts deemed worthless are written off in the year they are determined to be worthless. At September 30, 2015, management has determined no allowance is required.

(f) **Revenue recognition**—Annual golf passes are recognized as revenue in the applicable membership period which is based on the fiscal year. Prepaid play cards are recognized as revenue as the prepaid rounds are played. Amounts billed in advance are appropriately recorded and captioned as "Unearned revenue" in the financial statements.

(1) **Summary of Significant Accounting Policies:** (Continued)

(g) **Inventories**—Inventories are stated at lower of cost (average cost) or market value. Inventories consist of retail golf merchandise, food, and beverages.

(h) **Capital assets**—Capital assets are accounted for and capitalized at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the assets' estimated useful lives. The estimated useful lives of the major classes of capital assets are as follows:

| <u>Assets</u>           | <u>Years</u> |
|-------------------------|--------------|
| Building improvements   | 20 - 40      |
| Furniture and fixtures  | 5 - 7        |
| Machinery and equipment | 7 - 20       |

(i) **Operating revenue and expenses**—Operating revenue and expenses are distinguished from non-operating revenue. Operating revenue and expenses generally result from providing services and delivering goods in connection with ongoing operations. The principal operating revenue of the Golf Course is charges for services. The Golf Course also charges a \$1.00 surcharge for every 9 holes of golf as authorized by City of Port Orange, Florida Resolution 12-44.

(j) **Accrued payroll and accumulated unpaid vacation pay**—The portion of employees' payroll costs paid subsequent to year-end attributable to services performed prior to year-end is recorded and recognized as a current liability.

(k) **Income taxes**—The City of Port Orange, Florida, is exempt from income taxes as a state or subdivision thereof. Since the Golf Club at Cypress Head, Inc. acts as an agent for the City of Port Orange, Florida, and therefore has no assets, liabilities, revenue, or expenses, the corporation has no corporate income tax liability.

(l) **Subsequent events**—The Course has evaluated events and transactions for potential recognition of disclosure in financial statements through December 11, 2015, the date through which the financial statements were available to be issued. See Note 7 for disclosure of a subsequent event.

(2) **Cash and Investments:**

(a) **Interest rate risk**—Generally, the Golf Course limits its exposure to fair value losses arising from increases in interest rates by limiting the investment of its operating funds in investments with maturities of less than one year. Substantially all of the Golf Course's surplus funds are invested in non-interest bearing demand deposit accounts.

(b) **Credit risk**—The provisions of Section 218.415, Florida Statutes, require that the investment activity of the Golf Course be conducted in accordance with a written investment plan adopted by the governing body. Under that plan, allowable investment instruments include: bonds, notes, certificates of indebtedness, treasury bills, or other securities which are guaranteed by the full faith and credit of the United States of America, interest bearing savings accounts, interest bearing certificates of deposit, and interest bearing time deposits, including those held with the Florida State Board of Administration investment pool.

(2) **Cash and Investments:** (Continued)

(c) **Custodial credit risk**—Custodial credit risk is the risk that in the event of a bank failure, the Golf Course's deposits may not be returned to it. Pursuant to the applicable provisions of Chapter 280, Florida Statutes, The Florida Security for Public Deposits Act ("the Act"), the State of Florida, Department of Financial Services, Division of Treasury, Bureau of Collateral Management have established specific requirements relative to the security and collateralization for public deposits. Accordingly, banks qualifying as a public depository in the State of Florida must adopt the necessary procedures outlined in these statutes and meet all of the requirements of this chapter to be designated by the State's Chief Financial Officer as eligible to receive deposits from municipal depositors. Collateral having a market value equal to 50% of the average daily balance for each month of all public deposits in excess of any applicable depository insurance is required to be pledged or deposited with the State's Chief Financial Officer to secure such deposits. Additional collateral, up to a maximum of 125% may be required if deemed necessary under the conditions set forth in the Act. Securities eligible to be pledged as collateral are generally limited to obligations of the United States government and any state thereof and are held in the name of the State Chief Financial Officer's office. Compliance with the provisions of Chapter 280, Florida Statutes, is monitored by a Qualified Public Depository Oversight Board with members appointed by the State Chief Financial Officer.

At September 30, 2015, the carrying amount of the Golf Course's deposits was \$50,114, all of which was covered by collateral securities in accordance with the Act. Also included in the Golf Course's cash position at year end was \$1,350 of cash on hand used for daily operational purposes, not included in the Golf Course's cash deposits described above.

