Subject: Quantum Volleyball – Partner Group Application with Port Orange Parks & Recreation

Dear Port Orange Park & Recreation,

On behalf of Quantum Volleyball, I'd like to express our sincere interest in becoming a Port Orange Parks & Recreation partner group. As a family-owned and operated organization founded in 2024, our mission is to provide high-level volleyball training to both girls and boys in our community, while fostering a culture of family, fun, and competition.

We are especially passionate about supporting the growth of boys' volleyball. With Spruce Creek High School offering a boys' program, we see a valuable opportunity to help young athletes develop their skills before reaching high school. This initiative, along with our broader programming, reflects our deep commitment to the Port Orange community, where we live, raise our families, and participate in many of the city's recreational offerings.

Our family has enjoyed everything the Parks & Rec department has had to offer, from esports tournaments and baseball to summer camps, community events and positive uplifting staff members. We would be honored to contribute to the team that provides these experiences. As volunteer coaches in several city sports, my wife and I have seen firsthand the positive impact a coach can have on a player, a team, and a family by creating a supportive and uplifting environment.

Quantum currently operates out of Ivy Hawn Charter School, located in Lake Helen, FL, through a partnership that provides access to three full indoor volleyball courts, complete with volleyball-specific flooring, net systems, wall safety features, divider netting, and a concession stand. We support nine teams ranging from ages 8 to 18, led by 18 dedicated coaches. Our organization handles all aspects of tournament planning, registration, travel coordination, and also offers camps, private lessons, and seasonal leagues.

We believe that partnering with Port Orange Parks & Recreation would:

- Provide convenient access for families in Port Orange, Ponce Inlet, Daytona Beach Shores, and New Smyrna Beach.
- Utilize the city's top-tier facilities to expand our programming.
- Promote the City of Port Orange through our growing network of families and collegiate connections.
- Offer more local opportunities for youth development in a safe, structured, and inspiring environment.

We are excited about the possibility of working together to enrich the lives of local families through sport and community engagement. Thank you for considering our application. Please let us know if there are any additional materials or steps needed.

Regards,

Jordan and Trisha Gibson  
Quantum Volleyball