(3) **Related Party Transactions:**

(a) **Kemper Sports Management**—Effective October 1, 2012, the City of Port Orange, Florida entered into a five year management agreement for operation of the Golf Course with an independent sports management company. Under the terms of the agreement, the management company is paid \$86,700 per year, payable in advance in twelve monthly installments on the first business day of each month. There was an addendum to the agreement during the year ended September 30, 2015, to drop the management fee to zero during the period of May through July 2015, during a portion of the renovation. The base management fee is increased by two percent of the management fee for the preceding twelve month period. In addition to the base management fee, the management company is entitled to an incentive fee equal to five percent of all gross receipts in excess of \$1,800,000 per annum, if any, plus five percent of all gross receipts attributable to sales of food and beverages in excess of \$350,000, if any. The total incentive fee cannot exceed \$85,000. The agreement may be renewed for an additional five year period, solely at the City's option and with the mutual acceptance of Kemper Sports Management.

Management fees incurred for the year ended September 30, 2015, are as follows:

|                            |                  |

(3) **Related Party Transactions:** (Continued)

(b) **City of Port Orange, Florida**—Throughout the fiscal year, the City requires the Golf Course to manage and finance its operational affairs from its own cash funds. As surplus funds accumulated exceed, or do not meet, amounts historically needed to provide for its ongoing seasonal operations, cash funds are transferred to and from the City, respectively, as cash and operating reserves dictate.

During the year ended September 30, 2015, the following related party transactions occurred between the Golf Course and the City:

|                                                                                         |    |         |

| Golf Course use of golf carts, equipment, and rolling stock                             | \$ | 126,325 |
| Repayment of interfund capital loan                                                     |    | -       |

(4) **Retirement Plan:**

Kemper Sports Management employs all personnel of the Golf Course and sponsors a defined contribution plan which covers employees, over 21 years of age, with a minimum of one year of service, and who work at least 1,000 hours during the plan year. The plan allowed for an employer matching contribution of 25% of the first 5% of employee salaries contributed by employees. For the year ended September 30, 2015, the Golf Course contributed \$1,595 to the plan.

(5) **Risk Management:**

The Golf Course is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the Golf Course carries commercial insurance.

## **COMPLIANCE SECTION**

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT  
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS**

To the Golf Board, Honorable Mayor, and City Council of the  
City of Port Orange, Florida:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Agreement for Golf Course Management Services at Cypress Head (Cypress Head Golf Club) as of and for the year ended September 30, 2015, and the related notes to the financial statements, which collectively comprise the Cypress Head Golf Club's basic financial statements, and have issued our report thereon December 11, 2015.

***Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered Cypress Head Golf Club's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Cypress Head Golf Club's internal control. Accordingly, we do not express an opinion on the effectiveness of Cypress Head Golf Club's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We did identify a certain deficiency in internal control, described below, that we consider to be a significant deficiency.

### **2015-01 Cash Receipts**

During our testing of cash receipts, we noticed 7 out of the 25 items tested there was no evidence of direct approval by the General Manager related to cash receipts and allocation of revenue. This approval is accomplished by the General Manager reviewing a journal entry summary sheet and placing his signature or initials directly on the summary. We recommend the Golf Course more closely follow their direct approval process for cash receipts.

*Management Response: Management will more closely follow its internal procedures in regards to cash receipts approval.*

The Cypress Head Golf Club's response to the findings identified in our audit is included in the body of this report. We did not audit the Golf Course's response and, accordingly, we express no opinion on it.

### ***Compliance and Other Matters***

As part of obtaining reasonable assurance about whether Cypress Head Golf Club's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to management of the Cypress Head Golf Club in a separate letter dated December 11, 2015.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

### **Overview:**

- The month of January has proven to be very challenging for Cypress Head golf course. As the rest of the country has struggled with record cold and snow, we here in Florida have faced record amounts of rainfall mixed in with multiple days of cold weather and frost. In January we received over 7 inches of rain when normally we would average 2 inches or less. We also experienced heavy winds and potential tornadic activity on several occasions. The weather has had a major effect on the golf course with 6 days being completely closed due to storms and multiple days being cart path restricted. Unfortunately, many of our players will not golf due to the cart path restriction and that will reduce the number of rounds. The number of rounds loss averaged over 150 per day which reduced our monthly totals by over 900 rounds. The total revenue lost due to the weather with an average of \$28.00 per round was approximately \$25,000.00.
- On a more positive note we were able to accomplish 88% towards our projected revenue totals for the month with a 16% reduction of operating expenses. We were still able to host 3970 rounds with an average of \$28.00 per round.

### **Key Performance Highlights:**

- Total revenues for the month of January were under budget by 12% due to the weather difficulties mentioned above. Our operating expenses were reduced by 16% which allowed us to attain a Net Operating Income of \$16,429.00 with over 3970 rounds for the month.
- Cypress Head Golf Course was also involved in hosting multiple clinics designed for ladies & juniors to help bring new players to Cypress Head golf course to experience all that the club has to offer. The ladies clinics were sold out immediately and we will be adding more dates as well as adding several men's clinics to the schedule.
- We also hosted some smaller groups such as the Nelson group, the Girouard group, and the Grose and Robish groups. All of these groups continue to play regularly throughout the winter season since they have enjoyed the course conditions and customer service.
- Ms. Reggie Hunter, our Director of Sales & Marketing, has been able to showcase to every group that plays at Cypress Head, that this is the best place to host their event. The positive publicity generated by all the guests who are either playing golf, taking lessons, practicing at our lighted range or enjoying the new menus from the Tavern restaurant has helped make Cypress Head the place to play in Port Orange and Volusia county.

**Recognition and Awards:**

- We will be hosting the City Championship at Cypress Head on March 12<sup>th</sup> & 13<sup>th</sup> which is an event open to the public with multiple divisions for both men and women. We will be presenting trophies and prizes for the Men's, the Senior Men's and the Women's Championship division as well as various handicap flights for other groups.

**R&R Projects pending:**

- There were no R & R projects outlined for the month of January.

**Tee Sheet Activity:**

- We had over 2908 paid rounds for the month as well as 866 Annual and Cypress Pass member rounds.
- The Golf staff continues to monitor daily tee sheet activity and is trained to recognize underutilization of the tee sheet and offer promotional prices to increase the number of potential players.

## **Departmental Summaries:**

### Course & Grounds/Range

- The maintenance team continues to do a tremendous job in maintaining the golf course even though we have experienced several days of cart path only conditions due to the large amounts of rainfall. Dennis and his team continue to work diligently in preparing the course for all the players and is following all guidelines for turf management.
- The range has been receiving a large amount of play due to the much improved drainage as a result of the renovations. The lights are operational on several evenings and both conditions has helped to increase our range revenues as well.

### Food and Beverage

- No Food and Beverage sales for the month of January. The management team of the Tavern continues to work with Ms. Hunter and I by coordinating all the details involved for any events held at Cypress Head. We are very committed to offering the best in class service to all tournament groups, individual golfers and non-golfers alike.

### Golf Shop/Carts

- The golf shop continues to receive and display new merchandise to help enhance the professional nature of the golf shop and increase merchandise sales. Vendors include Footjoy, Titleist, Callaway, Bridgestone, Page & Tuttle, Nancy Lopez, Bermuda Sands, Ahead headwear and St Andrews products. We hold weekly specials promoting different manufacturers to compete with the large box stores locally. We had over \$1292.00 in gift card sales for the month as well as over \$4699.00 in merchandise sales.
- We continue to follow all regular maintenance procedures regarding the cart fleet which includes registering monthly totals for battery amperage and mileage as well as proper watering of all batteries to protect all warranties associated with the new fleet. In addition to the monthly process our carts are inspected daily for any damage which may have occurred during normal play. We are committed to providing quality carts for the enjoyment of all our players.

- Our team has also been involved with a new national program called GLF which stands for Giant Leap Forward. This program is designed to help promote the game of golf to young golfers throughout the school system beginning in the elementary level all the way to high school. We are excited about promoting this program to all skill levels of junior golfers and this is a tremendous benefit for the City of Port Orange. We are currently scheduled to begin the program at Cypress Creek Elementary school on February 15<sup>th</sup> with other schools being incorporated throughout February and March.

### **Marketing and Sales:**

- We have received inquiries by some individuals regarding joining the new Cypress Pass membership. Promotions continued to be offered during the month of January highlighting the benefits of joining the membership program with pro-rated and reduced rates. We are expecting more memberships to be purchased as we see our friends arriving from the north taking advantage of this great opportunity.
- The Sales & Marketing director has been very busy responding to all guest inquiries and she has booked multiple events for the month of February as well as the throughout April, May and June. Ms. Hunter continues her involvement with the POSD Chamber, POSD Ambassadors program, Daytona Beach Chamber, SEV Chamber and the POSD Rotary club promoting the course as well as keeping Cypress Head Golf Course “Top of Mind” in the community.
- We are continuing our involvement with Daytona CVB, Golf Pac, and Tee-Times USA along with other National wholesaler and Golf Now to maximize utilization of our tee sheet.
- We have increased our database of emails to over 8500 unique e-mail addresses which were accomplished by the golf team by properly registering player profiles including residency, phone numbers and proper classifications of all players. This process will allow better understanding of who our players are and where they come from.
- The team is very active on social media including Facebook, Twitter, and Instagram as well as email blasts promoting all the events and programs offered at Cypress Head.
- The city of Port Orange is also involved with promoting the golf course through the POG channel and the Parks & Recreation department has been helpful in posting golf clinics at their facilities.
